**ERRATA TO MOTION TO EXTEND TIME TO FILE BRIEF UNDER  
NRAP 26(b)(1)(B)**

COMES NOW, Appellants, Howard Shapiro and Jenna Shapiro, through  
counsel of record, Alex Ghibaud, Esq., of the Law Office of Alex B. Ghibaud,  
PC, and files this errata to motion to extend time to file the opening brief due  
February 5<sup>th</sup>, 2018, which was originally filed February 5<sup>th</sup>, 2018. This errata is  
based upon the following points and authorities.

## **POINTS AND AUTHORITIES**

On February 5<sup>th</sup>, 2018, a motion to extend time to file the opening brief in this matter was filed alleging extraordinary circumstances exist to further extend time to file the opening brief beyond the 14-day period automatic telephone extension was granted on January 19<sup>th</sup>, 2018.

In that motion, undersigned counsel inadvertently requested four (4) additional days be granted, extending the time to the 9<sup>th</sup> of February, 2018, when it was intended that the 19<sup>th</sup> of February be granted and set as the last day to file Appellants opening brief. Four (4) days is simply not enough time to complete the opening brief given the complexity and novelty of the issues involved.

Additionally, undersigned counsel was convalescing for almost the full two (2) weeks of time coinciding with the the time granted after the telephonic extension was granted January 19<sup>th</sup>, 2018. The purpose of the initial request was to get the benefit of the two (2) weeks time requested by telephonic extension that was taken by virtue of the serious injury suffered on January 22<sup>nd</sup>, 2018. Therefore, undersigned counsel intended, and hereby requests, that the time to file the opening brief be extended to February 19<sup>th</sup>, 2018. If this Court grants this motion, it is requested that Respondents be given a concomitant amount of time time file their answering brief.

1 **WHEREFORE**, Appellants specifically request:

- 2 1. That the time to file an opening brief be extended to February 19<sup>th</sup>, 2018.

3 Dated this 2<sup>nd</sup> day of February, 2018.
