ORDER GRANTING MOTION

Appellant/cross-respondent has filed a motion for fees pursuant to NRAP 30(h). Therein, he requests that respondent/cross-appellant be required to pay her share of the costs associated with the joint appendix. Respondent/cross-appellant opposes the motion as if appellant/crossrespondent's motion requests reimbursement for respondent/crossappellant's share of the fees associated with the preparation of the transcripts. However, appellant/cross-respondent's motion neither requests reimbursement regarding transcript fees nor cites to the rule regarding such reimbursement. See NRAP 9(a)(4). We thus treat the motion as seeking only reimbursement of the costs associated with the preparation of the appendix.

Respondent/cross-appellant is equally responsible for bearing the initial costs associated with the preparation of the appendix. NRAP 30(h). Accordingly, we grant the motion. Appellant/cross-respondent shall have 15 days from the date of this order to serve respondent/cross-appellant with an invoice detailing the costs involved in the preparation of the appendix, excluding the transcripts fees, and file a copy in this court. Respondent/cross-appellant shall have 30 days from receipt of the invoice to remit one-half of the cost to appellant/cross-respondent and provide this

court with written proof of payment. Should respondent/cross-appellant object to any costs in the invoice, she shall serve and file an objection, in this court, within 15 days of service of the invoice. Appellant/cross-respondent shall have 11 days from service of the objection to file any response. Failure to timely serve and file an invoice will result in the waiver of the ability to recover any costs under NRAP 30(h).

It is so ORDERED.
