CLERK OF SUPREME COURT

DEPUTY CLERK

ORDER DENYING MOTION

This is a petition for a writ of prohibition challenging a district court order compelling petitioner to produce notes she took in the context of her divorce proceedings. Petitioner has filed a motion to strike portions of real parties in interest's answer against issuance of the writ and the supporting appendix on the grounds that they contain and address matters not presented to the district court.

Having considered the motion, oppositions, and reply, we deny the motion. *Cf.* NRAP 21(a)(4) (providing that an appendix to a writ petition invoking this court's original jurisdiction may contain "any other original document that may be essential to understand the matters set forth in the petition"). However, we remind the parties that in resolving this matter,

we will disregard documents and assertions not properly supported by the record. *See Carson Ready Mix v. First Nat'l Bank*, 97 Nev. 474, 476, 635 P.2d 276, 277 (1981).

It is so ORDERED.
