This proper person petition was docketed in this court on October 24, 2017, without payment of the requisite filing fee. That same day, this court issued a notice directing petitioner to pay the required filing fee within ten days. Petitioner responded with a motion for leave to proceed in forma pauperis and a petition for filing fee waiver. On November 15, 2017, this court entered an order to submit either the requisite filing fee or submit a financial certificate from the Department of Corrections.

On December 5, 2017, petitioner filed a motion in which he states that he needs additional time to request a Department of Corrections financial certificate. Cause appearing, the motion for an extension of time is granted. Petitioner shall have 45 days from the date of this order to submit a financial certificate from the Department of Corrections. Failure to comply with this order will result in the dismissal of this matter.

It is so ORDERED.
