ORDER

This is a pro se petition for a writ of mandamus. Petitioner, who is proceeding in forma pauperis, has filed a motion for this court to direct the district court to transmit documents supporting the petition that petitioner does not have in his possession. *See* NRAP 21(a)(4). At this stage of the proceedings, we are unable to determine which documents may be necessary for this court's resolution of the petition, and therefore, we decline to order the transmission of documents at this time. However, as this petition proceeds, we will consider the necessity of documents and may order their transmission at a later date. *See* NRAP 10(b).

It is so ORDERED.
