The written notice must:

(a) Be in English, if the initial transaction was conducted in English, or in Spanish, if the initial transaction was conducted in Spanish.

During the previous examination the licensee had a repayment plan offer in English and the receipt was issued in Spanish. During the current examination, there was no evidence that the repayment plans and the receipts were done in separate languages. Therefore, this violation is deemed rectified.

NRS 604A.150 Additional terms defined under federal law; calculation of amount financed, annual percentage rate and finance charge.

2. Make a title loan without regard to the ability of the customer seeking the title loan to repay the title loan, including the customer's current and expected income, obligations and employment.

The title loans itemized below were underwritten in excess of the customer's disclosed income and obligations, therefore, there was no regard given to the customer's ability to repay the loan:

EXAMINATION COMMENTS AND CONCLUSIONS

(b) Requires the customer to secure the loan by either:

(1) Giving possession of the title to a vehicle legally owned by the customer to the licensee or any agent, affiliate or subsidiary of the licensee.

NRS 604A.115 "Title to a vehicle" or "title" defined. "Title to a vehicle" or "title" means a certificate of title or ownership issued pursuant to the laws of this State that identifies the legal owner of a vehicle or any similar document issued pursuant to the laws of another jurisdiction.

During the current examination, the licensee provided a policy which states the following:

"The primary borrower must be on the title; however if there is a co-borrower (on the title or not), he must sign the Application and Contract."

During the stores visits, the examiner in charge found several files where the co-borrower was not in the vehicle title. In some instances the co-borrower had a different address and different last name.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

NRS 604A.445 Title loans: Restrictions on duration of loan and periods of extension. Notwithstanding any other provision of this chapter to the contrary:

3. The original term of a title loan may be up to 210 days if:

- (a) The loan provides for payments in installments;
- (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
- (c) The loan is not subject to any extension; and
- (d) The loan does not require a balloon payment of any kind.

NRS 604A.210 Chapter does not prohibit licensee from offering customer grace period. The provisions of this chapter do not prohibit a licensee from offering a customer a grace period on the repayment of a loan or an extension of a loan, except that the licensee shall not charge the customer:

- 1. Any fees for granting such a grace period; or
- 2. Any additional fees or additional interest on the outstanding loan during such a grace period.

Since the previous examination, Titlemax implemented a 210 day title loan product that mirrored NRS 604A.445 (3). The current examination showed that Titlemax's original loan agreement complies with NRS 604A.445(3). The examination also showed that Titlemax markets and offers an amendment to the original loan agreement that violates NRS 604A.445 (3) and NRS 604A.210.

EXAMINATION COMMENTS AND CONCLUSIONS

Onsite visits to Titlemax locations and conversations with store employees showed that Titlemax routinely offers an amendment to the original loan agreement called the "Grace Period Payments Deferment Agreement" (hereinafter, the "Amended Agreement").

Regarding the marketing of the Amended Agreement by store employees, onsite store visits showed that employees routinely encourage customers to enter into the Amended Agreement. The employees are trained to encourage customers to participate in the Amended Agreement as soon as the original agreement is issued, and not wait until the loan is in default status. Pre-printed amended agreements were found in customers' files during the onsite store visits.

Moreover, management issued the below marketing statement with the instruction that employees should encourage customers to enter into the Amended Agreement. The marketing statement provides:

"Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on <Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

The marketing statement emphasizes lower payments. But, in fact, under the Amended Agreement, the total amount owed by the customer is more than the total amount owed under the original loan agreement, as further detailed below.

The text of the Amended Agreement provides:

"Because this is only an amendment and modification of the loan agreement in which we are only modifying and deferring your payments under the Title Loan Agreement, you acknowledge and agree that all of the terms and conditions of the Title Loan Agreement, including the charging of simple interest and waiver of jury trial and arbitration provision remain in full force and effect."

This statement shows an intent to avoid compliance with NRS 604A.445(3).

Under the original loan agreement the customer makes seven fully amortized payments (210 days) to pay the loan off without a balloon payment at the end, thereby complying with all provisions of NRS 604A.445(3). But, under the Amended Agreement, the customer makes 14 payments (390 days), the first seven payments are only interest and last seven payments are principal. Thus, Amended Agreement separates interest and principal from the original amortized schedule of payments, and thereby prolongs the payment of principal until the full interest is paid.

For an example of how customers owe more under the Amended Agreement compared to the original agreement, please see below:

EXAMINATION COMMENTS AND CONCLUSIONS

LOAN NUMBER	TOTAL AMOUNT TO BE PAID UNDER ORIGINAL LOAN AGREEMENT	TOTAL AMOUNT TO BE PAID UNDER "AMENDED" LOAN AGREEMENT	OVERAGE
14069-0112657	\$1,819.80	\$2,233.10	\$413.30
14069-0112721	\$1,138.33	\$1,400.78	\$262.45
14069-0114979	\$2,444.20	\$2,999.32	\$555.12

Titelmax must comply with NRS 604A.445 (3) and NRS 604A.210. Customers who enter into the Amended Agreement owe more money compared to the original loan with its fully amortized payments. Thus, Titelmax's Amended Agreement violates NRS 604A.445 (3) and NRS 604A.210.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

FEDERAL

No violations of Federal laws were noted during the examination. However, this examination should not be considered a full compliance examination relative to Federal statutes.

SUMMARY

Each licensee, upon completion of an examination, is rated "Satisfactory," "Needs Improvement," or "Unsatisfactory," based primarily on compliance with applicable statutes and regulations and the perceived capability of management to achieve and maintain such compliance. The rating of the licensee at this examination is "Needs Improvement."

A rating of "**Needs Improvement**" indicates that the licensee and the management of the licensee have demonstrated less than satisfactory compliance, or instances and situations involving a lack of compliance with applicable state and federal laws and regulations and that regulatory supervision is required. The licensee and management will be required to respond in writing to the report of examination within 30 days providing the procedures that have been initiated for the correction of the violations and deficiencies noted in the report made by the examiner pursuant to state and federal laws and regulations.

EXAMINATION COMMENTS AND CONCLUSIONS

Financial Audit / CPA

The CPA of the Financial Institutions Division performed an analysis of key financial figures for the fiscal year ending December 31, 2013, which were included in the 2013 Annual Report of Operations. No areas of concern were noted.

Internal Routine and Control

The licensee uses CashWise Financial Services Software for its loan operations. Title loan underwriting process includes:

- Loan application form
- Income and obligations
- Government issued photo identification
- Valid phone number
- Title of the vehicle
- Proof of insurance
- Current registration
- Affidavit stating the customer's ability to repay the loan

During the previous examination the licensee was offering 30 day title loans. On January 28, 2014 the licensee sent a letter to the Financial Institutions Division stating that TitleMax is going to stop offering the 30 day title loans and start offering the 210 day title loans.

During the on-site visitation of current examination it was discovered that TitleMax stopped offering the 30 day loans as of July, 2014. The new product, 210 day title loan is currently being offered in all TitleMax locations in the State of Nevada.

The 210 day product mirrors NRS 604A.445 (3):

3. The original term of a title loan may be up to 210 days if:
 - (a) The loan provides for payments in installments;
 - (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
 - (c) The loan is not subject to any extension; and
 - (d) The loan does not require a balloon payment of any kind.

The licensee also implemented "Grace Period Payments Deferment Agreement." During the onsite visitations of store locations it was observed employees are pre-printing this grace period agreement and putting it in customer's files. The employees are also encouraging the customers to enter into this grace period agreement. The employees are provided the following statement to read to customers:

EXAMINATION COMMENTS AND CONCLUSIONS

"TMX Employee:

Great! Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

This agreement consists of separating the interest and principal from the original amortized schedule payments and prolonging the payment of principal until the full interest is paid. This agreement has a schedule of 14 payments which for the first seven payment the customer pays only interest. For the remaining seven payments the customer pays the principal. The total amount paid under this agreement is higher from the original amortized payments scheduled under the original loan agreement.

The "Grace Period Payments Deferment Agreement" offered by TitleMax clearly contradicts with 604A.445(3).

TitleMax provides training upon hire and annually thereafter. All employees are required to complete refresher courses on-line and as needed. The Compliance Department has the responsibility of overseeing that all training materials are up to date with any industry changes and demands.

NRS 604A.105 "Title loan" defined.

1. "Title loan" means a loan made to a customer pursuant to a loan agreement which, under its original terms

(b) Requires the customer to secure the loan by either:

(1) Giving possession of the title to a vehicle legally owned by the customer to the licensee or any agent, affiliate or subsidiary of the licensee.

NRS 604A.115 "Title to a vehicle" or "title" defined. "Title to a vehicle" or "title" means a certificate of title or ownership issued pursuant to the laws of this State that identifies the legal owner of a vehicle or any similar document issued pursuant to the laws of another jurisdiction.

During the current examination, the licensee provided a policy which states the following:

"The primary borrower must be on the title; however if there is a co-borrower (on the title or not), he must sign the Application and Contract."

During the stores visits, the examiner in charge found several files where the co-borrower was not in the vehicle title. In some instances the co-borrower had a different address and different last name.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

NRS 604A.445 Title loans: Restrictions on duration of loan and periods of extension.

Notwithstanding any other provision of this chapter to the contrary:

3. The original term of a title loan may be up to 210 days if:

(a) The loan provides for payments in installments;

(b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;

(c) The loan is not subject to any extension; and

(d) The loan does not require a balloon payment of any kind.

NRS 604A.210 Chapter does not prohibit licensee from offering customer grace period. The provisions of this chapter do not prohibit a licensee from offering a customer a grace period on the repayment of a loan or an extension of a loan, except that the licensee shall not charge the customer:

1. Any fees for granting such a grace period; or

2. Any additional fees or additional interest on the outstanding loan during such a grace period.

Since the previous examination, Titlemax implemented a 210 day title loan product that mirrored NRS 604A.445 (3). The current examination showed that Titlemax's original loan agreement complies with NRS 604A.445(3). The examination also showed that Titlemax markets and offers an amendment to the original loan agreement that violates NRS 604A.445 (3) and NRS 604A.210.

EXAMINATION COMMENTS AND CONCLUSIONS

Onsite visits to Titlemax locations and conversations with store employees showed that Titlemax routinely offers an amendment to the original loan agreement called the "Grace Period Payments Deferment Agreement" (hereinafter, the "Amended Agreement").

Regarding the marketing of the Amended Agreement by store employees, onsite store visits showed that employees routinely encourage customers to enter into the Amended Agreement. The employees are trained to encourage customers to participate in the Amended Agreement as soon as the original agreement is issued, and not wait until the loan is in default status. Pre-printed amended agreements were found in customers' files during the onsite store visits.

Moreover, management issued the below marketing statement with the instruction that employees should encourage customers to enter into the Amended Agreement. The marketing statement provides:

"Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

The marketing statement emphasizes lower payments. But, in fact, under the Amended Agreement, the total amount owed by the customer is more than the total amount owed under the original loan agreement, as further detailed below.

The text of the Amended Agreement provides:

"Because this is only an amendment and modification of the loan agreement in which we are only modifying and deferring your payments under the Title Loan Agreement, you acknowledge and agree that all of the terms and conditions of the Title Loan Agreement, including the charging of simple interest and waiver of jury trial and arbitration provision remain in full force and effect."

This statement shows an intent to avoid compliance with NRS 604A.445(3).

Under the original loan agreement the customer makes seven fully amortized payments (210 days) to pay the loan off without a balloon payment at the end, thereby complying with all provisions of NRS 604A.445(3). But, under the Amended Agreement, the customer makes 14 payments (390 days), the first seven payments are only interest and last seven payments are principal. Thus, Amended Agreement separates interest and principal from the original amortized schedule of payments, and thereby prolongs the payment of principal until the full interest is paid.

For an example of how customers owe more under the Amended Agreement compared to the original agreement, please see below:

Titelmax must comply with NRS 604A.445 (3) and NRS 604A.210. Customers who enter into the Amended Agreement owe more money compared to the original loan with its fully amortized payments. Thus, Titelmax's Amended Agreement violates NRS 604A.445 (3) and NRS 604A.210.

FEDERAL

No violations of Federal laws were noted during the examination. However, this examination should not be considered a full compliance examination relative to Federal statutes.

SUMMARY

The rating of the licensee at this examination is "Needs Improvement."

A rating of "Needs Improvement" indicates that the licensee and the management of the licensee have demonstrated less than satisfactory compliance, or instances and situations involving a lack of compliance with applicable state and federal laws and regulations and that regulatory supervision is required. EXAMINATION COMMENTS AND CONCLUSIONS

Financial Audit / CPA

The CPA of the Financial Institutions Division performed an analysis of key financial figures for the fiscal year ending December 31, 2013, which were included in the 2013 Annual Report of Operations. No areas of concern were noted.

Internal Routine and Control

The licensee uses CashWise Financial Services Software for its loan operations. Title loan underwriting process includes:

- Loan application form
- Income and obligations
- Government issued photo identification
- Valid phone number
- Title of the vehicle
- Proof of insurance
- Current registration
- Affidavit stating the customer's ability to repay the loan

During the previous examination the licensee was offering 30 day title loans. On January 28, 2014 the licensee sent a letter to the Financial Institutions Division stating that TitleMax is going to stop offering the 30 day title loans and start offering the 210 day title loans.

During the on-site visitation of current examination it was discovered that TitleMax stopped offering the 30 day loans as of July, 2014. The new product, 210 day title loan is currently being offered in all TitleMax locations in the State of Nevada.

The 210 day product mirrors NRS 604A.445 (3):

3. The original term of a title loan may be up to 210 days if:
 - (a) The loan provides for payments in installments;
 - (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;

 - (d) The loan does not require a balloon payment of any kind.

The licensee also implemented "Grace Period Payments Deferment Agreement." During the onsite visitations of store locations it was observed employees are pre-printing this grace period agreement and putting it in customer's files. The employees are also encouraging the customers to enter into this grace period agreement. The employees are provided the following statement to read to customers:

EXAMINATION COMMENTS AND CONCLUSIONS

"TMX Employee:

Great! Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

This agreement consists of separating the interest and principal from the original amortized schedule payments and prolonging the payment of principal until the full interest is paid. This agreement has a schedule of 14 payments which for the first seven payment the customer pays only interest. For the remaining seven payments the customer pays the principal. The total amount paid under this agreement is higher from the original amortized payments scheduled under the original loan agreement.

The "Grace Period Payments Deferment Agreement" offered by TitleMax clearly contradicts with 604A.445(3).

TitleMax provides training upon hire and annually thereafter. All employees are required to complete refresher courses on-line and as needed. The Compliance Department has the responsibility of overseeing that all training materials are up to date with any industry changes and demands.

(b) Requires the customer to secure the loan by either:

(1) Giving possession of the title to a vehicle legally owned by the customer to the licensee or any agent, affiliate or subsidiary of the licensee.

NRS 604A.115 "Title to a vehicle" or "title" defined. "Title to a vehicle" or "title" means a certificate of title or ownership issued pursuant to the laws of this State that identifies the legal owner of a vehicle or any similar document issued pursuant to the laws of another jurisdiction.

During the current examination, the licensee provided a policy which states the following:

"The primary borrower must be on the title; however if there is a co-borrower (on the title or not), he must sign the Application and Contract."

During the stores visits, the examiner in charge found several files where the co-borrower was not in the vehicle title. In some instances the co-borrower had a different address and different last name..

NRS 604A.445 Title loans: Restrictions on duration of loan and periods of extension.

Notwithstanding any other provision of this chapter to the contrary:

- (a) The loan provides for payments in installments;
- (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
- (c) The loan is not subject to any extension; and
- (d) The loan does not require a balloon payment of any kind.

NRS 604A.210 Chapter does not prohibit licensee from offering customer grace period. The provisions of this chapter do not prohibit a licensee from offering a customer a grace period on the repayment of a loan or an extension of a loan, except that the licensee shall not charge the customer:

- 1. Any fees for granting such a grace period; or
- 2. Any additional fees or additional interest on the outstanding loan during such a grace period.

Since the previous examination, Titlemax implemented a 210 day title loan product that mirrored NRS 604A.445 (3). The current examination showed that Titlemax's original loan agreement complies with NRS 604A.445(3). The examination also showed that Titlemax markets and offers an amendment to the original loan agreement that violates NRS 604A.445 (3) and NRS 604A.210.

EXAMINATION COMMENTS AND CONCLUSIONS

Onsite visits to Titlemax locations and conversations with store employees showed that Titlemax routinely offers an amendment to the original loan agreement called the "Grace Period Payments Deferment Agreement" (hereinafter, the "Amended Agreement").

Regarding the marketing of the Amended Agreement by store employees, onsite store visits showed that employees routinely encourage customers to enter into the Amended Agreement. The employees are trained to encourage customers to participate in the Amended Agreement as soon as the original agreement is issued, and not wait until the loan is in default status. Pre-printed amended agreements were found in customers' files during the onsite store visits.

Moreover, management issued the below marketing statement with the instruction that employees should encourage customers to enter into the Amended Agreement. The marketing statement provides:

"Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on <Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

The marketing statement emphasizes lower payments. But, in fact, under the Amended Agreement, the total amount owed by the customer is more than the total amount owed under the original loan agreement, as further detailed below.

The text of the Amended Agreement provides:

"Because this is only an amendment and modification of the loan agreement in which we are only modifying and deferring your payments under the Title Loan Agreement, you acknowledge and agree that all of the terms and conditions of the Title Loan Agreement, including the charging of simple interest and waiver of jury trial and arbitration provision remain in full force and effect."

This statement shows an intent to avoid compliance with NRS 604A.445(3).

Under the original loan agreement the customer makes seven fully amortized payments (210 days) to pay the loan off without a balloon payment at the end, thereby complying with all provisions of NRS 604A.445(3). But, under the Amended Agreement, the customer makes 14 payments (390 days), the first seven payments are only interest and last seven payments are principal. Thus, Amended Agreement separates interest and principal from the original amortized schedule of payments, and thereby prolongs the payment of principal until the full interest is paid.

For an example of how customers owe more under the Amended Agreement compared to the original agreement, please see below:

EXAMINATION COMMENTS AND CONCLUSIONS

LOAN NUMBER	TOTAL AMOUNT TO BE PAID UNDER ORIGINAL LOAN AGREEMENT	TOTAL AMOUNT TO BE PAID UNDER "AMENDED" LOAN AGREEMENT	OVERAGE
13669-0119885	\$1,297.48	\$1,565.64	\$268.16
13669-0115310	\$6,527.41	\$7,917.20	\$1,389.79
13669-0117951	\$7,454.83	\$8,881.90	\$1,427.07

Titlmax must comply with NRS 604A.445 (3) and NRS 604A.210. Customers who enter into the Amended Agreement owe more money compared to the original loan with its fully amortized payments. Thus, Titlmax's Amended Agreement violates NRS 604A.445 (3) and NRS 604A.210.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

FEDERAL

No violations of Federal laws were noted during the examination. However, this examination should not be considered a full compliance examination relative to Federal statutes.

SUMMARY

Each licensee, upon completion of an examination, is rated "Satisfactory," "Needs Improvement," or "Unsatisfactory," based primarily on compliance with applicable statutes and regulations and the perceived capability of management to achieve and maintain such compliance. The rating of the licensee at this examination is "Needs Improvement."

A rating of "Needs Improvement" indicates that the licensee and the management of the licensee have demonstrated less than satisfactory compliance, or instances and situations involving a lack of compliance with applicable state and federal laws and regulations and that regulatory supervision is required. The licensee and management will be required to respond in writing to the report of examination within 30 days providing the procedures that have been initiated for the correction of the violations and deficiencies noted in the report made by the examiner pursuant to state and federal laws and regulations.

EXAMINATION COMMENTS AND CONCLUSIONS

Financial Audit / CPA

The CPA of the Financial Institutions Division performed an analysis of key financial figures for the fiscal year ending December 31, 2013, which were included in the 2013 Annual Report of Operations. No areas of concern were noted.

Internal Routine and Control

The licensee uses CashWise Financial Services Software for its loan operations. Title loan underwriting process includes:

- Loan application form
- Income and obligations
- Government issued photo identification
- Valid phone number
- Title of the vehicle
- Proof of insurance
- Current registration
- Affidavit stating the customer's ability to repay the loan

During the previous examination the licensee was offering 30 day title loans. On January 28, 2014 the licensee sent a letter to the Financial Institutions Division stating that TitleMax is going to stop offering the 30 day title loans and start offering the 210 day title loans.

During the on-site visitation of current examination it was discovered that TitleMax stopped offering the 30 day loans as of July, 2014. The new product, 210 day title loan is currently being offered in all TitleMax locations in the State of Nevada.

The 210 day product mirrors NRS 604A.445 (3):

3. The original term of a title loan may be up to 210 days if:
 - (a) The loan provides for payments in installments;
 - (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
 - (c) The loan is not subject to any extension; and
 - (d) The loan does not require a balloon payment of any kind.

The licensee also implemented "Grace Period Payments Deferment Agreement." During the onsite visitations of store locations it was observed employees are pre-printing this grace period agreement and putting it in customer's files. The employees are also encouraging the customers to enter into this grace period agreement. The employees are provided the following statement to read to customers:

EXAMINATION COMMENTS AND CONCLUSIONS

"TMX Employee:

Great! Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

This agreement consists of separating the interest and principal from the original amortized schedule payments and prolonging the payment of principal until the full interest is paid. This agreement has a schedule of 14 payments which for the first seven payment the customer pays only interest. For the remaining seven payments the customer pays the principal. The total amount paid under this agreement is higher from the original amortized payments scheduled under the original loan agreement.

The "Grace Period Payments Deferment Agreement" offered by TitleMax clearly contradicts with 604A.445(3).

Training

TitleMax provides training upon hire and annually thereafter. All employees are required to complete refresher courses on-line and as needed. The Compliance Department has the responsibility of overseeing that all training materials are up to date with any industry changes and demands.

Record Retention

According to the managers questionnaire, it is the licensee's policy to maintain all records for five years which is in compliance with NRS604A.700 and NAC 604A.200.

Collection Agency Utilized by the Licensee

As of the examination date, the licensee does not utilize the services of a third party collection agency. The internal collection process consists of sending letters and making phone calls to delinquent customers by TitleMax's collection department.

(b) Requires the customer to secure the loan by either:

(1) Giving possession of the title to a vehicle legally owned by the customer to the licensee or any agent, affiliate or subsidiary of the licensee.

NRS 604A.115 "Title to a vehicle" or "title" defined. "Title to a vehicle" or "title" means a certificate of title or ownership issued pursuant to the laws of this State that identifies the legal owner of a vehicle or any similar document issued pursuant to the laws of another jurisdiction.

During the current examination, the licensee provided a policy which states the following:

"The primary borrower must be on the title; however if there is a co-borrower (on the title or not), he must sign the Application and Contract."

During the stores visits, the examiner in charge found several files where the co-borrower was not in the vehicle title. In some instances the co-borrower had a different address and different last name.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

NRS 604A.445 Title loans: Restrictions on duration of loan and periods of extension. Notwithstanding any other provision of this chapter to the contrary:

3. The original term of a title loan may be up to 210 days if:

- (a) The loan provides for payments in installments;
- (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
- (c) The loan is not subject to any extension; and
- (d) The loan does not require a balloon payment of any kind.

NRS 604A.210 Chapter does not prohibit licensee from offering customer grace period. The provisions of this chapter do not prohibit a licensee from offering a customer a grace period on the repayment of a loan or an extension of a loan, except that the licensee shall not charge the customer:

- 1. Any fees for granting such a grace period; or
- 2. Any additional fees or additional interest on the outstanding loan during such a grace period.

Since the previous examination, Titlemax implemented a 210 day title loan product that mirrored NRS 604A.445 (3). The current examination showed that Titlemax's original loan agreement complies with NRS 604A.445(3). The examination also showed that Titlemax markets and offers an amendment to the original loan agreement that violates NRS 604A.445 (3) and NRS 604A.210.

EXAMINATION COMMENTS AND CONCLUSIONS

Onsite visits to Titlemax locations and conversations with store employees showed that Titlemax routinely offers an amendment to the original loan agreement called the "Grace Period Payments Deferment Agreement" (hereinafter, the "Amended Agreement").

Regarding the marketing of the Amended Agreement by store employees, onsite store visits showed that employees routinely encourage customers to enter into the Amended Agreement. The employees are trained to encourage customers to participate in the Amended Agreement as soon as the original agreement is issued, and not wait until the loan is in default status. Pre-printed amended agreements were found in customers' files during the onsite store visits.

Moreover, management issued the below marketing statement with the instruction that employees should encourage customers to enter into the Amended Agreement. The marketing statement provides:

"Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on <Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

The marketing statement emphasizes lower payments. But, in fact, under the Amended Agreement, the total amount owed by the customer is more than the total amount owed under the original loan agreement, as further detailed below.

The text of the Amended Agreement provides:

"Because this is only an amendment and modification of the loan agreement in which we are only modifying and deferring your payments under the Title Loan Agreement, you acknowledge and agree that all of the terms and conditions of the Title Loan Agreement, including the charging of simple interest and waiver of jury trial and arbitration provision remain in full force and effect."

This statement shows an intent to avoid compliance with NRS 604A.445(3).

Under the original loan agreement the customer makes seven fully amortized payments (210 days) to pay the loan off without a balloon payment at the end, thereby complying with all provisions of NRS 604A.445(3). But, under the Amended Agreement, the customer makes 14 payments (390 days), the first seven payments are only interest and last seven payments are principal. Thus, Amended Agreement separates interest and principal from the original amortized schedule of payments, and thereby prolongs the payment of principal until the full interest is paid.

For an example of how customers owe more under the Amended Agreement compared to the original agreement, please see below:

EXAMINATION COMMENTS AND CONCLUSIONS

LOAN NUMBER	TOTAL AMOUNT TO BE PAID UNDER ORIGINAL LOAN AGREEMENT	TOTAL AMOUNT TO BE PAID UNDER "AMENDED" LOAN AGREEMENT	OVERAGE
12069-0117800	\$1,505.50	\$1,852.64	\$347.14
12069-0119557	\$1,138.33	\$1,400.78	\$262.45
12069-0116271	\$6,088.89	\$7,418.41	\$1,329.52
12069-0119738	\$713.66	\$875.72	\$162.06

Titelmax must comply with NRS 604A.445 (3) and NRS 604A.210. Customers who enter into the Amended Agreement owe more money compared to the original loan with its fully amortized payments. Thus, Titelmax's Amended Agreement violates NRS 604A.445 (3) and NRS 604A.210.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

FEDERAL

No violations of Federal laws were noted during the examination. However, this examination should not be considered a full compliance examination relative to Federal statutes.

SUMMARY

Each licensee, upon completion of an examination, is rated "Satisfactory," "Needs Improvement," or "Unsatisfactory," based primarily on compliance with applicable statutes and regulations and the perceived capability of management to achieve and maintain such compliance. The rating of the licensee at this examination is "Needs Improvement."

A rating of "Needs Improvement" indicates that the licensee and the management of the licensee have demonstrated less than satisfactory compliance, or instances and situations involving a lack of compliance with applicable state and federal laws and regulations and that regulatory supervision is required. The licensee and management will be required to respond in writing to the report of examination within 30 days providing the procedures that have been initiated for the correction of the violations and deficiencies noted in the report made by the examiner pursuant to state and federal laws and regulations.

EXAMINATION COMMENTS AND CONCLUSIONS

Financial Audit / CPA

The CPA of the Financial Institutions Division performed an analysis of key financial figures for the fiscal year ending December 31, 2013, which were included in the 2013 Annual Report of Operations. No areas of concern were noted.

Internal Routine and Control

The licensee uses CashWise Financial Services Software for its loan operations. Title loan underwriting process includes:

- Loan application form
- Income and obligations
- Government issued photo identification
- Valid phone number
- Title of the vehicle
- Proof of insurance
- Current registration
- Affidavit stating the customer's ability to repay the loan

During the previous examination the licensee was offering 30 day title loans. On January 28, 2014 the licensee sent a letter to the Financial Institutions Division stating that TitleMax is going to stop offering the 30 day title loans and start offering the 210 day title loans.

During the on-site visitation of current examination it was discovered that TitleMax stopped offering the 30 day loans as of July, 2014. The new product, 210 day title loan is currently being offered in all TitleMax locations in the State of Nevada.

The 210 day product mirrors NRS 604A.445 (3):

3. The original term of a title loan may be up to 210 days if:
 - (a) The loan provides for payments in installments;
 - (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
 - (c) The loan is not subject to any extension; and
 - (d) The loan does not require a balloon payment of any kind.

The licensee also implemented "Grace Period Payments Deferment Agreement." During the onsite visitations of store locations it was observed employees are pre-printing this grace period agreement and putting it in customer's files. The employees are also encouraging the customers to enter into this grace period agreement. The employees are provided the following statement to read to customers:

EXAMINATION COMMENTS AND CONCLUSIONS

"TMX Employee:

Great! Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

This agreement consists of separating the interest and principal from the original amortized schedule payments and prolonging the payment of principal until the full interest is paid. This agreement has a schedule of 14 payments which for the first seven payment the customer pays only interest. For the remaining seven payments the customer pays the principal. The total amount paid under this agreement is higher from the original amortized payments scheduled under the original loan agreement.

The "Grace Period Payments Deferment Agreement" offered by TitleMax clearly contradicts with 604A.445(3).

Training

TitleMax provides training upon hire and annually thereafter. All employees are required to complete refresher courses on-line and as needed. The Compliance Department has the responsibility of overseeing that all training materials are up to date with any industry changes and demands.

EXAMINATION COMMENTS AND CONCLUSIONS

Financial Audit / CPA

The CPA of the Financial Institutions Division performed an analysis of key financial figures for the fiscal year ending December 31, 2013, which were included in the 2013 Annual Report of Operations. No areas of concern were noted.

Internal Routine and Control

The licensee uses CashWise Financial Services Software for its loan operations. Title loan underwriting process includes:

- Loan application form
- Income and obligations
- Government issued photo identification
- Valid phone number
- Title of the vehicle
- Proof of insurance
- Current registration
- Affidavit stating the customer's ability to repay the loan

During the previous examination the licensee was offering 30 day title loans. On January 28, 2014 the licensee sent a letter to the Financial Institutions Division stating that TitleMax is going to stop offering the 30 day title loans and start offering the 210 day title loans.

During the on-site visitation of current examination it was discovered that TitleMax stopped offering the 30 day loans as of July, 2014. The new product, 210 day title loan is currently being offered in all TitleMax locations in the State of Nevada.

The 210 day product mirrors NRS 604A.445 (3):

3. The original term of a title loan may be up to 210 days if:
- (a) The loan provides for payments in installments;
 - (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
 - (c) The loan is not subject to any extension; and
 - (d) The loan does not require a balloon payment of any kind.

The licensee also implemented "Grace Period Payments Deferment Agreement." During the onsite visitations of store locations it was observed employees are pre-printing this grace period agreement and putting it in customer's files. The employees are also encouraging the customers to enter into this grace period agreement. The employees are provided the following statement to read to customers:

EXAMINATION COMMENTS AND CONCLUSIONS

"TMX Employee:

Great! Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

This agreement consists of separating the interest and principal from the original amortized schedule payments and prolonging the payment of principal until the full interest is paid. This agreement has a schedule of 14 payments which for the first seven payment the customer pays only interest. For the remaining seven payments the customer pays the principal. The total amount paid under this agreement is higher from the original amortized payments scheduled under the original loan agreement.

The "Grace Period Payments Deferment Agreement" offered by TitleMax clearly contradicts with 604A.445(3).

TitleMax provides training upon hire and annually thereafter. All employees are required to complete refresher courses on-line and as needed. The Compliance Department has the responsibility of overseeing that all training materials are up to date with any industry changes and demands.

According to the managers questionnaire, it is the licensee's policy to maintain all records for five years which is in compliance with NRS604A.700 and NAC 604A.200.

NAC 604A.230 Prohibited acts: Miscellaneous acts.

1. A licensee shall not:

(a) Require or accept a guarantor to a transaction entered into with a customer.

NRS 604A.105 "Title loan" defined.

1. "Title loan" means a loan made to a customer pursuant to a loan agreement which, under its original terms

(b) Requires the customer to secure the loan by either:

(1) Giving possession of the title to a vehicle legally owned by the customer to the licensee or any agent, affiliate or subsidiary of the licensee.

NRS 604A.115 "Title to a vehicle" or "title" defined. "Title to a vehicle" or "title" means a certificate of title or ownership issued pursuant to the laws of this State that identifies the legal owner of a vehicle or any similar document issued pursuant to the laws of another jurisdiction.

During the current examination, the licensee provided a policy which states the following:

"The primary borrower must be on the title; however if there is a co-borrower (on the title or not), he must sign the Application and Contract."

During the stores visits, the examiner in charge found several files where the co-borrower was not in the vehicle title. In some instances the co-borrower had a different address and different last name.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

EXAMINATION COMMENTS AND CONCLUSIONS

1. Any fees for granting such a grace period; or
2. Any additional fees or additional interest on the outstanding loan during such a grace period.

Since the previous examination, Titlemax implemented a 210 day title loan product that mirrored NRS 604A.445 (3). The current examination showed that Titlemax's original loan agreement complies with NRS 604A.445(3). The examination also showed that Titlemax markets and offers an amendment to the original loan agreement that violates NRS 604A.445 (3) and NRS 604A.210.

Onsite visits to Titlemax locations and conversations with store employees showed that Titlemax routinely offers an amendment to the original loan agreement called the "Grace Period Payments Deferment Agreement" (hereinafter, the "Amended Agreement").

Regarding the marketing of the Amended Agreement by store employees, onsite store visits showed that employees routinely encourage customers to enter into the Amended Agreement. The employees are trained to encourage customers to participate in the Amended Agreement as soon as the original agreement is issued, and not wait until the loan is in default status. Pre-printed amended agreements were found in customers' files during the onsite store visits.

Moreover, management issued the below marketing statement with the instruction that employees should encourage customers to enter into the Amended Agreement. The marketing statement provides:

"Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on <Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

The marketing statement emphasizes lower payments. But, in fact, under the Amended Agreement, the total amount owed by the customer is more than the total amount owed under the original loan agreement, as further detailed below.

The text of the Amended Agreement provides:

"Because this is only an amendment and modification of the loan agreement in which we are only modifying and deferring your payments under the Title Loan Agreement, you acknowledge and agree that all of the terms and conditions of the Title Loan Agreement, including the charging of simple interest and waiver of jury trial and arbitration provision remain in full force and effect."

This statement shows an intent to avoid compliance with NRS 604A.445(3).

Under the original loan agreement the customer makes seven fully amortized payments (210 days) to pay the loan off without a balloon payment at the end, thereby complying with all provisions of NRS

STATE OF NEVADA
DEPARTMENT OF BUSINESS AND INDUSTRY
FINANCIAL INSTITUTIONS DIVISION

REPORT OF EXAMINATION

APP 010420

EXAMINATION COMMENTS AND CONCLUSIONS

604A.445(3). But, under the Amended Agreement, the customer makes 14 payments (390 days), the first seven payments are only interest and last seven payments are principal. Thus, Amended Agreement separates interest and principal from the original amortized schedule of payments, and thereby prolongs the payment of principal until the full interest is paid.

For an example of how customers owe more under the Amended Agreement compared to the original agreement, please see below:

LOAN NUMBER	TOTAL AMOUNT TO BE PAID UNDER ORIGINAL LOAN AGREEMENT	TOTAL AMOUNT TO BE PAID UNDER "AMENDED" LOAN AGREEMENT	OVERAGE
11369-0117263	\$2,890.26	\$3,546.68	\$656.42
11369-0117263	\$1,505.50	\$1,852.64	\$347.14
11369-0115620	\$5,079.66	\$6,188.83	\$1,109.17
11369-0117680	\$574.94	\$679.72	\$104.78

Titlemax must comply with NRS 604A.445 (3) and NRS 604A.210. Customers who enter into the Amended Agreement owe more money compared to the original loan with its fully amortized payments. Thus, Titlemax's Amended Agreement violates NRS 604A.445 (3) and NRS 604A.210.

No violations of Federal laws were noted during the examination. However, this examination should not be considered a full compliance examination relative to Federal statutes.

EXAMINATION COMMENTS AND CONCLUSIONS

Financial Audit / CPA

The CPA of the Financial Institutions Division performed an analysis of key financial figures for the fiscal year ending December 31, 2013, which were included in the 2013 Annual Report of Operations. No areas of concern were noted.

Internal Routine and Control

The licensee uses CashWise Financial Services Software for its loan operations. Title loan underwriting process includes:

- Loan application form
- Income and obligations
- Government issued photo identification
- Valid phone number
- Title of the vehicle
- Proof of insurance
- Current registration
- Affidavit stating the customer's ability to repay the loan

During the previous examination the licensee was offering 30 day title loans. On January 28, 2014 the licensee sent a letter to the Financial Institutions Division stating that TitleMax is going to stop offering the 30 day title loans and start offering the 210 day title loans.

During the on-site visitation of current examination it was discovered that TitleMax stopped offering the 30 day loans as of July, 2014. The new product, 210 day title loan is currently being offered in all TitleMax locations in the State of Nevada.

The 210 day product mirrors NRS 604A.445 (3):

3. The original term of a title loan may be up to 210 days if:
 - (a) The loan provides for payments in installments;
 - (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
 - (c) The loan is not subject to any extension; and
 - (d) The loan does not require a balloon payment of any kind.

The licensee also implemented "Grace Period Payments Deferment Agreement." During the onsite visitations of store locations it was observed employees are pre-printing this grace period agreement and putting it in customer's files. The employees are also encouraging the customers to enter into this grace period agreement. The employees are provided the following statement to read to customers:

EXAMINATION COMMENTS AND CONCLUSIONS

"TMX Employee:

Great! Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

This agreement consists of separating the interest and principal from the original amortized schedule payments and prolonging the payment of principal until the full interest is paid. This agreement has a schedule of 14 payments which for the first seven payment the customer pays only interest. For the remaining seven payments the customer pays the principal. The total amount paid under this agreement is higher from the original amortized payments scheduled under the original loan agreement.

The "Grace Period Payments Deferment Agreement" offered by TitleMax clearly contradicts with 604A.445(3).

Training

TitleMax provides training upon hire and annually thereafter. All employees are required to complete refresher courses on-line and as needed. The Compliance Department has the responsibility of overseeing that all training materials are up to date with any industry changes and demands.

Display of License, Notices, and Disclosures

The State of Nevada, Financial Institutions Division NRS 604A license is displayed conspicuously by the licensee which is in compliance with NRS 604A.635 and NAC 604A.060.

The contact number of the office of the Commissioner, notice of fees charged and business hours are posted conspicuously in the location where the licensee conducts business, which is in compliance with, NRS 604A.405, NAC 604A.130, NAC 604A.140, and NAC 604A.150.

Record Retention

According to the managers questionnaire, it is the licensee's policy to maintain all records for five years which is in compliance with NRS604A.700 and NAC 604A.200.

Collection Agency Utilized by the Licensee

As of the examination date, the licensee does not utilize the services of a third party collection agency. The internal collection process consists of sending letters and making phone calls to delinquent customers by TitleMax's collection department.

EXAMINATION COMMENTS AND CONCLUSIONS

NRS 604A.115 "Title to a vehicle" or "title" defined. "Title to a vehicle" or "title" means a certificate of title or ownership issued pursuant to the laws of this State that identifies the legal owner of a vehicle or any similar document issued pursuant to the laws of another jurisdiction.

During the current examination, the licensee provided a policy which states the following:

"The primary borrower must be on the title; however if there is a co-borrower (on the title or not), he must sign the Application and Contract."

During the stores visits, the examiner in charge found several files where the co-borrower was not in the vehicle title. In some instances the co-borrower had a different address and different last name.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

NRS 604A.445 Title loans: Restrictions on duration of loan and periods of extension.

Notwithstanding any other provision of this chapter to the contrary:

3. The original term of a title loan may be up to 210 days if:

- (a) The loan provides for payments in installments;
- (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
- (c) The loan is not subject to any extension; and
- (d) The loan does not require a balloon payment of any kind.

NRS 604A.210 Chapter does not prohibit licensee from offering customer grace period. The provisions of this chapter do not prohibit a licensee from offering a customer a grace period on the repayment of a loan or an extension of a loan, except that the licensee shall not charge the customer:

- 1. Any fees for granting such a grace period; or
- 2. Any additional fees or additional interest on the outstanding loan during such a grace period.

Since the previous examination, Titlemax implemented a 210 day title loan product that mirrored NRS 604A.445 (3). The current examination showed that Titlemax's original loan agreement complies with NRS 604A.445(3). The examination also showed that Titlemax markets and offers an amendment to the original loan agreement that violates NRS 604A.445 (3) and NRS 604A.210.

Onsite visits to Titlemax locations and conversations with store employees showed that Titlemax routinely offers an amendment to the original loan agreement called the "Grace Period Payments Deferment Agreement" (hereinafter, the "Amended Agreement").

Regarding the marketing of the Amended Agreement by store employees, onsite store visits showed that employees routinely encourage customers to enter into the Amended Agreement. The employees are

STATE OF NEVADA

FINANCIAL INSTITUTIONS DIVISION

EXAMINATION COMMENTS AND CONCLUSIONS

trained to encourage customers to participate in the Amended Agreement as soon as the original agreement is issued, and not wait until the loan is in default status. Pre-printed amended agreements were found in customers' files during the onsite store visits.

Moreover, management issued the below marketing statement with the instruction that employees should encourage customers to enter into the Amended Agreement. The marketing statement provides:

"Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

The marketing statement emphasizes lower payments. But, in fact, under the Amended Agreement, the total amount owed by the customer is more than the total amount owed under the original loan agreement, as further detailed below.

The text of the Amended Agreement provides:

"Because this is only an amendment and modification of the loan agreement in which we are only modifying and deferring your payments under the Title Loan Agreement, you acknowledge and agree that all of the terms and conditions of the Title Loan Agreement, including the charging of simple interest and waiver of jury trial and arbitration provision remain in full force and effect."

This statement shows an intent to avoid compliance with NRS 604A.445(3).

Under the original loan agreement the customer makes seven fully amortized payments (210 days) to pay the loan off without a balloon payment at the end, thereby complying with all provisions of NRS 604A.445(3). But, under the Amended Agreement, the customer makes 14 payments (390 days), the first seven payments are only interest and last seven payments are principal. Thus, Amended Agreement separates interest and principal from the original amortized schedule of payments, and thereby prolongs the payment of principal until the full interest is paid.

For an example of how customers owe more under the Amended Agreement compared to the original agreement, please see below:

EXAMINATION COMMENTS AND CONCLUSIONS

LOAN NUMBER	TOTAL AMOUNT TO BE PAID UNDER ORIGINAL LOAN AGREEMENT	TOTAL AMOUNT TO BE PAID UNDER "AMENDED" LOAN AGREEMENT	OVERAGE
11269-0111357	\$3,500.21	\$4,281.00	\$780.79
11269-0118690	\$954.74	\$1,174.85	\$220.11
11269-0119197	\$3,153.67	\$3,857.14	\$703.47
11269-0119826	\$3,247.09	\$3,984.54	\$737.45

Titelmax must comply with NRS 604A.445 (3) and NRS 604A.210. Customers who enter into the Amended Agreement owe more money compared to the original loan with its fully amortized payments. Thus, Titelmax's Amended Agreement violates NRS 604A.445 (3) and NRS 604A.210.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

FEDERAL

No violations of Federal laws were noted during the examination. However, this examination should not be considered a full compliance examination relative to Federal statutes.

SUMMARY

Each licensee, upon completion of an examination, is rated "Satisfactory," "Needs Improvement," or "Unsatisfactory," based primarily on compliance with applicable statutes and regulations and the perceived capability of management to achieve and maintain such compliance. The rating of the licensee at this examination is "Needs Improvement."

A rating of "Needs Improvement" indicates that the licensee and the management of the licensee have demonstrated less than satisfactory compliance, or instances and situations involving a lack of compliance with applicable state and federal laws and regulations and that regulatory supervision is required. The licensee and management will be required to respond in writing to the report of examination within 30 days providing the procedures that have been initiated for the correction of the violations and deficiencies noted in the report made by the examiner pursuant to state and federal laws and regulations.

Financial Audit / CPA

The CPA of the Financial Institutions Division performed an analysis of key financial figures for the fiscal year ending December 31, 2013, which were included in the 2013 Annual Report of Operations. No areas of concern were noted.

Internal Routine and Control

The licensee uses CashWise Financial Services Software for its loan operations. Title loan underwriting process includes:

- Loan application form
- Income and obligations
- Government issued photo identification
- Valid phone number
- Title of the vehicle
- Proof of insurance
- Current registration
- Affidavit stating the customer's ability to repay the loan

During the previous examination the licensee was offering 30 day title loans. On January 28, 2014 the licensee sent a letter to the Financial Institutions Division stating that TitleMax is going to stop offering the 30 day title loans and start offering the 210 day title loans.

During the on-site visitation of current examination it was discovered that TitleMax stopped offering the 30 day loans as of July, 2014. The new product, 210 day title loan is currently being offered in all TitleMax locations in the State of Nevada.

The 210 day product mirrors NRS 604A.445 (3):

3. The original term of a title loan may be up to 210 days if:
 - (a) The loan provides for payments in installments;
 - (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
 - (c) The loan is not subject to any extension; and
 - (d) The loan does not require a balloon payment of any kind.

The licensee also implemented "Grace Period Payments Deferment Agreement." During the onsite visitations of store locations it was observed employees are pre-printing this grace period agreement and putting it in customer's files. The employees are also encouraging the customers to enter into this grace period agreement. The employees are provided the following statement to read to customers:

EXAMINATION COMMENTS AND CONCLUSIONS

"TMX Employee:

Great! Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

This agreement consists of separating the interest and principal from the original amortized schedule payments and prolonging the payment of principal until the full interest is paid. This agreement has a schedule of 14 payments which for the first seven payment the customer pays only interest. For the remaining seven payments the customer pays the principal. The total amount paid under this agreement is higher from the original amortized payments scheduled under the original loan agreement.

The "Grace Period Payments Deferment Agreement" offered by TitleMax clearly contradicts with 604A.445(3).

Training

TitleMax provides training upon hire and annually thereafter. All employees are required to complete refresher courses on-line and as needed. The Compliance Department has the responsibility of overseeing that all training materials are up to date with any industry changes and demands.

According to the managers questionnaire, it is the licensee's policy to maintain all records for five years which is in compliance with NRS604A.700 and NAC 604A.200.

Collection Agency Utilized by the Licensee

EXAMINATION COMMENTS AND CONCLUSIONS

NRS 604A.115 "Title to a vehicle" or "title" defined. "Title to a vehicle" or "title" means a certificate of title or ownership issued pursuant to the laws of this State that identifies the legal owner of a vehicle or any similar document issued pursuant to the laws of another jurisdiction.

During the current examination, the licensee provided a policy which states the following:

"The primary borrower must be on the title; however if there is a co-borrower (on the title or not), he must sign the Application and Contract."

During the stores visits, the examiner in charge found several files where the co-borrower was not in the vehicle title. In some instances the co-borrower had a different address and different last name.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

NRS 604A.445 Title loans: Restrictions on duration of loan and periods of extension. Notwithstanding any other provision of this chapter to the contrary:

3. The original term of a title loan may be up to 210 days if:

- (a) The loan provides for payments in installments;
- (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
- (c) The loan is not subject to any extension; and
- (d) The loan does not require a balloon payment of any kind.

NRS 604A.210 Chapter does not prohibit licensee from offering customer grace period. The provisions of this chapter do not prohibit a licensee from offering a customer a grace period on the repayment of a loan or an extension of a loan, except that the licensee shall not charge the customer:

- 1. Any fees for granting such a grace period; or
- 2. Any additional fees or additional interest on the outstanding loan during such a grace period.

Since the previous examination, Titlemax implemented a 210 day title loan product that mirrored NRS 604A.445 (3). The current examination showed that Titlemax's original loan agreement complies with NRS 604A.445(3). The examination also showed that Titlemax markets and offers an amendment to the original loan agreement that violates NRS 604A.445 (3) and NRS 604A.210.

Onsite visits to Titlemax locations and conversations with store employees showed that Titlemax routinely offers an amendment to the original loan agreement called the "Grace Period Payments Deferment Agreement" (hereinafter, the "Amended Agreement").

Regarding the marketing of the Amended Agreement by store employees, onsite store visits showed that employees routinely encourage customers to enter into the Amended Agreement. The employees are

REPORT OF EXAMINATION

EXAMINATION COMMENTS AND CONCLUSIONS

trained to encourage customers to participate in the Amended Agreement as soon as the original agreement is issued, and not wait until the loan is in default status. Pre-printed amended agreements were found in customers' files during the onsite store visits.

Moreover, management issued the below marketing statement with the instruction that employees should encourage customers to enter into the Amended Agreement. The marketing statement provides:

"Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

The marketing statement emphasizes lower payments. But, in fact, under the Amended Agreement, the total amount owed by the customer is more than the total amount owed under the original loan agreement, as further detailed below.

The text of the Amended Agreement provides:

"Because this is only an amendment and modification of the loan agreement in which we are only modifying and deferring your payments under the Title Loan Agreement, you acknowledge and agree that all of the terms and conditions of the Title Loan Agreement, including the charging of simple interest and waiver of jury trial and arbitration provision remain in full force and effect."

This statement shows an intent to avoid compliance with NRS 604A.445(3).

Under the original loan agreement the customer makes seven fully amortized payments (210 days) to pay the loan off without a balloon payment at the end, thereby complying with all provisions of NRS 604A.445(3). But, under the Amended Agreement, the customer makes 14 payments (390 days), the first seven payments are only interest and last seven payments are principal. Thus, Amended Agreement separates interest and principal from the original amortized schedule of payments, and thereby prolongs the payment of principal until the full interest is paid.

For an example of how customers owe more under the Amended Agreement compared to the original agreement, please see below:

EXAMINATION COMMENTS AND CONCLUSIONS

LOAN NUMBER	TOTAL AMOUNT TO BE PAID UNDER ORIGINAL LOAN AGREEMENT	TOTAL AMOUNT TO BE PAID UNDER "AMENDED" LOAN AGREEMENT	OVERAGE
10269-0114488	\$3,196.22	\$3,856.80	\$660.58
10269-0115965	\$13,903.62	\$16,292.93	\$2,389.31
10269-0116688	\$2,355.05	\$2,889.89	\$534.84

Titelmax must comply with NRS 604A.445 (3) and NRS 604A.210. Customers who enter into the Amended Agreement owe **more** money compared to the original loan with its fully amortized payments. Thus, Titelmax's Amended Agreement violates NRS 604A.445 (3) and NRS 604A.210.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

FEDERAL

No violations of Federal laws were noted during the examination. However, this examination should not be considered a full compliance examination relative to Federal statutes.

SUMMARY

Each licensee, upon completion of an examination, is rated "Satisfactory," "Needs Improvement," or "Unsatisfactory," based primarily on compliance with applicable statutes and regulations and the perceived capability of management to achieve and maintain such compliance. The rating of the licensee at this examination is "Needs Improvement."

A rating of "**Needs Improvement**" indicates that the licensee and the management of the licensee have demonstrated less than satisfactory compliance, or instances and situations involving a lack of compliance with applicable state and federal laws and regulations and that regulatory supervision is required. The licensee and management will be required to respond in writing to the report of examination within 30 days providing the procedures that have been initiated for the correction of the violations and deficiencies noted in the report made by the examiner pursuant to state and federal laws and regulations.

Financial Audit / CPA

The CPA of the Financial Institutions Division performed an analysis of key financial figures for the fiscal year ending December 31, 2013, which were included in the 2013 Annual Report of Operations. No areas of concern were noted.

Internal Routine and Control

The licensee uses CashWise Financial Services Software for its loan operations. Title loan underwriting process includes:

- Loan application form
- Income and obligations
- Government issued photo identification
- Valid phone number
- Title of the vehicle
- Proof of insurance
- Current registration
- Affidavit stating the customer's ability to repay the loan

During the previous examination the licensee was offering 30 day title loans. On January 28, 2014 the licensee sent a letter to the Financial Institutions Division stating that TitleMax is going to stop offering the 30 day title loans and start offering the 210 day title loans.

During the on-site visitation of current examination it was discovered that TitleMax stopped offering the 30 day loans as of July, 2014. The new product, 210 day title loan is currently being offered in all TitleMax locations in the State of Nevada.

The 210 day product mirrors NRS 604A.445 (3):

3. The original term of a title loan may be up to 210 days if:
 - (a) The loan provides for payments in installments;
 - (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;

 - (d) The loan does not require a balloon payment of any kind.

The licensee also implemented "Grace Period Payments Deferment Agreement." During the onsite visitations of store locations it was observed employees are pre-printing this grace period agreement and putting it in customer's files. The employees are also encouraging the customers to enter into this grace period agreement. The employees are provided the following statement to read to customers:

EXAMINATION COMMENTS AND CONCLUSIONS

"TMX Employee:

Great! Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

This agreement consists of separating the interest and principal from the original amortized schedule payments and prolonging the payment of principal until the full interest is paid. This agreement has a schedule of 14 payments which for the first seven payment the customer pays only interest. For the remaining seven payments the customer pays the principal. The total amount paid under this agreement is higher from the original amortized payments scheduled under the original loan agreement.

The "Grace Period Payments Deferment Agreement" offered by TitleMax clearly contradicts with 604A.445(3).

Training

TitleMax provides training upon hire and annually thereafter. All employees are required to complete refresher courses on-line and as needed. The Compliance Department has the responsibility of overseeing that all training materials are up to date with any industry changes and demands.

EXAMINATION COMMENTS AND CONCLUSIONS

NRS 604A.105 "Title loan" defined.

1. "Title loan" means a loan made to a customer pursuant to a loan agreement which, under its original terms

(b) Requires the customer to secure the loan by either:

(1) Giving possession of the title to a vehicle legally owned by the customer to the licensee or any agent, affiliate or subsidiary of the licensee.

NRS 604A.115 "Title to a vehicle" or "title" defined. "Title to a vehicle" or "title" means a certificate of title or ownership issued pursuant to the laws of this State that identifies the legal owner of a vehicle or any similar document issued pursuant to the laws of another jurisdiction.

During the current examination, the licensee provided a policy which states the following:

"The primary borrower must be on the title; however if there is a co-borrower (on the title or not), he must sign the Application and Contract."

During the stores visits, the examiner in charge found several files where the co-borrower was not in the vehicle title. In some instances the co-borrower had a different address and different last name.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

NRS 604A.445 Title loans: Restrictions on duration of loan and periods of extension.

Notwithstanding any other provision of this chapter to the contrary:

3. The original term of a title loan may be up to 210 days if:

(a) The loan provides for payments in installments;

(b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;

(c) The loan is not subject to any extension; and

(d) The loan does not require a balloon payment of any kind.

NRS 604A.210 Chapter does not prohibit licensee from offering customer grace period. The provisions of this chapter do not prohibit a licensee from offering a customer a grace period on the repayment of a loan or an extension of a loan, except that the licensee shall not charge the customer:

1. Any fees for granting such a grace period; or

2. Any additional fees or additional interest on the outstanding loan during such a grace period.

Since the previous examination, Titlemax implemented a 210 day title loan product that mirrored NRS 604A.445 (3). The current examination showed that Titlemax's original loan agreement complies with NRS 604A.445(3). The examination also showed that Titlemax markets and offers an amendment to the original loan agreement that violates NRS 604A.445 (3) and NRS 604A.210.

EXAMINATION COMMENTS AND CONCLUSIONS

Onsite visits to Titlemax locations and conversations with store employees showed that Titlemax routinely offers an amendment to the original loan agreement called the "Grace Period Payments Deferment Agreement" (hereinafter, the "Amended Agreement").

Regarding the marketing of the Amended Agreement by store employees, onsite store visits showed that employees routinely encourage customers to enter into the Amended Agreement. The employees are trained to encourage customers to participate in the Amended Agreement as soon as the original agreement is issued, and not wait until the loan is in default status. Pre-printed amended agreements were found in customers' files during the onsite store visits.

Moreover, management issued the below marketing statement with the instruction that employees should encourage customers to enter into the Amended Agreement. The marketing statement provides:

"Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on <Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

The marketing statement emphasizes lower payments. But, in fact, under the Amended Agreement, the total amount owed by the customer is more than the total amount owed under the original loan agreement, as further detailed below.

The text of the Amended Agreement provides:

"Because this is only an amendment and modification of the loan agreement in which we are only modifying and deferring your payments under the Title Loan Agreement, you acknowledge and agree that all of the terms and conditions of the Title Loan Agreement, including the charging of simple interest and waiver of jury trial and arbitration provision remain in full force and effect."

This statement shows an intent to avoid compliance with NRS 604A.445(3).

Under the original loan agreement the customer makes seven fully amortized payments (210 days) to pay the loan off without a balloon payment at the end, thereby complying with all provisions of NRS 604A.445(3). But, under the Amended Agreement, the customer makes 14 payments (390 days), the first seven payments are only interest and last seven payments are principal. Thus, Amended Agreement separates interest and principal from the original amortized schedule of payments, and thereby prolongs the payment of principal until the full interest is paid.

For an example of how customers owe more under the Amended Agreement compared to the original agreement, please see below:

LOAN NUMBER	TOTAL AMOUNT TO BE PAID UNDER ORIGINAL LOAN AGREEMENT	TOTAL AMOUNT TO BE PAID UNDER "AMENDED" LOAN AGREEMENT	OVERAGE
10669-0117764	\$841.04	\$1,024.65	\$183.61
10669-0117118	\$2,156.04	\$2,548.95	\$392.91

Titlemax must comply with NRS 604A.445 (3) and NRS 604A.210. Customers who enter into the Amended Agreement owe more money compared to the original loan with its fully amortized payments. Thus, Titlemax's Amended Agreement violates NRS 604A.445 (3) and NRS 604A.210.

FEDERAL

No violations of Federal laws were noted during the examination. However, this examination should not be considered a full compliance examination relative to Federal statutes.

EXAMINATION COMMENTS AND CONCLUSIONS

Financial Audit / CPA

The CPA of the Financial Institutions Division performed an analysis of key financial figures for the fiscal year ending December 31, 2013, which were included in the 2013 Annual Report of Operations. No areas of concern were noted.

Internal Routine and Control

The licensee uses CashWise Financial Services Software for its loan operations. Title loan underwriting process includes:

- Loan application form
- Income and obligations
- Government issued photo identification
- Valid phone number
- Title of the vehicle
- Proof of insurance
- Current registration
- Affidavit stating the customer's ability to repay the loan

During the previous examination the licensee was offering 30 day title loans. On January 28, 2014 the licensee sent a letter to the Financial Institutions Division stating that TitleMax is going to stop offering the 30 day title loans and start offering the 210 day title loans.

During the on-site visitation of current examination it was discovered that TitleMax stopped offering the 30 day loans as of July, 2014. The new product, 210 day title loan is currently being offered in all TitleMax locations in the State of Nevada.

The 210 day product mirrors NRS 604A.445 (3):

3. The original term of a title loan may be up to 210 days if:
- (a) The loan provides for payments in installments;
 - (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
 - (c) The loan is not subject to any extension; and
 - (d) The loan does not require a balloon payment of any kind.

The licensee also implemented "Grace Period Payments Deferment Agreement." During the onsite visitations of store locations it was observed employees are pre-printing this grace period agreement and putting it in customer's files. The employees are also encouraging the customers to enter into this grace period agreement. The employees are provided the following statement to read to customers:

EXAMINATION COMMENTS AND CONCLUSIONS

"TMX Employee:

Great! Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

This agreement consists of separating the interest and principal from the original amortized schedule payments and prolonging the payment of principal until the full interest is paid. This agreement has a schedule of 14 payments which for the first seven payment the customer pays only interest. For the remaining seven payments the customer pays the principal. The total amount paid under this agreement is higher from the original amortized payments scheduled under the original loan agreement.

The "Grace Period Payments Deferment Agreement" offered by TitleMax clearly contradicts with 604A.445(3).

Training

TitleMax provides training upon hire and annually thereafter. All employees are required to complete refresher courses on-line and as needed. The Compliance Department has the responsibility of overseeing that all training materials are up to date with any industry changes and demands.

EXAMINATION COMMENTS AND CONCLUSIONS

NRS 604A.115 "Title to a vehicle" or "title" defined. "Title to a vehicle" or "title" means a certificate of title or ownership issued pursuant to the laws of this State that identifies the legal owner of a vehicle or any similar document issued pursuant to the laws of another jurisdiction.

During the current examination, the licensee provided a policy which states the following:

"The primary borrower must be on the title; however if there is a co-borrower (on the title or not), he must sign the Application and Contract."

During the stores visits, the examiner in charge found several files where the co-borrower was not in the vehicle title. In some instances the co-borrower had a different address and different last name.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

NRS 604A.445 Title loans: Restrictions on duration of loan and periods of extension.

Notwithstanding any other provision of this chapter to the contrary:

3. The original term of a title loan may be up to 210 days if:

- (a) The loan provides for payments in installments;
- (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
- (c) The loan is not subject to any extension; and
- (d) The loan does not require a balloon payment of any kind.

NRS 604A.210 Chapter does not prohibit licensee from offering customer grace period. The provisions of this chapter do not prohibit a licensee from offering a customer a grace period on the repayment of a loan or an extension of a loan, except that the licensee shall not charge the customer:

- 1. Any fees for granting such a grace period; or
- 2. Any additional fees or additional interest on the outstanding loan during such a grace period.

Since the previous examination, Titlemax implemented a 210 day title loan product that mirrored NRS 604A.445 (3). The current examination showed that Titlemax's original loan agreement complies with NRS 604A.445(3). The examination also showed that Titlemax markets and offers an amendment to the original loan agreement that violates NRS 604A.445 (3) and NRS 604A.210.

Onsite visits to Titlemax locations and conversations with store employees showed that Titlemax routinely offers an amendment to the original loan agreement called the "Grace Period Payments Deferment Agreement" (hereinafter, the "Amended Agreement").

Regarding the marketing of the Amended Agreement by store employees, onsite store visits showed that employees routinely encourage customers to enter into the Amended Agreement. The employees are

EXAMINATION COMMENTS AND CONCLUSIONS

trained to encourage customers to participate in the Amended Agreement as soon as the original agreement is issued, and not wait until the loan is in default status. Pre-printed amended agreements were found in customers' files during the onsite store visits.

Moreover, management issued the below marketing statement with the instruction that employees should encourage customers to enter into the Amended Agreement. The marketing statement provides:

"Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

The marketing statement emphasizes lower payments. But, in fact, under the Amended Agreement, the total amount owed by the customer is more than the total amount owed under the original loan agreement, as further detailed below.

The text of the Amended Agreement provides:

"Because this is only an amendment and modification of the loan agreement in which we are only modifying and deferring your payments under the Title Loan Agreement, you acknowledge and agree that all of the terms and conditions of the Title Loan Agreement, including the charging of simple interest and waiver of jury trial and arbitration provision remain in full force and effect."

This statement shows an intent to avoid compliance with NRS 604A.445(3).

Under the original loan agreement the customer makes seven fully amortized payments (210 days) to pay the loan off without a balloon payment at the end, thereby complying with all provisions of NRS 604A.445(3). But, under the Amended Agreement, the customer makes 14 payments (390 days), the first seven payments are only interest and last seven payments are principal. Thus, Amended Agreement separates interest and principal from the original amortized schedule of payments, and thereby prolongs the payment of principal until the full interest is paid.

For an example of how customers owe more under the Amended Agreement compared to the original agreement, please see below:

LOAN NUMBER	TOTAL AMOUNT TO BE PAID UNDER ORIGINAL LOAN AGREEMENT	TOTAL AMOUNT TO BE PAID UNDER "AMENDED" LOAN AGREEMENT	OVERAGE

11069-0115138	\$2,283.64	\$2,802.29	\$518.65
11069-0113547	\$1,212.92	\$1,483.51	\$270.59

Titlemax must comply with NRS 604A.445 (3) and NRS 604A.210. Customers who enter into the Amended Agreement owe more money compared to the original loan with its fully amortized payments. Thus, Titlemax's Amended Agreement violates NRS 604A.445 (3) and NRS 604A.210.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

FEDERAL

No violations of Federal laws were noted during the examination. However, this examination should not be considered a full compliance examination relative to Federal statutes.

SUMMARY

The rating of the licensee at this examination is "Needs Improvement."

A rating of "**Needs Improvement**" indicates that the licensee and the management of the licensee have demonstrated less than satisfactory compliance, or instances and situations involving a lack of compliance with applicable state and federal laws and regulations and that regulatory supervision is required. EXAMINATION COMMENTS AND CONCLUSIONS

Financial Audit / CPA

The CPA of the Financial Institutions Division performed an analysis of key financial figures for the fiscal year ending December 31, 2013, which were included in the 2013 Annual Report of Operations. No areas of concern were noted.

Internal Routine and Control

The licensee uses CashWise Financial Services Software for its loan operations. Title loan underwriting process includes:

- Loan application form
- Income and obligations
- Government issued photo identification
- Valid phone number
- Title of the vehicle
- Proof of insurance
- Current registration
- Affidavit stating the customer's ability to repay the loan

During the previous examination the licensee was offering 30 day title loans. On January 28, 2014 the licensee sent a letter to the Financial Institutions Division stating that TitleMax is going to stop offering the 30 day title loans and start offering the 210 day title loans.

During the on-site visitation of current examination it was discovered that TitleMax stopped offering the 30 day loans as of July, 2014. The new product, 210 day title loan is currently being offered in all TitleMax locations in the State of Nevada.

The 210 day product mirrors NRS 604A.445 (3):

3. The original term of a title loan may be up to 210 days if:
 - (a) The loan provides for payments in installments;
 - (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
 - (c) The loan is not subject to any extension; and
 - (d) The loan does not require a balloon payment of any kind.

The licensee also implemented "Grace Period Payments Deferment Agreement." During the onsite visitations of store locations it was observed employees are pre-printing this grace period agreement and putting it in customer's files. The employees are also encouraging the customers to enter into this grace period agreement. The employees are provided the following statement to read to customers:

EXAMINATION COMMENTS AND CONCLUSIONS

"TMX Employee:

Great! Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

This agreement consists of separating the interest and principal from the original amortized schedule payments and prolonging the payment of principal until the full interest is paid. This agreement has a schedule of 14 payments which for the first seven payment the customer pays only interest. For the remaining seven payments the customer pays the principal. The total amount paid under this agreement is higher from the original amortized payments scheduled under the original loan agreement.

The "Grace Period Payments Deferment Agreement" offered by TitleMax clearly contradicts with 604A.445(3).

Training

TitleMax provides training upon hire and annually thereafter. All employees are required to complete refresher courses on-line and as needed. The Compliance Department has the responsibility of overseeing that all training materials are up to date with any industry changes and demands.

Collection Agency Utilized by the Licensee

During the current examination, the licensee provided a policy which states the following:

"The primary borrower must be on the title; however if there is a co-borrower (on the title or not), he must sign the Application and Contract."

During the stores visits, the examiner in charge found several files where the co-borrower was not in the vehicle title. In some instances the co-borrower had a different address and different last name.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

NRS 604A.445 Title loans: Restrictions on duration of loan and periods of extension.

Notwithstanding any other provision of this chapter to the contrary:

3. The original term of a title loan may be up to 210 days if:

- (a) The loan provides for payments in installments;
- (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
- (c) The loan is not subject to any extension; and
- (d) The loan does not require a balloon payment of any kind.

NRS 604A.210 Chapter does not prohibit licensee from offering customer grace period. The provisions of this chapter do not prohibit a licensee from offering a customer a grace period on the repayment of a loan or an extension of a loan, except that the licensee shall not charge the customer:

- 1. Any fees for granting such a grace period; or
- 2. Any additional fees or additional interest on the outstanding loan during such a grace period.

Since the previous examination, Titlemax implemented a 210 day title loan product that mirrored NRS 604A.445 (3). The current examination showed that Titlemax's original loan agreement complies with NRS 604A.445(3). The examination also showed that Titlemax markets and offers an amendment to the original loan agreement that violates NRS 604A.445 (3) and NRS 604A.210.

Onsite visits to Titlemax locations and conversations with store employees showed that Titlemax routinely offers an amendment to the original loan agreement called the "Grace Period Payments Deferment Agreement" (hereinafter, the "Amended Agreement").

Regarding the marketing of the Amended Agreement by store employees, onsite store visits showed that employees routinely encourage customers to enter into the Amended Agreement. The employees are

trained to encourage customers to participate in the Amended Agreement as soon as the original agreement is issued, and not wait until the loan is in default status. Pre-printed amended agreements were found in customers' files during the onsite store visits.

Moreover, management issued the below marketing statement with the instruction that employees should encourage customers to enter into the Amended Agreement. The marketing statement provides:

"Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

The marketing statement emphasizes lower payments. But, in fact, under the Amended Agreement, the total amount owed by the customer is more than the total amount owed under the original loan agreement, as further detailed below.

The text of the Amended Agreement provides:

"Because this is only an amendment and modification of the loan agreement in which we are only modifying and deferring your payments under the Title Loan Agreement, you acknowledge and agree that all of the terms and conditions of the Title Loan Agreement, including the charging of simple interest and waiver of jury trial and arbitration provision remain in full force and effect."

This statement shows an intent to avoid compliance with NRS 604A.445(3).

Under the original loan agreement the customer makes seven fully amortized payments (210 days) to pay the loan off without a balloon payment at the end, thereby complying with all provisions of NRS 604A.445(3). But, under the Amended Agreement, the customer makes 14 payments (390 days), the first seven payments are only interest and last seven payments are principal. Thus, Amended Agreement separates interest and principal from the original amortized schedule of payments, and thereby prolongs the payment of principal until the full interest is paid.

For an example of how customers owe more under the Amended Agreement compared to the original agreement, please see below:

EXAMINATION COMMENTS AND CONCLUSIONS

LOAN NUMBER	TOTAL AMOUNT TO BE PAID UNDER ORIGINAL LOAN AGREEMENT	TOTAL AMOUNT TO BE PAID UNDER "AMENDED" LOAN AGREEMENT	OVERAGE
10469-0117222	\$734.44	\$903.72	\$169.28

Titelmax must comply with NRS 604A.445 (3) and NRS 604A.210. Customers who enter into the Amended Agreement owe more money compared to the original loan with its fully amortized payments. Thus, Titelmax's Amended Agreement violates NRS 604A.445 (3) and NRS 604A.210.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

FEDERAL

No violations of Federal laws were noted during the examination. However, this examination should not be considered a full compliance examination relative to Federal statutes.

Each licensee, upon completion of an examination, is rated "Satisfactory," "Needs Improvement," or "Unsatisfactory," based primarily on compliance with applicable statutes and regulations and the perceived capability of management to achieve and maintain such compliance. The rating of the licensee at this examination is "Needs Improvement."

A rating of "Needs Improvement" indicates that the licensee and the management of the licensee have demonstrated less than satisfactory compliance, or instances and situations involving a lack of compliance with applicable state and federal laws and regulations and that regulatory supervision is required. The licensee and management will be required to respond in writing to the report of examination within 30 days providing the procedures that have been initiated for the correction of the violations and deficiencies noted in the report made by the examiner pursuant to state and federal laws and regulations.

EXAMINATION COMMENTS AND CONCLUSIONS

Financial Audit / CPA

The CPA of the Financial Institutions Division performed an analysis of key financial figures for the fiscal year ending December 31, 2013, which were included in the 2013 Annual Report of Operations. No areas of concern were noted.

Internal Routine and Control

The licensee uses CashWise Financial Services Software for its loan operations. Title loan underwriting process includes:

- Loan application form
- Income and obligations
- Government issued photo identification
- Valid phone number
- Title of the vehicle
- Proof of insurance
- Current registration
- Affidavit stating the customer's ability to repay the loan

During the previous examination the licensee was offering 30 day title loans. On January 28, 2014 the licensee sent a letter to the Financial Institutions Division stating that TitleMax is going to stop offering the 30 day title loans and start offering the 210 day title loans.

During the on-site visitation of current examination it was discovered that TitleMax stopped offering the 30 day loans as of July, 2014. The new product, 210 day title loan is currently being offered in all TitleMax locations in the State of Nevada.

The 210 day product mirrors NRS 604A.445 (3):

3. The original term of a title loan may be up to 210 days if:
 - (a) The loan provides for payments in installments;
 - (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
 - (c) The loan is not subject to any extension; and
 - (d) The loan does not require a balloon payment of any kind.

The licensee also implemented "Grace Period Payments Deferment Agreement." During the onsite visitations of store locations it was observed employees are pre-printing this grace period agreement and putting it in customer's files. The employees are also encouraging the customers to enter into this grace period agreement. The employees are provided the following statement to read to customers:

EXAMINATION COMMENTS AND CONCLUSIONS

"TMX Employee:

Great! Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

This agreement consists of separating the interest and principal from the original amortized schedule payments and prolonging the payment of principal until the full interest is paid. This agreement has a schedule of 14 payments which for the first seven payment the customer pays only interest. For the remaining seven payments the customer pays the principal. The total amount paid under this agreement is higher from the original amortized payments scheduled under the original loan agreement.

The "Grace Period Payments Deferment Agreement" offered by TitleMax clearly contradicts with 604A.445(3).

Training

TitleMax provides training upon hire and annually thereafter. All employees are required to complete refresher courses on-line and as needed. The Compliance Department has the responsibility of overseeing that all training materials are up to date with any industry changes and demands.

Display of License, Notices, and Disclosures

The State of Nevada, Financial Institutions Division NRS 604A license is displayed conspicuously by the licensee which is in compliance with NRS 604A.635 and NAC 604A.060.

The contact number of the office of the Commissioner, notice of fees charged and business hours are posted conspicuously in the location where the licensee conducts business, which is in compliance with, NRS 604A.405, NAC 604A.130, NAC 604A.140, and NAC 604A.150.

Record Retention

According to the managers questionnaire, it is the licensee's policy to maintain all records for five years which is in compliance with NRS604A.700 and NAC 604A.200.

Collection Agency Utilized by the Licensee

As of the examination date, the licensee does not utilize the services of a third party collection agency. The internal collection process consists of sending letters and making phone calls to delinquent customers by TitleMax's collection department.

During the previous examination, the licensee did not indicate on the extension receipts the effective date of the extension. This violation occurred on the 30 day title loans. Since the previous examination the licensee has stopped offering the 30 day title loans. The new product 210 day title loan offered by the licensee does not allow any extensions. CURRENT VIOLATIONS OF APPLICABLE STATUTES AND REGULATIONS STATE

REPEAT VIOLATION

NRS 604A.450 Title loans: Prohibited acts by licensee regarding amount of loan and customer's ability to repay loan. A licensee who makes title loans shall not:

2. Make a title loan without regard to the ability of the customer seeking the title loan to repay the title loan, including the customer's current and expected income, obligations and employment.

The title loans itemized below were underwritten in excess of the customer's disclosed income and obligations, therefore, there was no regard given to the customer's ability to repay the loan:

No Regard to Customer's Ability to Repay the Title Loan						
Borrower's Name	Loan Number	Term	Stated Income	Stated Obligations	Total Amount of Loan(s)	Amount Over
Keri Jo Renteria	14269-0105161	30 day	\$800.00	\$400.00	\$1,661.26	\$1,261.26

EXAMINATION COMMENTS AND CONCLUSIONS

NRS 604A.115 "Title to a vehicle" or "title" defined. "Title to a vehicle" or "title" means a certificate of title or ownership issued pursuant to the laws of this State that identifies the legal owner of a vehicle or any similar document issued pursuant to the laws of another jurisdiction.

During the current examination, the licensee provided a policy which states the following:

"The primary borrower must be on the title; however if there is a co-borrower (on the title or not), he must sign the Application and Contract."

During the stores visits, the examiner in charge found several files where the co-borrower was not in the vehicle title. In some instances the co-borrower had a different address and different last name.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

NRS 604A.445 Title loans: Restrictions on duration of loan and periods of extension.

Notwithstanding any other provision of this chapter to the contrary:

3. The original term of a title loan may be up to 210 days if:

- (a) The loan provides for payments in installments;
- (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
- (c) The loan is not subject to any extension; and
- (d) The loan does not require a balloon payment of any kind.

NRS 604A.210 Chapter does not prohibit licensee from offering customer grace period. The provisions of this chapter do not prohibit a licensee from offering a customer a grace period on the repayment of a loan or an extension of a loan, except that the licensee shall not charge the customer:

- 1. Any fees for granting such a grace period; or
- 2. Any additional fees or additional interest on the outstanding loan during such a grace period.

Since the previous examination, Titlemax implemented a 210 day title loan product that mirrored NRS 604A.445 (3). The current examination showed that Titlemax's original loan agreement complies with NRS 604A.445(3). The examination also showed that Titlemax markets and offers an amendment to the original loan agreement that violates NRS 604A.445 (3) and NRS 604A.210.

Onsite visits to Titlemax locations and conversations with store employees showed that Titlemax routinely offers an amendment to the original loan agreement called the "Grace Period Payments Deferment Agreement" (hereinafter, the "Amended Agreement").

Regarding the marketing of the Amended Agreement by store employees, onsite store visits showed that employees routinely encourage customers to enter into the Amended Agreement. The employees are

FINANCIAL INSTITUTIONS DIVISION

EXAMINATION COMMENTS AND CONCLUSIONS

trained to encourage customers to participate in the Amended Agreement as soon as the original agreement is issued, and not wait until the loan is in default status. Pre-printed amended agreements were found in customers' files during the onsite store visits.

Moreover, management issued the below marketing statement with the instruction that employees should encourage customers to enter into the Amended Agreement. The marketing statement provides:

"Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

The marketing statement emphasizes lower payments. But, in fact, under the Amended Agreement, the total amount owed by the customer is more than the total amount owed under the original loan agreement, as further detailed below.

The text of the Amended Agreement provides:

"Because this is only an amendment and modification of the loan agreement in which we are only modifying and deferring your payments under the Title Loan Agreement, you acknowledge and agree that all of the terms and conditions of the Title Loan Agreement, including the charging of simple interest and waiver of jury trial and arbitration provision remain in full force and effect."

This statement shows an intent to avoid compliance with NRS 604A.445(3).

Under the original loan agreement the customer makes seven fully amortized payments (210 days) to pay the loan off without a balloon payment at the end, thereby complying with all provisions of NRS 604A.445(3). But, under the Amended Agreement, the customer makes 14 payments (390 days), the first seven payments are only interest and last seven payments are principal. Thus, Amended Agreement separates interest and principal from the original amortized schedule of payments, and thereby prolongs the payment of principal until the full interest is paid.

For an example of how customers owe more under the Amended Agreement compared to the original agreement, please see below:

EXAMINATION COMMENTS AND CONCLUSIONS

LOAN NUMBER	TOTAL AMOUNT TO BE PAID UNDER ORIGINAL LOAN AGREEMENT	TOTAL AMOUNT TO BE PAID UNDER "AMENDED" LOAN AGREEMENT	OVERAGE
14269-0115854	\$550.77	\$677.79	\$127.02
14269-0114982	\$1,819.80	\$2,233.10	\$413.30
14269-0111601	\$1,872.76	\$2,304.50	\$431.74

Titlemax must comply with NRS 604A.445 (3) and NRS 604A.210. Customers who enter into the Amended Agreement owe more money compared to the original loan with its fully amortized payments. Thus, Titlemax's Amended Agreement violates NRS 604A.445 (3) and NRS 604A.210.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

FEDERAL

No violations of Federal laws were noted during the examination. However, this examination should not be considered a full compliance examination relative to Federal statutes.

SUMMARY

Each licensee, upon completion of an examination, is rated "Satisfactory," "Needs Improvement," or "Unsatisfactory," based primarily on compliance with applicable statutes and regulations and the perceived capability of management to achieve and maintain such compliance. The rating of the licensee at this examination is "Needs Improvement."

A rating of "Needs Improvement" indicates that the licensee and the management of the licensee have demonstrated less than satisfactory compliance, or instances and situations involving a lack of compliance with applicable state and federal laws and regulations and that regulatory supervision is required. The licensee and management will be required to respond in writing to the report of examination within 30 days providing the procedures that have been initiated for the correction of the violations and deficiencies noted in the report made by the examiner pursuant to state and federal laws and regulations.

EXAMINATION COMMENTS AND CONCLUSIONS

Financial Audit / CPA

The CPA of the Financial Institutions Division performed an analysis of key financial figures for the fiscal year ending December 31, 2013, which were included in the 2013 Annual Report of Operations. No areas of concern were noted.

Internal Routine and Control

The licensee uses CashWise Financial Services Software for its loan operations. Title loan underwriting process includes:

- Loan application form
- Income and obligations
- Government issued photo identification
- Valid phone number
- Title of the vehicle
- Proof of insurance
- Current registration
- Affidavit stating the customer's ability to repay the loan

During the previous examination the licensee was offering 30 day title loans. On January 28, 2014 the licensee sent a letter to the Financial Institutions Division stating that TitleMax is going to stop offering the 30 day title loans and start offering the 210 day title loans.

During the on-site visitation of current examination it was discovered that TitleMax stopped offering the 30 day loans as of July, 2014. The new product, 210 day title loan is currently being offered in all TitleMax locations in the State of Nevada.

The 210 day product mirrors NRS 604A.445 (3):

3. The original term of a title loan may be up to 210 days if:
 - (a) The loan provides for payments in installments;
 - (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
 - (c) The loan is not subject to any extension; and
 - (d) The loan does not require a balloon payment of any kind.

The licensee also implemented "Grace Period Payments Deferment Agreement." During the onsite visitations of store locations it was observed employees are pre-printing this grace period agreement and putting it in customer's files. The employees are also encouraging the customers to enter into this grace period agreement. The employees are provided the following statement to read to customers:

EXAMINATION COMMENTS AND CONCLUSIONS

"TMX Employee:

Great! Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

This agreement consists of separating the interest and principal from the original amortized schedule payments and prolonging the payment of principal until the full interest is paid. This agreement has a schedule of 14 payments which for the first seven payment the customer pays only interest. For the remaining seven payments the customer pays the principal. The total amount paid under this agreement is higher from the original amortized payments scheduled under the original loan agreement.

The "Grace Period Payments Deferment Agreement" offered by TitleMax clearly contradicts with 604A.445(3).

Training

TitleMax provides training upon hire and annually thereafter. All employees are required to complete refresher courses on-line and as needed. The Compliance Department has the responsibility of overseeing that all training materials are up to date with any industry changes and demands.

Display of License, Notices, and Disclosures

The State of Nevada, Financial Institutions Division NRS 604A license is displayed conspicuously by the licensee which is in compliance with NRS 604A.635 and NAC 604A.060.

The contact number of the office of the Commissioner, notice of fees charged and business hours are posted conspicuously in the location where the licensee conducts business, which is in compliance with, NRS 604A.405, NAC 604A.130, NAC 604A.140, and NAC 604A.150.

Record Retention

According to the managers questionnaire, it is the licensee's policy to maintain all records for five years which is in compliance with NRS604A.700 and NAC 604A.200.

Collection Agency Utilized by the Licensee

As of the examination date, the licensee does not utilize the services of a third party collection agency. The internal collection process consists of sending letters and making phone calls to delinquent customers by TitleMax's collection department.

EXAMINATION COMMENTS AND CONCLUSIONS

NRS 604A.115 "Title to a vehicle" or "title" defined. "Title to a vehicle" or "title" means a certificate of title or ownership issued pursuant to the laws of this State that identifies the legal owner of a vehicle or any similar document issued pursuant to the laws of another jurisdiction.

During the current examination, the licensee provided a policy which states the following:

"The primary borrower must be on the title; however if there is a co-borrower (on the title or not), he must sign the Application and Contract."

During the stores visits, the examiner in charge found several files where the co-borrower was not in the vehicle title. In some instances the co-borrower had a different address and different last name.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

NRS 604A.445 Title loans: Restrictions on duration of loan and periods of extension.

Notwithstanding any other provision of this chapter to the contrary:

3. The original term of a title loan may be up to 210 days if:

- (a) The loan provides for payments in installments;
- (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
- (c) The loan is not subject to any extension; and
- (d) The loan does not require a balloon payment of any kind.

NRS 604A.210 Chapter does not prohibit licensee from offering customer grace period. The provisions of this chapter do not prohibit a licensee from offering a customer a grace period on the repayment of a loan or an extension of a loan, except that the licensee shall not charge the customer:

- 1. Any fees for granting such a grace period; or
- 2. Any additional fees or additional interest on the outstanding loan during such a grace period.

Since the previous examination, Titlemax implemented a 210 day title loan product that mirrored NRS 604A.445 (3). The current examination showed that Titlemax's original loan agreement complies with NRS 604A.445(3). The examination also showed that Titlemax markets and offers an amendment to the original loan agreement that violates NRS 604A.445 (3) and NRS 604A.210.

Onsite visits to Titlemax locations and conversations with store employees showed that Titlemax routinely offers an amendment to the original loan agreement called the "Grace Period Payments Deferment Agreement" (hereinafter, the "Amended Agreement").

Regarding the marketing of the Amended Agreement by store employees, onsite store visits showed that employees routinely encourage customers to enter into the Amended Agreement. The employees are

EXAMINATION COMMENTS AND CONCLUSIONS

trained to encourage customers to participate in the Amended Agreement as soon as the original agreement is issued, and not wait until the loan is in default status. Pre-printed amended agreements were found in customers' files during the onsite store visits.

Moreover, management issued the below marketing statement with the instruction that employees should encourage customers to enter into the Amended Agreement. The marketing statement provides:

"Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

The marketing statement emphasizes lower payments. But, in fact, under the Amended Agreement, the total amount owed by the customer is more than the total amount owed under the original loan agreement, as further detailed below.

The text of the Amended Agreement provides:

"Because this is only an amendment and modification of the loan agreement in which we are only modifying and deferring your payments under the Title Loan Agreement, you acknowledge and agree that all of the terms and conditions of the Title Loan Agreement, including the charging of simple interest and waiver of jury trial and arbitration provision remain in full force and effect."

This statement shows an intent to avoid compliance with NRS 604A.445(3).

Under the original loan agreement the customer makes seven fully amortized payments (210 days) to pay the loan off without a balloon payment at the end, thereby complying with all provisions of NRS 604A.445(3). But, under the Amended Agreement, the customer makes 14 payments (390 days), the first seven payments are only interest and last seven payments are principal. Thus, Amended Agreement separates interest and principal from the original amortized schedule of payments, and thereby prolongs the payment of principal until the full interest is paid.

For an example of how customers owe more under the Amended Agreement compared to the original agreement, please see below:

LOAN NUMBER	TOTAL AMOUNT TO BE PAID UNDER ORIGINAL LOAN AGREEMENT	TOTAL AMOUNT TO BE PAID UNDER "AMENDED" LOAN AGREEMENT	OVERAGE

12569-0119299	\$1,505.50	\$1,852.64	\$347.14

Titlemax must comply with NRS 604A.445 (3) and NRS 604A.210. Customers who enter into the Amended Agreement owe more money compared to the original loan with its fully amortized payments. Thus, Titlemax's Amended Agreement violates NRS 604A.445 (3) and NRS 604A.210.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

FEDERAL

No violations of Federal laws were noted during the examination. However, this examination should not be considered a full compliance examination relative to Federal statutes.

SUMMARY

Each licensee, upon completion of an examination, is rated "Satisfactory," "Needs Improvement," or "Unsatisfactory," based primarily on compliance with applicable statutes and regulations and the perceived capability of management to achieve and maintain such compliance. The rating of the licensee at this examination is "Needs Improvement."

A rating of "Needs Improvement" indicates that the licensee and the management of the licensee have demonstrated less than satisfactory compliance, or instances and situations involving a lack of compliance with applicable state and federal laws and regulations and that regulatory supervision is required. The licensee and management will be required to respond in writing to the report of examination within 30 days providing the procedures that have been initiated for the correction of the violations and deficiencies noted in the report made by the examiner pursuant to state and federal laws and regulations.

EXAMINATION COMMENTS AND CONCLUSIONS

Financial Audit / CPA

The CPA of the Financial Institutions Division performed an analysis of key financial figures for the fiscal year ending December 31, 2013, which were included in the 2013 Annual Report of Operations. No areas of concern were noted.

Internal Routine and Control

The licensee uses CashWise Financial Services Software for its loan operations. Title loan underwriting process includes:

- Loan application form
- Income and obligations
- Government issued photo identification
- Valid phone number
- Title of the vehicle
- Proof of insurance
- Current registration
- Affidavit stating the customer's ability to repay the loan

During the previous examination the licensee was offering 30 day title loans. On January 28, 2014 the licensee sent a letter to the Financial Institutions Division stating that TitleMax is going to stop offering the 30 day title loans and start offering the 210 day title loans.

During the on-site visitation of current examination it was discovered that TitleMax stopped offering the 30 day loans as of July, 2014. The new product, 210 day title loan is currently being offered in all TitleMax locations in the State of Nevada.

The 210 day product mirrors NRS 604A.445 (3):

3. The original term of a title loan may be up to 210 days if:
 - (a) The loan provides for payments in installments;
 - (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
 - (c) The loan is not subject to any extension; and
 - (d) The loan does not require a balloon payment of any kind.

The licensee also implemented "Grace Period Payments Deferment Agreement." During the onsite visitations of store locations it was observed employees are pre-printing this grace period agreement and putting it in customer's files. The employees are also encouraging the customers to enter into this grace period agreement. The employees are provided the following statement to read to customers:

EXAMINATION COMMENTS AND CONCLUSIONS

"TMX Employee:

Great! Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

This agreement consists of separating the interest and principal from the original amortized schedule payments and prolonging the payment of principal until the full interest is paid. This agreement has a schedule of 14 payments which for the first seven payment the customer pays only interest. For the remaining seven payments the customer pays the principal. The total amount paid under this agreement is higher from the original amortized payments scheduled under the original loan agreement.

The "Grace Period Payments Deferment Agreement" offered by TitleMax clearly contradicts with 604A.445(3).

Training

TitleMax provides training upon hire and annually thereafter. All employees are required to complete refresher courses on-line and as needed. The Compliance Department has the responsibility of overseeing that all training materials are up to date with any industry changes and demands.

Display of License, Notices, and Disclosures

2. For the purposes of this chapter, proper calculation of the amount financed, annual percentage rate and finance charge for a loan must be made in accordance with the Truth in Lending Act and Regulation Z.

During the previous examination the licensee was found understating the APR. During the current examination there was no evidence of such. Therefore, the violation is deemed rectified.

EXAMINATION COMMENTS AND CONCLUSIONS

Financial Audit / CPA

The CPA of the Financial Institutions Division performed an analysis of key financial figures for the fiscal year ending December 31, 2013, which were included in the 2013 Annual Report of Operations. No areas of concern were noted.

Internal Routine and Control

The licensee uses CashWise Financial Services Software for its loan operations. Title loan underwriting process includes:

- Loan application form
- Income and obligations
- Government issued photo identification
- Valid phone number
- Title of the vehicle
- Proof of insurance
- Current registration
- Affidavit stating the customer's ability to repay the loan

During the previous examination the licensee was offering 30 day title loans. On January 28, 2014 the licensee sent a letter to the Financial Institutions Division stating that TitleMax is going to stop offering the 30 day title loans and start offering the 210 day title loans.

During the on-site visitation of current examination it was discovered that TitleMax stopped offering the 30 day loans as of July, 2014. The new product, 210 day title loan is currently being offered in all TitleMax locations in the State of Nevada.

The 210 day product mirrors NRS 604A.445 (3):

3. The original term of a title loan may be up to 210 days if:
- (a) The loan provides for payments in installments;
 - (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
 - (c) The loan is not subject to any extension; and
 - (d) The loan does not require a balloon payment of any kind.

The licensee also implemented "Grace Period Payments Deferment Agreement." During the onsite visitations of store locations it was observed employees are pre-printing this grace period agreement and putting it in customer's files. The employees are also encouraging the customers to enter into this grace period agreement. The employees are provided the following statement to read to customers:

EXAMINATION COMMENTS AND CONCLUSIONS

"TMX Employee:

Great! Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

This agreement consists of separating the interest and principal from the original amortized schedule payments and prolonging the payment of principal until the full interest is paid. This agreement has a schedule of 14 payments which for the first seven payment the customer pays only interest. For the remaining seven payments the customer pays the principal. The total amount paid under this agreement is higher from the original amortized payments scheduled under the original loan agreement.

The "Grace Period Payments Deferment Agreement" offered by TitleMax clearly contradicts with 604A.445(3).

Training

TitleMax provides training upon hire and annually thereafter. All employees are required to complete refresher courses on-line and as needed. The Compliance Department has the responsibility of overseeing that all training materials are up to date with any industry changes and demands.

Display of License, Notices, and Disclosures

The State of Nevada, Financial Institutions Division NRS 604A license is displayed conspicuously by the licensee which is in compliance with NRS 604A.635 and NAC 604A.060.

The contact number of the office of the Commissioner, notice of fees charged and business hours are posted conspicuously in the location where the licensee conducts business, which is in compliance with, NRS 604A.405, NAC 604A.130, NAC 604A.140, and NAC 604A.150.

Record Retention

According to the managers questionnaire, it is the licensee's policy to maintain all records for five years which is in compliance with NRS604A.700 and NAC 604A.200.

Collection Agency Utilized by the Licensee

As of the examination date, the licensee does not utilize the services of a third party collection agency. The internal collection process consists of sending letters and making phone calls to delinquent customers by TitleMax's collection department.

NRS 604A.115 "Title to a vehicle" or "title" defined. "Title to a vehicle" or "title" means a certificate of title or ownership issued pursuant to the laws of this State that identifies the legal owner of a vehicle or any similar document issued pursuant to the laws of another jurisdiction.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

NRS 604A.445 Title loans: Restrictions on duration of loan and periods of extension.

Notwithstanding any other provision of this chapter to the contrary:

3. The original term of a title loan may be up to 210 days if:

- (a) The loan provides for payments in installments;
- (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
- (c) The loan is not subject to any extension; and
- (d) The loan does not require a balloon payment of any kind.

NRS 604A.210 Chapter does not prohibit licensee from offering customer grace period. The provisions of this chapter do not prohibit a licensee from offering a customer a grace period on the repayment of a loan or an extension of a loan, except that the licensee shall not charge the customer:

- 1. Any fees for granting such a grace period; or
- 2. Any additional fees or additional interest on the outstanding loan during such a grace period.

Since the previous examination, Titlemax implemented a 210 day title loan product that mirrored NRS 604A.445 (3). The current examination showed that Titlemax's original loan agreement complies with NRS 604A.445(3). The examination also showed that Titlemax markets and offers an amendment to the original loan agreement that violates NRS 604A.445 (3) and NRS 604A.210.

Onsite visits to Titlemax locations and conversations with store employees showed that Titlemax routinely offers an amendment to the original loan agreement called the "Grace Period Payments Deferment Agreement" (hereinafter, the "Amended Agreement").

Regarding the marketing of the Amended Agreement by store employees, onsite store visits showed that employees routinely encourage customers to enter into the Amended Agreement. The employees are

EXAMINATION COMMENTS AND CONCLUSIONS

trained to encourage customers to participate in the Amended Agreement as soon as the original agreement is issued, and not wait until the loan is in default status. Pre-printed amended agreements were found in customers' files during the onsite store visits.

Moreover, management issued the below marketing statement with the instruction that employees should encourage customers to enter into the Amended Agreement. The marketing statement provides:

"Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

The marketing statement emphasizes lower payments. But, in fact, under the Amended Agreement, the total amount owed by the customer is more than the total amount owed under the original loan agreement, as further detailed below.

The text of the Amended Agreement provides:

"Because this is only an amendment and modification of the loan agreement in which we are only modifying and deferring your payments under the Title Loan Agreement, you acknowledge and agree that all of the terms and conditions of the Title Loan Agreement, including the charging of simple interest and waiver of jury trial and arbitration provision remain in full force and effect."

This statement shows an intent to avoid compliance with NRS 604A.445(3).

Under the original loan agreement the customer makes seven fully amortized payments (210 days) to pay the loan off without a balloon payment at the end, thereby complying with all provisions of NRS 604A.445(3). But, under the Amended Agreement, the customer makes 14 payments (390 days), the first seven payments are only interest and last seven payments are principal. Thus, Amended Agreement separates interest and principal from the original amortized schedule of payments, and thereby prolongs the payment of principal until the full interest is paid.

For an example of how customers owe more under the Amended Agreement compared to the original agreement, please see below:

Titlemax must comply with NRS 604A.445 (3) and NRS 604A.210. Customers who enter into the Amended Agreement owe more money compared to the original loan with its fully amortized payments. Thus, Titlemax's Amended Agreement violates NRS 604A.445 (3) and NRS 604A.210.

FEDERAL

No violations of Federal laws were noted during the examination. However, this examination should not be considered a full compliance examination relative to Federal statutes.

SUMMARY

Each licensee, upon completion of an examination, is rated "Satisfactory," "Needs Improvement," or "Unsatisfactory," based primarily on compliance with applicable statutes and regulations and the perceived capability of management to achieve and maintain such compliance. The rating of the licensee at this examination is "Needs Improvement."

A rating of "Needs Improvement" indicates that the licensee and the management of the licensee have demonstrated less than satisfactory compliance, or instances and situations involving a lack of compliance with applicable state and federal laws and regulations and that regulatory supervision is required. The licensee and management will be required to respond in writing to the report of examination within 30 days providing the procedures that have been initiated for the correction of the violations and deficiencies noted in the report made by the examiner pursuant to state and federal laws and regulations.

EXAMINATION COMMENTS AND CONCLUSIONS

Financial Audit / CPA

The CPA of the Financial Institutions Division performed an analysis of key financial figures for the fiscal year ending December 31, 2013, which were included in the 2013 Annual Report of Operations. No areas of concern were noted.

Internal Routine and Control

The licensee uses CashWise Financial Services Software for its loan operations. Title loan underwriting process includes:

- Loan application form
- Income and obligations
- Government issued photo identification
- Valid phone number
- Title of the vehicle
- Proof of insurance
- Current registration
- Affidavit stating the customer's ability to repay the loan

During the previous examination the licensee was offering 30 day title loans. On January 28, 2014 the licensee sent a letter to the Financial Institutions Division stating that TitleMax is going to stop offering the 30 day title loans and start offering the 210 day title loans.

During the on-site visitation of current examination it was discovered that TitleMax stopped offering the 30 day loans as of July, 2014. The new product, 210 day title loan is currently being offered in all TitleMax locations in the State of Nevada.

The 210 day product mirrors NRS 604A.445 (3):

3. The original term of a title loan may be up to 210 days if:
 - (a) The loan provides for payments in installments;
 - (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
 - (c) The loan is not subject to any extension; and
 - (d) The loan does not require a balloon payment of any kind.

The licensee also implemented "Grace Period Payments Deferment Agreement." During the onsite visitations of store locations it was observed employees are pre-printing this grace period agreement and putting it in customer's files. The employees are also encouraging the customers to enter into this grace period agreement. The employees are provided the following statement to read to customers:

EXAMINATION COMMENTS AND CONCLUSIONS

"TMX Employee:

Great! Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

This agreement consists of separating the interest and principal from the original amortized schedule payments and prolonging the payment of principal until the full interest is paid. This agreement has a schedule of 14 payments which for the first seven payment the customer pays only interest. For the remaining seven payments the customer pays the principal. The total amount paid under this agreement is higher from the original amortized payments scheduled under the original loan agreement.

The "Grace Period Payments Deferment Agreement" offered by TitleMax clearly contradicts with 604A.445(3).

Training

TitleMax provides training upon hire and annually thereafter. All employees are required to complete refresher courses on-line and as needed. The Compliance Department has the responsibility of overseeing that all training materials are up to date with any industry changes and demands.

Display of License, Notices, and Disclosures

The State of Nevada, Financial Institutions Division NRS 604A license is displayed conspicuously by the licensee which is in compliance with NRS 604A.635 and NAC 604A.060.

The contact number of the office of the Commissioner, notice of fees charged and business hours are posted conspicuously in the location where the licensee conducts business, which is in compliance with, NRS 604A.405, NAC 604A.130, NAC 604A.140, and NAC 604A.150.

Record Retention

According to the managers questionnaire, it is the licensee's policy to maintain all records for five years which is in compliance with NRS604A.700 and NAC 604A.200.

Collection Agency Utilized by the Licensee

As of the examination date, the licensee does not utilize the services of a third party collection agency. The internal collection process consists of sending letters and making phone calls to delinquent customers by TitleMax's collection department.

NRS 604A.115 "Title to a vehicle" or "title" defined. "Title to a vehicle" or "title" means a certificate of title or ownership issued pursuant to the laws of this State that identifies the legal owner of a vehicle or any similar document issued pursuant to the laws of another jurisdiction.

During the current examination, the licensee provided a policy which states the following:

"The primary borrower must be on the title; however if there is a co-borrower (on the title or not), he must sign the Application and Contract."

During the stores visits, the examiner in charge found several files where the co-borrower was not in the vehicle title. In some instances the co-borrower had a different address and different last name.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

NRS 604A.445 Title loans: Restrictions on duration of loan and periods of extension.

Notwithstanding any other provision of this chapter to the contrary:

3. The original term of a title loan may be up to 210 days if:

- (a) The loan provides for payments in installments;
- (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
- (c) The loan is not subject to any extension; and
- (d) The loan does not require a balloon payment of any kind.

NRS 604A.210 Chapter does not prohibit licensee from offering customer grace period. The provisions of this chapter do not prohibit a licensee from offering a customer a grace period on the repayment of a loan or an extension of a loan, except that the licensee shall not charge the customer:

- 1. Any fees for granting such a grace period; or
- 2. Any additional fees or additional interest on the outstanding loan during such a grace period.

Since the previous examination, Titlemax implemented a 210 day title loan product that mirrored NRS 604A.445 (3). The current examination showed that Titlemax's original loan agreement complies with NRS 604A.445(3). The examination also showed that Titlemax markets and offers an amendment to the original loan agreement that violates NRS 604A.445 (3) and NRS 604A.210.

Onsite visits to Titlemax locations and conversations with store employees showed that Titlemax routinely offers an amendment to the original loan agreement called the "Grace Period Payments Deferment Agreement" (hereinafter, the "Amended Agreement").

Regarding the marketing of the Amended Agreement by store employees, onsite store visits showed that employees routinely encourage customers to enter into the Amended Agreement. The employees are

EXAMINATION COMMENTS AND CONCLUSIONS

trained to encourage customers to participate in the Amended Agreement as soon as the original agreement is issued, and not wait until the loan is in default status. Pre-printed amended agreements were found in customers' files during the onsite store visits.

Moreover, management issued the below marketing statement with the instruction that employees should encourage customers to enter into the Amended Agreement. The marketing statement provides:

"Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

The marketing statement emphasizes lower payments. But, in fact, under the Amended Agreement, the total amount owed by the customer is more than the total amount owed under the original loan agreement, as further detailed below.

The text of the Amended Agreement provides:

"Because this is only an amendment and modification of the loan agreement in which we are only modifying and deferring your payments under the Title Loan Agreement, you acknowledge and agree that all of the terms and conditions of the Title Loan Agreement, including the charging of simple interest and waiver of jury trial and arbitration provision remain in full force and effect."

This statement shows an intent to avoid compliance with NRS 604A.445(3).

Under the original loan agreement the customer makes seven fully amortized payments (210 days) to pay the loan off without a balloon payment at the end, thereby complying with all provisions of NRS 604A.445(3). But, under the Amended Agreement, the customer makes 14 payments (390 days), the first seven payments are only interest and last seven payments are principal. Thus, Amended Agreement separates interest and principal from the original amortized schedule of payments, and thereby prolongs the payment of principal until the full interest is paid.

For an example of how customers owe more under the Amended Agreement compared to the original agreement, please see below:

LOAN NUMBER	TOTAL AMOUNT TO BE PAID UNDER ORIGINAL LOAN AGREEMENT	TOTAL AMOUNT TO BE PAID UNDER "AMENDED" LOAN AGREEMENT	OVERAGE
13869-0114073	\$4,476.94	\$5,246.29	\$769.35

EXAMINATION COMMENTS AND CONCLUSIONS

Titlemax must comply with NRS 604A.445 (3) and NRS 604A.210. Customers who enter into the Amended Agreement owe more money compared to the original loan with its fully amortized payments. Thus, Titlemax's Amended Agreement violates NRS 604A.445 (3) and NRS 604A.210.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

FEDERAL

No violations of Federal laws were noted during the examination. However, this examination should not be considered a full compliance examination relative to Federal statutes.

SUMMARY

Each licensee, upon completion of an examination, is rated "Satisfactory," "Needs Improvement," or "Unsatisfactory," based primarily on compliance with applicable statutes and regulations and the perceived capability of management to achieve and maintain such compliance. The rating of the licensee at this examination is "Needs Improvement."

A rating of "Needs Improvement" indicates that the licensee and the management of the licensee have demonstrated less than satisfactory compliance, or instances and situations involving a lack of compliance with applicable state and federal laws and regulations and that regulatory supervision is required. The licensee and management will be required to respond in writing to the report of examination within 30 days providing the procedures that have been initiated for the correction of the violations and deficiencies noted in the report made by the examiner pursuant to state and federal laws and regulations.

Financial Audit / CPA

The CPA of the Financial Institutions Division performed an analysis of key financial figures for the fiscal year ending December 31, 2013, which were included in the 2013 Annual Report of Operations. No areas of concern were noted.

Internal Routine and Control

The licensee uses CashWise Financial Services Software for its loan operations. Title loan underwriting process includes:

- Loan application form
- Income and obligations
- Government issued photo identification
- Valid phone number
- Title of the vehicle
- Proof of insurance
- Current registration
- Affidavit stating the customer's ability to repay the loan

During the previous examination the licensee was offering 30 day title loans. On January 28, 2014 the licensee sent a letter to the Financial Institutions Division stating that TitleMax is going to stop offering the 30 day title loans and start offering the 210 day title loans.

During the on-site visitation of current examination it was discovered that TitleMax stopped offering the 30 day loans as of July, 2014. The new product, 210 day title loan is currently being offered in all TitleMax locations in the State of Nevada.

The 210 day product mirrors NRS 604A.445 (3):

3. The original term of a title loan may be up to 210 days if:
 - (a) The loan provides for payments in installments;
 - (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
 - (c) The loan is not subject to any extension; and
 - (d) The loan does not require a balloon payment of any kind.

The licensee also implemented "Grace Period Payments Deferment Agreement." During the onsite visitations of store locations it was observed employees are pre-printing this grace period agreement and putting it in customer's files. EXAMINATION COMMENTS AND CONCLUSIONS

“TMX Employee:

Great! Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?”

This agreement consists of separating the interest and principal from the original amortized schedule payments and prolonging the payment of principal until the full interest is paid. This agreement has a schedule of 14 payments which for the first seven payment the customer pays only interest. For the remaining seven payments the customer pays the principal. The total amount paid under this agreement is higher from the original amortized payments scheduled under the original loan agreement.

The “Grace Period Payments Deferment Agreement” offered by TitleMax clearly contradicts with 604A.445(3).

TitleMax provides training upon hire and annually thereafter. All employees are required to complete refresher courses on-line and as needed. The Compliance Department has the responsibility of overseeing that all training materials are up to date with any industry changes and demands.

Record Retention

According to the managers questionnaire, it is the licensee’s policy to maintain all records for five years which is in compliance with NRS604A.700 and NAC 604A.200.

Collection Agency Utilized by the Licensee

NRS 604A.450 Title loans: Prohibited acts by licensee regarding amount of loan and customer's ability to repay loan. A licensee who makes title loans shall not:

2. Make a title loan without regard to the ability of the customer seeking the title loan to repay the title loan, including the customer's current and expected income, obligations and employment.

The title loans itemized below were underwritten in excess of the customer's disclosed income and obligations, therefore, there was no regard given to the customer's ability to repay the loan:

EXAMINATION COMMENTS AND CONCLUSIONS

NRS 604A.115 "Title to a vehicle" or "title" defined. "Title to a vehicle" or "title" means a certificate of title or ownership issued pursuant to the laws of this State that identifies the legal owner of a vehicle or any similar document issued pursuant to the laws of another jurisdiction.

During the current examination, the licensee provided a policy which states the following:

"The primary borrower must be on the title; however if there is a co-borrower (on the title or not), he must sign the Application and Contract."

During the stores visits, the examiner in charge found several files where the co-borrower was not in the vehicle title. In some instances the co-borrower had a different address and different last name.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

NRS 604A.445 Title loans: Restrictions on duration of loan and periods of extension.

Notwithstanding any other provision of this chapter to the contrary:

3. The original term of a title loan may be up to 210 days if:

- (a) The loan provides for payments in installments;
- (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
- (c) The loan is not subject to any extension; and
- (d) The loan does not require a balloon payment of any kind.

NRS 604A.210 Chapter does not prohibit licensee from offering customer grace period. The provisions of this chapter do not prohibit a licensee from offering a customer a grace period on the repayment of a loan or an extension of a loan, except that the licensee shall not charge the customer:

- 1. Any fees for granting such a grace period; or
- 2. Any additional fees or additional interest on the outstanding loan during such a grace period.

Since the previous examination, Titlemax implemented a 210 day title loan product that mirrored NRS 604A.445 (3). The current examination showed that Titlemax's original loan agreement complies with NRS 604A.445(3). The examination also showed that Titlemax markets and offers an amendment to the original loan agreement that violates NRS 604A.445 (3) and NRS 604A.210.

Onsite visits to Titlemax locations and conversations with store employees showed that Titlemax routinely offers an amendment to the original loan agreement called the "Grace Period Payments Deferment Agreement" (hereinafter, the "Amended Agreement").

Regarding the marketing of the Amended Agreement by store employees, onsite store visits showed that employees routinely encourage customers to enter into the Amended Agreement. The employees are

EXAMINATION COMMENTS AND CONCLUSIONS

trained to encourage customers to participate in the Amended Agreement as soon as the original agreement is issued, and not wait until the loan is in default status. Pre-printed amended agreements were found in customers' files during the onsite store visits.

Moreover, management issued the below marketing statement with the instruction that employees should encourage customers to enter into the Amended Agreement. The marketing statement provides:

"Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

The marketing statement emphasizes lower payments. But, in fact, under the Amended Agreement, the total amount owed by the customer is more than the total amount owed under the original loan agreement, as further detailed below.

The text of the Amended Agreement provides:

"Because this is only an amendment and modification of the loan agreement in which we are only modifying and deferring your payments under the Title Loan Agreement, you acknowledge and agree that all of the terms and conditions of the Title Loan Agreement, including the charging of simple interest and waiver of jury trial and arbitration provision remain in full force and effect."

This statement shows an intent to avoid compliance with NRS 604A.445(3).

Under the original loan agreement the customer makes seven fully amortized payments (210 days) to pay the loan off without a balloon payment at the end, thereby complying with all provisions of NRS 604A.445(3). But, under the Amended Agreement, the customer makes 14 payments (390 days), the first seven payments are only interest and last seven payments are principal. Thus, Amended Agreement separates interest and principal from the original amortized schedule of payments, and thereby prolongs the payment of principal until the full interest is paid.

For an example of how customers owe more under the Amended Agreement compared to the original agreement, please see below:

LOAN NUMBER	TOTAL AMOUNT TO BE PAID UNDER ORIGINAL LOAN AGREEMENT	TOTAL AMOUNT TO BE PAID UNDER "AMENDED" LOAN AGREEMENT	OVERAGE

11469-0117999	\$1,819.80	2,233.10	\$413.30

Titelmax must comply with NRS 604A.445 (3) and NRS 604A.210. Customers who enter into the Amended Agreement owe more money compared to the original loan with its fully amortized payments. Thus, Titelmax's Amended Agreement violates NRS 604A.445 (3) and NRS 604A.210.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

FEDERAL

No violations of Federal laws were noted during the examination. However, this examination should not be considered a full compliance examination relative to Federal statutes.

SUMMARY

Each licensee, upon completion of an examination, is rated "Satisfactory," "Needs Improvement," or "Unsatisfactory," based primarily on compliance with applicable statutes and regulations and the perceived capability of management to achieve and maintain such compliance. The rating of the licensee at this examination is "Needs Improvement."

A rating of "Needs Improvement" indicates that the licensee and the management of the licensee have demonstrated less than satisfactory compliance, or instances and situations involving a lack of compliance with applicable state and federal laws and regulations and that regulatory supervision is required. The licensee and management will be required to respond in writing to the report of examination within 30 days providing the procedures that have been initiated for the correction of the violations and deficiencies noted in the report made by the examiner pursuant to state and federal laws and regulations.

EXAMINATION COMMENTS AND CONCLUSIONS

Financial Audit / CPA

The CPA of the Financial Institutions Division performed an analysis of key financial figures for the fiscal year ending December 31, 2013, which were included in the 2013 Annual Report of Operations. No areas of concern were noted.

Internal Routine and Control

The licensee uses CashWise Financial Services Software for its loan operations. Title loan underwriting process includes:

- Loan application form
- Income and obligations
- Government issued photo identification
- Valid phone number
- Title of the vehicle
- Proof of insurance
- Current registration
- Affidavit stating the customer's ability to repay the loan

During the previous examination the licensee was offering 30 day title loans. On January 28, 2014 the licensee sent a letter to the Financial Institutions Division stating that TitleMax is going to stop offering the 30 day title loans and start offering the 210 day title loans.

During the on-site visitation of current examination it was discovered that TitleMax stopped offering the 30 day loans as of July, 2014. The new product, 210 day title loan is currently being offered in all TitleMax locations in the State of Nevada.

The 210 day product mirrors NRS 604A.445 (3):

3. The original term of a title loan may be up to 210 days if:
 - (a) The loan provides for payments in installments;
 - (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
 - (c) The loan is not subject to any extension; and
 - (d) The loan does not require a balloon payment of any kind.

The licensee also implemented "Grace Period Payments Deferment Agreement." During the onsite visitations of store locations it was observed employees are pre-printing this grace period agreement and putting it in customer's files. The employees are also encouraging the customers to enter into this grace period agreement. The employees are provided the following statement to read to customers:

EXAMINATION COMMENTS AND CONCLUSIONS

"TMX Employee:

Great! Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

This agreement consists of separating the interest and principal from the original amortized schedule payments and prolonging the payment of principal until the full interest is paid. This agreement has a schedule of 14 payments which for the first seven payment the customer pays only interest. For the remaining seven payments the customer pays the principal. The total amount paid under this agreement is higher from the original amortized payments scheduled under the original loan agreement.

The "Grace Period Payments Deferment Agreement" offered by TitleMax clearly contradicts with 604A.445(3).

Training

TitleMax provides training upon hire and annually thereafter. All employees are required to complete refresher courses on-line and as needed. The Compliance Department has the responsibility of overseeing that all training materials are up to date with any industry changes and demands.

Display of License, Notices, and Disclosures

The State of Nevada, Financial Institutions Division NRS 604A license is displayed conspicuously by the licensee which is in compliance with NRS 604A.635 and NAC 604A.060.

The contact number of the office of the Commissioner, notice of fees charged and business hours are posted conspicuously in the location where the licensee conducts business, which is in compliance with, NRS 604A.405, NAC 604A.130, NAC 604A.140, and NAC 604A.150.

Record Retention

According to the managers questionnaire, it is the licensee's policy to maintain all records for five years which is in compliance with NRS604A.700 and NAC 604A.200.

Collection Agency Utilized by the Licensee

As of the examination date, the licensee does not utilize the services of a third party collection agency. The internal collection process consists of sending letters and making phone calls to delinquent customers by TitleMax's collection department.

EXAMINATION COMMENTS AND CONCLUSIONS

FDCPA

TitleMax employees are required to be certified on an annually basis. All collection employees are required a minimum score of 80% to obtain the FDCPA certification. The store managers monitor all contact with debtors to assure that policy and produces are followed by all employees.

EXAMINATION COMMENTS AND CONCLUSIONS

(1) Giving possession of the title to a vehicle legally owned by the customer to the licensee or any agent, affiliate or subsidiary of the licensee.

NRS 604A.115 "Title to a vehicle" or "title" defined. "Title to a vehicle" or "title" means a certificate of title or ownership issued pursuant to the laws of this State that identifies the legal owner of a vehicle or any similar document issued pursuant to the laws of another jurisdiction.

During the current examination, the licensee provided a policy which states the following:

"The primary borrower must be on the title; however if there is a co-borrower (on the title or not), he must sign the Application and Contract."

During the stores visits, the examiner in charge found several files where the co-borrower was not in the vehicle title. In some instances the co-borrower had a different address and different last name.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

NRS 604A.445 Title loans: Restrictions on duration of loan and periods of extension.

Notwithstanding any other provision of this chapter to the contrary:

3. The original term of a title loan may be up to 210 days if:

- (a) The loan provides for payments in installments;
- (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
- (c) The loan is not subject to any extension; and
- (d) The loan does not require a balloon payment of any kind.

NRS 604A.210 Chapter does not prohibit licensee from offering customer grace period. The provisions of this chapter do not prohibit a licensee from offering a customer a grace period on the repayment of a loan or an extension of a loan, except that the licensee shall not charge the customer:

- 1. Any fees for granting such a grace period; or
- 2. Any additional fees or additional interest on the outstanding loan during such a grace period.

Since the previous examination, Titlemax implemented a 210 day title loan product that mirrored NRS 604A.445 (3). The current examination showed that Titlemax's original loan agreement complies with NRS 604A.445(3). The examination also showed that Titlemax markets and offers an amendment to the original loan agreement that violates NRS 604A.445 (3) and NRS 604A.210.

Onsite visits to Titlemax locations and conversations with store employees showed that Titlemax routinely offers an amendment to the original loan agreement called the "Grace Period Payments Deferment Agreement" (hereinafter, the "Amended Agreement").

EXAMINATION COMMENTS AND CONCLUSIONS

Regarding the marketing of the Amended Agreement by store employees, onsite store visits showed that employees routinely encourage customers to enter into the Amended Agreement. The employees are trained to encourage customers to participate in the Amended Agreement as soon as the original agreement is issued, and not wait until the loan is in default status. Pre-printed amended agreements were found in customers' files during the onsite store visits.

Moreover, management issued the below marketing statement with the instruction that employees should encourage customers to enter into the Amended Agreement. The marketing statement provides:

"Your contract states that you have 7 payments of <Amortized Loan Payments> which are for every 30 days starting on < Due Date>. By making this payment on time, your loan will be paid in full when you make the final payment. However, for your convenience, you can also make a minimum payment of <Minimum Payment to Extend> during this time. Any principal left at the end of the term will be placed on a 0% payment plan for an additional seven months. Do you have any questions?"

The marketing statement emphasizes lower payments. But, in fact, under the Amended Agreement, the total amount owed by the customer is more than the total amount owed under the original loan agreement, as further detailed below.

The text of the Amended Agreement provides:

"Because this is only an amendment and modification of the loan agreement in which we are only modifying and deferring your payments under the Title Loan Agreement, you acknowledge and agree that all of the terms and conditions of the Title Loan Agreement, including the charging of simple interest and waiver of jury trial and arbitration provision remain in full force and effect."

This statement shows an intent to avoid compliance with NRS 604A.445(3).

Under the original loan agreement the customer makes seven fully amortized payments (210 days) to pay the loan off without a balloon payment at the end, thereby complying with all provisions of NRS 604A.445(3). But, under the Amended Agreement, the customer makes 14 payments (390 days), the first seven payments are only interest and last seven payments are principal. Thus, Amended Agreement separates interest and principal from the original amortized schedule of payments, and thereby prolongs the payment of principal until the full interest is paid.

For an example of how customers owe more under the Amended Agreement compared to the original agreement, please see below:

LOAN NUMBER	TOTAL AMOUNT TO BE PAID UNDER ORIGINAL LOAN AGREEMENT	TOTAL AMOUNT TO BE PAID UNDER "AMENDED" LOAN AGREEMENT	OVERAGE
14369-0118950	\$5,079.66	\$6,188.83	\$1,109.17
14369-0122640	\$1,819.80	\$2,233.10	\$413.30
14369-0116242	\$6,227.00	\$5,340.65	\$886.35

Titlemax must comply with NRS 604A.445 (3) and NRS 604A.210. Customers who enter into the Amended Agreement owe more money compared to the original loan with its fully amortized payments. Thus, Titlemax's Amended Agreement violates NRS 604A.445 (3) and NRS 604A.210.

Management's response: Ms. Sarah C. Poff, Director of Compliance, stated that a response will be sent to the Financial Institution Division once the report of examination is received.

FEDERAL

No violations of Federal laws were noted during the examination. However, this examination should not be considered a full compliance examination relative to Federal statutes.

SUMMARY

Each licensee, upon completion of an examination, is rated "Satisfactory," "Needs Improvement," or "Unsatisfactory," based primarily on compliance with applicable statutes and regulations and the perceived capability of management to achieve and maintain such compliance. The rating of the licensee at this examination is "Needs Improvement."

A rating of "Needs Improvement" indicates that the licensee and the management of the licensee have demonstrated less than satisfactory compliance, or instances and situations involving a lack of compliance with applicable state and federal laws and regulations and that regulatory supervision is required. The licensee and management will be required to respond in writing to the report of examination within 30 days providing the procedures that have been initiated for the correction of the violations and deficiencies noted in the report made by the examiner pursuant to state and federal laws and regulations.

EXAMINATION COMMENTS AND CONCLUSIONS

Financial Audit / CPA

The CPA of the Financial Institutions Division performed an analysis of key financial figures for the fiscal year ending December 31, 2013, which were included in the 2013 Annual Report of Operations. No areas of concern were noted.

Internal Routine and Control

The licensee uses CashWise Financial Services Software for its loan operations. Title loan underwriting process includes:

- Loan application form
- Income and obligations
- Government issued photo identification
- Valid phone number
- Title of the vehicle
- Proof of insurance
- Current registration
- Affidavit stating the customer's ability to repay the loan

During the previous examination the licensee was offering 30 day title loans. On January 28, 2014 the licensee sent a letter to the Financial Institutions Division stating that TitleMax is going to stop offering the 30 day title loans and start offering the 210 day title loans.

During the on-site visitation of current examination it was discovered that TitleMax stopped offering the 30 day loans as of July, 2014. The new product, 210 day title loan is currently being offered in all TitleMax locations in the State of Nevada.

The 210 day product mirrors NRS 604A.445 (3):

3. The original term of a title loan may be up to 210 days if:
- (a) The loan provides for payments in installments;
 - (b) The payments are calculated to ratably and fully amortize the entire amount of principal and interest payable on the loan;
 - (c) The loan is not subject to any extension; and
 - (d) The loan does not require a balloon payment of any kind.

The licensee also implemented "Grace Period Payments Deferment Agreement." During the onsite visitations of store locations it was observed employees are pre-printing this grace period agreement and putting it in customer's files. The employees are also encouraging the customers to enter into this grace period agreement. The employees are provided the following statement to read to customers:

"TMX Employee:

This agreement consists of separating the interest and principal from the original amortized schedule payments and prolonging the payment of principal until the full interest is paid. This agreement has a schedule of 14 payments which for the first seven payment the customer pays only interest. For the remaining seven payments the customer pays the principal. The total amount paid under this agreement is higher from the original amortized payments scheduled under the original loan agreement.

The "Grace Period Payments Deferment Agreement" offered by TitleMax clearly contradicts with 604A.445(3).
