COMES NOW, Patricia M. Erickson, counsel for Appellant Ivonne Cabrera, and respectfully requests this Court enter an order, pursuant to N.R.A.P. 26(b), extending the time within which to file Ms. Cabrera's Reply Brief which is due to be filed on November 30, 2018.

By this Motion, counsel for Appellant Cabrera requests an additional seven (7) days within which to file the reply brief. If this Honorable Court grants this request, Ms. Cabrera's pleading will be due to be filed on or before December 11, 2018.

As has been previously written, this appeal presents this Honorable Court with several first impression questions regarding the application of a duress defense to capital murder, non-capital crimes¹ and felony murder. This appeal also presents a request to review the granting of trial continuances requested solely by a co-defendant in order to complete penalty phase investigation when another party to the trial objects and requests a speedy trial.

While undersigned counsel has researched and written the vast majority of the reply brief, illness and computer malfunction precluded her from being able to finalize Ms. Cabrera's brief by November 30, 2018.
