Request For Rehearing
IN BANC

This Court made absolute Erronious decision
First You said my lawyer the lawyer u appointed
me, The State gave me didn't go After the warrant
So your saying the State Appointed lawyers failure
is my fault? Youve denied me my discovery
EXCULPATORY Evidence, Evidence I ASKED the State
distinct court and this Court for, Evidence which
is material Evidence the State has withheld according
to withhold with this Courts Blessing. So how can
I prove my side when this Court allows me to be
denied EXCULPATORY Evidence, you Pass it off on
my attorney not getting this But the State is and
and was withholding this EXCULPATORY Evidence
Its not a Strategy to not obtain all warrants in
a case Having to do with warrants, ITS not a Strategy
to not obtain all Evidence available material Evidence
State hides 2 Searches at the same Residence
The Fuzzy Picture was taken after the
first illegal Search So this EXCULPATORY material
Evidence is still being withheld from me

Because the State district courts and this court says
I have no right to my discovery to this material
exculpatory evidence, that proves the search was
illegal and this money taken illegally, and this
court has also denied my requests for my discovery
and all exculpatory evidence which is material.
So how can I prove my side without it, and how
is that legal, you have went along denying me any of
my discovery, exculpatory evidence, then you say it's my
fault for not having it to prove my side, my lawyer
never had it, it's a lawyer the state appointed after
they seized my lawyer's bank account and threw
him off my case after asking to see the warrants
in question, so it's my fault the state is illegally
withholding exculpatory evidence, material evidence
in violation of Brady v Maryland in which
I'm allowed all exculpatory evidence which would
not only prove the search was illegal but
that this money was taken illegally, these
courts are corrupt and it's sad, I have a right
to all exculpatory evidence and this court
with its blessing is denying me this obviously
there is a bias here to not give me my exculpatory evidence
