I am the only child of my father. Upon the death of my father, I owned 100%. Becasue Marjorie had no income, I let her have the use of 65%, NO OWNERSHIP NO Title Change. 1972 Trust & The 2009 Reconstruction of the 1972 Trust, neither either Marjorie nor my daughters could ever be in the flow of Oil and Gas or Lease money of the 2,300 acres in TX.until I was DEAD. Marjorie could not give any of the oil and Gas money from Trust 2 to her MTC Trust for my daughters. My value throughout my life time came to about \$600,000,000. As Sole Trustee & Beneficiary I spent my money freely and wisely with the advice of several CPA and Attoraney in Las Vegas and Midland, Texas. Horrific lies by the now Temorary Trustee ,Fred Waid influenced Judge Sturman's bad decisions against me intensifing to the point of her throwing me out of my trust allowing Fred Waid TT to claw back money I correctly paid vendors and those who used their own money to pay my bills when I was traveling..

The district court was wrong because Judge Gloria Stuurman would only believe the tremendous lies fed her from Temporary Trustee Fred Waid. Who has now changed his title to being Residual Trustee. That is my title that my father gave me in his trust and confirmed and reconfirmed in the 2009 Reconstruction of the 1972 TR

I would like the Nevada Supreme Court to retry this case with an honest Judge. And allowing me an honest attorney like Lawrence Semenza LTD> I have lots of money to pay an attorney but you would have to make Fred Waid release my oney for this special use.

This case needs to be retried and my truth be told. My Due Process was withheld from me. I did not have my day in court. Without representation I could not defend myself against a very evil Trustee and a Judge who worshiped his every evil word against me.
