The district court ordered me transcripts  
I was going to use in my case on AUG 28<sup>th</sup>  
2017 a order was made to produce these transcripts  
I never got also I was not allowed a  
argument as the two other Defendants  
where I submitted alot of evidence  
showing this money was seized

illegally Unconstitutionally, Felonies  
Where Committed By the d.A in their controlling  
Case to ever not have a warrant the  
Respondents know these Felonies were  
Committed to take this money But also  
know that the district court will deny  
us any discovery, I submitted more  
than enough documents showing this  
I Also told the court if This case would  
go to discovery I could Request the 2  
Other warrants One of which was used  
to commit Fraud, the Criminal Case is  
why this money was Seized without  
this case you would not have this  
money Before this court, The district  
Court did not allow me to a Final  
argument which Both other defendants  
were allowed, The district court  
also ordered me transcripts & still  
do not have to this day, Also this  
Court must understand I have Provable  
Felonies Committed By the d.A's office  
Showing their original arrest was done  
thru Fraud and done unconstitutionally  
I have Been denied any evidence in  
my case ever I got this new  
evidence 9 1/2 years after my Arrest

and can prove beyond a doubt that we were  
arrested and taking of this money was  
illegal. I done this in good faith  
it's always been my defense. The Respaunt  
offered me 500\$ when ty of Perd Robert  
Holmes III 10:500\$ and said that  
now was mine, we had a right  
to defend our case in good faith  
and no one can say that my defense  
has been changed. I stand behind  
my defense now ty illegally took  
this money and it must be returned.

**Statement of District Court Error.** Explain why you believe the district court was wrong. Also state what action you want the Nevada Supreme Court to take. (Your answer must be provided in the space allowed.)

My defense has always been the same  
because I'm Right, they did not have  
a warrant and coerced it up, so they  
can't be determined I did this  
in bad faith if the original  
arrest was illegal then the seizure  
of this money would be also no  
warrant means no money and my  
new evidence proves they had no  
search warrant, and this is and

was in good Faith, They also offered  
Robert Holmes III 10500\$ more  
they said was more they offered Brian  
Perguson 9500\$ yet I'm only offered  
500\$ and it was taken illegally  
How is it in Bad Faith when we  
have evidence the money was taken illegally  
also the district Court Denied my  
a Fina argument and also granted  
me transcripts and never allowed me  
these to produce for the court as  
evidence, The Court also never allowed  
me any evidence to show the court  
these felonies were committed to  
illegally take this money, the offer was  
completely unreasonable the giving  
me 500\$ yet Robert Holmes III 10500  
when they say that he passed by me.  
all this was done in good Faith By  
me my argument has always been  
the same, and affects this case, the  
~~defendant~~ Respondents never argued  
my facts never argued I was wrong  
never said I was wrong they only  
said I had no right to say there was  
no warrant they never got the 20 other  
warrants to prove I was wrong never

Said I was wrong. They never disprove  
what I said. But the district court  
had all sorts of proof on this case  
so how was it done in Bad Faith? If  
the district court allowed me my final  
arguments, allowed me my transcripts  
granted to me and allowed me the 2  
other warrants which the respondents  
never said didn't exist never said  
they weren't used to commit perjury's  
Recall of Shean the court I was right  
But now is it in Bad Faith to try  
to get my money back trying to prove what  
I said trying to get evidence submitted  
a lot of evidence yet it was done in  
Bad Faith? Everything the witnesses  
in good faith cannot have this money  
without the original case, and since there  
was not a warrant in that original  
case then the money cannot be secured  
this law must understand I only  
got a 8th grade education I'm doing this  
myself and I have requested the 2  
other warrants over & over they  
took this money without a warrant  
And I can prove it 100%. But the  
State has obstructed me to get this

And the Respondents. IFS Objections  
This was not done in Bad Faith it  
was not a Reasonable Offer and  
I was not given due process Being  
Denied the Same Right as the Others  
to a Final Argument and the Respondents  
never disputed with I Savelordis  
proofs, I did create a material fact  
and there trial and a discovery  
could prove it. The district Court was  
obviously Biased and made a Bad  
& unconstitutional Ruling, I ASK that  
this decision is Reversed as I should  
not have to pay when I did it in Good  
Faith and Submitted Evidence to prove it.
