Respondent

Oral arguments have now been set for April 2, 2019 in Las Vegas, Nevada. Meanwhile the subject appeal comes from a lawsuit generated in the Second Judicial District Court. An appeal has been pursued by Waste Management of Nevada, Inc. Respondent's counsel requests this Court reschedule the time and place of the hearing to be in Carson City, Nevada. Both Appellant counsel and Respondent are from Reno, Nevada and maintain offices in Reno, Nevada. The scheduled arguments in Las Vegas, Nevada will create a unnecessary burden on Respondent counsel. To travel for purposes of arguments herein will be a day loss in law practice that would have to now require calendar adjustments. A review of the record on Appeal will confirm that counsels are from Reno and Petitioner has not changed his place of practice and does not maintain an office in Clark County.

If the Court insists on arguments to be held in Las Vegas, Nevada as opposed to Carson City, Nevada, petition would request that the argument be set in the afternoon as to afford petitioner time to travel from Reno, Nevada.
