1 Q. Then we'll go on.

2 Directing your attention, Mr. Kane, back
3 to your prior testimony regarding your assessment of
4 Margaret Cotter's abilities to handle real estate
5 development matters, were you of the view on
6 June 12, 2015 when Mr. Jim Cotter, Jr., was
7 terminated as president and C.E.O. that Margaret
8 Cotter was competent to be the senior executive in
9 charge of real estate development activities for
10 RDI?

11 A. Was I confident?

12 Q. Were you -- in June 12, 2015, when Jim
13 Cotter, Jr., was terminated as president and C.E.O.,
14 was it your view then that Margaret Cotter was
15 competent to be the senior executive at RDI in
16 charge of its real estate development activities in
17 New York?

18 A. Yes.

19 Q. How long before June 12, 2015 did you
20 come to that conclusion?

21 A. It evolved over period of time. I can't
22 say when.

23 I do know that I was very impressed with
24 what she had done with the Landmark Commission,
25 making development of that property possible and

1 of the professional dynamic between Margaret Cotter
2 on the one hand and Jim Cotter, Jr.?

3 MR. SEARCY: Objection. Vague.

4 THE WITNESS: I was reticent to get
5 involved in that dispute. That's -- that's family.
6 And I was reticent.

7 But I did tell him that he should --
8 Margaret wanted to be an employee for purposes of
9 healthcare. And so long as her contract would not
10 change, I saw no reason why she shouldn't. And I
11 told him that.

12 And he kept giving me, "Oh, I can't
13 attend to it," kind of -- I think he sent me an
14 email, "I'm busy, I'll tend to it later." It was an
15 irritant.

16 And it's part of why I thought he was
17 bringing litigation into the board room. There was
18 no reason not to do it. In fact the company would
19 benefit from doing it.

20 BY MR. KRUM:

21 Q. How so?

22 A. How so? Because Margaret Cotter had a
23 contract. And if she was terminated, it's my
24 understanding she would continue to get compensation
25 from plays that were in her theaters, including

1 Stomp.

2 And when we made her employee she gave
3 that up. But that was a lucrative result.

4 So I think the company benefited
5 actually from making her an employee.

6 MR. KRUM: What's our next number?

7 THE REPORTER: 106 -- 105.

8 MR. KRUM: I'll ask the court reporter
9 to mark as Exhibit 105 a two-page document bearing
10 production number GA5234 and 35.

11 (Whereupon the document referred
12 to was marked Plaintiffs'
13 Exhibit 105 by the Certified
14 Shorthand Reporter and is attached
15 hereto.)

16 BY MR. KRUM:

17 Q. Mr. Kane, I'm going to ask you only
18 about your March 1 email in the middle of the first
19 page of Exhibit 105.

20 Tell me when you've reviewed that to
21 your satisfaction.

22 A. Yes.

23 Q. Do you recognize Exhibit 105?

24 A. Yes.

25 Q. It includes a -- an email you sent on

1 Q. Directing your attention to the portion
2 of your October 14 -- excuse me -- October 24, 2014
3 email as part of Exhibit 291 that concerns
4 compensation for Margaret --

5 A. Uh-huh.

6 Q. -- Margaret was not an employee of the
7 company, correct?

8 A. Correct.

9 Q. So you were assuming that she was soon
10 to be an employee of the company?

11 A. She had asked to be an employee of the
12 company, yes.

13 Q. What peer group was used -- strike that.
14 What peer group, if any, was used this
15 year in determining Margaret Cotter's compensation
16 package?

17 A. You mean this year 2016?

18 Q. Yes.

19 A. I or Ellen and I or Guy Adams and I -- I
20 don't remember who -- went back to Towers Watson and
21 said, "We're not happy." And I was not happy, I
22 told them, with the peer group. There were
23 companies in there whose -- theater companies,
24 cinema companies whose income -- what we say gross
25 receipts were ten times ours. And I wanted a peer

1 group that was reflective of Reading.

2 And so I asked them to do -- do one
3 which reflects the company of Reading, and they came
4 back with a totally different peer group whose
5 revenues and net income was reflective of ours.

6 It's not easy to do, because we're in
7 two lines of business, but they did come up with
8 one.

9 And that's what we used for 2016.

10 Q. So, basically it's a different peer
11 group than the peer group that historically had been
12 used?

13 A. A different peer group than was used by
14 Towers Watson previously and a different peer group
15 than Pearl Meyer had recommended or authorized.

16 Q. Who was responsible for interfacing with
17 those companies when they -- when each was asked to
18 generate a study that included a peer group?

19 MR. SEARCY: Objection. Vague and
20 compound.

21 THE WITNESS: I believe Jim Cotter, Sr.,
22 dictated in large part the peer group that Towers
23 Watson used previously and also certainly had input,
24 if not dictated the peer group that Pearl Meyer came
25 up with.

1 tenants in -- in the -- the Union Square property.
2 And she had been working with her father for quite
3 some time on real estate issues.

4 So I don't think it's fair to say she
5 had no experience.

6 Q. Okay. So, would the compensation
7 committee have recommended the same package for
8 someone else who had the same experience as
9 Margaret?

10 MR. SEARCY: Objection. Vague.

11 THE WITNESS: I don't know if I can
12 answer that. I don't think -- we didn't think, that
13 is, the people at the meeting -- didn't feel that
14 her compensation was excessive. And it's certainly
15 not more than she was making.

16 And she gave up quite a bit to become an
17 employee, because she gave up any residual rights to
18 any of the plays which she otherwise would have had
19 even if she was terminated, compensation. So I
20 think Margaret gave up more than she received.

21 BY MR. KRUM:

22 Q. What was the value of the residual
23 rights that she gave up?

24 A. Well, it depends on how long these
25 theaters would -- these plays that are in the

1 theaters would run.

2 But it would have been substantial. I
3 can't give you the figure.

4 Q. Did the compensation committee undertake
5 to ascertain the value or range of values or the
6 residual values that Margaret gave up?

7 A. There was some discussion. I don't
8 remember what we came up with about it.

9 Q. Was there a methodology employed or was
10 somebody charged with coming up with something?

11 A. No. No. I think -- no, I don't
12 remember that.

13 Q. When you say it was substantial, what
14 does that mean?

15 A. That means she would get a return, for
16 example, with Stomp. And her return over time would
17 depend on how long the Stomp play was there.

18 Stomp continued to play in the Orpheum
19 Theatre.

20 Q. The -- well, how many theaters continued
21 to play at the time Margaret became an employee of
22 the company?

23 A. Pardon me?

24 Q. How many theaters continued to post
25 plays at the time Margaret joined the company?

PROXY STATEMENT

Annual Meeting of Stockholders
Thursday, June 2, 2016

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Reading International, Inc. (the "Company," "Reading," "we," "us," or "our") of proxies for use at our 2016 Annual Meeting of Stockholders (the "Annual Meeting") to be held on Thursday, June 2, 2016, at 11:00 a.m., local time, at Courtyard by Marriott Los Angeles Westside, located at 6333 Bristol Parkway, Culver City, California 90230, and at any adjournment or postponement thereof. This Proxy Statement and form of proxy are first being sent or given to stockholders on or about May 19, 2016.

At our Annual Meeting, you will be asked to (1) elect nine Directors to our Board of Directors (the "Board") to serve until the 2017 Annual Meeting of Stockholders, and (2) act on any other business that may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting.

As of April 22, 2016, the record date for the Annual Meeting (the "Record Date"), there were 1,680,590 shares of our Class B Voting Common Stock ("Class B Stock") outstanding.

When proxies are properly executed and received, the shares represented thereby will be voted at the Annual Meeting in accordance with the directions noted thereon. If no direction is indicated, the shares will be voted: FOR each of the nine nominees named in this Proxy Statement for election to the Board under Proposal 1.

ABOUT THE ANNUAL MEETING AND VOTING

Why am I receiving these proxy materials?

This Proxy Statement is being sent to all of our stockholders of record as of the close of business on April 22, 2016, by Reading's Board to solicit the proxy of holders of our Class B Stock to be voted at Reading's 2016 Annual Meeting, which will be held on Thursday, June 2, 2016, at 11:00 a.m. local time, at Courtyard by Marriott Los Angeles Westside, located at 6333 Bristol Parkway, Culver City, California 90230.

What items of business will be voted on at the Annual Meeting?

There is one item of business scheduled to be voted on at the 2016 Annual Meeting:

- PROPOSAL 1: Election of nine Directors to the Board.

We will also consider any other business that may properly come before the Annual Meeting or any adjournments or postponements thereof, including approving any such adjournment, if necessary. Please note that at this time we are not aware of any such business.

How does the Board of Directors recommend that I vote?

Our Board recommends that you vote:

- On PROPOSAL 1: "FOR" the election of its nominees to the Board.

What happens if additional matters are presented at the Annual Meeting?

Other than the item of business described in this Proxy Statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you grant a proxy, the persons named as proxies will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting.

Am I eligible to vote?

You may vote your shares of Class B Stock at the Annual Meeting if you were a holder of record of Class B Stock at the close of business on April 22, 2016. Your shares of Class B Stock are entitled to one vote per share. At that time, there were 1,680,590 shares of Class B Stock outstanding, and approximately 350 holders of record. Each share of Class B Stock is entitled to one vote on each matter properly brought before the Annual Meeting.

What if I own Class A Nonvoting Common Stock?

If you do not own any Class B Stock, then you have received this Proxy Statement only for your information. You and other holders of our Class A Nonvoting Common Stock ("Class A Stock") have no voting rights with respect to the matters to be voted on at the Annual Meeting.

What should I do if I receive more than one copy of the proxy materials?

You may receive more than one copy of this Proxy Statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate notice or a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you may receive more than one copy of this Proxy Statement or more than one proxy card.

To vote all of your shares of Class B Stock by proxy card, you must either (i) complete, date, sign and return each proxy card and voting instruction card that you receive or (ii) vote over the Internet or by telephone the shares represented by each notice that you receive.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Many stockholders of our Company hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some differences in how stockholders of record and beneficial owners are treated.

Stockholders of Record. If your shares of Class B Stock are registered directly in your name with our Transfer Agent, you are considered the stockholder of record with respect to those shares and the proxy materials are being sent directly to you by Reading. As the stockholder of record of Class B Stock, you have the right to vote in person at the meeting. If you choose to do so, you can vote using the ballot provided at the Annual Meeting. Even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance as described below so that your vote will be counted if you decide later not to attend the Annual Meeting.

Beneficial Owner. If you hold your shares of Class B Stock through a broker, bank or other nominee rather than directly in your own name, you are considered the beneficial owner of shares held in street name and the proxy materials are being forwarded to you by your broker, bank or other nominee, who is considered the stockholder of record with respect to those shares. As the beneficial owner, you are also invited to attend the Annual Meeting. Because a beneficial owner is not the stockholder of record, you may not vote these shares in person at the Annual Meeting, unless you obtain a proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. You will need to contact your broker, trustee or nominee to obtain a proxy, and you will need to bring it to the Annual Meeting in order to vote in person.

How do I vote?

Proxies are solicited to give all holders of our Class B Stock who are entitled to vote on the matters that come before the Annual Meeting the opportunity to vote their shares, whether or not they attend the Annual Meeting in person. If you are a holder of record of shares of our Class B Stock, you have the right to vote in person at the Annual Meeting. If you choose to do so, you can vote using the ballot provided at the Annual Meeting. Even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance as described below so that your vote will be counted if you decide later not to attend the Annual Meeting. You can vote by one of the following manners:

- **By Internet** — Holders of record of our Class B Stock may submit proxies over the Internet by following the instructions on the proxy card. Holders of our Class B Stock who are beneficial owners may vote by Internet by following the instructions on the voting instruction card sent to them by their bank, broker, trustee or nominee. Proxies submitted by the Internet must be received by 11:59 p.m., local time, on June 1, 2016 (the day before the Annual Meeting).
- **By Telephone** — Holders of record of our Class B Stock who live in the United States or Canada may submit proxies by telephone by calling the toll-free number on the proxy card and following the instructions. Holders of record of our Class B Stock will need to have the control number that appears on their proxy card available when voting. In addition, holders of our Class B Stock who are beneficial owners of shares living in the United States or Canada and who have received a voting instruction card by mail from their bank, broker, trustee or nominee may vote by phone by calling the number specified on the voting instruction card. Those stockholders should check the voting instruction card for telephone voting availability. Proxies submitted by telephone must be received by 11:59 p.m., local time, on June 1, 2016 (the day before the Annual Meeting).
- **By Mail** — Holders of record of our Class B Stock who have received a paper copy of a proxy card by mail may submit proxies by completing, signing and dating their proxy card and mailing it in the accompanying pre-addressed envelope. Holders of our Class B Stock who are beneficial owners who have received a voting instruction card from their bank, broker or nominee may return the voting instruction card by mail as set forth on the card. Proxies submitted by mail must be received by the Inspector of Elections before the polls are closed at the Annual Meeting.
- **In Person** — Holders of record of our Class B Stock may vote shares held in their name in person at the Annual Meeting. You also may be represented by another person at the Annual Meeting by executing a proxy designating that person. Shares of Class B Stock for which a stockholder is the beneficial owner, but not the stockholder of record, may be voted in person at the Annual Meeting only if such stockholder obtains a proxy from the bank, broker or nominee that holds the stockholder's shares, indicating that the stockholder was the beneficial owner as of the record date and the number of shares for which the stockholder was the beneficial owner on the record date.

Holders of our Class B Stock are encouraged to vote their proxies by Internet, telephone or by completing, signing, dating and returning a proxy card or voting instruction card, but not by more than one method. If you vote by more than one method, or vote multiple times using the same method, only the last-dated vote that is timely received by the Inspector of Elections will be counted, and each previous vote will be disregarded. If you vote in person at the Annual Meeting, you will revoke any prior proxy that you may have given. You will need to bring a valid form of identification (such as a driver's license or passport) to the Annual Meeting to vote shares held of record by you in person.

What if my shares are held of record by an entity such as a corporation, limited liability company, general partnership, limited partnership or trust (an "Entity"), or in the name of more than one person, or I am voting in a representative or fiduciary capacity?

Shares held of record by an Entity. In order to vote shares on behalf of an Entity, you need to provide evidence (such as a sealed resolution) of your authority to vote such shares, unless you are listed as a record holder of such shares.

Shares held of record by a trust. The trustee of a trust is entitled to vote the shares held by the trust, either by proxy or by attending and voting in person at the Annual Meeting. If you are voting as a trustee, and are not identified as a record owner of the shares, then you must provide suitable evidence of your status as a trustee of the record trust owner. If the record owner is a trust and there are multiple trustees, then if only one trustee votes, that trustee's vote applies to all of the shares held of record by the trust. If more than one trustee votes, the votes of the majority of the voting trustees apply to all of the shares held of record by the trust. If more than one trustee votes and the votes are split evenly on any particular Proposal, each trustee may vote proportionally the shares held of record by the trust.

Shares held of record in the name of more than one person. If only one individual votes, that individual's vote applies to all of the shares so held of record. If more than one person votes, the votes of the majority of the voting individuals apply to all of such shares. If more than one individual votes and the votes are split evenly on any particular Proposal, each individual may vote such shares proportionally.

What is a broker non-vote?

Applicable rules permit brokers to vote shares held in street name on routine matters. Shares that are not voted on non-routine matters, such as the election of Directors or any proposed amendment of our Articles or Bylaws, are called broker non-votes. Broker non-votes will have no effect on the vote for the election of Directors, but could affect the outcome of any matter requiring the approval of the holders of an absolute majority of the Class B Stock. We are not currently aware of any matter to be presented to the Annual Meeting that would require the approval of the holders of an absolute majority of the Class B Stock.

What routine matters will be voted on at the annual meeting?

None.

What non-routine matters will be voted on at the annual meeting?

The election of nine Directors to the Board is the only non-routine matter included among the Board's proposals on which brokers may not vote, unless they have received specific voting instructions from beneficial owners of our Class B Stock.

How are abstentions and broker non-votes counted?

Abstentions and broker non-votes are included in determining whether a quorum is present. In tabulating the voting results for the items to be voted on at the 2016 Annual Meeting, shares that constitute abstentions and broker non-votes are not considered entitled to vote and will not affect the outcome of any matter being voted on at the meeting, unless the matter requires the approval of the holders of a majority of the outstanding shares of Class B Stock.

How can I change my vote after I submit a proxy?

If you are a stockholder of record, there are three ways you can change your vote or revoke your proxy after you have submitted your proxy:

- First, you may send a written notice to Reading International, Inc., postage or other delivery charges pre-paid, 6100 Center Drive, Suite 900, Los Angeles, CA, 90045, c/o Annual Meeting Secretary, stating that you revoke your proxy. To be effective, the Inspector of Elections must receive your written notice prior to the closing of the polls at the Annual Meeting.
- Second, you may complete and submit a new proxy in one of the manners described above under the caption, "How do I vote?" Any earlier proxies will be revoked automatically.
- Third, you may attend the Annual Meeting and vote in person. Any earlier proxy will be revoked. However, attending the Annual Meeting without voting in person will not revoke your proxy.

How will you solicit proxies and who will pay the costs?

We will pay the costs of the solicitation of proxies. We may reimburse brokerage firms and other persons representing beneficial owners of shares for expenses incurred in forwarding the voting materials to their customers who are beneficial owners and obtaining their voting instructions. In addition to soliciting proxies by mail, our board members, officers and employees may solicit proxies on our behalf, without additional compensation, personally or by telephone.

Is there a list of stockholders entitled to vote at the Annual Meeting?

The names of stockholders of record entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Annual Meeting, at our corporate offices, 6100 Center Drive, Suite 900, Los Angeles, CA, 90045 between the hours of 9:00 a.m. and 5:00 p.m., local time, for any purpose relevant to the Annual Meeting. To arrange to view this list during the times specified above, please contact the Secretary of the Company.

What constitutes a quorum?

The presence in person or by proxy of the holders of record of a majority of our outstanding shares of Class B Stock entitled to vote will constitute a quorum at the Annual Meeting. Each share of our Class B Stock entitles the holder of record to one vote on all matters to come before the Annual Meeting.

How are votes counted and who will certify the results?

First Coast Results, Inc. will act as the independent Inspector of Elections and will count the votes, determine whether a quorum is present, evaluate the validity of proxies and ballots, and certify the results. A representative of First Coast Results, Inc. will be present at the Annual Meeting. The final voting results will be reported by us on a Current Report on Form 8-K to be filed with the SEC within four business days following the Annual Meeting.

What is the vote required for a Proposal to pass?

The nine nominees for election as Directors at the Annual Meeting who receive the highest number of "FOR" votes will be elected as Directors. This is called plurality voting. Unless you indicate otherwise, the persons named as your proxies will vote your shares FOR all the nominees for Directors named in Proposal 1. If your shares are held by a broker or other nominee and you would like to vote your shares for the election of Directors in Proposal 1, you must instruct the broker or nominee to vote "FOR" for each of the candidates for whom you would like to vote. If you give no instructions to your broker or nominee, then your shares will not be voted. If you instruct your broker or nominee to "WITHHOLD," then your vote will not be counted in determining the election.

Only votes "FOR" Proposal 1 at the Annual Meeting will be counted as votes cast and abstentions; votes withheld and broker non-votes will not be counted for voting purposes.

Is my vote kept confidential?

Proxies, ballots and voting tabulations identifying stockholders are kept confidential and will not be disclosed to third parties, except as may be necessary to meet legal requirements.

How will the Annual Meeting be conducted?

In accordance with our Bylaws, Ellen M. Cotter, as the Chair of the Board, will be the Presiding Officer of the Annual Meeting. Craig Tompkins has been designated by the Board to serve as Secretary for the Annual Meeting.

Ms. Cotter and other members of management will address attendees following the Annual Meeting. Stockholders desiring to pose questions to our management are encouraged to send their questions to us, care of the Annual Meeting Secretary, in advance of the Annual Meeting, so as to assist our management in preparing appropriate responses and to facilitate compliance with applicable securities laws.

The Presiding Officer has broad authority to conduct the Annual Meeting in an orderly and timely manner. This authority includes establishing rules for stockholders who wish to address the meeting or bring matters before the

Annual Meeting. The Presiding Officer may also exercise broad discretion in recognizing stockholders who wish to speak and in determining the extent of discussion on each item of business. In light of the need to conclude the Annual Meeting within a reasonable period of time, there can be no assurance that every stockholder who wishes to speak will be able to do so. The Presiding Officer has authority, in her discretion, to at any time recess or adjourn the Annual Meeting. Only stockholders are entitled to attend and address the Annual Meeting. Any questions or disputes as to who may or may not attend and address the Annual Meeting will be determined by the Presiding Officer.

Only such business as shall have been properly brought before the Annual Meeting shall be conducted. Pursuant to our governing documents and applicable Nevada law, in order to be properly brought before the Annual Meeting, such business must be brought by or at the direction of (1) the Chair, (2) our Board, or (3) holders of record of our Class B Stock. At the appropriate time, any stockholder who wishes to address the Annual Meeting should do so only upon being recognized by the Presiding Officer.

CORPORATE GOVERNANCE

Director Leadership Structure

Ellen M. Cotter is our current Chair, President and Chief Executive Officer. Ellen M. Cotter has been with our Company for more than 18 years, focusing principally on the cinema operations aspects of our business. During this time period, we have grown our Domestic Cinema Operations from 42 to 248 screens and our cinema revenues have grown from US \$15.5 million to US \$132.9 million. Historically, we have combined the roles of the Chair and the Chief Executive Officer, except for the period from August 2014 until June 12, 2015, when the roles of Chair and Chief Executive Officer were held by two executives of the Company following the resignation for health reasons of our founder, James J. Cotter, Sr. At the present time, we believe that the combined roles (i) allow for consistent leadership, (ii) continue the tradition of having a Chair and Chief Executive Officer, who is also a controlling stockholder of the Company, and also (iii) reflect our status as a "controlled company" under relevant NASDAQ Listing Rules

Margaret Cotter is our current Vice-Chair and she also serves as our Executive Vice President – Real Estate Management and Development - NYC. Margaret Cotter has been responsible for the operation of our live theaters for more than 17 years and has for more than the past five years been actively involved in the re-development of our New York properties. On March 10, 2016, our Board appointed Margaret Cotter as Executive Vice President-Real Estate Management and Development-NYC.

Ellen M. Cotter has a substantial stake in our business, owning directly 799,765 shares of Class A Stock and 50,000 shares of Class B Stock. Margaret Cotter likewise has a substantial stake in our business, owning directly 804,173 shares of Class A Stock and 35,100 shares of Class B Stock. Ellen M. Cotter and Margaret Cotter are the Co-Executors of their father's (James J. Cotter, Sr.) estate (the "Cotter Estate") and Co-Trustees of a trust (the "Cotter Trust") established for the benefit of his heirs. Together, they have shared voting control over an aggregate of 1,208,988 shares or 71.9% of our Class B Stock. Ellen M. Cotter and Margaret Cotter have informed the Board that they intend to vote the shares beneficially held by them for each of the nine nominees named in this Proxy Statement for election to the Board under Proposal 1.

James Cotter, Jr. alleges that he has the right to vote the shares held by the Cotter Trust. The Company believes that, under applicable Nevada Law, where there are multiple trustees of a trust that is a record owner of voting shares of a Nevada corporation, and more than one trustee votes, the votes of the majority of the voting trustees apply to all of the shares held of record by the trust. If more than one trustee votes and the votes are split evenly on any particular proposal, each trustee may vote proportionally the shares held of record by the trust. Ellen M. Cotter and Margaret Cotter, who collectively constitute a majority of the Co-Trustees of the Cotter Trust, have informed the Board that they intend to vote the shares held by the Cotter Trust for each of the nine nominees named in this Proxy Statement for election to the Board under Proposal 1. Accordingly, the Company believes that Ellen M. Cotter and Margaret Cotter collectively have the power and authority to vote all of the shares of Class B Stock held of record by the Cotter Trust, which, when added to the other shares they report as being beneficially owned by them, will constitute 71.9% of the shares of Class B Stock entitled to vote for Directors at the Annual Meeting.

The Company has elected to take the "controlled company" exemption under applicable listing rules of The NASDAQ Capital Stock Market (the "NASDAQ Listing Rules"). Accordingly, the Company is exempted from the requirement to have an independent nominating committee and to have a board composed of at least a majority of

independent directors, as that term is defined in the NASDAQ Listing Rules ("Independent Directors"). We are nevertheless nominating a majority of Independent Directors for election to our Board. We currently have an Audit and Conflicts Committee (the "Audit Committee") and a Compensation and Stock Options Committee ("Compensation Committee") composed entirely of Independent Directors. We currently have a four member Executive Committee composed of our Chair and Vice-Chair and Messrs. Guy W. Adams and Edward L. Kane. Due to this structure, the concurrence of at least one non-management member of the Executive Committee is required in order for the Executive Committee to take action.

We believe that our Directors bring a broad range of leadership experience to our Company and regularly contribute to the thoughtful discussion involved in effectively overseeing the business and affairs of the Company. We believe that all Board members are well engaged in their responsibilities and that all Board members express their views and consider the opinions expressed by other Directors. A majority of our Board is independent under the NASDAQ Listing Rules and SEC rules, and William D. Gould serves as the Lead Independent Director among our Independent Directors ("Lead Independent Director"). In that capacity, Mr. Gould chairs meetings of the Independent Directors and acts as liaison between our Chair, President and Chief Executive Officer and our Independent Directors. Our Independent Directors are involved in the leadership structure of our Board by serving on our Audit Committee and the Compensation Committee, each of which has a separate independent Chair. Nominations to our Board for the Annual Meeting were made by our entire Board, consisting of a majority of Independent Directors.

Since our last Annual Meeting of Stockholders, we have (i) adopted a best practices Charter for our Compensation Committee, (ii) adopted a new best practices Charter for our Audit Committee, and (iii) completed, with the assistance of compensation consultants Willis Towers Watson and outside counsel Greenberg Traurig, LLP, a complete review of our compensation practices, in order to bring them into alignment with current best practices. Immediately prior to our last Annual Meeting we adopted a new supplemental policy restricting trading in our stock by our Directors and executive officers.

Management Succession

On August 7, 2014, James J. Cotter, Sr., our then controlling stockholder, Chair and Chief Executive Officer, resigned from all positions at our Company, and passed away on September 13, 2014. Upon his resignation, Ellen M. Cotter was appointed Chair, Margaret Cotter, her sister, was appointed Vice Chair and James Cotter, Jr., her brother, was appointed Chief Executive Officer, while continuing his position as President.

On June 12, 2015, the Board terminated the employment of James Cotter, Jr. as our President and Chief Executive Officer, and appointed Ellen M. Cotter to serve as the Company's interim President and Chief Executive Officer. The Board established an Executive Search Committee (the "Search Committee") initially composed of Ellen M. Cotter, Margaret Cotter, and Independent Directors William Gould and Douglas McEachern, and retained Korn Ferry to evaluate candidates for the Chief Executive Officer position. Ellen M. Cotter resigned from the Search Committee when she concluded that she was a serious candidate for the position. Korn Ferry screened over 200 candidates and ultimately presented six external candidates to the Search Committee. The Search Committee evaluated those external candidates and Ellen M. Cotter in meetings in December 2015 and January 2016, considering numerous factors, including, among others, the benefits of having a President and Chief Executive Officer who has the confidence of the existing senior management team, Ms. Cotter's prior performance as an executive of the Company and her performance as the interim President and Chief Executive Officer of the Company, the qualifications, experience and compensation demands of the external candidates, and the benefits and detriments of having a Chair, President and Chief Executive Officer who is also a controlling stockholder of the Company. The Search Committee recommended the appointment of Ellen M. Cotter as permanent President and Chief Executive Officer and the Board appointed her on January 8, 2016, with seven Directors voting yes, one Director (James Cotter, Jr.) voting no, and Ellen M. Cotter abstaining.

Board's Role in Risk Oversight

Our management is responsible for the day-to-day management of risks we face as a Company, while our Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, our Board has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed.

The Board plays an important role in risk oversight at Reading through direct decision-making authority with respect to significant matters, as well as through the oversight of management by the Board and its committees. In particular, the Board administers its risk oversight function through (1) the review and discussion of regular periodic reports by the Board and its committees on topics relating to the risks that the Company faces, (2) the required approval by the Board (or a committee of the Board) of significant transactions and other decisions, (3) the direct oversight of specific areas of the Company's business by the Audit Committee and the Compensation Committee, and (4) regular periodic reports from the auditors and other outside consultants regarding various areas of potential risk, including, among others, those relating to our internal control over financial reporting. The Board also relies on management to bring significant matters impacting the Company to the attention of the Board.

"Controlled Company" Status

Under section 5615(e)(1) of the NASDAQ Listing Rules, a "controlled company" is a company in which 50% of the voting power for the election of Directors is held by an individual, a group or another company. Together, Ellen M. Cotter and Margaret Cotter beneficially own 1,208,988 shares or 71.9% of our Class B Stock. Our Class A Stock does not have voting rights. Based on advice of counsel, our Board has determined that the Company is therefore a "controlled company" within the NASDAQ Listing Rules.

After reviewing the benefits and detriments of taking advantage of the exemptions to certain corporate governance rules available to a "controlled company" as set forth in the NASDAQ Listing Rules, our Board has determined to take advantage of those exemptions. In reliance on a "controlled company" exemption, the Company does not maintain a separate standing Nominating Committee. The Company nevertheless at this time maintains a full Board composed of a majority of Independent Directors and a fully independent Audit Committee, and has no present intention to vary from that structure. Our Board, consisting of a majority of Independent Directors, approved the nominees for our 2016 Annual Meeting. See "*Consideration and Selection of the Board's Director Nominees*," below. Each of the nominees, in each case the nominee abstaining from the vote, was approved by at least a majority of our Directors.

Board Committees

Our Board has a standing Executive Committee, Audit Committee, and Compensation Committee. The Tax Oversight Committee has been inactive since November 2, 2015 in anticipation that its functions would be moved to the Audit Committee under its new charter. That new charter was approved on May 5, 2016. These committees, other than the Tax Oversight Committee, are discussed in greater detail below.

Executive Committee. The Executive Committee operates pursuant to a Charter adopted by our Board. Our Executive Committee is currently composed of Ms. Ellen M. Cotter, Ms. Margaret Cotter and Messrs. Adams and Kane. Pursuant to its Charter, the Executive Committee is authorized, to the fullest extent permitted by Nevada law and our Bylaws, to take any and all actions that could have been taken by the full Board between meetings of the full Board. The Executive Committee held six meetings during 2015.

Audit Committee. The Audit Committee operates pursuant to a Charter adopted by our Board that is available on our website at <http://www.readingrdi.com/Committee-Charters>. The Audit Committee reviews, considers, negotiates and approves or disapproves related party transactions (see the discussion in the section entitled "*Certain Relationships and Related Party Transactions*" below). In addition, the Audit Committee is responsible for, among other things, (i) reviewing and discussing with management the Company's financial statements, earnings press releases and all internal controls reports, (ii) appointing, compensating and overseeing the work performed by the Company's independent auditors, and (iii) reviewing with the independent auditors the findings of their audits.

Our Board has determined that the Audit Committee is composed entirely of Independent Directors (as defined in section 5605(a)(2) of the NASDAQ Listing Rules), and that Mr. McEachern, the Chair of our Audit Committee, is qualified as an Audit Committee Financial Expert. Our Audit Committee is currently composed of Mr. McEachern, who serves as Chair, Mr. Kane and Mr. Wrotniak. Mr. Timothy Storey, who served on our Board through October 11, 2015, served on our Audit Committee through the same date. The Audit Committee held four meetings during 2015.

Compensation Committee. Our Board has established a standing Compensation Committee consisting of three of our non-employee Directors, and is currently composed of Mr. Kane, who serves as Chair, Dr. Coddling and Mr. McEachern. Mr. Storey served on our Compensation Committee through October 11, 2015 and Mr. Adams served

through May 14, 2016. As a Controlled Company, we are exempt from the NASDAQ Listing Rules regarding the determination of executive compensation solely by Independent Directors. Notwithstanding such exemption, we adopted a Compensation Committee charter on March 10, 2016 requiring our Compensation Committee members to meet the independence rules and regulations of the SEC and the NASDAQ Stock Market. As a part of the transition to this new compensation committee structure, the compensation for 2016 of the President, Chief Executive Officer, all Executive Vice Presidents, and all Managing Directors was reviewed and approved by the Board at that March 10, 2016 meeting.

The Compensation Committee charter is available on our website at <http://www.readingrdi.com/charter-of-our-compensation-stock-options-committee/>. The Compensation Committee evaluates and makes recommendations to the full Board regarding the compensation of our Chief Executive Officer. Under its new Charter, the Compensation Committee has delegated authority to establish the compensation for all executive officers other than the President and Chief Executive Officer; provided that compensation decisions related to members of the Cotter Family remain vested in the full Board. In addition, the Compensation Committee establishes the Company's general compensation philosophy and objectives (in consultation with management), approves and adopts on behalf of the Board incentive compensation and equity-based compensation plans, subject to stockholder approval as required, and performs other compensation related functions as delegated by our Board. The Compensation Committee held three meetings during 2015.

Consideration and Selection of the Board's Director Nominees

The Company has elected to take the "Controlled Company" exemption under applicable NASDAQ Listing Rules. Accordingly, the Company does not maintain a standing Nominating Committee. Our Board, consisting of a majority of Independent Directors, approved the Board nominees for our 2016 Annual Meeting.

Our Board does not have a formal policy with respect to the consideration of Director candidates recommended by our stockholders. No non-Director stockholder has, in more than the past ten years, made any formal proposal or recommendation to the Board as to potential nominees. Neither our governing documents nor applicable Nevada law place any restriction on the nomination of candidates for election to our Board directly by our stockholders. In light of the facts that (i) we are a Controlled Company under the NASDAQ Listing Rules and exempted from the requirements for an independent nominating process, and (ii) our governing documents and Nevada law place no limitation upon the direct nomination of Director candidates by our stockholders, our Board believes there is no need for a formal policy with respect to Director nominations.

Our Board will consider nominations from our stockholders, provided written notice is delivered to our Secretary at our principal executive offices not less than 120 days prior to the first anniversary of the date that this Proxy Statement is sent to stockholders, or such earlier date as may be reasonable in the event that our annual stockholders meeting is moved more than 30 days from the anniversary of the 2016 Annual Meeting. Such written notice must set forth the name, age, address, and principal occupation or employment of such nominee, the number of shares of our common stock that are beneficially owned by such nominee, and such other information required by the proxy rules of the SEC with respect to a nominee of our Board.

Our Directors have not adopted any formal criteria with respect to the qualifications required to be a Director or the particular skills that should be represented on our Board, other than the need to have at least one Director and member of our Audit Committee who qualifies as an "audit committee financial expert," and have not historically retained any third party to identify or evaluate or to assist in identifying or evaluating potential nominees. We have no policy of considering diversity in identifying Director nominees.

Our Board oversees risk by remaining well-informed through regular meetings with management and our Chair's personal involvement in our day-to-day business including any matters requiring specific risk management oversight. Our Chair, President and Chief Executive Officer chairs regular senior management meetings, which are typically held weekly, one addressing domestic issues and the other addressing overseas issues. The risk oversight function of our Board is enhanced by the fact that our Audit Committee is comprised entirely of Independent Directors.

We encourage, but do not require, our Board members to attend our Annual Meeting. All of our nine then-incumbent Directors attended last year's annual meeting.

Following a review of the experience and overall qualifications of the Director candidates, our Board resolved to nominate, each of the incumbent Directors named in Proposal 1 for election as Directors of the Company at our 2016 Annual Meeting.

The Board, in reaching the decision to nominate Mr. James Cotter, Jr. for re-election to the Board, took a number of factors into consideration. Without attempting to place any particular priority on any particular consideration, the Board considered Mr. Cotter Jr.'s pending litigation against certain of the other Directors; his pending arbitration proceedings with the Company related to his prior termination as the President and Chief Executive Officer of our Company; his litigation against the Company seeking reimbursement and future advancement of his legal fees and expenses incurred in such arbitration proceedings; the Board's June 2015 determination to terminate Mr. Cotter, Jr. as our Company's President and Chief Executive Officer; the potential that this personal action and legal proceedings have and will likely continue to cause dissension among Board members and impact the otherwise collegial nature of Board meetings; Mr. Cotter, Jr.'s longevity on the Board and his broad knowledge of our Company; Mr. Cotter, Jr.'s beneficial holdings of the Company's securities; the fact that, depending on the ultimate resolution of certain litigation as to the terms of the Cotter Trust, Mr. Cotter, Jr. could periodically or ultimately hold voting control over our Company, and the fact that Ellen M. Cotter and Margaret Cotter had notified the Board that, as the beneficial owners of over 70% of the voting power of our Company, they supported Mr. Cotter Jr.'s ongoing participation on the Board. After considering these factors, the Board nominated Mr. Cotter, Jr. to serve another term as a Director of the Company.

Each of the nominees received at least seven (7) Yes votes, with each such nominee abstaining as to his or her nomination. Director Cotter, Jr. abstained with respect to the nomination of each of the nominees other than Ellen M. Cotter and Margaret Cotter, and voted Yes for Ellen M. Cotter and Margaret Cotter. Director Adams voted No with respect to the nomination of James Cotter, Jr.

Code of Ethics

We have adopted a Code of Ethics designed to help our Directors and employees resolve ethical issues. Our Code of Ethics applies to all Directors and employees, including the Chief Executive Officer, the Chief Financial Officer, principal accounting officer, controller and persons performing similar functions. Our Code of Ethics is posted on our website at <http://www.readingrdi.com/Governance-Documents>.

The Board has established a means for employees to report a violation or suspected violation of the Code of Ethics anonymously. In addition, we have adopted a "Whistleblower Policy," which is posted on our website, at <http://www.readingrdi.com/Governance-Documents>, that establishes a process by which employees may anonymously disclose to the Audit Committee alleged fraud or violations of accounting, internal accounting controls or auditing matters.

Review, Approval or Ratification of Transactions with Related Persons

The Audit Committee adopted a written charter for approval of transactions between the Company and its Directors, Director nominees, executive officers, greater than five percent beneficial owners and their respective immediate family members, where the amount involved in the transaction exceeds or is expected to exceed \$120,000 in a single calendar year and the party to the transaction has or will have a direct or indirect interest. A copy of this charter is available at www.readingrdi.com under the "Investor Relations" caption. For additional information, see the section entitled "*Certain Relationships and Related Party Transactions*."

Material Legal Proceedings

On June 12, 2015, the Board terminated James Cotter, Jr. as the President and Chief Executive Officer of our Company. That same day, Mr. Cotter, Jr. filed a lawsuit, styled as both an individual and a derivative action, and titled "James Cotter, Jr., individually and derivatively on behalf of Reading International, Inc. vs. Margaret Cotter, et al." Case No.: A-15-719860-V, Dept. XI (the "Cotter Jr. Derivative Action" and the "Cotter, Jr. Complaint," respectively) against the Company and each of our other then sitting Directors (Ellen M. Cotter, Margaret Cotter, Guy Adams, William Gould, Edward Kane, Douglas McBachem, and Tim Storey, the "Original Defendant Directors") in the Eighth Judicial District Court of the State of Nevada for Clark County (the "Nevada District Court"). On October 22, 2015, Mr. Cotter, Jr. amended his complaint to drop his individual claims (the "Amended Cotter Jr. Derivative Complaint"). Accordingly, the Amended Cotter, Jr. Complaint presently purports to assert only purportedly derivative claims and to seek remedies

only on behalf of the Company. The lawsuit currently alleges, among other things, that the Original Defendant Directors breached their fiduciary duties to the Company by terminating Mr. Cotter, Jr. as President and Chief Executive Officer, continuing to make use of the Executive Committee that has been in place for more than the past ten years, making allegedly potentially misleading statements in its press releases and filings with the Securities and Exchange Commission ("SEC"), paying certain compensation to Ms. Ellen M. Cotter, and allowing the Cotter Estate to make use of Class A Common Stock to pay for the exercise of certain long outstanding stock options held of record by the Cotter Estate. He seeks reinstatement as President and Chief Executive Officer and alleges as damages fluctuations in the price for our Company's shares after the announcement of his termination as President and Chief Executive Officer and certain unspecified damages to our Company's reputation.

In a derivative action, the stockholder plaintiff seeks damages or other relief for the benefit of the Company, and not for the stockholder plaintiff's individual benefit. Accordingly, the Company is, at least in theory, only a nominal defendant in such a derivative action. However, as a practical matter, because Mr. Cotter, Jr. is also seeking, among other things, an order that our Board's determination to terminate Mr. Cotter Jr. was ineffective and that he should be reinstated as the President and Chief Executive Officer of the Company and also that our Board's Executive Committee be disbanded (an injunctive remedy that, if granted, would be binding on the Company), and as he asserts potentially misleading statements in certain press releases and filings with the SEC, the Company is incurring significant cost and expense defending the decision to terminate Mr. Cotter, Jr. as President and Chief Executive Officer, its Board committee structure, and the adequacy of those press releases and filings. Also, the Company continues to incur costs promulgating and responding to discovery demands and satisfying indemnity obligations to the Original Defendant Directors.

Our Directors and Officers Insurance liability insurer is providing insurance coverage, subject to a \$500,000 deductible (which has now been exhausted) and its standard reservation of rights, with respect to the defense of the Original Director Defendants. Our new Directors, Dr. Judy Codding and Mr. Michael Wrotniak, are not named in the Cotter Jr. Derivative Action as they were not Directors at the time of the breaches of fiduciary duty alleged by Mr. Cotter, Jr.

Pursuant to the terms of Mr. Cotter Jr.'s employment agreement with the Company, disputes relating to his employment are to be arbitrated. Accordingly, on July 14, 2015, the Company filed an arbitration demand with the American Arbitration Association against Mr. Cotter, Jr. The demand seeks declaratory relief, among other things, that Mr. Cotter, Jr.'s employment and employment agreement with the Company have been validly terminated and that the Board validly removed him from his positions as President and Chief Executive Officer of the Company and positions with the Company's subsidiaries.

Mr. Cotter, Jr. has filed a counter-complaint in the arbitration, asserting claims for breach of his employment contract, declaratory relief, and contractual indemnification. Mr. Cotter, Jr.'s counsel has advised that Mr. Cotter is seeking a variety of damages, including consequential damages, and that such claimed damages total no less than \$1,000,000. On April 19, 2016, Mr. Cotter, Jr. filed an action in the District Court, Clark County, Nevada seeking to recover his costs of defending the Arbitration, plus compensatory damages and interest at the maximum legal rate. The Company intends to vigorously defend these claims.

On August 6, 2015, the Company received notice that a Motion to Intervene in the Cotter Jr. Derivative Action and that a proposed derivative complaint had been filed in the Nevada District Court captioned T2 Partners Management, LP, a Delaware limited partnership, doing business as Kase Capital Management; T2 Accredited Fund, LP, a Delaware limited partnership, doing business as Kase Fund; T2 Qualified Fund, LP, a Delaware limited partnership, doing business as Kase Qualified Fund; Tison Offshore Fund, Ltd, a Cayman Islands exempted company; T2 Partners Management I, LLC, a Delaware limited liability company, doing business as Kase Management; T2 Partners Management Group, LLC, a Delaware limited liability company, doing business as Kase Group; JMG Capital Management, LLC, a Delaware limited liability company; and Pacific Capital Management, LLC, a Delaware limited liability company, derivatively on behalf of Reading International, Inc. vs. Margaret Cotter, Ellen M. Cotter, Guy Adams, Edward Kane, Douglas McEachern, Timothy Storey, William Gould and Does 1 through 100, inclusive, as defendants, and, Reading International, Inc., a Nevada corporation, as Nominal Defendant (the "T2 Derivative Action"). On August 11, 2015, the Court granted the motion of T2 Partners Management, LP et. al. (the "T2 Plaintiffs"), allowing these plaintiffs to file their complaint (the "T2 Derivative Complaint").

On September 9, 2015, certain of the Original Defendant Directors filed a Motion to Dismiss the T2 Derivative Complaint. The Company joined this Motion to Dismiss on September 14, 2015. The hearing on this Motion to Dismiss was vacated as the T2 Plaintiffs voluntarily withdrew the T2 Derivative Complaint, with the parties agreeing that T2 Plaintiffs would have leave to amend the Complaint. On February 12, 2016, the T2 Plaintiffs filed an amended T2 Derivative Complaint (the "Amended T2 Derivative Complaint").

The T2 Plaintiffs allege in their Amended T2 Derivative Complaint various violations of fiduciary duty, abuse of control, gross mismanagement and corporate waste by the Amended T2 Complaint Director Defendants (as such term is defined below). More specifically the Amended T2 Derivative Complaint seeks certain monetary damages, as well as equitable injunctive relief, attorney fees and costs of suit. Once again, the Company has been named as a nominal defendant. However, because the Amended T2 Derivative Complaint also seeks the reinstatement of Mr. Cotter, Jr., as our President and CEO, it is being defended by the Company. In addition, the Company continues to incur costs promulgating and responding to discovery demands and satisfying indemnity obligations to the Amended T2 Complaint Director Defendants. The defendants in the Amended T2 Complaint are the same as named in the Cotter Jr. Derivative Action as well as our two new Directors, Dr. Judy Codding and Michael Wrotniak, and Company legal counsel, Craig Tompkins. Mr. Storey was not named as a defendant in the Amended T2 Complaint. The cost of the defense of Directors Codding and Wrotniak is likewise being covered by our Directors and Officers Liability Insurance carrier with the same reservations of right as in the Cotter Jr. Derivative Action, but without any separate deductible. The coverage under our Directors and Officers Liability Insurance of the cost of the defense of Mr. Tompkins is being reviewed by the insurer and is currently being covered by the Company under its indemnity agreement with him. The Directors named in the T2 Derivative Complaint are referred to herein as the "Amended T2 Complaint Director Defendants" and the Directors named in the Amended Cotter, Jr. Derivative Complaint are referred to herein as the Amended Cotter Jr. Complaint Director Defendants.

The Amended T2 Derivative Complaint has deleted its request for an order disbanding our Executive Committee and an order "collapsing the Class A and B stock structure into a single class of voting stock." The Amended T2 Complaint has added a request for an order setting aside the election results from the 2015 Annual Meeting of Stockholders, based on an allegation that Ellen M. Cotter and Margaret Cotter were not entitled to vote the shares of Class B Common Stock held by the Cotter Estate and the Cotter Trust. The Company and the other defendants contest the allegations of the T2 Plaintiffs. The Company followed applicable Nevada law in recognizing that Ellen M. Cotter and Margaret Cotter had the legal right and power to vote the shares of Class B Common Stock held of record by the Cotter Estate and the Cotter Trust, and the independent Inspector of Elections has certified the results of that election. Furthermore, even if the election results were to be overturned or voided, this would have no impact on the current composition of our Board, as all of the nominees were standing for re-election and accordingly retain their directorships until their replacements are elected. The Company will vigorously contest any assertions by the T2 Plaintiffs challenging the voting at the 2015 Annual Meeting of Stockholders and believes that the court will rule for the Company should this issue ever reach the court. The case is currently set for trial in November, 2016.

On May 2, 2016, the T2 Plaintiffs filed a petition on order shortening time seeking a preliminary injunction (1) enjoining the Inspector of Elections from counting any proxies purporting to vote either the 327,808 Class B shares represented by stock certificate B0005 (held of record by the Cotter Estate) or the 696,080 Class B shares represented by stock certificate RDIB 0028 (held of record by the Cotter Trust) at the upcoming June 2, 2016 Annual Meeting, and (2) enjoining Ellen M. Cotter, Margaret Cotter and James Cotter, Jr. from voting the above referenced shares at the 2016 Annual Meeting. The Company believes that the above referenced shares are currently held of record by the Cotter Estate and the Cotter Trust, and that such shares can be voted by the Co-Executors of the Cotter Estate and the Trustees of the Cotter Trust, as applicable.

The Company believes that the claims set forth in the Amended Cotter Jr. Derivative Complaint and the Amended T2 Derivative Complaint are entirely without merit and seek equitable remedies for which no relief can be given. The Company intends to defend vigorously against our Directors and Officers and against any attempt to reinstate Mr. Cotter, Jr. as President and Chief Executive Officer or to effect any changes in the rights of our Company's stockholders. Mr. Storey has been dismissed by stipulation as a defendant in the James Cotter Jr. Derivative Action.

On May 13, 2016, Directors Adams, Codding, Ellen M. Cotter, Margaret Cotter, Kane, McEachern and Wrotniak filed a motion in the T2 Derivative Action to disqualify the T2 Plaintiffs on the grounds that at least one of the T2 Plaintiffs had engaged in trading in our Company's Class A Common Stock after production by the Company and the

PROPOSAL 1: Election of Directors

Nominees for Election

Nine Directors are to be elected at our Annual Meeting to serve until the annual meeting of stockholders to be held in 2017 or until their successors are duly elected and qualified. Unless otherwise instructed, the proxy holders will vote the proxies received by us "FOR" the election of the nominees below, all of whom currently serve as Directors. The nine nominees for election to the Board who receive the greatest number of votes cast for the election of Directors by the shares present and entitled to vote will be elected Directors. If any nominee becomes unavailable for any reason, it is intended that the proxies will be voted for a substitute nominee designated by the Board. The nominees named have consented to serve if elected.

Attendance at Board and Committee Meetings

During the year ended December 31, 2015, our Board met 13 times. The Audit Committee held four meetings, the Compensation Committee held three meetings, and the Tax Oversight Committee held one meeting. Each Director attended at least 75% of these Board meetings and at least 75% of the meetings of all committees on which he or she served.

Indemnity Agreements

We currently have indemnity agreements in place with each of our current Directors and senior officers, as well as certain of the Directors and senior officers of our subsidiaries. Under these agreements, we have agreed, subject to certain exceptions, to indemnify each of these individuals against all expenses, liabilities and losses incurred in connection with any threatened, pending or contemplated action, suit or proceeding, whether civil or criminal, administrative or investigative, to which such individual is a party or is threatened to be made a party, in any manner, based upon, arising from, relating to or by reason of the fact that such individual is, was, shall be or has been a Director, officer, employee, agent or fiduciary of the Company.

Compensation of Directors

During 2015, we paid our non-employee Directors \$50,000 per year. We paid the Chair of our Audit Committee an additional \$7,000 per year, the Chair of our Compensation Committee an additional \$5,000 per year, the Chair of our Tax Oversight Committee an additional \$18,000 per year and the Lead Independent Director an additional \$5,000 per year.

In 2015, we also paid an additional one-time fee of \$25,000 to each of Messrs. Adams, Gould, McEachern and Kane, and an additional one-time fee of \$75,000 to Mr. Storey. These fees were awarded in each case in recognition of their service on our Board and Committees.

In March 2016, the Board approved additional special compensation to be paid for extraordinary services to the Company and devotion of time in providing such services, as follows:

Guy W. Adams:	\$50,000
Edward L. Kane:	\$10,000
Douglas J. McEachern:	\$10,000

Some portion of such additional special compensation was for services rendered during 2015.

Upon joining our Board, new Directors historically received immediately vested five-year stock options to purchase 20,000 shares of our Class A Stock at an exercise price equal to the market price of the stock at the date of grant. However, this process was discontinued in 2015, and Directors Codding and Wrotniak did not receive such grants. In January, 2015 and January, 2016, each of our then non-employee Directors received an annual grant of stock options to purchase 2,000 shares of our Class A Stock. The options awarded have a term of five years, an exercise price equal to the market price of Class A Stock on the grant date and were fully vested immediately upon grant. As discussed below, our outside director compensation was changed for the remainder of 2016 and the years thereafter. See "2016 and Future Director Compensation," below.

2016 and Future Director Compensation

As discussed below in "Compensation Discussion and Analysis," the Executive Committee of our Board, upon the recommendation of our Chief Executive Officer, requested the Compensation Committee to evaluate the Company's compensation policy for outside directors and to establish a plan that encompasses sound corporate practices consistent with the best interests of the Company. Our Compensation Committee undertook to review, evaluate, revise and recommend the adoption of new compensation arrangements for executive and management officers and outside directors of the Company. In January 2016, the Compensation Committee retained the international compensation consulting firm of Willis Towers Watson as its advisor in this process and also relied on our legal counsel, Greenberg Traurig, LLP.

The process followed by our Compensation Committee was similar to that in scope and approach used by the Compensation Committee in considering executive compensation. Willis Towers Watson reviewed and presented to the Compensation Committee the competitiveness of the Company's outside director compensation. The Company's outside director compensation was compared to the compensation paid by the 15 peer companies (identified "Compensation Discussion and Analysis"). Willis Towers Watson's key findings were:

- Our annual Board retainer was slightly above the 50th percentile while the total cash compensation paid to outside Directors was close to the 25th percentile.
- Due to our minimal annual Director equity grants, total direct compensation to our outside Directors was the lowest among the peer group.
- We should consider increasing our committee cash compensation and annual Director equity grants to be in line with peer practices.

The foregoing observations and recommendations were studied, questioned and thoroughly discussed by our Compensation Committee, Willis Towers Watson and legal counsel over the course of our Compensation Committee meetings. Among other things, our Compensation Committee discussed and considered the recommendations made by Willis Towers Watson regarding Director retainer fees and equity awards for Directors. Following discussion, our Compensation Committee recommended and our Board authorized that:

- The Board retainer currently paid to outside Directors will not be changed.
- The committee chair retainers will be increased to \$20,000 for our Audit Committee and our Executive Committee and \$15,000 for our Compensation Committee.
- The committee member fees will be \$7,500 for our Audit and Executive Committees and \$5,000 for our Compensation Committee.
- The Lead Independent Director fee will be increased to \$10,000.
- The annual equity award value to Directors will be \$60,000 as a fixed dollar value based on the closing price on the date of the grant and, that the equity award be restricted stock units and that such restricted stock units have a twelve month vesting period.
- Our Board also approved additional special compensation to be paid to certain directors for extraordinary services provided to us and devotion of time in providing such services as follows:
 - Guy W. Adams, \$50,000
 - Edward L. Kane, \$10,000
 - Douglas J. McEachern, \$10,000

Our Board compensation was made effective for the year 2016 and equity grants were made on March 10, 2016 based upon the closing of the Company's Class A Common Stock on such date.

Vote Required

The nine nominees receiving the greatest number of votes cast at the Annual Meeting will be elected to the Board.

The Board has nominated each of the nominees discussed above to hold office until the 2017 Annual Meeting of Stockholders and thereafter until his or her respective successor has been duly elected and qualified. In the event that

any nominee shall be unable or unwilling to serve as a Director, the Board shall reserve discretionary authority to vote for a substitute or substitutes. The Board has no reason to believe that any nominee will be unable or to serve and all nominees named have consented to serve if elected.

Recommendation of the Board

THE BOARD RECOMMENDS A VOTE "FOR" EACH OF THE DIRECTOR NOMINEES.

Ellen M. Cotter and Margaret Cotter, who together have shared voting control over an aggregate of 1,208,988 shares, or 71.9%, of our Class B Stock, have informed the Board that they intend to vote the shares beneficially held by them in favor of the nine nominees named in this Proxy Statement for election to the Board under Proposal 1. Of the shares of Class B Stock beneficially held by them, 696,080 shares are held of record by the Cotter Trust. James Cotter, Jr. alleges he has the right to vote the shares held by the Cotter Trust. The Company believes that, under applicable Nevada Law, where there are multiple trustees of a trust that is a record owner of voting shares of a Nevada corporation, and more than one trustee votes, the votes of the majority of the voting trustees apply to all of the shares held of record by the trust. If more than one trustee votes and the votes are split evenly on any particular proposal, each trustee may vote proportionally the shares held of record by the trust. Ellen M. Cotter and Margaret Cotter, who collectively constitute a majority of the Co-Trustees of the Cotter Trust, have informed the Board that they intend to vote the shares held by the Cotter Trust for the nine nominees named in this Proxy Statement for election to the Board under Proposal 1. Accordingly, the Company believes that Ellen M. Cotter and Margaret Cotter collectively have the power and authority to vote all of the shares of Class B Stock held of record by the Cotter Trust.

REPORT OF THE AUDIT COMMITTEE

The following is the report of the Audit Committee of our Board with respect to our audited financial statements for the fiscal year ended December 31, 2015.

The purpose of the Audit Committee is to assist the Board in its general oversight of our financial reporting, internal controls and audit functions. The Audit Committee operates under a written Charter adopted by our Board. The Charter is reviewed periodically and subject to change, as appropriate. The Audit Committee Charter describes in greater detail the full responsibilities of the Audit Committee.

In this context, the Audit Committee has reviewed and discussed the Company's audited financial statements with management and Grant Thornton LLP, our independent auditors. Management is responsible for: the preparation, presentation and integrity of our financial statements; accounting and financial reporting principles; establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rule 13a-15(e)); establishing and maintaining internal control over financial reporting (as defined in Exchange Act Rule 13a-15(f)); evaluating the effectiveness of disclosure controls and procedures; evaluating the effectiveness of internal control over financial reporting; and evaluating any change in internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, internal control over financial reporting. Grant Thornton LLP is responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States of America, as well as an opinion on (i) management's assessment of the effectiveness of internal control over financial reporting and (ii) the effectiveness of internal control over financial reporting.

The Audit Committee has discussed with Grant Thornton LLP the matters required to be discussed by Auditing Standard No. 16, "Communications with Audit Committees" and PCAOB Auditing Standard No. 5, "An Audit of Internal Control Over Financial Reporting that is Integrated with Audit of Financial Statements." In addition, Grant Thornton LLP has provided the Audit Committee with the written disclosures and the letter required by the Independence Standards Board Standard No. 1, as amended, "Independence Discussions with Audit Committees," and the Audit Committee has discussed with Grant Thornton LLP their firm's independence.

Based on their review of the consolidated financial statements and discussions with and representations from management and Grant Thornton LLP referred to above, the Audit Committee recommended to our Board that the audited financial statements be included in our Annual Report on Form 10-K for fiscal year 2015 for filing with the SEC.

It is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and in accordance with accounting principles generally accepted in the United States. That is the responsibility of management and the Company's independent registered public accounting firm. In giving its recommendation to the Board, the Audit Committee relied on (1) management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and (2) the report of the Company's independent registered public accounting firm with respect to such financial statements.

Respectfully submitted by the Audit Committee.

Cotter, Sr., the Trust's shares of Class B Stock were to be held in a separate trust, to be known as the "Reading Voting Trust," for the benefit of the grandchildren of Mr. Cotter, Sr. Mr. Cotter, Sr. passed away on September 13, 2014. The 2013 Restatement also names Margaret Cotter the sole trustee of the Reading Voting Trust and names James Cotter, Jr. as the first alternate trustee in the event that Ms. Cotter is unable or unwilling to act as trustee. The trustees of the Cotter Trust, as of the 2013 Restatement, were Ellen M. Cotter and Margaret Cotter. On June 19, 2014, Mr. Cotter, Sr. signed a 2014 Partial Amendment to Declaration of Trust (the "2014 Amendment") that names Margaret Cotter and James Cotter, Jr. as the co-trustees of the Reading Voting Trust and provides that, in the event they are unable to agree upon an important trust decision, they shall rotate the trusteeship between them annually on each January 1st. It further directs the trustees of the Reading Voting Trust to, among other things, vote the Class B Stock held by the Reading Voting Trust in favor of the appointment of Ellen M. Cotter, Margaret Cotter and James Cotter, Jr. to our Board and to take all actions to rotate the chairmanship of our Board among the three of them. The 2014 Amendment states that James Cotter, Jr., Ellen M. Cotter and Margaret Cotter are Co-Trustees of the Cotter Trust. On February 5, 2015, Ellen M. Cotter and Margaret Cotter filed a Petition in the Superior Court of the State of California, County of Los Angeles, captioned In re James J. Cotter Living Trust dated August 1, 2000 (Case No. BP159755). The Petition, among other things, seeks relief that could determine the validity of the 2014 Amendment and who between Margaret Cotter and James Cotter Jr. will have authority as trustee or co-trustees of the Reading Voting Trust to vote the shares of Class B Stock shown (in whole or in part) and the scope and extent of such authority. Mr. Cotter, Jr. has filed an opposition to the Petition. The information in the table reflects direct ownership of the 696,080 shares of Class B Stock by the Cotter Trust in accordance with the Company's stock register and beneficial ownership of such shares as being held by each of the three potential Co-Trustees, Mr. Cotter, Jr., Ellen M. Cotter and Margaret Cotter, who, unless a court determines otherwise, are deemed to share voting and investment power of the shares held by the Cotter Trust.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Role and Authority of the Compensation Committee

Our Board has established a standing Compensation Committee consisting of three of our non-employee Directors. As a Controlled Company, we are exempt from the NASDAQ Listing Rules regarding the determination of executive compensation solely by independent directors. Notwithstanding such exemption, we adopted a Compensation Committee charter on March 10, 2016 requiring our Compensation Committee members to meet the independence rules

and regulations of the SEC and the NASDAQ Stock Market.

Prior to the adoption of our Compensation Committee Charter on March 10, 2016, it was our practice that the Compensation Committee would recommend to the full Board the compensation of our Chief Executive Officer and of the other Cotter family members who serve as officers of our Company. Our Board, with the Cotter family Directors abstaining, typically accepted without modification the compensation recommendations of the Compensation Committee, but reserved the right to modify the recommendations or take other compensation actions of its own. Prior to his resignation as our Chief Executive Officer, Mr. James J. Cotter, Sr. was delegated responsibility by our Board for determining the compensation of our executive officers other than himself and his family members. The Board exercised oversight of Mr. Cotter, Sr.'s executive compensation decisions as a part of his performance as our former Chief Executive Officer.

Earlier this year, our Board adopted a number of actions intended to bring certain of our governance practices into line with best practices, including substantial steps in the area of Executive Compensation, which are discussed below under "2016 and Future Compensation Structure." First, this discussion will address our executive compensation for 2015.

2015 EXECUTIVE COMPENSATION

The individuals named in the Summary Compensation Table, below, are referred to as the "named executive officers."

Chief Executive Officer Compensation

As a matter of general practice prior to 2016, the Compensation Committee recommended to our Board the annual compensation of our Chief Executive Officer, based primarily upon the Compensation Committee's annual review of peer group practices and the advice of an independent third-party compensation consultant engaged annually to assist the Compensation Committee. The Compensation Committee had established three components of our Chief Executive Officer's compensation—a base cash salary, a discretionary annual cash bonus, and a fixed stock grant. The objective of each element was to reasonably reward our Chief Executive Officer for his or her performance and leadership.

The Compensation Committee engaged executive compensation consultants Towers Watson (now known as Willis Towers Watson) in 2012 to analyze our Chief Executive Officer's total direct compensation compared to a peer group of companies. In preparing that analysis, Willis Towers Watson, in consultation with our management, including James J. Cotter, Sr., identified a peer group of companies in the real estate and cinema exhibition industries, our two business segments, based on market value, industry, and business description.

Prior to the work commenced in early 2016, Willis Towers Watson had most recently updated its analysis of our Chief Executive Officer's compensation in 2014, when Mr. Cotter, Sr. held that position. The Willis Towers Watson analysis focused on the competitiveness of Mr. Cotter, Sr.'s annual base salary, total cash compensation and total direct compensation (i.e., total cash compensation plus expected value of long-term compensation) relative to a peer group of 17 United States and Australian companies and published compensation survey data, and to our Company's compensation philosophy, which was to target Mr. Cotter, Sr.'s total direct compensation to the 66th percentile of the peer group. The peer group consisted of the following 17 companies:

Acadia Realty Trust	Inland Real Estate Corp.
Amalgamated Holdings Ltd.	Kite Realty Group Trust
Associated Estates Realty Corp.	LTC Properties Inc.
Carmike Cinemas Inc.	Ramco-Gershenson Properties Trust
Cedar Shopping Centers Inc.	Regal Entertainment Group
Cinemark Holdings Inc.	The Marcus Corporation
Entertainment Properties Trust	Urstadt Biddle Properties Inc.
Glimcher Realty Trust	Village Roadshow Ltd.
IMAX Corporation	

Following his appointment on August 7, 2014 as our Chief Executive Officer and until his termination from that position on June 12, 2015, James Cotter, Jr. continued to receive the same base salary of \$335,000 that he had previously

been receiving in his capacity as our President. Mr. Cotter, Jr. was not awarded a discretionary cash bonus for 2014 or 2015.

On June 12, 2015, our Board appointed Ellen M. Cotter as our interim President and Chief Executive Officer. No new compensatory arrangements were entered into with Ms. Cotter in connection with her appointment as interim President and Chief Executive Officer, and she continued to receive the same base salary of \$402,000 that she received at the time of her appointment.

In early 2016, the Compensation Committee, with the assistance of Willis Towers Watson and Ms. Cotter, adopted new procedures regarding officer compensation. As a part thereof, unlike prior years, the Compensation Committee evaluated the performance of our Chief Executive Officer and our named executive officers and determined their 2015 cash bonus awards. Having had the benefit of further analysis of the Company's executive compensation and revisions of the Company's compensation philosophy, the Compensation Committee approved a \$250,000 bonus for Ellen M. Cotter for her 2015 performance as interim President and Chief Executive Officer.

Total Direct Compensation

In 2015, we and our Compensation Committee had no policy regarding the amount of salary and cash bonus paid to our Chief Executive Officer or other named executive officers in proportion to their total direct compensation.

Compensation of Other Named Executive Officers

Until the reassessment of compensation practices in early 2016, the compensation of the Cotter family members as executive officers of our Company was determined by the Compensation Committee based on the same compensation philosophy used to determine Mr. Cotter, Sr.'s compensation prior to his retirement. The Cotter family members' respective compensation packages each consisted of a base cash salary, discretionary cash bonus and, on occasion, discretionary grants of stock options.

Historically, our Chief Executive Officer determined the base salaries of our executive officers other than himself and members of his family. Our Chief Executive Officer considered the following guidelines in setting the type and amount of executive compensation:

1. Executive compensation should primarily be used to:
 - attract and retain talented executives;
 - reward executives appropriately for their individual efforts and job performance; and
 - afford executives appropriate incentives to achieve the short-term and long-term business objectives established by management and our Board.
2. In support of the foregoing, the total compensation paid to our named executive officers should be:
 - fair, both to our Company and to the named executive officers;
 - reasonable in nature and amount; and
 - competitive with market compensation rates.

Personal and Company performances were just two factors historically considered in establishing base salaries. We had no pre-established policy or target for allocating total executive compensation between base and discretionary or incentive compensation, or between cash and stock-based incentive compensation. Historically, including in 2015, a majority of total compensation to our named executive officers has been in the form of annual base salaries and discretionary cash bonuses, although stock bonuses have been granted from time to time under special circumstances.

These elements of our executive compensation are discussed further below.

Salary: Annual base salary was intended to compensate named executive officers for services rendered during the fiscal year in the ordinary course of performing their job responsibilities. Factors considered in setting the base salaries prior to 2015 included (i) the negotiated terms of each executive's employment agreement or the original terms of employment, (ii) the individual's position and level of responsibility with our Company, (iii) periodic review of the

executive's compensation, both individually and relative to our other named executive officers, and (iv) a subjective evaluation of individual job performance of the executive.

Cash Bonus: Historically, we had awarded annual cash bonuses to supplement the base salaries of our named executive officers, and our Board delegated to our former Chief Executive Officer, Mr. Cotter, Sr., the authority to determine in his discretion the annual cash bonuses, if any, to be paid to our executive officers other than the Cotter family executives.

In early 2016, following the reassessment of the Company's compensation structure discussed below, the Compensation Committee, meeting in executive session, approved a 2015 performance bonus for the Chief Executive Officer as well as our other named executive officers.

Stock Bonus: Equity incentive bonuses were available for award to align our executives' long-term compensation to appreciation in stockholder value over time. Historically, awards have not been granted on any fixed schedule, but instead were granted from time to time to new hires and for the recognition and retention of executives.

If awarded, it has generally been our policy to value stock options and restricted stock at the closing price of our common stock as reported on the NASDAQ Stock Market on the date the award was approved or on the date of hire, if the stock is granted as a recruitment incentive. When stock was granted as bonus compensation for a particular transaction, the award may have been based on the market price on a date calculated from the closing date of the relevant transaction. Stock options granted to our employees generally have a five year term and vest over four years in equal installments upon the annual anniversaries of the date of the grant, subject to continued employment upon each vesting date. Awards may also have been subject to vesting and limitations on voting or other rights.

As discussed below, our Board substantially changed these practices for 2016 and future years.

Other than James Cotter, Jr.'s role as Chief Executive Officer and thereafter, Ms. Ellen M. Cotter's role as Chief Executive Officer, none of our executive officers played a role in determining the compensation of our named executive officers during 2015.

2015 Base Salaries and Bonuses

We have historically established base salaries and target discretionary cash bonuses for our named executive officers through negotiations with the individual named executive officer, generally at the time the named executive officer commenced employment with us, subject to additional increases from time to time based on performance and tenure, with the intent of providing annual cash compensation at a level sufficient to attract and retain talented and experienced individuals.

Our Compensation Committee recommended and our Board approved the following base salaries for Mr. Cotter, Jr. and Ellen M. Cotter for 2015:

Name	2014 Base Salary (\$)	2015 Base Salary (\$)
Ellen M. Cotter ⁽¹⁾	335,000	402,000
James Cotter, Jr. ⁽²⁾	335,000	334,000 ⁽³⁾

- (1) Ellen M. Cotter was appointed Interim President and Chief Executive Officer on June 12, 2015 and President and Chief Executive Officer on January 8, 2016.
- (2) James Cotter, Jr. served as President from June 1, 2013 through June 12, 2015, and Chief Executive Officer from August 7, 2014 through June 12, 2015. Mr. Cotter, Jr. had an annual base salary of \$335,000 for 2015. When his employment ended, Mr. Cotter, Jr. earned a prorated base salary of \$195,417 for 2015, which includes his severance payment paid through the end of July 2015.

With the exception of Mr. Ghose, who was appointed Chief Financial Officer on May 11, 2015, Mr. Matyczynski, whose base salary was \$324,000 in 2015, and Mr. Smith, whose base salary was \$274,897, the base salaries of our other named executive officers generally remained at the levels established for 2014, as shown in the following table:

Name	2014 Base Salary (\$)	2015 Base Salary (\$)
Dev Ghose ⁽¹⁾	—	400,000 ⁽¹⁾
Andrzej J. Matyczynski ⁽²⁾	309,000	324,000
William Ellis ⁽³⁾	350,000 ⁽³⁾	350,000
Robert F. Smerling	350,000	350,000
Wayne Smith	324,255 ⁽⁴⁾	274,897 ⁽⁴⁾

- (1) Dev Ghose was appointed Chief Financial Officer and Treasurer on May 11, 2015. For 2015, Mr. Ghose earned a prorated base salary of \$257,692.
- (2) Andrzej J. Matyczynski, our former Chief Financial Officer, Treasurer and Corporate Secretary, has a written agreement with our Company that provides certain severance and deferred compensation benefits. Mr. Matyczynski resigned as Corporate Secretary on October 20, 2014 and as our Chief Financial Officer and Treasurer effective May 11, 2015, however he continued as an employee to assist in the transition of our new Chief Financial Officer, and was appointed Executive Vice President— Global Operations on March 10, 2016. Under Mr. Matyczynski's employment contract, upon his retirement and provided there has been no termination for cause, he will become entitled under his agreement to a lump-sum severance payment of \$50,000, subject to certain offsets, and to the payment of his vested benefit under his deferred compensation plan discussed below in this section.
- (3) William Ellis submitted his resignation on February 18, 2016, effective March 11, 2016. For 2014, Mr. Ellis earned a prorated base salary of \$71,795.
- (4) Mr. Smith's salary was paid in Australian Dollars in the amounts of AUD\$359,250 in 2014 (shown in the table in U.S. Dollars using exchange rate 0.9027), and AUD\$365,360 in 2015 (shown in the table in U.S. Dollars using exchange rate 0.7524).

Prior to 2016, all named executive officers were eligible to receive a discretionary annual cash bonus. Cash bonuses are typically prorated to reflect a partial year of service.

In connection with consideration of 2015 performance bonuses for members of management, the Chief Executive Officer prepared and submitted recommendations for each of the executive and management team members, other than herself. In considering these recommendations, the Compensation Committee had the benefit of its extensive deliberations as well as the data provided by Willis Towers Watson. In executive session, the Compensation Committee considered and approved a 2015 performance bonus for the Chief Executive Officer. The proposed bonus amounts were reviewed and approved by the Board in February 2016. The Board approval covered the named executive officers set forth below, as well as select other officers and executives.

The following are the 2015 Performance Bonuses approved pursuant to the above process:

Name	2015 Performance Bonus (\$)
Ellen M. Cotter	250,000
Dev Ghose	75,000
Andrzej J. Matyczynski	0
William Ellis	0 ⁽¹⁾
James Cotter, Jr.	0
Robert F. Smerling	75,000
Wayne Smith	71,478 ⁽²⁾

- (1) Pursuant to his employment agreement, in 2015 Mr. Ellis received a guaranteed bonus of \$60,000, and as such, it was not subject to the process above. Mr. Ellis submitted his resignation on February 18, 2016.
- (2) Mr. Smith's bonus was paid in Australian Dollars in the amount of AUD\$95,000 (shown in the table in U.S. Dollars using exchange rate 0.7524).

In the past, we have offered stock options and stock awards to our employees, including named executive

officers, as the long-term incentive component of our compensation program. We sometimes granted equity awards to new hires upon their commencing employment with us and from time to time thereafter. Our stock options allow employees to purchase shares of our common stock at a price per share equal to the fair market value of our common stock on the date of grant and may or may not be intended to qualify as "incentive stock options" for U.S. federal income tax purposes. Generally, the stock options we granted to our employees vest over four years in equal installments upon the annual anniversaries of the date of grant, subject to their continued employment with us on each vesting date.

Employment Agreements

James Cotter, Jr. On June 12, 2015, the Board terminated the employment of James Cotter, Jr. as our President and Chief Executive Officer. Under Mr. Cotter, Jr.'s employment agreement with the Company, he is entitled to the compensation and benefits he was receiving at the time of a termination without cause for a period of twelve months from notice of termination. At the time of termination, Mr. Cotter Jr.'s annual salary was \$335,000, and the Company paid Mr. Cotter Jr. severance payments in the amount of \$43,750. A dispute has arisen between the Company and Mr. Cotter as to whether the Company is required to continue to make these payments, which dispute is currently subject to arbitration. Mr. Cotter's employment agreement also provided for the grant of options to purchase 100,000 shares of Class A Stock at an exercise price of \$6.31 per share. Mr. Cotter, Jr. has previously exercised options to purchase 50,000 of such shares. Mr. Cotter, Jr. has asserted that the options to exercise the remainder of the 50,000 options survived the termination of his employment. The Company's position is that all unvested options expired upon the termination of Mr. Cotter, Jr.'s employment. This matter is currently under review by the Compensation Committee.

Dev Ghose. On April 20, 2015, we entered into an employment agreement with Mr. Dev Ghose, pursuant to which he agreed to serve as our Chief Financial Officer for a one-year term commencing on May 11, 2015. The employment agreement provides that Mr. Ghose is to receive an annual base salary of \$400,000, with an annual target bonus of \$200,000, and employee benefits in line with those received by our other senior executives. Mr. Ghose was also granted stock options to purchase 100,000 shares of Class A Stock at an exercise price equal to the closing price of our Class A Stock on the date of grant and which will vest in equal annual increments over a four-year period, subject to his remaining in our continuous employ through each annual vesting date.

Under his employment agreement, we may terminate Mr. Ghose's employment with or without cause (as defined) at any time. If we terminate his employment without cause or fail to renew his employment agreement upon expiration without cause, Mr. Ghose will be entitled to receive severance in an amount equal to the salary and benefits he was receiving for a period of 12 months following such termination or non-renewal. If the termination is in connection with a "change of control" (as defined), Mr. Ghose would be entitled to severance in an amount equal to the compensation he would have received for a period two years from such termination.

William D. Ellis. On October 20, 2014, we entered into an employment agreement with Mr. William D. Ellis, which was amended in September 2015, pursuant to which he agreed to serve as our General Counsel for a term of three years. The employment agreement provided that Mr. Ellis was to receive an annual base salary of \$350,000, with an annual guaranteed bonus of at least \$60,000. In addition, Mr. Ellis was granted stock options to purchase 60,000 shares of Class A Stock at an exercise price equal to the closing price of our Class A Stock on the date of grant and which will vest in equal annual increments over a three-year period, subject to his remaining in our continuous employ through each annual vesting date.

On February 18, 2016, Mr. Ellis submitted his resignation as our General Counsel and Corporate Secretary. On March 11, 2016, we entered into an agreement with Mr. Ellis, pursuant to which, in consideration of the payment to Mr. Ellis of \$205,010 (to be paid in 19 equal semi-monthly installments of \$10,790) and the vesting of options to acquire 20,000 shares of our Class A Common Stock on October 15, 2016, Mr. Ellis has agreed to be available to advise us on matters on which he previously worked until December 31, 2016. Mr. Ellis' last day of employment was March 11, 2016.

Andrzej J. Matyczynski. Mr. Matyczynski, our former Chief Financial Officer, Treasurer and Corporate Secretary, has a written agreement with our Company that provides for a lump-sum severance payment of \$50,000, provided there has been no termination for cause and subject to certain offsets, and to the payment of his vested benefit under his deferred compensation plan discussed below in the section entitled "Other Elements of Compensation." Mr. Matyczynski resigned as our Corporate Secretary on October 20, 2014 and as our Chief Financial Officer and

Treasurer effective May 11, 2015, but continued as an employee in order to assist in the transition of our new Chief Financial Officer. He was appointed EVP-Global Operations in March 2016.

2016 AND FUTURE COMPENSATION STRUCTURE

Background

In early 2016, our Compensation Committee conducted a thorough evaluation of our compensation policy for executive officers and outside directors to establish a plan that encompasses best corporate practices consistent with our best interests. Our Compensation Committee undertook to review, evaluate, revise and recommend the adoption of new compensation arrangements for our executive and management officers and outside directors. In January 2016, our Compensation Committee retained the international compensation consulting firm of Willis Towers Watson as its advisor in this process and also relied on the advice of our legal counsel, Greenberg Traurig, LLP.

Compensation Committee Charter

On February 29, 2016, our Board adopted the Charter of the Compensation Committee, or the Compensation Committee Charter. In keeping with our intent to implement best practices, the Compensation Committee Charter delegated the following responsibilities to our Compensation Committee:

- in consultation with our senior management, to establish our compensation philosophy and objectives;
- to review and approve all compensation, including salary, bonus, incentive and equity compensation, for our Chief Executive Officer and our executive officers, provided that our Chief Executive Officer may not be present during voting or deliberations on his or her compensation;
- to approve all employment agreements, severance arrangements, change in control provisions and agreements and any special or supplemental benefits applicable to our Chief Executive Officer and other executive officers;
- to approve and adopt, on behalf of our Board, incentive compensation and equity-based compensation plans, or, in the case of plans requiring stockholder approval, to review and recommend such plan to the stockholders;
- to review and discuss with our management and our counsel and auditors, the disclosures made in Compensation Discussion and Analysis and advise our Board whether, in the view of the Committee, the Compensation Discussion and Analysis is, in form and substance, satisfactory for inclusion in our annual report on Form 10-K and proxy statement for the annual meeting of stockholders;
- to prepare an annual compensation committee report for inclusion in our proxy statement for the annual meeting of stockholders in accordance with the applicable rules of the SEC;
- to periodically review and reassess the adequacy of this charter and recommend any proposed changes to the Board for approval;
- to administer our equity-based compensation plans, including the grant of stock options and other equity awards under such plans, the exercise of any discretion accorded to the administrator of all such plans and the interpretation of the provisions of such plans and the terms of any awards made under the plans; and
- to consider the results of the most recent stockholder advisory vote on executive compensation required by Section 14A of the Securities Exchange Act of 1934 when determining compensation policies and making decisions on executive compensation.

Under the Compensation Committee Charter, "executive officer" is defined to mean the chief executive officer, president, chief financial officer, chief operating officer, general counsel, principal accounting officer, any executive vice president of the Company and any Managing Director of Reading Entertainment Australia Pty Ltd and/or Reading New Zealand, Ltd.; provided that any compensation determinations pertaining to Ellen M. Cotter and Margaret Cotter will be subject to review and approval by our Board.

As noted above, the Compensation Committee Charter was adopted as part of our Board's implementation of additional corporate best practices measures. The Compensation Committee Charter will apply for the remainder of 2016 and the future, subject to further amendments and modifications by our Board. The Compensation Committee's charter is available on our website at <http://www.readingrdi.com/Committee-Charters>.

The Compensation Committee reviews compensation policies and practices affecting employees in addition to

those applicable to executive officers. The Compensation Committee has determined that it is not reasonably likely that our compensation policies and practices for its employees would have a material adverse effect on our Company.

Executive Compensation

In early 2016, our Compensation Committee met with Willis Towers Watson, our Chief Executive Officer, and our legal counsel, to review the Company's compensation levels, programs and practices. As part of its engagement, Willis Towers Watson reviewed our compensation paid to executive and management officers by position, in light of each person's duties and responsibilities. Willis Towers Watson then compared our top executive and management positions to (i) executive compensation paid by a peer group, and (ii) two surveys, the 2015 Willis Towers Watson Data Services Top Management Survey Report and the 2015 Mercer MBD Executive Compensation Survey, in each case, identified by office position and duties performed by the officer. The peer group utilized by Willis Towers Watson included the following 15 companies:

Arcadia Realty Trust	Inland Real Estate Corp.
Associated Estates Realty Corp.	Kite Realty Group Trust
Carmike Cinemas Inc.	Marcus Corporation
Cedar Realty Trust Inc.	Pennsylvania Real Estate Investment Trust
Charter Hall Group	Ramco-Gershenson Properties Trust
EPR Properties	Urstadt Biddle Properties Inc.
Vicinity Centres	Village Roadshow Ltd.
IMAX Corporation	

Willis Towers Watson selected the above peer group noting that the companies selected (i) included 12 United States based companies and three Australian based companies to reflect our geographic operations, and (ii) were comparable to us based on the key financial criteria of being between 1/3rd and three times our revenue.

The executive pay assessment prepared by Willis Towers Watson measured our executive and management compensation against compensation paid by peer group companies and the companies listed in the two surveys based on the 25th, 50th and 75th percentile of such peer group and surveyed companies. The 50th percentile was the median compensation paid by such peer group and surveyed companies to executives performing similar responsibilities and duties.

The Willis Towers Watson assessment compared the base salary, the short term incentive (cash bonus) and long term incentive (equity awards) of the peer and surveyed companies to the base salary, short term incentive and long term incentive provided to our executives. The assessment concluded that, except in a few positions, we were generally competitive in base salary, however, we were not competitive when short-term incentives and long term incentives were included in the total compensation paid to our executives and management.

As a result of the foregoing factors, Willis Towers Watson recommended that we:

- Implement a formal annual incentive opportunity for all executives; and
- Implement a regular annual grant program for long-term incentives.

Our Compensation Committee recommended, and our Board subsequently adopted, a compensation philosophy for our management team members to:

- Attract and retain talented and dedicated management team members;
- Provide overall compensation that is competitive in its industry;
- Correlate annual cash incentives to the achievement of its business and financial objectives; and
- Provide management team members with appropriate long-term incentives aligned with stockholder value.

As part of the compensation philosophy, our compensation focus will be to (1) drive our strategic plan on growth, (2) align officer and management performance with the interests of our stockholders, and (3) encourage retention of our officers and management team members.

In furtherance of the compensation policy and as a result of the extensive deliberations, including consideration of the Willis Towers Watson recommendations, our Compensation Committee adopted an executive and management officer compensation structure for 2016 consisting of:

- A base salary comparable with job description and industry standard;
- A short-term incentive plan based on a combination of factors including overall corporate and division performance as well as individual performance with a target bonus opportunity to be denominated as a percent of base salary with specific goals weightings and pay-out ranges; and
- A long-term incentive or equity awards in line with job description, performance, and industry standards.

Our Compensation Committee's intention is that the compensation structure approved for 2016 will remain in place indefinitely. However, it will review performance and results after the first year and thereafter and evaluate from time to time whether enhancements, changes or other compensation structures are in our and our stockholders best interests.

Reflecting the new approach, our Compensation Committee established (i) 2016 annual base salaries at levels that it believed (based heavily on the data provided by Willis Towers Watson) are generally competitive with executives in our peer group and in other comparable publicly-held companies as described in the executive pay assessment prepared by Willis Towers Watson, (ii) short term incentives in the form of discretionary annual cash bonuses based on the achievement of identified goals and benchmarks, and (iii) long-term incentives in the form of employee stock options and restricted stock units will be used as a retention tool and as a means to further align an executive's long-term interests with those of our stockholders, with the ultimate objective of affording our executives an appropriate incentive to help drive increases in stockholder value.

Our Compensation Committee will evaluate both executive performance and compensation to maintain our ability to attract and retain highly-qualified executives in key positions and to assure that compensation provided to executives remains competitive when compared to the compensation paid to similarly situated executives of companies with whom we compete for executive talent or that we consider comparable to our Company.

Role of Chief Executive Officer in Compensation Decisions

In connection with the implementation of the new compensation structure, our Compensation Committee conducted the thorough review of executive compensation discussed above. Our Compensation Committee engaged in extensive discussions with, and considered with great weight the recommendations of, the Chief Executive Officer as to compensation for executive and management team members other than for the Chief Executive Officer.

Our Compensation Committee expects to perform an annual review of executive compensation, generally in the first quarter of the year following the year in review, with a presentation by the Chief Executive Officer regarding each element of the executive compensation arrangements. At our Compensation Committee's direction, our Chief Executive Officer prepared an executive compensation review for each executive officer (other than the Chief Executive Officer), as well as the full executive team, which included recommendations for:

- 2016 Base Salary
- A proposed year-end short-term incentive in the form of a target cash bonus based on the achievement of certain objectives; and
- A long-term incentive in the form of stock options and restricted stock units for the year under review.

As part of the compensation review, our Chief Executive Officer may also recommend other changes to an executive's compensation arrangements such as a change in the executive's responsibilities. Our Compensation Committee will evaluate the Chief Executive Officer's recommendations and, in its discretion, may accept or reject the recommendations, subject to the terms of any written employment agreements.

Our Compensation Committee met in executive session without our Chief Executive Officer to consider the Chief Executive Officer's compensation, including base salary, cash bonus and equity award, if any. Prior to such executive sessions, our Compensation Committee interviewed our Chief Executive Officer to obtain a better understanding of factors contributing to the Chief Executive Officer's compensation. With the exception of these

executive sessions of our Compensation Committee, as a rule, our Chief Executive Officer participated in all deliberations of the Compensation Committee relating to executive compensation. However, our Compensation Committee also asked our Chief Executive Officer to be excused for certain deliberations with respect to the compensation recommended for Margaret Cotter, the sister of our Chief Executive Officer.

In conjunction with the year-end annual compensation review, or as soon as practicable after the year-end, our Chief Executive Officer will recommend to our Compensation Committee our objectives and other criteria to be utilized for purposes of determining cash bonuses for certain senior executive officers. Our Compensation Committee, in its discretion, may revise the Chief Executive Officer's recommendations. At the end of the year, our Compensation Committee, in consultation with our Chief Executive Officer, will review each performance goal and determine the extent to which the officer achieved such goals. In establishing performance goals, our Compensation Committee expects to consider whether the goals could possibly result in an incentive for any executives to take unwarranted risks in our Company's business and intend to seek to avoid creating any such incentives.

Base Salaries

Our Compensation Committee reviewed the executive pay assessment prepared by Willis Towers Watson and other factors and engaged in extensive deliberation and then recommended the following 2016 base salaries (the 2015 base salaries are shown for comparison purposes) for the following officers. Our Board approved the recommendations of our Compensation Committee on March 10, 2016 for the President and Chief Executive Officer, Chief Financial Officer and our named executive officers, other than William D. Ellis and our prior Chief Executive Officers James J. Cotter, Sr. and James Cotter, Jr.

Short Term Incentives

The Short Term Incentives authorized by our Compensation Committee and our Board provides our executive officers and other management team members, who are selected to participate, with an opportunity to earn an annual cash bonus based upon the achievement of certain company financial goals, division goals and individual goals, established by our Chief Executive Officer and approved by our Compensation Committee and our Board (in future

years, under the Compensation Committee Charter approved by our Board on March 10, 2016, our Compensation Committee will have full authority to approve these matters). Specifically, a participant in the short-term incentive plan will be advised of his or her annual potential target bonus expressed as a percentage of the participant's base salary and by dollar amount. The participant will be eligible for a short-term incentive bonus once the participant achieves goals identified at the beginning of the year for a threshold target, the potential target or potential maximum target bonus opportunity. The bonus will vary depending upon the achievements made by the individual participants, the division and the corporation. Corporate goals for 2016 will include levels of earnings before interest, depreciation, taxes and amortization ("non-GAAP Operating Income") and property development milestones. Division goals for 2016 will include levels of division cash flow and division milestones and individual goals will include specific unique performance goals specific to the individual's position with us. Each of the corporate, division and individual goals carries a different percentage weight in determining the officer's or other team member's bonus for the year.

Ms. Ellen M. Cotter, our President and Chief Executive Officer, has a potential target bonus opportunity of 95% of Base Salary, or \$427,500 at target based on Ms. Cotter's achievement of her performance goals and over achievement of corporate goals discussed above. Of that potential target bonus opportunity, a threshold bonus of \$213,750 may be achieved based upon Ms. Cotter's achievement of certain performance goals and our achievement of certain corporate goals, and a potential maximum target of \$641,250 is based on achieving additional performance goals. Ms. Cotter's aggregate annual bonus opportunity can range from \$0 to \$641,250. Mr. Dev Ghose, our EVP, Chief Financial Officer, Treasurer and Corporate Secretary, has a potential target bonus opportunity of 50% of Base Salary, or \$200,000 at target, which is based on achievement of his performance goals and our achievement of corporate goals, as discussed above. Mr. Ghose's aggregate annual bonus opportunity can range from \$0 to \$300,000 (the maximum potential target if additional performance goals are met by Mr. Ghose). Mr. Andrzej J. Matyczynski, our EVP - Global Operations, has a target bonus opportunity of 50% of Base Salary, or \$168,000 at target, which is based on achievement of his performance goals, our achievement of corporate goals and certain divisional goals. Mr. Matyczynski's aggregate annual bonus opportunity can range from \$0 to \$252,000 (the maximum potential target if additional performance goals are met by Mr. Matyczynski). Mr. Robert Smerling, President, US Cinemas, has a target bonus opportunity of 30% of base pay, or \$112,500 at target, which is based on achievement of his performance goals, our achievement of corporate goals and certain divisional goals. Mr. Smerling's aggregate annual bonus opportunity can range from \$0 to \$168,750 (the maximum potential target if additional performance goals are met by Mr. Smerling). Mr. Wayne Smith, Managing Director, Australia and New Zealand, has a target bonus opportunity of 40% of Base Salary, or A\$148,000 at target, which is based on achievement of his performance goals, our achievement of corporate goals and certain divisional goals. Mr. Smith's aggregate annual bonus opportunity can range from A\$0 to A\$222,000 (the maximum potential target if additional performance goals are met by Mr. Smith). The positions of other management team members have target bonus opportunities ranging from 20% to 30% of Base Salary based on achievement certain goals. The highest level of achievement, participants may be eligible to receive up to a maximum of 150% of his or her target bonus amount.

Long-Term Incentives

Long-Term incentives will utilize the equity-based plan under our 2010 Incentive Stock Plan, as amended (the "2010 Plan"). For 2016, executive and management team participants will receive awards in the following forms: 50% time-based restricted stock units and 50% non-statutory stock options. The grants of restricted stock units and options will vest ratably over a four (4) year period with 1/4th vesting on each anniversary date of the grant date.

On March 10, 2016, the following grants were made:

Name	Title	Dollar Amount of Restricted Stock Units	Dollar Amount of Non-Statutory Stock Options ⁽¹⁾

All long-term incentive awards will be subject to other terms and conditions set forth in the 2010 Plan and award grant.

Other Elements of Compensation

Retirement Plans

We maintain a 401(k) retirement savings plan that allows eligible employees to defer a portion of their compensation, within limits prescribed by the Internal Revenue Code, on a pre-tax basis through contributions to the plan. Our named executive officers other than Mr. Smith, who is a non-resident of the U.S., are eligible to participate in the 401(k) plan on the same terms as other full-time employees generally. Currently, we match contributions made by participants in the 401(k) plan up to a specified percentage, and these matching contributions are fully vested as of the date on which the contribution is made. We believe that providing a vehicle for tax-deferred retirement savings through our 401(k) plan, and making fully vested matching contributions, adds to the overall desirability of our executive compensation package and further incentivizes our employees, including our named executive officers, in accordance with our compensation policies.

Other Retirement Plans

During 2012, Mr. Matyczynski was granted an unfunded, nonqualified deferred compensation plan ("DCP") that was partially vested and was to vest further so long as he remained in our continuous employ. The DCP allowed Mr. Matyczynski to defer part of the cash portion of his compensation, subject to annual limits set forth in the DCP. The funds held pursuant to the DCP are not segregated and do not accrue interest or other earnings. If Mr. Matyczynski were to be terminated for cause, then the total vested amount would be reduced to zero. The incremental amount vested each year was made subject to review and approval by our Board. Please see the "Nonqualified Deferred Compensation" table for additional information. In addition, Mr. Matyczynski is entitled to a lump-sum severance payment of \$50,000, provided there has been no termination for cause and subject to certain offsets, upon his retirement.

Upon the termination of Mr. Matyczynski's employment, he will also be entitled under the DCP agreement to payment of the vested benefits under his DCP in annual installments following the later of (a) 30 days following Mr. Matyczynski's 65th birthday or (b) six months after his separation from service for reasons other than his death or termination for cause. The DCP was to vest over seven years and with full vesting to occur in 2019 at \$1,000,000 in deferred compensation. However, in connection with his changed employment to EVP - Global Operations, the Company and Mr. Matyczynski agreed that the Company would cease making contributions to the DCP on April 15, 2016 and that the final contributions by the Company to the DCP would be \$150,000 for 2015, and \$21,875 for 2016, satisfying the Company's total contribution obligations under the DCP at an amount of \$621,875.

The DCP is an unfunded contractual obligation of the Company. DCP benefits are paid from the general assets of the Company. However, the Company reserves the right to establish a grantor trust from which DCP benefits may be paid.

In March 2016, the Compensation Committee approved a one-time retirement benefit for Robert Smerling, President, Cinema Operations, due to his significant long term service to the Company. The retirement benefit an amount equal to the average of the two highest total cash compensation (base salary plus cash bonus) years paid to Mr. Smerling in the then most recently completed five year period.

We currently maintain no other retirement plan for our named executive officers.

Key Person Insurance

We maintain life insurance on certain individuals who we believe to be key to our management. In 2015, these individuals included James Cotter, Jr. (through September 13, 2015), Ellen M. Cotter, Margaret Cotter, William Ellis, Dev Ghose, Andrzej Matyczynski, Robert Smerling, Craig Tompkins and Wayne Smith. If such individual ceases to be our employee, Director or independent contractor, as the case may be, she or he is permitted, by assuming responsibility for all future premium payments, to replace our Company as the beneficiary under such policy. These policies allow each such individual to purchase up to an equal amount of insurance for such individual's own benefit. In the case of our employees, the premium for both the insurance as to which we are the beneficiary and the insurance as to which our employee is the beneficiary, is paid by us. In the case of named executive officers, the premium paid by us for the benefit of such individual is reflected in the Compensation Table in the column captioned "All Other Compensation."

Employee Benefits and Perquisites

Our named executive officers are eligible to participate in our health and welfare plans to the same extent as all full-time employees generally. We do not generally provide our named executive officers with perquisites or other personal benefits. Historically, many of our other named executive officers also received an automobile allowance. The table below shows car allowances granted to certain officers under their employment agreements or arrangements. From time to time, we may provide other perquisites to one or more of our other named executive officers.

Officer	Annual Allowance (\$)
Dev Ghose	12,000
William Ellis (1)	15,000
Andrzej J. Matyczynski	12,000
Ellen M. Cotter	13,800
James Cotter, Jr. (1)	15,000
Robert F. Smerling	18,000

(1) Mr. Ellis and Mr. Cotter, Jr. are no longer employees of the Company.

Tax and Accounting Considerations

Deductibility of Executive Compensation

Subject to an exception for "performance-based compensation," Section 162(m) of the Internal Revenue Code generally prohibits publicly held corporations from deducting for federal income tax purposes annual compensation paid to any senior executive officer to the extent that such annual compensation exceeds \$1.0 million. Our Compensation Committee and our Board consider the limits on deductibility under Section 162(m) in establishing executive compensation, but retain the discretion to authorize the payment of compensation that exceeds the limit on deductibility under this Section.

Nonqualified Deferred Compensation

We believe we are operating, where applicable, in compliance with the tax rules applicable to nonqualified deferred compensation arrangements.

Say on Pay

At our Annual Meeting of Stockholders held on May 15, 2014, we held an advisory vote on executive compensation. Our stockholders voted in favor of our Company's executive compensation. The Compensation

Committee reviewed the results of the advisory vote on executive compensation in 2014 and did not make any changes to our compensation based on the results of the vote. We expect that our next advisory vote of our stockholders on executive compensation will be at our 2017 Annual Meeting of Stockholders.

Compensation Committee Interlocks and Insider Participation

Our Compensation Committee is currently composed of Mr. Kane, who serves as Chair, Dr. Coddling, and Mr. McEachem. Mr. Storey, who served on our Board until October 11, 2015, served on our Compensation Committee until that date. Mr. Adams served until May 14, 2016, and was succeeded by Mr. McEachem. None of the members of the Compensation Committee was an officer or employee of the Company at any time during 2015. None of our executive officers serves as a member of the board of directors or compensation committee of any entity that has or had one or more executive officers serving as a member of our Board or Compensation Committee.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee has reviewed and discussed with management the "Compensation Discussion and Analysis" required by Item 401(b) of Regulation S-K and, based on such review and discussions, has recommended to our Board that the foregoing "Compensation Discussion and Analysis" be included in this Proxy Statement.

Respectfully submitted,

Edward L. Kane, Chair
Guy W. Adams

On May 13, 2010, our stockholders approved the Plan at the annual meeting of stockholders in accordance with the recommendation of the Board of the Company. The Plan provides for awards of stock options, restricted stock, bonus stock, and stock appreciation rights to eligible employees, Directors, and consultants. The Board approved an amendment to the Plan to permit the award of restricted stock units on March 10, 2016. The Plan permits issuance of a maximum of 1,250,000 shares of Class A Stock. The Plan expires automatically on March 11, 2020.

Equity incentive bonuses may be awarded to align our executives' long-term compensation to appreciation in stockholder value over time and, so long as such grants are within the parameters of the Plan, historically were entirely discretionary on the part of Mr. Cotter, Sr. Other stock grants are subject to Board approval. Equity awards may include stock options, restricted stock, bonus stock, or stock appreciation rights.

If awarded, it is generally our policy to value stock options and restricted stock at the closing price of our common stock as reported on the NASDAQ Stock Market on the date the award is approved or on the date of hire, if the stock is granted as a recruitment incentive. When stock is granted as bonus compensation for a particular transaction, the award may be based on the market price on a date calculated from the closing date of the relevant transaction. Awards may also be subject to vesting and limitations on voting or other rights.

Potential Payments upon Termination of Employment or Change in Control

The following paragraphs provide information regarding potential payments to each of our named executive officers in connection with certain termination events, including a termination related to a change of control of the Company, as of December 31, 2015:

Mr. Dev Ghose – Termination without Cause. Under his employment agreement, we may terminate Mr. Ghose's employment with or without cause (as defined) at any time. If we terminate his employment without cause or fail to renew his employment agreement upon expiration without cause, Mr. Ghose will be entitled to receive severance in an amount equal to the salary and benefits he was receiving for a period of 12 months following such termination or non-renewal. If the termination is in connection with a "change of control" (as defined), Mr. Ghose would be entitled to severance in an amount equal to the compensation he would have received for a period two years from such termination.

Mr. William Ellis – Termination without Cause. Mr. Ellis resigned his employment effective March 11, 2016. We have entered into a separation agreement with Mr. Ellis which provides, among other things, that, in consideration of the payment to Mr. Ellis of \$205,010 (to be paid in 19 equal semi-monthly installments of \$10,790) and the vesting of options to acquire 20,000 shares of our Class A Common Stock on October 15, 2016, Mr. Ellis has agreed to be available to advise us on matters on which he previously worked until December 31, 2016. Mr. Ellis' employment agreement contained a noncompetition clause that did not extend beyond his termination.

Mr. Wayne Smith – Termination of Employment for Failing to Meet Performance Standards. If Mr. Smith's employment is terminated by the Board for failing to meet the standards of his anticipated performance, Mr. Smith will be entitled to a severance payment of six months' base salary.

Mr. Andrzej J. Matyczynski – Deferred Compensation Benefits. During 2012, Mr. Matyczynski was granted an unfunded, nonqualified deferred compensation plan ("DCP") that was partially vested and was to vest further so long as he remained in our continuous employ. If Mr. Matyczynski were to be terminated for cause, then the total vested amount would be reduced to zero. The incremental amount vested each year was made subject to review and approval by our Board. Please see the "Nonqualified Deferred Compensation" table for additional information.

Upon the termination of Mr. Matyczynski's employment, he will be entitled under the DCP agreement to payment of the vested benefits under his DCP in annual installments following the later of (a) 30 days following Mr. Matyczynski's 65th birthday or (b) six months after his separation from service for reasons other than his death or termination for cause. The DCP was to vest over seven years and with full vesting to occur in 2019 at \$1,000,000 in deferred compensation. However, in connection with his employment as EVP Global Operations, the Company and Mr. Matyczynski agreed that the Company would cease making contributions to the DCP on April 15, 2016 and that the final contributions by the Company to the DCP would be \$150,000 for 2015 and \$21,875 for 2016, satisfying the Company's obligations under the DCP. Mr. Matyczynski's agreement contains nonsolicitation provisions that extend for one year after his retirement.

Under Mr. Matyczynski's agreement, on his retirement date and provided there has not been a termination for cause, Mr. Matyczynski will be entitled to a lump sum severance payment in an amount equal to \$50,000, less certain offsets.

Robert F. Smerling – Retirement Benefit. In March 2016, the Compensation Committee approved a one-time retirement benefit for Robert Smerling, President, Cinema Operations, due to his significant long-term service to the Company. The retirement benefit is the average of the two highest total cash compensation (base salary plus cash bonus) years paid to Mr. Smerling in the then most recently completed five year period.

No other named executive officers currently have employment agreements or other arrangements providing benefits upon termination or a change of control. The table below shows the maximum benefits that would be payable to each person listed above in the event of such person's termination without cause or termination in connection with a change in control, if such events had occurred on December 31, 2015, at price equal to the closing price of the Class A stock on that date, which was of \$13.11.

Mr. Ellis' agreement terminated when his employment ended as of March 11, 2016. As such, his information is excluded from the table below.

	Payable on upon Termination without Cause (\$)			Payable upon Termination in Connection with a Change in Control (\$)			Payable upon Retirement (\$)
	Severance Payments	Value of Vested Stock Options	Value of Health Benefits	Severance Payments	Value of Vested Stock Options	Value of Unvested Stock Options Accelerated	Benefits Payable under Retirement Plans or the DCP

- (1) Represents value of restricted stock award rather than stock option.
- (2) Mr. Matyczynski's severance payment is payable upon his retirement, and is subject to certain offsets as set forth in his agreement, and is subject to certain offsets.
- (3) Mr. Smerling's one-time retirement benefit is based on the average of the two highest total cash compensation years paid to Mr. Smerling in the most recently completed five-year period. The figure quoted in the table represents the average of total compensation paid for years 2015 and 2014.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

The members of our Audit Committee are Douglas McEachern, who serves as Chair, Edward Kane, and Michael Wrotniak. Management presents all potential related party transactions to the Audit Committee for review. Our Audit Committee reviews whether a given related party transaction is beneficial to our Company, and approves or bars the transaction after a thorough analysis. Only Committee members disinterested in the transaction in question participate in the determination of whether the transaction may proceed. See the discussion entitled "Review, Approval or Ratification of Transactions with Related Persons" for additional information regarding the review process.

Sutton Hill Capital

In 2001, we entered into a transaction with Sutton Hill Capital, LLC ("SHC") regarding the master leasing, with an option to purchase, of certain cinemas located in Manhattan including our Village East and Cinemas 1, 2, 3 theaters. In connection with that transaction, we also agreed (i) to lend certain amounts to SHC, to provide liquidity in its investment, pending our determination whether or not to exercise our option to purchase and (ii) to manage the 86th Street Cinema on a fee basis. SHC is a limited liability company owned in equal shares by the Cotter Estate and/or the Cotter Trust and a third party.

As previously reported, over the years, two of the cinemas subject to the master leasing agreement have been redeveloped and one (the Cinemas 1, 2, 3 discussed below) has been acquired. The Village East is the only cinema that remains subject to this master lease. We paid an annual rent of \$590,000 for this cinema to SHC in each of 2015, 2014, and 2013. During this same period, we received management fees from the 86th Street Cinema of \$151,000, \$123,000 and \$183,000.

In 2005, we acquired (i) from a third party the fee interest underlying the Cinemas 1, 2, 3, and (ii) from SHC its interest in the ground lease estate underlying and the improvements constituting the Cinemas 1, 2, 3. The ground lease estate and the improvements acquired from SHC were originally a part of the master lease transaction, discussed above.

In connection with that transaction, we granted to SHC an option to acquire at cost a 25% interest in the special purpose entity (Sutton Hill Properties, LLC ("SHP")) formed to acquire these fee, leasehold and improvements interests. On June 28, 2007, SHC exercised this option, paying \$3.0 million and assuming a proportionate share of SHP's liabilities. At the time of the option exercise and the closing of the acquisition of the 25% interest, SHP had debt of \$26.9 million, including a \$2.9 million, non-interest bearing intercompany loan from the Company. As of December 31, 2015, SHP had debt of \$19.4 million (again, including the intercompany loan). Since the acquisition by SHC of its 25% interest, SHP has covered its operating costs and debt service through cash flow from the Cinemas 1, 2, 3, (ii) borrowings from third parties, and (iii) pro-rata contributions from the members. We receive an annual management fee equal to 5% of SHP's gross income for managing the cinema and the property, amounting to \$153,000, \$123,000 and \$183,000 in 2015, 2014, and 2013, respectively. This management fee was modified in 2015, as discussed below, retroactive to December 1, 2014.

On June 29, 2010, we agreed to extend our existing lease from SHC of the Village East Cinema by 10 years, with a new termination date of June 30, 2020. This amendment was reviewed and approved by our Audit Committee. The Village East lease includes a sub-lease of the ground underlying the cinema that is subject to a longer-term ground lease between SHC and an unrelated third party that expires in June 2031 (the "cinema ground lease"). The extended lease provides for a call option pursuant to which Reading may purchase the cinema ground lease for \$5.9 million at the end of the lease term. Additionally, the lease has a put option pursuant to which SHC may require Reading to purchase all or a portion of SHC's interest in the existing cinema lease and the cinema ground lease at any time between July 1, 2013 and December 4, 2019. SHC's put option may be exercised on one or more occasions in increments of not less than \$100,000 each. We recorded the Village East Cinema building as a property asset of \$4.7 million on our balance sheet based on the cost carry-over basis from an entity under common control with a corresponding capital lease liability of \$5.9 million.

In February 2015, SHP and we entered into an amendment to the management agreement dated as of June 27, 2007 between SHP and us. The amendment, which was retroactive to December 1, 2014, memorialized our undertaking to SHP with respect to \$750,000 (the "Renovation Funding Amount") of renovations to Cinemas 1, 2, 3 funded or to be funded by us. In consideration of our funding of the renovations, our annual management fee under the management agreement was increased commencing January 1, 2015 by an amount equivalent to 100% of any incremental positive cash flow of Cinemas 1, 2, 3 over the average annual positive cash flow of the Cinemas 1, 2, 3 over the three-year period ended December 31, 2014 (not to exceed a cumulative aggregate amount equal to the Renovation Funding Amount), plus a 15% annual cash-on-cash return on the balance outstanding from time to time of the Renovation Funding Amount, payable at the time of the payment of the annual management fee. Under the amended management agreement, we are entitled to retain ownership of (and any right to depreciate) any furniture, fixtures and equipment purchased by us in connection with such renovation and have the right (but not the obligation) to remove all such furniture, fixtures and equipment (at our own cost and expense) from the Cinemas upon the termination of the management agreement. The amendment also provides that, during the term of the management agreement, SHP will be responsible for the cost of repair and maintenance of the renovations. In 2015, we received a management fee of \$153,000. This amendment was approved by SHC and by the Audit Committee of our Board.

OBI Management Agreement

Pursuant to a Theater Management Agreement (the "Management Agreement"), our live theater operations were, until recently, managed by Off-Broadway Investments, LLC ("OBI Management"), which is wholly owned by Ms. Margaret Cotter, the daughter of the late Mr. James J. Cotter, Sr., the sister of Ellen M. Cotter and James Cotter, Jr., and a member of our Board. The Management Agreement was terminated effective March 10, 2016 in connection with the retention by our Company of Margaret Cotter as a full time employee. The Theater Management Agreement generally provided for the payment of a combination of fixed and incentive fees for the management of our four live theaters. Historically, these fees have equated to approximately 21% of the net cash flow generated by these properties. OBI was paid \$589,000 with respect to 2015. This includes \$389,000 for theater management services performed in 2015 and \$200,000 for property development services with respect to our Company's Union Square and Cinemas 1,2,3 properties, some of which property development services were provided in periods prior to 2015 and during the period ended March 10, 2016. We paid \$397,000 and \$401,000 in fees for theater management services with respect to 2014, and 2013, respectively. No fees were paid in these periods for property development services. We also reimbursed OBI for certain travel expenses, shared the cost of an administrative assistant, and provided office space at our New York offices. The fees payable to OBI for the period January 1, 2016 through and including March 9, 2016, will be prorated.

OBI Management historically conducted its operations from our office facilities on a rent-free basis, and we shared the cost of one administrative employee of OBI Management. We reimbursed travel related expenses for OBI Management personnel with respect to travel between New York City and Chicago in connection with the management of the Royal George complex. Other than these expenses, OBI Management was responsible for all of its costs and expenses related to the performance of its management functions. The Management Agreement renewed automatically each year unless either party gave at least six months' prior notice of its determination to allow the Management Agreement to expire. In addition, we could terminate the Management Agreement at any time for cause.

Effective March 10, 2016, Margaret Cotter became a full time employee of the Company and the Management Agreement was terminated. As Executive Vice-President Real Estate Management and Development - NYC, Ms. Cotter will continue to be responsible for the management of our live theater assets, will continue her role heading up the pre-redevelopment of our New York properties and will be our senior executive responsible for the actual redevelopment of our New York properties. Pursuant to the termination agreement, Ms. Cotter has given up any right she might otherwise have, through OBI, to income from STOMP.

Ms. Cotter's compensation as Executive Vice-President was set as part of an extensive executive compensation process. For 2016, Ms. Cotter's base salary will be \$350,000, she will have a short term incentive target bonus opportunity of \$105,000 (30% of her base salary), and she was granted a long term incentive of a stock option for 19,921 shares of Class A common stock and 4,184 restricted stock units under the Company's 2010 Stock Incentive Plan, as amended, which long term incentives vest over a four year period.

Live Theater Play Investment

From time to time, our officers and Directors may invest in plays that lease our live theaters. The play STOMP has been playing in our Orpheum Theatre since prior to the time we acquired the theater in 2001. The Cotter Estate and/or the Cotter Trust and Mr. Michael Forman own an approximately 5% interest in that play, an interest that they have held since prior to our acquisition of the theater.

Shadow View Land and Farming, LLC

Director Guy Adams has performed consulting services for James J. Cotter, Sr., with respect to certain holdings that are now controlled by the Cotter Estate and/or the Cotter Trust (collectively the "Cotter Interests"). These holdings include a 50% non-controlling membership interest in Shadow View Land and Farming, LLC (the "Shadow View Investment" and "Shadow View" respectively), certain agricultural interests in Northern California (the "Cotter Farms"), and certain land interests in Texas (the "Texas Properties"). In addition, Mr. Adams is the CFO of certain captive insurance entities, owned by a certain trust for the benefit of Ellen M. Cotter, James Cotter, Jr., and Margaret Cotter (the "captive insurance entities").

Shadow View is a consolidated subsidiary of the Company. The Company has from time to time made capital contributions to Shadow View. The Company has also, from time to time, as the managing member, funded on an interim basis certain costs incurred by Shadow View, ultimately billing such costs through to the two members. The Company has never paid any remuneration to Shadow View. Mr. Adams' consulting fees with respect to the Shadow View Investment were to have been measured by the profit, if any, derived by the Cotter Interests from the Shadow View Investment. He has no beneficial interest in Shadow View or the Shadow View Investment. His consulting fees with respect to Shadow View were equal to 5% of the profit, if any, derived by the Cotter Interests from the Shadow View Investment after recoupment of its investment plus a return of 100%. To date, no profits have been generated by Shadow View and Mr. Adams has never received any compensation with respect to these consulting services. His consulting fee would have been calculated only after the Cotter Interests had received back their costs and expenses and two times their investment in Shadow View. Mr. Adams' consulting fees would have been 2.5% of the then-profit, if any, recognized by Shadow View, considered as a whole.

The Company and its subsidiaries (i) do not have any interest in, (ii) have never conducted any business with, and (iii) have not made any payments to, the Cotter Family Farms, the Texas Properties and/or the captive insurance entities.

Document Storage Agreement

In consideration of the payment of \$100 per month, our Company has agreed to allow Ellen M. Cotter and Margaret Cotter to keep certain files related to the Cotter Estate and/or the Cotter Trust at our Los Angeles Corporate Headquarters. This arrangement, however, has not been implemented.

Review, Approval or Ratification of Transactions with Related Persons

The Audit Committee has adopted a written charter, which includes responsibility for approval of "Related Party Transactions." Under its charter, the Audit Committee performs the functions of the "Conflicts Committee" of the Board and is delegated responsibility and authority by the Board to review, consider and negotiate, and to approve or disapprove on behalf of the Company the terms and conditions of any and all Related Party Transactions (defined below) with the same effect as though such actions had been taken by the full Board. Any such matter requires no further action by the Board in order to be binding upon the Company, except in the case of matters that, under applicable Nevada Law, cannot be delegated to a committee of the Board and must be determined by the full Board. In those cases where the authority of the Board cannot be delegated, the Audit Committee nevertheless provides its recommendation to the full Board.

As used in the Audit Committee's Charter, the term "Related Party Transaction" means any transaction or arrangement between the Company on one hand, and on the other hand (i) any one or more directors, executive officers or stockholders holding more than 10% of the voting power of the Company (or any spouse, parent, sibling or heir of any such individual), or (ii) any one or more entities under common control with any one of such persons, or (iii) any entity in which one or more such persons holds more than a 10% interest. Related Party Transactions do not include matters related to employment or employee compensation related issues.

The charter provides that the Audit Committee reviews transactions subject to the policy and determines whether or not to approve or ratify those transactions. In doing so, the Audit Committee takes into account, among other factors it deems appropriate:

- the approximate dollar value of the amount involved in the transaction and whether the transaction is material to us;
- whether the terms are fair to us, have resulted from arm's length negotiations and are on terms at least as favorable as would apply if the transaction did not involve a Related Person;
- the purpose of, and the potential benefits to us of, the transaction;
- whether the transaction was undertaken in our ordinary course of business;
- the Related Person's interest in the transaction, including the approximate dollar value of the amount of the Related Person's interest in the transaction without regard to the amount of any profit or loss;
- required public disclosure, if any; and
- any other information regarding the transaction or the Related Person in the context of the proposed transaction that would be material to investors in light of the circumstances of the particular transaction.

INDEPENDENT PUBLIC ACCOUNTANTS

Summary of Principal Accounting Fees for Professional Services Rendered

Our independent public accountants, Grant Thornton LLP, have audited our financial statements for the fiscal year ended December 31, 2015, and are expected to have a representative present at the Annual Meeting, who will have the opportunity to make a statement if he or she desires to do so and is expected to be available to respond to appropriate questions.

Audit Fees

The aggregate fees for professional services for the audit of our financial statements, audit of internal controls related to the Sarbanes-Oxley Act, and the reviews of the financial statements included in our Forms 10-K and 10-Q provided by Grant Thornton LLP for 2015 and 2014 were approximately \$931,500 and \$661,700, respectively.

Audit-Related Fees

Grant Thornton LLP did not provide us any audit related services for 2015 or 2014.

Tax Fees

Grant Thornton LLP did not provide us any products or any services for tax compliance, tax advice, or tax planning for 2015 or 2014.

All Other Fees

Grant Thornton LLP did not provide us any services for 2015 or 2014, other than as set forth above.

Pre-Approval Policies and Procedures

Our Audit Committee must pre-approve, to the extent required by applicable law, all audit services and permissible non-audit services provided by our independent registered public accounting firm, except for any *de minimis* non-audit services. Non-audit services are considered *de minimis* if (i) the aggregate amount of all such non-audit services constitutes less than 5% of the total amount of revenues we paid to our independent registered public accounting firm during the fiscal year in which they are provided; (ii) we did not recognize such services at the time of the engagement to be non-audit services; and (iii) such services are promptly submitted to our Audit Committee for approval prior to the completion of the audit by our Audit Committee or any of its members who has authority to give such approval. Our Audit Committee pre-approved all services provided to us by Grant Thornton LLP for 2015 and 2014.

STOCKHOLDER COMMUNICATIONS

Annual Report

A copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2015 is being provided with this Proxy Statement.

Stockholder Communications with Directors

It is the policy of our Board that any communications sent to the attention of any one or more of our Directors in care of our executive offices will be promptly forwarded to such Directors. Such communications will not be opened or reviewed by any of our officers or employees, or by any other Director, unless they are requested to do so by the addressee of any such communication. Likewise, the content of any telephone messages left for any one or more of our Directors (including call-back number, if any) will be promptly forwarded to that Director.

Stockholder Proposals and Director Nominations

Any stockholder who, in accordance with and subject to the provisions of the proxy rules of the SEC, wishes to submit a proposal for inclusion in our Proxy Statement for our 2017 Annual Meeting of Stockholders, must deliver such proposal in writing to the Annual Meeting Secretary at the address of our Company's principal executive offices at 6100 Center Drive, Suite 900, Los Angeles, California 90045. Unless we change the date of our 2017 annual meeting by more than 30 days from the anniversary of the prior year's meeting, such written proposal must be delivered to us no later than December 23, 2016 to be considered timely. If our 2017 Annual Meeting is not held within 30 days of the anniversary of our 2016 Annual Meeting, to be considered timely, stockholder proposals must be received no later than ten days after the earlier of (a) the date on which notice of the 2017 Annual Meeting is mailed, or (b) the date on which the Company publicly discloses the date of the 2017 Annual Meeting, including disclosure in an SEC filing or through a press release. If we do not receive notice of a stockholder proposal on or before March 8, 2017, the proxies that we hold may confer discretionary authority to vote against such stockholder proposal, even though such proposal is not discussed in our Proxy Statement for that meeting.

Our Boards will consider written nominations for Directors from stockholders. Nominations for the election of Directors made by our stockholders must be made by written notice delivered to our Secretary at our principal executive offices not less than 120 days prior to the first anniversary of the date that this Proxy Statement is first sent to stockholders. Such written notice must set forth the name, age, address, and principal occupation or employment of such

nominee, the number of shares of our Company's common stock that is beneficially owned by such nominee and such other information required by the proxy rules of the SBC with respect to a nominee of the Board.

Under our governing documents and applicable Nevada law, our stockholders may also directly nominate candidates from the floor at any meeting of our stockholders held at which Directors are to be elected.

OTHER MATTERS

We do not know of any other matters to be presented for consideration other than the proposals described above, but if any matters are properly presented, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their judgment.

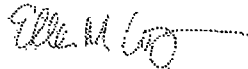

DELIVERY OF PROXY MATERIALS TO HOUSEHOLDS

As permitted by the Securities Exchange Act of 1934, only one copy of the proxy materials are being delivered to our stockholders residing at the same address, unless such stockholders have notified us of their desire to receive multiple copies of the proxy materials.

We will promptly deliver without charge, upon oral or written request, a separate copy of the proxy materials to any stockholder residing at an address to which only one copy was mailed. Requests for additional copies should be directed to our Corporate Secretary by telephone at (213) 235-2240 or by mail to Corporate Secretary, Reading International, Inc., 6100 Center Drive, Suite 900, Los Angeles, California 90045.

7 COMES NOW, James J. Cotter, Jr. ("Plaintiff" or "Responding Party") and hereby serves
8 his responses to Edward Kane's ("Defendant" or "Propounding Party") First Set of Requests for
9 Admission (the "Requests").

10 **GENERAL OBJECTIONS**

11 Responding Party incorporates the following general objections into each specific response
12 and objection set forth below:

- 13 (1) Responding Party objects to the Requests to the extent they seek documents
14 or information which is protected by (or which cannot be provided without
15 disclosing) attorney client privilege, the attorney-work product doctrine
16 and/or otherwise is privileged or protected from disclosure, including in
17 particular communications of counsel of record for Plaintiff in this action,
18 which communications will not be produced or logged;
- 19 (2) Responding Party objects to the Requests to the extent they seek documents
20 or information the production or disclosure of which violates any person or
21 entity's right to privacy;
- 22 (3) Responding Party objects to the Requests to the extent they seek documents
23 or information not in Responding Party's possession, custody, or control;

proprietary, or developmental commercial or business information or research, or seeks documents or information otherwise protected from disclosure;

(6) Responding Party objects to the Requests to the extent they attempt or purport to impose obligations exceeding those authorized or imposed by the Nevada Rules of Civil Procedure;

(7) Responding Party objects to the Requests insofar as they seek documents or information beyond the time and scope of matters at issue in the captioned action and/or which are neither relevant nor reasonably calculated to lead to the discovery of admissible evidence; and

(8) Responding Party objects to the Requests because they generally are unlimited as to time, meaning that they generally provide no time frame or date range to limit the scope of documents or information requested.

(9) Responding Party is conducting discovery and an ongoing investigation of the facts and law relating to this action, including certain of the Requests. Responding Party's objections and responses are based on the present knowledge, information and belief of Responding Party, as well as the documents in Responding Party's possession, custody or control. For these reasons, among others, the objections and responses provided are made without prejudice to Responding Party's right to produce evidence of subsequently discovered facts or to supplement, modify or otherwise change or amend the objections and responses or to rely on additional evidence in pretrial proceedings and trial. 16.2 Nature of guarantee

- (a) The guarantee in clause 16.1 is a continuing obligation despite any intervening payment, settlement or other thing and extends to all of the Guaranteed Money.
- (b) As between each Guarantor and the Bank (but without affecting the obligations of any other Transaction Party) each Guarantor is liable under this document in relation to the Guaranteed Money as a sole and principal debtor and not as surety.

16.3 Indemnity

- (a) Each Guarantor indemnifies the Bank against any liability or loss arising and any costs it suffers or incurs:
 - (i) if a Transaction Party does not, is not obliged to or is unable to pay the Guaranteed Money in accordance with the Transaction Documents;
 - (ii) if a Guarantor is not obliged to pay the Bank an amount under clause 16;
 - (iii) if the Bank is obliged, or agrees, to pay an amount to a trustee in bankruptcy or liquidator (of an insolvent person) in connection with a payment by a Transaction Party under or in connection with a Transaction Document;
 - (iv) if a Guarantor defaults under the Guarantee in clause 16.1; or
 - (v) in connection with any person exercising, or not exercising, rights under the Guarantee in clause 16.1.
- (b) Each Guarantor agrees to pay amounts due under this indemnity immediately on demand from the Bank.

16.4 Reinstatement of rights

- (a) Following an insolvency Event in respect of a Transaction Party, a person may claim that a transaction (including a payment) in connection with this Guarantee or the Guaranteed Money is void or voidable.
- (b) If a claim is made and upheld, conceded or compromised:
 - (i) the Bank is immediately entitled as against the Guarantors to the rights in respect of the Guaranteed Money to which it was entitled immediately before the transaction; and
 - (ii) on request from the Bank, each Guarantor agrees to do anything (including signing any document) to restore to the Bank any Security Interest (including this Guarantee) held by it from the Guarantors immediately before the transaction.

16.5 Rights of the Bank are protected

Rights given to the Bank under this Guarantee (and each Guarantor's liabilities under it) are not affected by any act or omission by the Bank or by anything else that might otherwise affect them under law or otherwise, including:

- (e) the fact that it varies or novates any agreement under which the Guaranteed Money is expressed to be owing, such as by increasing the Facility Limit or extending the term;
- (b) the fact that it releases any Transaction Party or gives it a concession, such as more time to pay;
- (c) the fact that a Transaction Party opens an account with it;
- (d) the fact that it releases, loses the benefit of or does not obtain any Security Interest;
- (e) the fact that it does not register any Security Interest which could be registered;
- (f) the fact that it releases any person who gives a guarantee or indemnity in connection with any Transaction Party's obligations (including under clause 16.13);
- (g) the fact that a person becomes a Guarantor after the date of this document (including under clause 16.14);
- (h) the fact the obligations of any person who guarantees any Transaction Party's obligations (including under this Guarantee) may not be enforceable;
- (i) the fact that any person who was intended to guarantee any Transaction Party's obligations does not do so or does not do so effectively;
- (j) changes in the membership, name or business of any person; or

If more than one person is named as "Guarantor", each of them is liable for all the obligations under this Guarantee both individually and jointly with any one or more other persons named as "Guarantor".

16.8 Guarantor's rights are suspended

As long as any of the Guaranteed Money remains unpaid, the Guarantor may not, without the Bank's consent:

- (a) reduce its liability under this Guarantee by claiming that it or any other Transaction Party or any other person has a right of set-off or counterclaim against the Bank;
- (b) exercise any legal right to claim to be entitled to the benefit of another guarantee, indemnity, or Security interest given in connection with the Guaranteed Money or any other amount payable under this Guarantee;

- (d) claim an amount in the insolvency of a Transaction Party or of another guarantor of the Guaranteed Money (including a person who has signed this document as a "Guarantor").

16.9 Guarantor's right of proof limited

Each Guarantor agrees not to exercise a right of proof after an event occurs relating to the insolvency of a Transaction Party or another guarantor of the Guaranteed Money (including a person who has signed this document as a "Guarantor") independently of an attorney appointed under clause 16.12.

16.10 No set-off against assignees

The Bank may place in a suspense account any payment it receives from the Guarantors if there is currently an Insolvency Event, or an Insolvency Event is likely to occur, in relation to any Transaction Party, but must apply it towards satisfying the Guaranteed Money within six months unless the winding up of the relevant Guarantor has commenced.

- (ii) delegates its powers (including this power) and may revoke a delegation; and
 - (iii) exercise its powers even if this involves a conflict of duty and even if it has a personal interest in doing so.
- (c) The attorney need not account to a Guarantor for any dividend received on exercising the right of proof under clause 16.12(i) except to the extent that any dividend remains after the Bank has received all of the Guaranteed Money and all other amounts payable under the Guarantee.

- (a) The Bank must, at the Borrower's cost, execute any release documentation in respect of the Bank's rights under clause 16.

- (b) each Transaction Party waives its right to receive from the Bank any notice required under s157 of the PPS Act or the provisions of the PPS Act referred to in s144 of the PPS Act, except section 135.

Item 5.02 (c)

Andrzej Matyczynski

On March 10, 2016, the Company's Board of Directors (the "Board") appointed Andrzej Matyczynski, 63, as Executive Vice President—Global Operations.

From May 11, 2015 until March 10, 2016, Andrzej Matyczynski has acted as corporate advisor to the Company. Mr. Matyczynski served as our Chief Financial Officer and Treasurer from November 1999 until May 11, 2015 and Corporate Secretary from May 10, 2011 to October 20, 2014. Prior to joining our Company, he spent 20 years in various senior roles throughout the world at Beckman Coulter Inc., a U.S. based multi-national. Mr. Matyczynski earned a Master's Degree in Business Administration from the University of Southern California.

See Item 5.02(c) below with respect to the compensation arrangements for Mr. Matyczynski.

Margaret Cotter

On March 10, 2016, the Board appointed Margaret Cotter, 48, as Executive Vice President-Real Estate Management and Development-NYC.

Margaret Cotter has been a Director of the Company since September 27, 2002, and on August 7, 2014 was appointed Vice Chairperson of our Board. Ms. Cotter is the owner and President of OBI, LLC ("OBI"), which has, since 2002, managed our live-theater operations. Pursuant to the OBI management arrangement, Ms. Cotter also served as the President of Liberty Theaters, LLC, the subsidiary through which we own our live theaters. Operating and overseeing these properties for over 16 years, Ms. Cotter contributes to the strategic direction for our developments. Until her appointment on March 10, 2016, while she received management fees through OBI, Ms. Cotter received no compensation for her duties as President of Liberty Theaters, LLC, other than the right to participate in our Company's medical insurance program. Ms. Cotter, through OBI and Liberty Theaters, LLC, managed the real estate which houses each of our four live theaters in Manhattan and Chicago. Based in New York, Ms. Cotter secures leases, manages tenancies, oversees maintenance and regulatory compliance of these properties and heads up the re-development process with respect to these properties and our Cinemas 1, 2 & 3 property. Ms. Cotter is also a theatrical producer who has produced shows in Chicago and New York and a board member of the League of Off-Broadway Theaters and Producers. Ms. Cotter, a former Assistant District Attorney for King's County in Brooklyn, New York, graduated from Georgetown University and Georgetown University Law Center. She is the sister of Ellen M. Cotter, a director and our President and Chief Executive Officer, and James J. Cotter, Jr., a director. Ms. Margaret Cotter is a Co-Executor of her father's estate, which is the record owner of 427,808 shares of our Class B Voting Stock (representing 25.5% of such Class B voting Stock). Ms. Margaret Cotter is also a Co-Trustee of the James J. Cotter, Sr. Trust, which is the record owner of 696,080 shares of Class B Voting Common Stock (representing an additional 44.0% of such Class B Stock). In addition, with her direct ownership of 804,173 shares of Class A Stock and 35,100 shares of Class B Stock and her positions as Co-Executor of her father's estate and Co-Trustee of the James J. Cotter, Sr. Trust, Ms. Cotter is a significant stockholder in our Company.

In connection with her appointment and employment as Executive Vice President of the Company, the Company's Audit and Conflicts Committee authorized the mutual termination of the Theater Management Agreement dated January 1, 2002, between the Company's subsidiary, Liberty Theaters, Inc. (predecessor to Liberty Theaters, LLC) and OBI, LLC, an entity wholly-owned by Ms. Cotter, (the "Theater Management Agreement"). The termination agreement is currently being negotiated by OBI, LLC and Liberty Theaters, LLC and finalized, will be filed on Form 8-K. While Ms. Cotter is the President of Liberty Theaters, LLC, Liberty Theaters, LLC is being separately represented in these negotiations and the final termination agreement will be subject to the review and approval of our Audit and Conflicts Committee.

The Compensation Committee and the Audit and Conflicts Committee each approved additional consulting fee compensation to Margaret Cotter totaling \$200,000 for services rendered by her to the Company in recent years outside of the scope of the Theater Management Agreement, including, but not limited to: (i) predevelopment work on the Company's Union Square and Cinemas 1, 2 & 3 properties, (ii) management of the New York properties, and (iii) management of Union Square tenant matters. The Compensation Committee also noted, when considering this additional consulting fee, that OBI, LLC had agreed to include as a part of its termination agreement with the Company certain waivers and releases including the termination of any rights it might have to receive compensation with respect to any show continuing at any of our theaters after the date of such termination.

The Theater Management Agreement generally provided for the payment of a combination of fixed and incentive fees for the management of our four live theaters. Historically, these fees have equated to approximately 21% of the net cash flow generated by these properties. We currently estimate that fees to be paid to OBI for 2015 will be approximately \$390,000. We paid \$397,000 and \$401,000 in fees with respect to 2014, and 2013, respectively. We also reimbursed OBI for certain travel expenses.

As Executive Vice-President Real Estate Management and Development - NYC, Ms. Cotter will continue to be responsible for the management of our live theater assets and business, will continue her role heading up the pre-redevelopment of our New York Properties and will become our senior executive responsible for the actual redevelopment of our New York properties.

Ms. Cotter's compensation as Executive Vice-President was set as part of the extensive executive compensation process described in Item 5.02(e) below. For 2016, Ms. Cotter's base salary will be \$350,000, she will have a short term incentive target bonus opportunity of \$105,000 (30% of her base salary), and she was granted a long term incentive of a stock option for 19,921 shares of Class A common stock and 4,184 restricted stock units under the Company's 2010 Stock Incentive Plan, as amended, which long term incentives vest over a four year period.

Item 5.02(e)

Compensation Arrangements

Background

The Executive Committee ("Executive Committee") of the Board of Directors (the "Board"), upon the recommendation of our Chief Executive Officer, requested the Compensation Committee to evaluate the Company's compensation policy for executive officers and outside directors and to establish a plan that encompasses sound corporate practices consistent with the best interests of the Company. The Compensation Committee undertook to review, evaluate, revise and recommend the adoption of new compensation arrangements for executive and management officers and outside directors of the Company. In January 2016, the Compensation Committee retained the international compensation consulting firm of Willis Towers Watson as its advisor in this process and also relied on the Company's legal counsel, Greenberg Traurig, LLP.

Going forward, the Board of Directors has adopted a formal charter for our Compensation Committee a copy of which has been posted on our website, www.ReadingRDI.com.

Executive Compensation

From late January to late February 2016, the Compensation Committee met five separate times with Willis Towers Watson, the Chief Executive Officer, and legal counsel. Except for the first meeting, each meeting exceeded three hours and was fully focused on the assessments

discussed above. As part of its engagement Willis Towers Watson reviewed the Company's compensation paid to executive and management officers by position, in light of each person's duties and responsibilities. Willis Towers Watson then compared the top executive and management positions at the Company to (i) executive compensation paid by a peer group and (ii) two surveys, the 2015 Towers Watson Data Services Top Management Survey Report and the 2015 Mercer MBD Executive Compensation Survey, in each case, identified by office position and duties performed by the officer. The peer group utilized by Willis Towers Watson included the following companies:

Arcadia Realty Trust
Associated Estates Realty Corp.
Carmike Cinemas Inc.
Cedar Realty Trust Inc.
Charter Hall Group
EPR Properties
Vicinity Centres
IMAX Corporation

Inland Real Estate Corp.
Kite Realty Group Trust
Marcus Corporation
Pennsylvania Real Estate Investment Trust
Ramco-Gershenson Properties Trust
Urstadt Biddle Properties Inc.
Village Roadshow Ltd.

Willis Towers Watson selected the above peer group because (i) the companies included US and Australian based companies reflecting the Company's geographic operations and (ii) the companies were comparable to the Company based on revenue.

The executive pay assessment prepared by Willis Towers Watson measured the executive and management compensation paid by the Company against compensation paid by peer group companies and the companies listed in the two surveys based on the 25th, 50th and 75th percentile of such peer group and surveyed companies. The 50th percentile was the median compensation paid by such peer group and surveyed companies to executives performing similar responsibilities and duties.

In its report to the Compensation Committee, Willis Towers Watson noted that for Company executive officers:

- Base salaries in the aggregate were generally in the competitive zone of the market (1% below the market 50th percentile), with certain notable exceptions on position by position review;
- Total cash compensation (base salary and cash bonus) in the aggregate was 26% below the 50th percentile; and
- Total compensation (base salary, cash bonus and long term incentive awards) in the aggregate was 40% below the 50th percentile.

The Willis Towers Watson assessment compared the base salary, the short term incentive (cash bonus) and long term incentive (equity awards) of the peer and surveyed companies to the base salary, short term incentive and long term incentive provided to executives by the Company. The assessment concluded that except in a few positions, the Company was generally competitive in base salary, however, the Company was not competitive when short term incentives and long term incentives were included in the total compensation paid to the Company

executives and management. The base salary paid by the Company to the following officers was below the 25th percentile: President and CEO. The total compensation (base salary, short term incentive and long term incentive) paid by the Company to the following officers was below the 25th percentile: President and CEO, EVP Global Operations, and Chief Legal Officer. The only officer at or above the 50th percentile for total compensation was the Company's Chief Financial Officer and Treasurer who had joined the Company in May 2015 and which was the product of a negotiated arms-length employment agreement.

As a result of the foregoing factors Willis Towers Watson recommended that the Company:

- In determining salary increases, the Company should consider the executive's current competitive position, performance, role, and retention risk.
- Implement a formal annual incentive opportunity for all executives.
- Implement a regular annual grant program for long-term incentives.

The foregoing observations and recommendations were studied, questioned and thoroughly discussed by the Compensation Committee, Willis Towers Watson and legal counsel over each of the four in-person meetings (the first of the five meetings mentioned above was conducted by telephone and was focused on engagement of advisors). Among other things, the Compensation Committee discussed and considered the recommendations made by Willis Towers Watson regarding the establishment of a compensation program with the long term objective to target the compensation program with the market 50th percentile of our peer companies, however, for 2016, to target our compensation program to the 25th percentile of our peer companies. In each case, however, the Compensation Committee's final decision or recommendation, as the case may be, as to total compensation to an individual would be based on the individual's actual performance and specific circumstances and to adjust base salary, short term incentive, and long term incentive accordingly.

The Compensation Committee recommended, and the Board subsequently adopted, a compensation philosophy for the Company's management team members to:

- Attract and retain talented and dedicated management team members;
- Provide overall compensation that is competitive in its industry;
- Correlate annual cash incentives to the achievement of its business and financial objectives;
- and
- Provide management team members with appropriate long-term incentives aligned with stockholder value.

As part of the compensation philosophy the Company's compensation focus will be to (1) drive the Company's strategic plan on growth, (2) align officer and management performance with the interests of the Company's stockholders, and (3) encourage retention of officers and management team members.

In furtherance of the compensation policy and as a result of the extensive deliberations, including consideration of the Willis Towers Watson recommendations, the Compensation Committee adopted an executive and management officer compensation structure for 2016 consisting of:

- A base salary comparable with job description and industry standard.
- A short term incentive or cash bonus plan based on a combination of factors including individual performance against corporate goals as well as overall corporate and division performance. Target bonus to be denominated as a percent of base salary with specific goals weightings and pay-out ranges).
- A long term incentive or equity awards inline with job description, performance, and industry standards.

The Compensation Committee's intention is that the compensation structure approved for 2016 will remain in place indefinitely. However, it will review performance and results after the first year and thereafter and evaluate from time to time whether enhancements, changes or other compensation structures are in the Company's and its stockholders best interests.

Reflecting the new approach, the Compensation Committee established (i) annual base salaries at levels that it believed (based heavily on the data provided by Willis Towers Watson) are generally competitive with executives in our peer group and in other comparable publicly-held companies as described in the executive pay assessment prepared by Willis Towers Watson, and (ii) short term incentives in the form of discretionary annual cash bonuses based on the achievement of identified goals and benchmarks. Long-term incentives in the form of employee stock options and restricted stock units will be used as a retention tool and as a means to further align an executive's long-term interests with those of the Company's stockholders, with the ultimate objective of affording our executives an appropriate incentive to help drive increases in stockholder value.

The Compensation Committee will evaluate both executive performance and compensation to maintain the Company's ability to attract and retain highly-qualified executives in key positions and to assure that compensation provided to executives remains competitive when compared to the compensation paid to similarly situated executives of companies with whom we compete for executive talent or that we consider comparable to our company.

Role of Chief Executive Officer in Compensation Decisions

In connection with the implementation of the new compensation structure, the Compensation Committee conducted the thorough review of executive compensation discussed above. The Compensation Committee engaged in extensive discussions with and considered with great weight the recommendations of the Chief Executive Officer as to compensation for executive and management team members other than for the Chief Executive Officer.

In connection with consideration of 2015 performance bonuses for members of management, the Chief Executive Officer prepared and submitted recommendations for each of the executive and management team members, other than her own. In considering these recommendations, the Compensation Committee had the benefit of its extensive deliberations as well as the data provided by Willis Towers Watson. In executive session, the Compensation Committee approved a 2015 performance bonus for the Chief Executive Officer. At the Compensation Committee's February 17, 2016 meeting, it approved recommendations to the Board for its February 18, 2016 meeting, at which time the Board approved the same. The Board

approval covered certain officers including the five officers set forth below. In addition, our Chief Executive Officer discussed recommendations for other management team members but the Compensation Committee and Board agreed that such positions were within the scope of the Chief Executive Officer's authority and did not require the Compensation Committee or Board approval.

The Compensation Committee expects to perform an annual review of executive compensation, generally in the first quarter of the year following the year in review, with a presentation by the Chief Executive Officer regarding each element of the executive compensation arrangements. At the Compensation Committee's direction, the Chief Executive Officer prepared an executive compensation review for each executive officer (other than the Chief Executive Officer), as well as the full executive team, which included recommendations for:

- 2016 Base Salary
- A proposed year-end short-term incentive in the form of a target cash bonus based on the achievement of certain objectives; and
- A long-term incentive in the form of stock options and restricted stock units for the year under review.

As part of the compensation review, the Chief Executive Officer may also recommend other changes to an executive's compensation arrangements such as a change in the executive's responsibilities. The Compensation Committee will evaluate the Chief Executive Officer's recommendations and, in its discretion, may accept or reject the recommendations, subject to the terms of any written employment agreements.

The Compensation Committee met in executive session without our Chief Executive Officer to consider the Chief Executive Officer's compensation, including base salary, cash bonus and equity award, if any. Prior to such executive sessions, the Compensation Committee interviewed the Chief Executive Officer to obtain a better understanding of factors contributing to the Chief Executive Officer's compensation. With the exception of these executive sessions of the Compensation Committee, as a rule, our Chief Executive Officer participated in all deliberations of the Compensation Committee relating to executive compensation. However, the Compensation Committee also asked our Chief Executive Officer to be excused for certain deliberations with respect to the compensation recommended for Margaret Cotter, the sister of the Chief Executive Officer.

In conjunction with the year-end annual compensation review, or as soon as practicable after the year-end, our Chief Executive Officer will recommend to the Compensation Committee the Company objectives and other criteria to be utilized for purposes of determining cash bonuses for certain senior executive officers. The Compensation Committee, in its discretion, may revise the Chief Executive Officer's recommendations. At the end of the year, the Compensation Committee, in consultation with the Chief Executive Officer, will review each performance goal and determine the extent to which the officer achieved such goals. In establishing performance goals, the Compensation Committee expects to consider whether the goals could possibly result in an incentive for any executives to take unwarranted risks in our Company's business and intend to seek to avoid creating any such incentives.

Base Salaries

The Compensation Committee reviewed the executive pay assessment prepared by Willis Towers Watson and other factors and engaged in extensive deliberation and then recommended the following 2016 base salaries (the 2015 base salaries are shown for comparison purposes) for the following officers; the Board approved the recommendations of the Compensation Committee on March 10, 2016: the President and Chief Executive Officer, Chief Financial Officer and the persons identified and Named Executive Officers in the Company's proxy statement dated November 10, 2015 other than our prior Chief Executive Officers James J. Cotter, Sr. and James J. Cotter, Jr:

Name	Title	2016 Base Salary(4)	2015 Base Salary(4)
Ellen Cotter (1)	President and Chief Executive Officer	\$450,000	\$402,000
Devasis Ghose (2)	Chief Financial Officer	400,000	400,000
Andrzej Matyczynski (3)	EVP Global Operations	336,000	312,000

- (1) Ellen M. Cotter was appointed Interim President and Chief Executive Officer on June 12, 2015 and President and Chief Executive Officer on January 8, 2016.
- (2) Devasis Ghose was appointed Chief Financial Officer on May 11, 2015. Mr. Ghose is the only executive officer that is a party to an employment agreement.
- (3) Andrzej Matyczynski was the Company's Chief Financial Officer until May 11, 2015 and thereafter he acted as corporate advisor to the Company. He was appointed EVP-Global Operations on March 10, 2016.

Short Term Incentives

The Short Term Incentives authorized by the Compensation Committee and the Board provides the Company's executive officers and other management team members, who are selected to participate, with an opportunity to earn an annual cash bonus based upon the achievement of certain Company financial goals, division goals and individual goals, established by the Company's Chief Executive Officer and approved by the Compensation Committee and the Board of Directors (in future years, under the Compensation Committee Charter approved by the Board on March 10, 2016, the Compensation Committee will have full authority to approve

these matters). Specifically, a participant in the short term incentive plan will be advised of his or her annual potential target bonus expressed as a percentage of the participant's base salary and by dollar amount. The participant will be eligible for a short term incentive bonus once the participant achieves goals identified at the beginning of the year for a threshold target, the potential target or potential maximum target bonus opportunity. The bonus will vary depending upon the achievements made by the individual participants, the division and the corporation. Corporate goals will include levels of earnings before interest, depreciation, taxes and amortization ("non-GAAP Operating Income") and property development milestones. Division goals will include levels of division cash flow and division milestones and individual goals will include specific unique performance goals specific to the individual's position in the Company. Each of the corporate, division and individual goals carries a different percentage weight in determining the officer's or other team member's bonus for the year.

For 2016, executive officers will have an annual bonus opportunity expressed and determined as a percent of their base salary. This approach also was a recommendation of the Willis Towers Watson report to the Compensation Committee and provided points of reference for our Compensation Committee to compare short-term incentive opportunities for our executive and management team to those in peer and competitor companies.

Ms. Ellen Cotter, President and Chief Executive Officer, has a potential target bonus opportunity of 95% of Base Salary, or \$427,500 at target. Of that potential target bonus opportunity, a threshold bonus of \$213,750 may be achieved based upon Ms. Cotter's achievement of her performance goals and the Company's achievement of corporate goals as discussed above, a potential maximum target of \$641,250 is based on achieving performance goals approved by the Chairman of the Compensation Committee. Ms. Cotter's aggregate annual bonus opportunity can range from \$0 to \$641,250. Mr. Devasis Ghose, Chief Financial Officer, has a potential target bonus opportunity of 50% of Base Salary, or \$200,000 at target, which is based on achievement of his performance goals and the Company's achievement of corporate goals, as discussed above. Mr. Ghose's aggregate annual bonus opportunity can range from \$0 to \$300,000 (the maximum potential target if additional performance goals are met by Mr. Ghose). Mr. Andrzej Matyczynski, EVP - Global Operations, has a target bonus opportunity of 50% of Base Salary, or \$168,000 at target, which is based on achievement of his performance goals, the Company's achievement of corporate goals and certain divisional goals. Mr. Matyczynski's aggregate annual bonus opportunity can range from \$0 to \$252,000 (the maximum potential target if additional performance goals are met by Mr. Matyczynski). Mr. Robert Smerling, President, US Cinemas, has a target bonus opportunity of 30% of base pay, or \$112,500 at target, which is based on achievement of his performance goals, the Company's achievement of corporate goals and certain divisional goals. Mr. Smerling's aggregate annual bonus opportunity can range from \$0 to \$168,750 (the maximum potential target if additional performance goals are met by Mr. Smerling). Mr. Wayne Smith, Managing Director, ANZ, has a target bonus opportunity of 40% of Base Salary, or A\$148,000 at target, which is based on achievement of his performance goals, the Company's achievement of corporate goals and certain divisional goals. Mr. Smith's aggregate annual bonus opportunity can range from A\$0 to A\$222,000 (the maximum potential target if additional performance goals are met by Mr. Smith). The positions of other management team members have target bonus opportunities ranging from 20% to 30% of Base Salary based on achievement certain goals. The highest level of achievement,

participants may be eligible to receive up to a maximum of 150% of his or her target bonus amount.

Long-Term Incentives

Long-Term incentives will utilize the equity-based plan under the Company's 2010 Incentive Stock Plan, as amended (the "2010 Plan"). For 2016, executive and management team participants will receive awards in the following forms: 50% time-based restricted stock units and 50% non-statutory stock options. The grants of restricted stock units and options will vest ratably over a four (4) year period with 1/4th vesting on each anniversary date of the grant date.

On March 10, 2016 the following grants were made:

Name	Title	Dollar Amount of Restricted Stock Units (1)	Dollar Amount of Non-Statutory Stock Options (1)
Ellen Cotter	President and Chief Executive Officer	\$150,000	\$150,000
Devasis Ghose (2)	Chief Financial Officer	0	0
Andrzej Matyczynski	EVP Global Operations	37,500	37,500
Robert F. Smerling	President, US Cinemas	50,000	50,000
Wayne Smith	Managing Director, ANZ	27,000	27,000

(1) The number of shares of stock to be issued will be calculated using the Black Scholes pricing model as of the date of grant of the award.

(2) Mr. Devasis Ghose was awarded 100,000 non-statutory stock options vesting over a 4 year period on Mr. Ghose's commencement of employment on May 11, 2015.

All long-term incentive awards will be subject to other terms and conditions set forth in the 2010 Plan and award grant.

Director Compensation

The Compensation Committee also undertook a review of outside director compensation. The process followed was similar to that in scope and approach used by the Compensation Committee in considering executive compensation as described above. The meetings of the Compensation Committee evaluating executive compensation in most cases also considered

outside director compensation, although a substantial majority of those meetings were focused on executive compensation considerations.

Willis Towers Watson reviewed and presented to the Compensation Committee the competitiveness of the Company's outside director compensation. The Company's outside director compensation was compared to the compensation paid by the 15 peer companies (identified above in the Executive Compensation discussion). Willis Towers Watson's key findings were:

- The Company's annual board retainer was slightly above the 50th percentile while the total cash compensation paid to outside directors was close to the 25th percentile.
- Due to minimal annual director equity grants at the Company, total direct compensation to the Company's outside directors was the lowest among the peer group.
- The Company should consider increasing its committee cash compensation and annual director equity grants to be in line with peer practices.

The foregoing observations and recommendations were studied, questioned and thoroughly discussed by the Compensation Committee, Willis Towers Watson and legal counsel at three of the four in-person meetings (the first of the five meetings mentioned above was conducted by telephone and was focused on engagement of advisors). Among other things, the Compensation Committee discussed and considered the recommendations made by Willis Towers Watson regarding director retainer fees and equity awards for directors. Following discussion the Committee recommended to the Board that:

- The Board retainer currently paid to outside directors not be changed
- The committee chair retainers be increased to \$20,000 for the Audit Committee and the Executive Committee and \$15,000 for the Compensation Committee.
- The committee member fees be increased to \$7,500 for the Audit and Executive Committees and to \$5,000 for the Compensation Committee.
- The Lead Director fee be increased to \$10,000.
- The annual equity award value to directors be \$60,000 as a fixed dollar value (using Black-Scholes), that the equity award be restricted stock units and that such restricted stock units have a twelve month vesting period.
- The Board approved additional special compensation to be paid to certain directors for extraordinary services provided to the Company and devotion of time in providing such services as follows:
 - Guy W. Adams, \$50,000
 - Edward L. Kane, \$10,000
 - Douglas J. McEachern, \$10,000

The recommendations of the Compensation Committee with respect to outside director compensation were presented and approved by the Board on May 10, 2016. Board compensation was made effective for the year 2016 and equity grants were made on March 10, 2016 based upon the closing of the Company's Class A Common Stock on such date.

WHEREAS, the Plan provides for the award of restricted stock;

NOW, THEREFORE, in accordance with Section 12 of the Plan, the Plan is amended as follows as of the Effective Date:

Restricted Stock Units. Each restricted stock unit agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. The terms and conditions of the restricted stock unit agreements may change from time to time, and the terms and conditions of separate restricted stock unit agreements need not be identical, but each restricted stock unit agreement shall include (through inclusion or incorporation of provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:
 - i. **Consideration** . A restricted stock unit may be awarded upon the passage of time, the attainment of performance criteria or the satisfaction or occurrence of such other events as established by the Board.

Compensatory Arrangements for Executive and Management Employees

Background

The Executive Committee ("Executive Committee") of the Board of Directors (the "Board") of Reading International, Inc. ("Reading," "Registrant" or the "Company"), upon the recommendation of our Chief Executive Officer, requested the Compensation and Stock Options Committee (the "Compensation Committee") to evaluate the Company's compensation policy for executive officers and outside directors and to establish a plan that encompasses sound corporate practices consistent with the best interests of the Company. The Compensation Committee undertook to review, evaluate, revise and recommend the adoption of new compensation arrangements for executive and management officers and outside directors of the Company. In January 2016, the Compensation Committee retained the international compensation consulting firm of Willis Towers Watson as its advisor in this process and also relied on the Company's legal counsel, Greenberg Traurig, LLP.

Executive Compensation

From late January to late February 2016, the Compensation Committee met five separate times with Willis Towers Watson, the Chief Executive Officer, and legal counsel. As part of its engagement Willis Towers Watson reviewed the Company's compensation paid to executive and management officers by position, in light of each person's duties and responsibilities. Willis Towers Watson then compared the top 12 executive and management positions at the Company to (i) executive compensation paid by a peer group and (ii) two surveys, the 2015 Towers Watson Data Services Top Management Survey Report and the 2015 Mercer MBD Executive Compensation Survey, in each case, identified by office position and duties performed by the officer. The peer group utilized by Willis Towers Watson included the following companies:

Arcadia Realty Trust
Associated Estates Realty Corp.
Carmike Cinemas Inc.
Cedar Realty Trust Inc.
Charter Hall Group
Epr Properties
Vicinity Centres
IMAX Corporation

Inland Real Estate Corp.
Kite Realty Group Trust
Marcus Corporation.
Pennsylvania Real Estate Investment Trust
Ramco-Gershenson Properties Trust
Urstadt Biddle Properties Inc.
Village Roadshow Ltd.

Willis Towers Watson selected the above peer group because (i) the companies included US and Australian based companies reflecting the Company's geographic operations and (ii) the companies were comparable to the Company based on revenue.

The executive pay assessment prepared by Willis Towers Watson measured the executive and management compensation paid by the Company against compensation paid by peer group companies and the companies listed in the two surveys based on the 25th, 50th and 75th percentile of such peer group and surveyed companies. The 50th percentile was the median compensation

paid by such peer group and surveyed companies to executives performing similar responsibilities and duties.

In its report to the Compensation Committee, Willis Towers Watson noted that for Company executive officers:

- Base salaries in the aggregate were generally in the competitive zone of the market (1% below the market 50th percentile), with certain notable exceptions on position by position review;
- Total cash compensation (base salary and cash bonus) in the aggregate was 26% below the 50th percentile; and
- Total compensation (base salary, cash bonus and long term incentive awards) in the aggregate was 40% below the 50th percentile.

The Compensation Committee, recommended, and the Board subsequently adopted, a compensation philosophy for the Company's management team members to:

- Attract and retain talented and dedicated management team members;
- Provide overall compensation that is competitive in its industry;
- Correlate annual cash incentives to the achievement of its business and financial objectives; and
- Provide management team members with appropriate long-term incentives aligned with stockholder value.

As part of the compensation philosophy the Company's compensation focus will be to (1) drive the Company's strategic plan on growth, (2) align officer and management performance with the interests of the Company's stockholders, and (3) encourage retention of officers and management team members.

In furtherance of the compensation policy and as a result of the extensive deliberations, including consideration of the Willis Towers Watson recommendations, the Compensation Committee adopted an executive and management officer compensation structure for 2016 consisting of:

- A base salary comparable with job description and industry standard.
- A short term incentive or cash bonus plan based on a combination of factors including individual performance against corporate goals as well as overall corporate and division performance. Target bonus to be denominated as a percent of base salary with specific goals weightings and pay-out ranges).
- A long term incentive or equity awards inline with job description, performance, and industry standards.

The Compensation Committee's intention is that the compensation structure approved for 2016 will remain in place indefinitely. However, it will review performance and results after the first year and thereafter and evaluate from time to time whether enhancements, changes or other compensation structures are in the Company's and its stockholders best interests.

Reflecting the new approach, the Compensation Committee established (i) annual base salaries at levels that it believed (based heavily on the data provided by Willis Towers Watson) are generally competitive with executives in our peer group and in other comparable publicly-held companies as described in the executive pay assessment prepared by Willis Towers Watson, and (ii) short term incentives in the form of discretionary annual cash bonuses based on the achievement of identified goals and benchmarks. Long-term incentives in the form of employee stock options and restricted stock units will be used as a retention tool and as a means to further align an executive's long-term interests with those of the Company's stockholders, with the ultimate objective of affording our executives an appropriate incentive to help drive increases in stockholder value.

The Compensation Committee will evaluate both executive performance and compensation to maintain the Company's ability to attract and retain highly-qualified executives in key positions and to assure that compensation provided to executives remains competitive when compared to the compensation paid to similarly situated executives of companies with whom we compete for executive talent or that we consider comparable to our company.

Role of Chief Executive Officer in Compensation Decisions

In connection with the implementation of the new compensation structure, the Compensation Committee conducted the thorough review of executive compensation discussed above. The Compensation Committee engaged in extensive discussions with and considered with great weight the recommendations of the Chief Executive Officer as to compensation for executive and management team members other than for the Chief Executive Officer.

In connection with consideration of 2015 performance bonuses for members of management, the Chief Executive Officer prepared and submitted recommendations for each of the executive and management team members, other than her own. In considering these recommendations, the Compensation Committee had the benefit of its extensive deliberations as well as the data provided by Willis Towers Watson. In executive session, the Compensation Committee approved a 2015 performance bonus for the Chief Executive Officer. At the Compensation Committee's February 17, 2016 meeting, it approved recommendations to the Board for its February 18, 2016 meeting, at which time the Board approved the same. The Board approval covered certain officers including the five officers set forth below. In addition, our Chief Executive Officer discussed recommendations for other management team members but the Compensation Committee and Board agreed that such positions were within the scope of the Chief Executive Officer's authority and did not require the Compensation Committee or Board approval.

The Compensation Committee expects to perform an annual review of executive compensation, generally in the first quarter of the year following the year in review, with a presentation by the Chief Executive Officer regarding each element of the executive compensation arrangements. At the Compensation Committee's direction, the Chief Executive Officer prepared an executive compensation review for each executive officer (other than the Chief Executive Officer), as well as the full executive team, which included recommendations for:

- 2016 Base Salary
-

- A proposed year-end short-term incentive in the form of a target cash bonus based on the achievement of certain objectives; and
- A long-term incentive in the form of stock options and restricted stock units for the year under review.

As part of the compensation review, the Chief Executive Officer may also recommend other changes to an executive's compensation arrangements such as a change in the executive's responsibilities or a change in title. The Compensation Committee will evaluate the Chief Executive Officer's recommendations and, in its discretion, may accept or reject the recommendations, subject to the terms of any written employment agreements.

The Compensation Committee met in executive session without our Chief Executive Officer to consider the Chief Executive Officer's compensation, including base salary, cash bonus and equity award, if any. Prior to such executive sessions, the Compensation Committee interviewed the Chief Executive Officer to obtain a better understanding of factors contributing to the Chief Executive Officer's compensation. With the exception of these executive sessions of the Compensation Committee, as a rule, our Chief Executive Officer participated in all deliberations of the Compensation Committee relating to executive compensation. However, the Compensation Committee will ask the Chief Executive Officer to be excused for certain deliberations with respect to the compensation recommended for Margaret Cotter, the sister of the Chief Executive Officer.

In conjunction with the year-end annual compensation review, or as soon as practicable after the year-end, our Chief Executive Officer will recommend to the Compensation Committee the Company objectives and other criteria to be utilized for purposes of determining cash bonuses for certain senior executive officers. The Compensation Committee, in its discretion, may revise the Chief Executive Officer's recommendations. At the end of the year, the Compensation Committee, in consultation with the Chief Executive Officer, will review each performance goal and determine the extent to which the officer achieved such goals. In establishing performance goals, the Compensation Committee expects to consider whether the goals could possibly result in an incentive for any executives to take unwarranted risks in our Company's business and intend to seek to avoid creating any such incentives.

Base Salaries

The Compensation Committee reviewed the executive pay assessment prepared by Willis Towers Watson and other factors and engaged in extensive deliberation and then recommended the following 2016 base salaries (the 2015 base salaries are shown for comparison purposes) for the following officers; the Board approved the recommendations of the Compensation Committee on March 10, 2016: the President and Chief Executive Officer, Chief Financial Officer and the persons identified and Named Executive Officers in the Company's proxy statement dated November 10, 2015 other than our prior Chief Executive Officers James J. Cotter, Sr. and James J. Cotter, Jr:

Name	Title	2016 Base Salary (4)	2015 Base Salary (4)

Short Term Incentives

The Short Term Incentives authorized by the Compensation Committee and the Board provides the Company's executive officers and other management team members, who are selected to participate, with an opportunity to earn an annual cash bonus based upon the achievement of certain Company financial goals, division goals and individual goals, established by the Company's Chief Executive Officer and approved by the Compensation Committee and the Board of Directors (in future years, under the Compensation Committee Charter approved by the Board on March 10, 2016, the Compensation Committee will have full authority to approve these matters). Specifically, a participant in the short term incentive plan will be advised of his or her annual potential target bonus expressed as a percentage of the participant's base salary and by dollar amount. The participant will be eligible for a short term incentive bonus once the participant achieves goals identified at the beginning of the year for a threshold target, the potential target or potential maximum target bonus opportunity. The bonus will vary depending upon the achievements made by the individual participants, the division and the corporation. Corporate goals will include levels of earnings before interest, depreciation, taxes and amortization ("non-GAAP Operating Income") and property development milestones. Division goals will include levels of division cash flow and division milestones and individual goals will

include specific unique performance goals specific to the individual's position in the Company. Each of the corporate, division and individual goals carries a different percentage weight in determining the officer's or other team member's bonus for the year.

For 2016, executive officers will have an annual bonus opportunity expressed and determined as a percent of their base salary. This approach also was a recommendation of the Willis Towers Watson report to the Compensation Committee and provided points of reference for our Compensation Committee to compare short-term incentive opportunities for our executive and management team to those in peer and competitor companies.

Ms. Ellen Cotter, President and Chief Executive Officer, has a potential target bonus opportunity of 95% of Base Salary, or \$427,500 at target. Of that potential target bonus opportunity, a threshold bonus of \$213,750 may be achieved based upon Ms. Cotter's achievement of her performance goals and the Company's achievement of corporate goals as discussed above, a potential maximum target of \$641,250 is based on achieving performance goals approved by the Chairman of the Compensation Committee. Ms. Cotter's aggregate annual bonus opportunity can range from \$0 to \$641,250. Mr. Devasis Ghose, Chief Financial Officer, has a potential target bonus opportunity of 50% of Base Salary, or \$200,000 at target, which is based on achievement of his performance goals and the Company's achievement of corporate goals, as discussed above. Mr. Ghose's aggregate annual bonus opportunity can range from \$0 to \$300,000 (the maximum potential target if additional performance goals are met by Mr. Ghose). Mr. Andrzej Matyczynski, EVP - Global Operations, has a target bonus opportunity of 50% of Base Salary, or \$168,000 at target, which is based on achievement of his performance goals, the Company's achievement of corporate goals and certain divisional goals. Mr. Matyczynski's aggregate annual bonus opportunity can range from \$0 to \$252,000 (the maximum potential target if additional performance goals are met by Mr. Matyczynski). Mr. Robert Smerling, President, US Cinemas, has a target bonus opportunity of 30% of base pay, or \$112,500 at target, which is based on achievement of his performance goals, the Company's achievement of corporate goals and certain divisional goals. Mr. Smerling's aggregate annual bonus opportunity can range from \$0 to \$168,750 (the maximum potential target if additional performance goals are met by Mr. Smerling). Mr. Wayne Smith, Managing Director, ANZ, has a target bonus opportunity of 40% of Base Salary, or A\$148,000 at target, which is based on achievement of his performance goals the Company's achievement of corporate goals and certain divisional goals approved by the Compensation Committee. Mr. Smith's aggregate annual bonus opportunity can range from A\$0 to A\$222,000 (the maximum potential target if additional performance goals are met by Mr. Smith). The positions of other management team members have target bonus opportunities ranging from 20% to 30% of Base Salary based on achievement of certain goals. The highest level of achievement, participants may be eligible to receive up to a maximum of 150% of his or her target bonus amount.

Long-Term Incentives

Long-Term incentives will utilize the equity-based plan under the Company's 2010 Incentive Stock Plan, as amended (the "2010 Plan"). For 2016, executive and management team participants will receive awards in the following forms: 50% time-based restricted stock units and 50% non-statutory stock options. The grants of restricted stock units and options will vest ratably over a four (4) year period with 1/4th vesting on each anniversary date of the grant date.

On March 10, 2016 the following grants were made:

Name	Title	Dollar Amount of Restricted Stock Units (1)	Dollar Amount of Non-Statutory Stock Options (1)
Ellen Cotter	President and Chief Executive Officer	\$150,000	\$150,000
Devasis Ghose (2)	Chief Financial Officer	0	0
Andrzej Matyczynski	EVP Global Operations	37,500	37,500
Robert F. Smerling	President, US Cinemas	50,000	50,000
Wayne Smith	Managing Director, ANZ	27,000	27,000

(1) The number of shares of stock to be issued will be calculated using the Black Scholes pricing model as of the date of grant of the award.

(2) Mr. Devasis Ghose was awarded 100,000 non-statutory stock options vesting over a 4 year period on Mr. Ghose's commencement of employment on May 11, 2015.

All long-term incentive awards will be subject to other terms and conditions set forth in the 2010 Plan and award grant.

Executive further agrees that he shall not meet or otherwise communicate with any counter-party or any representative of any counter party to any litigation in which the Company (or any of its officers or directors) is a party, whether or not nominal, without the prior written consent of the Company.

5. **Public Comment** . Prior to issuing any press release or SEC filing (e.g. Form 8-K) regarding your resignation, the Company agrees to give Executive 24 hours , with the opportunity to review and comment on the written draft release or SEC filing, notice prior to the requisite filing date .
6. **Release.** You hereby acknowledge that the Company's obligations under Section 2 hereof are in excess of any payments or benefits to which you are entitled under law, contract or otherwise and are contingent upon your timely performance of your obligations under this Agreement in all material respects, and the release of claims set forth in this Section 6 (the "**Release**"). For purposes of this Section 6 , "**Released Parties**" include the Company and its affiliated companies and their officers, directors, managers, stock holders, employees, agents, representatives, plans, trusts, administrators, fiduciaries, insurance companies, attorneys, successors, and assigns.
 - 6.1 You, on behalf of yourself and your personal and legal representatives, heirs, executors, successors and assigns, hereby acknowledge full and complete satisfaction of, and fully and forever waive, release, and discharge the Released Parties from any and all claims, causes of action, demands, liabilities, damages, obligations, and debts (collectively referenced as "**Claims**"), of every kind and nature, whether known or unknown, suspected or unsuspected, that you hold as of the date you sign this Agreement, or at any time previously held against any Released Party , arising out of any matter whatsoever (with the exception of breach of this Agreement). This release specifically includes, but is not limited to, any and all Claims:
 - (a) Arising out of or in any way related to your employment with or separation of employment from the Company, or any contract or agreement between you and the Company or the termination thereof ;
 - (b) Arising out of or in any way related to any treatment of Executive by any of the Released Parties , which shall include, without limitation, any treatment or decisions with respect to hiring, placement, promotion, discipline, work hours, assignment of or change in duties or responsibilities, demotion, transfer, termination, compensation, performance review, or training; any statements or alleged statements by the Company or any of the Released Parties regarding Executive, whether oral or in writing; any damages or injury that Executive may have suffered, including without limitation, emotional or physical injury, compensatory damages, or lost wages; or employment discrimination, which shall include, without limitation, any individual or class claims of discrimination on the basis of age, disability, sex, race, religion, national origin, citizenship status, marital status, sexual preference, or any other basis whatsoever.
 - (c) Arising under or based on the Equal Pay Act of 1963 (EPA); Title VII of the Civil Rights Act of 1964, as amended (Title VII); Section 1981 of the Civil Rights Act of 1866 (42 U.S.C. §1981); the Civil Rights Act of 1991

(42 U.S.C. §1981a); the Americans with Disabilities Act of 1990, as amended (ADA); the Family and Medical Leave Act of 1993, as amended (FMLA); the Genetic Information Nondiscrimination Act of 2008 (GINA); the National Labor Relations Act (NLRA); the Worker Adjustment and Retraining Notification Act of 1988 (WARN); the Uniform Services Employment and Reemployment Rights Act (USERRA); the Rehabilitation Act of 1973; the Occupational Safety and Health Act (OSHA); the Employee Retirement Income Security Act of 1974 (ERISA) (except claims for vested benefits, if any, to which you are legally entitled); the False Claims Act; Title VIII of the Corporate and Criminal Fraud and Accountability Act, as amended (18 U.S.C. §1514A) (Sarbanes-Oxley Act); the federal Whistleblower Protection Act and any state whistleblower protection statute(s); the California Fair Employment and Housing Act or any other federal, state or local law relating to employment or discrimination in employment or any other fair employment practices statute(s) of any state, in all cases arising out of or relating to your employment by Reading or investment in Reading or your services as an officer or employee of Reading or its subsidiaries, or otherwise relating to the termination of such employment or services.

- (d) Arising under or based on any other federal, state, county or local law, statute, ordinance, decision, order, policy or regulation prohibiting employment discrimination, providing for the payment of wages or benefits, or otherwise creating rights or claims for employees; any and all claims alleging breach of public policy, the implied covenant of good faith and fair dealing, or any express, implied, oral or written contract, handbook, manual, policy statement or employment practice, including, but not limited to, the Employment Agreement or Amendment thereto; constructive discharge; misrepresentation; defamation; libel; slander; interference with contractual relations; intentional or negligent infliction of emotional distress; invasion of privacy; assault; battery; fraud; negligence; harassment; retaliation; or wrongful discharge; and
 - (e) Arising under or based on the Age Discrimination in Employment Act of 1967 ("ADEA"), as amended by the Older Workers Benefit Protection Act ("OWBPA"), and alleging a violation thereof by any Released Party, at any time prior to the date you sign this Agreement.
- 6.2 You agree that, except as set forth in this Agreement, you are not entitled to any payment or benefits from any of the Released Parties, including, but not limited to, any payments or benefits under any plan, program or agreement with any Released Party, including, but not limited to, the Employment Agreement or Amendment thereto.
- 6.3 You agree that, this Agreement extinguishes all claims and charges that you could have raised against any of the Released Parties, whether known to you or not. You expressly waive all rights and benefits under Section 1542 of the California

Civil Code and any similar law of any state or territory of the United States. Section 1542 of the California Civil Code provides as follows:

“A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.”

- 6.4 You hereby represent that you know of no claim that you have that has not been released by this Section 6 . You further represent and warrant that you have not assigned or subrogated any of your rights, claims or causes of action, including any claims referenced in this Agreement, or authorized any other person or entity to assert such claim or claims on your behalf, and you agree to indemnify and hold the Company harmless against any assignment of said rights, claims and/or causes of action.
- 6.5 Nothing contained in this Release will (i) release any claim that cannot be waived under applicable law, (ii) release your rights to any benefits under any employee welfare benefit plan of the Company, the 401(k) Plan or with respect to the right to elect health care continuation under COBRA, (iii) release any entitlement to or with respect to indemnification which you may have pursuant to agreement, the Company’s bylaws, any policy of insurance maintained by the Company or otherwise under law, or (iv) be construed to release your rights under this Agreement or be construed to prohibit or restrict you in any manner from bringing appropriate proceedings to enforce this Agreement. You acknowledge that your execution of this Agreement terminates any claims you previously held to any and all compensation and employee benefits, other than those specifically identified in this Agreement.
- 6.6 By signing this Agreement, you represent that you have not commenced or joined in any claim, charge, action or proceeding whatsoever against any of the Released Parties arising out of or relating to any of the matters set forth in this Section 6 . You further represent that you will not be entitled to any personal recovery in any action or proceeding that may be commenced on your behalf arising out of the matters released hereby.
7. **Release of ADEA Claims .** You expressly acknowledge and agree that this Agreement includes a release of all claims which you have or may have under the Age Discrimination in Employment Act, as amended (“ADEA”). The following terms and conditions apply to and are part of the release of ADEA claims under this Agreement:
- (a) You have been advised to consult with an attorney before signing this Agreement;
 - (b) You are not releasing any rights or claims under the ADEA that may arise after the date on which you execute this Agreement;

- (c) You have twenty-one (21) days from the date you are presented with this Agreement to decide whether or not to sign this Agreement, although you may choose to sign the Agreement at any time earlier;
- (d) You have seven (7) days after signing this Agreement to revoke this Agreement (the "Revocation Period"), and this Agreement will not be effective until that Revocation Period has expired;
- (e) To revoke this Agreement, you must deliver written notice of revocation by hand, overnight delivery, or confirmed facsimile signed by you and received by the Company to the attention of Ellen Cotter, President & CEO, no later than the seventh (7th) day of the Revocation Period. If no such revocation occurs, the General Release and this Agreement will become effective on the eighth (8th) day following your execution of this Agreement. You further acknowledge and agree that, in the event that you revoke this Agreement, it will have no force or effect; and
- (f) You hereby acknowledge and agree that you are knowingly and voluntarily releasing your rights and claims only in exchange for consideration (something of value) in addition to anything of value to which you are already entitled.

8. **Restrictive Covenants; Arbitration; Surviving Provisions** . You acknowledge and agree that Sections 8 (Non-Disclosure), 9 (Remedies), and 12 (Data), and 13 (Arbitration) of the Employment Agreement shall remain in effect after your resignation and termination of your employment, and are expressly incorporated herein. You further agree that any disputes related to this Agreement, or breach thereof, including the arbitrability of such dispute or controversy, shall be determined and settled by arbitration pursuant to the procedures set forth in Section 13 of the Employment Agreement. Further, the provisions of the Company policies that relate to trade secrets, confidential and proprietary information and non-solicitation of employees will survive the termination of your employment and are incorporated in this Section 8 by reference. Payments to you or on your behalf under Section 2.1(b), 2.2, and 2.3(b) will be conditioned on your continued compliance with the provisions of these provisions and the provisions of this Agreement . In the event of any violation by you of these provisions or the provisions of this Agreement , no further payments will be made under Section 2.1(b) or 2.3(b) and no vesting of any unvested equity awards will occur under Section 2.2, and your right to any unpaid payments under Section 2.1(b) and 2.3(b) and any unvested equity awards under Section 2.2 will be forfeited.

9. **General Provisions** .

9.1 **Severability** . It is the desire and intent of the parties that the provisions of this Agreement will be enforced to the fullest extent permissible. In the event that any one or more of the provisions of this Agreement will be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remainder of this Agreement will remain valid and enforceable and continue in full force and effect

to the fullest extent consistent with law. Moreover, if any one or more of the provisions contained in this Agreement is held to be excessively broad as to duration, scope, activity or subject, such provisions will be construed by limiting and reducing them so as to be enforceable to the maximum extent compatible with applicable law.

- 9.2 **No Admission**. By entering into this Agreement, the parties do not admit to, and expressly deny, any wrongdoing.
- 9.3 **Return of Property**. You agree to return to the Company, on or prior to the Resignation Date, all files, records, documents, reports, computers and other property of the Company in your possession or control, including, but not limited to, any documents or other materials containing confidential information, and you further agree that you will not keep, transfer or use any copies or excerpts of the foregoing items. Executive will be permitted to copy and remove any electronic files on the computer or cell phone that contain his personal information (but not any confidential information or proprietary Company information or data), including contact information. Executive understands and agrees that following his resignation, the Company shall have the right to access and review any files on his Company-provided computer, and to open and review any emails received at his Company email address.
- 9.4 **Notices**. Unless otherwise specified in this Agreement, any and all notices, requests, demands and other communications provided for by this Agreement will be in writing and will be effective when delivered in person, consigned to a reputable national or international courier service (including Federal Express), and addressed to you at your last known address on the books of the Company (which is 1995 Monte Vista Street, Pasadena, CA 91107) or, in the case of the Company, at the Company's principal place of business (which is 6100 Center Drive, Suite 900, Los Angeles, CA 90045), attention of the CEO of the Company, or to such other address as either party may specify by notice to the other actually received.
- 9.5 **Successors and Assigns**. This Agreement is personal to you and, without the prior written consent of the Company, will not be assignable by you otherwise than by will or the laws of descent and distribution. This Agreement will inure to the benefit of and be enforceable by your legal representatives. This Agreement will inure to the benefit of and be binding upon the Company and its successors and assigns.
- 9.6 **Governing Law; Captions; Amendment**. This Agreement will be governed by, and construed in accordance with, the laws of the State of California, without reference to principles of conflict of laws. The captions of this Agreement are not part of the provisions hereof and will have no force or effect. This Agreement may not be amended or modified except by a written agreement executed by the parties hereto or their respective successors and legal representatives.

- 9.7 **Code Section 409A Compliance**. The Company and you each hereby affirm that it is their mutual view that the provision of payments and benefits described or referenced herein are either exempt from or intended to be in compliance with the requirements of Section 409A of the Code and the Treasury regulations relating thereto (“**Section 409A**”) and that each party’s tax reporting will be completed in a manner consistent with such view. The Company and you each agree that upon the Resignation Date, you will experience a “separation from service” for purposes of Section 409A. Any payments that qualify for the “short-term deferral” exception or another exception under Section 409A will be paid under the applicable exception. For purposes of the limitations on nonqualified deferred compensation under Section 409A of the Code, each payment of compensation under this Agreement will be treated as a separate payment of compensation. Notwithstanding anything to the contrary in this Agreement, all reimbursements and in-kind benefits provided under this Agreement will be made or provided in accordance with the requirements of Section 409A of the Code, including, where applicable, the requirement that (x) the amount of expenses eligible for reimbursement, or in kind benefits provided, during a calendar year may not affect the expenses eligible for reimbursement, or in kind benefits to be provided, in any other calendar year; (y) the reimbursement of an eligible expense will be made no later than the last day of the calendar year following the year in which the expense is incurred; and (z) the right to reimbursement or in kind benefits is not subject to liquidation or exchange for another benefit. Neither the Company nor its affiliates will be liable in any manner for any federal, state or local income or excise taxes (including but not limited to any taxes under Sections 409A of the Code), or penalties or interest with respect thereto, as a result of the payment of any compensation or benefits hereunder or the inclusion of any such compensation or benefits or the value thereof in your income. You acknowledge and agree that the Company will not be responsible for any additional taxes or penalties resulting from the application of Section 409A.

- 9.8 **Withholding**. Notwithstanding any other provision of this Agreement, the Company may withhold from amounts payable under this Agreement all amounts that are required to be withheld, including, but not limited to, federal, state, local and foreign taxes to be withheld by applicable laws or regulations, but will only take such withholdings to the minimum extent permissible under applicable laws or regulations.

- 9.9 **Preparation of Agreement**. This Agreement will be interpreted in accordance with the plain meaning of its terms and not strictly for or against any of the parties hereto. Regardless of which party initially drafted this Agreement, it will not be construed against any one party, and will be construed and enforced as a mutually-prepared document.

- 9.10 **Entire Agreement**. This Agreement constitutes the entire agreement between you and the Company with respect to the subjects addressed herein, and together with the provisions that survive your resignation and termination of your employment as specified in this Agreement, this Agreement supersedes all prior agreements,

understandings and representations, written or oral, with respect to those subjects, including, but not limited to the, Employment Agreement and Amendment thereto . Without limiting the generality of the foregoing, you acknowledge that the Employment Agreement and Amendment thereto will be terminated upon the effectiveness of this Agreement, except as specified in this Agreement.

9.11 **Counterparts**. This Agreement may be executed in counterparts, each of which will be deemed an original, and which together will be deemed to be one and the same instrument.

9.12 **Waiver of Breach**. Any waiver of any breach of this Agreement shall not be construed to be a continuing waiver or consent to any subsequent breach on the part of you or of the Company.

10. **Consultation with Attorney; Voluntary Agreement**. You understand and agree that you have the right and have been given the opportunity to review this Agreement and, specifically, the Release set forth in Section 6 above, with an attorney of your choice. You also understand and agree that you are under no obligation to consent to the Release. You acknowledge that you have read this Agreement and the Release and understand their terms and that you enter into this Agreement freely, voluntarily, and without coercion.

Case No. P-14-082942-E

VIDEOTAPED DEPOSITION OF DOUGLAS McEACHERN
TAKEN ON MAY 6, 2016

REPORTED BY:
PATRICIA L. HUBBARD, CSR #3400

1 Q. Have you personally ever done any
2 analysis to ascertain whether the profitability of
3 the live theaters justifies the compensation that
4 has been awarded over the past three years to
5 Margaret Cotter?

6 MR. SWANIS: Objection. Form.

7 MR. SEARCY: Objection. Lacks
8 foundation, assumes facts.

9 THE WITNESS: Yes and no.

10 Margaret Cotter has just transitioned
11 from being an outside contractor to an employee of
12 the company. And in connection with that her change
13 in status was reviewed by the audit and conflicts
14 committee of which I chair.

15 We reviewed her management agreement
16 that she succeeded to before she managed -- took
17 over management. Somebody else managed Liberty
18 Theaters before Margaret took it over.

19 Margaret's compensation is 90 percent
20 based upon the cash flows of the live theater
21 operation.

22 Now, if we were to terminate that
23 contract with Liberty Theaters, Margaret Cotter, she
24 would be entitled to that same compensation in
25 perpetuity until such time as the shows that were

1 playing in those theaters ended.

2 So her compensation is contractual, not
3 based -- and based upon performance of the theaters,
4 not based upon any discretion of the compensation
5 committee.

6 BY MR. NATION:

7 Q. Okay. So, under the contract that
8 pre-existed your coming onto the board --

9 A. Uh-huh.

10 Q. -- Margaret Cotter is entitled to
11 receive 90 percent of the cash flows from the live
12 theaters as her compensation?

13 MR. SWANIS: Objection. Form.

14 MR. SEARCY: Same objection.

15 BY MR. NATION:

16 Q. I'm trying to ask clarification of that.

17 A. It's not -- 90 percent of the
18 compensation she receives is as a result of this
19 formula calculation on the cash flow of the live
20 theaters. I'm sorry I misspoke.

21 There's some modest amount of
22 compensation, as I recall, attributable to a monthly
23 payment that she gets, but the majority of the
24 compensation comes out of this contract that's been
25 filed with the S.E.C. and is a public record.

1 Chicago, there were three in New York. One of them
2 in New York was located in the Union Square
3 Building.

4 BY MR. NATION:

5 Q. Which theater is that?

6 A. I don't know the name of it. It was the
7 Union Square Theater.

8 Q. Okay. And Margaret wanted to be in
9 charge of developing the Union Square Theater is
10 your understanding?

11 A. My understanding is that Margaret has
12 been involved in the Union Square Building as -- the
13 shows and the theater production activities and
14 acting as our representative, and in addition on an
15 uncompensated basis worked through the process of
16 getting the Union Square Building through the
17 Landmark Commission, which, by the way, was a
18 12-year period for which she was paid no money to
19 get it entitled and get the building expanded by
20 some 25,000 square feet.

21 The mere ability to get that -- and
22 these will be rough numbers -- created enormous
23 value in that building by getting it entitled for
24 redevelopment from the Landmark Commission and
25 getting the -- I think we went from 45,000 square

1 feet to close to 70,000 square feet approval from
2 that Landmark Commission.

3 And then the building and safety
4 group -- somebody else just recently gave us
5 permission to continue and go forward with our
6 plans.

7 So the enormous amount of value that was
8 created in that building was Margaret Cotter working
9 with her father, as I understand it, and getting the
10 entitlements.

11 MR. NATION: Could you please read me
12 the question that started that.

13 (Whereupon the question was read
14 as follows:

15 "Question: And Margaret wanted to
16 be in charge of developing the
17 Union Square Theater is your
18 understanding?")

19 BY MR. NATION:

20 Q. All right. So, at the time that --
21 picking up our narrative here, at the time that Jim
22 Cotter came in as C.E.O. --

23 A. Junior?

24 Q. Jim Cotter, Jr., came in as C.E.O. --

25 A. Okay.

VIDEOTAPED DEPOSITION OF MARGARET COTTER
TAKEN ON MAY 12, 2016
VOLUME I

REPORTED BY:
PATRICIA L. HUBBARD, CSR #3400

1 Q. What else does it encompass, if
2 anything, beyond live theaters?

3 A. The development of the Union Square and
4 the Cinema 1, 2, 3 currently.

5 Q. When you say "currently," is it
6 anticipated that there will be development of other
7 properties in New York?

8 A. Could be.

9 Q. That would be Orpheum, I guess, right?

10 A. The Orpheum and the Minetta Lane.

11 Q. Prior to the time you became executive
12 vice president of real estate in New York at RDI in
13 March of 2016 -- or in or about March of 2016, how
14 was your compensation at Liberty Theatres calculated
15 or determined?

16 A. I wouldn't be paid unless there was a
17 show inside the theater.

18 So, I would receive, you know, a small
19 amount of money every month if there was a booked
20 show. And then I would receive 20 percent of the
21 cash flow after a certain break-even at year-end.

22 So it was purely incentive based.

23 Q. The -- was the Union Square property a
24 source in any way of income for you?

25 A. Yes.
