ORDER

This is an appeal from an order of the district court granting respondent's motion to suppress evidence. Although NRS 177.015(2) authorizes such an appeal, the statute contemplates that the State must make a preliminary showing of good cause why this court should entertain the appeal.

Appellant shall have 11 days from the date of this order to file points and authorities setting forth more fully the basis for the district court's order and addressing the propriety of the appeal and whether there may be a miscarriage of justice if the appeal is not entertained.
