CLERK OF SUPREME COURT
BY  DEPUTY CLERK

ORDER DIRECTING ANSWER

This original petition for a writ of habeas corpus or a writ of mandamus challenges a district court order affirming a justice court ruling that denied a jury trial. Because petitioner's certificate of service does not demonstrate that the petition was served on the respondent district court judge, as required by NRAP 21(a)(1), petitioner shall have 5 days from the date of this order within which to serve the petition and appendix on the district court judge and to file proof of such service with this court.

Further, having reviewed the petition and supporting documents, it appears that an answer may assist this court in resolving this matter. Accordingly, real party in interest, on behalf of respondents, shall have 30 days from the date of this order within which to file and serve an answer, including authorities, addressing the relief requested in the

18-10382

petition. Petitioner shall have 11 days from service of the answer within which to file and serve any reply.

It is so ORDERED.
