## (d) Statewide coverage and use of local counsel

The Servicer must ensure that the firm has the ability to cover foreclosure, bankruptcy, eviction, REO closing matters and default-related litigation throughout the State.

If the firm has partnerships or relationships with third parties (e.g., local counsel, trustee companies or title companies) that will perform or complete some aspect of the default-related and REO-related work, the Servicer must require the firm to: (i) obtain disclosure from the firm regarding such relationships and the extent to which third parties will be relied upon and (ii) determine whether the firm has a reasonable contingency plan for the loss of any of those relationships or operational processes. In evaluating any such third-party relationship, the Servicer must consider the length of time the relationship has existed and the adequacy of the firm's written policies to mitigate third-party risk.

If a firm uses local counsel to handle matters within the State, the Servicer must ensure that the firm has a process to select, manage, and review the local counsel and their work product. The process must be designed to ensure that local attorneys are qualified and adequately trained and have a satisfactory history with respect to bar complaints, sanctions and similar matters.

For a firm's contested caseload (e.g., contested foreclosures and litigated cases), the firm's reliance on local counsel must be minimal. Any use of local counsel for these matters must be structured so that the retained firm will direct and manage the local counsel on those matters.

#### (e) Prior volume experience

Servicers must confirm the firm and/or managing attorney(s) has completed a sufficient number of foreclosure, bankruptcy, loss mitigation, eviction and REO matters within the past 24 months to demonstrate that the firm has experience in representing creditors in default-related matters.

For the 24-month period, the Servicer must review the total number of matters referred, the total number of matters completed and the number of matters currently pending for each of the following areas: foreclosure, bankruptcy, loss mitigation, eviction and REO closing.

What constitutes a sufficient number of completed default-related and REO-related legal services will vary depending upon the State at issue, the volume the Servicer expects to refer to the firm, and the relative size of the firm. Servicers must consider these factors when making this determination.

#### (f) Firm has adequate, relevant State-specific experience

The Servicer must confirm that the firm has one or more managing attorney(s) or partner(s) with no less than 8 years of relevant, State-specific experience in foreclosure (including where applicable, confirmation, redemption and ratification matters), bankruptcy, loss mitigation, eviction, and REO closings and litigation. Servicers may make exceptions to this requirement for documented reasons in the event a firm is otherwise qualified.

The Servicer must obtain the names and the years of experience in each area (foreclosure, bankruptcy, eviction, REO closings and related litigation) for the firm's managing attorney(s) or partner(s) and associates.

If the principals or partners of the firm are not actively involved in the management of the firm, the Servicer must consider the level of experience of those actively involved in managing the firm.

# (g) One or more of the firm's lead attorneys has adequate, relevant litigation experience in the State

The Servicer must determine whether the firm has at least one lead attorney to handle Freddie Mac Default Legal Matters with a minimum of five years of experience in default-related and REO-related litigation in the State. The firm's partner(s) or managing attorney(s) may act as the lead attorney for Freddie Mac Default Legal Matters. If the firm will utilize staff attorneys for Freddie Mac Default Legal Matters, one or more staff attorneys must have at least three years of experience in handling default-related and REO-related litigation in the State.

## (h) Attorney licensing

The Servicer must confirm that the firm's attorneys who will handle Freddie Mac Default Legal Matters are licensed to practice, and in good standing, in the State in which the firm is being retained. Legal work must be performed by attorneys licensed in the State.

#### (i) Staff experience

The Servicer must determine whether the firm's non-attorney staff has reasonable experience. In determining what constitutes reasonable experience, the Servicer must consider the average years of experience, education, qualifications and demonstrated ability of the non-attorney staff in relation to their respective levels of responsibility.

#### (j) Staff oversight

The Servicer must confirm that the firm has appropriate attorney-to-staff ratios to ensure appropriate staff oversight given the size of the firm and the firm's operational structure. The Servicer must consider whether the firm practices in a judicial or a non-judicial State, the firm's case management practices, the State-specific process, attorney and staff experience, firm technology and firm infrastructure.

#### (k) File oversight

The Servicer must confirm that the firm has appropriate (i) attorney-to-file and (ii) staff-to-file ratios, given the size of the firm and the firm's operational structure. The Servicer must take into consideration whether the firm practices in a judicial or a non-judicial foreclosure State, the firm's case management practices, the State-specific processes, attorney and staff experience, firm technology and firm infrastructure.

#### (I) Firm capacity

As of the date of the submission of the Servicer Selection Form via <a href="https://freddiemacsats.com">https://freddiemacsats.com</a>, the Servicer must confirm that the firm has the ability to accept additional referrals. Additionally, the Servicer must confirm that the firm is not operating at full capacity, given the existing facilities, personnel, and technology or, alternatively, the firm must outline to the Servicer's satisfaction the steps and time frame necessary to be in a position to handle additional referrals while still maintaining appropriate firm—to-file and staff-to-file ratios. The Servicer must confirm that the firm has contingency plans to deal with a contraction in the market.

#### (m) Ethics and professional standards

The firm must demonstrate a history of legal practice that comports with applicable legal and ethical standards, reflecting high professional standards. The Servicer must conclude that the firm does not, in the totality of the circumstances, pose a legal and/or reputational risk or exhibit systematic issues that may lead to reputational and/or legal risk to Freddie Mac.

The Servicer must obtain the following information from the firm in order to evaluate the sufficiency of the firm's professional standards:

- Any sanctions against the firm or any of its present or former attorneys in the past five years, including the nature of the sanctions and if they relate to a loan-level matter or systemic firm practice, and if related to firm practice, any corrective actions taken by the firm
- Any bar complaints/reprimands against present and former firm attorneys in the past ten years and whether the complaints were closed, pending or resulted in some form of adverse action
- Any government investigations involving firm practices in the past ten years and whether the investigations involved firm practices or are related to client investigations
- Any damages or settlement of claims as a result of an allegation of professional negligence against the firm or its attorneys in the past five years (i) in excess of \$20,000 in any single occurrence, \$50,000 in the aggregate, or (ii) reflect a possible pattern of professional negligence, regardless of amount; and
- Any significant litigation asserting systemic issues with firm processes or legal work, such as any class action lawsuit against the firm

If the Servicer is aware of any of the above items that involve the firm's professional standards but which were not disclosed by the firm, the Servicer must disclose them to Freddie Mac in the Servicer Selection Form.

The Servicer must obtain a disclosure from the firm regarding whether the firm (or any of its partners, shareholders, or employees while acting as a partner, shareholder, or principal at another firm) has been previously terminated by Freddie Mac or Fannie Mae or had referrals suspended by Freddie Mac or Fannie Mae.

The Servicer must obtain a certification from the firm that, to the best of the firm's knowledge, the firm's documents have been and continue to be prepared, executed and/or notarized in compliance with applicable law. If the firm reports that the firm, its attorneys, notaries or third-parties that the firm relies on to perform any aspect of default-related or REO-related services have previously prepared, executed or notarized documents that have not been in compliance with applicable law, the Servicer must conclude that the firm has instituted controls, procedures, and processes to address the contributing cause(s) of the firm's failure to comply with applicable law in order to execute the Servicer Selection Form.

Freddie Mac expects Servicers to exercise sound judgment and consider the totality of the circumstances in evaluating the potential legal and reputational risks posed by a firm to Freddie Mac. The items for consideration outlined above are not intended to be exhaustive or to disqualify a firm from retention if the Servicer concludes that the firm is acceptable considering the totality of the circumstances.

#### (n) Timelines

The Servicer must review the firm's completion timelines, and confirm that the firm is able to track, monitor and complete foreclosure and bankruptcy matters in compliance with applicable law and Freddie Mac timeline requirements, taking into consideration outside factors that impact compliance with Freddie Mac timelines such as new foreclosure requirements and court delays.

### (o) Information privacy

The firm must maintain physical, technical and procedural controls and effective information security and data management to:

- Ensure the security and confidentiality of personally identifiable information (PII) and confidential information, whether in paper, electronic or other form
- Protect against any threats or hazards to the security or integrity of such information; and
- Protect against unauthorized access to or use of such information

The firm must implement controls meeting or exceeding industry standards, including, as applicable, standards promulgated by the International Office for Standardization (ISO) or National Institute for Standards and Technology (NIST). The firm must ensure that PII that is stored on the firm's systems and workstations is encrypted at rest at all times. The firm must have secured storage for promissory notes and other original documents to prevent theft and to ensure protection against fire, flood or other damage. The firm may not perform, outsource, or send to any affiliate outside of the United States or its territories, any legal work on Freddie Macowned or guaranteed Mortgages, including any storage of Freddie Mac data. The firm may not send any PII underlying Freddie Mac-owned or guaranteed Mortgages, outside the United States. The firm must have written policies, procedures, and processes in place by the date of the submission of the Servicer Selection Form, related to protection of PII and fraud prevention, including policies, procedures and processes related to: background checks of all employees; protection of PII; fraud prevention and identification; and incident response and notification protocols for data breaches and other security incidents. The Servicer must review and confirm that the firm meets these requirements for information security, data management, protection of PII and fraud prevention.

## (p) Daily reporting to Freddie Mac

The Servicer must confirm that the firm has the capability to provide daily reporting to Freddie Mac of key metrics (i.e., volume, milestones, delays, loss mitigation successes, litigation detail, etc.) via the Attorney Data Reporting (ADR) System, a Servicing Tool, pursuant to Section 9501.10. The Servicer must also ensure that the firm has staff responsible for reporting data directly to Freddie Mac using ADR.

#### (q) Technology

The Servicer must confirm that the firm has adequate technology in place or technological capabilities to provide reporting, communication and tracking of key events and milestones, including access to PACER/ECF or other similar systems to obtain case and docket information from federal appellate, district and bankruptcy court records.

Additionally, the Servicer must confirm that the firm is able to provide status reports and track significant dates and events for foreclosure, bankruptcy, evictions and REO closings and has the capability to measure the duration between various process stages, to identify process impediments (e.g., holds) and to parse holds into different categories.

If a firm is multi-jurisdictional or has partnerships or relationships with third parties (e.g., local counsel, trustee companies or title companies) that will perform or complete some aspect of the default-related or REO-related work or if the firm relies on other offices to perform some aspect of the work or provide operational support, the Servicer must confirm that the firm maintains a reliable and secure means of exchanging matter information between each office and any third party the firm relies upon.

The Servicer must require the firm to describe whether the firm currently uses a universal translation technology to communicate information between their technological system and the various Servicers' systems, or explain its method for transmitting information efficiently, accurately and securely to Servicers.

#### (r) Technology staffing

The Servicer must confirm that the firm has adequate in-house technical expertise or readily available vendor support to ensure compliance with Freddie Mac's automated reporting requirements.

#### (s) Insurance requirements

The Servicer must confirm that the firm has an appropriate level of malpractice and errors and omissions insurance coverage in place or be able to obtain an appropriate amount of insurance by the date of the submission of the Servicer Selection Form. The appropriate level of insurance coverage will depend upon the total number of Freddie Mac and Fannie Mae files the firm is managing or expects to manage when being evaluated by the Servicer. The firm must have the ability to obtain the appropriate amount of insurance coverage under the new requirements as follows:

- Tier I, volume of 0-4, 499 foreclosure matters, coverage of not less than \$1 million per occurrence with an aggregate of not less than \$3 million
- Tier II, volume of 4, 500-19, 999 foreclosure matters, coverage of not less than \$5 million per occurrence with an aggregate of not less than \$5 million; and
- Tier III, volume of 20,000 or more foreclosure matters, coverage of not less than \$8 million per occurrence with an aggregate of not less than \$8 million

The required level of insurance is determined by the higher of the Freddie Mac or Fannie Mae pending foreclosure volume. By way of example, if a firm had 2,000 Freddie Mac foreclosure matters and 4, 501 Fannie Mae foreclosure matters, the firm would fall within Tier II and the required coverage would be not less than \$5 million per occurrence with an aggregate of not less than \$5 million. Beginning in 2014, Servicers must conduct an updated coverage analysis annually, with the appropriate level of insurance to be determined by the number of matters being handled as of June 1 of each year. When an annual review reveals a need to increase a firm's coverage, firms will have until December 31 of each year to obtain any required increased coverage. Servicers may grant firms additional time to obtain increased coverage if necessary to reach the routine renewal date for the firm's policy, but may not grant extensions beyond June 1 of the following year.

#### (t) Financial resources

The Servicer must confirm that the firm has adequate financial resources and the financial ability to make required advances in connection with filing fees and costs necessary to process default-related and REO-related matters.

The Servicer must review the firm's financial statements and/or other firm financial documents in order to confirm that the firm has sufficient reserves or credit lines to manage operating expenses.

## (u) Business continuity

The Servicer must confirm that the firm has business continuity and/or disaster recovery plans in place to recover critical business functions. The firm must have a documented succession/continuity plan in the event of loss of the firm owners/partners.

#### (v) Quality control

The Servicer must confirm that the firm has written policies, procedures and/or processes in place by the date of the submission of the Servicer Selection Form, to ensure the proper management and supervision of staff and the proper preparation, review, execution and notarization of default-related documents and REO-related documents. The Servicer must also confirm the firm has an escalation process for employees to raise document execution and other quality control issues to firm management.

The Servicer must obtain documentation and information related to the firm's process for ensuring compliance with its policies, procedures, processes and training, such as an internal compliance program and/or quality control reviews.

#### (w) Employee training

The Servicer must confirm that the firm has written policies for employee training, including privacy training. When determining whether a firm's employee training is adequate, the Servicer must review the frequency of training, the presence of policies and procedures and firm handbooks, manuals and job aids.

#### (x) Adverse matters

No substantial part of the firm's practice can include matters that are adverse to financial institutions, including Freddie Mac or Fannie Mae. Adverse matters to financial institutions include:

- Homeowners or condominium association foreclosures
- Consumer debtor or mortgagor representation
- Bankruptcy trustee representation; or
- Any other client(s) that may create a potential conflict of interest

### (y) Conflicts of interest

Attorneys must not be affected by a conflict of interest or a potential conflict of interest when handling Freddie Mac Default Legal Matters. The Servicer must retain the most qualified attorneys in compliance with Freddie Mac requirements to assist with processing Freddie Mac Default Legal Matters without regard to arrangements that could provide a financial or personal benefit directly or indirectly to the Servicer, its employees, outsource companies or third party vendors utilized by the Servicer to assist in Servicing defaulted Mortgages.

On the Servicer Selection Form, the Servicer must disclose to Freddie Mac any current, past (within the last five years), or pending personal and/or financial relationships between (i) the Servicer and the firm, including its partners and shareholders (as applicable) and (ii) the firm, including its partners and shareholders (as applicable), and any outsourcing company or other third-party vendor utilized by the Servicer to assist in Servicing defaulted Mortgages.

#### (z) Disclosure of third-party service providers

The Servicer must require the firm to disclose the identity of, and relationship with, any entities the firm relies upon to provide third-party support functions performed on the Servicer's behalf, including, but not limited to, title searches, title insurance, posting, publication, and process services.

The Servicer must also require the firm to disclose whether the firm has a process to select and regularly review costs and performance of vendors of related sources to ensure competitive pricing and high quality.

#### (aa) Referrals

The Servicer is responsible for ensuring that the firm complies with Freddie Mac requirements and applicable laws regarding referrals and payment of related fees and benefits, as further described in Sections 9501.7 and 9501.8.

The Servicer must not require the firm to use vendors, outsource companies or other third-parties specified by the Servicer as a condition of receiving a referral of a Freddie Mac Default Legal Matter.

#### (bb) Diversity data

The Servicer must confirm that the firm has the capability to report diversity data to the Servicer and Freddie Mac, if necessary.

# 9501.4: Selection of firm (03/02/16)

#### (a) Servicer selects firm

If the Servicer determines that a firm meets the Firm Minimum Requirements specified in Section 9501.3 and all other Guide requirements, then the Servicer must complete and submit a Servicer Selection Form to Freddie Mac, via

https://freddiemacsats.com and receive Freddie Mac's "no objection" determination before entering into an agreement with a firm to handle Freddie Mac Default Legal Matters. If Freddie Mac requests additional information from the Servicer as part of this process, the Servicer must provide the requested information within the time frame requested by Freddie Mac. Servicers may not rely upon a previous submission of a Servicer Selection Form with respect to a firm by another Servicer that received a "no objection" determination. Each Servicer must conduct its own due diligence, submit a Servicer Selection Form and receive a "no objection" determination for each firm that the Servicer wishes to retain to handle Freddie Mac Default Legal Matters.

If a firm practices in multiple States, the Servicer must submit a Servicer Selection Form for each State office for which the Servicer wishes to retain the firm.

# Servicer Attorney Tracking System (SATS) registration

Servicers must use the Servicer Attorney Tracking System (SATS), an online process, to submit a Servicer Selection Form to Freddie Mac for each law firm selected to handle Freddie Mac Default Legal Matters. To establish access to SATS, Servicers must first register to create a user ID and password at <a href="https://freddiemacsats.com">https://freddiemacsats.com</a>. After completing the registration process, SATS will allow users to submit the information required in the Servicer Selection Form to Freddie Mac for review. SATS will also allow Servicers to respond to Freddie Mac's requests for additional information, as necessary, and will allow Servicers to track each submission's status during the review process.

Freddie Mac will not review any Servicer Selection Form completed and submitted to any Freddie Mac e-mail address. Servicers must complete and submit the Servicer Selection Form via https://freddiemacsats.com.

### (b) Freddie Mac review of Servicer Selection Form

After Freddie Mac receives the Servicer Selection Form, Freddie Mac will notify the Servicer via the Servicer's registered e-mail address with SATS whether Freddie Mac:

- Objects to the Servicer's retention of the firm to handle Freddie Mac Default Legal Matters
- Has no objection to Servicer's retention of the firm to handle Freddie Mac Default Legal Matters; or
- Needs additional information or documentation, or due diligence to be conducted before deciding whether the firm may be retained. If requested, the Servicer must provide any additional information or documentation to Freddie Mac via https://freddiemacsats.com, and must conduct any further due diligence requested by Freddie Mac within the time period stated in Freddie Mac's request.

### (c) Freddie Mac's response to Servicer firm selection

#### (i) Freddie Mac provides a "no objection" response

The Servicer must enter into a contract with the firm (if a contract does not already exist) as further specified in Section 9501.5, to handle Freddie Mac Default Legal Matters.

#### (ii) Freddie Mac provides an "objection" response

If the Servicer determines not to retain a particular firm, or if Freddie Mac objects to the retention of a particular firm, the Servicer must notify the firm that the firm cannot be hired for Freddie Mac Default Legal Matters.

## (d) The Servicer decides not to retain firm

The Servicer is not obligated to inform Freddie Mac:

- If the Servicer determines that a firm does not meet the Firm Minimum Requirements; or
- If the Servicer decides not to retain a firm

#### (e) Diversity

Servicers are reminded that they must be aware of, and comply with, Freddie Mac's requirements in Sections 1201.10 and 1301.2 The Servicer must commit to practice the principles of equal employment opportunity and non-discrimination in all its business activities, including the retention and hiring of firms retained pursuant to this section.

Freddie Mac Single Family/Single-Family Seller/Servicer Guide/Single-Family Seller/Servicer Guide/Servicing/Series 9000: Servicing Default Management/Topic 9500: Selection, Retention and Management of Law Firms for Freddie Mac Default Legal Matters/Chapter 9501: Selection, Retention and Management of Law Firms for Freddie Mac Default Legal Matters/9501.5: Retention of firm (03/02/16)

#### 9501.5: Retention of firm (03/02/16)

#### (a) Servicer contract with firm

If the Servicer has not already entered into a contract with a selected firm and Freddie Mac has provided a "no objection" determination, then the Servicer must enter into a contract with the firm. The Servicer must notify Freddie Mac when the contract has been executed by updating the Servicer Attorney Tracking System (SATS) via <a href="https://freddiemacsats.com">https://freddiemacsats.com</a>, and must provide a copy of the contract to Freddie Mac, upon request.

## (b) Freddie Mac limited retention agreement with firm

Freddie Mac will enter into a limited retention agreement that sets forth certain key retention provisions with each selected firm for each State in which the firm has received a "no objection" determination.

# (c) Conflict between Servicer's contract and limited retention agreements; Servicer's respective consent

The Servicer acknowledges that the limited retention agreement recognizes and reflects a joint attorney-client relationship between the law firm, Freddie Mac and the Servicer, and the Servicer consents to such joint representation. The Servicer consents, in advance, to the selected firm's representation of Freddie Mac in any Freddie Mac Default Legal Matter that is or might be adverse to the Servicer, and further agrees that the firm can use in such representation any information the firm gained in the course of jointly representing the Servicer and Freddie Mac. In the event of any inconsistency or conflict between the terms and conditions of the Servicer's contract with the selected firm and the terms and conditions of Freddie Mac's limited retention agreement with the firm, Freddie Mac's limited retention agreement shall control.

Freddie Mac Single Family/Single-Family Seller/Servicer Guide/Single-Family Seller/Servicer Guide/Servicing/Series 9000: Servicing Default Management/Topic 9500: Selection, Retention and Management of Law Firms for Freddie Mac Default Legal Matters/Chapter 9501: Selection, Retention and Management of Law Firms for Freddie Mac Default Legal Matters/9501.6: Training of firms (03/02/16)

### 9501.6: Training of firms (03/02/16)

#### (a) Training prior to referral

The Servicer must not refer any Freddie Mac Default Legal Matters to a firm until the Servicer verifies that the firm has executed a limited retention agreement with Freddie Mac and has completed Freddie Mac's new firm training.

A firm is only required to attend Freddie Mac's new firm training once, regardless of the number of Servicers that select and retain the firm.

#### (b) Ongoing training

The Servicer must ensure that each firm obtains appropriate training to keep the firm apprised of updated Freddie Mac requirements. If the Servicer provides its own standard training and/or other communication materials to a firm, the Servicer must include information regarding Freddie Mac's requirements.

Freddie Mac Single Family/Single-Family Seller/Servicer Guide/Single-Family Seller/Servicer Guide/Servicing/Series 9000: Servicing Default Management/Topic 9500: Selection, Retention and Management of Law Firms for Freddie Mac Default Legal Matters/Chapter 9501: Selection, Retention and Management of Law Firms for Freddie Mac Default Legal Matters/9501.7: Referral of Freddie Mac Default Legal Matters to firm (03/02/16)

9501.7: Referral of Freddie Mac Default Legal Matters to firm (03/02/16)

#### (a) Requirements prior to referral

Prior to referring a Freddie Mac Default Legal Matter to a firm, the Servicer must confirm that the firm is eligible to receive a referral by ensuring that:

- The firm meets the Firm Minimum Requirements, as specified in Section 9501.3
- Freddie Mac has provided a "no objection" determination, as specified in Section 9501.4
- The firm has executed a contract with the Servicer requiring the firm to comply with all applicable Freddie Mac requirements, as specified in Section 9501.5
- The firm has executed a limited retention agreement with Freddie Mac, as specified in Section 9501.5
- The firm has completed Freddie Mac training and any additional Servicer training, as specified in Section 9501.6; and
- There are no conflicts of interest with respect to the retention of the firm and referral of Freddie Mac Default Legal Matters to the firm

#### (b) Diversification of referrals

The Servicer must diversify its referrals of Freddie Mac Default Legal Matters to an appropriate number of firms in each State to protect the interests of Freddie Mac and to mitigate the risks related to a high concentration of Freddie Mac files. In selecting firms for referrals, the Servicer must consider firm capacity and management of staff to file ratios.

#### (c) Bankruptcy and foreclosure matters

The Servicer must not refer foreclosure matters directly to trustees listed on the deeds of trust.

Refer to Section 9401.10 for additional referral requirements.

#### (d) Providing documentation to firm

The Servicer must identify a file as a Freddie Mac Default Legal Matter when sending the file to a firm. When referring a file to a firm, the Servicer must provide all documentation required to initiate a foreclosure. If the firm requests any additional information and/or documentation at any time, the Servicer must provide such requested information and/or documents within three Business Days after receipt of the request, or within such earlier time frame if necessary to comply with timing requirements under applicable law or court orders and procedures.

For any Mortgage that the Servicer refers for foreclosure that is subsequently repurchased by the Servicer, whether voluntarily or involuntarily, the Servicer must notify foreclosure and/or bankruptcy counsel within two Business Days of the completed repurchase. (See Chapter 3602 for additional information about repurchases.)

#### (e) Contingency plan

All Servicers must have a contingency plan in place, either in the form of a stand-alone document or incorporated into policies and procedures, to redirect new foreclosure and bankruptcy referrals.

Freddie Mac Single Family/Single-Family Seller/Servicer Guide/Single-Family Seller/Servicer Guide/Servicing/Series 9000: Servicing Default Management/Topic 9500: Selection, Retention and Management of Law Firms for Freddie Mac Default Legal Matters/Chapter 9501: Selection,

Retention and Management of Law Firms for Freddie Mac Default Legal Matters/9501.8: Prohibitions related to Freddie Mac Default Legal Matters (03/02/16)

# 9501.8: Prohibitions related to Freddie Mac Default Legal Matters (03/02/16)

Servicers must not require the firm to perform any foreclosure or bankruptcy-related services on any Freddie Mac Default Legal Matter without compensation.

# (a) Prohibition against charging for, contracting for, or making arrangements to receive benefits for Servicing obligations

A Servicer, whether acting directly or through an affiliate, service provider, vendor or outsourcing company, must not directly or indirectly:

- Charge Freddie Mac or the firm for any foreclosure or bankruptcy-related Servicing obligations, including expenses covered by the Servicing Spread; or
- Contract or make any arrangements with the firm whereby the Servicer (or its
  affiliate, service provider, vendor or outsourcing company) receives, directly or
  indirectly, any financial or other benefits (including, but not limited to, payments,
  the provision of employees or free or discounted services or products) from the
  firm in connection with any Freddie Mac Default Legal Matter or Freddie Mac-owned
  or quaranteed Mortgage

Refer to Section 8103.3 for additional information on Servicing obligations.

# (b) Prohibitions with respect to use of specific vendors, services and/or products

The Servicer, and not a service provider, vendor or outsourcing company assisting the Servicer in Servicing defaulted Mortgages, must select the firm to handle Freddie Mac Default Legal Matters, and Servicers must not permit service providers, vendors, outsourcing companies, or others to participate in or influence, in any way, the Servicer's referral process.

A Servicer must not, whether acting directly or through an affiliate, service provider, vendor or outsourcing company:

- Require the firm to contract with or use a particular service provider, vendor or outsourcing company, or to use, or pay for, a particular service or product
- Refuse to refer a file to the firm because the firm chooses not to contract with or
  use a particular service provider, vendor or outsourcing company, or chooses not
  to use, or pay for, a particular service or product; or
- Charge the firm for any aspect of the file referral or management process, including, but not limited to, the use of connectivity or invoice processing systems (e.g., licensing or subscription fees, "click" charges, or any other payment) in order for the firm to provide services necessary to handle Freddie Mac Default Legal Matters (e.g., to prosecute the foreclosure or bankruptcy case)

However, a Servicer may require the firm to use certain connectivity or invoice processing systems, provided that the firm is not required to pay for the use of, or access to, such systems.

Refer to Section 9501.9 for information about use of, and reimbursement for, connectivity and invoice processing systems.

Freddie Mac Single Family/Single-Family Seller/Servicer Guide/Single-Family Seller/Servicer Guide/Servicing/Series 9000: Servicing Default Management/Topic 9500: Selection, Retention and Management of Law Firms for Freddie Mac Default Legal Matters/Chapter 9501: Selection,

Retention and Management of Law Firms for Freddie Mac Default Legal Matters/9501.9: Servicer use of connectivity and invoice processing system (03/02/16)

# 9501.9: Servicer use of connectivity and invoice processing system (03/02/16)

A Servicer, whether acting directly or through any vendor, service provider or outsourcing company, may employ electronic monitoring, management, reporting or information and document delivery processes technology, referred to in this section as a "Connectivity System," and an invoice processing system as outlined below.

#### (a) Connectivity System

A Servicer may employ a Connectivity System to assist with fulfilling Servicing obligations such as:

- Packaging and referring foreclosure and bankruptcy cases to the firm
- Communicating information and delivering documents between the Servicer and the firm as well as any other third parties requiring access to the Connectivity System; and
- Managing and monitoring foreclosure and bankruptcy cases

If a Servicer uses a Connectivity System:

- Freddie Mac will reimburse the Servicer for the actual cost of the connectivity fee up to the maximum expense limit specified in Section 9701.11
- The Servicer must provide the firm with use of and access to the identical Connectivity System
- The Servicer must permit, or continue to permit, the firm to integrate its own technology systems with the Connectivity System at no cost to the firm; and
- The Servicer must not pass on any Connectivity System related charges to the Borrower or the firm

#### (b) Invoice processing system

A Servicer may employ an invoice processing system for managing the submission and payment of invoices.

If a Servicer, whether acting directly or through a vendor or outsourcing company, processes firm invoices electronically:

- Freddie Mac will reimburse the Servicer for the actual cost of the invoicing fee up to the maximum expense limits specified in Section 9701.11; and
- The Servicer must not pass on any invoice processing related charges to the Borrower or the firm

The amounts specified in Section 9701.11 for connectivity and invoice processing systems are the maximum amounts for which a Servicer may seek reimbursement for the life of the default (i.e., the duration of the foreclosure, including any Freddie Mac Default Legal Matter such as bankruptcy).

For example, if a Servicer has already referred a Mortgage to foreclosure and it then becomes necessary to take action with respect to a bankruptcy related to such Mortgage, or if a Servicer has already referred a file for bankruptcy and foreclosure has commenced following the bankruptcy referral, the Servicer may be reimbursed only for one connectivity fee. Likewise in this scenario, if the Servicer is using an invoice processing system, then the Servicer may only seek reimbursement for one invoicing fee associated with the foreclosure and for one invoicing fee associated with the bankruptcy during the life of the default.

# 9501.10: Servicer reporting on Freddie Mac Default Legal Matters (06/29/16)

The Servicer must provide reports related to firm performance, management of foreclosure and bankruptcy processes, oversight of firm compliance and performance and other related matters as required by Freddie Mac. Servicers must ensure that all firms retained for Freddie Mac Default Legal Matters report data required by Freddie Mac directly to Freddie Mac accurately and in the time frames prescribed. This includes required daily reporting by its retained law firms, via the Attorney Data Reporting (ADR) System, of key metrics such as:

- Milestones during the lifecycle of Freddie Mac Default Legal Matters
- Delays affecting prompt and efficient completion of the Freddie Mac Default Legal Matter
- Successful loss mitigation activities
- Litigation detail during the lifecycle of certain non-routine litigation matters
- Completion of the Freddie Mac Default Legal Matter

Key metrics generally must be reported to Freddie Mac within 24 hours of occurrence, unless otherwise prescribed in related training materials for the web-based attorney reporting system. Servicers may obtain access to ADR, and monitor their law firms' reporting progress, by completing the **ADR Servicer Access Request Form** available on the Freddie Mac Default-Related Legal Services web page at

## 9501.11: Servicer monitoring and management of firm (03/02/16)

The Servicer is responsible for managing and monitoring all aspects of the firm performance, providing necessary assistance to the firm relating to Freddie Mac Default Legal Matters, and for undertaking all activities required to protect Freddie Mac's interest in the Mortgage. The Servicer must also ensure that the firm is in compliance with applicable Freddie Mac requirements, and that the firm receives all training and documentation relating to applicable Freddie Mac requirements, either separately or as part of the Servicer's standard training.

### (a) Compliance processes

The Servicer must develop and have in place policies and procedures regarding oversight and compliance of firms handling Freddie Mac Default Legal Matters. The Servicer must have policies and procedures reasonably designed to ensure that firms handling Freddie Mac Default Legal Matters are in compliance with the limited retention agreement, the applicable provisions of the Guide, and applicable law.

The Servicer's ongoing compliance monitoring must address the following minimum elements:

- Ongoing eligibility under the Firm Minimum Requirements specified in Section 9501.3
- Compliance with the limited retention agreement, including the fee and cost guidelines; and
- Firm performance and processes necessary to ensure Servicer's compliance with applicable Guide requirements

The Servicer must conduct periodic compliance reviews and training as appropriate. In determining the frequency of firm compliance reviews, the Servicer must consider the overall risk posed to Freddie Mac by the firm (legal, reputational, and financial), firm file volume, performance, any changes in staffing ratios or levels, any litigation against the firm alleging systemic issues, any media coverage regarding the firm and the prior results of any firm compliance reviews.

#### (b) Freddie Mac review of compliance process

Freddie Mac reserves the right to review the Servicer's compliance process. Freddie Mac may require Servicers to conduct additional compliance activities related to firms handling Freddie Mac Default Legal Matters, such as additional firm compliance reviews.

The Servicer must make available to Freddie Mac upon request the materials relating to its performance and compliance monitoring of firms handling Freddie Mac Default Legal Matters, including:

- Information regarding the scope and methodology of the Servicer's compliance monitoring
- The schedule of firm compliance reviews conducted
- The identity of any vendors used in the firm compliance reviews
- · All documentation from the firm compliance reviews; and
- All findings, reports or remediation plans resulting from the firm compliance reviews

In addition, Freddie Mac may require a Servicer to change the scope of its compliance process used to monitor firms handling Freddie Mac Mortgages.

#### (c) Freddie Mac right to audit firm

Freddie Mac also reserves the right to directly conduct firm audits and firm on-site visits as Freddie Mac deems necessary. Freddie Mac audits and visits may focus on items such as fee and cost compliance, Servicer compliance with Freddie Mac requirements, and high-risk issues, including compliance with applicable laws, reputational risk, unsatisfactory results of Servicer firm compliance reviews and conflicts of interest involving Freddie Mac-owned or guaranteed Mortgages.

Freddie Mac Single Family/Single-Family Seller/Servicer Guide/Single-Family Seller/Servicer Guide/Servicing/Series 9000: Servicing Default Management/Topic 9500: Selection, Retention and Management of Law Firms for Freddie Mac Default Legal Matters/Chapter 9501: Selection, Retention and Management of Law Firms for Freddie Mac Default Legal Matters/9501.12: Escalation of firm issues to Freddie Mac (03/02/16)

9501.12: Escalation of firm issues to Freddie Mac (03/02/16)

#### (a) Escalation of issues

The Servicer must notify Freddie Mac via e-mail (see Directory 1), within two Business Days of discovery or sooner if circumstances warrant, if the Servicer becomes aware of any issues or concerns relating to a firm (including a specific employee or vendor of a firm), or a Freddie Mac Default Legal Matter, including, but not limited to:

- 1. Any information regarding a firm that may warrant a firm's suspension, termination or Servicer request to transfer Freddie Mac Default Legal Matters to another firm
- 2. Information suggesting legal or reputational risk posed by the firm such as bar complaints, sanctions, or litigation alleging systemic issues with the firm, firm attorney, or the firm's practices
- 3. Security incidents that compromise the security, confidentiality or integrity of "sensitive customer information" and that security incident is related to Freddie Mac-owned or guaranteed Mortgages (refer to Section 1301.2(f))
- 4. Actual or alleged fraud on the part of the firm
- 5. Federal, State, or local governmental inquiries, including congressional inquiries, regarding a firm, Freddie Mac-owned or guaranteed Mortgages, or Freddie Mac or Servicer practices affecting Freddie Mac-owned or guaranteed Mortgages
- 6. Non-routine litigation (as described in Section 9402.2)
- 7. Media inquiries relating to Freddie Mac, a firm, or Freddie Mac-owned or guaranteed Mortgages
- 8. Volume or capacity issues with the firm
- 9. Breach of the limited retention agreement between the firm and Freddie Mac, or the contract between the firm and the Servicer
- 10. Legal matters such as regulatory updates and specific reporting on certain matters (e.g., transfer tax matters)
- 11. Any systemic issues with the firm
- 12. Systemic Servicer issues related to file suspensions and foreclosure holds (e.g., failure to properly implement new statutory changes); and
- 13. Any material change in the ownership, partnership, or organization of the firm after executing the limited retention agreement. Such notifications should include instances where a named partner leaves the firm or a major practice group separates from the firm.

#### (b) Procedures relating to issues and concerns

When a Servicer provides Freddie Mac notice of an issue requiring Freddie Mac's attention, the Servicer must designate in its e-mail one or more points of contact. Freddie Mac may request that the Servicer obtain additional information from the firm regarding the issue that was escalated to Freddie Mac, and the Servicer must promptly provide the requested information to Freddie Mac.

#### (c) Freddie Mac rights

Freddie Mac reserves the right to issue direction to Servicers and firms regarding escalated issues. Refer to Section 9501.15 for more information about Freddie Mac's reservation of rights

#### (d) Escalated issue - confidential information

Any issue that is identified and escalated to or by Freddie Mac pursuant to this section (other than non-routine litigation) is considered to be "confidential information" as defined in Sections 1201.8 and 8101.8. The Servicer must comply with the requirements of such sections with respect to treatment of any escalated issue.

9501.13: File transfers, termination and suspension of firms (05/18/16)

# (a) Servicer-directed suspension of referrals, Freddie Mac Default Legal Matter transfers and terminations

If a Servicer becomes aware of information regarding a firm's handling Freddie Mac Default Legal Matters that might warrant a suspension of referrals of new Freddie Mac Default Legal Matters, the transfer of Freddie Mac Default Legal Matters to another firm, and/or termination of the firm (such as for legal, reputational, or operational risk), the Servicer must:

- Notify Freddie Mac within two Business Days via e-mail or sooner if circumstances warrant, as set forth in Section 9501.12; and
- · Conduct due diligence with respect to the issue

If the Servicer intends to suspend referrals of new Freddie Mac Default Legal Matters, transfer Freddie Mac Default Legal Matters, and/or terminate a firm, the Servicer must provide Freddie Mac with at least five Business Days' notice (see Directory 1) prior to implementing the decision. Additionally, the notification must provide Freddie Mac with the implementation plan for the course of action chosen by the Servicer, pursuant to Section 9501.14.

For the transfer of Freddie Mac Default Legal Matters, once a Servicer has determined the eligible law firm(s) that will receive such file transfers, the following must also be included in the notification to Freddie Mac:

- Servicer name and the six-digit Seller/Servicer number
- The nine-digit Freddie Mac loan number
- Servicer loan number
- Date of transfer
- Original law firm name
- New law firm name
- Freddie Mac Default Legal Matter being transferred (e.g., foreclosure, bankruptcy proof of claim (POC) or bankruptcy motion for relief (MFR)) to the new law firm
- The State in which the Mortgaged Premises is located

In addition, the Servicer must:

- Upon request, provide Freddie Mac with the reason for the decision and the due diligence materials or other information supporting the decision
- Inform the firm of the decision; and
- Keep Freddie Mac periodically updated with respect to the status of implementation of the decision

Refer to Section 9501.14 for additional information relating to implementation of terminations, transfer of Freddie Mac Default Legal Matters and suspensions.

# (b) Freddie Mac-directed suspension of referrals, matter transfers and terminations

Freddie Mac may direct the Servicer to initiate an investigation of a firm if Freddie Mac becomes aware of information that might warrant a suspension of referrals of new Freddie Mac Default Legal Matters, the transfer of Freddie Mac Default Legal Matters, or termination of the firm. Freddie Mac also may conduct due diligence and investigations as necessary. Freddie Mac may instruct Servicers to suspend some or all referrals of new Freddie Mac Default Legal Matters, to transfer some or all existing Freddie Mac Default Legal Matters, or to terminate a firm.

In the event of a decision by Freddie Mac to suspend referrals of new Freddie Mac Default Legal Matters, transfer Freddie Mac Default Legal Matters, or terminate a firm, Freddie Mac will:

- Inform the Servicer of the decision and provide direction with respect to required Servicer actions, including direction with respect to transfers of Freddie Mac Default Legal Matters
- Inform the firm of the decision and provide direction to the firm with respect to required firm actions; and
- Terminate the limited retention agreement between Freddie Mac and the firm, as appropriate

#### (c) Documentation of due diligence review

The Servicer must maintain documentation of the due diligence review, the Servicer's decision, and all other information supporting the decision for a period of seven years after such decision.

# 9501.14: Implementing file transfers and/or the termination and suspension of firms (03/02/16)

#### (a) Implementation plan

Prior to implementing any decision to terminate a contract with a firm, suspend referrals of new Freddie Mac Default Legal Matters and/or transfer Freddie Mac Default Legal Matters from a firm, the Servicer must develop an implementation plan which addresses:

- File transfers
- The capacity of other eligible firms in the State to handle additional Freddie Mac
   Default Legal Matters and/or transferred Freddie Mac Default Legal Matters
- Proration of fees and costs between the transferor and transferee firms
- · Contract provisions during any transition period, including insurance; and
- · Other issues as necessary

The implementation plan must take into account any legal, operational or reputational risks that may arise during the transition period, and must address these risks in the most cost-efficient and effective manner. Freddie Mac reserves the right to require the modification of the implementation plan, and provide additional Servicer requirements relating to the termination of any firm, the suspension of referrals of new Freddie Mac Default Legal Matters and the transfer of Freddie Mac Default Legal Matters.

#### (b) Servicer monitoring of implementation plan

The Servicer must take all necessary steps to ensure that the implementation plan proceeds in an orderly manner and that all Freddie Mac interests are protected during the implementation. Such steps include, but are not limited to:

- Transferring files relating to Freddie Mac Default Legal Matters to eligible firms
- Addressing any issues arising from the transfer of files, the suspension of referrals and the termination of a firm
- Reporting periodically to Freddie Mac on the status of the plan, including such
  details as how many files are transferred to each new firm, which new firms receive
  the files and the timing of transfers; and
- Such other details as requested by Freddie Mac

Servicers may not charge Freddie Mac or Borrowers for any fees or costs associated with transferring Freddie Mac Default Legal Matters, and such amounts may not be added to Borrower Mortgage balances.

#### (c) Freddie Mac's rights to manage termination, suspension and/or file transfers

Freddie Mac may decide, in its sole discretion, that the legal, operational or reputational risks necessitate Freddie Mac's management of the:

- Termination of any firm with respect to its handling of Freddie Mac Default Legal Matters
- Suspension of referrals of Freddie Mac Default Legal Matters to a firm; and/or
- Transfers of files relating to Freddie Mac Default Legal Matters

In such case, the Servicer must cooperate with Freddie Mac in such management and provide all necessary documentation, files and information as requested by Freddie Mac.

Freddie Mac reserves the right to direct and control all litigation involving a Freddie Mac loan. The Servicer and firm handling the litigation must cooperate fully with Freddie Mac in the prosecution, defense or handling of the matter.

In addition, Freddie Mac reserves the right to:

- 2. Direct and manage the actions taken by the foreclosure counsel, on a case-by-case or individual State basis

- 4. Direct and manage the actions taken by Servicers and firms relating to escalated issues specified in Section 9501.12

#### Remedies for non-compliance

- Refuse to reimburse the Servicer for any legal fees and costs
- Offset the entire legal fee from future foreclosure expenses otherwise eligible for reimbursement from Freddie Mac or seek the Servicer's reimbursement of the entire legal fee with interest, if Freddie Mac has already reimbursed the Servicer for the costs involved in the particular foreclosure or bankruptcy
- Require the Servicer to reimburse the firm or Freddie Mac for any prohibited payments or other financial benefits
- Prohibit the Servicer from contracting, directly or through any service provider, vendor or outsourcing company, with a firm with respect to products or services ancillary to a foreclosure or bankruptcy case
- Prohibit the Servicer from contracting with the service provider, vendor or outsourcing company involved in the prohibited activities with respect to Freddie Mac-owned or guaranteed Mortgages

- 1. My name is AJ Loll. I am competent to testify and have personal knowledge of the matters stated herein by virtue of my position as Managing VP for Nationstar Mortgage LLC (Nationstar).
- 2. As Managing VP for Nationstar, I am familiar with certain Nationstar systems and databases that contain data regarding mortgage loans owned by Federal Home Loan Mortgage Corporation (Freddie Mac) that Nationstar services. I have reviewed Nationstar's systems and databases containing information and data related to this loan.
- 3. Entries in Nationstar's systems and corresponding databases are made at or near the time of the events recorded by, or from information transmitted by, persons with knowledge. Nationstar's systems and databases are maintained and kept in the course of Nationstar' regularly conducted business activity, and it is the regular practice of Nationstar to keep and maintain information regarding loans owned by Freddie Mac that Nationstar services in Nationstar's databases. Nationstar's systems and databases consist of records that were made and kept by Nationstar in the course of its regularly conducted activities pursuant to its regular business practice of creating such records. These systems and databases are Nationstar's business records.
- 4. The records in Nationstar's systems and corresponding databases are consistent with my knowledge of the following matters:
  - a. On or about July 6, 2005, Ignacio A. Gutierrez (Borrower) obtained a loan from KB Home Mortgage Company (Lender) in the amount of \$271,638.00.
  - b. The Borrowers executed a note dated July 6, 2005 in favor of Lender (the **Note**). Their promise to repay the amount borrowed is secured by a Deed of Trust recorded against real property located at 668 Moonlight Stroll Street, Las Vegas, Nevada 89015 (the Note and Deed of Trust together are the Loan).
  - c. Nationstar began servicing the Loan on or about July 16, 2012. True and correct copies of printouts from Nationstar's records pertaining to the date that Nationstar began servicing the Loan are attached as Exhibit 1.

2.5

- 5. Nationstar's records also indicate Freddie Mac owned the Loan on July 16, 2012, the date Nationstar began servicing the Loan—and has owned the Loan ever since. True and correct printouts from Nationstar's business records pertaining to Freddie Mac's ownership interest in the Loan and identifying Freddie Mac as the current loan owner are attached as **Exhibit 2**. The "Loan Data" screenshot documents the basic loan information. The "Investor" is identified as FHLMC SCH/ACT GANESHA which refers to Freddie Mac.
- 6. Nationstar was Freddie Mac's authorized loan servicer and beneficiary of record of the Deed of Trust for the Loan at the time of the HOA sale.
- 7. Freddie Mac's Single-Family Servicing Guide (the **Guide**) serves as a central document governing the contractual relationship between Freddie Mac and its servicers, including Nationstar. An interactive version of the Guide is publicly-accessible on the Internet through links found at: http://www.freddiemac.com/singlefamily/guide/. Archived prior versions of the Guide are available at the same web address by clicking prior years under the link to the snapshot of the current version. I have reviewed portions of the Guide.
- 8. I have reviewed Nationstar's system of books and records and have not found evidence that Nationstar received the HOA's notice of sale.

I declare that the foregoing is true and correct.

The contract date is the date the contract for sale was signed. Information for the COE and contract sales dates were derived from MLS and county records and were provided to give the Client additional understanding of the market conditions as of the effective date of this appraisal For the purpose of this appraisal, when conflict between County Records and appraiser inspection were noted, appraiser inspection was used. For the purpose of this appraisal, when conflict between MLS and county records were noted, MLS was used. All of the sales comparables were inspected from the exterior on 05/13/2015, but MLS GLVAR photos were used from the time of the sale as they are more reflective of the condition at the time of sale and the retrospective effective date of this appraisal. All of the sales are Colonial style 2-story properties from the subject market that have closed within the past 6 months of the effective date. Site: Sale 2 (0.06 acres) was slightly smaller than the subject (0.08 acres), however this difference is not discernable in the market and no adjustments were made. Condition: Sale 3 included a superior condition than the subject property including cherry wood cabinets, granite counter tops, new carpeting and was adjusted downward \$5,000. Gross Living Area; Sale 2 included a smaller gross living area at 1,577 square feet. We have adjusted for living area using \$45 per square foot for a total upward adjustment of \$26,280. All of the sales are similar to the subject property being 2 stories, similar in age, similar in quality, having similar bedrooms and bathrooms, having 2 car garages, having a patio, not having a fireplace, not having private pools, and having similar neighborhood amenities including gated access, community pool, playgrounds, and extra parking. As a result no other adjustments were warranted.

**Purpose:** The purpose of this appraisal is to form an opinion of the fair market value for the subject property as of the effective date which is a retrospective date of March 8, 2013.

Intended User: Akerman, LLP and Nationstar Mortgage, LLC. No other users are intended by the Appraiser. Appraiser shall consider the intended users when determining the level of detail to be provided in the Appraisal Report.

Intended Use: Litigation. No other use is intended by the Appraiser. The intended use as stated shall be used by the Appraiser in determining the appropriate Scope of Work for the assignment.

#### Scope of Appraisal:

Upon receiving this assignment from the client I identified the intended users of the report, confirmed that the effective date of the appraisal is to be a retrospective date of March 8, 2013. Next the real property being appraised was identified and available property-specific data was collected through public records, various data services and or MLS data base.

An exterior inspection of the property was completed as described herein; a visual observation of the unobstructed, exposed surfaces of accessible areas from standing height was performed on the exterior areas of the subject property for valuation purposes only. The appraiser is NOT a "home inspector" and can only report conditions based on the visual observation noted above. The appraiser DOES NOT warrant any part/whole of the subject property environmental conditions or other conditions that would require a licensed professional such as; identifying the existence of Lead Based paint, Mold, Soil Slippage, Hazardous Waste, Radon Gas etc. I did not test the subject's mechanical systems; the appraiser is not an expert with regard to mechanical issues or electrical, plumbing, roof, foundation systems, or State, City, County, Building Code compliance etc.

The appraiser's inspection included noting the apparent condition, quality, utility, amenities and architectural style. Measurements and room counts used in this report came from county records. Zoning data was obtained from public records, office files, and or city/county planning offices. The collected data was then used to develop a profile of the subject property and analyze the highest and best use of the subject property.

The appraiser performed a search of the local market area for the most similar closed comparable sales, pending/contingent sales and active listings. The accessible sales were inspected from the street and photos taken. MLS photos may be used when there is; obstruction, people are outside, when there is no access to the property, or when the MLS photo is considered a more accurate depiction of the properties condition at the time of sale. The sales were confirmed and verified from public records, various data services, MLS and when necessary with an agent, the owner, or the title company. Interior/exterior upgrade adjustments may be made to one or more of the comparables due to information obtained from the appraiser's exterior inspection of the property and/or information obtained from the multiple listing service (MLS). Where available, the appraiser has reviewed interior photographs provided by listing agents on the comparables to obtain a better understanding of these properties. The sales data was then analyzed and a value opinion derived.

In the preparation of this report, I have relied on data from county records, multiple listing service, title companies, etc. I believe this report to be complete and accurate, however, should any error or omission be subsequently discovered, I reserve the right to correct it.

#### Sales Comparison Analysis:

For the purpose of this appraisal, when conflict between County Records and appraiser inspection were noted, appraiser inspection was used. For the purpose of this appraisal, when conflict between MLS and county records were noted, MLS was used.

STATEMENT OF ASSUMPTIONS & LIMITING CONDITIONS

– The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it. The appraiser assumes that the title is good and marketable and, therefore, will not render any opinions about the title. The property is appraised on the basis of it being under responsible ownership.

- The appraiser may have provided a sketch in the appraisal report to show approximate dimensions of the improvements, and any such sketch is included only to assist the reader of the report in visualizing the property and understanding the appraiser's determination of its size. Unless

otherwise indicated, a Land Survey was not performed.

- If so Indicated, the appraiser has examined the available flood maps that are provided by the Federal Emergency Management Agency (or other data sources) and has noted in the appraisal report whether the subject site is located in an identified Special Flood Hazard Area. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.

- The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific

arrangements to do so have been made beforehand.

- If the cost approach is included in this appraisal, the appraiser has estimated the value of the land in the cost approach at its highest and best use, and the improvements at their contributory value. These separate valuations of the land and improvements must not be used in conjunction with any other appraisal and are invalid if they are so used. Unless otherwise specifically indicated, the cost approach value is not an insurance value, and should not be used as such.

— The appraiser has noted in the appraisal report any adverse conditions (including, but not limited to, needed repairs, depreciation, the presence of hazardous wastes, toxic substances, etc.) observed during the inspection of the subject property, or that he or she became aware of during the normal research involved in performing the appraisal. Unless otherwise stated in the appraisal report, the appraiser has no knowledge of any hidden or unapparent conditions of the property, or adverse environmental conditions (including, but not limited to, the presence of hazardous wastes, toxic substances, etc.) that would make the property more or less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied, regarding the condition of the property. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the appraiser is not an expert in the field of environmental hazards, the appraisal report must not be considered as an environmental assessment of the property.

— The appraiser obtained the information, estimates, and opinions that were expressed in the appraisal report from sources that he or she considers to be reliable and believes them to be true and correct. The appraiser does not assume responsibility for the accuracy of such items

that were furnished by other parties.

- The appraiser will not disclose the contents of the appraisal report except as provided for in the Uniform Standards of Professional Appraisal Practice, and any applicable federal, state or local laws.

— If this appraisal is indicated as subject to satisfactory completion, repairs, or alterations, the appraiser has based his or her appraisal report and valuation conclusion on the assumption that completion of the improvements will be performed in a workmanlike manner.

- An appraiser's client is the party (or parties) who engage an appraiser in a specific assignment. Any other party acquiring this report from the client does not become a party to the appraiser-client relationship. Any persons receiving this appraisal report because of disclosure requirements applicable to the appraiser's client do not become intended users of this report unless specifically identified by the client at the time of the assignment.

- The appraiser's written consent and approval must be obtained before this appraisal report can be conveyed by anyone to the public, through advertising, public relations, news, sales, or by means of any other media, or by its inclusion in a private or public database.

- An appraisal of real property is not a 'home inspection' and should not be construed as such. As part of the valuation process, the appraiser performs a non-invasive visual inventory that is not intended to reveal defects or detrimental conditions that are not readily apparent. The presence of such conditions or defects could adversely affect the appraiser's opinion of value. Clients with concerns about such potential negative factors are encouraged to engage the appropriate type of expert to investigate.

The Scope of Work is the type and extent of research and analyses performed in an appraisal assignment that is required to produce credible assignment results, given the nature of the appraisal problem, the specific requirements of the intended user(s) and the intended use of the appraisal report. Reliance upon this report, regardless of how acquired, by any party or for any use, other than those specified in this report by the Appraiser, is prohibited. The Opinion of Value that is the conclusion of this report is credible only within the context of the Scope of Work, Effective Date, the Date of Report, the Intended User(s), the Intended Use, the stated Assumptions and Limiting Conditions, any Hypothetical Conditions and/or Extraordinary Assumptions, and the Type of Value, as defined herein. The appraiser, appraisal firm, and related parties assume no obligation, liability, or accountability, and will not be responsible for any unauthorized use of this report or its conclusions.

Additional Comments (Scope of Work, Extraordinary Assumptions, Hypothetical Conditions, etc.):

An exterior inspection of the property was performed for the public street. An extraordinary assumption is made the interior is in similar condition as the exterior and that these conditions were similar on the retrospective date of value. The use of the extraordinary assumption may have affected the assignment results.

The purpose of this appraisal is for a "non lender" appraisal. It should be noted that the appraisers's data and comparables utilized were retrieved as of the inspection date noted within the body of the report. This report is intended for use by the Client that is named on page 1 of this report.

Measurements and room counts used in this report come from the appraisers interior/exterior inspection of the subject property, previous appraisal files and/or builder floor plans. These numbers may differ slightly with those recorded with Clark County records due to differences in measuring

The sales were confirmed and verified from public records, various data services, MLS and when necessary with an agent, the owner or the title company.

In the preparation of this report, I have relied on data from county records, multiple listing service, title companies, etc. I believe this report to be complete and accurate, however, should any error or omission be subsequently discovered, I reserve the right to correct it.

3		examined and testified as follows:
4		
5		
6		EXAMINATION
7	BY MS. MOI	RGAN:
8	Q.	Could you please state and spell your name.
9	A.	Susan Moses. S-u-s-a-n, M-o-s-e-s.
10	Q.	Is it okay if I call you Susan?
11	A.	Yes.
12	Q.	My name is Melanie Morgan. I represent
13	Nationsta	r Mortgage in this litigation.
14		What is your title?
15	A.	I'm the paralegal at NAS, and I'm the
16	custodian	of records.
17	Q.	Have you ever had your deposition taken
18	before?	
19	Α.	Yes.
20	Q.	Approximately how many times?
21	Α.	Eight maybe; seven or eight.
22	Q.	How many times within the last six months
23	or so?	
24	Α.	Seven or eight.
25	Q.	So it's all been recent?

- 1 homeowner subsequent to May 10th, 2012, absent
  2 bringing it current, the account current, it would
- 3 have been listed on this?
- A. If there were any payments made prior to
- 5 February 11th, 2013, they would have been listed on
- 6 here.
- 7 Q. Okay. Now, can you tell by looking only at
- 8 the notice of sale which portion of the amount stated
- 9 is for assessments?
- 10 A. No.
- 11 Q. Can you tell which portion is for interest?
- 12 A. No.
- 13 Q. Can you tell which portion is for late
- 14 fees?
- 15 A. No.
- 16 Q. Can you tell which portion is for
- 17 collection fees?
- 18 A. No.
- 19 Q. Can you tell which portion of the amount
- 20 stated is the super priority amount?
- 21 A. No.
- 22 Q. Which parties received a copy of this
- 23 notice of default -- I'm sorry, notice of sale?
- A. If you look at your Bates number 78 and 79,
- 25 those are the receipts for the return receipt

- 1 requested, and it has all the people that received
- 2 the notice of foreclosure.
- 3 Q. And how were these companies and
- 4 individuals determined?
- 5 A. We would have gotten an updated title
- 6 report or a date-down.
- 7 Q. And can you show me in the file where that
- 8 updated date-down would be.
- 9 A. Here Bates number starting at 100.
- 10 Q. What's the date of that date-down report?
- 11 A. It looks like March 29th, 2013.
- 12 Q. And what day was the notice of sale mailed?
- MR. VILKIN: Can I give her a page number?
- 14 MS. MORGAN: Sure.
- 15 MR. VILKIN: 80.
- 16 THE WITNESS: February 13th, 2013.
- 17 BY MS. MORGAN:
- 18 Q. Were there any other parties, other than
- 19 the parties listed on Bates 78 and 79, that received
- 20 a mailed copy of the notice of sale?
- 21 A. Just whoever was on the updated date-down
- 22 should be on -- it should be who the notice of
- 23 foreclosure sale went to.
- Q. And those people are reflected on -- those
- 25 people, I also mean businesses, entities, are also

reflected on Bates 78 and 79; is that correct?

#### Statement

#### **Statement on HOA Super-Priority Lien Foreclosures**

#### FOR IMMEDIATE RELEASE

#### 4/21/2015

Title 12 United States Code Section 4617(j)(3) states that, while the Federal Housing Finance Agency acts as Conservator, "[no] property of the Agency shall be subject to levy, attachment, garnishment, foreclosure, or sale without the consent of the Agency." This law precludes involuntary extinguishment of Fannie Mae or Freddie Mac liens while they are operating in conservatorships and preempts any state law that purports to allow holders of homeownership association (HOA) liens to extinguish a Fannie Mae or Freddie Mac lien, security interest, or other property interest.

As noted in our December 22, 2014 statement on certain super-priority liens, FHFA has an obligation to protect Fannie Mae's and Freddie Mac's rights, and will aggressively do so by bringing or supporting actions to contest HOA foreclosures that purport to extinguish Enterprise property interests in a manner that contravenes federal law. Consequently, FHFA confirms that it has not consented, and will not consent in the future, to the foreclosure or other extinguishment of any Fannie Mae or Freddie Mac lien or other property interest in connection with HOA foreclosures of super-priority liens.

#### INTRODUCTION

This Motion for Summary Judgment seeks to obtain a favorable judgment in regards to SFR's declaratory relief/quiet title claim and permanent injunction claim against Nationstar Mortgage, LLC ("the Bank").

In particular, this case is on remand from the Nevada Supreme Court where they asked this Court to conclude "whether Freddie owned the loan in question, or whether Nationstar had a contract with Freddie Mac or the FHFA to service the loan in question." Nationstar Mortgage, LLC v. SFR Investments Pool 1, LLC, 396 P.3d 754, 758 (Nev. 2017). The Nevada Supreme Court did not disturb any of the other grounds on which this Court granted judgment in favor of SFR in the first instance. Thus, this Court need not revisit the findings and conclusions on those issues. As to the issues on remand, the Bank has failed to prove that Freddie owned the loan or that it had a right to service this loan on behalf of Freddie. For this reason, this Court will not be burdened with a preemption analysis. Without preemption, there is nothing more for this Court to decide as under these same facts, this Court has already decided that the foreclosure was proper under NRS 116. See Order Granting SFR's Motion for Summary Judgment filed on November 10, 2015.

#### STATEMENT OF UNDISPUTED FACTS

This case arises from Horizon Heights (the "Association") foreclosure of real property commonly referred to as 668 Moonlight Stroll Street, Henderson, Nevada 89002 (the "Property"). Specifically, on April 5, 2013, the Association held a public auction of the Property based on unpaid monthly assessments. Despite that all notices required by NRS 116 were mailed to the proper parties, Nationstar, did nothing to protect its interest in the Property. At the foreclosure sale, SFR placed the highest bid.

	Association foreclosure deed vesting title in SFR recorded as Instrument No. 201304080001036.
	As recited in the Association Foreclosure Deed, the Association foreclosure sale complied with all requirements of law, including but not limited to, the elapsing of 90 days, recording and mailing of copies of Notice of Delinquent Assessment and Notice of Default, and the recording, posting and publication of the Notice of Sale.
April 8, 2013	SFR has no reason to doubt the recitals in the Foreclosure Deed — if there were any issues with delinquency or noticing, none of these were communicated to SFR. 10
	Further, neither SFR, nor its manager, have any relationship with the Association besides owning property within the community and bidding on properties at auction. <sup>11</sup>
	Similarly, neither SFR, nor its manager, have any relationship with the Association's agent beyond attending auctions and bidding on properties. 12
Prior to April 8, 2013	No release of the super-priority lien was recorded. <sup>13</sup> No lis pendens was recorded by Nationstar. <sup>14</sup>

#### **LEGAL ARGUMENT**

#### **LEGAL STANDARD**

Summary judgment is appropriate "when the pleadings and other evidence on file demonstrate that no 'genuine issue as to any material fact [remains] and that the moving party is entitled to a judgment as a matter of law." Wood v. Safeway, Inc., 121 Nev. 724, 729, 121 P.3d 1026, 1029 (2005). Additionally, "[t]he purpose of summary judgment 'is to avoid a needless trial when an appropriate showing is made in advance that there is no genuine issue of fact to be tried, and the movant is entitled to judgment as a matter of law." McDonald v. D.P. Alexander <u>& Las Vegas Boulevard, LLC</u>, 121 Nev. 812, 815, 123 P.3d 748, 750 (2005) <u>quoting Coray v.</u> Home, 80 Nev. 39, 40-41, 389 P.2d 76, 77 (1964). Moreover, the non-moving party "must, by affidavit or otherwise, set forth specific facts demonstrating the existence of a genuine issue for

#### II. SFR IS ENTITLED TO SUMMARY JUDGMENT ON ITS CLAIMS FOR QUIET TITLE AND PERMANENT INJUNCTION.

#### A. Title Vested in SFR Without Equity or Right of Redemption.

NRS 116.3166(3) states that "[t]he sale of a unit pursuant to NRS 116.31162, 116.31163 and 116.31164 vests in the purchaser the title of the unit's owner without equity or right of redemption." According to the Nevada Supreme Court, sales without equity or right of redemption vest the purchaser with absolute title:

[T]he law authorizing the mortgagee to sell is, in our opinion, so thoroughly settled that it cannot now admit of a question. Such being the right of the mortgagee, it follows as a necessary consequence that the purchaser from him obtains an absolute legal title as complete, perfect and indefeasible as can exist or be acquired by purchase; and a sale, upon due notice to the mortgagor, whether at public or private sale, forecloses all equity of redemption as completely as a decree of court.

In re Grant, 303 B.R. 205, 209 (Bankr. D. Nev. 2003) (quoting Bryant v. Carson River Lumbering Co., 3 Nev. 313, 317–18 (1867)) (emphasis added).

As the dissent in SFR correctly explained, "the owner, as well as the first security, will have no right to redeem the property under the majority's holding." SFR Investments, 334 P.3d at 422 citing NRS 116.31166(3) and Bldg. Energetix Corp. v. EHE, LP, 129 Nev. , 294 P.3d 1228, 1233 (Nev. 2013) (recognizing that there is no right to redeem after a Chapter 107 non-judicial foreclosure sale because a sale under that chapter 'vests in the purchaser the title of the grantor and any successors in interest without equity or right of redemption" (quoting NRS

107.080(5)). This is consistent with long-standing Nevada non-judicial foreclosure law that "[i]f the sale is properly, lawfully and fairly carried out, [the Bank] cannot unilaterally create a right of redemption in [itself]." Golden v. Tomiyasu, 79 Nev. 503, 518, 387 P.2d 989, 997 (1963). Here, because Nevada law does not allow the Bank or this Court to create a redemption period to save the Bank from its failure to preserve its interest, title must be quieted in favor of SFR.

#### B. The Deed Recitals are Conclusive in the Absence of Grounds for Equitable Relief.

Pursuant to NRS 116.31166(1), the recitals in the deed are conclusive as to (1) default; (2) mailing of the notice of delinquent assessment; (3) recording of the notice of default and notice of sale; (4) elapsing of 90 days; and (5) giving notice of sale. In order to overcome the conclusive effect, the Bank must demonstrate grounds for equitable relief. Shadow Wood Homeowners Ass'n, Inc. v. New York Community Bancorp, Inc., 132 Nev. ——, 366 P.3d 1105, 1110, 1112 (2016). The Bank must show a grossly inadequate price, in addition to "a showing of fraud, unfairness, or oppression." Shadow Wood, 366 P.3d at 1105, (citing Long v. Towne, 98. Nev 11, 13, 639 P.2d 528, 530 (1982)); see Golden, 79 Nev. At 504, 514, 387 P.2d at 995 (adopting the California rule that "inadequacy of price, however gross, is not in itself a sufficient ground for setting aside a trustee's sale legally made; there must be in addition proof of some element of fraud, unfairness or oppression as accounts for and brings about the inadequacy of price" (internal citations omitted). The Bank cannot demonstrate sufficient grounds for equitable relief.

#### C. The Foreclosure Deed and Sale are Presumed Valid.

Under Nevada law, foreclosure sales and the resulting deeds are presumed valid. NRS 47.250(16)-(18) (stating that there are disputable presumptions "that the law has been obeyed;" "that a trustee or other person, whose duty it was to convey real property to a particular person, has actually conveyed to that person, when such presumption is necessary to perfect the title of such person or a successor in interest;" "that private transactions have been fair and regular;" and "that the ordinary course of business has been followed.") As a result, it is presumed that (1) the Association and NAS obeyed the law; (2) the Property was conveyed to SFR; (3) the Association foreclosure sale was "fair and regular;" and (4) the Association foreclosure

proceedings were conducted in the "ordinary course of business." NRS 47.250(16)-(18).

Nevada law further provides that "[a] presumption not only fixes the burden of going forward with evidence, but it also shifts the burden of proof." Yeager v. Harrah's Club, Inc., 111 Nev. 830, 834, 897 P.2d 1093, 1095 (1995) (citing Vancheri v. GNLV Corp., 105 Nev. 417, 421, 777 P.2d 366, 368 (1989).) "These presumptions impose on the party against whom it is directed the burden of proving that the nonexistence of the presumed fact is more probable than its existence." Id. (citing NRS 47.180.). Having produced the deed, SFR has no further burden. Nevada law automatically presumes the deed and the sale are valid. Because of this, the Bank now bears the burden to overcome these presumptions. In other words, the Bank, and not SFR, bears the burden to prove that the Association foreclosure sale and the resulting foreclosure deed are not valid. The Bank cannot and has not met this burden.

There is not one shred of evidence in this case to overcome the presumptions in favor of SFR. With respect to the first presumption (NRS 47.250(16)), there is no doubt that the Association/NAS followed the law. Not only is this fact presumed, But this was also determined to be true by this Court as the Bank could not dispute these presumptions. Order Granting SFR's Motion for Summary Judgment filed on November 10, 2015 at 5.

Regarding the second presumption (NRS 47.250(17)), there is no dispute that the property was conveyed to SFR. In accordance with NRS 116.31164(3)(a), NAS, after receipt of payment from SFR, made, executed and delivered a deed to SFR. 15

Finally, with regard to the third presumption (NRS 47.250(18)), there is no dispute that the Association sale was fair and regular and conducted in the ordinary course of business. In accordance with NRS 116.31164, the Association foreclosure was conducted in Clark County, the county where the Association is located, it was conducted by NAS (the agent for the Association), at a public auction to the highest cash bidder, SFR. 16

In light of this evidence, the Bank cannot possibly meet its burden to overcome the presumptions that (1) the Association and NAS obeyed the law; (2) the Property was conveyed

to SFR; (3) the Association foreclosure sale was "fair and regular;" and conducted in the "ordinary course of business." As such, the deed of trust was extinguished by the Association foreclosure sale, and SFR is entitled to summary judgment on its claim for quiet title and permanent injunction.

#### III. FEDERAL PREEMPTION WILL NOT APPLY AS THE BANK HAS FAILED TO PROVE FREDDIE'S Interest in the Property and it Right to Service any Interest Held by Freddie.

When this case was on appeal, the Nevada Supreme Court stated that "the servicer of a loan owned by a regulated entity may argue that the Federal Foreclosure Bar preempts NRS 116.3116, and that neither Freddie Mac nor the FHFA need be joined as a party." Nationstar Mortgage, LLC v. SFR Investments Pool 1, LLC, 396 P.3d 754, 758 (Nev. 2017).

However, "the district court did not determine whether Freddie owned the loan in question, or whether Nationstar had a contract with Freddie Mac or the FHFA to service the loan in question. Rather, the district court held that Nationstar lacked standing in either case." Id. "Therefore, we conclude that remand is appropriate so the district court may address these factual inquiries in the first instance." Id. (footnote omitted).

Therefore, the Bank must come forward with evidence that Freddie currently owns the mortgage in question and that they owned the mortgage at the time of the foreclosure. Further, the Bank must prove that it has authority to service this mortgage and appear on behalf of Freddie in this matter. If the Bank cannot prove both of these elements then SFR must prevail as it has produced a valid deed to the property. See Breliant v. Preferred Equities Corp., 918 P.2d 314, 318 (Nev. 1996) (Evidence of a superior interest must be enough to overcome the "presumption in favor of the record titleholder" who is, in this case).

Moreover, FHFA and the Enterprises have already admitted that as "[a] threshold matter, of course, Plaintiff must have a property interest in order for [4617(j)(3)] to apply." LN Mgmt., LLC v. Dansker, No. 2:13-cv-01420-RCJ-GWF (ECF No. 54, 2:12-13). Herein, the Bank, Freddie, and FHFA have exclusive access to and possession of facts concerning ownership and servicing of this mortgage. Thus, the Bank is possession of all the information to meets its burden of proving quiet title if what they alleged is true. It was required to produce that evidence during initial discovery or at the very least during the supplemental discovery period this Court generously allowed.

As will be shown below, the Bank produced no evidence of Freddie's interest in this property or the

Bank's right to service such an interest. The evidence is so scant, that as a matter law, this Court can conclude that the Bank failed to meet its burden to establish these interest.

#### The Bank's Evidence of Freddie's Ownership and its Contractual Interest in **A.** Servicing the Property is Unsatisfactory.

The Bank is the named party in this lawsuit. Thus, the Bank has the responsibility to establish the Freddie owns the mortgage in question. The following is a comprehensive list of such evidence the Bank has produced to support Freddie's alleged loan interest in the property:

- Screenshot from Nationstar's Servicing System;
- The "please read" message / the Servicing Guidelines; and
- Testimony regarding Limited Power of Attorney to Nationstar from Freddie.

Each of these will be discussed in turn.

#### 1. Screenshot from Nationstar's Servicing System.

Per Kieth Kovalic, 30(b)(6) deponent for Nationstar, the Bank relied on a screenshot from their LSAMS system to help identify who the investor was on this loan. See Exhibit C p. 20:5-24. Below is a copy of the screenshot Mr. Kovalic reviewed.

Mr. Kovalic was able to identify that this screenshot related to the subject mortgage and that number 472 represented FHLMC ("Freddie). Based on this, Mr. Kovalic stated that "[i]t says FHLMC SCH/ACT GANESHA. In this case, it tells you it's a Freddie Mac loan." Exhibit C. p. 20:20-24. While being able to make such a bold assertion regarding Freddie's ownership based on this single cryptic screenshot, Mr. Kovalic was unable to identify what "GANESHA" stood for. Id. p. 21. 13-25. Moreover, Mr. Kovalic could not authenticate any of the information contained in this screenshot as can be seen from his testimony below.

In this screenshot, Freddie is mentioned in a note dated 9/12/17, but this note is just in reference to an automatic report that is generated regarding loans that are in default. Mr. Kovalic could not identify how such reports were transmitted to Freddie. Id. at 27:1-17.

The bottom line is that this screenshot, including the notes, is completely self-generated by Nationstar. No input was ever made by Freddie, and no one from Freddie has ever reviewed this screenshot. Frankly, Nationstar cannot even identify what department inputted this information into their own system. This unauthentic screenshot should carry as much weight as any other unauthenticated document would carry in this Court: And that is no weight at all.

### "Please Read" Note.

If someone were to look at the above screenshot, they would see the investor code of 472. Per Mr. Kovalic, this told everyone that handled this loan that it must then review its "SharePoint" system for this investor code. See Exhibit C p. 41:3-18. If someone reviews an investors "SharePoint" file, it would usually contain relevant documents to Nationstar's serving contract such as pooling and servicing and agreements. Id. 17:8-24. However, the SharePoint system is sorted by investor and not property. Thus, for many of

Nationstar's clients, this system would contain the actual contract that authorized Nationstar to service a particular loan (the pooling and servicing agreement), in the case of Freddie's file, a single document appears that says "please read." Id. And when curiosity overwhelms the SharePoint user, and they open this documents, the only thing written in the document is a single sentence that says "Please see Freddie Mac single family servicing guide." Id.

So in place of a servicing contract, Nationstar has a note that refers them to a servicing guideline that can be found online by anyone. But, the Bank has attached portions of these guidelines to its 3<sup>rd</sup> Supplemental Disclosure. See Exhibit E. The problem with these guidelines is that they are not a contract. Nothing in these guidelines states that Nationstar is contractually authorized to service any loans owned by Freddie. Further, nothing in these guidelines even specifically mentions this property. Merely being in possession of these guideline proves nothing as these guidelines are publically available online. 17 Lastly, the guidelines lack the most basic element of a contract, a signature. As such, these guidelines do not in anyway establish that the Bank has authority to act as Freddie's servicer or that Freddie owns the subject mortgage.

# 3. Powers of Attorney.

Nationstar alleges that Powers of Attorney exists from Freddie that authorize Nationstar to take certain actions on its behalf. These documents were not produced in discovery and should not be considered by this Court. Even so, Mr. Kovalic testified that he could tell if the powers of attorney applied to this particular loan by when they were dated. Ex. C, p. 29:15-17. Yet, the only powers of attorney Mr. Kovalic saw were dated 2014, 2015, and 2016. Id. at 20-22. So he could not even confirm that a power of attorney between Freddie and Nationstar existed at the time of this foreclosure sale. Additionally, based on Mr. Kovalic's testimony, if these documents exist, they do not mention whether Freddie owns this property or if Nationstar has to right to service this particular property. In fact, it seems to be that a single Power of Attorney for all of Freddie's properties was issued to Nationstar if one was issued at all. See Exhibit C p. 29:5-14. Thus, without additional admissible evidence of ownership, the power of attorney cannot serve to substantiate any agreement as to this Property.

<sup>&</sup>lt;sup>17</sup> As of October 20, 2017, Freddie Mac's current servicing guide, as well as archived copies, are available at http://www.freddiemac.com/singlefamily/guide/.

# 4. Mr. Kovalic, 30(b)(6) deponent for Nationstar, could not provide any testimony regarding Freddie documents produced by the Bank.

SFR requested that the Nationstar come prepared to testify regarding specific Freddie documents. When asked about these documents at Nationstar's deposition, Mr. Kovalic responded as follows:

- Q. What did you do to prepare for topic number 9, 4 which is your knowledge of the documents Bates stamped 5 NSM00102 through NSM00153, which is identified as the 6 funding report; NSM00215, which is identified as the TOS 7 summary report; NSM00216, which is identified as the 8 securities and pool information; NSM00217 through -221, 9 which is identified as the mortgage payment history 10 report; and NSM00222 through -223, which is identified
- 12 A. That would be a question for Freddie Mac as
- 13 those are all their documents that are created and
- 14 maintained by them. NationStar's not involved in
- 15 creating or maintaining any of those.

11 as MIDAS report?

Exhibit C at 48:3-15. In other words, the documents that the Bank relies on to prove Freddie's interest are completely unrecognized by the only Bank witness they have disclosed. Further, the Bank has never disclosed Freddie as a witness meaning that no will be able to disclose these documents.

### 5. Evidence the Bank has Not Presented.

Maybe more notable than the evidence the Bank has presented, is the evidence the Bank has failed to present. Namely, a single assignment showing Freddie Mac as the owner of this mortgage or a single line of testimony from Freddie Mac that it does hold an interest in the mortgage.

First, it is undisputed that the Bank has failed to provide a single recorded assignment that even mentions Freddie. As it stands, if one were to rely on the recorded documents, they would be oblivious to Freddie's purported interest in the property. Second, Freddie has not once given testimony in this case that it owns the property. In fact, in the latest disclosures produced by the Bank, the Bank has not even named Freddie as a witness to the case. See Exhibit F attached hereto. As discovery is closed in this matter, Freddie will never be disclosed in this case. Despite SharePoint usually containing servicing and pooling

agreements, the Freddie SharePoint file is devoid of this information. Thus the Bank has failed to provide any contract, agreement or arrangement between Freddie and the Bank. And nothing the Bank has produced is property specific.

The Bank claims that Freddie owns the property but there is no assignment to Freddie nor a single Freddie witness to collaborate the Bank's claim. The Bank claims that it can service the property on behalf of Freddie but has not produced a contract, agreement, arrangement or witness (including the abovementioned Power of Attorney) stating such. The Bank claims it can stand in court for Freddie but throughout this 4-year litigation process we have not seen a single document or heard a single word from Freddie. In fact, throughout this litigation, Nationstar told this Court that it owned the Deed of Trust, repeatedly referring to "its loan" and "Nationstar's Deed of Trust." Nationstar never told this Court it was merely acting as an agent for Freddie and, ultimately, FHFA. Then, in 2015, Nationstar provided the following Responses—or lack thereof—to SFR's Interrogatories, 19 indicating that no other entity claimed an interest in the Deed of Trust:

**Interrogatory No. 20**: Please identify any other entity or person of which you are aware that currently claims an interest in the First Deed of Trust.

### Response to Interrogatory No. 20:

**Interrogatory No. 21:** Please provide a detailed list of the previous entities/persons of which you are aware that claimed an interest in the First Deed of Trust.

### Response to Interrogatory No. 21:

Rather than stating that Freddie or FHFA claim an interest in the Deed of Trust, and that Nationstar was merely acting as the agent, Nationstar remained silent. Nationstar's Responses tell a story that is different than the work of fiction it brings to this Court now.

The Nevada Supreme Court charged the Bank to prove Freddie's interest in the property and their ability to stand in place of Freddie as servicer. The Bank failed to do so. Accordingly, this Court should grant summary judgment in favor of SFR's on all its claims.

### В. Original Documentation is Necessary to Prove Freddie's Interest and the Bank's Interest to Service this Loan.

SFR has demanded to see the original of the assignment to Freddie. Further, SFR has demanded to see the original of the servicing contact between Freddie and the Bank. The reason that original documentation os necessary is because the accountability of financial intuitions since the financial crisis has been suspect. It is a matter of public record that the Bank and other alleged mortgage holders and servicers engaged in serious misconduct that drew into question the validity of documentation underlying their property transactions. In 2012, the Office of Inspector General, Department of Housing & Urban Development issued its Memorandum No. 2012-CH-1803. See Decl., Exhibit H-1 ("OIG Report"). The OIG Report summarizes the misconduct of five major lender / servicers. The summary findings were illuminating.

The five servicers did not establish effective control over their foreclosure process. This failure permitted a control environment in which:

- Affiants routinely signed foreclosure documents, including affidavits, certifying that they had personal knowledge of the facts when they did not and without reviewing the supporting documentation referenced in them. Affiants . . . consistently failed to verify the accuracy of the foreclosure documents they signed.
- A number of employees . . . engaged as "robosigners," had little or no education beyond high school and little or no experience in banking or real estate. . . . work histories revealed a lack of qualifications to hold the titles held by affiants. Interviews . . . disclosed that employees were given titles such as vice president for the sole purpose of allowing the individuals to sign documents, and the titles came with no other duties or authority.
- Notaries public for three of the servicers . . . routinely notarized documents without witnessing affiant signatures.
- For two of the five servicers . . ., the amounts of borrower's indebtedness were unsupported or mathematically inaccurate.

The five servicers failed to follow HUD requirements for properties they foreclosed upon in judicial foreclosure States and jurisdictions . . . [which] required these services to obtain and convey to the Secretary of HUD good and marketable title to properties. The mortgage servicers may have conveyed flawed or improper titles to HUD because they did not establish a control environment which ensured that affiants performed a due diligence review of the facts submitted to the courts and that employees properly notarized documents.

See Exhibit H-1, OIG Report at 5-6 (emphasis added).

SFR has encountered similar problems. In one case, a bank was unable to definitively verify that a particular loan was contained in the trust at issue, or to which entity the deed of trust

belonged. 20 In another case, a bank recorded a 2015 discharge of its 2011 assignment to U.S. Bank that included a statement that the assignment was recorded in error because U.S. Bank had never purchased the underlying loan.<sup>21</sup> This "discharge of assignment" was recorded after years of litigation. In another case, a bank witness testified the loan servicer's internal records showed the recorded assignment of a deed of trust was to a different entity than the loan's owner.<sup>22</sup> In vet another case, a bank's deposition witness stated an assignment from Deutsche Bank to Bank of America was an invalid "ghost assignment," later confirmed having seen a "rogue assignment" by Bank of America more than once, and agreed that he had seen situations in the past where "an Assignment ... doesn't necessarily match up with reality."<sup>23</sup> These problems alone create a question of material fact that would preclude summary judgment in favor of the Bank.

# C. Even if Freddie has a Property Interest, if such a Property Interest is Held in Trust, the Bank Cannot Prevail.

Normally, with Freddie and Fannie ("the regulated entities"), the Agency is deemed to 'succeed to" the assets of the regulated entities. 12 USC 4617(b)(2)(A)(i). And when this succession happens, the Agency ("FHFA") is given several powers as the conservator of these properties held by the regulated entities. 12 U.S.C. 4617(b). Succession is so basic that it is described under the Agency's "General Powers." *Id.* Succession is also fundamental to any allegation that NRS 116 is preempted by state law as only 'property of the agency" is protected from "levy, attachment, garnishment, foreclosure, or sale without the consent of the Agency." 12 USC 4617(j)(3).

But in a situation where the FHFA did *not* succeed to the property, this would completely change the analysis done by this Court for a multitude of reasons. First, absent FHFA's succession to the mortgage, the Bank cannot demonstrate that the mortgage is "property of" FHFA for purposes of 4617(j)(3). Compare 4617(j)(3), and 4617(b)(2)(A)(i), with 4617(b)(19)(B)(ii). Second, if the mortgage is not "property of" FHFA,

See Decl., ¶6(b) & Exhibit H-2 (U.S. Bank unable to explain the 2007 reconveyance of the purported first deed of trust or the 2013 rescission of the 2007 reconveyance; unable to explain how J.P. Morgan became the depositor for a loan originated by Countrywide and explaining that a single code in the bank's system of record served the basis for the bank's position that the loan is contained in the trust and to determine in which entity the deed of trust should be assigned).

<sup>&</sup>lt;sup>21</sup> See Decl., ¶6(c) & Exhibit H-3 and Exhibit H-4.

<sup>&</sup>lt;sup>22</sup> See Decl., ¶6(d) & Exhibit H-5

<sup>&</sup>lt;sup>23</sup> See Decl., ¶6(e) & Exhibit H-6.

then FHFA does not have the power to make a decision concerning consent that supposedly "preempts" SFR's interests. 4617(j)(3). Without the question of Federal Preemption and Consent from the FHFA (which is regularly argued by the Bank in FHFA cases) the Bank cannot show that Freddie's interest is superior to SFR's interests, meaning it is not "entitled to judgment as a matter of law." NRCP 56(a).

One way the FHFA would not succeed a mortgage is if that mortgage was "held in trust." While the 'General Powers' allow the FHFA to succeed Freddie's interest, Congress has also legislated the "General Exceptions" to the FHFA's power. 12 USC 4617(19). Notably, section 12 USC 4617(19)(b) which it titled 'Mortgages held in trust."

A mortgage is held in trust if it is "held in trust by a regulated entity." And, the regulated entity (i.e., Freddie) holds these mortgages "for the benefit of any person other than the regulated entity." *Id.* Further, 12 USC 4617(b)(ii) states that "[a]ny mortgage, pool of mortgages, or interest in a pool of mortgages described in clause (i) shall be held by the conservator or receiver (FHFA) appointed under this section for the beneficial owners of such mortgage, pool of mortgages, or interest in accordance with the terms of the agreement creating such trust, custodial, or other agency arrangement. (parentheticals added).

Unlike mortgages that are succeeded to by the FHFA and thus essentially owned by the FHFA, what FHFA can do to property held in trust was extremely limited by Congress. Below is a comprehensive list of the actions FHFA can do to its property it succeeds versus mortgages it holds in trust.

'take over," or "dispose"—mortgages "held in trust." And, FHFA does so not for the Enterprises' benefit but 'for the benefit of any person other than" the Enterprises (i.e., the "beneficial owners of" mortgages "held in trust," who consist "of any person other than the regulated entity"). Should FHFA ignore Congress's intent, by doing anything other than "holding" such a mortgage for the "benefit of any person other than" an Enterprise, then FHFA will have subjected itself to "liability . . . for damages . . . in the case of any . . . claim relating to the mortgages held in trust . . . . "4617(b)(19)(B)(iii). In contrast, when it comes to FHFA's powers over "assets of the regulated entity," 4617(f) proclaims that no "court may take any action to restrain or affect the exercise of powers or functions of FHFA. But 4617(f) begins with this provision: "Except as provided in this section [4617] . . . . " These words encompass 4617(b)(19)(B), which is "in this section" and "provide[s]" general 'except[ions]" pertaining to mortgages "held in trust." In the end, 4617(b)(19)(B)'s "General Exceptions" to FHFA's powers establish that holding is an "exception" to succession. 4617(b)(19)(B).

Thus, even if Freddie had an interest in the mortgage, it was likely held in trust. This was confirmed by Freddie itselfin a letter to its borrowers:

Q: Who actually owns my mortgage, Freddie Mac or the trust?

A: The trust indicated on your notification letter owns your mortgage. Freddie Mac is the trustee of that trust. A trustee is an individual or organization who manages assets for the benefit of another.

O: What does your letter mean where it states that Freddie Mac is no longer the owner **of my mortgage** but is a trustee of the trust?

A: The trust owns your mortgage, but authorizes Freddie Mac to act on behalf of the trust in certain matters.

Decl., Exhibit H-7 at 2 (emphasis added).

Because the mortgage is not "property of" FHFA, FHFA does not have power to make a decision concerning consent that supposedly "preempts" SFR's interests. Without so-called "preemption," the Bank cannot show that it has an interest superior to SFR's, preventing it from being "entitled to judgment as a matter of law." 56(a). At bottom, 4617(b)(19)(B) precludes summary judgment.

## IV. CONCLUSION

SFR has come to this Court with a valid foreclosure deed. The Nevada Supreme Court has instructed this Court to evaluate both Freddie interest in the property as well as the Bank's contractual right to service this property. However, the Bank has failed to provide evidence that Freddie owns the mortgage or that it has a right to service this property on behalf of Freddie. Therefore, this Court should enter summary judgment against the Bank and in favor of SFR, stating that (1) title is quieted in SFR's name; (2) the DOT was extinguished; and (3) the Bank, and any agents, successors and assigns are permanently enjoined from interfering with SFR's possession and ownership of the Property.

Defect Act"), bodily injury or wrongful death, nondisclosure, misrepresentation, fraud, emotional distress, monetary damages, rescission of any agreement, enforceability of this Attachment, and/or specific performance. As a condition to Grantor's obligation to arbitrate Disputes (as further set forth herein), Grantor may require in its sole discretion that any or all third parties, including without limitation, contractors, subcontractors, suppliers, consultants, partners, affiliates, or agents of Grantor (collectively, "Third Parties"), who may have liability in connection with the Dispute, including any right of contribution or indemnity Grantor may have against such Third Party, shall have agreed to be participants in and bound by the arbitration procedure described herein. Notwithstanding the foregoing, Grantor may, in its sole discretion, waive the foregoing condition.

- 3. With respect to any Dispute governed by the Construction Defect Act, after all prerequisites to initiating a civil action under the Construction Defect Act are satisfied or waived in accordance with the provisions of such act, and with respect to all other Disputes, at all times, the following procedures shall apply thereto:
- A. Any Dispute between Grantee and Grantor where the claim of damage is \$7,500 or less, including Disputes governed by the provisions of the Construction Defect Act where the estimated cost of repair or replacement of the item(s) in dispute is \$7,500 or less, shall be within the sole jurisdiction of the Justice Court and arbitration (as set forth herein) shall not be applicable unless both Grantee and Grantor so agree in writing.
- B. Any Dispute between Grantee and Grantor where the claim of damage is more than \$7,500, including disputes governed by the provisions of the Construction Defect Act where the estimated cost of repair or replacement of the item(s) in dispute is more than \$7,500, shall, upon request by either Grantee or Grantor, be submitted to arbitration conducted in accordance with the Rules for Residential Construction Disputes then in effect with the American Arbitration Association ("AAA") or, in the event of the non-existence or revocation of the Rules for Residential Construction by the AAA, the AAA Commercial Arbitration Rules shall apply, in either case, as such rules are expressly amended hereby.
- (1) Before any Dispute may be submitted to arbitration, the party wishing to submit the Dispute must first, at least sixty (60) days prior to filing a Demand for Arbitration, give the other party written notice of the Dispute describing with reasonable specificity the actions requested to be taken by the other party to resolve the Dispute, together with any documents upon which such party intends to rely at the arbitration which support that Party's Claim.
- Demand for Arbitration with the AAA and concurrently mailing a copy of the demand to the other party. Grantor shall promptly pay all fees and costs necessary to initiate the arbitration, but the fees and costs of arbitration shall ultimately be borne as determined by the arbitrator. In the absence of a determination by the arbitrator, Grantor shall remit the fees necessary to initiate the arbitration and, with respect to the remaining fees and costs, each party shall bear one-half of the fees and costs of the arbitration and all of its own attorneys' fees and other costs in connection therewith. Unless Grantee and Grantor agree otherwise, the Procedures for Large, Complex Construction Cases issued by the AAA shall apply to all cases to the extent such procedures are not in conflict with the Federal Arbitration Act or the Uniform Arbitration Act.
- (3) With respect to any Dispute regulated by the Construction Defect Act, after all prerequisites to initiating a civil action under that act have been satisfied or waived, any party to a Dispute may, prior to the arbitration hearing, conduct discovery as provided in the Nevada Rules of Civil Procedure, Section V, Rules 26 to 37, inclusive.

Form 1260 07/24/03 Page2 of 5

- The arbitration shall be commenced in a prompt and timely manner and (4) shall take place in the house located on the Property unless otherwise agreed by the parties at such time and date selected by the arbitrator. Any dispute regarding the scope of the arbitration or the procedures to be followed in the arbitration shall be resolved by the arbitrator. The arbitrator shall apply Nevada substantive law in rendering a final decision and only compensatory damages as recognized by Nevada law, in an amount not to exceed the original purchase price of the house, are recoverable and the arbitrator chosen for the arbitration shall have no authority to award damages for emotional distress, consequential, pur itive, or any other nature of damages whatsoever. Each party shall bear its own attorney's fees and other costs. The award rendered by the arbitrator must be accompanied by a written decision of the arbitrator that contains written findings of fact and conclusions of law, including, if applicable, the arbitrator's determinations as to whether the Dispute is covered by the Warranty and whether Grantor was given an adequate opportunity and access to the house and Property to inspect and fix any alleged defect prior to arbitration. Once so rendered, the arbitrator's award shall be binding, final and non-appealable as to all parties in the arbitration to the fullest extent permitted by Nevada law. Notwithstanding the preceding sentence, an appeal may be taken if any award is based on any deviation by the arbitrator from the terms of this Attachment. In furtherance thereof, and to the fullest extent permitted by Nevada law, Grantee and Grantor waive the provisions of Nevada Revised Statutes, Section 38.145. Judgmen: on the award rendered by the arbitrator may be entered in any court of competent jurisdiction. Except as otherwise expressly set forth in this section, the arbitrator shall base his decision on the substantive law of Nevada.
- (5) In the event of any conflict between the provisions of this Arbitration of Disputes provision and the then applicable AAA rules, the terms of this Arbitration of Disputes provision shall prevail.
- (6) With the exception of contractors, subcontractors, suppliers, consultants, partners, affiliates, and agents added by Grantor as provided herein, the parties to the arbitration shall be limited to Grantee and Grantor.
- Construction Disputes (or other then applicable AAA rules as provided above) within the time periods prescribed by the applicable statutes of limitations; provided, however, that any statutes of limitation and/or repose are tolled from the time Grantee provides Grantor written notice of the Dispute as provided in NRS 40.645 until thirty (30) days after the mediation is concluded or waived in writing pursuant to NRS 40.680. Notwithstanding the foregoing, in the event that Grantee fails to pursue the mediation for a period in excess of ninety (90) days, the statutes of limitation and/or repose shall recommence running as of the expiration of such ninety (90) day period.
- 4. Grantor may, in its sole discretion, consolidate Claims of any other person(s) who are buying or have bought houses from Grantor in the Las Vegas metropolitan area with the Dispute, in the event that such Claims are, in Grantor's opinion, similar in nature to a Dispute submitted to arbitration hereunder. Further, if Grantor elects to consolidate such Claims with a Dispute, if the aggregate amount of damage claimed by Grantee and such person(s) exceeds \$7,500, the procedures governing such consolidated matters will be those governing Disputes where the claim of damage is more than \$7,500 as set forth in Paragraph 3.B above.
- 5. If any provision or aspect of this Attachment is determined by a court of competent jurisdiction to be invalid or unenforceable, or if any provision or aspect of this Attachment is superseded or rendered unenforceable by any law which becomes effective after the date of this Attachment, the remaining provisions of this Attachment shall nevertheless remain in full force and effect and continue to be binding. If there is any conflict between this Attachment and the purchase agreement for Grantee's purchase of the Property, the provisions of this Attachment shall control. This Attachment shall not apply

to any Mortgagee. However, any third party claiming any right or interest in the Property through any Mortgagee shall be subject to this Attachment.

By signing in the space below, Grantee: (a) for Disputes for which the amount in controversy exceeds \$7,500 (including without limitation Disputes aggregated as provided in Paragraph 4 above), agrees to have any such Dispute decided by neutral, binding arbitration as set forth above and waives any rights Grantee may possess to have any such Dispute litigated in a court of law, including without limitation in a trial by jury; (b) in connection with any Dispute, waives any rights Grantee may have to recover: (i) damages for emotional distress, and (ii) any damages other than direct, compensatory damages as recognized by Nevada law in an amount not to exceed the original purchase price of the Property. By way of illustration and not limitation, the damages which Grantee waives any right to recover include: punitive, exemplary, indirect, or consequential. By signing in the space below, Grantee also waives Grantee's rights to discovery and appeal, except as those rights are expressly included in this Attachment. Grantee acknowledges that if Grantee fails or refuses to submit to arbitration as set forth herein. Grantee may be compelled by Nevada law to participate in good faith in such arbitration proceedings or may have an unfavorable and binding decision rendered by the arbitrator, notwithstanding such refusal or failure to participate in arbitration. Grantee acknowledges that Grantee's agreement to the arbitration provisions set forth above is voluntary.

GRANTEE HAS READ AND UNDERSTANDS THE FOREGOING AND AGREES TO SUBMIT DISPUTES ARISING OUT OF THE MATTERS INCLUDED IN THE "ARBITRATION OF DISPUTES" PROVISION TO NEUTRAL, BINDING ARBITRATION.

# **ACCEPTANCE BY GRANTEE**

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property." Borrower understands and agrees that MERS holds only legal title to the interests granted by Borrower in this Security Instrument, but, if necessary to comply with law or custom, MERS (as nominee for Lender and Lender's successors and assigns) has the right: to exercise any or all of those interests, including, but not limited to, the right to foreclose and sell the Property; and to take any action required of Lender including,

but not limited to, releasing and canceling this Security Instrument.

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

# UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an

institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an

Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges: Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower:

(a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien ar agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this

Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event cf loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as

Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

- 8. Borrower's Loan Application. Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.
- 9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums

for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

- (a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.
- (b) Any such agreements will not affect the rights Borrower has if any with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.
- 11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair

is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Berrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

- 12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.
- 13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage/grapt and convey the co-signer's interest in the Property under the terms of this Security

Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the yord "may" gives sole discretion without any obligation to take any action.

- 17. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.
- 18. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

- 19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.
- 20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Portower or Lender has notified the other party (with such notice given in compliance with

the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option, and without further demand, may invoke the power of sale, including the right to accelerate full payment of the Note, and any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute written notice of the occurrence of an event of default and of Lenders' election to cause the Property to be sold, and shall

cause such notice to be recorded in each county in which any part of the Property is located. Lender shall mail copies of the notice as prescribed by Applicable Law to Borrower and to the persons prescribed by Applicable Law. Trustee shall give public notice of sale to the persons and in the manner prescribed by Applicable Law. After the time required by Applicable Law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and In any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

- 23. Reconveyance. Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled to it. Such person or persons shall pay any recordation costs. Lender may charge such person or persons a fee for reconveying the Property, but only if the fee is paid to a third party (such as the Trustee) for services rendered and the charging of the fee is permitted under Applicable Law.
- 24. Substitute Trustee. Lender at its option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by Applicable Law.
- 25. Assumption Fee. If there is an assumption of this loan, Lender may charge an assumption fee of U.S.\$

(LIEOR One-Year Index (As Published In The Wall Street Journal) - Rate Caps)

DOC ID #: 1140028613

THIS FIXED/ADJUSTABLE RATE RIDER is made this 6th day of JULY 2005, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Fixed/Adjustable Rate Note (the "Note") to KB HOME MORTGAGE COMPANY, AN ILLINOIS CORPORATION ("Lender") of the same date and covering the property described in the Security Instrument and located at:

668 MOONLIGHT STROLL STREET, HENDERSON, NEVADA 89015 [Property Address]

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

#### A. ADJUSTABLE RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial fixed interest rate of 6.750 %. The Note also provides for a change in the initial fixed rate to an adjustable interest rate, as follows:

#### 4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES

#### (A) Change Dates

The initial fixed interest rate I will pay will change to an adjustable interest rate on the first day of AUGUST, 2010, and the adjustable interest rate I will pay may change on that day every 12th month thereafter. The date on which my initial fixed interest rate changes to an adjustable interest rate, and each date on which my adjustable interest rate could change, is called a "Change Date."

#### (B) The Index

Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the average of interbank offered rates for one year U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in *The Wall Street Journal*. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index".

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

#### (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO AND 250/1000 percentage points (2.250%) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

#### (D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 11.750 % or less than 2.250 %. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by more than two percentage points from the rate of interest I have been paying preceding 12 months. My interest rate will never be greater than 11.750 %.

#### (E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

#### (F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my initial fixed interest rate to an adjustable interest rate and of any changes in my adjustable interest rate before the effective date of any change. The notice will include the amount of my monthly payment, any information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

#### B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

1. Until Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, Uniform Covenant 18 of the Security Instrument shall read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

2. When Porrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, Uniform Covenant 18 of the Security Instrument described in Section B1 above shall then cease to be in effect, and the provisions of Uniform Covenant 18 of the Security Instrument shall be amended to read as follows:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if:

(a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

## PLANNED UNIT DEVELOPMENT RIDER

THIS PLANNED UNIT DEVELOPMENT RIDER is made this 6th day of JULY, 2005, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") of the same date, given by the undersigned (the "Borrower") to secure Borrower's Note to KB HOME MORTGAGE COMPANY, AN ILLINOIS CORPORATION (the "Lender") of the same date and covering the Property described in the Security Instrument and located at:

668 MOONLIGHT STROLL STREET, HENDERSON, NEVADA 89015
[Property Address]

The Property includes, but is not limited to, a parcel of land improved with a dwelling, together with other such parcels and certain common areas and facilities, as described in

CCVENANTS, CONDITIONS AND RESTRICTIONS OF RECORD

(the "Declaration"). The Property is a part of a planned unit development known as

HORIZON HEIGHTS

[Name of Planned Unit Development]

(the "PUD"). The Property also includes Borrower's interest in the homeowners association or equivalent entity owning or managing the common areas and facilities of the PUD (the "Owners Association") and the uses, benefits and proceeds of Borrower's interest.

PUD COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

- A. PUD Obligations. Borrower shall perform all of Borrower's obligations under the PUD's Constituent Documents. The "Constituent Documents" are the (i) Declaration; (ii) articles of incorporation, trust instrument or any equivalent document which creates the Owners Association; and (iii) any by-laws or other rules or regulations of the Owners Association. Borrower shall promptly pay, when due, all dues and assessments imposed pursuant to the Constituent Documents.
- B. Property Insurance. So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy insuring the Property which is satisfactory to Lender and which provides insurance coverage in the amounts (including deductible levels), for the periods, and against loss by fire, hazards included within the term "extended coverage," and any other hazards, including, but not limited to, earthquakes and floods, for which Lender requires insurance, then: (i) Lender waives the provision in Section 3 for the Periodic Payment to Lender of the yearly premium installments for property insurance on the Property; and (ii) Borrower's obligation under Section 5 to maintain property insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

What Lender requires as a condition of this waiver can change during the term of the loan.

Borrower shall give Lender prompt notice of any lapse in required property insurance coverage provided by the master or blanket policy.

In the event of a distribution of property insurance proceeds in lieu of restoration or repair following a loss to the Property, or to common areas and facilities of the PUD, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender. Lender shall apply the proceeds to the sums secured by the Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

- C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to insure that the Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender.
- D. Condemnation. The proceeds of any award or claim for damages, direct or consequential, payable to Borrower in connection with any condemnation or other taking of all or any part of the Property or the common areas and facilities of the PUD, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such proceeds shall be applied by Lender to the sums secured by the Security Instrument as provided in Section 11.
- E. Lender's Prior Consent. Borrower shall not, except after notice to Lender and with Lender's prior written consent, either partition or subdivide the Property or consent to: (i) the abandonment or termination of the PUD, except for abandonment or termination required by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain; (ii) any amendment to any provision of the "Constituent Documents" if the provision is for the express benefit of Lender; (iii) termination of professional management and assumption of self-management of the Owners Association; or (iv) any action which would have the effect of rendering the public liability insurance coverage maintained by the Owners Association unacceptable to Lender.
- F. Remedies. If Borrower does not pay PUD dues and assessments when due, then Lender may pay them. Any amounts disbursed by Lender under this paragraph F shall become additional debt of Borrower secured by the Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

So from this screen shot, you can tell 8 applies to this loan? that there was default reporting to Freddie Mac on 10 September 12, 2017, as well as August 9, 2017; is that 10 Q. (BY MS. I don't know -- I mean, I know it's not done A. No. There's a separate SharePoint for powers 1 2 by an individual person. I know a report is run which 2 of attorney. 3 is why you'll see the MIS in there. So it will pull all 3 Q. How do you know which powers of attorney are 4 the Freddie Mac investor codes and run a script on the applicable to the deed of trust in this case? 5 system for -- for instance, if you see the top, there's A. Because based on -- for Freddie Mac -- for the 6 a -- right below where it says investor, if you go down 6 GSE investors -- Freddie Mac, Fannie Mae, Ginnie Mae, I 7 three lines, it says number of payments delinguent. And guess you could throw in there HUD -- it applies to all 8 that's not a life of the loan that's in the current of their loans that NationStar services. And there are period. So if you -- if a person's nine -- 90 days a couple other investors, what I would call private-label investors -- that are -- not that are, delinquent, it will show a 3 there. If they're brought 11 current, it's back to zero. It's not a running total that utilize NationStar as a servicer that only would 12 how many times you've been delinquent. It's how many have one power of attorney, whereas some other investors 12 13 times you're currently delinquent, how many payments. 13 may have a power attorney for every single investor code 14 So once there's a number in that field, the script is that NationStar -- sorry, Mr. Cooper -- utilizes. 14 15 run and it pulls all the loans and batches those. Your mortgage life insurance, disability insurance and/or other optional products will not continue. If you wish to retain optional products, you will need to contact your current optional product/service provider.

Enclosed is your Welcome Letter which includes a payment coupon with detailed loan information.

## You should also be aware of the following information, which is set out in more detail in Section 6 of the Real Estate Settlement Procedures Act (RESPA) (12 U.S.C. 2605):

During the 60-day period following the effective date of the transfer of the loan servicing, a loan payment received by your old servicer before its due date may not be treated by the new loan servicer as late, and a late fee may not be imposed on you.

Section 6 of RESPA (12 U.S.C 2605) gives you certain consumer rights. If you send a "qualified written request" to your loan servicer concerning the servicing of your loan, your servicer must provide you with a written acknowledgement within 5 Business Days of receipt of your request. A "qualified written request" is a written correspondence, other than notice on a payment coupon or other payment medium supplied by the servicer, which includes your name and account number, and your reasons for the request. If you want to send a "qualified written request" regarding the servicing of your loan, it must be sent to this address:

Nationstar Mortgage LLC Attention Research Department 350 Highland Drive Lewisville, Texas 75067 www.MvNationstarMTG.com

Not later than 30 Business Days after receiving your request, your servicer must make any appropriate corrections to your account, and must provide you with a written clarification regarding any dispute. During this 60-Business Day period, your servicer may not provide information to a consumer reporting agency concerning any overdue payment related to the period or qualified written request. However, this does not prevent the servicer from initiating foreclosure if proper grounds exist under the mortgage documents.

A Business Day is a day on which the offices of the business are open to the public for carrying on substantially all of its business functions

Section 6 of RESPA also provides for damages and costs for individuals or classes of individuals in circumstances where servicers are shown to have violated the requirements of that Section. You should seek legal advice if you believe your rights have been violated.

#### Important Loan Transfer "Home Affordable Modification Program" Information

Home Affordable Modification Program: If you are currently participating in (or being considered for) a loan modification program, we will be transferring all your documentation to the new servicer. Until the transfer date, you should continue to make your payments (e.g., trial payments if attempting to qualify for a modification under the Home Affordable Modification Program) to BANK OF AMERICA. After transfer, you should make all payments to Nationstar until such time that you are provided additional direction. Decisions regarding qualification will be made by Nationstar. All information regarding other loss mitigation activities (forbearance agreements, short sales, refinances and deed-in-lieu of foreclosure) will be forwarded to Nationstar for processing. Please be advised that this transfer may extend the time needed for a final decision.

Sincerely, Nationstar Mortgage LLC

#### ABOUT YOUR RIGHTS UNDER RESPA

You should be aware of the following information, which is set out in more detail in Section 6 of the Real Estate Settlement Procedures Act (RESPA) (12 U.S.C. 2605):

During the 60-day period following the effective date of the transfer of the loan servicing, a loan payment received by your old servicer before its due date may not be treated by the new loan servicer as late, and a late fee may not be imposed on you.

Section 6 of RESPA (12 U.S.C. 2605) gives you certain consumer rights. If you send a "qualified written request" to your loan servicer concerning the servicing of your loan, your servicer must provide you with a written acknowledgment within 20 Business Days of receipt of your request. A "qualified written request" is a written correspondence, other than notice on a payment coupon or other payment medium supplied by the servicer, which includes your name and account number, and your reasons for the request. If you want to send a "qualified written request" regarding Bank of America, N.A.'s servicing of your loan, it must be sent to this address:

Bank of America, N.A.

Customer Service Correspondence, CA6-919-01-41
P.O. Box 5170
SIMI VALLEY, CA 93062-5170

Not later than 60 Business Days after receiving your request, your servicer must make any appropriate corrections to your account, and must provide you with a written clarification regarding any dispute. During this 60-Business-Day period, your servicer may not provide information to a consumer reporting agency concerning any overdue payment related to such period or qualified written request. However, this does not prevent the servicer from initiating foreclosure if proper grounds exist under the mortgage documents.

A Business Day is a day on which the offices of the business entity are open to the public for carrying on substantially all of its business functions.

Section 6 of RESPA also provides for damages and costs for individuals or classes of individuals in circumstances where servicers are shown to have violated the requirements of that Section. You should seek legal advice if you believe your rights have been violated.
