Respondent Nationstar Mortgage LLC (**Nationstar**), by and through its counsel of record, respectfully submits this motion, pursuant to NRAP 26(b)(1)(B), requesting this court grant Nationstar's motion to extend time to file its response to SFR's motion to supplement the record on appeal, which is currently due on December 12, 2018. Nationstar requests an extension up to and including January 9, 2019, the same date as the answering brief is currently due, to file its response to SFR's motion.

This is Nationstar's second request for an extension of this deadline. The original due date was December 5, 2018. The parties stipulated to extend this deadline by seven days and the response is currently due on December 12, 2018. No requests for extension of time have been denied previously.

Good cause exists to extend the time to file the response to SFR's motion to supplement the record on appeal. The exhibits with which SFR seeks to supplement the record were not filed or served with SFR's motion. Because of this, the parties stipulated to a seven day extension, setting the due date to December 12, 2018. The exhibits were e-mailed to the previous handling attorney on December 4, 2018.

Nationstar requests its response to SFR's motion be due the same deadline as Nationstar's answering brief, currently due January 9, 2018. SFR's motion and the opening brief raise similar issues which are more efficiently addressed at the same

time. This request for an additional extension is not made lightly or for the purpose of delay.

Nationstar respectfully requests an extension up to and including January 9, 2019.

Dated December 12th, 2018.
