**MOTION TO EXTEND TIME
TO RESPOND TO ORDER TO SHOW CAUSE**

Appellant Motor Coach Industries, Inc. requests an extension of time of 30 days, through November 7, 2018, in which to file a response to this Court's September 6, 2018 order to show cause. This is the first such request. Without an extension, the response would be due October 8, 2018.

As the Court notes in the order to show cause, appellant filed three tolling motions before the notice of appeal, making this appeal premature. We anticipate that the district court soon will enter orders resolving those motions, however, rendering the appeal timely. *See*

NRAP 4(a)(6). The district court issued a minute order denying two of those motions on August 24, directing plaintiffs-respondents to prepare the orders. The court heard the third motion on September 25 and will issue a ruling from chambers. Appellant also expects that orders soon will be entered dismissing the settling parties.

The additional 30 days will provide time for the district court to issue its ruling on the remaining tolling motion, and for the parties to prepare the formal orders for the district court's approval and execution that will cure the jurisdictional defects. This appeal should proceed to avoid initiating a new one after entry of the district court orders, which would waste time and resources of the parties and this Court.

Dated this 8th day of October, 2018.
