JOURNAL ENTRIES

- Ms. Mcamis advised that the defendant has no criminal history and a writ will be filed on this subject. The issues are with the children and what they said. Foster Care has rigorous standards; the abuse allegations were after they were to be adopted. There is a presumption of not guilty for Ms. Solander. Ms. Luzaich stated she did the preliminary hearing and there was abundant testimony that all of the abuse began after the adoption; they had numerous other foster children in the home. This defendant was the driving force therefore there is no reason to release on bail or own recognizance. Ms. Mcamis informed the Court that Ms. Solander has medical issues that CCDC cannot handle. The Court informed counsel that if the jail cannot handle her problems, they will transport her to UMC. COURT FINDS, there was significant abuse and ORDERED, motion DENIED.

**PARTIES
PRESENT:**

JOURNAL ENTRIES

- Jacqueline Bluth and Elissa Luzaich appearing for the State of Nevada.

Craig Mueller appearing for defendant DWIGHT SOLANDER.

1. Defendant Dwight Solander's Motion for Return of Property Seized During Search Warrant and to Shorten Time - COURT ORDERED, motion is MOOT as the property has already been turned over.
2. Defendant Dwight Solander's Joinder of Deft. Danielle Hinton's Discovery Motion and Motion to Compel - DISCOVERY RULING IS SAME AS RULING FOR DANIELLE HINTON.
3. Defendant's Dwight Solander's Motion to Sever - COURT ORDERED, MOTION IS DENIED WITHOUT PREJUDICE.
4. Defendant Dwight Solander's Petition for Writ of Habeas Corpus - UNDER ADVISEMENT.

SEXUAL ASSAULT. The Court noted it reviewed the petition. Mr. Mueller submitted on the pleadings, except for the sexual assault charge. He stated this is not a sexual assault case as it relates to the use of the catheter. Ms. Bluth opposed Mr. Mueller's position and stated that this is not a

specific intent crime. The Court informed parties that first, this is a question of law. The issue as to whether or not this kind of insertion in the urinary opening would be considered something that could fall within the sexual assault statute. The Court informed counsel that it conferred with several other Judges who do criminal work and the prevailing opinion was that the insertion of a catheter is not a sexual assault.

CHILD ABUSE AND CORPORAL PUNISHMENT. The Court is much more comfortable with these charges as they are questions for the jury. That is where one relies on the consensus of the community.

CONSPIRACY. Mr. Mueller stated there are no allegations that Mr. Solander either touched or inserted the catheter into any of the children. He stated opposition to the State's filing thirteen acts for every time the catheter was documented. Opposition by Ms. Bluth. The Court advised that the State is entitled to have evidence of each and everything. As a matter of law the Court feels that Mr. Mueller is wrong. COURT ORDERED, Defendant Dwight Solander's Petition for Writ of Habeas Corpus is UNDER ADVISEMENT.

Jeffrey Rue appearing for defendant Danielle Hinton.

1. Defendant Hinton's Motion for Discovery - GRANTED IN PART.

BRADY MATERIALS.

a. All CPS records and DPS records on the girls.

COURT ORDERED, counsel is to provide a list of allegations for in-camera review and if it finds relevance, it will request further records.

b. All CPS records and DFS records on the Solanders.

COURT ORDERED, counsel is to provide a list of allegations for in-camera review and if it finds relevance, it will request further records.

c. All records of mental health workers who have had contact with the girls.

COURT ORDERED, the State is to obtain for in-camera review, any counseling, psychological records relating to the time when the girls began living with these defendants.

d. All records and notes of physical exams on the girls.

COURT FINDS, this request is overly broad and ORDERED, request DENIED.

e. All records and notes from the victim witness office of the DA on any monetary assistance given to

the minors.

COURT ORDERED, any benefits received through Victim Witness must be disclosed.

f. All notes of interviews with the material witnesses.

Ms. Bluth stated that Dr. Emory memorializes notes into reports; she always hands over any exculpatory information to the defense. She also state that she has had no contact with the investigator in Florida, but all parties have the reports from Florida.

g. Information on the criminal history of any witness.

COURT FINDS, the State does not have to turn over NCIC reports, but if they become aware of any conviction that could potentially be used for impeachment the must provide this information to the defense.

h. Any information on any previous false allegations of misconduct made by the girls.

If the State becomes aware of misconduct they must disclose to the defense.

Mr. Rue stated there are no issues with i. - m.

n. Any 911 recordings.

State to provide copy of missing persons report and all that goes with that.

2. Defendant Hinton's Petition for Writ of Habeas Corpus - UNDER ADVISEMENT.

Mr. Rue stated that in his opinion, the State did not overcome the requirement of slight or marginal evidence regarding serious, permanent disfigurement. The State is of the opinion that the photograph was enough, but there was no testimony of prolonged pain. He further stated that his client was arrested on that scar being a serious permanent disfigurement. The Court stated that the issue on the Writ is whether there was enough evidence presented at the preliminary hearing regarding the scar. COURT ORDERED, matter taken UNDER ADVISEMENT.

3. Defendant Hinton's Motion to Compel State's Compliance of NRS 174.234 - GRANTED IN PART.

Mr. Rue stated he needs the address of the three children who are currently in foster care. The only contact he has is to send requests in the care of the District Attorney's office. Ms. Bluth advised that the State doesn't usually give out this information. Mr. Rue informed parties that his alternative is to have the State provide him with an opportunity to interview these children. Upon Ms. Bluth's inquiry, the Court stated that Mr. Rue wants to send his investigator out, therefore he needs an address. The Court stated that it would feel more comfortable that Mr. Rue and his investigator have

an opportunity to meet with the children. Ms. Bluth informed the Court that the foster parents aren't going to be willing to do that. She suggested that she put Mr. Rue in connection with the foster mother and if she decides it is alright, the State will put him in touch with her case worker first. COURT SO ORDERED.

C. Mcamis and Kristina Wildeveld appearing for defendant JANET SOLANDER.

1. Defendant Janet Solander's Joinder to Defendant Dwight Solander's Petition for Writ of Habeas Corpus - Ms. Mcamis informed the Court that she has filed her motion for Janet Solander's Petition for Writ of Habeas Corpus and has rescheduled it to give the State time to reply. The Court advised that her JEA and Law Clerk researched this matter and found that the Preliminary Hearing transcript was attached to the bind over when it was scanned into Odyssey making it difficult to find. Normally these transcripts are filed and scanned individually.

- Jacqueline Bluth and Elissa Luzaich appearing for the State of Nevada.

Craig Mueller appearing for defendant DWIGHT SOLANDER.

1. Defendant Dwight Solander's Motion for Return of Property Seized During Search Warrant and to Shorten Time - COURT ORDERED, motion is MOOT as the property has already been turned over.
2. Defendant Dwight Solander's Joinder of Deft. Danielle Hinton's Discovery Motion and Motion to Compel - DISCOVERY RULING IS SAME AS RULING FOR DANIELLE HINTON.
3. Defendant's Dwight Solander's Motion to Sever - COURT ORDERED, MOTION IS DENIED WITHOUT PREJUDICE.
4. Defendant Dwight Solander's Petition for Writ of Habeas Corpus - UNDER ADVISEMENT.

SEXUAL ASSAULT. The Court noted it reviewed the petition. Mr. Mueller submitted on the pleadings, except for the sexual assault charge. He stated this is not a sexual assault case as it relates to the use of the catheter. Ms. Bluth opposed Mr. Mueller's position and stated that this is not a

specific intent crime. The Court informed parties that first, this is a question of law. The issue as to whether or not this kind of insertion in the urinary opening would be considered something that could fall within the sexual assault statute. The Court informed counsel that it conferred with several other Judges who do criminal work and the prevailing opinion was that the insertion of a catheter is not a sexual assault.

CHILD ABUSE AND CORPORAL PUNISHMENT. The Court is much more comfortable with these charges as they are questions for the jury. That is where one relies on the consensus of the community.

CONSPIRACY. Mr. Mueller stated there are no allegations that Mr. Solander either touched or inserted the catheter into any of the children. He stated opposition to the State's filing thirteen acts for every time the catheter was documented. Opposition by Ms. Bluth. The Court advised that the State is entitled to have evidence of each and everything. As a matter of law the Court feels that Mr. Mueller is wrong. COURT ORDERED, Defendant Dwight Solander's Petition for Writ of Habeas Corpus is UNDER ADVISEMENT.

Jeffrey Rue appearing for defendant Danielle Hinton.

1. Defendant Hinton's Motion for Discovery - GRANTED IN PART.

If the State becomes aware of misconduct they must disclose to the defense.

Mr. Rue stated there are no issues with i. - m.

n. Any 911 recordings.

State to provide copy of missing persons report and all that goes with that.

2. Defendant Hinton's Petition for Writ of Habeas Corpus - UNDER ADVISEMENT.

Mr. Rue stated that in his opinion, the State did not overcome the requirement of slight or marginal evidence regarding serious, permanent disfigurement. The State is of the opinion that the photograph was enough, but there was no testimony of prolonged pain. He further stated that his client was arrested on that scar being a serious permanent disfigurement. The Court stated that the issue on the Writ is whether there was enough evidence presented at the preliminary hearing regarding the scar. COURT ORDERED, matter taken UNDER ADVISEMENT.

3. Defendant Hinton's Motion to Compel State's Compliance of NRS 174.234 - GRANTED IN PART.

Mr. Rue stated he needs the address of the three children who are currently in foster care. The only contact he has is to send requests in the care of the District Attorney's office. Ms. Bluth advised that the State doesn't usually give out this information. Mr. Rue informed parties that his alternative is to have the State provide him with an opportunity to interview these children. Upon Ms. Bluth's inquiry, the Court stated that Mr. Rue wants to send his investigator out, therefore he needs an address. The Court stated that it would feel more comfortable that Mr. Rue and his investigator have

an opportunity to meet with the children. Ms. Bluth informed the Court that the foster parents aren't going to be willing to do that. She suggested that she put Mr. Rue in connection with the foster mother and if she decides it is alright, the State will put him in touch with her case worker first. COURT SO ORDERED.

- Mr. Mueller stated the matter was not resolved and that counsel had another appointment that day. Ms. Bluth confirmed the information. Court noted that parties met 1/26/18 and agreed to delay trial to give counsel additional time to prepare for Deft, Hinton's testimony.

Colloquy regarding witnesses and testimony to be heard at the evidentiary hearing. Mr. Mueller stated his client can come and report on the offer or participate in the hearing. Ms. McAmis stated that the Deft. had medical issues that would require breaks and needing to sit down. Court advised parties of the usual breaks taken during trial and that a break can be requested.

Ms. Bluth stated that she provided what she had and that some of the experts did not have one to attach adding that she would obtain information regarding schooling and certification to provide to the Court. each witness and advise what their testimony will be to determine if a CV would be required. Ms. Bluth went through the list and stated that Dr. Cetl would be the only one to give an expert opinion.
