MEMORANDUM/DECLARATION

I, Damian Sheets, am a duly licensed attorney in the State of Nevada and have been retained to represent Appellant Michael Alan Lee in the instant appeal.

I initially filed an Opening Brief and a six-volume Appendix in this case on November 27, 2018.

The State thereafter filed its Answering Brief on December 24, 2019;

Based on the issues and responses raised in the Answering Brief, Appellant conducted a further investigation into the record of this case as well as the parties involved; this additional research and investigation was necessary to fully and properly articulate Appellant's claims in his Reply Brief.

Appellant's Reply Brief was originally due on January 24, 2019.

If granted, the extension would allow for seven days past the initial deadline.

Appellant is currently incarcerated on a sentence of life without the possibility of parole.

Appellant previously requested a telephonic extension to file the Opening Brief and Appendix, but no written requests for extensions of time have been made in this case.

This Motion is made in good faith and not for the purposes of undue delay.

I, declare under penalty of perjury that the information set forth in this Memorandum is true and correct.

DATED this 1 day of February, 2019.
