Docket 76399 Document 2018-27706

Our *Petition for Writ of Mandamus or Prohibition* requests issuance of a writ of mandate directing the district court to apply the correct legal standard at the evidentiary hearing for placement of Baby Girl White, an infant.

If the writ is granted after the evidentiary hearing, the trial for placement of Baby Girl White will have to be repeated, which would greatly delay permanent placement of Baby Girl White, which is contrary to her best interests. Although we were not within the two week window to request that an emergency writ issue, the time line before trial is less than 30 days.

DATED this 19 day of July, 2018.
