## POINTS AND AUTHORITIES

Petitioners Amy and Vivian Mulkern move for permission to file the Appendix for their Writ Petition under seal, which contains the file from a proceeding held pursuant to NRS Chapter 432B.

This case is governed by NRS Chapter 432B. NRS 432B.280 states that except in certain limited circumstances, all information maintained by an agency which provides child welfare services, including, without limitation, reports and investigations made pursuant to this chapter, is confidential. The Appendix of the Writ Petition contains the file for this case, which includes information maintained by DFS, including reports and investigations made pursuant to NRS Chapter 432B.

The Rules Governing Sealing and Redacting Court Records (SRCR) provide guidance for appellate cases, with Rule 7 indicating that records sealed in the trial court should also be sealed on appeal. This demonstrates the public policy of preserving confidentiality when confidential records in district court cases are reviewed by Nevada appellate courts.

The appeal is from a 432B case, which is sealed at the trial level pursuant to NRS 432B.280 and accompanying statutes. Accordingly, Appellant requests that Supplemental Appendix Volume II be filed under seal. The Appendix will be mailed in a sealed envelope to the Nevada Supreme Court, and a copy will be mailed to all parties.
