12 Case No.: 76405

13 DC Case No. C-14-299737-1

14 **MOTION FOR EXTENSION OF TIME**

15 Pursuant to Nevada Rules of Appellate Procedure 3(i)(1)(B), Appellant
16 may move for an extension of time to file a rough draft of transcript upon
17 demonstration of good cause. There has been no previous request for an
18 extension. Also, Appellant is requesting an extension to file the Request for
19 Transcripts, because the associate who was assigned this appeal, Lester Paredes,
20 Esq., is no longer with the office and failed to inform the office that he did not
21 file the rough draft transcript; Mr. Paredes prepared the Proof of request for
22 transcript but never filed it and Appellant is filing this request along with the
23 transcript request for extension of ten days.

24 Please note, Court Report did receive Appellants request and did submit
25 transcripts on the records on September 13, 2018.

26 Counsel is requesting an extension for ten days and for the new due date to
27

be on December 23, 2018. Delay was not intended to show disrespect to the Court, and counsel apologizes for any inconvenience caused.

DATED this 12th day of December, 2018.

Respectfully Submitted,
