CONSTRUCTION MANAGEMENT, INC.,

APPELLANT'S INFORMAL MOTION

Supreme Court No. 76422

District Court No. A-14-705164 C

Filed Date, Nevada Supreme Court Advanced Opinion: April 14, 2022

22-15499

YOUR HONORS

As Pro Se litigants we respectfully file this informal motion to politely ask for

the following

1. The Morelli law firm Attorney Perry Fallick Esq confirmed

the sub Rosa video of David Copperfields lawyer Elaine

Fresch disguised as a custodian maintenance worker is held in their storage.

Please may the Supreme Court order Morelli law firm to send

the complete unedited sub Rosa video to be transferred to the

Supreme Court for their viewing and consideration

2. We respectfully ask that the Supreme Court also order the MGM to provide their sub rosa video security footage (May 7 2018) of David Copperfields lawyer Elaine Fresch in

disguise with her Co counsel the night before the jury view from their time of their arrival at the MGM until departure unedited to the Supreme Court for their viewing

and consideration

3. Respectfully we now understand from the INTERNAL NEVADA SUPREME COURT PROCEDURE MANUAL updated May 2021 that it is the legal editing

team who we believed along with the Central Staff Attorney that are responsible for preparing the Advanced Opinion and

respectfully believe they have incorrectly commingled three different supposed actions into one sentence and written the following

"THESE VIDEOS SHOW COX WALKING HIS DOG ON A LEASH, WITH HIS WIFE, AND WITH HIS FAMILY ON THE WAY TO TRIAL, ALL UNASSISTED

We respectfully believe this clearly is an errata that has created a false impression that Cox was walking his dog to court unassisted. The press have picked up and quoted the exact same words with some actually stating Cox walking his dog to court (review journal Ken Ritter) and then printed a picture and news channels playing the video with the narrative Cox walking to court in shorts with the dog

We respectfully ask their honours to take this errata into consideration when debating whether to grant a rehearing or not.

This informal motion has been filed as we believe the above

requests are not only paramount to prove the improper and egregious behaviour of

David Copperfields lawyer Elaine Fresch and her co counsel too, but to prove they

have no credibility period

The false narrative orchestrated by the defence that Cox was a liar feigning his injuries and deceiving the jury as purported by the Press and News stations was a

disgrace which has caused irreparable harm.

Their honors went to great lengths to watch the defense sub rosa video and Elaine

Fresch exemplar tapes, yet our sub rosa video that shows an officer of the court

committing a crime is just so shocking that we respectfully believe cannot be

ignored when the whole case was based on attacking Cox's credibility

Respectfully we also ask their honours to look at the court record when the defense

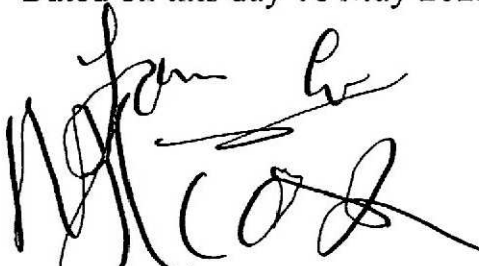

counsel objected to their own Sub Rosa video in reference to Cox walking the dog

and Mr Morelly stating Cox was on oxygen

We respectfully believe this motion is significantly necessary to aid their honours

in deciding on whether a rehearing is justified
