ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY 
DEPUTY CLERK

ORDER REGARDING MOTION

On April 14, 2022, the en banc court issued an opinion resolving this appeal from a judgment on a defense verdict in a personal injury case, with the majority of the court affirming the district court's judgment. Rehearing was denied on June 1, 2022. Two days later, appellants filed a motion to vacate the opinion under Rule 60(d)(3). Respondents filed an opposition, in which they explained that Rule 60 does not apply to appellate proceedings, and appellants filed in reply an "urgent complaint."

Appellants' assertions were raised in their prior rehearing petition, and regardless, the Nevada Rules of Appellate Procedure do not provide for successive rehearing petitions or other post-en banc rehearing motions. *See* NRAP 36; NRAP 40. Accordingly, appellants' motion to vacate the opinion was improperly filed, and this court takes no action on it or their

reply. No further motions requesting such relief may be filed, and the clerk of this court shall issue the remittitur forthwith. NRAP 41.

It is so ORDERED.
