

SECTION 8 PROXIES

At any meeting of the stockholders any stockholder may be represented and vote by a proxy or proxies appointed by an instrument in writing. In the event that any such instrument in writing shall designate two or more persons to act as proxies, a majority of such persons present at the meeting, or, if only one shall be present, then that one shall have a right to exercise all the powers conferred by such written instrument upon all of the persons so designated in the instrument shall otherwise provide. No proxy, proxy revocation or power of attorney shall be used at a meeting of the stockholders unless it shall have been filed with the Secretary of the meeting; provided, however, nothing contained herein shall prevent any stockholder from attending any meeting and voting in person. All questions regarding the qualification of voters, the validity of proxies and the acceptance or rejection of votes shall be decided by the inspectors of election who shall be appointed by the Board of Directors, or if not so appointed, then by the presiding officer of the meeting.

SECTION 9 ACTION WITHOUT MEETING

Any action which may be taken by the vote of the stockholders at a meeting may be taken without a meeting if authorized by the written consent of stockholders holding at least a majority of the voting power, unless the provisions of the statutes governing the Corporation or of the Articles of Incorporation require a different proportion of voting power to authorize such action in which case such proportion of written consents shall be required. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing.

SECTION 10 CERTAIN LIMITATIONS

The Board of Directors shall not, without the prior approval of the stockholders, adopt any procedures, rules or requirements which restrict a stockholders right to (i) vote, whether in person, by proxy or by written consent; (ii) elect, nominate or remove directors; (iii) call a special meeting; or (iv) to bring new business before the stockholders, except as may be required by applicable law.

ARTICLE II DIRECTORS

SECTION 1 MANAGEMENT OF CORPORATION

The business of the Corporation shall be managed by its Board of Directors, which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by statute or by the Articles of Incorporation or by these Bylaws directed or required to be exercised or done by the stockholders.

SECTION 2 NUMBER, TENURE, AND QUALIFICATIONS

The number of directors, which shall constitute the whole board, shall be nine (9). Thereafter, the number of directors may from time to time be increased or decreased to not less than one nor more than ten by action of the Board of Directors. The directors shall be elected by

the holders of shares entitled to vote thereon at the annual meeting of the stockholders and, except as provided in Section 4 of this Article, each director elected shall hold office until his successor is elected and qualified. Directors need not be stockholders.

SECTION 3 CHAIRMAN AND VICE CHAIRMAN OF THE BOARD

The directors may elect one of their members to be Chairman of the Board of Directors and one of their members to be Vice Chairman of the Board of Directors. The Chairman and Vice Chairman shall be subject to the control of and may be removed by the Board of Directors. The Chairman and Vice Chairman shall perform such duties as may from time to time be assigned to them by the Board of Directors.

SECTION 4 VACANCIES; REMOVAL

Vacancies in the Board of Directors, including those caused by an increase in the number of directors, may be filled by a majority of the remaining directors, though less than a quorum, or by a sole remaining director, and each director so elected shall hold office until his successor is elected at an annual or a special meeting of the stockholders. The holders of no less than two-thirds of the outstanding shares of stock entitled to vote may at any time peremptorily terminate the term of office of all or any of the directors by vote at a meeting called for such purpose or by written consent filed with the Secretary or, in his absence, with any other officer. Such removal shall be effective immediately, even if successors are not elected simultaneously.

A vacancy or vacancies in the Board of Directors shall be deemed to exist in case of the death, resignation or removal of any directors, or if the authorized number of directors be increased, or if the stockholders fail at any annual or special meeting of stockholders at which any director or directors are elected to elect the full authorized number of directors to be voted for at that meeting.

If the Board of Directors accepts the resignation of a director tendered to take effect at a future time, the Board or the stockholders shall have power to elect a successor to take office when the resignation is to become effective.

No reduction of the authorized number of directors shall have the effect of removing any director prior to the expiration of his term of office.

SECTION 5 ANNUAL AND REGULAR MEETINGS

Annual and regular meetings of the Board of Directors shall be held at any place within or without the State of Nevada that has been designated from time to time by resolution of the Board of Directors or by written consent of all members of the Board of Directors. In the absence of such designation, annual and regular meetings shall be held at the registered office of the Corporation. Regular meetings of the Board of Directors may be held without call or notice at such time and at such place as shall from time to time be fixed and determined by the Board of Directors.

SECTION 6 FIRST MEETING

The first meeting of each newly elected Board of Directors shall be held at such time and place as shall be fixed by the vote of the stockholders at the annual meeting and no notice of such meeting shall be necessary to the directors in order legally to constitute the meeting, provided a quorum is present. In the event of the failure of the stockholders to fix the time and place of such first meeting, or in the event such meeting is not so held, the meeting may be held at such time and place as shall be specified in a notice given as hereinafter provided for special meetings of the Board of Directors, or as shall be specified in a written waiver signed by all of the directors.

SECTION 7 SPECIAL MEETINGS

Special meetings of the Board of Directors may be called by the Chairman or Vice Chairman of the Board or the President upon notice to each director, either personally or by mail or by telegram. Upon the written request of a majority of the directors, the Chairman or Vice Chairman of the Board or the President shall call a special meeting of the Board to be held within two days of the receipt of such request and shall provide notice thereof to each director, either personally or by mail or by telegram.

SECTION 8 BUSINESS OF MEETINGS

The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though had at a meeting duly held after regular call and notice, if a quorum be present, and if, either before or after the meeting, each of the directors not present signs a written waiver of notice, or a consent to holding such meeting, or an approval of the minutes thereof. All such waivers, consents or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

SECTION 9 QUORUM; ADJOURNED MEETINGS

A majority of the authorized number of directors shall constitute a quorum for the transaction of business, except to adjourn as hereinafter provided. Every act or decision done or made by a majority of the directors present at a meeting duly held at which a quorum is present shall be regarded as the act of the Board of Directors, unless a greater number is required by law or by the Articles of Incorporation. Any action of a majority, although not at a regularly called meeting, and the record thereof, if assented to in writing by all of the other members of the Board shall be as valid and effective in all respects as if passed by the Board of Directors in a regular meeting.

A quorum of the directors may adjourn any directors meeting to meet again at a stated day and hour; provided, however, that in the absence of a quorum, a majority of the directors present at any directors' meeting, either regular or special, may adjourn from time to time, without notice other than announcement at the meeting, until a quorum is present.

Notice of the time and place of holding an adjourned meeting need not be given to the absent directors if the time and place are fixed at the meeting adjourned.

SECTION 10 COMMITTEES

The Board of Directors may, by resolution adopted by a majority of the whole Board, designate one or more committees of the Board of Directors, each committee to consist of at least one or more directors of the Corporation which, to the extent provided in the resolution, shall have and may exercise the power of the Board of Directors in the management of the business and affairs of the Corporation and may have power to authorize the seal of the Corporation to be affixed to all papers which may require it; but no such committee shall have the power to amend the Articles of Incorporation, to adopt an agreement or plan of merger or consolidation, to recommend to the stockholders a sale, lease or exchange of all or substantially all of the Corporation's assets, to recommend to the stockholders dissolution or revocation of dissolution, or to amend these Bylaws, and, unless the resolution or the Articles of Incorporation expressly so provide, no such committee shall have the power or authority to declare a dividend or to authorize the issuance of stock. Such committee or committees shall have such name or names as may be determined from time to time by the Board of Directors. The Board may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. The members of any such committee present at any meeting and not disqualified from voting may, whether or not they constitute a quorum, unanimously appoint another member of the Board of Directors to act at the meeting in the place of any absent or disqualified member. At meetings of such committees, a majority of the members or alternate members shall constitute a quorum for the transaction of business, and the act of a majority of the members or alternate members at any meeting at which there is a quorum shall be the act of the committee.

The committees, if required by the Board, shall keep regular minutes of their proceedings and report the same to the Board of Directors.

SECTION 11 ACTION WITHOUT MEETING; TELEPHONE MEETINGS

Any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting if a written consent thereto is signed by all members of the Board of Directors or of such committee, as the case may be, and such written consent is filed with the minutes of proceedings of the Board or committee.

Nothing contained in these Bylaws shall be deemed to restrict the powers of members of the Board of Directors, or any committee thereof, to participate in a meeting of the Board or committee by means of telephone conference or similar communications equipment whereby all persons participating in the meeting can hear each other.

SECTION 12 SPECIAL COMPENSATION

The directors may be paid their expenses of attendance at each meeting of the Board of Directors and may be paid a fixed sum for attendance at each meeting of the Board of Directors or a stated salary as director as fixed by the Board of Directors. No such payment shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor. Members of committees may be allowed like reimbursement and compensation for attending committee meetings.

ARTICLE III NOTICES

SECTION 1 NOTICE OF MEETINGS

Whenever, under the provisions of the Articles of Incorporation or applicable law or these Bylaws, notice is required to be given to any director or stockholder, it shall not be construed to mean personal notice, but such notice may be given in writing, by mail, addressed to such director or stockholders, at his address as it appears on the records of the Corporation, postage prepaid, and such notice shall be deemed to be given at the time when the same shall be deposited in the United States mail. Notice to directors may also be given by telegram.

Notices of meetings of stockholders shall be in writing and signed by the President or a Vice-President or the Secretary or an Assistant Secretary or by such other person or persons as the directors shall designate. Such notice shall state the purpose or purposes for which the meeting is called and the time and the place, which may be within or without this State, where it is to be held. Personal delivery of any notice to any officer of a corporation or association, or to any member of a partnership, shall constitute delivery of such notice to such corporation, association or partnership. In the event of the transfer of stock after delivery of such notice of and prior to the holding of the meeting it shall not be necessary to deliver or mail notice of the meeting to the transferee.

SECTION 2 EFFECT OF IRREGULARLY CALLED MEETINGS

Whenever all parties entitled to vote at any meeting, whether of directors or stockholders, consent, either by a writing on the records of the meeting or filed with the secretary, or by presence at such meeting and oral consent entered on the minutes, or by taking part in the deliberations at such meeting without objection, the doings of such meeting shall be as valid as if had at a meeting regularly called and noticed, and at such meeting any business may be transacted which is not excepted from the written consent or to the consideration of which no objection for want of notice is made at the time, and if any meeting be irregular for want of notice or of such consent, provided a quorum was present at such meeting, the proceedings of said meeting may be ratified and approved and rendered likewise valid and the irregularity or defect therein waived by a writing signed by all parties having the right to vote at such meeting; and such consent or approval of stockholders may be by proxy or attorney, but all such proxies and powers of attorney must be in writing.

SECTION 3 WAIVER OF NOTICE

Whenever any notice whatever is required to be given under the provisions of the statutes, the Articles of Incorporation or these Bylaws, a waiver thereof in writing, signed by the person or persons entitled to said notice, whether before or after the time stated therein, shall be deemed equivalent thereto.

ARTICLE IV OFFICERS

SECTION 1 ELECTION

The officers of the Corporation shall be elected annually at the first meeting by the Board of Directors held after each annual meeting of the stockholders and shall be a President, one or more Vice Presidents, a Treasurer and a Secretary, and such other officers with such titles and duties as the Board of Directors may determine, none of whom need be directors. The President shall be the Chief Executive Officer, unless the Board designates the Chairman of the Board as Chief Executive Officer. Any person may hold one or more offices and each officer shall hold office until his successor shall have been duly elected and qualified or until his death or until he shall resign or is removed in the manner as hereinafter provided for such term as may be prescribed by the Board of Directors from time to time.

SECTION 2 CHAIRMAN AND VICE CHAIRMAN OF THE BOARD

The Board of Directors at its first annual meeting after each annual meeting of the stockholders may choose a Chairman and Vice Chairman of the Board from among the directors of the Corporation. The Chairman of the Board, and in his absence the Vice Chairman, shall preside at meetings of the stockholders and the Board of Directors and shall see that all orders and resolutions of the Board of Directors are carried into effect.

SECTION 3 PRESIDENT

The President shall be the chief operating officer of the Corporation, shall also be a director and shall have active management of the business of the Corporation. The President shall execute on behalf of the Corporation all instruments requiring such execution except to the extent the signing and execution thereof shall be expressly designated by the Board of Directors to some other officer or agent of the Corporation.

SECTION 4 VICE-PRESIDENT

The Vice-President shall act under the direction of the President and in the absence or disability of the President shall perform the duties and exercise the powers of the President. The Vice-President shall perform such other duties and have such other powers as the President or the Board of Directors may from time to time prescribe. The Board of Directors may designate one or more Executive Vice-Presidents or may otherwise specify the order of seniority of the Vice-Presidents. The duties and powers of the President shall descend to the Vice-Presidents in such specified order of seniority.

SECTION 5 SECRETARY

The Secretary shall act under the direction of the President. Subject to the direction of the President, the Secretary shall attend all meetings of the Board of Directors and all meetings of the stockholders and record the proceedings. The Secretary shall perform like duties for the standing committees when required. The Secretary shall give, or cause to be given, notice of all

meetings of the stockholders and special meetings of the Board of Directors, and shall perform such other duties as may be prescribed by the President or the Board of Directors.

SECTION 6 ASSISTANT SECRETARIES

The Assistant Secretaries shall act under the direction of the President. In order of their seniority, unless otherwise determined by the President or the Board of Directors, they shall, in the absence or disability of the Secretary, perform the duties and exercise the powers of the Secretary. They shall perform such other duties and have such other powers as the President or the Board of Directors may from time to time prescribe.

SECTION 7 TREASURER

The Treasurer shall act under the direction of the President. Subject to the direction of the President, the Treasurer shall have custody of the corporate funds and securities and shall keep full and accurate accounts of receipts and disbursements in books belonging to the Corporation and shall deposit all monies and other valuable effects in the name and to the credit of the Corporation in such depositories as may be designated by the Board of Directors. The Treasurer shall disburse the funds of the Corporation as may be ordered by the President or the Board of Directors, taking proper vouchers for such disbursements, and shall render to the President and the Board of Directors, at its regular meetings, or when the Board of Directors so requires, an account of all transactions as Treasurer and of the financial condition of the Corporation.

If required by the Board of Directors, the Treasurer shall give the Corporation a bond in such sum and with such surety or sureties as shall be satisfactory to the Board of Directors for the faithful performance of the duties of such person's office and for the restoration to the Corporation, in case of such person's death, resignation, retirement or removal from office, of all books, papers, vouchers, money and other property of whatever kind in such person's possession or under such person's control belonging to the Corporation.

SECTION 8 ASSISTANT TREASURERS

The Assistant Treasurers in the order of their seniority, unless otherwise determined by the President or the Board of Directors, shall, in the absence or disability of the Treasurer, perform the duties and exercise the powers of the Treasurer. They shall perform such other duties and have such other powers as the President or the Board of Directors may from time to time prescribe.

SECTION 9 COMPENSATION

The Board of Directors shall fix the salaries and compensation of all officers of the Corporation.

SECTION 10 REMOVAL; RESIGNATION

The officers of the Corporation shall hold office at the pleasure of the Board of Directors. Any officer elected or appointed by the Board of Directors, or any member of a committee, may

be removed at any time, with or without cause, by the Board of Directors by a vote of not less than a majority of the entire Board at any meeting thereof or by written consent. Any vacancy occurring in any office of the Corporation by death, resignation, removal or otherwise shall be filled by the Board of Directors for the unexpired portion of the term.

Any director or officer of the Corporation, or any member of any committee, may resign at any time by giving written notice to the Board of Directors, the Chairman of the Board, the President, or the Secretary of the Corporation. Any such resignation shall take effect at the time specified therein or, if the time is not specified, then upon receipt thereof. The acceptance of such resignation shall not be necessary to make it effective.

ARTICLE V CAPITAL STOCK

SECTION 1 CERTIFICATED AND UNCERTIFICATED SHARES OF STOCK

Shares of stock in the Corporation shall be represented by certificates, or shall be uncertificated, as determined by the Board of Directors in its discretion. As to any shares represented by certificates, every stockholder shall be entitled to have a certificate signed by the Chairman or Vice Chairman of the Board of Directors, the President or a Vice-President and the Treasurer or an Assistant Treasurer, or the Secretary or an Assistant Secretary of the Corporation, certifying the number of shares owned by such person in the Corporation. If the Corporation shall be authorized to issue more than one class of stock or more than one series of any class, the designations, preferences and relative, participating, optional or other special rights of the various classes of stock or series thereof and the qualifications, limitations or restrictions of such rights, shall be set forth in full or summarized on the face or back of any certificate which the Corporation shall issue to represent such stock; provided, however, that except as otherwise provided in NRS 78.242, in lieu of the foregoing requirements, there may be set forth on the face or back of any certificate which the Corporation shall issue to represent such class or series of stock, a statement that the Corporation will furnish without charge to each stockholder who so requests, the designations, preferences and relative, participating, optional or other special rights of the various classes or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights.

If a certificate representing stock is signed (1) by a transfer agent other than the Corporation or its employees or (2) by a registrar other than the Corporation or its employees, the signatures of the officers of the Corporation may be facsimiles. In case any officer who has signed or whose facsimile signature has been placed upon a certificate shall cease to be such officer before such certificate is issued, such certificate may be issued with the same effect as though the person had not ceased to be such officer. The seal of the Corporation, or a facsimile thereof, may, but need not be, affixed to any certificates representing stock.

SECTION 2 SURRENDERED; LOST OR DESTROYED CERTIFICATES

The Board of Directors or any transfer agent of the Corporation may direct a new certificate or certificates to be issued, or, if such stock is no longer certificated, a registration of such stock, in place of any certificate or certificates theretofore issued by the Corporation alleged to have been lost or destroyed upon the making of an affidavit of that fact by the person claiming

the certificate of stock to be lost or destroyed. When authorizing such issue of a new certificate or certificates, or new registration of uncertificated stock, the Board of Directors (or any transfer agent of the Corporation authorized to do so by a resolution of the Board of Directors) may, in its discretion and as a condition precedent to the issuance or registration thereof, require the owner, of such lost or destroyed certificate or certificates, or the owner's legal representative, to advertise the same in such manner as it shall require and/or give the Corporation a bond in such sum as it may direct as indemnity against any claim that may be made against the Corporation with respect to the certificate alleged to have been lost or destroyed.

SECTION 3 REGULATIONS

The Board of Directors shall have the power and authority to make all such rules and regulations and procedures as it may deem expedient concerning the issue, transfer and cancellation of stock of the Corporation and replacement of any stock certificates representing stock and registration and re-registration of any uncertificated stock.

SECTION 4 RECORD DATE

The Board of Directors may fix in advance a date not more than sixty days nor less than ten days preceding the date of any meeting of stockholders, or the date for the payment of any distribution, or the date for the allotment of rights, or the date when any change or conversion or exchange of capital stock shall go into effect, or a date in connection with obtaining the consent of stockholders for any purpose, as a record date for the determination of the stockholders entitled to notice of and to vote at any such meeting, and any adjournment thereof, or entitled to receive payment of any such distribution, or to give such consent, and in such case, such stockholders, and only such stockholders as shall be stockholders of record on the date so fixed, shall be entitled to notice of and to vote at such meeting, or any adjournment thereof, or to receive payment of such dividend, or to receive such allotment of rights, or to exercise such rights, or to give such consent, as the case may be, notwithstanding any transfer of any stock on the books of the Corporation after any such record date fixed as aforesaid.

SECTION 5 REGISTERED OWNER

The Corporation shall be entitled to recognize the person registered on its books as the owner of the shares to be the exclusive owner for all purposes, including voting and distribution, and the Corporation shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of Nevada.

ARTICLE VI GENERAL PROVISIONS

SECTION 1 REGISTERED OFFICE

The registered office of the Corporation shall be in the County of Clark, State of Nevada. The principal office of the Corporation shall be located in the County of Los Angeles, State of California.

The Corporation may also have offices at such other places both within and without the State of Nevada as the Board of Directors may from time to time determine or the business of the Corporation may require.

SECTION 2 CHECKS; NOTES

All checks or demands for money and notes of the Corporation shall be signed by such officer or officers or such other person or persons as the Board of Directors may from time to time designate.

SECTION 3 FISCAL YEAR

The fiscal year of the Corporation shall be fixed by resolution of the Board of Directors.

SECTION 4 STOCK OF OTHER CORPORATIONS OR OTHER INTERESTS

Unless otherwise ordered by the Board of Directors, the President, the Secretary, and such other attorneys or agents of the Corporation as may be from time to time authorized by the Board of Directors or the President, shall have full power and authority on behalf of the Corporation to attend and to act an vote in person or by proxy at any meeting of the holders of securities of any corporation or other entity in which the Corporation may own or hold shares or other securities, and at such meetings shall possess and may exercise all the rights and powers incident to the ownership of such shares or other securities which the Corporation, as the owner or holder thereof, might have possessed and exercised if present. The President, the Secretary or other such attorneys or agents may also execute and deliver on behalf of the Corporation, powers of attorney, proxies, consents, waivers and other instruments relating to the shares or securities owned or held by the Corporation.

SECTION 5 CORPORATE SEAL

The corporation will have a corporate seal, as may from time to time be determined by resolution of the Board of Directors. If a corporate seal is adopted, it shall have inscribed thereon the name of the corporation and the words "Corporate Seal" and "Nevada." The seal may be used by causing it or a facsimile thereof to be impressed or affixed or in any manner reproduced.

SECTION 6 ANNUAL STATEMENT

The Board of Directors shall present at each annual meeting, and at any special meeting of the stockholders when called for by a vote of the stockholders, a full and clear statement of the business and condition of the Corporation.

SECTION 7 DIVIDENDS

Dividends upon the capital stock of the Corporation, subject to the provision of the Articles of Incorporation, if any, may be declared by the Board of Directors at any regular or special meeting pursuant to law. Dividends may be paid in cash, in property, or in shares of the capital stock of the Corporation, subject to the provisions of the Articles of Incorporation.

Before payment of any dividend, there may be set aside out of any funds of the Corporation available for dividends such sum or sums as the directors from time to time, in their absolute and sole discretion, think proper as a reserve or reserves to meet contingencies, or for equalizing dividends, or for repairing or maintaining any property or the Corporation, or for such other purpose or purposes as the directors believe to be in the interest of the Corporation, and the directors may modify or abolish any such reserve in the manner in which it was created.

SECTION 8 CONFLICTS OF INTEREST

In the event of any proposed transaction which would result in the merger of the Corporation with or into any other company or entity, or the sale, dividend, spin-off or transfer of all or substantially all of the assets of the Corporation, whether in one or more related transactions (a "Covered Transaction"), such Covered Transaction shall require the approval of a two-thirds majority of the Board of Directors after a review and written report of the terms and fairness of such transaction have been conducted and prepared by a special committee of the Board appointed to conduct such review. Such special committee shall consist of not less than two directors and shall be composed entirely of directors who are neither employees, directors, officers, agents or appointees or representatives of any company or entity affiliated with any party to the Covered Transaction, other than the Corporation. Such special committee is authorized to retain such professional advisors, including investment bankers, attorneys, and accountants as it may determine, in its sole discretion, to be appropriate under the circumstances.

ARTICLE VII INDEMNIFICATION

SECTION 1 INDEMNIFICATION OF OFFICERS AND DIRECTORS, EMPLOYEES AND AGENTS

Every person who was or is a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person or a person of whom that person is the legal representative is or was a director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation or for its benefit as a director, officer, employee or agent of another corporation, or as its representative in a partnership, joint venture, trust or other enterprise, shall be indemnified and held harmless to the fullest extent legally permissible under the NRS from time to time against all expenses, liability and loss (including attorneys' fees, judgments, fines and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith. The expenses of officers, directors, employee or agents incurred in defending a civil or criminal action, suit or proceeding must be paid by the Corporation as they are incurred and in advance of the final disposition of the action, suit or proceeding upon receipt of an undertaking by or on behalf of the director, officer, employee or agent to repay the amount if it is ultimately determined by a court of competent jurisdiction that such person is not entitled to be indemnified by the Corporation. Such right of indemnification shall be a contract right, which may be enforced in any manner desired by such person. Such right of indemnification shall not be exclusive of any other right which such directors, officers, employees or agents may have or hereafter acquire and, without limiting the generality of such statement, they shall be entitled to their respective rights of indemnification under any bylaw, agreement, vote of stockholders, provision of law or otherwise, as well as their rights under this Article VII.

SECTION 2 INSURANCE

The Board of Directors may cause the Corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, or as its representative in a partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred in any such capacity or arising out of such status, whether or not the Corporation would have the power to indemnify such person.

SECTION 3 FURTHER BYLAWS

The Board of Directors may from time to time adopt further Bylaws with respect to indemnification and may amend these and such Bylaws to provide at all times the fullest indemnification permitted by the laws of the State of Nevada.

ARTICLE VIII AMENDMENTS

SECTION 1 AMENDMENTS BY STOCKHOLDERS

The Bylaws may be amended by the stockholders at any annual or special meeting of the stockholders by a majority vote, provided notice of intention to amend or repeal shall have been contained in the notice of such meeting.

SECTION 2 AMENDMENTS BY BOARD OF DIRECTORS

The Board of Directors at any regular or special meeting by a majority vote may amend these Bylaws, including Bylaws adopted by the stockholders, but the stockholders may from time to time specify particular provisions of the Bylaws, which shall not be amended by the Board of Directors.

Item 8.01 Other Events.

Reading International, Inc.'s ("we," "our," "us," "Reading" or the "Company") 2015 Annual Meeting of Stockholders (the "2015 Annual Meeting") will be held on Tuesday, November 10, 2015, at a time and location still to be determined. The record date for the determination of Stockholders entitled to receive notice of and to vote at the 2015 Annual Meeting shall be the close of business on Tuesday October 6, 2015. Because the date of the 2015 Annual Meeting differs by more than thirty (30) days from the anniversary date of the 2014 Annual Meeting of Stockholders (the "2014 Annual Meeting"), which was held on Thursday, May 15, 2014, the Company is providing this information in accordance with Rule 14a-5(f) under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

Deadline for Stockholder Proposals Submitted Pursuant to Rule 14a-8 of the Exchange Act

As noted above, the 2015 Annual Meeting date represents a change of more than thirty (30) days from the anniversary date of the 2014 Annual Meeting. As a result, pursuant to Rule 14a-8 under the Exchange Act, the Company has set a new deadline for the receipt of any Stockholder proposals submitted pursuant to Rule 14a-8 of the Exchange Act for inclusion in the Company's proxy materials for the 2015 Annual Meeting. Pursuant to Rule 14a-8(e)(2) under the Exchange Act, such proposals must be received by the Company's Secretary on or before the close of business on Friday, September 25, 2015, which the Company has determined to be a reasonable time before it expects to begin to print and send its proxy materials. Such proposals also need to comply with the rules of the Securities and Exchange Commission regarding the inclusion of Stockholder proposals in the Company's proxy materials, and may be omitted if not in compliance with applicable requirements.

Relationships

Ellen M. Cotter, Margaret Cotter and James J. Cotter, Jr. are directors and officers of our company and of various of its subsidiaries, affiliates or consultants. According to their respective Schedules 13D filed with the SEC, all three consider their beneficial stock holdings in our company to be long-term family assets, and they intend to continue our company in the direction established by their father.

Committees of the Board of Directors

Our board has a standing Executive Committee, Audit and Conflicts Committee, Compensation and Stock Options Committee, and Tax Oversight Committee. These committees are discussed in greater detail below.

The Cotter family members who serve as directors and officers of our company collectively own beneficially shares of our Class B Stock representing more than 70% of the voting power for the election of directors of our company. Therefore, our board has determined that our company is a "Controlled Company" under section 5615(c)(1) of the listing rules of The NASDAQ Capital Stock Market (the "NASDAQ Rules"). After reviewing the benefits and detriments of taking advantage of the exceptions to the corporate governance rules set forth in section 5605 of the NASDAQ Rules, our board has unanimously determined to take advantage of all of the exceptions from the NASDAQ Rules afforded to our company as a Controlled Company.

A Controlled Company is not required to have an independent nominating committee or independent nominating process. It was noted by our directors that the use of an independent nominating committee or independent nominating process would be of limited utility, since any nominee would need to be acceptable to James J. Cotter, Sr., our former controlling stockholder, in order to be elected. The Cotter family, as the holders of a majority of the voting power of our company, are able under Nevada corporations law and our charter documents to elect candidates to our board and to remove a director from the board without the vote of

our other stockholders. Historically, Mr. Cotter, Sr. identified and recommended all nominees to our board in consultation with our other incumbent directors.

Our directors have not adopted any formal criteria with respect to the qualifications required to be a director or the particular skills that should be represented on our board, other than the need to have at least one director and member of our Audit and Conflicts Committee who qualifies as an “audit committee financial expert,” and have not historically retained any third party to identify or evaluate or to assist in identifying or evaluating potential nominees. We have no policy of considering diversity in identifying director nominees.

James J. Cotter, Sr. served as our Chair and Chief Executive Officer until August 7, 2014, when he stepped down for health reasons. Mr. Cotter, Sr. subsequently passed away on September 13, 2014. In connection with his passing, our board determined to appoint Ellen M. Cotter as Chair of the Board with a view to rotating the office of Chair annually among the Cotter family members. The board also has designated William D. Gould to serve as our lead independent director. In that capacity, Mr. Gould chairs meetings of the independent directors and acts as liaison between our Chair and our Chief Executive Officer and our independent directors.

Our board oversees risk by remaining well-informed through regular meetings with management and the personal involvement of our Chief Executive Officer in our day-to-day business, including any matters requiring specific risk management oversight. Our Chief Executive Officer chairs regular senior management meetings addressing domestic and overseas issues. The risk oversight function of our board is enhanced by the fact that our Audit and Conflict Committee is comprised entirely of independent directors.

Executive Committee

A standing Executive Committee, currently comprised of Mr. Cotter, Jr., who serves as Chair, Ms. Margaret Cotter and Messrs. Adams and Kane, is authorized, to the fullest extent permitted by Nevada law, to take action on matters between meetings of the full board. Mr. Cotter, Sr. also served on the Executive Committee until May 15, 2014.

In 2014, the Executive Committee did not take any action with respect to any company matter. With the exception of matters delegated to the Audit and Conflicts Committee or the Compensation and Stock Options Committee, all matters requiring board approval during 2014 were considered by the entire board.

Audit and Conflicts Committee

Our board maintains a standing Audit and Conflicts Committee, which we refer to as the “Audit Committee.” The Audit Committee operates under a Charter adopted by our board that is available on our website at www.readingrdi.com. Our board has determined that the Audit Committee is comprised entirely of independent directors (as defined in section 5605(a)(2) of the NASDAQ Rules), and that Mr. McEachern, the Chair of our Audit Committee, is qualified as an Audit Committee Financial Expert. During 2014, our Audit and Conflicts Committee was comprised of Mr. McEachern, who served as Chair, and Messrs. Kane and Storey.

Compensation and Stock Options Committee

Our board has a standing Compensation and Stock Options Committee, which we refer to as the “Compensation Committee,” comprised entirely of independent directors. The current members of Compensation Committee are Mr. Kane, who serves as Chair, and Messrs. Adams and Storey. Mr. Adams replaced our former director, Alfred Villaseñor, on the Compensation Committee following his election to our board in June 2014.

The Compensation Committee evaluates and makes recommendations to the full board regarding the compensation of our Chief Executive Officer and other Cotter family members and performs other compensation related functions as delegated by our board.

Tax Oversight Committee

Given our operations in the United States, Australia, and New Zealand and our historic net operating loss carry forwards, our board formed a Tax Oversight Committee to review with management and to keep the board informed about our company's tax planning and such tax issues as may arise from time to time. This committee is comprised of Mr. Kane, who serves as Chair, and Mr. Cotter, Jr.

Code of Ethics

We have adopted a Code of Ethics applicable to our principal executive officer, principal financial officer, principal accounting officer or controller and Company employees. The Code of Ethics is available on our website at www.readingrdi.com.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who own more than 10% of our common stock, to file reports regarding ownership of, and transactions in, our securities with the Securities and Exchange Commission (the "SEC") and to provide us with copies of those filings. Based solely on our review of the copies received by us and on the written representations of certain reporting persons, we believe that the following Forms 3 and 4 for transaction that occurred in 2014 were filed later than is required under Section 16(a) of the Securities Exchange Act of 1934:

- James J. Cotter, Sr. failed to timely file 16 Forms 4 with respect to 70 transactions in our common stock;
- James J. Cotter, Jr. failed to timely file one Form 4 with respect to one transaction in our common stock;
- Ellen M. Cotter failed to timely file one Form 4 with respect to one transaction in our common stock;
- Margaret Cotter failed to timely file one Form 4 with respect to one transaction in our common stock;
- Mr. Storey failed to timely file one Form 4 with respect to one transaction in our common stock.

All of the transactions involved were between the individual involved and our company or related to certain inter-family or estate planning transfers, and did not involve transactions with the public. Insofar as we are aware, all required filings have now been made.

ITEM 11. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Role and Authority of the Compensation Committee

Our board has established a standing Compensation Committee consisting of two or more of our non-employee directors. As a Controlled Company, we are exempt from the NASDAQ Rules regarding the determination of executive compensation. The Compensation Committee has no formal charter, and acts pursuant to the authority delegated to the Compensation Committee from time to time by our board.

The Compensation Committee recommends to the full board the compensation of our Chief Executive Officer and of the other Cotter family members who serve as officers of our company. Our board with the Cotter family directors abstaining, typically has accepted without modification the compensation recommendations of the Compensation Committee, but reserves the right to modify the recommendations or

take other compensation actions of its own. Prior to his resignation as our Chair and Chief Executive Officer on August 7, 2014, during 2014, as in prior years, James J. Cotter, Sr. was delegated by our board responsibility for determining the compensation of our executive officers other than himself and his family members. The board exercised oversight of Mr. Cotter, Sr.'s executive compensation decisions as a part of his performance as our former Chief Executive Officer.

On August 7, 2014, James J. Cotter, Jr. was appointed to succeed Mr. Cotter, Sr. as our Chief Executive Officer. Mr. Cotter, Sr. subsequently passed away on September 13, 2014. No discretionary annual bonuses have yet been awarded to our executive officers, including the Cotter family executives for 2014.

Throughout this section, the individuals named in the Summary Compensation Table, below, are referred to as the "named executive officers."

CEO Compensation

The Compensation Committee recommends to our board the annual compensation of our Chief Executive Officer, based primarily upon the Compensation Committee's annual review of peer group practices and the advice of an independent third-party compensation consultant. The Compensation Committee has established three components of our Chief Executive Officer's compensation -- a base cash salary, a discretionary annual cash bonus, and a fixed stock grant. The objective of each element is to reasonably reward our Chief Executive Officer for his performance and leadership.

In 2007, our board approved a supplemental executive retirement plan ("SERP") pursuant to which we agreed to provide Mr. Cotter, Sr. supplemental retirement benefits as a reward for his more than 25 years of service to our company and its predecessors. Neither Mr. James J. Cotter, Jr., Mr. Cotter, Sr.'s successor as our Chief Executive Officer, nor any of our other current or former officers or employees, is eligible to participate in the SERP, which is described in greater detail below under the caption "Supplemental Executive Retirement Plan." Because this plan was adopted as a reward to Mr. Cotter, Sr. for his past services and the amounts to be paid under that plan are determined by an agreed-upon formula, the Compensation Committee did not take into account the benefits under that plan in determining Mr. Cotter, Sr.'s annual compensation for 2014 or previous years. The amounts reflected in the Executive Compensation Table under the heading "Change in Pension Value and Nonqualified Deferred Compensation Earnings" reflect any increase in the present value of the SERP benefit based upon the actuarial impact of the payment of Mr. Cotter, Sr.'s cash compensation and changes in interest rates. Since the SERP is unfunded, this amount does not reflect any actual payment by our Company into the plan or the value of any assets in the plan (of which there are none). The benefits to Mr. Cotter, Sr. under the SERP were tied to the cash portion only of his compensation, and not to compensation in the form of stock options or stock grants.

2014 CEO Compensation

The Compensation Committee originally engaged Towers Watson, executive compensation consultants, in 2012 to analyze our Chief Executive Officer's total direct compensation compared to a peer group of companies. In preparing the analysis, Towers Watson, in consultation with our management, including James J. Cotter, Sr., identified a peer group of companies in the real estate and cinema exhibition industries, our two business segments, based on market value, industry, and business description.

For purposes of establishing our Chief Executive Officer's 2014 compensation, the Compensation Committee engaged Towers Watson to update its analysis of Mr. Cotter, Sr.'s compensation as compared to his peers, which updated report was received on February 26, 2014. The company paid Towers Watson \$11,461 for the updated report.

The Towers Watson analysis focused on the competitiveness of Mr. Cotter, Sr.'s annual base salary, total cash compensation and total direct compensation (i.e., total cash compensation plus expected value of long-term compensation) relative to a peer group of United States and Australian companies and published compensation survey data, and to our company's compensation philosophy, which was to target Mr. Cotter, Sr.'s total direct compensation to the 66th percentile of the peer group.

The peer group consisted of the following 18 companies:

Acadia Realty Trust	Inland Real Estate Corp.
Amalgamated Holdings Ltd.	Kite Realty Group Trust
Associated Estates Realty Corp.	LTC Properties Inc.
Carmike Cinemas Inc.	Ramco-Gershenson Properties Trust
Cedar Shopping Centers Inc.	Regal Entertainment Group
Cinemark Holdings Inc.	The Marcus Corporation
Entertainment Properties Trust	Urstadt Biddle Properties Inc.
Glimcher Realty Trust	Village Roadshow Ltd.

Towers Watson predicted 2014 pay levels by using regression analysis to adjust compensation data based on estimated annual revenues of \$260 million (i.e., our company's approximate annual revenues) for all companies, excluding financial services companies. Towers Watson did not evaluate Mr. Cotter, Sr.'s SERP, because the SERP is fully vested and accrues no additional benefits, except as Mr. Cotter, Sr.'s annual cash compensation may change.

The Towers Watson analysis indicated that the peer group data, with the exception of annual base salary, was above Mr. Cotter, Sr.'s pay levels in 2013. The peer group is partially comprised of companies that are larger than our company, and the 66th percentile level tends to reflect the larger peers. However, Towers Watson analysis also indicated that the size of the peers does not materially affect the pay levels at the peer companies. The published survey data of companies of comparable size reviewed by Towers Watson was below our Chief Executive Officer pay levels.

Towers Watson averaged the data from the peer group and the published survey data to compile "blended" market data. As compared to the blended market data, Mr. Cotter, Sr.'s 2013 cash compensation and total direct compensation, which includes the expected value of long-term incentive compensation, was in line with the 66th percentile.

Because our company is comparable to the smaller companies in the peer group, Towers Watson reviewed whether the size of the proxy peer group of companies had a meaningful impact on reported CEO pay levels, and concluded that there is a weak correlation between company size and CEO compensation. It concluded, therefore, that it was not necessary to separately adjust the peer group data based on the size of our company.

The Compensation Committee met on February 27, 2014 to consider the Towers Watson analysis. At the meeting, the Compensation Committee determined to recommend to our board the following compensation for Mr. Cotter, Sr. for 2014 and on March 13, 2014, our board accepted the Compensation Committee's recommendation without modification:

Salary:	\$750,000
---------	-----------

The Compensation Committee recommended maintaining Mr. Cotter, Sr.'s 2014 annual base salary at its 2013 level of \$750,000, which approximates the 75th percentile of the peer group.

Discretionary Cash Bonus:	Up to \$750,000.
---------------------------	------------------

In 2013, the Compensation Committee recommended and our board approved a total cash bonus to Mr. Cotter, Sr. of \$1,000,000, as compared to the target bonus of \$500,000. This resulted in total 2013 compensation to Mr. Cotter, Sr. above the 75th percentile of the peer group and total direct compensation near the 66th percentile. At its meeting on February 27, 2014, the Compensation Committee determined to increase the upper range of Mr. Cotter, Sr.'s discretionary cash bonus for 2014 to \$750,000 from the 2013 target level of \$500,000. The bonus was subject to Mr. Cotter, Sr. being employed by our Company at year-end, unless

his employment were to terminate earlier due to his death or disability. No other benchmarks, formulas or quantitative or qualitative measurements were specified for use in determining the amount of cash bonus to be awarded within this range. As in 2013, the Compensation Committee also reserved the right to increase the upper range of discretionary cash bonus amount based upon exceptional results of our company or Mr. Cotter, Sr.'s exceptional performance, as determined in the Compensation Committee's discretion.

At its meeting on August 14, 2014, the Compensation Committee determined that Mr. Cotter, Sr.'s successful completion of our sale of the Burwood property in Australia and other accomplishments in 2014 justified the award to Mr. Cotter, Sr. of the full \$750,000 cash bonus, plus an additional cash bonus of \$300,000. The Compensation Committee's determination to award the extraordinary cash bonus was based in part on the advice of Towers Watson.

Stock Bonus: \$1,200,000 (160,643 shares of Class A Stock).

At its meeting on February 27, 2014, the Compensation Committee determined that, so long as Mr. Cotter, Sr.'s employment with the Company is not terminated prior to December 31, 2014 other than as a result of his death or disability, he was to receive 160,643 shares of our Company's Class A Stock; the number of shares of Class A nonvoting common stock equal to \$1,200,000 divided by the closing price of the stock on February 27, 2014, the date the Committee approved the stock bonus. This compares to a similar stock bonus to Mr. Cotter, Sr. of \$750,000 in 2013.

The stock bonus was paid to the Estate of Mr. Cotter, Sr. in February 2015.

Following his appointment on August 7, 2014 as our Chief Executive Officer, James J. Cotter, Jr. continued to receive the same base salary of \$335,000 that he had previously been receiving in his capacity as our President.

Mr. Cotter, Jr. has not yet been awarded a discretionary cash bonus for 2014.

Total Direct Compensation

We and our Compensation Committee have no policy regarding the amount of salary and cash bonus paid to our Chief Executive Officer or other named executive officers in proportion to their total direct compensation.

Compensation of Other Named Executive Officers

The compensation of Mr. James J. Cotter, Jr. and Ms. Ellen M. Cotter as executive officers of our company is determined by the Compensation Committee based on the same compensation philosophy used to determine Mr. Cotter, Sr.'s 2014 compensation. The Cotter family members' respective compensation consists of a base cash salary, discretionary cash bonus and periodic discretionary grants of stock options.

Mr. Cotter, Sr. set the 2014 base salaries of our executive officers other than himself and members of his family. Mr. Cotter, Sr.'s decisions were not subject to approval by the Compensation Committee or our board, but our Compensation Committee and our board considered Mr. Cotter, Sr.'s decisions with respect to executive compensation in evaluating his performance as our Chief Executive Officer. Mr. Cotter, Sr. informed us that he did not use any formula, benchmark or other quantitative measure to establish or award any component of executive compensation, nor did he consult with compensation consultants on the matter. Mr. Cotter, Sr. also advised us that he considered the following guidelines in setting the type and amount of executive compensation:

1. Executive compensation should primarily be used to:

- attract and retain talented executives;
- reward executives appropriately for their individual efforts and job performance; and

- afford executives appropriate incentives to achieve the short-term and long-term business objectives established by management and our board.
2. In support of the foregoing, the total compensation paid to our named executive officers should be:
- fair both to our company and to the named executive officers;
 - reasonable in nature and amount; and
 - competitive with market compensation rates.

Personal and company performances were just two factors considered by Mr. Cotter, Sr. in establishing base salaries. We have no pre-established policy or target for allocating total executive compensation between base and discretionary or incentive compensation, or between cash and stock-based incentive compensation. Historically, including in 2014, a majority of total compensation to our named executive officers has been in the form of annual base salaries and discretionary cash bonuses, although stock bonuses have been granted from time to time under special circumstances. No stock bonuses were awarded in 2014 to our named executive officers other than Mr. Cotter, Sr.

These elements of our executive compensation are discussed further below.

Salary: Annual base salary is intended to compensate named executive officers for services rendered during the fiscal year in the ordinary course of performing their job responsibilities. Factors considered by Mr. Cotter, Sr. in setting the base salaries may have included (i) the negotiated terms of each executive's employment agreement or the original terms of employment, (ii) the individual's position and level of responsibility with our Company, (iii) periodic review of the executive's compensation, both individually and relative to our other named executive officers, and (iv) a subjective evaluation of individual job performance of the executive.

Cash Bonus: Historically, we have awarded annual cash bonuses to supplement the base salaries of our named executive officers, and our board of directors has delegated to our Chief Executive Officer the authority to determine in his discretion the annual cash bonuses, if any, to be paid to our executive officers other than the Cotter family executives. Any discretionary annual bonuses to the Cotter family executive have historically been determined by our board based upon the recommendation of our Compensation Committee.

In light of Mr. Cotter, Sr.'s death in September 2014, cash bonuses for 2014 have not yet been determined by Mr. Cotter, Jr. or, in the case of the Cotter family members, recommended by the Compensation Committee or approved by our board. Factors to be considered in determining or recommending any such cash bonuses include (i) the level of the executive's responsibilities, (ii) the efficiency and effectiveness with which he or she oversees the matters under his or her supervision, and (iii) the degree to which the officer has contributed to the accomplishment of major tasks that advance the company's goals.

Stock Bonus: Equity incentive bonuses may be awarded to align our executives' long-term compensation to appreciation in stockholder value over time and, so long as such grants are within the parameters set by our 2010 Stock Incentive Plan, historically were entirely discretionary on the part of Mr. Cotter, Sr. Other stock grants are subject to board approval. Equity awards may include stock options, restricted stock, bonus stock, or stock appreciation rights. Apart from the stock award to Mr. Cotter, Sr., no stock bonuses were awarded to our executive officers in 2014.

If awarded, it is generally our policy to value stock options and restricted stock at the closing price of our common stock as reported on the NASDAQ Capital Market on the date the award is approved or on the date of hire, if the stock is granted as a recruitment incentive. When stock is granted as bonus compensation for a particular transaction, the award may be based on the market price on a date calculated from the closing date of the relevant transaction. Awards may also be subject to vesting and limitations on voting or other rights.

Andrzej Matyczynski, our Chief Financial Officer, has a written employment agreement with our company that provides for a specified annual base salary and other compensation. Mr. Matyczynski resigned as our Chief Financial Officer effective September 1, 2014, but he and our company agreed to postpone the effective date of his resignation. Upon termination of Mr. Matyczynski's employment, he will become entitled under his employment agreement to a lump-sum severance payment of six months' base salary and to the payment of his vested benefit in accordance with the terms of the deferred compensation plan discussed below in this section.

Other than Mr. Cotter, Sr.'s and Mr. Cotter, Jr.'s role as Chief Executive Officer in setting compensation, none of our executive officers play a role in determining the compensation of our named executive officers.

2014 Base Salaries and Target Bonuses

We have historically established base salaries and target discretionary cash bonuses for our named executive officers through negotiations with the individual named executive officer, generally at the time the named executive officer commenced employment with us, with the intent of providing annual cash compensation at a level sufficient to attract and retain talented and experienced individuals. Our Compensation Committee recommended and our board approved the following base salaries for Mr. Cotter, Jr. and Ellen M. Cotter for 2014:

Name	2013 Base Salary (\$)	2014 Base Salary (\$)
James J. Cotter, Jr.	195,417	335,000
Ellen M. Cotter	335,000	335,000

The base salaries of our other named executive officers were established by Mr. Cotter, Sr. as shown in the following table:

Name	2013 Base Salary (\$)	2014 Base Salary (\$)
Andrzej Matyczynski	309,000	309,000
Robert F. Smerling	350,000	350,000
Wayne Smith	339,000	324,295

All named executive officers are eligible to receive a discretionary annual cash bonus. Cash bonuses are typically prorated to reflect a partial year of service. Our board reserves discretion to adjust bonuses for the Cotter family members based on its own evaluations of the recommendations of our Compensation Committee as it did in both 2013 and 2014 in Mr. Cotter, Sr.'s case.

We offer stock options and stock awards to our employees, including named executive officers, as the long-term incentive component of our compensation program. We sometimes grant equity awards to new hires upon their commencing employment with us and from time to time thereafter. Our stock options allow employees to purchase shares of our common stock at a price per share equal to the fair market value of our common stock on the date of grant and may or may not be intended to qualify as "incentive stock options" for U.S. federal income tax purposes. Generally, the stock options we grant to our employees vest over four years in equal installments upon the annual anniversaries of the date of grant, subject to their continued employment with us on each vesting date.

Other Elements of Compensation

Retirement Plans

We maintain a 401(k) retirement savings plan that allows eligible employees to defer a portion of their compensation, within limits prescribed by the Internal Revenue Code, on a pre-tax basis through contributions to the plan. Our named executive officers other than Mr. Smith, who is a non-resident of the U.S., are eligible to participate in the 401(k) plan on the same terms as other full-time employees generally. Currently, we match contributions made by participants in the 401(k) plan up to a specified percentage, and these matching contributions are fully vested as of the date on which the contribution is made. We believe that providing a vehicle for tax-deferred retirement savings through our 401(k) plan, and making fully vested matching contributions, adds to the overall desirability of our executive compensation package and further incentivizes our employees, including our named executive officers, in accordance with our compensation policies.

Supplemental Executive Retirement Plan

In March 2007, our board approved the SERP pursuant to which we agreed to provide Mr. Cotter, Sr. supplemental retirement benefits. Under the SERP, following his separation from our company, Mr. Cotter, Sr. was to be entitled to receive from our company for the remainder of his life or 180 months, whichever is longer, a monthly payment of 40% of his average monthly base salary and cash bonuses over the highest consecutive 36-month period of earnings prior to Mr. Cotter, Sr.'s separation from service with us. The benefits under the SERP are fully vested. In October 2014, following Mr. Cotter, Sr.'s death, we began accruing monthly supplemental retirement benefits of \$57,000 in accordance with the SERP, but have not yet paid any such benefits to Mr. Cotter, Sr.'s designated beneficiaries.

The SERP is unfunded and, as such, the SERP benefits are unsecured, general obligations of our company. We may choose in the future to establish one or more grantor trusts from which to pay the SERP benefits. The SERP is administered by the Compensation Committee.

Other Retirement Plans

During 2012, Mr. Matyczynski was granted an unfunded, nonqualified deferred compensation plan ("DCP") that was partially vested and was to vest further so long as he remained in our continuous employ. If Mr. Matyczynski were to be terminated for cause, then the total vested amount would be reduced to zero. The incremental amount vested each year was made subject to review and approval by our board. Mr. Matyczynski's DCP vested as follows:

December 31	Total Vested Amount at the End of Each Vesting Year
2013	\$300,000
2014	\$450,000

Mr. Matyczynski resigned his employment with the company effective September 1, 2014, but he and our company agreed to postpone the effective date of his resignation until May 11, 2015. Upon the termination of Mr. Matyczynski's employment, he would become entitled under the DCP agreement to payment of the vested benefits under his DCP in annual installments following the later of (a) 30 days following Mr. Matyczynski's 65th birthday or (b) six months after his separation from service, unless his employment were to be terminated for cause.

We currently maintain no other retirement plan for our named executive officers.

Key Person Insurance

Our company maintains life insurance on certain individuals who we believe to be key to our management. These individuals include James J. Cotter, Jr., Ellen M. Cotter, Margaret Cotter and Messrs. Matyczynski, Smerling and Smith. If such individual ceases to be an employee, director or independent contractor of our company, as the case may be, she or he is permitted, by assuming responsibility for all future premium payments, to replace our company as the beneficiary under such policy. These policies allow each such individual to purchase up to an equal amount of insurance for such individual's own benefit. In the case of our employees, the premium for both the insurance as to which our company is the beneficiary and the insurance as to which our employee is the beneficiary, is paid by our company. In the case of named executive officers, the premium paid by our company for the benefit of such individual is reflected in the Compensation Table in the column captioned "All Other Compensation."

Employee Benefits and Perquisites

Our named executive officers are eligible to participate in our health and welfare plans to the same extent as all full-time employees generally. We do not generally provide our named executive officers with perquisites or other personal benefits, although in the past we provided Mr. Cotter, Sr. the personal use of our West Hollywood, California, condominium, which was used as an executive meeting place and office and sold in February 2015, a company-owned automobile and a health club membership. Historically, all of our other named executive officers also have received an automobile allowance. From time to time, we may provide other perquisites to one or more of our other named executive officers.

Tax Gross-Ups

As a general rule, we do not make gross-up payments to cover our named executive officers' personal income taxes that may pertain to any of the compensation paid or provided by our company. In 2014, however, we reimbursed Ms. Ellen M. Cotter \$50,000 for income taxes she incurred as a result of her exercise of stock options that were deemed to be nonqualified stock options for income tax purposes, but which were intended by the Compensation Committee and her to be so-called incentive stock options, or "ISOs", when originally granted. Our Compensation Committee believe it was appropriate to reimburse Ms. Cotter because it was our company's intention at the time of the issuance to give her the tax deferral feature applicable to ISOs. Due to the application of complex attribution rules, even though she was an executive officer of our company and not a director, she did not in fact qualify for such tax deferral. Accordingly, upon exercise, she received less compensation than the Compensation Committee had intended.

Tax and Accounting Considerations

Deductibility of Executive Compensation

Subject to an exception for "performance-based compensation," Section 162(m) of the Internal Revenue Code generally prohibits publicly held corporations from deducting for federal income tax purposes annual compensation paid to any senior executive officer to the extent that such annual compensation exceeds \$1.0 million. The Compensation Committee and our board consider the limits on deductibility under Section 162(m) in establishing executive compensation, but retain the discretion to authorize the payment of compensation that exceeds the limit on deductibility under this Section as in the case of Mr. Cotter, Sr.

Nonqualified Deferred Compensation

We believe we are operating, where applicable, in compliance with the tax rules applicable to nonqualified deferred compensation arrangements.

Accounting for Stock-Based Compensation

Beginning on January 1, 2006, we began accounting for stock-based payments in accordance with the requirements of Statement of Accounting Standards No. 123(R). Our decision to award restricted stock to

Mr. Cotter, Sr. and other named executive officers from time to time was based in part upon the change in accounting treatment for stock options. Accounting treatment otherwise has had no significant effect on our compensation decisions.

Say on Pay

At our Annual Meeting of Stockholders held on May 15, 2014, we held an advisory vote on executive compensation. Our stockholders voted in favor of our company's executive compensation. The Compensation Committee reviewed the results of the advisory vote on executive compensation in 2014 and did not make any changes to our compensation based on the results of the vote.

Compensation Committee Report

The Compensation Committee has reviewed and discussed with management the "Compensation Discussion and Analysis" required by Item 401(b) of Regulation S-K and, based on such review and discussions, has recommended to our board that the foregoing "Compensation Discussion and Analysis" be included in this Form 10-K/A.

Respectfully submitted,

Edward L. Kane, Chair
Guy W. Adams
Tim Storey

Compensation Committee Interlocks and Insider Participation

There are no "interlocks," as defined by the SEC, with respect to any member of the Compensation Committee during 2014.

Employment Agreements

James J. Cotter, Jr. On June 3, 2013, we entered into an employment agreement with Mr. James J. Cotter, Jr. to serve as our President. The employment agreement provides that Mr. Cotter, Jr. is to receive an annual base salary of \$335,000, with employee benefits in line with those received by our other senior executives. Mr. Cotter, Jr. also was granted a stock option to purchase 100,000 Class A shares at an exercise price equal to the market price of our Class A shares on the date of grant and which will vest in equal annual increments over a four-year period, subject to his remaining in our continuous employ through each annual vesting date.

Under his employment agreement, we may terminate Mr. Cotter Jr.'s employment with or without cause (as defined) at any time. If we terminate his employment without cause, Mr. Cotter Jr. will be entitled to receive severance in an amount equal to the compensation he would have received had he remained employed by us for 12 months.

William D. Ellis. On October 20, 2014, we entered into an employment agreement with Mr. William D. Ellis, pursuant to which he agreed to serve as our General Counsel for a term of three years. The employment agreement provides that Mr. Ellis is to receive an annual base salary of \$350,000, with an annual target bonus of at least \$60,000. Mr. Ellis also received a "sign-up" bonus of \$10,000 and is entitled to employee benefits in line with those received by our other senior executives. In addition, Mr. Ellis was granted stock options to purchase 60,000 Class A shares at an exercise price equal to the closing price of our Class A shares on the date of grant and which will vest in equal annual increments over a three-year period, subject to his remaining in our continuous employ through each annual vesting date.

Under his employment agreement, we may terminate Mr. Ellis' employment with or without cause (as defined) at any time. If we terminate his employment without cause, Mr. Ellis will be entitled to receive severance in an amount equal to the compensation he would have received for the remainder of the term of his employment agreement, or 24 months, whichever is less. If the termination is in connection with a "change of control" (as defined), Mr. Ellis would be entitled to severance in an amount equal to the compensation he would have received for a period of twice the number of months remaining in the term of his employment agreement.

Andrzej Matyczynski. Mr. Matyczynski, our Chief Financial Officer, has a written employment agreement with our company that provides for a specified annual base salary and other compensation. Mr. Matyczynski resigned as our Chief Financial Officer effective May 11, 2015, but will continue as an employee until April 15, 2016 in order to assist in the transition of our new Chief Financial Officer, Mr. Ghose, whose information is set forth above. Upon termination of Mr. Matyczynski's employment, he will become entitled under his employment agreement to a lump-sum severance payment of six months' base salary and to the payment of his vested benefit under his deferred compensation plan discussed above in this section.

2010 Equity Incentive Plan

On May 13, 2010, our stockholders approved the 2010 Stock Incentive Plan (the "Plan") at the annual meeting of stockholders in accordance with the recommendation of the board of directors of the Company. The Plan provides for awards of stock options, restricted stock, bonus stock, and stock appreciation rights to eligible employees, directors, and consultants. The Plan permits issuance of a maximum of 1,250,000 shares of class A nonvoting common stock. The Plan expires automatically on March 11, 2020.

Equity incentive bonuses may be awarded to align our executives' long-term compensation to appreciation in stockholder value over time and, so long as such grants are within the parameters of the Plan, historically were entirely discretionary on the part of Mr. Cotter, Sr. Other stock grants are subject to board approval. Equity awards may include stock options, restricted stock, bonus stock, or stock appreciation rights. Apart from the stock award to Mr. Cotter, Sr., no stock bonuses were awarded to our executive officers in 2014.

If awarded, it is generally our policy to value stock options and restricted stock at the closing price of our common stock as reported on the NASDAQ Capital Market on the date the award is approved or on the date of hire, if the stock is granted as a recruitment incentive. When stock is granted as bonus compensation for a particular transaction, the award may be based on the market price on a date calculated from the closing date of the relevant transaction. Awards may also be subject to vesting and limitations on voting or other rights.

Certain Federal Income Tax Consequences

Non-qualified Stock Options. There will be no federal income tax consequences to either the Company or the participant upon the grant of a non-discounted NQSO. However, the participant will realize ordinary income on the exercise of the NQSO in an amount equal to the excess of the fair market value of the common stock acquired upon the exercise of such option over the exercise price, and the Company will receive a corresponding deduction. The gain, if any, realized upon the subsequent disposition by the participant of the common stock will constitute short-term or long-term capital gain, depending on the participant's holding period.

Incentive Stock Options. There will be no regular federal income tax consequences to either the Company or the participant upon the grant or exercise of an incentive stock option. If the participant does not dispose of the shares of common stock for two years after the date the option was granted and one year after the acquisition of such shares of common stock, the difference between the aggregate option price and the amount realized upon disposition of the shares of common stock will constitute long-term capital gain or loss, and the Company will not be entitled to a federal income tax deduction. If the shares of common stock are disposed of in a sale, exchange or other "disqualifying disposition" during those periods, the participant will realize taxable ordinary income in an amount equal to the excess of the fair market value of the common stock purchased at the time of exercise over the aggregate option price (adjusted for any loss of value at the time of disposition), and the Company will be entitled to a federal income tax deduction equal to such amount, subject to the limitations under Code Section 162(m).

While the exercise of an incentive stock option does not result in current taxable income, the excess of (1) the fair market value of the option shares at the time of exercise over (2) the exercise price, will be an item of adjustment for purposes of determining the participant's alternative minimum tax income.

SARs. A participant receiving an SAR will not recognize income, and the Company will not be allowed a tax deduction, at the time the award is granted. When a participant exercises the SAR, the amount of cash and the fair market value of any shares of common stock received will be ordinary income to the participant and will be allowed as a deduction for federal income tax purposes to the Company, subject to limitations under Code Section 162(m). In addition, the Board (or Committee), may at any time, in its discretion, declare any or all awards to be fully or partially exercisable and may discriminate among participants or among awards in exercising such discretion.

Restricted Stock. Unless a participant makes an election to accelerate recognition of the income to the date of grant, a participant receiving a restricted stock award will not recognize income, and the Company will not be allowed a tax deduction, at the time the award is granted. When the restrictions lapse, the participant will recognize ordinary income equal to the fair market value of the common stock, and the Company will be entitled to a corresponding tax deduction at that time, subject to the limitations under Code Section 162(m).

Director Compensation

During 2014, all of our directors, except Mr. James J. Cotter Sr., Mr. James J. Cotter, Jr. and Ms. Ellen M. Cotter, received an annual fee of \$35,000 (prorated for the year in which a director is first elected or appointed). In addition to their annual directors fee, the following directors received a one-time fee of \$5,000 for their services as a member of the board and of all board committees on which they serve; Messrs. Adams, Gould, McEachern and Kane. Mr. Storey received a one-time fee of \$10,000, for his services as a member of the board and of all board committees on which he served. Messrs. McEachern and Storey also each received an additional \$6,000 for their participation in Special Committee Meetings. For 2014, the Chair of our Audit and Conflicts Committee received an additional fee of \$7,000, the Chair of our Compensation Committee received an additional fee of \$5,000, and the Chair of our Tax Oversight Committee received an additional fee of \$18,000.

Upon joining our board, new directors have historically received immediately vested five-year stock options to purchase 20,000 shares of our Class A Stock at an exercise price equal to the market price of the stock at the date of grant. From time to time our directors also are granted additional stock options as compensation for their service on our board. Historically, these awards were based upon the recommendations of our former Chair and principal shareholder, Mr. James J. Cotter, Sr., which recommendations were reviewed and acted upon by our entire board. When such additional awards have been made, typically, each sitting director (other than Mr. Cotter, Sr., who historically did not participate in such awards) was awarded the same number of options on the same terms. Historically, we have granted our officers and directors replacement options where their options would otherwise expire with exercise prices that were out of the money at the time of such expiration.

In November 2014, our board of directors determined to make grants to our non-employee directors on January 15 of each year of stock options to purchase 2,000 shares of our Class A Stock. The options will be for a term of five years, have an exercise price equal to the market price of Class A Stock on the grant date and be fully vested immediately upon grant.

The following table sets forth information concerning the compensation to persons who served as our non-employee directors during 2014 for their services as directors.

ITEM 12. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS

Except as described below, the following table sets forth the shares of Class A Stock and Class B Stock beneficially owned on April 30, 2015 by:

- each of our incumbent directors;
- each of our incumbent named executive officers set forth in the Summary Compensation Table of this Proxy Statement;

- each person known to us to be the beneficial owner of more than 5% of our Class B Stock; and
- all of our incumbent directors and incumbent executive officers as a group.

The beneficial ownership of 327,808 shares of our outstanding Class B Stock, which we refer to as the “disputed shares,” and 100,000 shares of Class B Stock underlying a currently exercisable stock option, which we refer to as the “disputed option,” is disputed by the Cotter family members, and the following table does not ascribe to any person or entity the beneficial ownership of the disputed shares or of the shares underlying the disputed option.

Except as noted, we believe that each beneficial owner has sole voting power and sole investment power with respect to the shares shown. An asterisk (*) denotes beneficial ownership of less than 1%.

(1) Percentage ownership is determined based on 21,745,484 shares of Class A Stock and 1,580,590 shares of Class B Stock outstanding on May 6, 2015. Except as described in footnote (13) with respect to the beneficial ownership of all directors and executive officers as a group, the table does not ascribe to any person or entity the beneficial ownership of the disputed shares or of the shares underlying the disputed option. Except as described with respect to the disputed shares and the disputed option, beneficial ownership has been determined in accordance with SEC rules. Shares subject to options that are presently exercisable, or exercisable within 60 days of May 6, 2015, which are indicated by footnote, are deemed to be

beneficially owned by the person holding the options and are deemed to be outstanding in computing the percentage ownership of that person, but not in computing the percentage ownership of any other person.

- (2) The Class A Stock shown include 97,500 shares subject to stock options. The Class A Stock shown also include 289,390 shares held by a trust for the benefit of James J. Cotter, Sr.'s grandchildren (the "Cotter grandchildren's trust") and 102,751 held by the James J. Cotter Foundation. Mr. Cotter, Jr. is co-trustee of the Cotter grandchildren's trust and of the Cotter Foundation and, as such, is deemed to beneficially own such shares. Mr. Cotter, Jr. disclaims beneficial ownership of such shares except to the extent of his pecuniary interest, if any, in such shares. The Class A Stock shown also includes 1,897,649 shares held by the James J. Cotter Living Trust, or the "Living Trust," which became irrevocable upon Mr. Cotter, Sr.'s death on September 13, 2014. See footnotes (9) and (10) for information regarding beneficial ownership of the shares held by the Living Trust that is disputed by the Cotter family members.
- (3) The Class A Stock shown includes 20,000 shares subject to stock options. The Class A Stock shown also include 102,751 shares held by the James J. Cotter Foundation. Ms. Cotter is co-trustee of the Cotter Foundation and, as such, is deemed to beneficially own such shares. Ms. Cotter disclaims beneficial ownership of such shares except to the extent of her pecuniary interest, if any, in such shares. The Class A Stock shown also includes 408,263 shares that Ms. Cotter maintains are part of the Estate of James J. Cotter, Deceased (the "Cotter Estate") that is being administered in the State of Nevada and that Mr. Cotter, Jr. contends are held by the Living Trust. On December 22, 2014, the District Court of Clark County, Nevada, appointed Ellen M. Cotter and Margaret Cotter as co-executors of the Cotter Estate. As such, Ellen M. Cotter would be deemed to beneficially own such shares. As co-trustees of the Living Trust, the three Cotter family members would be deemed to beneficially own such shares depending upon the outcome of the matters described in footnote (9). The shares shown also include 1,897,649 shares held by the Living Trust. See footnotes (9) and (10) for information regarding beneficial ownership of the shares held by the Living Trust that is disputed by the Cotter family members.
- (4) The Class A Stock shown includes 17,000 shares subject to stock options. The Class A shares shown also include 289,390 shares held by the Cotter grandchildren's trust and 102,751 shares held by the James J. Cotter Foundation. Ms. Cotter is co-trustee of the Cotter grandchildren's trust and of the Cotter Foundation and, as such, is deemed to beneficially own such shares. Ms. Cotter disclaims beneficial ownership of such shares except to the extent of her pecuniary interest, if any, in such shares. The Class A Stock shown includes 408,263 shares that Ms. Cotter maintains are part of the Cotter Estate and that Mr. Cotter, Jr. contends are held by the Living Trust. As co-executor of the Cotter Estate, Ms. Cotter would be deemed to beneficially own such shares. As co-trustees of the Living Trust, the three Cotter family members would be deemed to beneficially own such shares depending upon the outcome of the matters described in footnote (9). The shares shown also include 1,897,649 shares held by the Living Trust. See footnotes (9) and (10) for information regarding beneficial ownership of the shares held by the Living Trust that is disputed by the Cotter family members.
- (5) Includes 17,000 shares subject to stock options.
- (6) The Class A Stock shown includes 2,000 shares subject to stock options.
- (7) Includes 27,000 shares subject to stock options.
- (8) Consists of shares subject to stock options.
- (9) James J. Cotter, Jr., Ellen M. Cotter and Margaret Cotter are the Co-trustees of the Living Trust. On June 5, 2013, the Declaration of Trust establishing the Living Trust was amended and restated (the "2013 Restatement") to provide that, upon the death of James J. Cotter, Sr., the Trust's shares of Class B Stock were to be held in a separate trust, to be known as the "Reading Voting Trust," for the benefit of the grandchildren of Mr. Cotter, Sr. Mr. Cotter, Sr. passed away in September 2014. The 2013 Restatement also names Margaret Cotter the sole trustee of the Reading Voting Trust and names James J. Cotter, Jr. as the first alternate trustee in the event that Ms. Cotter is unable or unwilling to act as trustee. On June 19, 2014, Mr. Cotter, Sr. signed a 2014 Partial Amendment to Declaration of Trust (the "2014 Amendment") that names Margaret Cotter and James J. Cotter, Jr. as the co-trustees of the Reading Voting Trust and provides that, in the event they are unable to agree upon an important trust decision, they shall rotate the trusteeship between them annually on each January 1st. It further directs the trustees of the Reading Voting Trust to, among other things, vote the Class B Stock held by the Reading Voting Trust in favor of the appointment of Ellen Cotter, Margaret Cotter and James J. Cotter, Jr. to our board and to take all actions to rotate the chairmanship of our board among the three of them. On February 6, 2015, Ellen Cotter and Margaret Cotter filed a Petition in the Superior Court of the State of California, County of Los Angeles, captioned In re James J. Cotter Living Trust dated August 1, 2000 (Case No. BP159755). The Petition, among other things, seeks relief that could determine the validity of the 2014 Amendment and who between Margaret Cotter and James J. Cotter Jr. will have authority as trustee or co-trustees of the Reading Voting Trust to vote the shares of Class B Stock shown (in whole or in part) and the scope and extent of such authority. Mr. Cotter, Jr. has filed an opposition to the Petition. As co-trustees of the Living Trust, Mr. Cotter, Jr., Ellen M. Cotter and Margaret Cotter would share voting and investment power of the shares held by the Living Trust and, as such, would be deemed to beneficially own such shares. As trustee or co-trustees of the Reading Voting Trust, Margaret Cotter or Mr. Cotter, Jr., or both, would be deemed to beneficially own the Class B Stock shown. Each of Mr. Cotter, Jr., Ellen M. Cotter and Margaret Cotter disclaims beneficial ownership of the shares held by the Living Trust except to the extent of his or her pecuniary interest, if any, in such shares.

- (10) Our stock register reflects that the 327,808 disputed shares of Class B Stock, which constitute approximately 20.7% of the voting power of our outstanding capital stock, and the disputed option to purchase 100,000 shares of Class B Stock, are standing in the name of Mr. Cotter, Sr. Ellen M. Cotter and Margaret Cotter dispute that Mr. Cotter, Sr. executed a written assignment that purported to transfer the disputed shares to the Living Trust and contend that, until such time as they pour over into the Living Trust, the disputed shares make up a part of the Cotter Estate. Ellen M. Cotter and Margaret Cotter also contend that the disputed option belongs to the Cotter Estate, while Mr. Cotter, Jr. disputes these contentions. Because the disputed shares and the shares underlying the disputed option together represent a material amount of our outstanding Class B stock, on April 29, 2015, we filed in the District Court of Clark County, Nevada, a petition requesting instructions from the Court regarding the disputed shares and the disputed option. A copy of our petition is set forth as an exhibit to our current report on Form 8 K filed with the SEC on May 4, 2015. Depending upon the outcome of this matter, the beneficial ownership of our Class B Stock will change, perhaps materially, from that presented in this table. The Cotter family also dispute whether the Class A Stock shown is held by the Living Trust or by the Cotter Estate.
- (11) Based on Mr. Cuban's Form 4 filed with the SEC on July 18, 2011 and Schedule 13G filed on February 14, 2012.
- (12) Based on the PICO Holdings, Inc. and PICO Deferred Holdings, LLC Schedule 13G filed with the SEC on February 15, 2011.
- (13) The Class A Stock shown includes 408,263 disputed shares of Class A Stock and 251,250 shares subject to options. The Class B Stock shown includes the 327,808 disputed shares and the 100,000 shares subject to the disputed option.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE.

Certain Relationships and Related Transactions

The members of our Audit and Conflicts Committee are Edward Kane, Tim Storey, and Douglas McEachern, who serves as Chair. Management presents all potential related party transactions to the Conflicts Committee for review. Our Conflicts Committee reviews whether a given related party transaction is beneficial to our company, and approves or bars the transaction after a thorough analysis. Only Committee members disinterested in the transaction in question participate in the determination of whether the transaction may proceed.

Sutton Hill Capital

In 2001, we entered into a transaction with Sutton Hill Capital, LLC ("SHC") regarding the leasing with an option to purchase of certain cinemas located in Manhattan including our Village East and Cinemas 1, 2 & 3 theaters. In connection with that transaction, we also agreed to lend certain amounts to SHC, to provide liquidity in its investment, pending our determination whether or not to exercise our option to purchase and to manage the 86th Street Cinema on a fee basis. SHC is a limited liability company that is owned by Sutton Hill Associates, which was a 50/50 partnership between James J. Cotter, Sr. and Michael Forman. The Village East is the only cinema subject to this lease, and during 2014, 2013 and 2012 we paid rent to SHC in the amount of \$590,000 annually.

On June 29, 2010, we agreed to extend our existing lease from SHC of the Village East Cinema in New York City by 10 years, with a new termination date of June 30, 2020. The Village East lease includes a sub-lease of the ground underlying the cinema that is subject to a longer-term ground lease between SHC and an unrelated third party that expires in June 2031 (the "cinema ground lease"). The extended lease provides for a call option pursuant to which Reading may purchase the cinema ground lease for \$5.9 million at the end of the lease term. Additionally, the lease has a put option pursuant to which SHC may require us to purchase all or a portion of SHC's interest in the existing cinema lease and the cinema ground lease at any time between July 1, 2013 and December 4, 2019. SHC's put option may be exercised on one or more occasions in increments of not less than \$100,000 each. In 2005, we acquired from a third party the fee interest and from SHC its interest in the ground lease estate underlying and the improvements constituting the Cinemas 1, 2 & 3. In connection with that transaction, we granted to SHC an option to acquire a 25% interest in the special purpose entity formed to acquire these interests at cost. On June 28, 2007, SHC exercised this option, paying the option exercise price through the application of its \$3 million deposit plus the assumption of its proportionate share of SHP's liabilities, giving SHC a 25% non-managing membership interest in SHP. We manage this cinema property for an annual management fee equal to 5% of its annual gross income.

In February 2015, we and SHP entered into an amendment to the management agreement dated as of June 27, 2007 between us and SHC. The amendment, which was retroactive to December 1, 2014, memorialized our undertaking to SHP with respect to \$750,000 (the “Renovation Funding Amount”) of renovations to Cinemas 1, 2 & 3 funded or to be funded by us. In consideration of our funding of the renovations, our annual management fee under the management agreement was increased commencing January 1, 2015 by an amount equivalent to 100% of any incremental positive cash flow of Cinemas 1, 2 & 3 over the average annual positive cash flow of the Cinemas over the three-year period ended December 31, 2014 (not to exceed a cumulative aggregate amount equal to the Renovation Funding Amount), plus a 15% annual cash-on-cash return on the balance outstanding from time to time of the Renovation Funding Amount, payable at the time of the payment of the annual management fee. Under the amended management agreement, we are entitled to retain ownership of (and any right to depreciate) any furniture, fixtures and equipment purchased by us in connection with such renovation and have the right (but not the obligation) to remove all such furniture, fixtures and equipment (at our own cost and expense) from the Cinemas upon the termination of the management agreement. The amendment also provides that, during the term of the management agreement, SHP will be responsible for the cost of repair and maintenance of the renovations.

OBI Management Agreement

Pursuant to a Theater Management Agreement (the “Management Agreement”), our live theater operations are managed by OBI LLC (“OBI Management”), which is wholly owned by Ms. Margaret Cotter who is our Vice Chair and the sister of James J. Cotter, Jr. and Ellen M. Cotter.

The Management Agreement generally provides that we will pay OBI Management a combination of fixed and incentive fees, which historically have equated to approximately 21% of the net cash flow received by us from our live theaters in New York. Since the fixed fees are applicable only during such periods as the New York theaters are booked, OBI Management receives no compensation with respect to a theater at any time when it is not generating revenue for us. This arrangement provides an incentive to OBI Management to keep the theaters booked with the best available shows, and mitigates the negative cash flow that would result from having an empty theater. In addition, OBI Management manages our Royal George live theater complex in Chicago on a fee basis based on theater cash flow. In 2014, OBI Management earned \$397,000, which was 20.9% of net cash flows for the year. In 2013, OBI Management earned \$401,000, which was 20.1% of net cash flows for the year. In 2012, OBI Management earned \$390,000, which was 19.7% of net cash flows for the year. In each year, we reimbursed travel related expenses for OBI Management personnel with respect to travel between New York City and Chicago in connection with the management of the Royal George complex.

OBI Management conducts its operations from our office facilities on a rent-free basis, and we share the cost of one administrative employee of OBI Management. Other than these expenses and travel-related expenses for OBI Management personnel to travel to Chicago as referred to above, OBI Management is responsible for all of its costs and expenses related to the performance of its management functions. The Management Agreement renews automatically each year unless either party gives at least six months’ prior notice of its determination to allow the Management Agreement to expire. In addition, we may terminate the Management Agreement at any time for cause.

Live Theater Play Investment

From time to time, our officers and directors may invest in plays that lease our live theaters. The play STOMP has played in our Orpheum Theatre since prior to our acquisition of the theater in 2001. Mr. Cotter, Sr. owned an approximately 5% interest in that play.

Shadow View Land and Farming LLC

During 2012, Mr. Cotter, Sr., our former Chair, Chief Executive Officer and controlling shareholder, contributed \$2.5 million of cash and \$255,000 of his 2011 bonus as his 50% share of the purchase price of a land parcel in Coachella, California and to cover his 50% share of certain costs associated with that acquisition. This land is held in Shadow View Land and Farming, LLC, which is owned 50% by our company. Mr. Cotter, Jr. contends that the other 50% interest in Shadow View Land and Farming, LLC is

owned by the James J. Cotter, Sr. Trust, while Ellen Cotter and Margaret Cotter contend that such interest is owned by the Cotter Estate. We are the managing member of Shadow View Land and Farming, LLC, with oversight provided by our Audit and Conflicts Committee.

Tax Fees

Grant Thornton, LLP did not provide us any products or any services for tax compliance, tax advice, or tax planning for 2014 or 2013.

All Other Fees

Grant Thornton, LLP did not provide us any services for 2014 or 2013 other than as set forth above.

Pre-Approval Policies and Procedures

Our Audit Committee must pre-approve, to the extent required by applicable law, all audit services and permissible non-audit services provided by our independent registered public accounting firm, except for any de minimis non-audit services. Non-audit services are considered de minimis if (i) the aggregate amount of all such non-audit services constitutes less than 5% of the total amount of revenues we paid to our independent registered public accounting firm during the fiscal year in which they are provided; (ii) we did not recognize such services at the time of the engagement to be non-audit services; and (iii) such services are promptly submitted to our Audit Committee for approval prior to the completion of the audit by our Audit Committee or any of its members who has authority to give such approval. Our Audit Committee pre-approved all services provided to us by Grant Thornton LLP for 2014 and 2013.

I, James J. Cotter, Jr., certify that:

8 MR. LATTIN: Don Lattin, Your Honor, representing
9 Timothy Storey and William Gould.

10 THE COURT: Thank you.

11 It's your motion.

12 MR. TAYBACK: Good morning, Your Honor. One thing I
13 think we know from the complaint and really the gravamen of
14 the complaint is that the plaintiff was fired, fired by the
15 directors, by a majority of the non-Cotter family directors,
16 under a process that was put in place by the plaintiff when he
17 was a director saying that that is how a termination would
18 have to happen, if it was going to happen, of a Cotter family
19 member. That's what this case is about, and that's really
20 what's pled.

21 What that's not is it's not adequate for a
22 derivative complaint. And that's really for three separate
23 reasons. The first is that it does not satisfy the pre-filing
24 demand requirement. And there's no dispute that that wasn't
25 made. The question, the question as framed by the complaint

1 is whether or not it adequately alleges disinterest of the
2 directors or a lack of disinterest by a majority of the
3 directors. Second, it doesn't plead around the business
4 judgment rule. And, third, it hasn't pleaded damages to the
5 class. And that really relates to the fourth point, which is
6 that the plaintiff, this plaintiff, is not an adequate
7 plaintiff for this case, for a derivative case. And I'm going
8 to address those really in turn fairly briefly, given Your
9 Honor's time constraints.

10 The first is if you look at the cases, the seminal
11 cases that talk about when a demand is deemed futile based on
12 the lack of disinterest by directors, the allegations in this
13 complaint fall squarely within the cases. Things like they
14 have a business relationship with some of the principal
15 directors, the principal directors own a large controlling
16 share, those are issues that were decided and not deemed
17 sufficient to plead disinterest. If you look at the Martha
18 Stewart case or you look at the Wynn case, those fall squarely
19 within that, and that's really all the allegations against
20 people like Mr. McEachern, Mr. Kane, Mr. Adams --

21 THE COURT: But don't you want to look at the Schoen
22 case because we actually have Nevada law on it?

23 MR. TAYBACK: And I have looked at the Schoen case.

24 THE COURT: Okay.

25 MR. TAYBACK: And the Schoen case says that it's the

1 plaintiff's burden to plead and overcome the presumption of
2 the business judgment rule that shows that the majority of
3 those directors are disinterested. And simply saying that
4 they have a social relationship, that is not sufficient. It's
5 not sufficient there, and it's not sufficient in any other
6 case. You have to show that they acted in their own self
7 interest. And there's nothing that pleads that either
8 Margaret or Ellen Cotter or, frankly, Mr. Adams or Mr.
9 McEachern or Mr. Kane did that. Simply keeping your status as
10 a director is not sufficient. Simply saying that one
11 perceives, as alleged in this complaint, perceives that the
12 board is having difficulty getting along with, that the
13 parties can't get along. In fact, that falls squarely within
14 the business judgment rule, and that's exactly what took place
15 in that Disney case out of Delaware, which is persuasive
16 authority, though not Nevada authority.

17 The point really is whether that satisfies the
18 requirement, which is a high burden in a derivative case, for
19 saying that a demand on this board would be futile. The fact
20 is it wouldn't be futile. It was a divided board in any
21 event.

22 The second point that I want to make is that this
23 plaintiff is not only an inadequate representative of this
24 class, but he's an unnecessary representative. And I say that
25 second point because I think it's worth highlighting. There's

1 some references in the opposition to the fact that there's a
2 subsequent complaint in intervention filed by what are called
3 the T2 plaintiffs.

4 THE COURT: Mr. Robertson's clients.

5 MR. TAYBACK: Yes. And that motion -- that
6 complaint -- that complaint isn't at issue. There's no motion
7 pending on that complaint as of yet. It's not due for a
8 period of time. But the point is that whether Mr. Cotter is
9 an adequate representative is highlighted by the fact that
10 what he's seeking is different than what the T2 plaintiffs
11 really are seeking. They have a complaint that addresses
12 conduct that occurred at the corporation while the plaintiff
13 was a director, while the plaintiff was the CEO. And when you
14 evaluate the question of whether or not Mr. Cotter, the
15 plaintiff, is an adequate representative you look not only at
16 one kind of damages, what he's seeking to regain or restore to
17 the corporation, which in his case frankly is not anything.
18 It's really his job that he's seeking to have reinstated. And
19 there's speculative arguments at best about what impact that
20 would have on shareholders. But that's different than what
21 the real gravamen of a derivative complaint is.

22 The real problem is that you don't need to have Mr.
23 Cotter raise this derivative complaint, because T2 is there.
24 They would be an adequate plaintiff. At least they're not
25 saddled with the burden that Mr. Cotter has of having a

1 personal self interest, having parallel litigation, having an
2 agenda other than the benefit of shareholders. And that's the
3 criteria. That's really what the criteria boils down to for
4 determining whether a plaintiff is an adequate plaintiff for a
5 derivative claim.

6 With that I will reserve the balance of my time, if
7 I can.

8 THE COURT: Yes.

9 MR. TAYBACK: Thank you.

10 THE COURT: Mr. Krum.

11 MR. KRUM: Good morning, Your Honor. Thank you.
12 Please indulge me. I've broken my glasses, and so the ones
13 I've purchased from Walgreens I can see to read, but I can't
14 see you.

15 THE COURT: I'm still up here. I'm in a blur.

16 MR. KRUM: Well, I can, but not the way I'd like to.

17 The argument just proffered is like the argument
18 made in the moving papers, including that it contains
19 mischaracterizations of the allegations of my complaint and
20 also contains mischaracterizations of the allegations of the
21 intervening complaint. We've addressed those issues in our
22 opposition. I don't intend to repeat that. What I do want to
23 do is speak to a few things that I think their reply papers
24 highlight in a rather telling way.

25 This is a derivative case, and therefore when day's

1 ended why the sun rises in the east there's going to be a
2 motion to dismiss challenging the adequacy of allegations
3 pleading demand futility. We have those. We've briefed
4 those. They were just argued, and I may speak to them
5 briefly. We spoke to them at length in the opposition.

6 In this case the defendants set about the day after
7 this case was filed of creating a arbitration, which is a
8 contrived dispute. First they use that as a basis for a
9 motion to compel arbitration, which you denied. Now it's a
10 principal basis for their adequacy argument.

11 We spoke to the eight or so considerations in our
12 opposition brief, almost all of which were ignored in the
13 moving papers and the reply brief, and purposefully so, I
14 submit. So I'm going to talk about what the reply brief tells
15 us. It starts out with an argument that isn't about demand
16 futility and it is not about adequacy. It's about pleading
17 damages. Well, I respectfully submit, Your Honor, that's a
18 telling, telling point, that they didn't start with one of the
19 two principal bases of their motion, one of which is what is
20 argued in every case of this nature. And that argument, of
21 course, is simply wrong as a matter of law. It suggests that
22 you must plead some sort of money damages. Well, obviously in
23 a court in equity that's not the case.

24 So I'm going to go back to one of my favorite cases
25 by virtue of what I think is a lovely quote. "An equitable

1 action does not become permissible simply because it is
2 legally possible. That's Schnell v. Cris-Craft. We cited
3 that in the opposition to the motion to compel arbitration.
4 That's a case in which the defendant board of directors
5 changed something about the annual meeting and they did so in
6 what they contended was in compliance with Delaware law. The
7 court found that they did so for the purpose of
8 disenfranchising shareholders and the effect of doing so and
9 granted injunctive relief.

10 Well, of course, that's the nature of the relief
11 sought by our complaint, not simply with respect to the
12 termination of the plaintiff, but also with respect to the
13 ongoing dismantling of the fundamental corporate governance
14 structures to the company. As you know, they've effectively
15 replaced the board of directors with a four-member executive
16 committee comprised of, not surprisingly, Ellen Cotter,
17 Margaret Cotter, Ed Kane, and Guy Adams. And what we'll learn
18 in discovery is that has effectively supplanted the board of
19 the directors on a going forward basis. And what does that
20 mean? That means directors Gould and Storey, who weren't with
21 the program, are excluded from functioning as board members,
22 as is my client.

23 So, in any event -- and then the last thing on that
24 particular point, the case they cite doesn't say anything at
25 all about monetary damages. It's just a general proposition

1 that you need to have causation between the complaint of
2 conduct and the relief you seek.

3 Now, the argument today started with a misstatement
4 that the complaint alleges that the plaintiff was terminated
5 pursuant to a process. In point of fact the complaint alleges
6 that the process in existence was preempted and aborted so
7 that it wouldn't come to fruition, and he was then terminated
8 before it came to fruition. Perhaps Counsel's referring to
9 something different, which is in paragraph 43 of our
10 complaint. It recites that at a January 15th, 2015, meeting
11 the what I'll call the non-Cotter members of the board of
12 directors reached -- resolved with the three Cotters
13 abstaining that any of the three of them could be terminated
14 only upon a majority vote of the non-Cotter directors. And
15 the only reasons I mention that is perhaps that's what he's
16 thinking of and why he misspoke. And that shows you that as
17 of January every member of that board knew that there was a
18 conflict such that none of the Cotters could properly vote
19 with respect to the employment of the other Cotters. Those
20 people made that determination, and it's in the complaint.

21 With respect to Kane and Adams and McEachern we go
22 through that in extensive detail. And unless you want me to
23 speak to some of that, I won't.

24 THE COURT: I don't need you to.

25 MR. KRUM: And on the adequacy, we've covered that

1 in extensive detail. So unless you have questions --

2 THE COURT: Can you talk to me about the derivative
3 nature of the damages that you've alleged, if any.

4 MR. KRUM: Sure. Well, as I said a moment ago, Your
5 Honor, I expect that that will change over the course of
6 discovery, because the scheme that was the subject matter of
7 the complaint is ongoing. Recall, it started with an effort
8 to pressure my client to reach a resolution of a trust in a
9 state litigation that would entail, among other things,
10 effectively ceding control of the Class B voting stock and the
11 company to Ellen and Margaret Cotter. When the five outside
12 -- when the three outside directors, McEachern, Kane, and
13 Adams, together with Ellen and Margaret, gave him ultimatum
14 over a period of -- repeatedly over a period of three weeks,
15 which ultimatums were followed with take-it-or-leave-it
16 demands, they weren't acting to further the interests of the
17 company, they were acting to further the interests of
18 themselves and Ellen and Margaret, and they've continued to do
19 so since we filed the complaint.

20 To answer your question, Your Honor -- this is not
21 in the complaint, because it postdates the complaint; I could
22 put it in the complaint, but that doesn't change anything --
23 they have formed an executive committee comprised of the four
24 people I mentioned, they've given to that executive committee
25 the full power of the board. That conduct, Your Honor, is in

1 derogation of historical practices of the company. To be
2 perfectly clear, the company has always had an executive
3 committee, and every SEC disclosure says we have an executive
4 committee with the full powers of the board, it's never, ever,
5 ever done anything. So now it does everything. And do you
6 know what they've disclosed about that? Nothing. Not one
7 word. Not an 8K, nothing. And I guarantee you that won't be
8 in their proxy statement, either.

9 So the answer to the question, Your Honor, it's in
10 the nature of restoring the full function of the fundamental
11 corporate governance entity, the board of directors, which has
12 been preempted by these people as part of their scheme to
13 secure and exercise and cement control. And the other part
14 today is to require them to make curative disclosures. The
15 range of the disclosures weren't confined to what I described,
16 but what I'm addressing is what's ongoing. This is not --
17 they depict this as a one off employment decision. But if you
18 look at our preliminary injunction motion, you look at the
19 intervening complaint, both of which postdate the complaint,
20 you can see that the's not the case. What transpired is
21 exactly what I said, a scheme to secure control, entrench
22 themselves, and misuse their position as directors to further
23 their own interests in derogation of the interests of the
24 company and a derogation of the fiduciary obligations to all
25 shareholders.

1 So the injunctive relief, Your Honor, is going to be
2 entirely of an equitable nature unless we get into
3 particulars. And we may. We raise some monetary items in our
4 complaint, moneys paid to Ellen Cotter that weren't paid to
5 others, \$50,000 supposedly to reimburse her. The intervening
6 complaint has a little more focus on that kind of thing, as
7 well as a couple additional items that, contrary to what was
8 represented to you, did not occur when my client was CEO of
9 the company. So they may have some monetary issues. I don't
10 know whether we will.

11 THE COURT: So why do I need two derivative claims?

12 MR. KRUM: Well, I suggest you look back at the
13 Mayer [phonetic] case. That's a case in which the court found
14 that the plaintiff, who was similarly situated to my
15 plaintiff, was uniquely qualified. Basically what happens is
16 the court assessed whether there would be any value added, and
17 the court found there would be substantial value added because
18 the plaintiff was uniquely qualified by virtue of his
19 familiarity with the company and the issues and so forth. And
20 as a practical matter, neither as a matter of law nor as a
21 matter of logic does it follow that if there are two
22 plaintiffs, two derivative plaintiffs with overlapping claims
23 that one is unnecessary. They cite no authority for that,
24 it's logically fallacious and I can tell you exactly what
25 that's about. As a practical matter it's a simple divide-and-
