LAS VEGAS, NEVADA; WEDNESDAY, MARCH 14, 2007 1 2 10:30 A.M. 3 PROCEEDINGS 4 5 THE COURT: On the record in C-131341, 6 outside the presence of the jury. The record will reflect 7 the presence of Mr. Cappell with his attorneys, 8 Mr. Schieck and Clark Patrick. You had an issue you wanted to bring up. 10 11 MR. SCHIECK: Yes, your Honor. For the record, rather then objecting to various pieces of 12 evidence as they come in on the basis of the Sixth 13 Amendment confrontation clause issue, which was decided by 14 15 our Supreme Court in Marlo Thomas and Dante Johnson case on December 28th, the court ruled that hearsay is 16 admissible at penalty hearing in a capital case, and the 17 Sixth Amendment protections of confrontation don't apply 18 19 at that proceeding. 20 However, for the record, we want to preserve that we are objecting on those bases to any 21 hearsay or similar testimony by way of documentary 23 evidence coming in in this case. 24 THE COURT: I'll note that objection and 25 preserve it for the record.

MR. OWENS: If I can make a comment

2 also.

The facts underlying the aggravator that's remaining in this case were approved of by direct evidence and non-proffered evidence at the original trial of this matter. It's true that we may be reading some transcripts from prior testimony, but it's testimony that they had a full right of confrontation on during the original trial on this matter.

So I don't anticipate anything that's going to be a problem with Crawford, even if it's coming in in this hearing in a hearsay form. It was presented in the prior proceedings. But I recognize their continuing objection.

THE COURT: All right.

Back on the record in C-131341, State of Nevada versus James Cappell. The record will reflect the presence of Mr. Chappell and his attorneys. The State's attorneys are present. We're in the presence of our jury.

Ladies and gentlemen, welcome back this morning. Let me apologize to you. Technology is a great thing, as we all know. Sometimes it doesn't work as we would like it to, so the delays this morning aren't occasioned by any of the attorneys. I'd ask you not to hold it against them. We had some electronic glitches, so

to speak, in terms of how things get displayed on the 1 2 monitors and wiring and that took us time to work it out. I think that's all resolved now. 3 We're going to proceed, as I said 4 5 yesterday, to the opening statements of the attorneys, so Mr. Owens or Ms. Weckerly. 6 7 MS. WECKERLY: Thank you, your Honor. 8 OPENING STATEMENT 9 BY MS. WECKERLY: 10 In July and August of 1995, the Defendant, James Cappell was in custody. And while he was in custody 11 he would write letters to his ex-girlfriend, Debra 12 13 Panos. 14 "Hello, greetings, Sweetheart, can you come and visit some day. Still waiting. James Cappell." 15 16 "Hello Debra Ann, so what's up, slut. You're going lower and lower. Are you easy, Debbie. How 17 18 many sweet talked you, used lines on you. How many have 19 dropped your panties. Is your representation good now." 20 "Hello once again Debbie. You have become 21 such a liar. Your friends are teaching you how to lie better. Who you been kissing. Who you been holding. Do 23 you have HIV or AIDS yet." 24 And on July 30th of 1995, he gave he a sort of warning. "Hi Sweetie. You must be terrified to 25

visit me, uh. One day soon, I'll be out that door and what in God's name will you do then."

Debra Panos took this warning very seriously, but this is a case, tragically, where the criminal justice system let her done.

Slightly over a month later after he wrote those words about appearing on her doorstep, he did just that. He appeared on her doorstep and within an hour of her arrival, she was dead. He has stabbed her to death.

Back in 1996, members of the community, like yourself, twelve members, heard the trial of State of Nevada versus James Cappell, and they all agreed, after hearing the evidence and deliberating that that man over there was guilty of murder of the first degree with use of a deadly weapon against Debra Panos.

Actually, by the time James Cappell murdered Debbie, he had already committed several crimes against her. In fact, he had terrorize her for years.

You will hear that James Cappell met Debra Panos when the two were 16 years old and in high school. They lived in Lancing, Michigan. Debbie lived with her parents when she met James. He was doing drugs at the time. She wasn't. And her parents weren't exactly thrilled with this relationship.

Debra soon became pregnant with their

first child. It was a son. His name is James. He's called J P. Eventually Debra's parents move to Tucson, Arizona and Debra eventually followed after them.

While she was living in Arizona the Defendant was still back in Michigan. There was some contact between the two, and Debbie became pregnant again and had another son, whose named Anthony.

Eventually the Defendant followed Debbie out to Tucson, Arizona, and while they are living there Debbie had a third child, a daughter named Chantelle.

The two were living in Tucson for the years of 1990 to 1994. And once they were living in the

same city with three small children, the Defendant was repeatedly abusive to Debbie.

While in Tucson Debbie work several jobs to support her family. She worked as a 911 call operator. She worked at a pizza restaurant at one time. She worked

for the census. She paid for their food. She paid for

their rent on the trailer that they lived in. And she paid for items that the Defendant and the children

needed.

During this time period, the Defendant was working intermittently, at best, and he wasn't bringing in regular paychecks to support the family. Instead, what he was spending his money on was drugs.

While Debbie was working as a 911 operator she became friends with a co-worker of hers. A lady by the name of Dina Freeman. And Dina would observe the interaction between James Cappell and Debbie Panos. And she observed that Debbie was afraid of the Defendant. The Defendant was in charge of this relationship, and it was basically what he said was the way things were going to be.

Sometimes Dina would see Debbie come to work, she saw bruises on her, and she saw her wearing heavy makeup to cover marks on her. That didn't always work. She could see through it.

Eventually Debbie Panos confided in her friend Dina that the relationship that she had with James Cappell was abusive. Dina learned that the Defendant would call Debbie Panos names, such as, slut, whore, or bitch. He was always insinuating that Debbie Panos was cheating on him, or that she was being unfaithful.

friend Dina during an altercation with the Defendant.

There was one time that Dina Freeman recalled where the Defendant had returned home from a trip to Michigan and Debbie called her on the phone because the Defendant was angry and Debbie was afraid. She was calling a friend for support.

And Dina could actually hear the words this defendant was saying in the background. She could hear him calling Debbie names. And she could hear him saying that if Debbie fucked around on him in front of his kids, he'd kill her.

Dina was also aware that the Defendant was prone to taking stuff out of the house and selling it so she could use money for drugs. And so when Debra Panos got anything new or anything that was important to her, she would keep it at her friend Dina's house.

An incident, similar to this, took place on February 23rd, of 1994. At that time Debbie had just purchased a dresser for holding clothing for her daughter — her baby daughter Chantelle. On the 23rd of 1994, Debra Panos went to the supermarket and contacted an off-duty police officer. Because she was working as a 911 operator, she had knowledge of where some of them worked off duty.

That off-duty contacted an on-duty officer who interviewed Debbie about what had happen that evening. And Debbie explained to the officer that she had purchased this dresser for her daughter and that she came home and found it missing. And what had happened was the Defendant had taken it back and taken the money.

Debbie confronted the Defendant with this.

She was upset with this dresser that she had bought for her daughter had been taken back. And he got angry at her, and the anger turned to violence, and he knocked her to the floor and he kicked her. After the police spoke to Debbie Panos, they went to the residence where the Defendant was.

From outside, as they were knocking on the door they could see the defendant inside. But he wouldn't get up to answer the door. He was sitting there watching television. So eventually they made entry and placed him under arrest.

After this incident another similar incident took place around Memorial Day of 1994. During that time period Debbie and her friend Dina went to San Diego for a girl's weekend. While there Debbie bought some souvenir T-shirts for her children. She brought them back to them in Arizona. And the Defendant took them and sold them.

By August and September of 1994, Debbie and the Defendant and the three kids were still living in Tucson but things were getting worse and worse for Debbie. During that time period, Debbie would spend a considerable amount of time at her friend Dina in order to avoid being in the same trailer as the Defendant.

During one of the times when she was

actually home, she made another call to Dina during the fight she was having with the Defendant. And, of course, Dina, again, could hear what the Defendant was saying to Debbie, because she was on the open phone line. And what the Defendant told Debbie was, Debbie, you either give me the car or give me some money because I know you are fucking around on me. You're not going to Dina's house every day for nothing. I'm going to do an O.J. Simpson on you.

By September, October of 1994, Debra Panos decided that she needed something of a fresh start and she decided that she and her children would move to Las Vegas. Things had gotten a little tense for her working as a 911 operator, because of the Defendant's contact with law enforcement, and she thought she needed to leave and start over.

The Defendant followed her, and for a time Debbie thought that it would be sort of a fresh start for all of them. She thought things would get better. She thought things would change. They didn't.

Once she got to Las Vegas, Debbie immediately started working. During some points in time she didn't have a car, so she would take the bus to work. Eventually she got a car and was able to work a couple different jobs to support her family.

As I said, the Defendant treated her no better in Las Vegas than he had in Arizona. In fact, during Thanksgiving of 1994, Debbie Panos was in Las Vegas and she made a call to her friend Dina again, and Dina again heard the Defendant threaten Debbie that he was going to do an O.J. Simpson on her.

One of the jobs that Debbie Panos had when she was living in Las Vegas was working at a collection agency called G.E. Capital. She worked at that job to support her children. And she got somewhat close to her co-workers there and became close friends with about three or four of them. Those co-workers observed an incident of abuse between the Defendant and Debbie pan in December of 1994.

On that date, the Defendant and Debbie arrived at the parking lot of G.E. Capital. Debbie was in the passenger side of the car. The Defendant was driving. And the co-workers couldn't hear what was said, but they saw the Defendant slap Debbie across the face. She was sort of shaken and got out of the car. But she pulled herself together and went into work. The Defendant drove off.

In January of 1995, things got worse.

Around midnight of January the 9th of 1995, an ambulance was summoned to the trailer that Debbie was living in on

North Lamb here in Las Vegas. When the police got there, as well as the ambulance, they found Debbie Panos. She was laying on a gurney in the back of the ambulance. Her nose was swollen up to the size of a fist. She was bleeding profusely. She had a laceration to her eye. There was blood in her hair. And she was having trouble speaking because of the blood and the swelling on her face.

On that occasion she explained to an officer that the Defendant had hit her with an object in the face, but she didn't know what it was. The officers approach the Defendant, who was sitting inside the trailer. He was not out with Debbie. And he explained to them that he had thrown a cup at her, or maybe just hit her one time in the face. He was arrest for battery, domestic violence on that occasion.

Of course, Debra Panos went to the hospital after this incident, and she was left with basically a scar on her face. There was a mark that didn't go away. After this incident Debbie contacted an assistant center for battered women. She got what's called a temporary restraining order against the Defendant, where he was ordered to stay away from the residence — the trailer park, where she was working, and the day care where the children were.

But for whatever reason Debbie let that temporary restraining order lapse. She didn't follow through, and so the order wasn't in affect after a short period of time.

Things with the Defendant still did not improve. A significant event occurred on February 18th of 1995. On that date the Defendant was arrested at a K-Mart store for petty larceny and burglary. As a result of his conduct, he was facing a felony charge of burglary But he got a break from the State of Nevada and his case was negotiated down or plea bargained, and the felony charges were dropped and he was just required to plead guilty to what's called a gross misdemeanor. He pled to that.

When you plead guilty to a gross misdemeanor, the court has a sentencing option of giving you up to a year in the Clark County Detention Center or placing a person on probation. And the Defendant got another break in sentencing. He wasn't sentenced to jail time. He was given the privilege of being on probation.

The Defendant made a statement when he was sentenced on that gross misdemeanor charge. He said that he would do better, and he wouldn't commit a felony in the State of Nevada or the City of Las Vegas. This turned out to not be true.

On June 1st of 1995, while the Defendant

was on probation there was another incident of domestic violence that he committed. As you might expect, when you're on probation one of the conditions of being on probation is that you not commit new crimes and you stay out of trouble. The Defendant didn't abide by those rule. He chose to continue his abuse with Debbie.

By this time period Debbie would sometimes have adult women friends live with her inside the trailer from time to time. It gave her a sense of security to have someone else there. One of the friends she had living with her is a lady by the name of Claira McGuirre. Claire was staying there on June 1st of 1995. And Claire was the one who had to call the police on June 1st.

On this date the problem the Defendant had was that Debbie was gone for a substantial portion of the day and he wanted to know where she'd been and who she'd been with, and she was a little afraid to discuss it with him. He made her go into a bedroom. He threw her on the bed and he got on top of her and straddled her and put his knees on her arms to hold her down, and then he took out a knife and questioned -- or threatened her about where she'd been.

Claire knocked on the door while this was going on and said the police had arrived, and the Defendant was arrested on that night for another act of

battery domestic violence.

Since that incident occur the Defendant has commented about it, and he said that he wasn't really threatening her with a knife at all. He was just talking to her, trying to find out where she'd been. From June 1995 through August 30th of 1995, the Defendant was in custody, and he would write letters from the jail to Debbie, and the content of those letters was generally his anger that she wasn't visiting him, that she wasn't putting money on his books, that she wasn't calling him, that basically she was ignoring him, and this upset him. He didn't like the prospect of the relationship ending.

In July of 1995, the Defendant made some contact to some of Debbie's friends. One of them is a lady by the name of Lisa Duran. And he would have conversations with Lisa about where Debbie is and what is Debbie doing. In one of those conversations he asked Lisa, well just who is Debbie laying underneath. He also had Lisa convey a message or asked her to convey a message to Debbie, and that message was, you tell Debbie when I get out I'm going to make sure she doesn't have any friends. When I get out she won't be able to go out anymore. I'll make sure of that.

And in another conversation with Lisa, he told her if I can't have her no one can.

Obviously, these experiences were extremely frightening for Debra Panos at the time, and she became constantly vigilant about monitoring the Defendant's custody status. She would call the jail from work and ask how many days he had left to serve, and she was keeping track of how long he would be in custody. And she could discuss this with her friends about how many days he had left to serve.

On August 30th of 1995, there was another significant incident. On that date that was the misdemeanor trial date of the June 1st incident. The one where he held a knife on her. That went to misdemeanor trial on August 30th. And Debra Panos left work early that day, showed up on her subpoena, like she was supposed to, and sat in court ready to testify against the Defendant on that domestic violence incident.

After she returned from court, she told her friend, Michele Mancha about her experience there. She said that she saw the Defendant, and he told her that he was going to kill her. Debbie was scared, but she knew or believed at the time that the Defendant was still going to be in custody. Because he had been on probation for that gross misdemeanor charge, he had committed some new offenses. And because he committed those new offenses, he faced potential revocation of probation.

And the judge who sentenced him on that gross misdemeanor charge had the Defendant in front of him and ordered the defendant to attend an in-patient drug counseling program, which would last 90 days. So Debra Panos believed he was going to be in custody for 90 days.

During that time period, around August 30th when Debra Panos believed that she had 90 days to reassess her life, she made some different decision about things.

Originally she wanted to stay in her trailer because she had invested time and money into her residence. But by August 30th, 1995 she decide that she needed to move for her own safety. And she believed, with the Defendant being in custody for 90 days, she had a 90 day window to get herself located to another place where he couldn't find her.

She didn't count, unfortunately, on the Defendant being able to manipulate other people. And she didn't count on the fact that a mistake was made. August 31st, was the last day of Debra Panos' life. On that day she got up early and dropped her children off at Angel Day care. She dropped them off at 7:30 in the morning. She went to her friend's house and pick him up for work, and they went to G.E. Capital.

On the last day of her life, Debra Panos'

oldest son was 7. Her middle child, Anthony, was 5. And her daughter, Chantelle was 3. This was a normal day for Debra Panos, except that she and her friends had planned on leaving work early and doing a barbecue in the afternoon at Lorency (ph) Park.

Debra Panos also had plans to meet her friend Lisa Duran at the trailer at about 1:30, because Lisa was going to be moving some property out of the trailer. So Debbie Panos goes to work with her friend Mike Pollard. She works there for a couple hours that morning. And then they leave, and she drives back to Mike Pollard's house to drop him off after work. And the plan is they're going to meet up later and have this barbecue.

Panos leaves, and she returns 20 minutes later and she is in a panic. She's frightened. She tell her friend Mike that James is out have of custody. And she doesn't know how this occurred. And she sat on Mike's couch and cowered and had her body in a ball because she was so afraid of the prospect of him getting out of custody.

Debra Panos wanted to go back to the trailer to get some items quickly for herself and her children, and then just get out of there.

Her friend Mike told her, let me finish

getting out of the shower then I'll go with you to the trailer. So he gets back in the shower and Debra Panos made a bad decision at that point. She left by herself.

What happened with the Defendant. Well, on the day of -- the morning of August 31st of 1995, he met with his probation officer at about 9:30 in the morning. This officer was supposed to take the Defendant from jail into an in-patient drug treatment program. The officer talked to the Defendant for about an hour. They have discussions about how the Defendant has changed. How he wants to make his life better. How he's going to do better. How he can be responsible. And that he can get himself to this drug treatment program.

So the officer, after about an hour, decides to give the Defendant a little bit of a break and let him walk himself to the drug treatment program.

The officer let's him leave the office at about 10:45 in the morning, and the Defendant walked out the door, turned the opposite direction of the drug treatment program, and didn't look back.

He arrived at Debra Panos trailer at 839
North Lamb, and he climbed through a window and he waited
for her. The next person to hear from Debra Panos was a
lady who worked at Angel Day Care. She's a supervisor
there. And at about 12:30 in the afternoon she gets a

call from Debra Panos and Debbie is scared. She's whispering, please, help me. The lady at the day care could hear that there was a man in the background as Debra Panos was on the phone with her, and she hear Debra answer to this man, I don't have any money. She could hear Debra trying to appease this person.

The lady at the day care asked her is there a way you can get away, get out of that trailer by yourself and Debbie says, no, there's no way I can get away. So what Debbie asked her to do was sort of concoct a reason for her to leave, and she asked the lady at the day care will you call me back in five minutes and tell me that I have to come pick up the children. The lady at the dare care, says, okay, that's what I'll do. And she does that. She hangs up the phone. She waits five minutes. And she calls back and she tells Debbie, you need to come pick up your kids now. And Debbie says, okay, and sounds fine. I'll be there.

But the lady at the day care knew there was a problem. She was expecting Debbie to arrive at the day care and pick up those kids, but she never did.

By 1:30 in the afternoon Debbie's friend,
Lisa Duran had arrived at the trailer complex. She is the
lady who was getting some property out of the trailer and
she was supposed to meet Debbie there at 1:30. And as

she's driving in, she sees someone else driving Debbie's car out the outside. It doesn't immediately register to her who it is, except she knows it's not Debbie.

She goes over to the trailer, knocks on the door, calls out Debbie's name, no answer. She notices that the air-conditioning on the trailer is running. And she thinks that's strange because Debbie wasn't -- she had to be careful with her money, so she wouldn't have the air-conditioning going if she wasn't home.

So this lady, Lisa, goes over to Mike's house -- the friend that Debbie had driven to work -- and she asked him, you know, where's Debbie, where has she been. And Mike tells her, well, Debbie she left. And then Mike also tells her something more alarming. Did you know James got out. This sets off an alarm in Lisa Duran.

She goes over to the day care to check on Debbie's children, and she's convinced that something bad has happened. And she was right. She goes home and tries to get someone to come with her back to the trailer. And as she does that, she finds an officer who is on duty and talks him into coming back to the trailer with her to check on her Friend Debbie.

When the patrol officers arrive at the trailer with Lisa Duran, they too knock on the doors. No

one answers. They check all the windows of the trailer, and they discover that the only window that has any damage to it or that appears to be unlocked is one of the front windows to the trailer.

One of the patrol officers climbs in that window -- just like the Defendant did -- to see or check on the welfare of Debra Panos.

As he goes through the trailer, he gets into the living room area and he discovers Debra Panos lying on the floor, and she's obviously been stabbed.

The patrol officer then notifies homicide detectives and when they get there they notice a couple of things immediately about the scene. Right next to, or very close to where Debra Panos was laying was a knife that had blood and hair on it. Also in that room they see a telephone that was off the hook. In the master bedroom of the residence, where that open window was, they find some letters written by the Defendant, and the room appeared to be ransacked, like there were papers all over the place. And, of course, Debra Panos' car was gone.

Debbie's body, they noticed, had several injuries in addition to the stab wounds. Se had an injury to her face, to her arms. She had injuries on her neck from stab wounds, and at autopsy they learned that she had injuries -- a stab wound to her stomach area, and also a

stab wound to her groin or vaginal area. Just off to the side.

During the autopsy samples -- DNA samples were taken from Debra Panos' body, and one of those samples includes a vaginal swab which collects DNA evidence inside of Debra Panos. And later testing revealed that the Defendant's DNA was inside of her vagina.

After murdering, or stabbing to death

Debra Panos, the Defendant took her car and he drove to a

nearby apartment complex. And after a little while -- he

hung out with some friends. He did some drugs that night,

and he basically hung out for the evening.

The next day he was arrested on a petty larceny charge. When he was arrested he gave a fake name, and the patrol officer who responded to the petty larceny searched him and when they searched him they discovered that he had these social security cards with him. And they were in the name of Debra Panos and her three children.

And the officer, of course, had been briefed about a homicide that had recently occur, and he recognized the victim's name as being the victim of the homicide that had recently occurred. That officer notified the homicide detectives, who responded again to

the Defendant's location, and when they encountered him, they check him for injuries and notice that he had cuts on his hands, consistent with someone who had stabbed somebody else.

Those officers also locate Debra Panos' car. It was at the apartment complex where the Defendant had been getting high the night before.

Since these events, this defendant, James Cappell, has given his own version of events of what happen that afternoon. And he says that this whole thing was sort of a couple's reunion. It wasn't a crime at all. Debra Panos wasn't afraid or scared when he crawled through her bedroom window. In fact, she was happy to see him.

In fact, she was so happy to see him, the two had discussed and reminisced about old times, their children, and then they had consensual sexual encounter.

And that during that sexual encounter, it occurred to him, or he became aware that Debra Panos had been with somebody else, besides him. Although this upset him, according to the Defendant, he didn't kill her then. Instead they engaged in what the Defendant described as another consensual sexual act. And then they decided that the two of them were going to go pick up their children from the day care together, and at that point, according to the

Defendant, they went out to Debbie's car and he found a note that he believed to be from another man and this upset him so much that he forced Debbie out of the car, somehow got her back in the trailer and kill her.

Although he really don't remember how.

You will learn when you are instructed at the end of this case that some murders are more aggravated than others. Murders which are committed in conjunction with an act of sexual assault, that's a factor that makes some murders more aggravated or worse than other murders.

By August 31st of 1995, this defendant had literally taken everything there was to take from Debra Panos. He called her names. He took her dignity with that degrading name calling. He left a scar on her face from breaking her nose, altering her identity. He constantly took her money, her property. He took away any sense of security she had in a home that she was paying for. He took away her ability to refuse him, and then he took away her life. Then he drove off in her car and left her bleeding to death on the floor of her residence.

She was only 26 by the time all this had happened to her. And at the end of this proceeding, it will be the State's possession that for all of his conduct he deserves the most extreme punishment.

THE COURT: Thank you, Ms. Weckerly.

2 Mr. Schieck or Mr. Patrick.

MR. SCHIECK: Thank you, your Honor.

OPENING STATEMENT

BY MR. SCHIECK:

Good morning, ladies and gentlemen. This is what is known as an opening statements, both from Ms. Weckerly and myself. And I always remind my jurors of one fact, and that is what the attorneys stand up here and say to you is not evidence in this case.

The evidence in this case you are going to hear from the witness stand and not from the recollections and positions of the various attorneys as they stand up here and argue to you. So take what -- everything that I say and everything that the prosecutor said, as sort of a map of where the proceedings are going, and what you can expect to see during the proceedings. But understand, that the State has the burden of presenting the evidence here in court in order to convince you of any fact that is relevant to your decision in this case.

There are certainly a lot of facts in this case that aren't going to be contested. You have already been told during the voir dire process that James Cappell has been convicted by a jury of first degree murder. He has been convicted of burglary for entering that mobile

home in the Ballerina Mobile Home Park. And he has been convicted of robbery with use of a deadly weapon. Specifically, the allegations were read to you, he was convicted of robbery, based on the social security cards, the car keys, and the car of Debra Panos.

Those facts are not going to be contested in this case. You can accept those based on the previous fining of the other jurors.

However, you will notice that when the information was read to you by the court clerk that James Chappell was not charged with sexual assault in the criminal proceedings at the previous trial. He is not convicted of sexual assault. In fact, there are no allegations at all in that criminal information concerning sexual assault. Two of the bases for seeking first degree murder was that the murder was committed during the perpetration of a kidnapping or during the perpetration of a robbery. You heard that when the court clerk read you the charging document. Sexual assault was not alleged as a basis for a finding of first degree murder in this case by the State.

So there has been no conviction of sexual assault for you to follow in this case.

During the course of the penalty hearing, at the end of the penalty hearing, the judge is going to

give you instructions on the law. But basically what you will learn is that in order to be eligible to receive the death penalty in the State of Nevada, the jury has to find the existence of one or more aggravating circumstances beyond a reasonable doubt, and that that finding has to be unanimous by all twelve members of the jury.

If there are no aggravating circumstances found beyond a reasonable doubt by unanimous verdict, there are no aggravating circumstances, and the death penalty is not an option for a first degree murder conviction. That's what Md. Weckerly was referring to when she talked about certain murders carry aggravating circumstances with them.

In this case, the State has alleged one aggravating circumstance, and that being that the murder occurred during the attempt or perpetration of a sexual assault.

The State has the burden during this penalty hearing to prove that there was a sexual assault, and you'll be instructed as to the definition of sexual assault. They must prove that beyond a reasonable doubt, and they must prove it unanimously. That is the first decision that you're going to have to reach in this case before you can consider what forms of punishment are available. Even though we talked to all of you about

there being four forms of punishment for first degree murder in the State of Nevada, it is possible that a jury can find there are no aggravators, or there can be a murder where there are no aggravators in which case there's only three options.

It will be our position at the end of the penalty hearing that the State has not proven any aggravating circumstances, and we'll have three choices to make, whether it's life without parole, life with parole after 40 years, or a term of 40 to 100 years, with parole eligibility at 40 years. That's what we will stand before you and argue at the end of the penalty hearing.

That's sort of the factual/legal decision you have to make in this case before you reach the question of penalty -- of which penalty you can choose from and which penalty to choose.

As I said, we're not going to be contesting a lot of the information that you are going to hear in this case. We are not going to be contesting that James Cappell did not commit various acts of domestic violence against Debra Panos. In fact, the State has referred to Mr. Chappell making a statement about what occurred, and you will find that he admitted to two acts of domestic violence. He admitted to the incidents.

You will fine that when he went to court,

for the most part, he pled guilty to those acts of domestic violence and was punished for those acts with incarceration. We're not going to contest that those took place.

What we are going to be trying to do is explain to you the entire dynamics of the relationship that existed between James Cappell, Debra Panos from the time they met in Michigan in the 80s, up to the time of Debbie's death, obviously, in 1995.

It is that information that we feel you need to have in order to make the decision as to which sentence to choose in this case. That's really what this penalty hearing is about.

You will also learn that James Cappell had an addiction to controlled substances and that addiction went back, or at least the usage of those substances, went back to while he was still in Michigan. Debbie was aware that he used drugs, was aware in Michigan that he used drugs. She was aware when he lived in Tucson that he used drugs. And she was aware when they were in Las Vegas that he used drugs. And that he, in fact, developed an addiction to crack cocaine. You will hear that evidence through the various witnesses in the case.

You will hear that as an addict, a person addicted to the high of crack cocaine that he did some

very unpleasant things and improper things including taking furniture and returning it to the store in order to get money so that he could buy drugs. He doesn't deny that. We're not going to try and present evidence that says that that didn't take place.

We're not going to be presenting any evidence that shows he did not go into a variety of stores and commit the act of shoplifting in order to sell the items he stole in order to buy drugs. He was addicted to crack cocaine.

And that was the huge portion of the problem that went into this relationship that created the dynamic that ended up where we are now, where they were on August 31, 1995.

We're not going to try to soft-sell that information to you during the presentation of the case.

But we are going to try and present to a variety of factors concerning both James and Debra.

Ms. Weckerly referred to the children in this case. There are three children. And she referred to them as Debbie's children on a number of occasions. But, in fact, they are James' children also. Three children are the children of this relationship. As bad as the relationship turn out to be by the end of -- by August of 1995, was a relationship that fostered the birth of three

children that had these two individuals struggling to raise those three children, dealing with the problems you're going to hear about. And those problems certainly are going to include anger management, drug addiction, and violence toward a significant-other in a relationship.

Not an uncommon factor that comes in when you have a situation of low income, of drug addiction, of criminal conduct, those things can take place.

But it's our position, and will be our position at the end of the case, that you, in considering those factors, will decide for a sentence less than the most hash in this case.

The evidence that you will hear, and you've seen some of the photographs, and it's regrettable as it is it's necessary for the State to show photographs of Debra after she's been stabbed, because they have a burden of proving certain information to you in this case.

And they have the necessity to show those photographs in order to present their arguments as to what the sentence should be in order to show the severity of the injuries and the nature of the assault, the aggravation that clearly you see the anger in the assault.

You are going to have to look at those, but in looking at those you're going to see a number of

factors that we will argue to you and submit to the you the evidence will show that there was no evidence to support anything other then James' statement that this was a consensual sexual act that took place. You're already seen the photographs at the time of her death, Debra Panos was fully dressed. She had her clothes completely on. You will see that the clothes do not appear to be disheveled, or put on to her afterwards.

You will see some of the stab wounds actually go through the clothing into the wounds showing that the clothing was on at the time of the attack that caused her death. That there was no sexual assault during the perpetration of the acts that caused the death that constitutes first degree murder in the case.

Now you are going to hear testimony from a doctor who is Dr. Etcough (ph) who is a neuropsychologist that has completed some testing on James and will talk to you about some of James' background and results of his tests. His testing of James, you'll learn that his verbal IQ is 77. His full performance IQ is 91. His scale range is 80, which is in the 91 percentile, meaning that his IQ is lower than 91 percent of the population.

The doctor, I believe, characterizes it or will characterize it as falling in the very low average range for IQ. So you see that that testing indicates that

James is not overly bright and certain that's going to factor into some of the arguments that the State, we expect, will be making to you and some of the evidence they will present concerning James' release on August 31, that he went and met with P&P because he's supposed to be going to an in-patient program, that somehow he was able to talk his way around being admitted into this in-patient program, when, in fact, his IQ and verbal skills means he wasn't able to talk anyone into anything, that there are other factors that went into him not being immediately placed into that program.

The fact that he can't escape the fact that had he been placed into that in-patient program as required certainly the rest of the events that transpire on August 31st, wouldn't have happened. But he was released and the events did happen, and we will deal with them as they come up.

In addition to Dr. Etchough (ph) you'll hear from a couple of doctors. One from the State, a pathologist, Dr. Green, who will talk about the autopsy and some of his findings, which again are relevant for proving the States case. Some information that they have to present in order to give you all the circumstances of the death, we will be calling Dr. Grey, who is a pathologist who will talk concerning his review of the

findings and photographs of the case.

You will hear from a Dr. Danton (ph), who will discuss some general principles concerning domestic violence and domestic violence relationships, why these relationships occur, why they continue, why things just don't ends before we get to the point where we are at now.

You will hear from a number of witnesses that we will call from Lansing, Michigan that know or are related to James to talk about James and Debbie and their time there in Michigan. Debbie knew all of these people. They knew Debbie. They knew the relationship between James and Debbie. They knew the difficulty with the relationship in Lansing. They know and can testify concerning the circumstances of Debra moving to Tucson.

You'll hear evidence that she moved -- her parents actually moved to Tucson and she moved with or shortly after her parents to Tucson. Then there was some back and forth with James in Tucson.

Debra would go to Lansing and the relationship continued, even though at some points it was a long distance relationship. Eventually James moved to Tucson, lived in an apartment with Debra in Tucson up until 1994, when they both came here to Las Vegas and lived in Las Vegas for a short period of time. From about

October 1994 until the end of August 1995. So less than a full year.

You'll hear that James was in a great deal of difficulty with the law because of his shoplifting and domestic violence during those periods of time. In fact, you'll learn that he was in custody for a great portion of the 1995 year on a couple of the arrests.

You'll hear about these phone calls and conversations with witnesses the State has referred to, and those calls actually are coming from the jail to James trying to call Debbie and talk to Debbie. And you'll see in the letters and hear about the phone calls that there was a degree of anger that built into the progression of the phone calls as he is unable to get ahold of Debbie, wonders what she is doing, wonders if she's in fact seeing someone else, if she's going to leave him. This jealousy factors in to really build into the relationship during that period of time, which again builds into the anger that we see on August 31, when he's released from custody.

You'll hear about all of those. We're certainly not trying to hide any of those from you. You will hear, however, it goes from friends of Debbie because Debbie, out in Tucson and in Las Vegas was working. She was the primary income earner for the family. She

developed a number of friends.

You'll hear that James didn't have any friends. He really only had one person to turn to in Tucson where he was isolated from his family and friends back in Lansing and in Las Vegas. He didn't have anyone else.

Well, sure you're going to hear that he had people that he knew that he sold things that he stole in order to buy drugs and stayed at their house and smoked crack cocaine, but not friends he can turn to when he's in a crisis moment, as obviously he was with Debbie and their relationship. But he had no friends.

And so out here you're going to hear from her friends and their perspectives on the relationship.

And we're presenting witnesses from Michigan that can present sort of the prospective from James' side as to this relationship and the dynamics of this relationship.

And from that you will have what we discussed during voir dire, as much information as we can give to you in order that you make the right decision as to the penalty in this case. And at the conclusion of the penalty hearing Mr. Patrick and I will stand before you and ask you on one of two bases not to impose a sentence of death.

The first being that there is not an

1	aggravating circumstance proven, and therefore, death is
2	not an option.
3	And the second being, even if you find
4	that death may be an option in this case, that death is
5	not the appropriate punishment in this case.
6	Thank you very much for your attention.
7	THE COURT: Thank you, Mr. Schieck.
8	The State may call their first witness.

1.7	Q. Mike would be?
18	A. Mike Pollard.
19	Q. And when you say you were sort of a group,
20	did you guys hang out together, was there things you did
21	after work also?
22	A. Yes.
23	Q. Tell us about that?
24	A. We used to go to the park, throw barbecues.
25	We used to hang out, go to the movies. Me and Debbie went

to California a couple of times to get away, go to the 1 beach -- experience the ocean. 2 3 How much time do you think you spent with Q. Debbie over that time, do you remember? 4 5 Α. That I knew her? 6 Q. Yeah. 7 I saw her every day. We were together at 8 least once a week and weekends. When you first met her what was your Q. impression of her? 10 11 Α. She was a nice person, giving person, funny, sweet. She was a good person. 12 13 Was there some point where you become Ο. familiar with an individual named James Cappell? 1415 Α. Yes. 16 And how did you get to know him? Q. 17 Through Debbie. Α. 18 Tell us about that. Q. She would tell us things in reference to 19 Α. I witnessed him coming up to my job a couple of 20 times, conversations over the phone, a lot of different 21 22 --different things that I heard from Debbie I saw 23 myself. What is the first thing you remember hearing 24 Q. 25 from her or seeing about Mr. Cappell?

1	A. She came to work one day and she was fine,
2	and the next day she came to work and she had a huge
3	things over her nose where she had told me that he busted
4	her in the face with a plastic cup and it broke her nose.
5	Her eyes were all black and blue.
6	Q. This would have been after you'd known her
7	maybe three months?
8	A. Yeah, maybe a little before then. But,
9	yeah, she started confiding in us in me and Lisa.
10	Q. Lisa being Lisa Duran?
11	A. Yes.
12	Q. What sorts of things would she tell you
13	then?
14	A. Things being missing out of the trailer.
15	We'd go see it and they would be gone. Threats, hitting,
16	fighting.
17	Q. Let's take those one at a time. You say
18	things would be missing out of the trailer. What would
19	she tell you about that?
20	A. All the TVs were gone, the microwave,
21	stereos, everything that was of value, with the exception
22	of the sofas was gone, was being stolen. Food. She would
23	go get food for the kids and all the meat would be gone
24	out of the freezer. There was nothing there but their
25	clothes.

1	Q. How many times did this happen?	
2	A. Several. I mean every time she replaced a	
3	TV it was gone.	
4	Q. So she would earn money in her job there at	
5	G.E. Capital? Yes?	
6	A. Yes.	
7	Q. She doesn't know what uh-huh means.	
8	A. Sorry.	
9	Q. You'd go and she would get a new TV or	
10	something and it would be gone?	
11	A. Yes.	
12	Q. So she would buy food and go to fix dinner	
13	and it would be gone?	
14	A. Yes. We would go over there and it would be	e
15	gone.	
16	Q. What would she tell you about what was	
17	happening to these things?	;
18	A. That James was taking them. She said he wa	s
19	coming through the windows and he was taking the items	
20	from the house.	
21	Q. What was what was the significance of him	m
22	coming through the windows?	
23	A. He didn't have a key.	
24	Q. Why was that?	
25	A. She didn't want him too.	

1	Q.	Base upon things Debbie is telling you at
2	that point, wh	at sort of sense did you get about the
3	relationship s	she had with James Chappell?
4	Α.	It was violent. It wasn't really a
5	relationship.	She tried to completely distance herself an
6	get away from	the whole situation.
7	Q.	How do you know that she tried to do that,
8	what did you s	see or hear?
9	Α.	I know that she moved up here and he wasn't
10	supposed to kn	now that she was up here in Las Vegas.
11	Q.	Is that something she told you?
12	Α.	Yes.
13	Q.	What else?
14	Α.	She would never go outside, like confront
15	him when he ca	me to our job. She was basically afraid of
16	him. We kept	her away from him as much as possible.
17	Q.	Was there an incident that you became
18	familiar with	where he had hit her or slapped her in the
19	face?	
20	Α.	In the parking lot of G.E. Capital, yes.
21	Q.	About when was that?
22	Α.	I want to say December, but I'm not sure.
23	Q.	Would it have been December '94?
24	Α.	I think so, yes.
25	Q.	When did that happen in relation to the

1	incident where he broke her nose with the cup? Before
2	that or after that?
3	A. I don't remember if it was before or after.
4	I do remember the consequences of that because she came to
5	work, she had no choice. But she came to work with that
6	thing on her face.
7	Q. You are talking about the cup incident?
8	A. Yes. She had to wear it on her nose, and
9	her eye was black and blue.
10	Q. Was that some kind of a bandage or
11	something?
12	A. Like a half cast or a thing across her nose
13	with tape. It was white.
14	Q. The incident with the slap, where were you
15	when that happened?
16	A. Right outside the door of G.E.
17	Q. What were you doing out there at the time?
18	A. Waiting for Debbie and Lisa so we could all
19	go into work.
20	Q. Was anyone else out with you that you
21	remember?
22	A. Not that I recall. There was people coming
23	and going.
24	Q. What happen?
25	A. I just saw him hit her in the face, and she
ı	

was all upset and crying. We all went in and we didn't go 1 2 back out. Where were they, James and Debbie, when you 3 Q. saw them? 4 5 In the vehicle I believe. Α. Did you see anything happening right before 6 Q. 7 he struck her? 8 No, just talking. I couldn't hear it, you Α. know. You can't hear from that far away. Their lips were 9 moving. They were talking. 10 11 Q. And then what happen next? After he hit her, she got out of the car and 12 Α. we went in because we had a security guard there who never 13 allowed him in the courtroom -- I mean, in the building, 14 15 ever. They knew what was going on. When you say they knew, the security 16 Q. 17 people? 18 Yeah, because he came up there several Α. 19 times. 20 Q. What car were they in when he struck Debbie 21 in the face? 22 Hers. 23 What happen after she got out of the car? Q. He left. She came in the building. We went 24 Α. We discussed it for a minute, then we went to 25 to work.

1	work.
2	Q. And what did he do?
3	A. I imagine he left. We didn't go back out
4	side after that.
5	Q. He was in her car at the time?
6	A. Yes.
7	Q. How did she normally get to work, was he
8	driving her to work? Is that a normal thing?
9	A. No. When she first got here she didn't have
10	a vehicle. She would walk her kids to day care and get on
11	a bus that took a couple hours to get to work and a couple
12	hours to get home every day.
13	Q. How long until she was able to save up
14	enough to get a car?
15	A. It was a couple of months that she did that.
16	I didn't live on the same side of town as her, but I knew
17	the bus took a long time for her to get to and from.
18	Q. You say after he slapped her she got out and
19	she came and discussed that with you. What did she tell
20	you about that?
21	A. Just that they had been arguing.
22	Q. Did you see any bruising or swelling later
23	on?
24	A. Not on that occasion.
25	Q. So the normal thing would be she would drive

1 herself to work? 2 Α. Yes. That was her transportation for her and the kids. 3 Did she say anything to you about why he was 4 Q. 5 driving the car? 6 Α. No. Let's go now to June of 1995, a few months 7 Q. later. You noticed some signs of abuse you mentioned just 8 9 a moment ago? 10 Α. Yes. Tell us about those? 11 Ο. 12 She'd call me crying about 9:00, 10:00 Α. o'clock at night saying that James choked her. She was 13 real upset. She was scared. And I talked to her and I 14 tried to calm her down as much as possible, and the next 15 day I saw the marks on her neck. 16 You say she was really upset. What was she 17 Q. doing? 18 19 Α. Crying, talking to me on the phone, telling me that they had a disagreement and once again it turned 20 violent and she was real upset. She was scared. But I 21 22 tried to calm her down as much as I could and told her I would see her at work the next day. It was 10:00 o'clock 23 24 at night, my little one was asleep.

How long did that conversation last?

25

Q.

1	A. About 20, 25, 30 minutes.
2	Q. What did she tell you he had done to her?
3	A. He choked her. Pushed her and choked her.
4	Grabbed her neck.
5	Q. Did she tell you what had happened after
6	that?
7	A. He left and she was upset and she was on the
8	phone.
9	Q. You know if she called the police?
10	A. No.
11	Q. She hadn't call, or you don't know?
12	A. I don't know. There were times when she
13	wouldn't out of fear.
14	Q. The next day you said you noticed some
15	injury to her?
16	A. Yes, she had marks on her neck.
17	Q. When you say marks, can you describe this to
18	us?
19	A. She had marks on her neck here. A thumb
20	print here. Two scratched down the side of her face.
21	Q. You're indicating a couple of scratches
22	for the record down the left side of her face?
23	A. I don't remember if it was the left or
24	right, but she had four fingerprints, thumb print on one
25	side and two scratches on her face.
ļ	

1	Q.	A moment ago you put your hands up to your
2	throat, so he	would have left the thumb print on one side
3	and four finge	erprints on the other?
4	Α.	Yes.
5	Q.	You could see those the next day?
6	Α.	Yes.
7	Q.	Did she say anything about a knife at that
8	time when you	were talking to her?
9	Α.	There was one incident.
10	Q.	There are some Kleenexes there, if you need
11	that. If it w	would help there's some water.
12	Α.	I'm fine.
13	Q.	Take a moment.
14	Α.	Okay.
15	Q.	I know this isn't an easy thing to come talk
16	about. These	things take your time. Collect your
17	thoughts on th	nis. She said something about a knife?
18	Α.	Yes, she did. At that time she told me
19	about a situat	tion with a knife.
20	Q.	When was that? Was that at that same
21	time?	
22	Α.	That was in June. I think it was in June.
23	Q.	What did she tell you?
24	Α.	That he sat on her and put his knees on her
25	shoulders and	put the knife to her throat. And she was

1 deathly afraid of him.

- Q. Let's talk about those summer months, June, July, and August. It's been about ten years now.
  - A. Yeah, a little over.
- Q. Not withstanding that, it has been that period of time in between, you obviously still have a lot of emotion attached to your memories about this.

A. We tried everything in our power to help her get away from him, and we had all these plans and the last plan was we were going to vacate the trailer completely and get her to a safe haven. We thought we had time because of what had transpired at the court date on August 30th.

On August 30th when she went to court he was supposed to go away for 90 days, so we were moving her out of the trailer, and less than 24 hours later he got to her.

We even offered him money. We were going to send him back to Michigan to get better. He refused to go unless he took his little girl. How can you take your little girl when you're on drugs. We weren't going to fess-up (ph) a two-year-old child, but we offered to help her with the finances to get him there. We did everything in our power to save her life, and it wasn't enough.

Q. Was there a time in the summer when you

began living with Debbie at the trailer home there? 1 2 Α. Yeah. I lived there for approximately two months. 3 4 Q. Was that time period right before her 5 death? 6 Α. Yes. You mentioned the children, can you tell us 7 Q. 8 about the children? 9 Α. Chantelle was just a baby. I think James was 7 or 8, and Anthony was 5. 10 11 Did they witness some violence, yes. Do they remember it, yes. We had just had a little birthday get 12 together for Chantelle a week before Debbie died at the 13 park. We all got together at the park and that following 14 weekend when she died, we were all supposed to get 15 16 together again for another barbecue, because it was so nice outside. The kids were scared. JP was only 7 or 8. 17 He thought he was a protector. How can you protect your 18 mom against someone that's twice her size. 19 During that summer period when you were 20 Q. trying to come up with a plan and you thought you had 21 22 time, that was because the Defendant was in custody at 23 that point? 24 Α. Yes. 25 Q.

So Debbie had a little bit of a break from

this daily --1 2 Α. She called every day to make sure he was still in custody, because there was three kids and 3 There was a lot of clothes. We were trying to pack 4 up everything. 5 So she was trying to get things washed and 6 Q. 7 packed up to move? We were never going to go back to the 8 Α. Yes. 9 trailer. Now the situation with the trailer, that was 10 Q. something she was trying to buy? 11 Yes, at first. 12 Α. Was it different to get her the leave the 13 Q. trailer and leave that situation? What were her feelings 14 15 about that? 1.6 No, because she knew that it was in the best Α. interest of her and the kids. You could always sell the 17 trailer. That wasn't an issue. She could always rebuy 18 19 somewhere else. 20 Did she express to you any concerns about Q. leaving him, about retaliation or him following her again 21 22 We weren't too that degree because where we 23 Α. were going to put her he had no idea. He had no clue, and 24 25

he would have never, never have found her here.

1	Q. Let's go to the day before Debbie was
2	killed. When you were at work or after work you had an
3	opportunity to talk to her about a court appearance she
4	had gone to. Remember that?
5	A. Yes, because she left work to go to it.
6	Q. She left work to go to court. What was the
7	purpose of that?
8	A. It was to testify about him about James.
9	I believe that was the incident when he choked her. And
10	the D.A. picked up the charges because she didn't want to
11	file charges. She did everything she was posed to do. By
12	that point we had a restraining order. She followed the
13	law.
14	Q. So the D.A. went forward with the charges?
15	A. Yes.
16	Q. She was subpoenaed to come to court?
17	A. Yes.
18	Q. Had that been a problem in the past where
19	she didn't want to prosecute?
20	A. Because the restraining order wasn't
21	working, obviously, he was never there by the time the
22	cops got there. Nothing seemed to be working. That was
23	done by law, so to what degree do you keep putting
24	yourself through that.
25	Q. So there were times when she didn't want to

1	go against him. Would it make him madder?
2	A. Mad, what else would happen, you know.
3	Q. Just keep getting back out?
4	A. That and harassment at the job. I mean
5	thank God we worked at a job where he couldn't get in the
6	building. I mean, how embarrassing is it when
7	MR. SCHIECK: Objection, your Honor. This
8	is non-responsive.
9	THE COURT: I'll sustain it. Ask another
10	question, please.
11	BY MR. OWENS:
12	Q. She went to court that day. She got
13	subpoenaed?
14	A. Yes.
15	Q. Did she call you from court? Did she come
16	back to work?
17	A. No, we talked on the phone.
18	Q. What did she tell you?
19	A. That he threatened to kill her, that he was
20	supposed to go to a 90-day drug rehab thing and we had
21	time to get the rest of the stuff out of the trailer and
22	get I done and she would be safe. And she was tired of
23	running. She was tired of being scared. And that for
24	once it was going to be over.
25	Q. When she went to court he was in custody?
J	

1	A. I believe so, yes.
2	Q. How did it happen that she could be
3	threatened by him?
4	MR. SCHIECK: Calls for speculation.
5	MR. OWENS: What did he say?
6	THE COURT: I'll overrule the objection.
7	You may answer the question.
8	BY MR. OWENS:
9	Q. Take us through that detail by detail, how
10	that happened.
11	A. How what happened?
12	Q. The threat in court?
13	A. All she told me was there were people there
14	and that he threatened to kill her. At that point in time
15	she was tired of running. She was tired of being scared,
16	and that it was over. We thought we had 90 days.
17	Q. Did she tell you that she told him it was
18	over?
19	A. Yes.
20	Q. And his response was?
21	A. I'm going to kill you.
22	Q. I'm going to kill you.
23	A. Yes.
24	Q. When she was telling you this, how did she
25	seem?

1	A. Upset, because once again her fear was
2	there. We were all upset. When I got off the phone with
3	her we were upset. We called, I did. I tried to call his
4	probation officer and tell her because Charlene
5	Summner, if I recall her name correctly because we were
6	scared.
7	Q. You wanted to tell her about the threat?
8	A. That and to test him again to see if we
9	could get him put back, because at that point in time we
10	knew we were all scared again.
11	Q. But you still thought you had this 90-day
12	period?
13	A. To finish getting everything out and get her
14	to a safe haven that we had establish for her.
15	Q. What was your understanding of how this 90
16	day thing was supposed to work?
17	A. My understanding was he was supposed to be
18	in-house for 90 days without being let out for rehab.
19	Q. So he would be doing rehab, but still be in
20	the facility?
21	A. In a facility for 90 days.
22	Q. Now, the next morning, August 31st, you saw
23	Debbie again. That was at work, briefly?
24	A. Briefly.
25	Q. What happen between you and Debbie at that

1 time? 2 We made plans to meet up for a barbecue to Α. 3 be seen later. I told her I would page her later, call her later. And we parted ways and I was supposed to see 4 5 her later. Did you see her again? 6 Q. 7 Α. No. Did you hear from her again? 8 Q. 9 Α. No. 10 Q. When you last saw Debbie, did she seem or felt she was going to be safe because of this in-patient 11 thing? 12 13 Yes. We felt that we had enough time to Α. make her be safe and to stay away from that side of town 14 15 and never return to the trailer. 16 Now, we've been referring to this person, Q. James Cappell. You keep looking over to that side of the 17 18 Who are we talking about? courtroom. 19 That gentleman in the blue vest --Α. 20 MR. OWENS: May the record reflect the 21 identification of the Defendant. 22 THE WITNESS: -- and blue shirt 23 THE COURT: It will. 24 Thank you. MR. OWENS: 25 BY MR. OWENS:

1	Q. I would like you to pause a minute and
2	collect your thoughts on how the death of Debbie has
3	affected you and impacted you in your life. Have you
4	thought about that?
5	A. Every day.
6	MR. SCHIECK: Objection, relevance
7	grounds.
8	THE COURT: Overruled. You may answer the
9	question.
10	THE WITNESS: Thank you.
11	BY MR. OWENS:
12	Q. Let me ask you this, how did you find out
13	about Debbie and what happen?
14	A. I was sitting with a friend and the news
15	came on and I had my back to the TV, and it said mother of
16	three found dead, suspect James Cappell. I turned around
17	and his face was on TV. That is how I found out. I
18	started calling her home number, with no response but the
19	voice mail, because I didn't want to believe it was true.
20	Then I called the police and confirmed that that's what
21	happened.
22	Q. What sort of feelings did you have at that
23	time?
24	A. I went into hysterics because I was on the
25	other side of town and we were all supposed to have met

1 I didn't know what to do. back over there. I was in 2 hysterics. I tried to get ahold of Lisa and Mike to see 3 if they knew or to let them know what I had just found out. 4 In the days following this incident, how did 5 Q. it affect you physically and emotionally? 6 7 MR. SCHIECK: Same objection, your 8 Honor. 9 THE COURT: Overruled. THE WITNESS: I was a wreck. I couldn't 10 11 go to work for a couple of days after that because you 12 have to walk by where she sat to get there. My stuff was still in the trailer. You call her voice mail because you 13 14 didn't want to believe it was true. It was awful. 15 It was -- here it's ten years later, it's 16 still awful. You can't forget something like that. 17 time, pain heals, but you don't forget the type of person she was. She'd give you the shirt off her back if you 18 19 asked her for it, even raising three kids by herself. 20 We miss her every day. I have her picture still on my dresser, at work. You don't put her pictures 21 22 away because she's not here. It was awful. 23 BY MR. OWENS: You testified before in this case? 24 Q. Yes, I did. 25 Α.

1	Q. I apologize you have to go through this
2	again at this point, but we appreciate it. Thank you.
3	MR. OWENS: I don't have anything
4	further.
5	THE COURT: Mr. Schieck, Mr. Patrick.
6	MR. PATRICK: Yes.
7	CROSS-EXAMINATION
8	BY MR. PATRICK:
9	Q. Would you like to take a minute to compose
10	yourself before we start?
11	A. No.
12	Q. Did Debbie discuss with you James' drug
13	problem?
L 4	A. Yes.
15	Q. And did she ever mention anything about
16	James was usually high when she saw him?
L7	A. Yes.
18	Q. And did she ever indicate to you that maybe
19	the reason why he was stealing stuff out of the trailer
20	was to buy drugs?
21	A. Yes. But that goes to common sense.
22	Q. That's fine. Now, you said that James
23	usually entered the trailer through that window; is that
24	correct?
25	A. Yes.

	1			
1	Q.	And you and Debbie talked about that?		
2	Α.	Yes.		
3	Q.	Now, you kind of mentioned the group of		
4	people you wo	rk with at G.E. Capital, Lisa Duran, Mike		
5	Pollard.			
6	Α.	Yes.		
7	Q.	And as a group you are all very close?		
8	Α.	Yes.		
9	Q.	And Debbie was Debbie and Mike got along		
10	real well?			
11	Α.	Yes. They were good friends. We all		
12	were.			
13	Q.	Did you ever get introduced formally to		
14	Mr. Cappell?			
15	Α.	No.		
16	Q.	Never met him face-to-face?		
17	Α.	I seen him. I never met him.		
18	Q.	So you never talked to him?		
19	Α.	Yeah, I talk to him on the phone.		
20	Q.	Talk to him on the phone?		
21	Α.	Yes.		
22	Q.	You were talking about an incident outside		
23	in front of G	.E. Capital there where you said that James		
24	slapped Debbie	≘?		
25	Α.	Yes.		

1		Q.	And at that time the two of them were in the
2	car?		
3		Α.	Yes.
4		Q.	And they were talking, but you could not
5	hear w	hat the	y were saying?
6		Α.	I was by the front door. No. I didn't
7	approa	ch the	vehicle.
8		Q.	So you had no idea what the conversation was
9	about?		
10		Α.	No.
11		Q.	What do you know how many times Debbie
12	filed	for a r	estraining order or TPO against James?
13		Α.	No idea. I just know that she had one.
14		Q.	Do you know how long that was in affect
15	for?		
16		Α.	No.
17		Q.	You met Debbie after she moved to Las Vegas,
18	so you	did no	t know her when she was in Tucson?
19		Α.	No.
20		Q.	You did not know her when she was in
21	Lansing?		
22		Α.	No.
23		Q.	Were you close to Debbie and James' kids?
24		Α.	Yes. I saw them all the time.
25		Q.	When was the last time you saw them?

1	A. After the last court.	
2	MR. PATRICK: Court's indulgence. That's	
3	all I have, your Honor.	
4	THE COURT: Thank you. Mr. Owens,	
5	anything further.	
6	MR. OWENS: No, thank you.	
7	THE COURT: All right. Ma'am, thank you	
8	for your time. You are excused.	
9	We have hold on. Have a seat. We have	
10	a question for you.	
11	Counsel approach.	
12	(Discussion held at the bench.)	
13	THE COURT: Let me ask you a couple of	
14	questions, if I could, please.	
15	Do you recall about how far away you were	
16	from the car when the slapping incident happened?	
17	THE WITNESS: Not far. I was at the front	
18	door. The car was here. I could see perfectly clear	
19	through the window.	
20	THE COURT: Can you look around the court	
21	and say it is here to the table or the wall.	
22	THE WITNESS: I was probably from here to	
23	that lady in the with dark hair. I wasn't that far	
24	from the car.	
25	THE COURT: In the black jacket?	

1	THE WITNESS: I was standing outside of	
2	the door.	
3	THE COURT: Okay.	
4	MR. SCHIECK: For the record, she's	
5	referring to someone in the front row of the courtroom.	
6	THE COURT: That's correct.	
7	Secondly, do you know, did Ms. Panos tell	
8	you anything about whether or not Mr. Cappell accepted any	
9	money for the return to Michigan?	
10	THE WITNESS: He refused. Because he	
11	would go on one condition, and that was if she gave him	
12	her baby girl.	
13	THE COURT: So as far as you know he did	
14	not accept money to go back there?	
15	THE WITNESS: He would not.	
16	THE COURT: Mr. Owens, any questions based	
17	upon mine?	
18	MR. OWENS: No, your Honor.	
19	THE COURT: Mr. Patrick?	
20	MR. PATRICK: No, your Honor.	
21	THE COURT: Thank you, ma'am. You may	
22	step down.	
23	The State may call its next witness.	
24	MR. OWENS: The next witness there's	
25	several witnesses that we're not unable to locate for this	
3		

1	proceeding, and this is one of them. What we are
2	proposing is to read his testimony from the prior
3	proceeding, if that's acceptable to the court.
4	We've furnished a copy to the defense. We
5	have an individual to read for Mr. Pollard.
6	So the next testimony would be that of
7	Mike Pollard.
8	THE COURT: Okay. Do you want the reading
9	of the transcript reported or mark as an exhibit?
10	MR. OWENS: Whatever is more convenient.
11	THE COURT: It's normally report, unless
12	you stipulate to just the reading.
13	MR. SCHIECK: It's easier if it's reported
14	so that it flows in the sequence of things as opposed to
15	having it as an exhibit, if that's okay.
16	THE COURT: Okay.
17	THE CLERK: Do you solemnly swear you
18	will faithfully and accurately read the response set forth
19	in the transcript so help you God.
20	MR. DIGIACOMO: I do.
21	MR. OWENS: Your Honor we can also have it
22	marked as an exhibit.
23	THE COURT: Mike Pollard, having been
24	first duly sworn to tell the truth and nothing but the
25	truth was examined and testify as follows.

1		Direct examination by the State.
2	Q.	Can you please state your name and spell it
3	for the recor	ed.
4	Α.	My name is Mike pollard, P-O-L-L-A-R-D.
5	Q.	And, sir, where are you employed?
6	Α.	General Electric.
7	Q.	G.E. Capital?
8	Α.	G.E. Capital, yes.
9	Q.	How long have you been employed there?
10	Α.	Two years, November 14th.
11	Q.	Are you a resident of the Las Vegas
12	community?	
13	Α.	Yes, ma'am, I am.
14	Q.	How long have you lived here?
15	Α.	Just about two-and-a-half years.
16	Q.	Where are you originally from?
17	Α.	I'm originally from Louisiana.
18	Q.	Did you know a person by the name of Debra
19	Panos?	
20	Α.	Yes, ma'am, I did.
21	Q.	How was it that you knew her?
22	Α.	I first met Debra Panos in a training class
23	for G.E. Capi	tal, approximately a year and seven, eight
24	months ago.	
25	Q.	Is that also around November of 1994?

1	A. Yes, ma'am, it was.
2	Q. Did you both start together?
3	A. Yes, we did.
4	Q. And how was it that you became friends?
5	A. Well, we had well, we were both coming
6	from Arizona for one thing. We started talking about
7	different places we had been, and when we came up with
8	Arizona she had just come from there and so had I. So
9	that started, sort of, the conversation off and as time
LO	went on we just started to, you know, we became friends.
11	Close friends, I myself
12	Q. Did you know her in Arizona?
13	A. No, I didn't.
L <b>4</b>	Q. As you became co-workers together did you
L 5	share rides to work?
L6	A. Yes, we did.
L7	Q. How did that happen?
L8	A. When we first started off neither one of us
9	had cars, so we start to carpool, myself. She got a car
20	first and she would pick me up, and we'd go to work, drop
21	the kids off, pick them up on the way back, and she would
22	drop me off at home.
23	Q. Where was it she would take the kids to and
24	from during work?
25	A. The kids go to day care, which was about two

or three block from the house. 1 2 Q. How would you describe your relationship with Debbie throughout the months? 3 We were like inseparable. When you saw her, 4 Α. If you didn't see me, you didn't see her. As 5 you saw me. a matter of fact people thought there was a relationship 6 7 there because of the fact that we were so close. You mean more than just friends? 8 Q. 9 Α. Yes. 10 Were you ever more than just friends? Q. 11 Α. No. 12 During your friendship with Debra, did you Q. 13 come to learn about a person by the name of James Cappell? 14 15 Yes, I did. Α. Did you ever formally meet him? 16 Q. No, I didn't. 17 Α. 18 Did you, however, see him? Q. 19 Yes, I saw him on a couple of occasions. Α. 20 Do you recall how it was that you saw him? Q. 21 Α. Yes. 22 Tell us about the first time you saw him? 23 The first time I saw him Debbie had drove Α. up. She drove you up to work and we were, like, standing 24 25 outside.

1	Q. Who is we?
2	A. Me and a couple of our other friends.
3	Because you couldn't smoke in the building so we had to
4	smoke outside, so usually we smoked in the front before
5	going in. And the first occasion I saw him was that
6	was the time he slapped her and took off in the car with
7	her purse.
8	Q. You stated that you actually saw her drive
9	up to work?
10	A. Well, he was driving. She was on the
11	passenger side. And the next thing you know he slapped
12	her and she jumps out of the car and he takes off.
13	Q. When you say he slapped her, did you see
14	this?
15	A. Yes, ma'am.
16	Q. Did he slap her with an open hand or closed
17	fist?
18	A. That I couldn't tell, you know. You could
19	just see the then the head jerk, and she jumps out of
20	the car and the car just speeds off real fast.
21	Q. Tell us what was your demeanor like when she
22	came up to all of you?
23	A. She was on the brink of tears. She was
24	about to cry. She was trying to hold it as best as she
25	could.

1	Q. What did she tell you the Defendant did to
2	her?
3	A. She said he took my purse. My purse is in
4	the car and he took my purse.
5	Q. Did she tell you problems she had had with
6	the Defendant? Let me ask you this when was this that he
7	slapped her on that you observed him slap her?
8	A. Okay. This was about, perhaps,
9	two-and-a-half months after he had broken her nose.
10	Q. So it was sometime after he'd broken her
11	nose?
12	A. Yes.
13	Q. If I were to tell you there were there
14	was testimony that he broke the nose somewhere around
15	January 9th of 1995, is it your testimony that it was
16	sometime after this?
17	A. Yes, it was.
18	Q. Had you ever gone over to where she lived?
19	A. Yes.
20	Q. When was it that you first went over where
21	she lived?
22	A. I would say about three about two or
23	three months, you know, after we started training.
24	Q. Who where was it that you went?
25	A. She lived in a trailer park.
J	

1	Q. Is that Ballerina Mobile Home
2	A. Yes, it is.
3	Q. Who lived there with her?
4	A. At that time it was Debra, she had the three
5	kids. And I think Lisa moved in with her.
6	Q. Now did you ever how often would you
7	visit Debbie at the trailer home?
8	A. I would say maybe sometimes twice a month.
9	Maybe, you know sometime we would since we were
10	closer to work to her house, a lot of times we'd stop in
11	there and, you know, pick up something for the kids or
12	something like that before she would take me home.
13	Q. Did you ever see the Defendant around when
14	you would go over?
15	A. Never.
16	Q. Did she do you recall a time at work when
17	Debra became upset regarding the Defendant?
18	A. Yes.
19	Q. Do you recall certain instances?
20	A. Well, I remember one instance when he was
21	like waiting in the lobby because there's a lobby where
22	you have to go past security in order to, you know, to get
23	into the actual work space. And she was showing us him
24	standing in the lobby talking about, he was going to get
25	her fired if she didn't give him the money, or something

like that. So she was in there trying to borrow money 1 from people to get him away from the property. 2 3 So he was going to get her fired if he Q. didn't get money? 4 5 Α. That's what she said. She said he's standing out there, he says he's going to get me fire if I 6 don't give him money. 7 8 How was she acting when she was asking 0. people for money? 9 10 She was all, like, you know, jittery, Α. nervous. Whenever it came to something like that, she was 11 12 always on the brink of crying, okay She was, like, always upset, you know, at the demand for money. 13 14 Did you actually see him there in the lobby Q. as well? 15 Yes, I did. 16 Α. 17 Q. When about was this? 18 I would say this was about six to seven Α. months after we started training. 19 You're not sure of exact time periods when 20 Q. 21 I'm asking you these questions? 22 Yes, I'm not. You didn't sit and write these things down 23 Q. 24 as they were happening? No, ma'am, I didn't. 25 Α.

1	Q. Do you recall another time when Debra got a
2	phone call at work regarding the children?
3	A. Yes.
4	Q. What was her demeanor like after receiving
5	this phone call?
6	A. I think she just lost it. She was so upset.
7	She she didn't even know where she was. She was just
8	really, really upset. She was trying to figure out what
9	to do.
10	Q. Was shy crying?
11	A. Yes, she was. Part of the time she was
12	crying, part of the time she was trying to compose herself
13	to actually talk to whoever it was on the phone that she
14	needed to talk to.
15	Q. What did she tell you was happening, based
16	on the phone call?
17	A. It was something about her kids, they got
18	picked up, or her kids were in someplace where they
19	were.
20	Q. Is that Child Haven?
21	A. Yeah. There you go. It was a place
22	well, it wasn't a day care, and it wasn't at home. It was
23	someplace where the protective services or something had
24	called.
25	Q. Child protective services had removed the
ľ	

1	children?	
2	A. They were letting her know that they had th	
3	children.	
4	Q. Why is it that Child Haven had her	
5	children?	
6	A. From what I understood, their father had	
7	abandoned the kids or left the kids, whatever,	
8	unattended.	
9	Q. You're talking about the Defendant?	
10	A. Yes.	
11	Q. He left the children unattended?	
12	A. Yes.	
13	Q. Do you know where he had taken the kids from	
14	before he left them unattended?	
15	A. No, I don't.	
16	Q. Based on this do you recall whether or not	
17	Debra had to pick up the children from Child Haven?	
18	A. Yes, she did.	
19	Q. And base on her having to pick up the	
20	children from Child Haven, did she do something at the d	
21	care center?	
22	A. What I remember is she had to leave work in	
23	order to do that, and naturally I wasn't able to leave a	
24	that time so she went without me. And I think I spoke to	
25	her later that night and she told me that she had picked	

the kids up, and, you know, everything was okay, and it 1 wouldn't happen again. That was basically that 2 3 conversation. Do you remember her going to day care 4 Q. 5 regarding the defendant? 6 Α. Yes. 7 Q. What happen? I remember her going there and having his 8 Α. 9 name removed from the pick-up list so far as being able to, you know, receiving the kids from the day care. 10 11 Q. And why was that? 12 Α. For some reason she was afraid of, you know, 13 what might happen. After all, he had already abandoned them one time and she was afraid of that. And she didn't 14 15 know, you know, what sort of frame of mind this guy was in or whatever. She just wanted her kids protected. 16 17 When you say he abandoned the children, did Q. 18 the police actually take custody of the children to book them into Child Haven? 19 20 My understanding, yes. Α. 21 Q. Did Debbie want to stay with this defendant? 23 No, she didn't. Α. 24 How do you know this? Q. 25 Because she kept -- she tried to stay aware Α.

of where he was and how long he would be there, because we 1 2 had planned to move Debra, you know, before this guy got out. That's why she kept abreast on, you know, how long 3 he was going to be in and when he would be released so she 4 could be gone from than. Because we'd already made other 5 6 attempts to, you know, remedy the situation, but they 7 didn't work. 8 During the time period you started there at Q. 9 G.E. Capital, would she cry to you often regarding things the Defendant did to her and the children? 10 11 Α. Yes. 12 What types of things would she cry about? Q. 13 Well, I remember once she had went to Α. 14 Payless Shoe store and she brought the kids -- she bought all the kids pairs of shoes and somehow that night the guy 15 16 came and he took the shoes back to the Payless to get the 17 money. Are you talking about the Defendant? 18 Q. 19 Yes. Α. 20 You're talking about James Cappell? Q. 21 Α. Yes. 22 You see him in court today? 23 Yes. Α. 24 Q. Can you point to him and describe an article

25

of clothing.

1	A. The gray jacket, striped shirt.
2	Q. May the record reflect the witness has
3	identified the Defendant, your Honor?
4	THE COURT: Yes.
5	Q. What would happen when she would get her
6	food stamps from the government to feed her children?
7	A. She would go usually she would go I
8	would take her to the store and she would buy groceries
9	for about a month. She would fill her refrigerator up and
10	everything, which should have lasted her quite awhile.
11	But in a day or two, he'd show up and all of the meats
12	would be gone. The whole freezer would be empty.
13	Q. Did she tell you what he would do with the
14	meats?
15	A. She said, he's probably going to sell them
16	and buy drugs.
17	Q. Do you recall this occurring at a certain
18	barbecue?
19	A. Yes.
20	Q. What happened?
21	A. Well, we came home from work and we were all
22	set to, you know, barbecue. I'm out on the front. I got
23	the grille going and everything, and they go to look in
24	the icebox and there's nothing in there.
25	Q. Who is they?

1	Α.	Debra, and I think it was Lisa at the
2	time.	
3	Q.	So people from work?
4	Α.	People from work, yes.
5	Q.	You were having like a get together and
6	barbecue?	
7	Α.	Yes, uh-huh.
8	Q.	That was over at Debbie's?
9	Α.	That was going to be at Debbie's.
10	Q.	She had bought meat for this barbecue?
11	Α.	Yes.
12	Q.	There was nothing in the freezer?
13	Α.	There was nothing.
14	Q.	How did Debbie react?
15	Α.	She was really angry at first, you know.
16	Then she started telling us, you know, probably this or	
17	probably that happened, and which we couldn't figure	
18	out anything else because no one else could, you know, g	
19	into her place	e. So we figured that he had been there.
20	And the	en this had happen before, so we practically
21	knew what had	happen.
22	Q.	So did you ever see Debbie calling the jail
23	to see or make	sure he was not going to be released?
24	Α.	Yes.
25	Q.	About when was this prior to her death?

1	A. I'd say from the time about thirty days
2	on. From thirty days on. Because he was supposed to be
3	there for at least 90 or something like that. So for
4	thirty days on, towards the end of the 90, the last thirty
5	days, she started calling just about every day to make
6	sure he wasn't out or he was about to get out.
7	Q. Prior to his going to jail had Debra tried
8	to actually get the Defendant to leave the state?
9	A. Yes, ma'am.
10	Q. How did she do that?
11	A. Well, at one point she bought a ticket
12	she bought a ticket one time and, you know, for him to go
13	back, and I think he cashed that one in. So that's how he
14	figured out that that wasn't going to work, you know, in
15	order to get him to go home, because he wasn't going to
16	go.
17	Q. Where was that ticket to, do you recall?
18	A. I think it was to Michigan.
19	Q. How was it that you convinced Debbie to
20	leave the residence as the Defendant was still in jail?
21	A. Well, we me and Debra would talk about it
22	a lot, you know, so far as how, you know, to make this
23	break. And she realized that buying him a ticket or
24	giving him money for a ticket was not going to work. So I

sort of, you know, convinced her to move. I said, well,

25

1 that would be best because the same time our job was about 2 to move too, so we wouldn't have been in the same building and he wouldn't have known where to find her. And that's 3 the reason why she was checking on him so much. 4 Was she reluctant to actually leave that 5 0. trailer? 6 7 Α. She was at one time. Why was that? 8 Q. 9 Because she had so much money invested in Α. this trailer. She was buying it. And to just leave it, 10 11 you know, she would be leaving an investment. So she wanted to really hang on to it if possible, but she was 12 convinced that she wouldn't be able to do both. 13 I want to direct your attention to the date 14 Q. of August 31st, of 1995. Do you recall that date? 15 16 Α. Yes, I do. Do you recall seeing Debbie on that date? 17 Q. 18 Yes. Α. 19 What did you first -- when did you first see Q. 20 Debbie? She picked me up from work that morning. 21 Α. 22 Where -- about what part of town do you live, what are your cross streets? 23 24 Decatur and Vegas Drive. Α. 25 In the Northwest area of town? Q.

1		
1	Α.	Yes.
2	Q.	How long would it take you generally to
3	drive from yo	ur house to Debbie's?
4	Α.	Approximately 15 to 20 minutes.
5	Q.	It's not something that you would make a
6	trip walking?	
7	Α.	No.
8	Q.	Necessarily?
9	Α.	No.
10	Q.	About I'm sorry. What time did she pick
11	you up?	
12	Α.	She picked me up about 6:30.
13	Q.	Did she have someone with her?
14	А.	No, it was just her.
15	Q.	Had she dropped the children off at day
16	care?	
17	Α.	Yes.
18	Q.	Where did you two go?
19	Α.	From their we went to work.
20	Q.	G.E. Capital?
21	Α.	At G.E. Capital, yes.
22	Q.	What happened once you were at work?
23	Α.	Once at work we went through the shift,
24	which the shi	ft on that day happen to be a half-day shift.
25	So we were of:	f about noon So since we got off early we

1 had decided to, you know, try another one of these barbecues. So we got off around noon and we left around 2 12:10, 12:15. She brought me home and she said she was 3 going to go home, do a few things, we were all going to 4 5 meet up and go to the park. 6 Q. Is that Larency Park? 7 Α. Yes, I think so. That's the closest to my 8 house. 9 What happened? Q. Well, she left and all of a sudden, about 10 Α. 11 20, 25 minutes later she was back. To your home? 12 Q. 13 Α. Yes. 14 What happened? Q. She was all scary. She was all real, real 15 Α. 16 nervous. At that time I was just like coming out of the shower, I was wondering why she was back so fast. 17 18 Q. Can you describe what she was doing when she was all scared and nervous? 19 20 She was sitting on my couch in a ball, like Α. 21 holding her knees. 22 23 Α. Yes. 24 What was she doing? Q. 25 Just shivering, like -- just like shaking. Α.

1	Q. What did she tell you?
2	A. Said he's out. I said who's out. She said
3	James is out. And I said how do you know. She said
4	because he left a message on my voice mail.
5	So we started thinking about, well, the plan to
6	move was out, so what are we going to do next. So I told
7	her to wait a few minutes, let me get out of the shower
8	and I'll go home with her, because she got concerned about
9	the kids. She wanted to go home, pick up some clothes for
10	the kids, pick them up at day care, and then they were
11	going to come back to my house and stay, like, they
12	usually did, two or three days, sometimes, when he was
13	out.
14	Q. When he was out of jail, sometimes they
15	would stay with you?
16	A. Yes, ma'am.
17	Q. Why would see and her she and her stay
18	with you when he was out?
19	A. Because she was afraid.
20	Q. Why would she and her children stay with you
21	when he was out?
22	A. Because she was afraid.
23	Q. Had she told you he had been violent with
24	her in the past?
25	A. Yes.

1	Q. So her plan was to get the children's
2	clothes and the children and return to your house?
3	A. Yes.
4	Q. Did you tell her to wait?
5	A. Yes.
6	Q. And what did you do?
7	A. I went back in the shower to finish off and
8	when I came back out she was gone.
9	Q. Did you know where she went?
10	A. No, I did't.
11	Q. Did you have any transportation to follow
12	her?
13	A. No, I didn't.
14	Q. What did you do?
15	A. I got on the phone. I tried calling
16	different places to see if she had perhaps went like to
17	Lisa's, or I called her house three or four times and
18	didn't get a response.
19	Q. When she was rolled up in a ball shivering,
20	was she crying?
21	A. Yes.
22	Q. Was she scared?
23	A. Yes.
24	Q. Was that the last time you had seen
25	Debbie?

1	A. That's the last time I saw Depla.
2	Q. Can you describe what type of person Debbie
3	was?
4	A. Debbie was a very friendly person. She was
5	very Friendly, very kindhearted. If she could do
6	something for you within her power, she would. She was
7	sort of happy-go-lucky, you know, never got into no
8	trouble, never, you know, messed with anybody. She was
9	just a nice girl. Just a very nice girl.
10	Q. What type of worker was she?
11	A. She was an excellent worker. As a matter of
12	fact, we at work she would just excuse me at work
13	she would just go along, do the job, you know, just like
14	everybody else. Couldn't wait for it to be over, you
15	know, but
16	Q. What kind of mother was she to her three
17	children?
18	A. She loved her children. She loved her
19	children very much.
20	Q. What type of friend was she to you?
21	A. Well, as we went along we were real close,
22	you know. There were a lot of things in her life that we
23	would talk, you know. We just talked about different
24	things all the time. Especially things that distressed
25	her, you know.

Q. What distress her the most?

- A. Well she regretted bringing this guy out here anyways, because, you know, he came after she was already here. She regretted that, but it was too late, couldn't do nothing about that. So, you know, we were always trying to convince her to just keep on going, keep going with her life. And, you know, there were a lot of problems in between times, you know, like whenever this guy was out. That's one of the reasons I never met him, because every time the chance would come for me to meet him she would set up a meeting for me to meet this guy, he was always back in jail or gone for two weeks and took whatever he could, you know, and you would see him no more, you know.
- Q. When you say he would take whatever he could, what are you talking about?
- A. Well, I remember when I first met Debra she had furniture and all kinds of nice stuff in her house.

  And towards the end all of her TVs, VCRs, you know, just about all of her furniture was gone. As a matter of fact, I gave he a small black and white TV for the kids to watch TV, because her color TV had been taken.
  - Q. Taken by who?
  - A. By James.
  - Q. Thank you. I will pass this witness.

1		THE COURT: Cross.
2	Q.	You testified you knew Debbie for about two
3	years?	
4	Α.	About a year and eight months.
5	Q.	That's correct. You said two years from
6	November of t	his year is when you met her?
7	Α.	I'm sorry.
8	Q.	You met her two years ago, November of this
9	year?	
10	Α.	Right, uh-huh.
11	Q.	And during that time you'd go to the trailer
12	a couple time	s a month?
13	Α.	Yes.
14	Q.	But you never saw James?
15	Α.	Never saw him.
16	Q.	This instance where you say you saw Debra
17	get slapped i	n the parking lot at work
18	Α.	Right.
19	Q.	would it be safe to say that was around
20	March of '95?	
21	Α.	Yeah, that would be safe to say.
22	Q.	Is there any chance that that slapping
23	incident coul	d have occur before January of '95?
24	A.	If I could take the incidence in order, sir,
25	I would proba	bly say let's see. The nose breaking, the

1	slap was after that. I would say somewhere around March,				
2	I would think.				
3	Q. Do you recall what month it was when the				
4	children were taken into protective custody by whomever				
5	did it?				
6	A. No, I don't.				
7	Q. Was this before or after the slapping				
8	incident in the parking lot?				
9	A. I think that was after.				
10	Q. Did you ever hear Debra having conversations				
11	with James on the telephone?				
12	A. I usually walked away on those occasions.				
13	Q. So you never heard her have a conversation				
14	with him on the telephone?				
15	A. No.				
16	Q. I don't have any other questions?				
17	MR. OWENS: Nothing more.				
18	THE COURT: May this witness be				
19	discharged?				
20	MR. OWENS: Yes.				
21	THE COURT: Thank you, sir.				
22	You may step down. Thank you, Mr.				
23	DiGiacomo.				
24	THE COURT: We'll go ahead and take the				
25	lunch time recess.

I LAS VEGAS, CLARK COUNTY, NEVADA, WED., MAR 14, 2007 7 2:02 p.m. 3 -0(A)» ME OWENS: When we got back from lunch, my secretary --THE COURT: Hold on one second. Officers, will one of you tell Leslie to hold on 8 one second, please. Thank you very much. All 9 right. We'll be on the record in C131341 outside 10 the presence of the jury. The record will reflect 11 Mr. Chappell is present with his attorneys, and the 12 State's attorneys. Mr. Owens, 13 MR. OWENS: Yeals. When we got 14 upstairs a little while ago, my secretary said Mike 15 Pollard -(Remarks off the record.) 16 17 MR. OWENS: That Mike Pollard called. 18 We've been trying to contact him through his mother 19 and he hadn't been responding. I guess he just 20 climbed in a car and drove here so he's in town so 21 I offer that to the defense if they want to call 22 him for additional cross on any of the subjects 23 that we covered. Other than that, there's a possibility 25 we may call him to make a statement about victim

I impact because I don't think they went into that 2 too much.

MR. SCHIECK: If I might, the need to 4 call him from victim impact ties into my objection 5 to the testimony of Ms. Mancho as to the victim

6 impact on her. It's our position that victim 7 impact is limited to actually the families of the

8 victim, not to everybody that knew the victim, and 9 that's why we object to the relevance. We would

10 object if they wanted to offer that through

Mr. Poliard also.

THE COURT: All right. What about as 13 to that issue, Mr. Owens?

MR. OWENS: Well, you know, in the 15 cases that I've read about victim impact it doesn't in seem to be limited to that at all. If a person

17 dies, it could have an impact on any number of 18 people not just close family members. At some

19 point the Court could restrict that but I mean I've 20 called coaches, friends, work, you know, people

2) from the workplace and even people in the community

22 if they had a larger community impact.

THE COURT: Well, I agree that it's 23 24 primarily something that pertains to the family. A 25 lot of times the victim impact is kind of crossing

- 1 in the master bedroom. She came up behind me, she grabbed 2 me around my waist and she asked me could she get on top 3 of me.
- 4 Q. You mean get on top of you sexually?
- 5 A. Yeah. She know I used to love her on top of 6 me and she ask to get on top of me and I told her no.
- 7 Q. What happened next?
- 8 A. She performed oral sex on me.
- 9 Q. Had you hit her at all at of this point?
- 10 A. No, sir.
- 11 Q. This was consensual oral sex she performed
- 12 on you?
- 13 A. Of course. Yes, sir. I never pressured her
- 14 in having sex with me. Never. Never had to.
- 15 Q. What happened next?
- 16 A. She was done, got up and went into the
- 17 bathroom. I put my clothes back on. She went and got on
- 18 the phone. She said I'm going to call the day care and
- 19 see what time I have to pick up the children. I said,
- 20 okay, I want to see them anyway.
- Q. Were you right by her when she was talking
- 22 to day care?
- 23 A. No, not at the beginning, sir. No.
- 24 Q. Where were you?
- 25 A. I was in the bathroom.
  - Q. Now, did she put her clothes back on after
- 2 the sex?
- 3 A. Yes, she did.
- 4 Q. You put your clothes back on?
- 5 A. Yes, sir.
- 6 Q. So you can't say exactly what she said to
- 7 the day care people?
- 8 A. No. She wasn't talking that loud so I
- 9 couldn't hear what she was saying. I knew she was talking
- 10 to the day care though.
- 11 Q. At that time when she called day care the
- 12 first time would you be surprised to hear that he said -
- 13 excuse me -- to hear that she was scared?
- 14 A. Yeah. When I read that I couldn't believe
- 15 that because I didn't hear her say none of that. When I
- 16 walked in there I heard her say 5:30. That -- did you
- 17 have to pick them up at 5:30, and she said okay. I told
- 18 her tell them that we're going to be there. And that's
- 19 when she told the lady.
- 20 Q. Now, the lady called back didn't she?
- 21 A. Yes.
- 22 Q. Were you there when she talked to the lady
- 23 at that time?
- 24 A. Yes, sir.
- 25 Q. How was Debra by then?

- A. She didn't seem to me scared.
- Q. Do you think she was scared the first time
- 3 she called them?
- 4 A. When I came in there, she did look like she
- 5 was scared the first time.
- 6 Q. You think she was scared of you?
- A. I think that she knew she had got caught.
- Q. When you say, got caught, got caught doing
- 9 what?

1

- 10 A. She knew I knew she had been messing around.
- 11 I know Debbie. I know Debbie better than probably
- 12 anybody.
- 13 Q. Now, when she called the day care center had
- 14 you done anything violent towards her that day?
- 15 A. No, sir.
- 16 Q. Had you threatened her with violence?
- 17 A. No, sir.
- 18 Q. Okay. They called. She talks to them. And
- 19 then what happened?
- 20 A. She said we're on our way. We're coming to
- 21 pick up the kids.

77

- 22 Q. So what happen next?
- 23 A. We got ready to leave. We walked out the
- 24 door. The bike I road over there, she grabbed the bike
- 25 and placed it in the front porch for me. We started

79

- 1 walking towards the car.
- Q. Was this the Toyota that you've seen in
- 3 pictures here in court?
  - A. Yes, sir.
- Q. Go on.
- 6 A. She asked me did I want to drive. I told
- 7 her, yes. We walked along to the car. I looked on the
- 8 side of the house, there was a whole box full of beer cans
- 9 and I asked her who was drinking all that beer.
  - Q. Now, did she drink?
  - A. No, she did not.
- 12 Q. So what did you think when you saw the beer
- 13 cans?

10

11

- 14 A. That there had to be some kind of little
- 15 parties going on there. There was lots of them. Lots of
- 16 them.
- 17 Q. Go on.
- 18 A. We got in the car and when I got in the car
- 19 I looked around and the car was all trashy, papers
- 20 everywhere, beer cans on the floor. I tried to turn the
- 21 air-conditioner on but it was broke. The gear shift was
- 22 cracked. The ceiling to the car was ripped all off. The
- 23 light in the back window was broke, busted. I asked her
- 24 who did all that. She said the kids did it. I started up
- 25 the car, backed out.

21	Q. They were not excuses you accepted; is that correct?	21	Q. You've seen the knife in court, 68 A-1, that

۷)	A. NOT HIMEOTATETY, STr.	25	A. No, it was not.

- Q. So when you're on top of her, you say you showed her this knife?
- 3 A. Yes.
- Q. What did you do, reach over and take it off
- 5 the table?
- 6 A. Yeah.
- 7 Q. What was your purpose in showing her the
- 8 knife?
- 9 A. I was trying to get information out of her.
- 10 That's it.
- 11 Q. You were trying to use the knife to coerce
- 12 information out of her, is that true, Mr. Chappell?
- 13 A. Yes. I guess so, sir.
- 14 Q. You were trying to find out if she had a
- 15 boyfriend?
- 16 A. I didn't ask her that.
- 17 Q. What type of information were you trying to
- 18 get out?
- 19 A. I don't remember what questions I asked her.
- 20 I know I asked her where she had been.
- 21 Q. You were jealous?
- 22 A. No. Not at that point, no. I was just
- 23 concerned and she had me worried. And when we argued
- 24 about it she said a couple of things that I got upset
- 25 about.

You weren't concerned about the baseball

- 2 scores were you, or the weather forecast. What type of
- 3 information were you trying to get her to divulge by
- 4 showing her a knife?
- 5 A. I just wanted to know where she had been.
- 6 That's it.
- 7 Q. Did you feel you were entitled to know where
- 8 she had been?
- 9 A. She asked me every time when I was gone
- 10 where I had been.
- 11 Q. Well, obviously, if you had to put her down
- 12 on the bed and get on top of her and show her a knife, she
- 13 didn't want to tell you what you wanted to know. Is that
- 14 safe assumption?
- 15 A. That could be.
- 16 Q. Do you feel like you are entitled to get
- 17 answers from her?
- 18 A. I answered her when she asked me, so I
- 19 expected the same thing.
- 20 Q. You weren't married, were you?
- 21 A. No. We didn't make it, sir.
- 22 Q. She hadn't made any marital commit to you,
- 23 had she?
- A. She told me, you get me a ring, I'll marry
- 25 you. That's what she told me.

- Q. Did you ever get her a ring, Mr. Chappell?
- 2 A. No, I did not, sir.
- 3 Q. You say you showed her the knife. Did you
- 4 threaten her with the knife?
- A. No. I just was asking questions and just
- 6 showed her the knife. I didn't threaten her. I didn't do
- 7 nothing with the knife. No, sir.
- 8 O. Officer Allen Williams testified about this
- 9 incident and said it was related to him by Debra that she
- 10 had been threatened?
- 11 A. No.
- 12 O. With the knife.
  - A. He was false also, sir.
- 14 Q. Dina Freeman the employee with the Tucson
- 15 Police Department is a liar. Is that what you're telling
- 16 us?

13

1

- 17 A. What she said in her testimony in this
- 18 courtroom was false.
- 19 Q. Daniel Diersdorf from the Metropolitan
- 20 Police Department is a liar?
- 21 A. I don't remember everything he said. I
- 22 remember exactly everything she said.
- 23 Q. Well, you said he lied about how you were
- 24 acting when they came to the mobile home on January the
- 25 9th. He's a liar?
- 115
- A. Are you talking about the cup incident.

  Q. I'm talking about the day that Debra's nose
- 3 was broken by you.
- A. Yeah. He said I was sitting there watching
- 5 TV. That's not true. The TV was not in the living
- 6 room.

7

113

- O. So Diersdorf also is a liar?
- B A. I can't call him no liar. But when he said
- 9 I was sitting there watching TV, that was false.
- 10 Q. So you were standing watching TV?
- 11 A. No. When they opened the door, I sat down.
- 12 He came inside -- two of them came inside and they grabbed
- 13 me. My son James Panos seen the entire incident and was
- 14 crying and screaming, and they were telling him to go sit
- 15 down. Everything would be okay. They slammed me all over
- 16 the place and took me to jail in my boxers, sir, and my
- 17 socks. That's it. I didn't even get a chance to talk.
- 18 They came in. They roughed me up and move me
- 19 quickly to the vehicle and slapped me on the hood and put
- 20 me in the car.
- 21 Q. You thought that was inappropriate police
- 22 conduct regarding someone battering his girlfriend?
- 23 A. In that situation, yes. They were out of
- 24 control. Yes, they were.
- 25 Q. You hadn't been out of control?

- A. They were out of control that day. 1 0. And furthermore, is your allegation that on 2 June 1st, 1995 Officer Williams got information which was false. You did not threaten Debra Panos with a knife? No. I didn't say no threats to her. She 6 might have considered my actions as threatening, but I 7 didn't say no threats towards her. No, I did not. Why in the world would she think that, just because you put her down on the bed and got on top of her and showed her a knife? A. I'm pretty sure any woman would be scared in 11 12 that position, sir. Q. You wanted her to be scared, didn't you? 13 A. I just wanted to get information from her. 14 15 I admit I seen that it wasn't working so I got rid of the 16 knife, sir. And I let her up. After her roammate knocked on the bedroom 17 18 door; isn't that true? No, no. No, because I had — I remember 19 putting the knife on the dresser. I was not even on the 21 bed when she knocked on the door. No, that's not true. Q. Didn't Claire interrupt what was 22 23 happening? No. Claire did not open the door and come 24 25 inside or nothing. That did not happen, sir. 117 While you were asked on direct examination 2 if you had said some degrading things to Debbie Panos in 3 letters you sent from jail, do you remember that 4 question? A. Yes, sir. Do you remember stating that in the last two Q. 7 letters you said some degrading things? 8 Α. Yes. 0. When were the last two letters written? 9 A. I stayed in the city nine days, so it was 10 11 before that. Between August 5th and August 15th. So we're talking about letters written 12 13 within a few weeks before you kill her; is that correct? That was the last letters I written, sir. I 14 Α. 15 am not sure of the exact dates, but they were the last 16 ones I written. And you told your counsel that you wrote the 17 18 letters because you were feeling lonely, and you were very 19 depressed, and you were hurt, and you were devastated. A. Right. Exactly. 20 Why, Mr. Chappell, why did you have those 21 Q. 22 feelings? Α. Because the things she was telling me on the 23 24 phone. You already suspected her of being Q. 25 118
- 1 unfaithful, didn't you? I asked her and she told me no. So I didn't 2 A. 3 pressure her about that. Q. Well, you had some pretty strong suspicions. 5 Dich't you call her a slut? I did write that, yes, sir. 6 Α. Dich't you call her a bitch? Q. I did write that, yes, sir. Α. Q. Did you call her a whore? 9 I did write that, yes, sir. 10 Α. You called her stupid? Q. 11 12 I don't remember writing that. If I wrote 13 it -- if I wrote it --0. You even made a religious judgment. You 14 15 said she was going to hell; is that correct? I don't recall writing that, sir. 16 You don't recall writing that? 17 A. 18 No. Did you ask her at any time in your 19 0. 20 correspondence if she had AIDS yet from sleeping around 21 with other men? A. All through our relationship, you know, we 22 23 would talk about that situation. Talking about people 24 being unfaithful and we would just — we just would 25 conversate (sic) about what was going on around the world 119 1 and with other people and how everybody around in our 2 community and stuff was getting that disease. I just 3 wanted to put AIDS in her mind, and let her know that 4 sleeping around wasn't good, if she was doing it, sir. Q. Did you ask her if she had AIDS yet? I remember writing something like that, 6 A. 7 yes. Q. Now, why would you ask that type of 9 question, and why would you call this woman that you're 10 representing to us here today in this courtroom as being 11 someone you loved, why would you call her a whore, and a 12 slut, and a bitch? I was upset at that time, sir. 13 Α. 14 Q. Obviously very upset? 15 Α. I was upset. What made you so upset that you would 17 characterize her in very hateful, degrading language? I was upset about numerous things. I wrote 19 those things, and I'm sorry. I told her I was sorry. We 20 talked about them letters before I got out of jail, sir. 21 And I apologized to her over the phone. 22 You said you talked to Debra Panos the day 23 before you killed her, August 30th? - A. Exactly. She would have picked up the phone if she was home.
- 3 Q. So approximately what time is it that she is 4 supposedly calling the day care center about the
- 5 children?
- 6 A. I didn't see no clock, sir, so I don't
- 7 know.
- 8 Q. You don't know why she had called the day
- 9 care center?
- 10 A. She said let's go pick up the kids. We was
- 11 going to get the kids.
- 12 Q. I thought you mentioned she was talking with
- 13 someone and you heard her mention 5:35?
- 14 A. The lady told her that she had to pick up
- 15 the children by 5:30. She said that in her testimony.
- 16 Q. It certainly wasn't close to 5:30, was it?
- 17 A. No. That's what I asked her. I knew right
- 18 away that she said she had to take the kids at 7:30, drop
- 19 them off at 7:30. I knew right then that she didn't have
- to pick them up until later in the afternoon, but I told
- 21 her I wanted to see them anyway. I wanted to see them.
- 22 Q. But you said she was acting scared when she
- 23 was on the telephone?
- 24 A. She looked nervous to me. If she was
- 25 scared, then -- I think if she was scared she probably
- 1 would have ran or left the mobile home while I was in the
- 2 bathroom. So I don't think she was scared. She was just
- 3 nervous.
- 4 Q. Nervous at you.
- 5 A. Nervous of the condition of her vagina, and
- 6 she knew that I was upset about it.
- 7 Q. That you had accused her of unfaithful?
- 8 A. I asked her who she had been with, and she
- 9 said nobody.
- 10 Q. Had you threatened her?
- 11 A. No, I did not.
- 12 Q. Sheri Smith has testified earlier in your
- 13 trial. Do you remember her, the young lady from Angel day
- 14 care Center?
- 15 A. Yes.
- 16 Q. She testified that she asked Debra Panos if
- 17 she could get away from you and come by herself to the day
- 18 care center and Debra said, no.
- 19 A. I also read that in her statement. I didn't
- 20 hear none of that, so I don't know.
- 21 Q. At this point was Debra Panos free to go
- 22 somewhere by herself?
- 23 A. We had both agreed to both going to get the
- 24 children, so I don't know why that was said over the
- 25 phone.

- Q. If she had not agreed to let you go with
- 2 her, would you have gone along with her?
- A. Yeah, I would have gone along with her
- 4 because I wanted to shower and change and all that anyway,
- 5 sir

- 6 Q. Sheri Smith also said that twice during the
- 7 telephone conversation Debra asked her for help?
  - A. I heard that, sir.
- 9 Q. Why would Debbie be asking this employee of
- i) the day care center for help?
- 11 A. I don't know, sir. She had a chance to call
- 12 911, if she was really scared. If she didn't do it -- so
- 13 she couldn't have been really scared, sir. She was
- 14 nervous, but she wasn't scared.
- 15 Q. Well, you told us a little earlier she was
- 16 more than nervous. You said she was scared, and you
- 17 figured that was because she knew -- she knew I knew she
- 18 had been messing around. Isn't that what you told us
- 19 earlier?
- 20 A. She was probably thinking that in her mind,
- 21 yeah. I don't know what she was thinking about.
- 22 Q. Were you also asking Debra for money.
  - A. No. I asked Debra when we pick up the kids
- 24 could we all go out and eat together and she said she
- 25 didn't have no money. We used to go out and eat together
  - 139

1 a lot.

- Q. Well, you told us that the two of you left
- 3 together, and you went out to the car and she was going to
- 4 let you drive?
  - A. Yes. We left together. She asked me, do
- 6 you want to drive and I said, yes. She handed me the keys
- 7 and we went to get -- to go get in the car.
- 8 Q. You've seen the car depicted in Exhibit 56
- 9 through 60, the photographs?
- 10 A. Yes, sir.
- 11 Q. Is that Debra's car?
- 12 A. Yes, sir.
- 13 Q. It wasn't your car, was it?
- 14 A. No, it wasn't.
- 15 Q. Did you have a key to the car?
- 16 A. No, I did not.
- 17 Q. Did she let you have your own key to her
- 18 car?
- 19 A. No.
- 20 Q. You hadn't made any of the payments on the
- 21 car?
- 22 A. When she got the car, she only paid a
- 23 thousand bucks for it. It didn't need a payment.
- Q. Well, that was a thousand dollars more than
- 25 you had, wasn't it?

- 1 Q. On the first day of September 1995, you
- 2 performed an autopsy on Debra Panos?
- A. Correct.
- 4 Q. And that was done over at the coroner's
- 5 office?
- 6 A. Yes.
- 7 Q. And your autopsy usually involved a visual
- 8 examination, external examination, and internal
- 9 examination?
- 10 A. That's correct.
- 11 Q. I would like to take those one at a time, if
- 12 you would. First, if you would give us the physical
- 13 characteristics of the victim in this case?
- 14 A. The body of this lady, she looked fairly
- 15 young, mid 20s perhaps, about 5 feet 5 inches tall, 140
- 16 pounds, well-developed, well-nourished.
- 17 Q. What did you notice in your external
- 18 examination of Debbie Panos?
- 19 A. First it was very obvious she had suffered
- 20 injuries to the neck and scattered areas of other parts of
- 21 the body. Mainly concentrated in the neck area. There was
- 22 a lot of bruising, particularly of the face. Some
- 23 bruising around the neck also.
- 24 Scattered bruises on the right arm, shoulder, right
- 25 hand, back of the right wrist. She also had multiple stab
- 1 wounds, a total of 13.
- 2 Ten were concentrated in the neck and upper chest
- 3 area, over about three-and-a-half inches in diameter,
- 4 roughly the size of my palm.
- 5 One in the abdomen right next to the umbilious or
- 6 naval. Another lower down in the right groin area, and
- 7 one -- a small one over here on the left side of the neck,
- 8 below and behind the left ear.
- 9 Q. Did you also find evidence of abrasions?
- 10 A. Abrasions on the face. I think one on one
- 11 of the knees, a very small one.
- 12 Q. When you say abrasions, what is that
- 13 exactly?
- 14 A. An abrasion is simply a scraping wound.
- 15 We've all had them at one time or another. For example,
- 16 if we have short sleeves on walked down a hall with rough
- 17 plaster and banged the elbow into the rough plaster you're
- 17 praster and banded due entow theo die rough praster you
- 18 going to get an abrasion.
- 19 Q. You mentioned that you saw evidence of 13
- 20 stab wounds total, most of them were in the upper chest
- 21 and neck area?
- 22 A. Correct.
- 23 Q. How about lower on her body, what did you
- 24 see?
- 25 A. One in the abdomen, and one down in the

- 1 right groin.
- Q. Did you conduct an internal examination
- 3 then?
  - A. Yes.
- 5 Q. What did you find out when you conducted the
- 6 internal exam?
- 7 A. Let's take care of those two wounds lower
- 8 down, one in the abdomen, one in the groin. The one in
- 9 the abdomen had penetrated through the abdominal cavity to
- 10 the back wall of the abdominal cavity, but it didn't hit
- 11 anything significant. No vital organs. There was bleeding
- 12 around that area.
- 13 Q. So it went all the way through to the back
- 14 wall?
- 15 A. To the back wall of the abdomen. That's not
- 16 very far, three or four inches.
- 17 Q. Your're indicating three or four inches.
- 18 Okay.
- 19 A. But that's variable because you can compress
- 20 that considerably with not much pressure.
- 21 O. Okav
- 22 A. So anyway, this one did penetrate to the
- 23 back wall of the abdomen, but as I said, didn't hit
- 24 anything major, some bleeding. I would not consider it a
- 25 really major wound.

- Q. So a person could survive that injury
- 2 alone?
- 3 A. Yes. I think if you were hospitalized for a
- 4 few days, put a drain in it so any fluid can escape,
- 5 antibiotics, you'd be able to walk home.
- 6 Q. What else did you see?
- A. In the wound in the lower groin, right in
- 8 the crease between the abdomen and the thigh, this is
- 9 penetrated about two inches. Again, did not strike
- 10 anything important, very little bleeding. Another one you
- 11 could create very readily and not worry about it.
- 12 Q. So there was nothing life threatening about
- 13 the stab to the groin area?
- 14 A. No.
- 15 Q. What else did you see on your internal
- 16 exam?
- 17 A. Internally everything looked normal,
- 18 certainly in the abdomen. The right side of the chest,
- 19 the heart was normal and healthy. Looking at the left
- 20 side of the chest between the lung and the chest wall had
- 21 quite a bit of blood, almost a quart. The stab wound had
- 22 penetrated just undermeath the left collar bone and slid
- 23 in between the first and the second rib, went through the
- 24 upper part of the left lung, hit a rib in the back of the
- 25 chest cavity. Total distance probably not more than

164

- 1 three-and-a-half, four inches, perhaps. 1 Penetration of the lung didn't look very serious, 3 but it was. It resulted in very considerable bleeding. I was rather surprised at the amount of bleeding. That's what accounted for the blood you found in the left side of the chest cavity? Yes. Okay. What else? Q. A. Internally, that was about it until you get 10 well? to the neck. 10 Tell us about the neck? Q. 11 11 A. Okay. In examining the internal structures 12 12 13 of the neck, we have these ten stab wounds in here. We 13 14 have one that cut the right internal jugular vein, about 15 half into. One that hit the right internal right common 16 too. 16 17 carotid artery in here. Cut it, but not completely 17 18 brain? 18 through. Other one did the same thing on the left on the 19 19 left common carotid artery. We had one that hit the 21 thyroid gland and went in through the airway, went through 22 the larynx -- the voice box. Again, into the airway. So 23 we have major damage to several very, very important 24 structures here. 0. What are the carotid arteries? 25 165 The carotid is the artery with supplies Α. 2 blood to the head and most of the brain. So what is the affect of having that cut? 3 A. The brain loses its blood supply because
- 5 with a partial or complete severance of the artery, there 6 is no blood pressure above that point. The heart may keep pumping for a little bit, but you can't move blood to the 8 brain. Blood carries the oxygen to all parts of our body,
- 10 including the brain. If the brain doesn't get a normal 11 blood supply, normal oxygen supply it has a very limited 12 oxygen reserve. On average it's got fourteen seconds 13 before the person losing consciousness. If that continues for a total four to five minutes, 14 15 we begin to get irreversible cellular damage to the brain 16 and even if we were to resuscitate this individual, there 17 would be some residual brain impairment. If we go on without establishing circulation of 18
- 19 much longer then that, there is no chance of recovery. What kind of arterial bleeding would be Q. 20 present with this type of injury? It would be very profuse. 22 A. Can you explain that for us? 23 Q. A. Lots and lots of blood around the neck, 24 25 head, floor, carpet whatever she was on.

- Would you have that affect of the spurting Q. 2 of the blood out for a distance? This would depend on the location, nature of 4 the wound, position the head is in, if it's compressing 5 the tissue around an injury, or it's opening it up. I 6 wouldn't try to predict. But you could have that kind of bleed? A. Yes. Q. There would be bleeding internally as A. Yes. Q. What about the jugular vein? The jugular, this is a major vein returning Α. 14 blood from one side of the head and upper neck back to the 15 heart. Lose this, and you're going to lose a lot of blood What would the affect of that be on the Q.
- It would not be as much of an affect as the 20 arterial damage. In other words, the brain — if this was 21 the only injury we have, one jugular vein cut, the brain 22 would have a much longer period of survival because the 23 artery is coming not back to the heart, but pretty soon 24 you have heart failure and death.
- You would have bleeding both internally and 167
- 1 externally? Externally there would be a little breeding. 3 Internally not much pressure in the venous system, very 4 minimal pressure, so it's not going to force blood out 5 into the tissues. Q. You mentioned the trachea had been injury as 7 well?

Yes.

- What would by the affect of that injury in 9 10 the context of the jugular and carotid arteries? The tracheal wound, the trachea being the 11
- 12 windpipe, is a serious thing. And in this case we have a 13 fair amount of blood in the trachea blocking the airway. 14 So that's a major problem.
- 15 Q. So she would have had blood in her air 16 system?
- In her upper airway, yes. 17 A. 0. Based upon the examination that you 18
- 19 conducted, external and internal, did you come to a
- 20 conclusion about the cause of Debra Panos' death?
- A. Yes. 21

Α.

- What is that? Q. 22
- She died as a result of stab wounds to the 23 A.
- 24 neck.

25

166

Q. And the manner of death being?

In my opinion homicide. A. 1 You also, as a part of your examination, 2 Q. 3 would have examined the reproductive organs externally and internally? A. Yes. You didn't see any evidence of damage or Q. б anything unusual there? A. I saw no injury. 9 A sexual assault kit was taken by crime Q. scene analyst for later testing? 10 I believe it was. That is their job. I 11 12 will assist or do what I can to help them, but it's 13 basically their responsibility. Q. Okay. 14 MR. OWENS: I ask that the next exhibit be 15 15 16 135 for identification. 16 knee? THE COURT: Sure. 17 17 MR. OWENS: If I could, with the court's 18 19 permission, have the doctor to step down. 19 THE COURT: Dr. Green, go ahead and step 20 21 down, please, sir. 22 BY MR. OWENS: 22 This chart that I'm putting up, you are 23 23 24 familiar with this. This is a chart you use quite a 24 25 bit? 169This is an enlargement of the standard Α. 2 anatomical chart that we use. Many, many offices use the 3 same thing. There's lots of different charts, male body, 4 various body parts, and so on. We use these to show external changes. We have three different colors, I think that you have got before court. Pull out the brown one, what 8 I'd like to have you do is identify the areas of bruising 9 or contusions on the body of the Debra Panos on this 10 chart. 10 MR. Schieck: Your Honor, could we angle 11 12 it about three inches more and we'd be able to see it. MR. OWENS: How's that? 13 MR. Schieck: Is it okay from over there? 14 THE COURT: Thank you. 15 MR. Schieck: Thank you, very much. 16 THE WITNESS: Okay, bruises. 17 Let's start with the forehead. We had an 18

1 inches up and down.
                   Bruising over here on the right cheek.
3 Something that I recall about an inch-and-a-half in
4 diameter. A lot of bruising on the right ear. That's
5 really puffy.
                   Bruising of the neck, particularly, I
7 think something in here. Those are the major areas of
3 bruising on the head.
                   Now, we also have some bruising on the
1) right upper arms, kind of patchy and irregular. Some
11 bruising on the back of the right hand and over here on
12 the wrist as well. Those are the primary areas of
13 bruising.
14 BY MR. OWENS:
          Q.
                 There was one bruise or abrasion to the
                 That was a little abrasion on -- I think it
18 was on the left knee.
                 Hold off on that. You've got the orange
20 one. We'll see if that works. Go ahead and identify, if
21 the orange one is working, the area of abrasions?
          A.
                 Okay.
                 If not I have a back up here.
                 Let's see here. On the left knee -- and
25 this wasn't very big, half an inch whatever.
                                                          171
          Abrasions — let's see. We had some abrasions up
2 here in association with a bruise. We had a very
3 prominent abrasion at the point of the chin here. That
4 would be three quarters of an inch to an inch maximum.
                   Yes, we had abrasions over here, about the
6 angle of the right jaw.
                 If you can take a moment and explain what
8 type of a mechanism would cause the type of trauma you've
9 indicated here, this bruising and abrasions?
                 A bruise, obviously, is forceful contact
11 between our skin and something either striking the skin or
12 we're striking the object. The fact is we break a lot of
13 little capillaries underneath. We leak blood. That gives
14 us the red color. If they leaked very much, we get
15 swelling. The tissue reaction is more fluid pours out of
16 the tissue and makes the swelling worse. The amount of
```

17 color change is pretty much a function of how hard you 18 were hit, or how hard we hit whatever it is. The abrasion I mentioned earlier is a 20 skidding, sliding type of injury. The bruises, we've all 21 had them. Anybody not have a bruise? You all know what 22 I'm talking about. 23 Q. The bruising, can be caused by what kinds of 24 objections? Any solid object, you name it. If it's Α.

172

- $\ensuremath{\text{1}}$  solid and it hits the skin, it can cause a bruise. We see
- 2 tremendous bruising in motor vehicle accidents. I've seen
- 3 bruises that took three-and-a-half months to disappear. I
- 4 know, my wife had one once -- seat belt injury to her 5 hip.
- 6 Q. Bruising from this kind of injury could have 7 been caused by a fist?
- 8 A. Possible.
- 9 Q. Or some other blunt object?
- 10 A. A fist is a good possibility. But I
- 11 couldn't say it's the only possibility.
- 12 Q. How about the abrasions?
- 13 A. The abrasions may come in conjunction with
- 14 or as a result of the impact. The impact skids a little
- 15 bit, it may take some skin off and gets a scraping
- 16 affect.
- 17 Q. So in this case it could be the same type of
- 18 mechanism that caused both the abrasions and the
- 19 bruising?
- 20 A. That's possible, certainly.
- 21 Q. You also identified and talked about certain
- 22 areas of cutting -- the stab wounds?
- 23 A. Yes.
- Q. And the wounds you have described, were
- 25 these all stabbing rather then the slashing type wound?
- 1 A. Correct. We don't have any slashing
- 2 wounds.
- 3 Q. Okay. If you could get your red pen out.
- 4 I'll have you identify the knife wounds or the cutting
- 5 wounds you saw.
- 6 A. Okay. We have this one in the groin, just
- 7 above the crease. That penetrated a couple of inches.
- 8 We have one by the navel. That's the one that went
- 9 into the abdominal cavity.
- 10 We have a total of ten up here in the neck, from
- 11 the neck and the upper chest. But the chest we have one
- 12 right about here, right over the top of the breast bone.
- 13 Another one right here. This is the one that slid
- 14 in between the two ribs and got the left lung.
- 15 We have one over here. A couple up here. Three
- 16 there. A couple over in here.
- And finally, there's a little one in the left side
- 18 of the neck, just below the ear.
- 19 I think we have a total of 13.
- 20 Q. You've got 13 total on there, doctor?
- 21 A. I believe we did.
- Q. If you can kind of stand out to the side and
- 23 sort of identify which ones they are that you've drawn in
- 24 the red pen.
- 25 A. Okay. These we have talked about. This is

- 1 the one that got the left lung and caused that large
- 2 amount of bleeding in the left side of the chest cavity.
- This one here over the breast bone didn't do any qreat harm.
- 5 These you can't really tell which one did which.
- 6 They are so close together and overlapping, but one of
- 7 these got the right external jugular vein. One gct the
- 8 right carotid artery. One of these over here got the left
- 9 carotid artery. One or two of them bled into the airway,
- 10 larynx, trachea. Which one did which, I don't think we
- 11 can -- anybody could do it.
- 12 Q. What do you mean by that?
- 13 A. When they are crisscrossing in a small
- 14 space, you've got damage to multiple structures, which are
- 15 pretty mobile. The airway, for example, we can move that
- 16 around. It would be pretty hazardous to try and say this
- 17 one on the outside did this on the inside, when you've got
- 18 a bunch in there.
  - Q. These were fairly concentrated?
  - A. They were, yes.
- Q. What kind of a weapon would cause these
- 22 types of injuries?

23

- A. Most likely a knife with a probably a
- 24 fairly narrow blade.
- 25 Q. What can you tell us about the intervals of
  - Q. what can you tell us about the intervals of
- 1 the wounds that you put up here, the bruising, the
- 2 contusions and the knife wounds, time-wise?
- 3 A. Well, the knife wounds in the neck are the
- 4 clear cut cause of death. The bruises take some time to
- 5 develop. I would think, to put a minimum time, between
- 6 the bruises, say, on the forehead and the face and the
- 7 time of death, we're looking probably at 15 to 30 minutes
- 8 minimum. Somewhere in that ballpark. It could be a
- 9 little more. Probably not much of any less.
- Q. The bruising the bruising trauma would
- 11 have preceded the injuries to the neck caused by the
- 12 cutting?
- 13 A. Yes. Because it couldn't come afterwards.
- 14 You can't bruise a dead body. You can hit it, it won't
- 15 bruise. It won't give you anything you can see.
- Q. What about the knife wounds themselves. You
- 17 mentioned there were a couple down lower on the body, the 19 abdomen and the groin area that were not life threatening.
- 19 Can you tell anything about those, and the other serious
- 20 kmife wounds up around the neck as far as the progress of
- 2) writte works up atourn the new as tall as the progre
- 21 those wounds or pattern of timing?
- 22 A. The wound to the abdominal cavity may well
- 23 have been early in the game here. We have some internal
- 24 hemorrhage resulting from this. If this had been
- 25 inflicted at or after the time of death you would not have

- 1 had any hemorrhage. So I think this one came earlier,
- 2 then the ones which killed her.
- 3 Q. Why wouldn't you have hemorrhaging in the
- 4 abdominal one if it was at the same time as the ones on
- 5 the neck?
- 6 A. We're going to lose blood pressure here.
- 7 Q. Pointing to the neck area?
- 8 A. The neck area. If you get the carotid
- 9 artery, the pressure goes down very, very quickly and
- 10 circulation essentially stops.
- 11 Q. Other then that time difference, is it your
- 12 sense that the knife wounds were largely contemporanious
- 13 with each other?
- 14 A. Those in the neck, yes.
- 15 Q. Why would you say that?
- 16 A. The appearance of them. There's certainly
- 17 not a long time interval between any two of them. They're
- 18 clustered very close together, which argues for rapid
- 19 repeated action of the assailant.
- 20 So I think it's safe to assume that these came at
- 21 or about the same time.
- 22 Q. All right. There a number of photos that
- 23 were taken at the autopsy of this case.
- 24 A. Yes.
- 25 Q. You have had a chance to review those prior
  - 173

- 1 to your testimony?
- 2 A. Yes.
- Q. You reviewed them when you testified ten
- 4 years ago, as well?
- 5 A. Probably did.
- 6 Q. If I can have you step over here in the
- 7 middle between the chart and the screen there, Doctor.
- 8 A. Okay.
- 9 Q. I'll pull this chart this way and give you
- 10 same room. If I can direct your attention to the screen.
- MR. SCHIECK: For the record, we have an
- 12 objection we'd like to preserve on that.
- 13 THE COURT: Objection noted for the
- 14 record.
- 15 BY MR. OWENS:
- 16 Q. For the record, I'm putting Exhibit No. 31,
- 17 on the screen. Are you able to see that, Doctor?
- 18 A. Yes.
- 19 Q. If you can tell us what we're looking at
- 20 here as far as the injuries on your chart?
- 21 A. Here is a very obvious bruise of her left
- 22 cheek. See all this red discoloration, huge patch here,
- 23 extends up into the temporal. We have this brownish area,
- 24 these are abrasions. They're dry.
- 25 So we have a combined effort and this suggests some

- 1 kind of abrasion or sliding over here. It may have been
- 2 due to some fabric she had been lying on?
- 3 Anyway we have some bruising here, discoloration.
- 4 We don't see -- we don't see that little stab wound to the
- 5 neck. That's possibly back here?
- 6 We do see several of the stab wounds in front of
- 7 the neck and just barely you can see this abrasion, scrap
- 8 of the chin. I think that's pretty much what we have
- 9 here.
- 10 Q. It's your testimony, Doctor, that the same
- 11 object, whether it be a fist or some other blunt object
- 12 could have caused the abrasions as well as the bruises
- 13 that we see here?
- 14 A. Yes, definitely.
- 15 Q. Let me put another -- for the record we're
- 16 looking in this photo of the left side of victim's face.
- 17 A. Right.
- Q. We'll put Exhibit No. 38, on the screen now.
- 19 Still the left side but a little further down the reck is
- 20 visible?
- 21 A. It's essentially upside down. Here we have
- 22 the left ear. Somebody holding a ruler. And the ruler
- 23 here is for photographic purposes. The scale is metric.
- 24 You have one centimeter intervals. One centimeter being
- 25 almost exactly two inches. And here is the little stab
- 1 wound to the neck, half a centimeter long, perhaps.
- 2 This one went inside and really didn't do
- 3 a lot of damage.
  - Q. Showing you what is marked as Exhibit No.
- 5 39. This is the left forehead area.
- 6 A. Yes, yes. Mainly the scraping injuries.
- 7 This is the deepest wound that we had. Again there's
- 8 scattered scrapes and bruising. You see the bruise -- big
- 9 bruise on the forehead in this picture.
- 10 Q. You say a fist is capable of causing that
- 11 type of abrasion?
- 12 A. It can happen. It's kind of surprising to
- 13 see one this deep, but not impossible.
- Q. Going over to the other side now. The right
- 15 side of the face, Exhibit No. 42, on the screen. What are
- 16 we seeing in this one, Doctor?
- 17 A. Here we have the right side of the face.
- 18 The right ear. I think I mentioned earlier a lot of
- 19 bruising of this right ear. It's red. It's a little
- 20 puffy. We have combined scraping, abrasions and bruising
- 21 here going around the angle of the jaw.
- 22 You can see some of the other stab wounds of the
- 23 neck. A little bruise down here. Here are the two in the
- 24 chest. This is the one that just hit the breastbone and
- 25 didn't do anything serious. This is the one that went in

- 1 and nicked the left lung.
- Q. We have a view now in Exhibit 40, looking up
- 3 toward the face and chest area.
- 4 A. Here we are looking upward at the face.
- 5 This is a big abrasion of the chin. The other areas of
- 6 damage on the skin. And here we have several of these
- 7 wounds of the neck. Four here. Two here. One here.
- I think we have some over here. We don't see the
- 9 one we've got the one that got the left lung. That's
- 10 the best picture we have of the injury to the front of the
- 11 neck.
- 12 Q. The abrasion underneath the chin, that's
- 13 something that could be caused by a fist is your
- 14 testimony?
- 15 A. Quite possible. The skin at this point is
- 16 fairly thin. There's not a lot of padding under here at
- 17 this point of the chin, so that can't get compressed
- 18 between striking an object and the bone very well.
- 19 Q. Then the exhibit marked No. 46, a view of
- 20 the abdomen area?
- 21 A. Yes.
- Q. What are we seeing in this one, Doctor?
- 23 A. Here we have the navel. It doesn't show
- 24 really well. This is the stab wound right next to it.
- 25 This is the one that went into the abdominal cavity I
- 1 mentioned earlier, but did not produce any major injury.
- Q. What sort of pain would be associated with
- 3 an injury like that?
- 4 A. I don't know. A really sharp knife very
- 5 rapidly used doesn't produce enormous amounts of pain, not
- 6 like if it was slowly applied. But a quick stab, yes,
- 7 you'd know it. It would hurt a little bit. You wouldn't
- 8 think of it as a monumental life threatening thing. You'd
- 9 know it happened, yes.
- 10 Q. But if you were a medical person -- if you
- 11 weren't a medical person, you might think that was more
- 12 fatal?
- 13 A. Sure, you'd worry about it.
- Q. Exhibit No. 47, on the screen now, the one
- 15 of the groin area.
- 16 A. Yeah. Here's the right groin area here.
- 17 Here is the stab wound.
- 18 Q. That doesn't reflect the shape of the knife,
- 19 it's been stretched a little?
- 20 A. Not necessarily. Because basically the
- 21 knife blade produces a slit, like you saw in the neck.
- 22 Initially we have the same thing, yet, the body is flat
- 23 and the tissue plains have been severed, they're going to
- 24 fall apart.
- Q. Marked now as Exhibit No. 48, looking at the

- : knee area.
- 2 A. The left knee, a little scrape here, a scar
- 3 here.
  - 0. That's an older scar?
- 5 A. Pardon me.
- 6 Q. Older scar?
  - A. For quite awhile. A little discoloration.
- 8 I'm not sure what that is. This is, I think, the only
- 9 significant thing, that's a very small thing.
- 10 Q. What would cause a scrap like that?
- 11 A. Again, bumping into anything. Dropping to
- 12 the floor.
- 13 Q. So if you fell down, your knee could rub
- 14 against the surface?
- 15 A. Yes
- 16 Q. Exhibit No. 44, now, looking at, I think,
- 17 the right elbow area. See that?
- 18 A. Yes.
- 19 Q. What are we seeing there?
- 26 A. A little abrasion here. A little reaction
- 21 around it. Not much color change, small scrap, fairly
- 22 deep. Probably close to the time of death.
  - Q. What would cause that kind of a scrap?
- 24 A. Almost any solid object. You think it might
- 25 perhaps have a corner to it, like you have right here. If
- 183
- 1 you hit that hard enough it can produce a thing like
- 2 that.

181

- 3 Q. If a person were falling down and their arm
- 4 contacted a harder object it could cause that?
- A. Possibly.
- 6 Q. I would like to show you Exhibit 43, the
- 7 upper right arm area of Debbie Panos. What is visible in
- 8 this. What can we see?
- 9 A. The upper arm, here's a big red bruise and a
- 10 smaller one. Little big ones around these. I think this
- 11 is very significant. This is a pretty good size bruise
- 12 here. We're looking at two-and-a-half, maybe three inches
- 13 across.
- Q. Once again same type of mechanism a fist or
- 15 blunt object?
  - A. Some kind of blunt trauma.
- 17 Q. Number 45 now. We're looking at the right
- 18 wrist and arm.
- 19 A. Okay. Primary thing here is the right hand
- 20 has a red, purple bruising. Scattered small bruises.
- 21 Pretty good size one here on the right wrist. A little
- 22 over here toward the medial aspect of the wrist. This is
- 23 the primary thing you're looking at. So you definitely do
- 24 have a fair amount of bruising on this right hand and
- 25 wrist.

- 12 someplace special, or whatever, if we seen a clown, some
- 13 little knickknack, she loved collecting clowns. We tried
- 14 to build her a collection of clowns.
- 15 There were some reason for some reason she
- 16 didn't have them all when she died, but we were able to
- 17 retrieve a few of them, which we kept to pass on to keep
- 18 for her children, if they wish to keep them.
- 19 Q. Some things that are boxed away for the
- 20 children?
- 21 A. Yes. Yes, a long with other things that
- 22 were hers. I had bought her a pink -- pink was one of her
- 23 favorite colors -- I bought her a pink pearl necklace and
- 24 earrings that went with her pink suit that we laid away.
- 25 I said I would buy it and put it on her and kept it for

- 1 her daughter Chantelle later in life.
  - Q. How did you find out about Debbie's death?
- 3 A. I was coming home from work one day and we
- 4 have a five-foot high fence around our home that's gated.
- 5 And you have to get out of your vehicle and open the gate
- 6 and manually, it's not automatic, before you can pull into
- 7 the garage. And I got out and opened the gate, and I
- 8 wondered why my husband was in the garage and he came out
- 9 and he just started yelling, don't close the gate, we have
- 10 to leave. And he was just as white as a ghost.
- And he didn't say anything. I said what's the
- 12 matter. And he said Norma had called and said Debbie was
- 13 dead.

205

- 14 I said no. You must have heard her wrong. There
- 15 has to be a mistake. He said, no, I don't think so. We
- 16 have to go to Normas right away.
- 17 So we jumped back in the car and went to my sisters
- 18 And she was in hysterics. And I tried to get as much
- 19 information from her as I could to find out what happened
- 20 and she said someone from Las Vegas called, and I believe
- 21 at first she said it was a neighbor of Debbie's told her
- 22 that Debbie had been shot. I said, no, you must have
- 23 misunderstood. That can't be right.
- 24 So I called Debbie's house number and an officer
- 25 answered the phone. And I explained who I was, that we
  - 207
- 1 were trying -- we were at Debbie's mother's house and
- 2 about the phone call she had, and said we're trying to --
- 3 I'm trying to fin out what's going on, what's happened.
- And he said, well, I'm sorry you had to hear it
- 5 that way -- she had to hear it that way from the neighbor,
- 6 but he said, no, she wasn't shot, but she has been
- 7 mardered.
- 8 I did not go into any details, because I had -- I
- 9 had to give the phone to my husband and he talked to the
- 10 officer. And from them it was just like a nightmare, just
- 11 something you don't ever expect to happen.
- 12 Q. What sort of things did you have to do over
- 13 the next few days?
- 14 A. The first thing we had to do was come pick
- 15 up the children. Find out where they were at. We did
- 16 find out through telephone conversations with the pclice
- 17 department that they were being taken care of in the care
- 18 of the state. But at that time they still hadn't
- 19 apprehended the person that killed her. So we had fear 20 that this person would be on their way to Tucson, until
- 21 later on when we were notified that they had apprehended
- 21 rates on when we were notified that they had apprehended
- 22 him.
- 23 So it was just getting our belongings together, at
- 24 first, to come and pick up the children. My sister had to
- 25 go to court to secure legal guardianship so we could take

208

1 them back to Tucson. And from their it was making funeral 2 arrangements to take Debbie to Michigan to be buried 3 beside her grandmother, her uncle, and her step father. That was back in Lansing? A. Yes. Did you have a service for her? Yes, we did. 7 Where was that held? Q. 9 It was very sad, of course, because she's so 10 young. And it was so hard and still is to believe that we 11 lost her. It was very, very heart breaking. Who was it that made the arrangements and 12 Q. 13 made all of these things happen in those days right after 14 her death? I helped my sister make them. 15 Α. 16 Q. How did your sister seem to be dealing with 17 it? 18 Sorry. How did your sister seem to be dealing with 19 20 it? She didn't at first. And I say that only 21 22 because she had just lost her husband two years before 23 that, and she had just spent those -- almost two whole 24 years keeping herself closed up in her own home. She 25 wouldn't even open a drape to let in the light. She was 209 1 just so lost without Dale. And she no more -- was 2 getting -- finally getting over grieving from his loss, 3 that she lost her child. There's no way you can describe that. There's no 5 way I can imagine what she felt like inside, as close as 6 we are. I just cannot imagine. Did you feel that you needed to be the Q. 8 strong one to help her? 9 You bet I did. Yes. 10 What was the impact of Debbie's death on 11 your husband and other family members? Well, a lot of the family lives -- most of 12 13 her cousins and our family live in Michigan. We still 14 have some in Pennsylvania where we were born and raised. 15 She had an uncle in Virginia. Our impact on my husband 16 and I was just like we had no -- from that time on, we 17 couldn't just think of the two of us as a marriage, or as 18 a couple to do what we wanted to do. Not that we regret 19 or ever would helping her in any way we could, but it took 20 a toll on our marriage too, because of the time involved, that we also had to provide to her and to the children in 22 order to give them a decent up bringing. She drove very little. She was in a couple of bad 23

24 car accidents, and it left her just scared to death to

25 drive a lot. And her husband, Dale, would just -- he

1 would do all of the driving, so there was a few years 2 before his death that she didn't do any driving at all, 3 because she just become so dependant on him doing the 4 driving And she still is that way to this day. She can 5 drive some, but she's just very, very nervous and will not 6 do it. So we had to be her wheels. You have been very actively involved in the raising of the children? A. Yes. Q, Now, when you testified ten years aco, there 10 11 were a couple of family members that didn't feel like they 12 would be able to come here and testify, why was that? I'm sorry. 13 Q. Why was that? 14 15 Α. I'm sorry. I didn't hear what you said 16 before. Q. There were a couple of family members you 18 talked about that weren't able to come. Why weren't they 19 able to come? Α. They had families of their own. My sister 21 would have come, but she had her oldest son who was in a 22 semi-comma since he had been 18 years old in a bad car 23 incident, which required 24-hour care. And she won't fly. 24 You would not get her on an airplane. Her daughter also had family obligations and young 25 211 1 children of her own that she was unable to come out. So 2 we just asked them to make -- if they would just make 3 statements. Q. Were they close to Debbie? Α. Absolutely. That was the family that my 6 sister had five children of her own and Debbie grow up 7 with those five children as though she was the sixth. 0. What's the sister's name? Α. Doris Weskowski. 10 Q. So you read a couple of letters in last 11 time? A, 12 Yes. MR. OWENS: Your Honor for the record, I 14 think those were marked as exhibits 91 and 92. With the 15 permission of the court, I would like to approach the 16 witness. THE COURT: Yeah. Counsel approach the 18 bench real quick, please. (Discussion held at the bench.) 16 20 MR. "Our family was large and consisted of many close-knit relatives. Debbie was the only child of my 7 sister Norma. There were always family get-togethers 8 There were always family gatherings for birthdays, holidays, or just-because events. Debbie loved to having 10 family get-togethers, and even though she was an only 11 child she was never alone in life. In fact, she was like 12 the sixth child of my sister Doris and her husband John, 13 whom had five children of their own." "All of the kids grew up together and were very 15 close to each other. Debbie was a fine young lady who was 16 very bright and excelled in her school years. Learning 17 came easy for her. She loved to collect clowns of all 18 sorts. I think of Debbie any time I see one. We saved what collection was left to keep for her children." "Debbie had a special feeling for the elderly and 20 21 children. Probably her most outstanding virtue was that 22 she cared about people who were less fortunate then she. 23 If she could help them in any way she would." 24 "I can recall her seeing an elderly couple walking 25 along hand in hand, she would say to me, 'look Aunt Carol,

                   "It has been almost 12 years since
8 Debbie's death at age 26. Her death was a tragic shock to

Her killing 5 was senseless and I just don't understand what happened." "I still remember when my husband and I 7 were taken to Debbie's home where it happened to get 8 clothes and items for the kids. I will never forget 9 seeing the floor in her living room. The officer was most 10 kind to quickly pick up some towels and put them over the 11 stains. I wept the whole time I was there and it was so 12 hard to believe what was happening. Unfortunately, I 13 still have many, many nightmares of what I saw that day." "Debbie's death has had such a major 14 15 change in our lives. My sister had just gotten over the 16 loss of her husband when this tragedy happened. She lost 17 her only child. At 58 years of age she chose to seek 18 court custody as their legal quardian to provide a home to 19 raise her three grand children. 25 time. Please, step down.

- Q. We've heard testimony that she was also a 1 2 generous person or kindhearted?
- Yes. She would do anything for anyone. We 4 used to talk about things and Debbie would go completely
- 5 out of her way to help anyone. But she said a lot with
- 6 her friends, she didn't seem to receive the same thing
- 7 back that when she was in a tight spot a lot of them let
- 8 her down.
- Q. In about October of 1994, Debbie moved from
- Tucson to Las Vegas?
- Α. Yes. 11
- Q, You were still living in Tucson at the 12
- 13 time?
- 14 Α. Yes.
- 15 Q. At that point in time she had three
- 16 children?
- 17 Yes.
- Q. What are their names? 18
- A. James -- we call him JP -- Anthony, and 19
- Chantelle. 20
- Q. Once Debbie moved to Las Vegas, did you keep
- 22 in touch with her or do things that a grandma would do for
- 23 the three kids?
- When she told me that the police advised her A. 24
- 25 she had to get out of state for her own safety, and for
- 1 some reason she picked to go to Las Vegas. So I helped
- 2 her with the moving expenses and do whatever I could so
- 3 that she could move there. And we talked on the phone all
- the time, and it was hard to see her go.
- Did you give her stuff for the grand
- children around that time?
- All the time. A.
- What sort of things would you give them? 8
- A. Clothes and toys, anything -- anything that 9
- 10 they needed or she needed help with. Any time she was
- 11 down and needed money for something, I always helped her
- 12 out.
- When she moved to Las Vegas, she'd call and said 13
- 14 she found a place and she needed a down payment so I got
- 15 the money together and sent her the down payment for her
- 16 hame.
- Q. Did you help her get a car as well? 17
- A. Yes, I did. Anytime she -- if she needed 18
- 19 anything, somehow I helped her out.
- Ma'am, how were you notified that Debbie had Q. 20
- 21 been murdered?
- I was home alone and I got a phone call and A. 22
- 23 they told me Debbie was dead. I just went down to the
- 24 floor. And then I just told him, I kept saying no, no,
- 25 no, what happened. And then I started screaming where

- 1 were the children, are they safe.
  - Q. The grand children, your grand children?
- Yes. That was it. Then I called my sister.
- She and her husband came right over to help me --
  - Did you come to Las Vegas?
  - A, — to come to Las Vegas. Yes.
- Were where the kids once you'd come to Las 7 Q.
- 8 Vegas?
- 9 A. I was told that they were in child
- 10 protective --
- Child Haven? 11 Q.
- A. Yes. 12
- 13 Q. Were you able to get them released to you?
- I had to -- eventually I had to go to court 14
- 15 hear to get them released in my custody, so that I could
- 16 take them back to Arizona to get legal guardianship of
- 1? them.
- Q. You were able to do that? 18
- 19 A.
- 20 0. I'm putting up on the overhead screen
- Are those the three grand children? 21 State's 93.
- A. 22 Yes.
  - That would be JP, Anthony, and Chantelle? Q.
- Α. Right. 24
- Q. 25 This is, for the record, States 94 This is

- 1 in our home in Tucson?
- A. Yes.
- Q. Is that about the ages the children were at
- 4 when their mom was killed?
- 5 I think -- I would, yeah. Looks like it,
- 6 yeah.

- When you got the three children out of Child
- 8 Haven, how did you get their clothes or what did you do?
- They just had the clothes -- my sister tried
- 10 to get what she could, because I didn't go to the house.
- 11 My sister and he husband did. They tried to get what was
- 12 necessary, but they got very little. So we had to go,
- 13 before I even took them back to Michigan, we had to get
- 14 shoes and clothes to wear before we drove back.
- Q. 15
  - Did they have any toys?
- They did, but there was nothing  $\operatorname{--}$  there
- 17 wasn't nothing there.
- Q. You mean nothing in the trailer? 18
- 19 A.
- Q. 20 Did they tell you at the time where their
- 21 toys went?
- 22 A. Anytime you ask them where this or that was,
- 23 they said Daddy sold them.
- Q. Where is Debbie buried? 24
- 25 A. In the family plot in Michigan.

- A. No. She's a little older, so she was pretty
- 2 much doing her own thing.
- 3 Q. Other then what supervision was being
- 4 provided by Rick, was there any other adult supervision
- 5 around?
- 6 A. No, sir.
- 7 Q. Were there any adult males that were in the
- 8 household that were there to make sure things were going
- 9 okay?
- 10 A. No. He had an uncle that come around from
- 11 time to time, not on a regular basis.
- 12 Q. What about his father, ever see his father
- 13 over there?
- 14 A. No, sir.
- 15 Q. Were you aware that his mother had been
- 16 killed when James was young?
- 17 A. Yes, sir. We didn't talk about that much,
- 18 but, yeah, I was aware of it. I tried to stay away from
- 19 that.
- 20 Q. You said the uncles came by occasionally.
- 21 Do you recall their names?
- 22 A. Same of them.
- 23 Q. Which do you recall?
- 24 A. Rodney, Phillip. He had an aunt named Bay.
- 25 And he had another uncle, but I don't recall much of him
  - 273
- 1 because I was kind of young when he was killed.
- Q. Was he killed there in the neighborhood?
- 3 A. I believe it was one street behind Nellers
- 4 Court. Herbert Street, if I recall correctly.
- 5 Q. To your knowledge was that a natural cause
- 6 of death or was that a violent death?
- 7 A. It was -- if I recall right, he was stabbed
- 8 to death.
- 9 Q. That's when you were how old?
- 10 A. I was young. I didn't remember much about
- 11 it. My older brothers, they knew more about it. I mean
- 12 far as me, I didn't remember much about the stabbing.
- 13 Q. You had talked about you weren't supposed to
- 14 be over there when grandma wasn't home?
- 15 A. Yes.
- 16 Q. You know what would happen if you got caught
- 17 over there?
- 18 A. I mean, pretty much she'd call my Mom, and
- 19 I'd get in trouble, and he'd get in trouble from her.
- 20 Q. Did you ever see him get in trouble or hear
- 21 him get in trouble from his grandmother?
- 22 A. I heard about it. I didn't see it, but I
- 23 mean sometimes we'd even joke about it.
- Q. About what?
- 25 A. About him getting whooped. That's what we'd

- 1 call it.
- Q. Any particular type of item used to whip
- 3 him?
- A. Extension cords, same of the electrical
- 5 extension cords, something like that. I said I didn't see
- 6 it so I couldn't tell you.
  - Q. You didn't stick around?
- B A. No, sir.
- 9 Q. Would Jim talk about that?
- 10 A. I think pretty much we all used to talk
- 11 about it -- a little about what was going on in each
- 12 household. It was mentioned, but not something like a
- 13 favor topic of ours.
- 14 Q. Was Jim a good talker during that period of
- 15 time?
- 16 A. What do you mean by that.
- 17 Q. Did he verbalize a lot of thing to you, sit
- 18 down and have a detailed conversation with you about what
- 19 was going on?
- 20 A. No, no. Like I said we pretty much didn't
- 21 try to -- just pretty much have fun, that was pretty much
- 22 our lifestyle.
- 23 Q. We talked about junior high school, getting
- 24 into high school years, what kind of things did you quys
- 25 do?

- A. Pretty much tried to get some alcohol
- 2 illegally and marijuana.
- 3 Q. Was that going on?
  - A. Yeah.
- Q. On Nellers court?
- 6 A. Yep. That was our main task.
- Q. Even during the school year?
- 8 A. Yes, sir.
- 9 Q. Do you know how Jim was doing in school
- 10 during that period of time?
- 11 A. Grades really wasn't discussed. We knew he

- 18 Q. What about things that would go on during
- 19 school, was he doing anything inappropriate at school that
- 20 you can recall?
- 21 A. I can't say I can recall anything off the
- 22 top of my head that sticks out. Typically, I can't think
- 23 of anything at this point.
- Q. Did there come a point in time when you

We had one babysitter by the name of Marqe, Α. 6 but I do believe that my mother fired her so it was like 7 basically on our own. Is that pretty much the situation the whole time I lived there on Nellers Court with your grandmother? 11 A. Yes, sir. 12 Q. Now you said she did provide necessities for 13 the children? Yes, sir. 14 A. 15 And she worked in order to do that? Yes, sir. 16 A. 17 Q. Did you have clothing? Yes. But it was like the only time we did 18 19 get clothing was when it was like school or when summer 20 came around she might take us to get summer clothes, but 21 never like, I'm going to go out and buy you a shirt today, 22 because I seen something nice for you, No. 23 What was the neighborhood -- what was the 24 neighborhood like on Nellers Court while you were growing 25 up with James? 321 Primarily kids did basically what they 2 wanted to do. I mean that was basically we all hung 3 together. We all did what we wanted to do basically. What were the conditions of the houses on Q. 5 Nellers Court? Α. They were run down. Q. You say run down, can you be more 8 descriptive? A. I just -- I called it the hood. I mean, 10 basically every house had roaches. Basically every house 11 was run down, no good siding, no good paint in side the 12 homes, nothing. 13 Q. Were any of the homes empty and abandoned? Α. Yes, most of them. Yeah. 14 0. 15 Was this like a dead end or a cul-da-sac 16 type of ---17 Α. Yes, you only get out one way. 18 Q. What was it the other way? 19 Α. Like once we left our house you go to the 20 end of the road, but wasn't nothing there but trees and 21 brush. Then we can cut to the right and go over the hill 22 be on the next street.

Were there railroad tracks in the 1 Q. 2 neighborhood? Α. Sat right behind our house. Q. Right behind your house, how close behind your house? Like right behind the house. If the train Α. 7 comes by the house, you can feel the house vibrating. That's how close it was. Q. Were there trains that went by often? Yeah. Primarily in the day, but not like A. 10 11 every hour. Maybe 4 to 5 hours, yeah. 12 Was there one set of railroad tracks or more 13 than one? 14 I really can't say. The only thing I would 15 say is the railroad tracks went around by our house, 16 around the corner, and down wherever it went. So I say 17 one way, because they go this way, some come this way. But 18 not a double track like this, two tracks. You said that your grandmother worked and 20 provided with heat, clothing, and food for the house, but 21 the house was in bad shape, is that a fair statement? 22 A. That's a fair statement. But it was 23 clean. Q. Who kept the house clean? 24 We did. 25 A. 323 Q. What would take place while your grandma was 2 at work or bingo somewhere else? We probably be having music blasting 4 watching MTV. All the kids be at our house. It was like 5 a hangout house. Smoking weed, drinking, whatever we --6 whatever we wanted to do. Q. Did you have ever see James get any 8 affection or hugs from your grandmother? 9 A. None of us did. 10 Q. What about discipline, how did discipline 11 take place in the house there on Nellers Court? I know James and my sister Carla and brother 12 13 Rick would get whooped by extension cords or switches. 14 She had us go get our own switches, or — that's basically 15 it. She never really whooped me with an extension cord, 16 it was always a switch. When she would whip the others with 17 Q. 18 extensions cords, would that leave marks? 19 A. Yes, sir. 20 Q. You'd have to go to school with the marks? 21 Α. Yes, sir. How often would that happen? 22 Q. 23 Whenever she felt like they were being 24 disciplined. If we got into her stuff, or if they did

25 something and it got reported to her. Other then that she

- want there to really discipline you. If we got caught doing something, yeah.
- Q. What about verbal abuse, verbal discipline, how would that go?
- A. I don't think she ever had anything nice to 6 say, always stupid or idiot, or can't you do something 7 right. Se was never the type of grandmother where if you
- 8 came in and said I have a good job, she would't by like
- 9 that's good. She would be like, well, how long do you 10 think you're going to have it and stuff like that.
- 11 Q. How did James do in school.
- 12 A. I believe we all I know for a fact we all 13 did poorly in school.
- Q. Who was the best in school out of the four 15 of you?
- 15 of you?

  16 A. I really can't say because I know my brother
- 17 Rick did same college. I did same college, but it was 18 after the fact that I dropped out of 12th grade and went
- 19 back and got my GED. I really can't say who's the
- 20 smartest.
- Q. Did Jim have problems in school?
- 22 A. Yes. I do believe that he was in special
- 23 ed.
- Q. How did he handle that?
- 25 A. Um, just like a normal kid. I mean, you
- 1 have no other choice to be where you are placed. He
  2 didn't like it because our friends would tease him because
- 3 we were all in regular classes.
- 4 Q. What kind of teasing would he get?
- 5 A. Called slow, or he just wasn't as mart as 6 everybody else was.
- Q. What about your grandmother, how would she refer to him?
- 9 A. Sometimes she call him stupid, or when it
- 10 was time for a conference to go to see his teachers she 11 never really had time to go to any of our conferences, so
- 12 I guess she just -- I can really say how she felt. But I
- 13 know that I don't think she put as much effort into it as
- 14 a mother should.
- Q. Was it hard on her raising four kids at her age?
- 17 A. From our point of view, I believe so. But I
- 18 don't think that it's that hard. I have six children of
- 19 my own and I love each one of my children. I tell them I
- 20 love them. I don't want them to be raised like I was
- 21 raised. I can't say if it was that hard for her.
- 22 Q. What about doing homework did she help with
- 23 homework?
- 24 A. No.
- 25 Q. Do you know where she worked at?

- A. She work at Michigan State Police
- 2 Department. She was a cook.
- 3 Q. And did she continue to work there curing
- 4 the entire time that you were living at home?
  - A. Yes, sir.
- 6 Q. What age did you move out of that
- 7 household?

- A. I went to a girl's home at 14. I came home
- 9 when I was like 16. And I do believe I moved out when I
- 10 was 22. I had two kids and I move out and had my own
- II place.
- 12 Q. Did you have plans or hopes to move out
- 13 before than?
- 14 A. I can't really say. I just might have
- 15 had a thought and wishes that we can have a different type
- 16 of environment, or a different type of parent that raised
- 17 us with love and affection. I had no other place to go,
- 18 so that was the place I went.
- 19 Q. Did -- while you were growing up with James
- 20 there on Nellers Court, did you see him have problems with
- 21 being violent?

22

325

- A. No.
- Q. What kind of things would he be doing?
- 24 A. The same thing that we all be doing, acting
- 25 a fool, smoking, drinking, swimming. We did things that

327

- 1 regular kids, as far as that goes, but we misbehaved like
- 2 all kids do.
- 3 Q. Was there drug usage going on in the home?
  - A. Yes, sir.
- 5 Q. Was there anybody around to stop it?
- 6 A. No, sir
- 7 Q. When did you came to realize that your
- 8 mother had been killed when you were very young?
- 9 A. I had to be like 15, because I was -- I
- 10 would hear things, but, you know, when you're young you
- 11 just hear, you don't -- but I was going through my
- 12 grandmother dressers one day, and I found the medical
- 13 thing, however it is, and I sat and read it. She never
- 14 gave us the details -- well, never gave me the details of
- 15 what transpired or how it transpired, whatever so when I
- 16 read the paper I knew for myself.
- 17 Q. She was killed in a -- she was a pedestrian
- 18 killed by a highway patrol car?
  - A. Yes, sir.
- 20 Q. Did your grandmother ever talked about your
- 21 mother or tell you about your mother?
  - A. No, sir.
  - Q. Was she ever even mentioned?
- 24 A. Very rarely. My aunt and uncle would
- 25 mention her, or, you know, my sister whatever. There were
