- The instant case is a Homicide Team case currently assigned to District Court Department 3. The parties in the instant case are ready for trial with trial set to start on June 18, 2018. DC 3 is unfortunately unable to hear the trial on that date due to presiding over a separate, death penalty trial at that time and the other Homicide Team departments all also unavailable.

EDCR 1.30 (15) gives the Chief Judge of the Eighth Judicial District Court the authority to reassign cases between departments as convenience or necessity requires. EDCR 1.30 (11) also states that the Chief Judge must appoint a Judge to preside over the Criminal Division of the Court. EDCR 1.31 gives the Criminal Presiding Judge the authority to reassign pending criminal cases from one department to another. As with EDCR 1.30(15), the Presiding Criminal Judge's decision on reassigning pending criminal cases should be done as convenience and necessity require.

Because of the unavailability of all Homicide Team departments, other departments were contacted and DC 8 is available to hear the trial. This court finds that convenience and necessity justify the reassignment of the instant matter to DC 8. Therefore, based on the totality of circumstances present, this Court, as Criminal Presiding Judge, ORDERS, pursuant to EDCR 1.31, the reassignment of the instant case to DC 8. The trial will be set to start on Monday June 18, 2018, at 9:30 am and the parties are ordered to contact DC 8 for further trial scheduling instructions.
