SETTLEMENT CONFERENCE PROGRAM
EARLY CASE ASSESSMENT REPORT

Pursuant to NRAP 16(b), the undersigned Settlement Judge makes the following recommendation to the Court regarding this appeal:

/X/ Other: While all counsel for the parties agreed, during the October 3, 2018 Rule 16(b) Pre-Mediation Conference, that the above-referenced case is appropriate for mediation and that they would prefer to work with the undersigned in connection with an appeal from a summary judgment in a certified class action, they also agreed and, based on the parties' representations, the undersigned recommends, that another Settlement Judge should be appointed, whose schedule will accommodate a joint request for an early, expedited in-person Settlement Conference in this matter --- due to represented actions occurring in light of the District Court's granting of summary judgment.
