DEPUTY CLERK

*ORDER PARTIALLY DISMISSING APPEAL, AMENDING CAPTION,
AND REINSTATING BRIEFING*

This is an appeal from a district court judgment and numerous post-judgment orders. Eighth Judicial District Court, Clark County; Kenneth C. Cory, Judge.

This court's initial review of the documents before this court revealed potential jurisdictional defects. Specifically, it appeared that the appeal from the October 22, 2018, order was untimely, and that appellant A Cab, LLC, was not aggrieved by the orders entered on March 4 and 5, 2019. After reviewing A Cab's response to the order to show cause, this court concludes that the appeals from the October 22, 2018, and March 4, 2019, orders may proceed. However, as A Cab concedes that the March 5, 2019, order is not substantively appealable, and that A Cab is not aggrieved by that order, the appeal from the March 5, 2019, order is dismissed.

A Cab's unopposed request that this court add A Cab Series, LLC, as an appellant in this matter is granted. The clerk of this court shall amend the caption in this appeal to conform to the caption on this order.

The briefing schedule in this appeal is reinstated as follows. Appellants shall have 60 days from the date of this order to file and serve

the opening brief and appendix. Thereafter, briefing shall proceed in accordance with NRAP 31(a)(1).

It is so ORDERED.
