DISTRICT COURT

CLARK COUNTY, NEVADA

MICHAEL MURRAY and MICHAEL RENO,
Individually and on behalf of others similarly
situated,

Plaintiffs,

vs.

A CAB TAXI SERVICE LLC and A CAB, LLC,
and CREIGHTON J. NADY,

Defendants.

Case No.: A-12-669926-C
Dept. No. I

DEFENDANTS' SUPPLEMENTAL AUTHORITY IN RESPONSE TO

PLAINTIFFS' ADDITIONAL SUPPLEMENT FILED JULY 13, 2018

Defendants A Cab, LLC and Creighton J. Nady, by and through their attorneys of record,
ESTHER C. RODRIGUEZ, ESQ., of RODRIGUEZ LAW OFFICES, P.C., and MICHAEL K. WALL, ESQ., of
HUTCHISON & STEFFEN, LLC, hereby submit this Supplemental Authority in Response to the
additional arguments and newly requested reliefs contained in Plaintiffs' Supplement filed July 13,
2018.

...

1 Plaintiffs continue to offer new language and request new forms of relief in each of their
2 “supplements” and “declarations.” Accordingly, Defendants file this objection to the improperly
3 pled items and requested relief. One such item is Plaintiffs’ proposed procedure for outright
4 ignoring payments already made in satisfaction of their claims. A claimant who has already
5 received payment in satisfaction of his or her claim, or has resolved his or her claim, has a duty to
6 disclose to the Court this fact.

7 **1. Plaintiffs Have a Duty to Disclose to the Court, the Payments Already Accepted in**
8 **Satisfaction of Claims.**

9 A glaring omission from the proposed order to the Court are the payments already received
10 and accepted by the claimants in satisfaction of all or portions of their claims. In their most recent
11 filing with the Court, Plaintiffs argue that Defendants must meet some high standard to prove the
12 payments they have made to the drivers. Incredibly, Plaintiffs continue to request that the Court
13 shift the burden of proof to the Defendant to *disprove* liability. Plaintiffs have altogether failed to be
14 forthright and to disclose to not only the Defendants, but also to this Court the drivers who have
15 already received payments. As already admonished by the Discovery Commissioner, Plaintiffs’
16 counsel is in the best position to ascertain which of his clients have chosen to accept payments, and
17 which have refused compensation by instruction or for other reasons.

18 At one of the numerous discovery hearings on this matter, Plaintiffs’ counsel was
19 admonished by the Discovery Commissioner wherein he was demanding Defendants to provide
20 documents that he was in the best position to gather if he in fact had any communication with his
21 clients. **Exhibit A**, transcript of January 25, 2017 hearing, 9:19 - 10:12.

22 At the minimum, this Court should inquire what efforts have been made by Plaintiffs’
23 counsel to uncover the information for wages already accepted by his clients in satisfaction for the
24 same claims. Plaintiffs have a duty under NRCP 16.1 to produce copies of payments already
25 received in satisfaction of their claims - a glaring omission in the proposed order to this Court to
26 enter summary judgment and to not address this factor.

27 Defendants sought this information from Plaintiffs during the course of discovery, but no
28 response was ever forthcoming. Having been deprived of a trial on all issues, it can now be

disclosed that Defendants intended to rely upon Plaintiffs' written discovery responses wherein Plaintiffs produced no documents in response to the request for communications from the federal government. Instead, Plaintiffs asserted the attorney client privilege and/or attorney work product doctrine. **Exhibit B**, Plaintiffs' Response to Defendants' Second Request for the Production of Documents, Response #11. The evidence demonstrates that claimants have indeed accepted payments from the federal government as underpayment of minimum wages. **Exhibit C**, payments and documentation from the Department of Labor.

Finally, as this Court is aware particularly from the presentation providing specifics during the hearing of May 23, 2018 by Attorney Trent Richards, the majority of the claimants have settled all or portions of their claims through the settlement conference program of the Eighth Judicial District Court in Case No. A-15-721063-C. During that hearing this Court inquired as to the overlap of claimants who were settling their claims. This evidence which was entered into the record during that hearing has been dropped in its entirety by Plaintiffs' counsel in this matter. No mention of these settling claimants is contained in the proposed Order, nor the fact that Defendants have already settled claims arising from the same allegation of underpayment of minimum wage for \$224,529.00 (in addition to the \$139,988.80 already paid to the same claimants). Despite Plaintiffs' omission of these facts in the proposed order, this Court should not turn a blind eye to these important elements for consideration.

2. The proposed order altogether omits acknowledgment of satisfaction of certain claims.

The following documents were produced during the course of discovery demonstrating payments made in satisfaction of the time period of October 1, 2010 through October 1, 2012, as well as drivers who had accepted payments. **Exhibit C**. Since the close of discovery, additional documents have been received by Defendants from the Department of Labor Wage & Hour demonstrating that additional drivers have also accepted payments in satisfaction of their claims.

Exhibit D.

...

...

...

1 **3. The numbers contained in the proposed order are inconsistent with all prior**
2 **calculations.**

3 Plaintiffs' complaint and claim for damages has rested on two theories they assert resulted in
4 underpayment of minimum wages: 1) the inclusion of the drivers' tips in calculating an hourly
5 minimum wage; and 2) drivers being forced to write in fraudulent break times. *Second Amended*
6 *and Supplemental Complaint*, para. 17.

7 Firstly, there is no mention whatsoever in the proposed order pertaining the Court's findings
8 as to Plaintiffs' specific claims as outlined in their complaint of fraudulent break times and the
9 inclusion of tips in the calculation of minimum wage.

10 However, if one were to accept Plaintiffs' theory of liability that Defendants were including
11 tips in determining an hourly rate, a calculation can be run as to what total tips were for the claimed
12 years. Rather than the million dollar excess asserted by Plaintiffs, the sum total of tips is far less.
13 Therefore, accepting in toto Plaintiffs' theory that tips were included in calculating minimum wage,
14 the total liability is a fraction of what is proposed in the order. *See* attached correspondence from
15 Defendant Nady indicating preliminary numbers of \$132,000 for 2013, and \$51,846 for 2014.

16 **Exhibit E and F.** Again, this is evidence which is already in the record, contained in the payroll
17 records produced by Defendants, and which would be highlighted to the trier of fact in a jury trial to
18 demonstrate that Plaintiffs' claims can be disproved outright. Absent a trial on these issues, this
19 information has not even been considered by this Court, and is completely absent in the proposed
20 Order. At the minimum, the proposed Order should include the fact that Plaintiffs' claims are based
21 upon that which is asserted in their complaint – fraudulent break times and the inclusion of tips.

22 ...

23 ...

24 ...

25 ...

26 ...

27 ...

28 ...

As such, the proposed Order should be revised to reflect the accurate procedural history, the accurate facts of evidence in the record, and the actual claims which Plaintiffs have asserted. Additionally, the proposed order is filled with inaccurate and inflammatory paragraphs and language, such as those contained in paragraph 15 and footnote 4. Defendants object to the inclusion of these extraneous paragraphs if they do not serve as a basis for the Court's decision and order.

DATED this 18th day of July, 2018.

DISTRICT COURT
CLARK COUNTY, NEVADA

MICHAEL MURRAY, ET AL.,

Plaintiffs,

vs.

A CAB TAXI SERVICE LLC, ET AL.,

Defendants.

CASE NO. A669926

DEPT. XVIII

BEFORE THE HONORABLE BONNIE A. BULLA, DISCOVERY COMMISSIONER
WEDNESDAY, JANUARY 25, 2017

RECORDER'S TRANSCRIPT OF PROCEEDINGS
PLAINTIFFS' MOTION TO COMPEL THE PRODUCTION OF DOCUMENTS

APPEARANCES:

For the Plaintiffs:

LEON GREENBERG, ESQ.
DANA SNIEGOCKI, ESQ.

For the Defendants:

ESTHER C. RODRIGUEZ, ESQ.
MICHAEL K. WALL, ESQ.

RECORDED BY: FRANCESCA HAAK, COURT RECORDER

1 DISCOVERY COMMISSIONER: That's the premium.

2 MR. GREENBERG: -- for everybody who has a spouse. It's the same amount --

3 DISCOVERY COMMISSIONER: Right.

4 MR. GREENBERG: -- for everybody who has children to insure. The --

5 DISCOVERY COMMISSIONER: Exactly.

6 MR. GREENBERG: But the problem, Your Honor, is I don't know which of the
7 class members were married. I don't know which were claiming dependents. Defendants
8 have substantial information on that in their payroll system.

9 DISCOVERY COMMISSIONER: Okay. So now I'm going to go back full circle
10 and ask you why don't we send out to the members of the class -- why don't we send out
11 some sort of informal survey or statement that they need to fill out?

12 MR. GREENBERG: Because, Your Honor, the marital status is absolutely in the
13 payroll. When you file a W4, every employer has to have the employee check a box that
14 says --

15 DISCOVERY COMMISSIONER: So you have that.

16 MR. GREENBERG: -- married. I don't have that. I don't know their marital status
17 'cause they refuse to give it to me, Your Honor.

18 We have Mr. Nady's deposition. He --

19 DISCOVERY COMMISSIONER: But you're representing all these class claimants,
20 right? Why can't you get it? Why can't you do a survey --

21 MR. GREENBERG: Because, Your Honor --

22 DISCOVERY COMMISSIONER: -- and get that information?

23 MR. GREENBERG: -- the purpose of the class process is to make the litigation
24 effective to vindicate the rights of the class members uniformly.

25 DISCOVERY COMMISSIONER: Well, it is not --

1 MR. GREENBERG: The Defendants --

2 DISCOVERY COMMISSIONER: It is not to torture the Defendants.

3 MR. GREENBERG: Your Honor, there is no evidence in this record that there is any
4 burden on the Defendants to give me the marital status as recorded in the QuickBooks.

5 DISCOVERY COMMISSIONER: I think --

6 MR. GREENBERG: They have it.

7 DISCOVERY COMMISSIONER: I think there's a lot of evidence to suggest that
8 they have given you plenty of information that you're going to need to prove your case. I
9 don't understand what the payroll problem is, but if you have the W2s, and you have the
10 prices of the premiums, where, if at all, do we have a designation as to what they took, that
11 you know what they took, right? If they took insurance, you know what specifically they
12 took. You can tell by the deduction of the premium.

13 MR. GREENBERG: Whether they enrolled is irrelevant, Your Honor. It's the cost
14 that -- it's the cost to them based on their family status that we're discussing.

15 And, Your Honor, just to clarify for the record, I do not actually have the W2s,
16 but I have the information that goes into them --

17 DISCOVERY COMMISSIONER: Okay.

18 MR. GREENBERG: -- because I have the payroll.

19 DISCOVERY COMMISSIONER: And you're satisfied with that information in
20 terms of its support for their earning capacity --

21 MR. GREENBERG: Your Honor, I have --

22 DISCOVERY COMMISSIONER: -- from the employer.

23 MR. GREENBERG: -- the earnings information. I have the earnings information.

24 DISCOVERY COMMISSIONER: Okay.

25 MR. GREENBERG: There's no question about that. What I am requesting be

1 Recommendation.

2 Ms. Rodriguez, do your best to review it and approve it as to form and content.
3 Last time it took me over an hour-and-a-half because I pulled the transcript, I read it, I added
4 to it, and as much as I appreciate being able to help you all, I want you to work harder
5 together on it, and I believe what I did is I modified your Report and Recommendations, Mr.
6 Greenberg.

7 MR. GREENBERG: Yes, Your Honor.

8 DISCOVERY COMMISSIONER: Okay.

9 THE CLERK: Status check is February 24th at 11.

10 MS. RODRIGUEZ: Your Honor, I will be in a federal trial that week. May I have a
11 status check a week later? I know --

12 DISCOVERY COMMISSIONER: It's only for Mr. Greenberg.

13 MS. RODRIGUEZ: Okay.

14 DISCOVERY COMMISSIONER: So you don't have to be here on the 11th. But I
15 don't -- I'm -- I joked with somebody the other day, and they thought I was serious, so I'm
16 not joking anymore. Try to get it done timely. You have ten days to do it.

17 MS. RODRIGUEZ: Thank you, Judge.

18 DISCOVERY COMMISSIONER: Thank you.

19 MR. GREENBERG: Thank you, Your Honor.

20 [Proceeding concluded at 10:28 a.m.]

21 * * *

22 ATTEST: I do hereby certify that I have truly and correctly transcribed the audio-
23 video recording of this proceeding in the above-entitled case.

Dept.: I

**PLAINTIFFS' RESPONSE TO
DEFENDANTS' SECOND
REQUEST FOR THE
PRODUCTION OF
DOCUMENTS**

21 PROPONENT:

ALL DEFENDANTS

22 RESPONDENT:

ALL PLAINTIFFS

23 SET:

TWO

24 REQUEST NO.1:

25 All statements of every party or witness pertaining to the matters alleged in the
26 Complaint.

27 **OBJECTION:**

28 Request improperly seeks the disclosure of materials protected by the attorney
client privilege and/or the attorney work product doctrine. The request is also vague
and ambiguous with respect to its use of the term "statements" as such term is
undefined. Request is also overly broad in that it seeks the disclosure of information

1 concerning "every party or witness" and plaintiffs cannot be deemed to know who
2 "every party" or "every witness" is. The identities of "every" such party and "every"
3 such witness is only known to defendants.

4 **RESPONSE:**

5 Plaintiffs possess a statement taken from former employee of defendant Bonnie
6 Wittig signed on October 8, 2015. Plaintiffs are not disclosing such statement at this
7 time on the basis that defendants' credibility needs to be fully developed through
8 discovery prior to such disclosure and/or the NRC Rule 30(b)(6) deposition of
9 defendant of August 18, 2015 which defendant improperly terminated needs to be
10 concluded prior to the disclosure of such statement.

11
12 **REQUEST NO. 2:**

13 All documents which support your allegations in the Complaint.

14 **OBJECTION:**

15 Request improperly seeks plaintiffs to determine which documents "support"
16 which allegations in the complaint which is a determination to be made by the trier of
17 fact and not the plaintiffs. Request is also harassing and unduly burdensome as it
18 seeks the disclosure of documents that originate with and are already in the possession
19 of the defendants.

20 **RESPONSE:**

21 Without waiving the foregoing objections, plaintiffs refer defendants to all
22 documents previously produced and produced in the future in discovery in this matter.

23 **REQUEST NO. 3:**

24 All documents which support your allegations in the Complaint that Defendants'
25 conduct was "malicious, oppressive and fraudulent."

26 **OBJECTION:**

27 The request is improper to the extent it seeks plaintiff to determine which
28 documents "support" allegations in the complaint which can only be determined by the

1 trier of fact.

2 **RESPONSE:**

3 Without waiving the foregoing objections, defendants are referred to the U.S.
4 Department of Labor Narrative dated June 10, 2009 which advised defendants of the
5 applicable minimum wage in the State of Nevada and also expressly advised
6 defendants of their duty to keep records recording the time each of their employees
7 was working. Plaintiffs also refer defendants to all documents previously produced
8 and produced in the future in discovery in this matter.

9 **REQUEST NO.4:**

10 All documents which support your claim in the Complaint that you are entitled
11 to punitive damages.

12 **OBJECTION:**

13 The request is improper to the extent it seeks plaintiff to determine which
14 documents "support" allegations in the complaint which can only be determined by the
15 trier of fact.

16 **RESPONSE:**

17 Without waiving the foregoing objections, plaintiff refers defendants to Article
18 15, Section 16 of the Nevada Constitution which specifies that an employee "shall be
19 entitled to all remedies available under the law or in equity appropriate to remedy any
20 violation of this section, including but not limited to back pay, damages, reinstatement
21 or injunctive relief." Plaintiffs reserve the right to have the trier of fact determine an
22 entitlement to punitive damages based upon all documents exchanged during
23 discovery in this case and thus in response to this request refers to all documents
24 already exchanged, or exchanged in the future, in discovery.

25 **REQUEST NO. 5:**

26 All documents which support your claim in the Complaint that Defendants were
27 aware of Article 15, Section 16 of Nevada's Constitution.

28 **OBJECTION:**

1 Request is overly burdensome in that it seeks plaintiff to produce documents
2 that are already in the possession of defendants and/or more readily available from
3 defendants' own records and/or available publicly. The request is also improper to the
4 extent it seeks plaintiff to determine which documents "support" allegations in the
5 complaint which can only be determined by the trier of fact.

6 **RESPONSE:**

7 Without waiving the foregoing objections, defendants are directed to the text of
8 Article 15, Section 16 of the Nevada Constitution. Defendants are also directed to the
9 Opinion of the Attorney General for the State of Nevada, Opinion No. 2005-04 March
10 2, 2005 as well as the U.S. Department of Labor Narrative dated June 10, 2009 which
11 advised defendants of the applicable minimum wage in the State of Nevada. Plaintiff
12 reserves the right to have the trier of fact determine defendants' awareness of this fact
13 based upon all documents exchanged during discovery in this case and thus the
14 response to this request refers to all documents already exchanged, or exchanged in the
15 future, in discovery.

16 **REQUEST NO. 6:**

17 All documents which support your claim in the Complaint that Defendants
18 engaged in "an intentional scheme to maliciously, oppressively and fraudulently
19 deprive its taxi driver employees of the hourly minimum wages."

20 **OBJECTION:**

21 The request is improper to the extent it seeks plaintiff to determine which
22 documents "support" allegations in the complaint which can only be determined by the
23 trier of fact.

24 **RESPONSE:**

25 Without waiving the foregoing objections, plaintiffs reserve the right to have the
26 trier of fact determine whether defendants engaged in conduct as alleged by the
27 plaintiff based upon all documents exchanged during discovery in this case and thus in
28 response to this request refers to all documents already exchanged, or exchanged in the

1 future, in discovery.

2 **REQUEST NO. 7:**

3 All documents which support your claim in the Complaint that Defendants
4 engaged in fraudulent conduct "by its failure to make any allowance to pay such
5 minimum hourly wages if they were found to be due."

6 **OBJECTION:**

7 The request is improper to the extent it seeks plaintiff to determine which
8 documents "support" allegations in the complaint which can only be determined by the
9 trier of fact.

10 **RESPONSE:**

11 Without waiving the foregoing objections, plaintiffs reserve the right to have the
12 trier of fact determine whether defendants engaged in conduct as alleged by the
13 plaintiff based upon all documents exchanged during discovery in this case and thus in
14 response to this request refers to all documents already exchanged, or exchanged in the
15 future, in discovery.

16 **REQUEST NO. 8:**

17 All documents which support your claim in the Complaint that Plaintiffs
18 separated from their employment with the Defendants "and at the time of such
19 separation were owed unpaid wages by the defendants," pursuant to NRS 608.040.

20 **OBJECTION:**

21 The request is improper to the extent it seeks plaintiff to determine which
22 documents "support" allegations in the complaint which can only be determined by the
23 trier of fact.

24 **RESPONSE:**

25 Without waiving the foregoing objections, plaintiffs reserve the right to have the
26 trier of fact determine whether defendants engaged in conduct as alleged by the
27 plaintiff based upon all documents exchanged during discovery in this case and thus in
28 response to this request refers to all documents already exchanged, or exchanged in the

1 future, in discovery.

2 REQUEST NO. 9:

3 All documents which support your claim in the Complaint that Defendants
4 violated NRS 608.020 or NRS 608.030.

5 **OBJECTION:**

6 The request is improper to the extent it seeks plaintiff to determine which
7 documents "support" allegations in the complaint which can only be determined by the
8 trier of fact.

9 **RESPONSE:**

10 Without waiving the foregoing objections, plaintiffs reserve the right to have the
11 trier of fact determine whether defendants engaged in conduct as alleged by the
12 plaintiff based upon all documents exchanged during discovery in this case and thus in
13 response to this request refers to all documents already exchanged, or exchanged in the
14 future, in discovery.

15 REQUEST NO. 10:

16 All documents which you have filed with and/or received from the Nevada
17 Office of Labor Commissioner concerning this subject lawsuit.

18 **OBJECTION:**

19 Request improperly seeks the disclosure of documents protected by the attorney
20 client privilege and/or the attorney work product doctrine. The request also seeks the
21 disclosure of information that is irrelevant and/or not reasonably calculated to lead to
22 the discovery of admissible evidence as plaintiff is not required to first inquire with the
23 Nevada Labor Commissioner to assert claims under Nevada's Constitution.

24 **RESPONSE:**

25 Without waiving the foregoing objections, any and all documents in the
26 possession of the plaintiffs and relating to their employment with the defendants has
27 already been produced and in the event further such documents are located plaintiffs
28 will supplement their production.

1 REQUEST NO. 11:

2 All documents which you have filed with and/or received from any state and/or
3 federal governmental entity concerning the defendants.

4 **OBJECTION:**

5 Request improperly seeks the disclosure of documents protected by the attorney
6 client privilege and/or the attorney work product doctrine. The request also seeks the
7 disclosure of information that is irrelevant and/or not reasonably calculated to lead to
8 the discovery of admissible evidence as plaintiff is not required to first inquire with the
9 with any state and/or federal governmental agency to assert claims under Nevada's
10 Constitution.

11 **RESPONSE:**

12 Without waiving the foregoing objections, any and all documents in the
13 possession of the plaintiffs and relating to their employment with the defendants has
14 already been produced and in the event further such documents are located plaintiffs
15 will supplement their production.

16 REQUEST NO. 12:

17 All documents involving any investigations that were conducted concerning
18 your allegations in the Complaint.

19 **OBJECTION:**

20 Request is vague and ambiguous with respect to its use of the term
21 "investigations that were conducted concerning your allegations in the Complaint" and
22 is incomprehensible. Plaintiff is unable to determine defendants' meaning of the term
23 "investigations." Plaintiffs also object on the basis that any "investigation" conducted
24 by plaintiffs' counsel is subject to an attorney work product, attorney deliberative,
25 and/or attorney/client privilege.

26 **RESPONSE:**

27 Pursuant to the objections above, plaintiffs are unable to respond to this request
28 and also decline to respond to the extent it violates the aforesaid privileges.

1 REQUEST NO. 13:

2 For each expert witness who you expect to testify at the trial of this matter,
3 please produce all documents he/she relied upon in reaching his/her conclusion.

4 **OBJECTION:**

5 Expert witnesses, if any, will be identified and materials relied upon by the same
6 will be furnished, to the extent they are properly discoverable, at some point after their
7 retention (if any are retained) and in compliance with the Court's scheduling order for
8 this case.

9 **RESPONSE:**

10 No expert witnesses have been retained at this time.

11
12 REQUEST NO. 14:

13 Produce all documents (including W-2 forms) that relate to or discuss all earned
14 income received by you for the last ten years.

15 **OBJECTION:**

16 Request seeks the disclosure of information that is privileged and protected from
17 disclosure. Such information is private, is unrelated to the claims in this case, and will
18 not be produced to the defendants. To the extent that the request seeks the disclosure
19 of the plaintiffs' W-2 forms received from defendants, such request is unduly
20 burdensome and harassing as it seeks the disclosure of documents originating with and
21 already in the possession of the defendants.

22 **RESPONSE:**

23 Pursuant to the objections above, plaintiffs will not be responding to this
24 request.

25 REQUEST NO. 15:

26 Produce all documents that relate to or discuss all earned income received by
27 you from any source other than Defendants at any time during your alleged
28 employment period with Defendants.

1 **OBJECTION:**

2 Request seeks the disclosure of information that is privileged and protected from
3 disclosure. Such information is private, is unrelated to the claims in this case, and will
4 not be produced to the defendants. To the extent that the request seeks the disclosure
5 of the tip earnings of the plaintiffs while employed with the defendants, such request is
6 unduly burdensome and harassing and seeks information that is not discoverable and is
7 wholly unrelated to, and has no bearing upon, any issue in this case. The request is
8 also improper because plaintiffs have not put their earnings, from any other source
9 other than defendants, at issue in this litigation and therefore seeks information that is
10 not relevant to the claims or defenses in this matter.

11 **RESPONSE:**

12 Pursuant to the objections above, plaintiffs will not be responding to this
13 request.

14 **REQUEST NO. 16:**

15 Produce all documents that relate to or discuss any lawsuits (including criminal
16 actions and administrative matters), claims, formal or informal demands for
17 compensation for personal injuries or physical or emotional injuries or any other
18 actions where you were a party or witness.

19 **OBJECTION:**

20 Request is overly broad and not limited in time or scope and on that basis seeks
21 documents that are not relevant and/or reasonably calculated to lead to the discovery
22 of admissible evidence. This request is also harassing and unduly burdensome as
23 defendants are already in possession of documents relating to the subject matter of this
24 request as such documents were disclosed as part of defendants' supplemental
25 disclosure. This request is also duplicative of information sought and received by
26 defendants during the plaintiffs' depositions.

27 **RESPONSE:**

28 Pursuant to the objections above, plaintiffs will not be responding to this

1 request.

2 REQUEST NO. 17:

3 Produce all written and recorded statements and all documents that relate to or
4 discuss any written or recorded statement, affidavits, or declarations obtained by you
5 or your representative agents from any individual (with or without their knowledge
6 and consent) concerning the subject matter of this litigation.

7 **OBJECTION:**

8 Request seeks the disclosure of materials protected by the attorney client
9 privilege and/or attorney work product doctrine. The request is also vague and
10 ambiguous and unintelligible, as plaintiffs are unable to ascertain how plaintiffs could
11 secure written statements, affidavits, or declarations of an individual without their
12 knowledge and consent.

13 **RESPONSE:**

14 Pursuant to the objections above, plaintiffs will not be responding to this
15 request, other than to state that plaintiffs possess a statement taken from former
16 employee of defendant Bonnie Wittig signed on October 8, 2015. Plaintiffs are not
17 disclosing such statement at this time on the basis that defendants credibility needs to
18 be fully developed through discovery and/or the NRCR Rule 30(b)(6) deposition of
19 defendant of August 18, 2015 which defendant improperly terminated needs to be
20 concluded prior to the disclosure of such statement.

21 REQUEST NO. 17 (*sic*):

22 Produce all diaries, journals, notes, logs, calendars or memoranda of any kind
23 kept by you during your alleged employment period with Defendants to the present.

24 **OBJECTION:**

25 Request is overly broad in scope in that it is not limited to diaries, journals, etc.,
26 concerning the factual allegations related to the claims at issue in this case. Plaintiffs'
27 private journals and or writings are not properly discoverable in this matter unless such
28 writings contain information that is arguably related to the claims asserted in this case.

1 Plaintiff also objects to the use of the term “alleged employment” as defendants have
2 already admitted, via their Answers filed in this case, that plaintiffs were in fact
3 employed by the defendants.

4 **RESPONSE:**

5 Without waiving the foregoing objections, any and all documents in the
6 possession of the plaintiffs and relating to their employment with the defendants has
7 already been produced and in the event further such documents are located plaintiffs
8 will supplement their production.

9 **REQUEST NO. 18:**

10 Produce executed authorizations attached hereto, which include authorizations
11 to obtain employment, administrative, and tax records. A HIPAA authorization is
12 requested to be executed as well, should any employer require this form.

13 **OBJECTION:**

14 Request seeks the disclosure of information related to private matters including
15 the health of the plaintiffs. Plaintiffs make no claim for personal injuries or other
16 health related injuries and such a request is violative of plaintiffs’ rights to privacy.
17 The request also seeks information entirely irrelevant to any claims or defenses in this
18 case and is made only to harass and annoy the plaintiffs by seeking disclosure of
19 information that is invasive into the plaintiffs’ privacy.

20 **RESPONSE:**

21 Pursuant to the objections above, plaintiffs will not be responding to this
22 request.

23 **REQUEST NO. 19:**

24 Produce copies of your federal, state and local income tax returns for the years
25 2005 to the present, including copies of all W-2 statements and all supporting
26 documentation.

27 **OBJECTION:**

28 Request seeks the disclosure of information that is privileged and protected from

1 disclosure. Such information is private, is unrelated to the claims in this case, and will
2 not be produced by the plaintiffs. To the extent that the request seeks the disclosure of
3 the plaintiffs' W-2 forms received from defendants, such request is unduly
4 burdensome and harassing as it seeks the disclosure of documents originating with and
5 already in the possession of the defendants. Request is also made to harass and annoy
6 the plaintiffs as it is duplicative of Request No. 14.

7 **RESPONSE:**

8 Pursuant to the objections above, plaintiffs will not be responding to this
9 request.

10 **REQUEST NO. 20:**

11 A complete copy of "the list" of A Cab drivers referenced by Michael Reno in
12 his deposition of August 25, 2015.

13 **OBJECTION:**

14 Request seeks the disclosure of information protected by the attorney client
15 privilege and/or the attorney work product doctrine and will not be disclosed on that
16 basis.

17 **RESPONSE:**

18 Pursuant to the objections above, plaintiffs will not be responding to this request
19 and state that the only such "list" in the possession of plaintiffs' counsel is already in
20 the possession of defendants and is set forth in Exhibit "A" of the consent judgment
21 entered by the United States District Court, District of Nevada, in the case of *Perez,*
22 *Secretary of Labor v. A Cab and Nady*, 14-CV-1615

23 **REQUEST NO. 21:**

24 A complete list of the names Michael Reno indicated he would compile
25 following his deposition of August 25, 2015, including but not limited to the various
26 drivers at Western Cab Company he referenced, and supervisor "Tim."

27 **OBJECTION:**

28 Request misstates testimony of the plaintiff and assumes facts that are not in

1 evidence. The request is also vague and ambiguous in that it does not reference the
2 portion of the deposition transcript to which it refers. Request is also unduly
3 burdensome and made to annoy and harass the plaintiff as any names on a "list"
4 compiled by the plaintiff would include all such persons who work or have worked for
5 the defendants and are already known to the defendants.

6 **RESPONSE:**

7 Pursuant to the objections above, plaintiffs will not be responding to this
8 request.

U.S. DEPARTMENT OF LABOR
Employment Standards Administration
Wage and Hour Division
Western Regional Office
U.S. Dept. of Labor, Wage and Hour Div., 90 7th Street, Suite 13100
San Francisco, CA 94103-6710

July 3, 2017

A Cab, LLC
1500 Searles Ave
Las Vegas NV 89101

Enclosed is a copy of the FORM 941-X that we have forwarded to the Internal Revenue Service as Agent for A Cab, LLC. In any case settled with the Department of Labor calling for gross back wage payments, by agreement with the Internal Revenue Service (IRS), we are required to deduct the employee's share of Social Security at the prevailing rate in effect at the time of actual disbursement to the employee and the Federal Income taxes at the rate of 25%. The IRS then requires that we file tax reports for each calendar quarter.

This is to advise that in these types of cases, i.e. gross back wage settlements, it is the employer's responsibility to report and remit to the IRS your portion of the FICA (Social Security) contribution. The enclosed is intended to facilitate this process.

Sincerely,

Certifying Officer

Re: Wage And Hour Program 53-0261581F

PER FEDERAL LABOR LAWS, THE DEPARTMENT OF
LABOR HAS ALREADY WITHHELD THE EMPLOYEE'S
SHARE OF FICA. THIS ADJUSTMENT REPRESENTS
ONLY HALF OF THE TAX DUE.

I certify that Forms W-2c, Corrected Wage and Tax Statement, have been filed (as necessary) with the Social Security Administration, and that
(check appropriate boxes):

- ☐ All overcollected income taxes for the current calendar year and all social security and Medicare taxes for the current and prior calendar years have been repaid to employees. For claims of overcollected employee social security and Medicare taxes in earlier years, a written statement has been obtained from each employee stating that the employee has not claimed and will not claim refund or credit of the amount of the overcollection.
- ☐ All affected employees have given their written consent to the allowance of this credit or refund. For claims of overcollected employee social security and Medicare taxes in earlier years, a written statement has been obtained from each employee stating that the employee has not claimed and will not claim refund or credit of the amount of the overcollection.
- ☒ The social security tax and Medicare tax adjustments represent the employer's share only. An attempt was made to locate the employee(s) affected, but the affected employee(s) could not be located or will not comply with the certification requirements.
- ☐ None of this refund or credit was withheld from employee wages.

U.S. Dept. of Labor, Wage and Hour Div., 90 7th Street, Suite 13100

San Francisco, CA 94103-6710

Re: Wage And Hour Program 53-0261581F

PER FEDERAL LABOR LAWS, THE DEPARTMENT OF
LABOR HAS ALREADY WITHHELD THE EMPLOYEE'S
SHARE OF FICA. THIS ADJUSTMENT REPRESENTS
ONLY HALF OF THE TAX DUE.

I certify that Forms W-2c, Corrected Wage and Tax Statement, have been filed (as necessary) with the Social Security Administration, and that
(check appropriate boxes):

☐ All overcollected income taxes for the current calendar year and all social security and Medicare taxes for the current and prior calendar years have
been repaid to employees. For claims of overcollected employee social security and Medicare taxes in earlier years, a written statement has been
obtained from each employee stating that the employee has not claimed and will not claim refund or credit of the amount of the overcollection.

☒ All affected employees have given their written consent to the allowance of this credit or refund. For claims of overcollected employee social security
and Medicare taxes in earlier years, a written statement has been obtained from each employee stating that the employee has not claimed and will not
claim refund or credit of the amount of the overcollection.

☒ The social security tax and Medicare tax adjustments represent the employer's share only. An attempt was made to locate the employee(s) affected, but
the affected employee(s) could not be located or will not comply with the certification requirements.

☐ None of this refund or credit was withheld from employee wages.

A Cab, LLC
1500 Searles Ave
Las Vegas NV 89101

Enclosed is a copy of the FORM 941-X that we have forwarded to the Internal Revenue Service as Agent for A Cab, LLC. In any case settled with the Department of Labor calling for gross back wage payments, by agreement with the Internal Revenue Service (IRS), we are required to deduct the employee's share of Social Security at the prevailing rate in effect at the time of actual disbursement to the employee and the Federal Income taxes at the rate of 25%. The IRS then requires that we file tax reports for each calendar quarter.

This is to advise that in these types of cases, i.e. gross back wage settlements, it is the employer's responsibility to report and remit to the IRS your portion of the FICA (Social Security) contribution. The enclosed is intended to facilitate this process.

Sincerely,

Certifying Officer

Re: Disbelief

I am still rolling around trying figure how Mr. Greenberg came up with his numbers. We were not given a chance to address his "experts" or their methods. Instead we focused on the obvious; these people were not experts and were certainly bias and should have not been able to give credibility or discredit our accounting, neither are, or ever were accountants, or possessed the education or experience to make a statement regarding accounting by A Cab. One was a taxi driver and a member of the same action against another taxi company, an obvious and pronounced bias.

But what bothers most is how Greenberg came up with the numbers. And here is my basis.

As the owner of the Defendant, A Cab, LLC, I have a degree in accounting, approximately 70 post graduate business credits toward a Master's MBA, have taught accounting and finance for 3 years at the college level at UNR, and I could not make sense of Greenberg's ascertains.

I remember admitting that I know A Cab has a liability to its drivers, but that liability starts only after the date that the DOL report gave its "Reading" to me in 2012. We started including the "declared tips", as agreed within the IRS Agreement in 2013. By imputing 5.5% of the Sales or "Book" by the drivers, we could, according to the IRS, include tips when computing any shortage of the minimum wage. To be compliant, A Cab made the IRS agreement a part of the employment process a requirement. While we had to pay more to the "Employer's Burden", (SS, Workman's Comp, Unemployment, and other State & Federal taxes) by the amount of the Reported Tips, the offset was the lower computation of Minimum Wage.

After the Nevada Supreme Court ruling late June 2014, we immediately corrected our computation of Minimum Wage by including Declared tips. From that point forward, even Leon Greenberg can't find an amount due to employees worth fighting over.

Both parties here know where this action originated. It came from the Nevada Secretary of Labor's statement "that the law says one thing and the State Constitution says another, I'm waiting for the Nevada Supreme Court to change the law". So, A Cab did the same. As every other taxi company in Las Vegas.

Now we all have the same liability: That short amount that was included when comparing the Minimum Wage to the actual amount earned via commissions and then adding the supplement as required. It is not difficult to figure out how much we shorted our drivers. We chose not to self-admit. Waiting for Greenberg to find the obvious, which I admitted to him in our first meeting.

In preparing for the trial of this matter, I asked our payroll chief to get the amounts that were used to inflate driver's wages (we've always call it The Subsidy to Minimum Wage or "Subsidy") including the 5.5% imputed tips declared via the IRS agreement, which reduced our Supplement amount. (This was printed on each Paystub). We then went back and added in the imputed amount for all drivers and then re-computed the shortage per payroll per person. If there was a "overage", that is the commissions plus the imputed (5.5% mandated by the IRS agreement), and then compared that amount against the hours worked, every driver for every pay period, starting January 2013, and ending on June 27, 2014,

AA008572

(Supreme Court decision day). Our maximum liability for all of 2013 is \$132,000 and in everything after that, \$51,847. That is what we can argue with real numbers and is very close to the exact amount of the stalled settlement in the other court, less some costs and expenses we used up during this negotiation.

Greenberg does not want to see these computations and he has never produced anyone capable enough to analyze the spreadsheets we have put together.

14 MICHAEL MURRAY, and MICHAEL
15 RENO, Individually and on behalf of
16 others similarly situated,

17 Plaintiffs,

18 vs.

19 A CAB TAXI SERVICE LLC, A CAB,
20 LLC and CREIGHTON J. NADY,

21 Defendants.

Case No.: A-12-669926-C

Dept.: I

**PLAINTIFFS' SUPPLEMENT
IN REPLY TO DEFENDANTS'
SUPPLEMENT DATED
JULY 18, 2018**

22 Plaintiffs hereby submit the following supplement in reply to defendants'
23 supplement dated July 18, 2018 (entitled "Defendants' Supplemental Authority in
24 Response to Plaintiffs' Additional Supplement Filed July 13, 2018").

25 **ARGUMENT**

26 **I. THE COURT CAN NOW, IN SUBSTANTIAL MEASURE,
27 RESOLVE THE OFFSET DUE TO A CAB UNDER THE UNITED
28 STATES DEPARTMENT OF LABOR SETTLEMENT PRIOR
TO JUDGMENT**

**A. Plaintiffs have no objection to the Court now finding the
record to have sufficiently corroborated some of the United
States Department of Labor settlement payments.**

At Ex. "F" of its July 18, 2018 Supplement defendants' counsel now avers under oath that various documents were provided to A Cab by the United States Department of Labor (the "USDOL"). Plaintiffs' counsel has not disputed A Cab's entitlement to a setoff from the USDOL settlement but could not, as counsel for the class, support a

AA008576

1 calculation of whom (the particular class members) that set off should be against
2 without sufficiently corroborated information. Plaintiffs' counsel has no objection to
3 the Court deeming A Cab's July 18, 2018 supplement sufficiently corroborated to
4 entitle it to a set off from the USDOL settlement as discussed, *infra*.

5 **B. Based upon the documentation furnished, A Cab is**
6 **entitled to a reduction of \$79,335.64 of the amount**
7 **that would otherwise be entered in a judgment.**

8 As discussed in Ex. "A" plaintiffs' counsel has thoroughly reviewed the
9 materials provided by A Cab. Those materials itemize payments totaling \$81,852.19
10 from the USDOL settlement of \$139,988.80 paid by A Cab. Because some of those
11 itemized payments (Ex. "A" ¶ 2) were made to persons who are not class members, or
12 for whom no judgment was proposed to be entered, or were in amounts in excess of the
13 amounts found in this case to be owed to such class member, the net reduction in the
14 amount to be awarded to the class is \$79,355.64. *Id.*, ¶ 2(d). How that reduction
15 should be applied is explained in Ex. "A" ¶ 3 and a revised table, adjusting the
16 previously submitted correct (and not contested) judgment amounts for the class
17 members, as so reduced by that \$79,355.64, is at Ex. "B." As explained in Ex. "A"
18 there remains an additional \$58,136.61 that is not itemized and accounted for from the
19 \$139,988.80 USDOL settlement paid by A Cab. That \$58,136.61 is potentially, in
20 whole or in part, an additional amount that A Cab can set off against the judgments to
21 be awarded by the Court to the class members if A Cab can itemize the amounts of that
22 \$58,136.61 paid to the involved class members.

23 **II. THE COURT IS IMPORED TO ENTER JUDGMENT MOST**
24 **PROMPTLY, A REVISED JUDGMENT IS PROVIDED THAT**
25 **GRANTS A-CAB THE FULL RELEVANT AND CURRENTLY**
26 **KNOWN SET OFF FROM THE USDOL SETTLEMENT**

27 At Ex. "C" and submitted separately for the Court's entry is a proposed
28 judgment that fully credits A Cab for the \$81,852.19 it has accounted for from the
USDOL settlement of \$139,988.80 that it paid. It also provides for A Cab to seek
post-judgment satisfactions for the \$58,136.61 paid by it under the USDOL settlement

1 if it can itemize the amounts so paid to the involved class members. As a result, this
2 form of judgment varies slightly from the one originally proposed and filed with the
3 Court on June 22, 2018. It now adds ¶¶ 28 and 29 to discuss the additional materials
4 furnished by A Cab after June 22, 2018 that now allow for a reduction of the judgment
5 in A Cab's favor for the \$81,852.19 it has accounted for from the USDOL settlement.
6 It otherwise is identical to the previously proposed judgment and in a similar fashion
7 provides a mechanism for A Cab to seek post-judgment satisfactions for the not yet
8 accounted for \$58,136.61 paid by it under the USDOL settlement.

9 **II. THE COURT SHOULD NOT ACT ON ANY OF** 10 **A CAB'S OBJECTIONS TO THE JUDGMENT**

11 A Cab has not submitted any proposed alternative judgment to the Court.
12 Instead, in their Supplement filed on July 18, 2018, A Cab makes various broad
13 objections and raises various issues in respect to the proposed judgment submitted by
14 plaintiffs. To the extent A Cab complained about the proposed judgment's failure to
15 credit A Cab with its payments under the USDOL settlement that issue is fully resolved
16 in A Cab's favor, to the extent possible and as discussed *supra*. None of A Cab's other
17 objections have merit and the Court should take no action on any of them. To aid the
18 Court, plaintiffs' counsel, briefly, discusses the same:

19 **A. Class Counsel cannot establish A Cab's full USDOL Set Off** - There is
20 no basis to delay judgment, or require class counsel to contact over 800
21 class members, to ascertain the full amount of A Cab's set off from the
22 USDOL settlement. The set off claim belongs to A Cab to prove. To the
23 extent A Cab can document that set off the proposed judgment credits
24 them for the same. When A Cab entered into the consent judgment with
25 the USDOL this litigation was pending. It should have required the
26 USDOL as part of that consent judgment to document to A Cab the
27 disposition of all settlement monies, as it knew such monies might
28 constitute a set off in this case. Class counsel cannot now be charged with

1 protecting A Cab's interest as to that issue when A Cab, and its counsel,
2 have failed to do so.

3 **B. There is no \$224,529 settlement in *Dubric*** - A Cab's assertion
4 defendants "have already settled" the claims for which judgment is to be
5 entered for \$224,529 is untrue. The competing proposed class settlement
6 in *Dubric*, No. A-15-721063-C, has not received any final approval or
7 final judgment. No such settlement exists.

8
9 **C. A Cab's attack on the judgment amount is frivolous** - A Cab's
10 assertions that the judgment calculations are improper, or fail to reflect the
11 "two theories" of plaintiffs' case, are frivolous. If A Cab claims the
12 calculated judgment amounts fail to comply with the Court's oral rulings
13 at the June 5, 2018 hearing it needs to explain their deficiencies. It does
14 not. Instead it makes an incomprehensible assertion, supported by a letter
15 from defendant Nady, about how class damages, based upon a
16 misapplication of tip income to minimum wages, are far less than
17 calculated by plaintiffs. Plaintiffs' damages calculations are fully
18 explained and based upon sound, and undisputed, arithmetic principles. A
19 Cab presents no basis for the Court to reject or modify them.

20
21 **III. THE COURT SHOULD ENTER THE PROPOSED**
22 **ORDER AND FINAL JUDGMENT WITHOUT FURTHER DELAY**

23 This case must proceed to trial or final judgment by October 19, 2018 under
24 Rule 41(e). It is unclear if that time frame (a period of less than 100 days) would also
25 apply to the disposition of the severed claims against defendant Nady (once, or if, the
26 stay of those claims granted by the proposed order is lifted). Given this circumstance,
27 the Court is implored to enter the proposed Order with all due speed, if not within a
28 matter of days in, at most, not more than two or three weeks. If it would assist the

1 Court in doing so, it is urged to hold a further hearing on the proposed Order. Lead
2 class counsel, Leon Greenberg, has substantial availability to appear for any such
3 hearing during the month of August 2018.

15 _____

Case No.: A-12-669926-C

Dept.: I

**DECLARATION OF CLASS
COUNSEL, LEON
GREENBERG, ESQ.**

16 Leon Greenberg, an attorney duly licensed to practice law in the State of
17 Nevada, hereby affirms, under the penalty of perjury, that:

18 1. I am one of the attorneys representing the class of plaintiffs in this matter.
19 I submit this declaration in connection with the submission to the Court on August 3,
20 2018 of a supplement by plaintiffs' counsel on the entry of a proposed order and final
21 judgment.

22 2. My office has reviewed the documents furnished at Exhibits "C" and "D"
23 of defendants' supplement filed with the Court on July 18, 2018. Those documents
24 purport to itemize the payment of \$81,852.19 by the United States Department of
25 Labor (the "USDOL") to various persons as a result of the consent judgment and
26 settlement entered into by A Cab with the USDOL. At the June 5, 2018 hearing the
27 Court directed that judgment should be appropriately entered for the class members
28 who are shown to be owed at least \$10.00 in unpaid minimum pursuant to the

AA008583

parameters, and formula, discussed at that hearing. Accepting the documents proffered by the defendants in their July 18, 2018 supplement as accurately detailing the payment of \$81,852.19 by the USDOL to various A Cab taxi drivers, results in the following conclusions relevant to the entry of judgment in this case:

- (a) The USDOL paid \$374.67 to persons who are not class members. It made a payment of \$37.96 to John Newell and \$336.71 to Mark Stonebreaker-Kaplan. Plaintiffs' counsel cannot identify either such person as class members and has not proposed any judgment be awarded by the Court to such persons.
- (b) The USDOL paid \$5,622.39 to 10 persons whom plaintiffs' counsel identified as class members and who were calculated by plaintiffs' counsel to be owed, collectively, \$3,986.82. These persons are Miguel Arellano; Mario Blanco; Antonio Borges; Ernest Diamoz; Kanchalee Netrayana; Marvin Reid; Kirk Schoeb; Lidija Slijak; Gene Villegas and James Wallace. The amount paid to each of these persons under the USDOL settlement was in excess of the amount plaintiffs' counsel calculated they were owed that exceeded \$10.00 in unpaid minimum wages. As a result, none of these 10 class members should receive an award as part of the judgment entered in this case.
- (c) The USDOL paid \$506.31 to four persons whom plaintiffs' counsel identified as class members and who were calculated by plaintiffs' counsel to each be owed less than \$10.00 in unpaid minimum wages and as a result were never proposed to have any judgment entered in this case. These persons are Jason Harris; Sam Pak; Pamela Evans; and Inessa Guil.

1 (d) The remaining amount of the foregoing \$81,852.19 paid by the USDOL to
2 various A Cab taxi drivers is \$75,348.82. That \$75,348.82 is properly
3 applied to the proposed judgments of certain class members. Because the
4 USDOL paid \$2,516.55 from the A Cab settlement both to persons not
5 originally to receive judgments as class members, or in excess of the
6 judgments proposed for such class members, A Cab's total reduction in
7 the judgment amount from the foregoing \$81,852.19 paid by the USDOL
8 is \$79,335.64.

9 3. My office has reduced the proposed judgment amounts calculated as
10 explained in plaintiffs' supplement filed on June 22, 2018 for each class member who
11 received a portion of the foregoing identified \$75,348.82 of payments from the
12 USDOL. That reduced judgment amount, the original proposed judgment amount, and
13 the amount of the USDOL's \$75,348.82 payment applied to each involved class
14 member's judgment, is set forth at the Exhibit "B" table to the supplement of plaintiffs'
15 counsel being filed on August 3, 2018. Those amounts appear on each line of the
16 Exhibit "B" table at column "D" (reduced judgment amount, if so reduced, not all class
17 members' proposed judgments are subject to such a reduction); column "G" (original
18 proposed judgment amount) and column "H" (amount of the USDOL's \$75,348.82
19 payment applied to reduce the involved class member's judgment). My office has also
20 in the Exhibit "B" table calculated the interest due each class member on their
21 proposed judgment, as reduced, if at all, by the \$75,348.82 of payments from the
22 USDOL. That interest calculation is from January 1, 2016 through June 30, 2018 and
23 appears at column "E" on each line of the Exhibit "B" table. The interest so calculated
24 is at 5.5% per annum for all of 2016; at 5.75% per annum for the period January 1,
25 2017 through June 30, 2017; at of 6.25% per annum for the period July 1, 2017
26 through December 31, 2017; and at 6.5% per annum for the period January 1, 2018
27 through June 30, 2018. That interest amount (column "E") is then added to the
28 proposed judgment amount as reduced, if at all, by the \$75,348.82 of payments from

1 the USDOL (column "D") to create the amount of the judgment to be entered, with
2 interest, that appears at column "F" on each line of Exhibit "B."

3 4. The foregoing discussed chart set forth at Exhibit "B" to the supplement
4 of plaintiffs' counsel being filed on August 3, 2018 is attached as Exhibit "A" to the
5 proposed order granting final judgment being submitted to the Court with such
6 supplement.

7 5. Because A Cab paid a total USDOL settlement of \$139,988.80 but only
8 \$81,852.19 of that amount is accounted for there is an additional \$58,136.61 paid by A
9 Cab under the USDOL settlement that is unaccounted for. Some or all of that
10 \$58,136.61 may properly constitute an additional amount that should be applied to the
11 judgments calculated to be owed to the class members, as discussed *supra*. Plaintiffs'
12 counsel is prepared to perform those calculations, and request judgment satisfactions
13 from the Court accordingly, if A Cab provides suitable information indicating the class
14 members who received payments from that \$58,136.61 and the amount of such
15 payments.

16 I have read the foregoing and affirm the same is true and correct.
17 Affirmed this 3rd of August, 2018

Attorneys for Plaintiffs

7 **DISTRICT COURT**
8 **CLARK COUNTY, NEVADA**

9 MICHAEL MURRAY, and MICHAEL
10 RENO, Individually and on behalf of others
similarly situated,

11 Plaintiffs,

12 vs.

13 A CAB TAXI SERVICE LLC, A CAB, LLC,
14 and CREIGHTON J. NADY,

15 Defendants.

) Case No.: A-12-669926-C

) Dept.: I

) **ORDER GRANTING SUMMARY**
) **JUDGMENT, SEVERING**
) **CLAIMS, AND DIRECTING**
) **ENTRY OF FINAL JUDGMENT**

) **Hearing Date: June 5, 2018**
) **Hearing Time: 3:00 p.m.**

16
17
18 On June 5, 2018, with all the parties appearing before the Court by their
19 respective counsel as noted in the record, the Court heard argument on plaintiffs'
20 motion filed on April 17, 2018 on an Order Shortening Time seeking various relief
21 ("Plaintiffs' Motion"), including the holding of defendants in contempt for their
22 violation of the Court's prior Orders appointing a Special Master; granting partial
23 summary judgment to the plaintiffs pursuant to their motion filed on November 2,
24 2017; striking defendants' answer, granting a default judgment, and directing a prove
25 up hearing. Certain portions of Plaintiffs' Motion, not further discussed in this Order,
26 were resolved pursuant to other Orders issued by the Court and at a hearing held on
27 May 23, 2018. The Court grants plaintiffs' motion, to the extent indicated in this
28 Order; it Orders a severance of the previously bifurcated claims against defendant

1 Creighton J. Nady ("Nady"); and it Orders entry of final judgment against defendants A
2 Cab Taxi Service LLC and A Cab, LLC (collectively "A Cab") and other relief as
3 indicated herein.

4 **RELEVANT PRIOR HISTORY - CLASS CERTIFICATION**

5 On February 10, 2016 the Court initially granted class action certification under
6 NRCP Rule 23(b)(2) and (b)(3) of claims made in this case pursuant to Article 15,
7 Section 16 of the Nevada Constitution, the Minimum Wage Amendment (the "MWA")
8 and for penalties under NRS 608.040 alleged to have arisen in favor of certain class
9 members as a result of such MWA violations. The class so certified in that Order was,
10 for purposes of damages under NRCP Rule 23(b)(3), composed of current and former
11 taxi driver employees of defendant A-Cab from July 1, 2007 through December 31,
12 2015, and for appropriate equitable or injunctive relief under NRCP Rule 23(b)(2) from
13 July 1, 2007 to the present and continuing into the future. Via subsequent Orders the
14 Court modified and amended that initial class certification order pursuant to NRCP
15 Rule 23(c)(1). Via its Order entered on November 21, 2016, it granted class
16 certification under NRCP Rule 23 of the third and fourth claims for relief, first made in
17 the Second Amended and Supplemental Complaint filed on August 19, 2016 and made
18 solely against defendant Nady based upon "alter ego" and similar allegations. Via its
19 Order entered on June 7, 2017, it limited the membership in the class for the period of
20 July 1, 2007 through October 8, 2010 and dismissed certain class members and claims
21 under the MWA accruing during that time period. It did so consistent with the Nevada
22 Supreme Court's ruling in *Perry v. Terrible Herbst, Inc.*, 383 P.3d 257 (Nev. Sup. Ct.
23 2016) on the MWA's applicable statute of limitations and what the Court found was the
24 proper granting of an equitable toll of the statute of limitations under the MWA for
25 certain class members.

26 **FINDINGS SUPPORTING RELIEF GRANTED BY THE COURT**

27 The Court makes the following findings of fact and law supporting the relief
28 granted by this Order. The recited findings are not necessarily all of the findings that

1 would appropriately support the relief granted based upon the extensive record
2 presented, but they are the ones of fact and law that the Court believes provide at least
3 minimally sufficient support for its decision to grant the relief set forth in this Order:

- 4 1. A Cab was an employer of the class members during the time period at
5 issue and was required to pay the class members the minimum wage
6 specified by the MWA.
7
- 8 2. A Cab used Quickbooks computer software to prepare the paychecks
9 issued to the class members during the class period. A record of the gross
10 wages paid by A Cab to every class member during every pay period
11 exists in the Quickbooks computer files maintained by A Cab. The Court
12 Ordered A Cab to produce those records to the plaintiffs' counsel and A
13 Cab provided certain Excel files to the plaintiffs' counsel in compliance
14 with that Order.
15
- 16 3. A Cab used a computer software system called Cab Manager in which it
17 recorded the activities of its taxi cabs and the class members. The Cab
18 Manager software created a computer data file record indicating that a
19 particular class member worked, meaning they drove a taxi cab, on a
20 particular date. The Court Ordered A Cab to produce its Cab Manager
21 computer data file records to the plaintiffs' counsel and A Cab provided
22 those computer data files to the plaintiffs' counsel in compliance with that
23 Order.
24
- 25 4. Pursuant to NRS 608.115(1)(d), A Cab was required to maintain a record
26 of the total hours worked by each class member for both each day they
27 worked and for each pay period. A Cab had this obligation throughout the
28

1 entire period of July 1, 2007 through December 31, 2015 during which the
2 class members' damages under the MWA are at issue (the "Class Period").

- 3
- 4 5. Except for the period between January 1, 2013 and December 31, 2015, A
5 Cab has not produced any record of hours worked by the class members
6 that it can properly claim complies with any of the requirements of NRS
7 608.115(1)(d).
- 8
- 9 6. For the period between January 1, 2013 and December 31, 2015, the Excel
10 files produced by A Cab and discussed in ¶ 2 set forth an amount of hours
11 worked by each class member during each pay period. A Cab gave
12 testimony at an NRCP Rule 30(b)(6) deposition, the relevant excerpts
13 being placed in the record, that its Quickbooks records for that time period
14 contained an accurate statement of the total hours worked by each class
15 member during each pay period. Plaintiffs do not agree that such
16 Quickbooks hours of work are fully accurate, but insist A Cab should be
17 bound by its testimony that such hours of work are accurately set forth in
18 those Quickbooks records. The Court agrees and finds A Cab cannot
19 dispute that the Quickbooks records it produced for the period between
20 January 1, 2013 and December 31, 2015 contain an accurate statement of
21 the hours worked during each pay period by each class member.
- 22
- 23 7. Except for the Quickbooks records discussed in ¶ 6, the only information
24 that A Cab admits possessing on the hours worked by the class members
25 during the Class Period is information in paper "trip sheets" that its taxi
26 drivers are required to complete each work shift. Those trip sheets, when
27 properly completed and legible, will be time stamped with the taxi driver's
28 shift start time and shift end time for a workday and will also indicate

1 periods of time that the taxi driver recorded themselves as being on a
2 break and not working during that workday. A Cab has repeatedly
3 asserted that those trip sheets contain an accurate record of the hours
4 worked by every class member and can, and should, be relied upon to
5 determine their hours of work.

6 8. The trip sheets in the possession of A Cab, to the extent they contain
7 accurate information, do not meet the requirements of NRS 608.115(1)(d).
8 They are not a record of a total amount of hours or fractions thereof
9 worked in a pay period or in a workday by an individual taxi driver. They
10 are, at most, a record from which such information could be obtained by
11 further examination and calculation. Assuming a trip sheet is accurate, by
12 examining the start time and end time of each trip sheet and calculating
13 the interval between those two times a workday length could be
14 ascertained. After deducting any non-working break time recorded on the
15 trip sheet from that workday length, the total amount of time worked by
16 the taxi driver for that workday could be determined.

17
18 9. The requirements of NRS 608.115(1)(d) are mandatory for employers and
19 compliance with those requirements are of critical importance to the
20 MWA.¹ Whether an employer has paid the minimum wage required by
21 the MWA during a particular pay period requires an examination of both
22 the wages paid to the employee and the hours they worked during the pay
23

24 ¹ A Cab was also advised on April 30, 2009 by an investigator for the United
25 States Department of Labor that it "must keep a record of actual hours worked" of the
26 class members. *See*, Plaintiffs' Motion for Class Certification filed May 19, 2015, Ex.
27 "B." While the absence of such an advisement would not relieve A Cab of its duty to
28 keep the records required by NRS 608.115(1)(d), such history would support a
conclusion that A Cab's failure to maintain those records was intentional and designed
to render any future minimum wage law enforcement less effective.

period.² A Cab's failure to maintain the records required by NRS 608.115(1)(d) prior to 2013, unless remedied, would render a pay period by pay period accounting of its MWA compliance, based upon an exact record of the hours worked by and wages paid to each individual class member, impossible for the period prior to 2013.

10. The MWA, being a provision of the Nevada Constitution, commands and requires vigorous enforcement by this Court. By its express language it confers upon employees a right to "....be entitled to all remedies available under the law or in equity appropriate to remedy any violation..."³ of its provisions. As a result, A Cab's failure to maintain the records required by NRS 608.115(1)(d) cannot be allowed to frustrate the enforcement of the class members' rights secured by the MWA.

11. The Court, in response to its foregoing findings, and in furtherance of its obligation under the MWA, via Orders entered on February 7, 2018 and February 13, 2018, appointed a Special Master in this case who was tasked with reviewing the trip sheets in the possession of A Cab and creating the record of hours worked per pay period for each class member required by NRS 608.115(1)(d). The Court directed that A Cab pay for such Special Master and deposit \$25,000 with the Special Master as a payment towards the cost of their work. A Cab failed to make such payment within the time period specified by the Court. As a result, the Special Master advised the Court that they have incurred \$41,000 in costs towards their completion of their assignment and will not proceed further

² An exception exists if the wages paid are large enough to render an MWA violation impossible. A week only contains 168 hours and a weekly wage of \$1,218 would establish minimum wage compliance at \$7.25 an hour ($168 \times 7.25 = \$1,218$).

³ Nevada Constitution, Article 15, Section 16 (B).

1 with that assignment until they are in receipt of sufficient assurances that
2 they will be paid for their work. The Special Master has budgeted
3 \$180,000 as the projected total cost to complete their assignment.

- 4
- 5 12. A Cab has not requested that the Special Master, in lieu of reviewing
6 every trip sheet for every class member, review an appropriate statistical
7 sample of the trip sheets to arrive at an accurate approximation of the
8 number of hours worked during each pay period by each class member
9 and that A Cab be bound by such a finding. The cost of the Special
10 Master's work would be greatly reduced if such a statistical sampling
11 approach was used and A Cab agreed to be bound by that finding. It has
12 been, and remains, A Cab's contention that the trip sheets contain fully
13 accurate information that should be relied upon in this case in their
14 entirety and that it is plaintiffs' duty to review all of those trip sheets to
15 prove their case.
- 16
- 17 13. The Court, in a minute Order issued on March 6, 2018, noted its
18 awareness of A Cab's failure to pay the then overdue \$25,000 deposit to
19 the Special Master and A Cab's communication with the Court advising it
20 was experiencing financial difficulties and claiming it did not currently
21 possess the funds to make that payment. For unrelated reasons the Court
22 in that Order stayed this case, suspended the Special Master's work, and
23 granted A Cab additional time to raise the funds needed to pay the Special
24 Master during the pendency of that stay. Via a minute Order on May 22,
25 2018 the Court lifted that stay.
- 26
- 27 14. On May 23, 2018, June 2, 2018, and June 5, 2018 the Court conducted
28 hearings in connection with Plaintiffs' Motion and also received various
written submissions from A Cab and plaintiffs' counsel regarding A Cab's

1 failure to pay the Special Master. The result of those hearings and
2 submissions, in respect to the status of the Special Master and A Cab's
3 payment to him for the completion of his work, was that A Cab either will
4 not or cannot make any payment to the Special Master. Except for urging
5 this Court to stay this case, and await the conclusion of certain other
6 proceedings that A Cab asserts will narrow the class claims in this case, A
7 Cab proposed no cure for its violation of the Court's Orders appointing the
8 Special Master. It did not state when, if ever, it intended to comply with
9 those Orders or propose any other method for the Court to properly,
10 promptly and appropriately bring this case to conclusion.

- 11 15. The conduct of A Cab in violating the Court's Orders appointing a Special
12 Master is not the first instance of A Cab violating the Court's Orders or
13 engaging in documented litigation misconduct in this case. On March 4,
14 2016 the Court, over A Cab's objections, entered an Order adopting the
15 Report and Recommendation of the Discovery Commissioner sanctioning
16 A Cab \$3,238.95 for obstructing discovery. The Court made specific and
17 detailed findings in that Order in respect to A Cab's failure to produce the
18 Quickbooks and Cab Manager computer data files; A Cab's delay in
19 producing such materials during the eight months plaintiffs' motion to
20 compel their production had been pending; A Cab's compelling of the
21 unnecessary deposition of a non-party witness in respect to the production
22 of the Cab Manager records; and the abusive and inexcusable conduct of
23 defendant Nady as an NRCP Rule 30(b)(6) deposition witness. As
24 reflected at pages 2 and 3 in the transcript of the hearing held on
25 November 18, 2015 by the Discovery Commissioner that resulted in such
26 Order, the Discovery Commissioner's review of that deposition transcript
27 raised extremely serious concerns about the defendants' inexcusable
28

conduct.⁴

16. The Court has made every effort to fashion a method for the fair, just, and most precise disposition of the MWA claims in this case in light of A Cab's failure to maintain a record of the hours worked per pay period of each class members as required by NRS 608.115(1)(d). It is not disputed that an accurate record exists in A Cab's Quickbooks computer files of the amount of wages paid every pay period to every class member. If the records required by NRS 608.115(1)(d) had been maintained, disposition of the "lower tier" (currently \$7.25 an hour) MWA claims in this case would be a matter of simple arithmetic. In response to A Cab's insistence that the hours of work information required by NRS 608.115(1)(d) can be accurately ascertained by examining and performing calculations on the trip sheets, the Court appointed a Special Master. Yet A Cab's failure to pay the Special Master, or propose any other process, such as the application of statistical sample or other reasonable methodology as a substitute would, unless other measures were taken by the Court, render a recovery for the class members on their MWA claims impossible. That would appear to be precisely what A Cab's conduct is designed to achieve.

17. A Cab's argument that the only way to determine the class members' hours of work is to examine every one of their trip sheets, and that it should be the burden of the plaintiffs' themselves (or more properly their appointed

⁴ The Discovery Commissioner advised defendants of her concern at that time that defendant's conduct, if it continued, might result in some form of default judgment: "It was inexcusable, what your client called Plaintiffs' counsel during the deposition, which I will not repeat in open court. Inexcusable, almost to the point where I'm not sure he should be allowed to be a Defendant in the 8th Judicial District Court-- that's how serious this is-- because I have no confidence in what he's-- how he's answering questions."

1 class counsel) to bear the expense of doing so, cannot be adopted by the
2 Court. Doing so would serve to reward A Cab for its violation of NRS
3 608.115(1)(d) by shifting the now considerable burden and cost of
4 ascertaining the class members' hours of work onto the plaintiffs'
5 themselves. It is A Cab that should properly bear that burden and expense
6 and it was directed to do so through the offices of the Special Master that
7 it has failed to pay.

8
9 18. In resolving MWA claims where no record of the total hours of work of
10 the employees per pay period exists as required by NRS 608.115(1)(d), or
11 such an amount cannot be precisely calculated in every instance (in this
12 case as a result of A Cab's failure to pay the Special Master), the Court
13 must adopt a reasonable approximation of those hours of work and fashion
14 an award of unpaid minimum wages based upon that approximation even
15 though the amount so awarded is not exact. *See, Anderson v. Mt. Clemons*
16 *Pottery Co.*, 328 U.S. 680, 685-88 (1946) ("The employer cannot be heard
17 to complain that the damages lack the exactness of measurement that
18 would be possible had he kept records....") *Bell v. Farmers Ins. Exchange*,
19 115 Cal. App. 4th 715, 750 (Cal. Ct. App., 1st Dist. 2004) and other cases.
20 Applying any approach other than the one adopted by *Mt. Clemons* would
21 frustrate the purposes of the MWA and make effective enforcement of the
22 Nevada Constitution's right to a minimum wage impossible.

23 19. In support of their motion for partial summary judgment ("plaintiffs'
24 MPSJ"), filed on November 2, 2017, the plaintiffs rely on portions of an
25 Excel file that contain information for the time period of January 1, 2013
26 through December 31, 2015, such information for that time period being
27 compiled from the Quickbooks records produced by defendants. That
28 Excel file, "ACAB-ALL," was created by Charles Bass whose work doing

1 so was reviewed by Terrence Clauretie Ph.D. and the subject of his report,
2 at Ex. "B" of plaintiffs' MPSJ, which was furnished to A Cab along with
3 the "ACAB-ALL" Excel file. Both Dr. Clauretie and Charles Bass were
4 designated as expert witnesses by the plaintiffs and deposed by the
5 defendants in that capacity.

6
7 20. The "A CAB ALL" Excel file created by plaintiffs contains various
8 information taken from the Quickbooks and Cab Manager computer data
9 files produced by A Cab to plaintiffs. As germane to this Order, it
10 summarizes that information for the period October 8, 2010 through
11 December 31, 2015 and makes calculations on that information, in respect
12 to the following:

- 13 (a) In respect to every pay period, it sets forth the amount of
14 wages paid by A Cab to the class member as recorded in A
15 Cab's Quickbooks records and the number of shifts they
16 worked during the pay period as recorded in A Cab's Cab
17 Manager records (the "shifts worked");
- 18
19 (b) For the period January 1, 2013 through December 31, 2015, it
20 sets forth the amount of hours worked by the class member
21 for each pay period as recorded by A Cab's Quickbooks
22 records (the "payroll hours");
- 23
24 (c) By dividing the class member's wages paid per pay period by
25 the recorded payroll hours worked per pay, for the period
26 January 1, 2013 through December 31, 2015, it calculates the
27 amount, if any, that the class member's wages were less than
28 \$7.25 an hour for each pay period;

1 (d) It allows the user of the Excel file to enter a "shift length"
2 amount that it applies as a uniform length to every shift
3 worked during every pay period from October 8, 2010
4 through December 31, 2012. It then, based upon that selected
5 shift length, calculates the amount, if any, that the class
6 members' wages were less than \$7.25 an hour for each pay
7 period.

8
9 21. A Cab argues that the "A CAB ALL" Excel file is inaccurate and
10 the calculations it makes cannot be relied upon but it cites no error
11 in any calculation it purports to perform. That Excel file was
12 furnished to defendants and examined by their own expert, Scott
13 Leslie, who testified at his deposition, the relevant excerpts being
14 presented to the Court, that he concurred with Dr. Clauretie's
15 finding that the calculations it made were arithmetically correct. A
16 Cab also argues it cannot be sure the information contained in the
17 "A CAB ALL" Excel file and upon which its calculations rely (the
18 payroll hours worked recorded in the Quickbooks records from
19 January 1, 2013 through December 31, 2015, the wages paid, and
20 the shifts worked, during each pay period for each class member) is
21 accurately taken from A Cab's Quickbooks and Cab Manager
22 records. Yet it has not provided to the Court a single instance
23 where its records contain information that conflicts with the per pay
24 period information set forth in the "A CAB ALL" Excel file.

25 22. Plaintiffs assert the "ACAB ALL" Excel file, and the work of
26 Charles Bass in placing information from A Cab's Quickbooks and
27 Cab Manager files in that Excel file and performing calculations on
28 that information, is a "summary or calculation" of A Cab's

1 voluminous records pursuant to NRS 52.275 though Charles Bass is
2 also designated as a expert witness. It asserts the calculations made
3 by the "ACAB ALL" Excel file are properly considered on that
4 basis. A Cab asserts that the "ACAB ALL" Excel file's calculations
5 are not properly considered under NRS 52.275 or on any other basis
6 and that neither Charles Bass nor Dr. Clauretie are properly
7 qualified as expert witnesses. The calculations made by the
8 "ACAB ALL" Excel file are not the product of any expert
9 "opinion." They involve simple arithmetic, dividing an amount
10 paid per pay period by a number of hours worked per pay period
11 and calculating the amount, if any, that such resulting number is
12 less than \$7.25 an hour. The plaintiffs, based upon Dr. Clauretie's
13 report of the detailed review he conducted of how Charles Bass
14 assembled the "ACAB ALL" Excel file, and the declaration of
15 Charles Bass, have met their *prima facie* burden of showing that
16 such Excel file contains information properly assembled from the
17 Quickbooks and Cab Manager computer files produced by A Cab
18 pursuant to the Court's Order. A Cab has provided no contrary
19 evidence identifying even a single instance in the many thousands
20 of pay periods set forth in the "ACAB ALL" Excel file where it
21 contains either inaccurate information that does not match A Cab's
22 records or incorrect arithmetic calculations. Accordingly, the
23 Court finds that the calculations made by the "ACAB ALL" Excel
24 file are properly relied upon and constitute undisputed facts.

- 25 23. Plaintiffs have also furnished to defendants on September 29, 2017
26 an Excel File "Damages 2007-2010" with the Supplemental Expert
27
28

1 Report (Declaration) of Charles Bass of September 27, 2017.⁵ That
2 "Damages 2007-2010" Excel file, as discussed in the September 27,
3 2017 declaration of Charles Bass, performs calculations in a fashion
4 identical to the "A CAB ALL" file by allowing the assignment of a
5 uniform "shift length" to every shift worked by a class member
6 during a pay period. It also contains the same information in
7 respect to wages paid and shifts worked for that time period for
8 each pay period for each class member, as taken from A Cab's
9 Quickbooks and Cab Manager computer files. It was assembled
10 using the same process reviewed by Dr. Clauretie and discussed in
11 his report in respect to the "A CAB ALL" file. A Cab has not
12 disputed the accuracy of any calculations made in, or information
13 contained in, the "Damages 2007-2010" Excel file. For the reasons
14 discussed in ¶ 22, the Court finds that the calculations made by the
15 "Damages 2007-2010" Excel file are properly relied upon and
16 constitute undisputed facts.

- 17 24. The "ACAB ALL" Excel file, for the 14,200 pay periods it
18 examines for the time period January 1, 2013 through December 31,
19 2015, calculates that the class members' average shift length
20 (average working time per shift) was 9.21 hours. It arrived at that
21 figure based upon A Cab's payroll hours worked Quickbooks
22 records and the total number of shifts class members were recorded
23 as working by A Cab's Cab Manager records. A Cab does not
24 dispute that is an accurate figure and Dr. Clauretie, in his report,
25 verifies its accuracy. A Cab's expert, Scott Leslie, in connection
26

27
28 ⁵ This document, but not the Excel file, is introduced into the record at Ex. "A"
of the declaration of class counsel filed on June 20, 2018.

1 with his rebuttal expert report,⁶ for which he was paid \$47,203,⁷
2 undertook to examine the actual trip sheets of class members for 56
3 pay periods between January 1, 2013 and December 31, 2015 and
4 concluded that, on average, each shift worked by each class member
5 during those 56 pay periods consisted of 9.5 hours of working time.
6 He also undertook an examination of the actual trip sheets of class
7 members for 38 pay periods between October 8, 2010 and
8 December 31, 2012 and concluded that, on average, each shift
9 worked by each class member during those 38 pay periods consisted
10 of 9.8 hours of working time. He concluded that the average shift
11 length was 9.7 hours of working time for all of the trip sheets he
12 examined for 123 pay periods. Plaintiffs submitted declarations
13 from three class members indicating that class members were, in
14 most instances, assigned to work 12 hour shifts; they typically
15 worked shifts of 11 hours or longer in length after deducting their
16 break time; that class members took few breaks during their shifts
17 or averaged breaks of less than one hour in length during a shift;
18 and unless a taxi broke down a shift was at least 10 hours long. *See*,
19 Ex "F" and "O" plaintiffs' motion for class certification filed May
20 19, 2015, Ex. "B" of opposition to defendants' motion for summary
21 judgment filed December 14, 2017. A Cab, through Nady,
22 pursuant to an NRCP Rule 30(b)(6) deposition notice directed to the
23 topic, testified it could only provide a "guess" as to the average
24 amount of time worked by the class members each shift. *See*,

25
26 ⁶ This report is introduced into the record at Ex. "B" of the declaration of class
27 counsel filed on June 20, 2018 who, in that declaration, also states the particulars
28 contained in the report regarding the average shift length shown by the trip sheet
review conducted by Mr. Leslie.

⁷ Ex. "B" of the declaration of class counsel filed on June 20, 2018.

1 plaintiffs' motion in limine filed December 22, 2017 at Ex. "J" and
2 "K."

3 25. Plaintiffs' MPSJ includes the calculations made by the "ACAB
4 ALL" Excel file using A Cab's Quickbooks payroll hours for the
5 2013-2015 time period in respect to unpaid minimum wages owed
6 at the \$7.25 an hour "lower tier" minimum wage rate (Column "K"
7 to Ex. "D" to that motion, showing its examination of each of
8 14,200 pay period and consisting of 375 pages). It also includes a
9 consolidated statement of the amount, if any, of unpaid minimum
10 wages owed to each class member at \$7.25 an hour (Column "D" to
11 Ex. "E" listing 548 class members stretching over 19 pages).

12
13 26. Plaintiffs have introduced into the record the following:

- 14
15 (a) The amounts owed at \$7.25 an hour, if any, using the "ACAB
16 ALL" Excel file for the period October 8, 2010 through
17 December 31, 2012 for each of 9,759 pay periods and to each
18 of 527 class members when a constant shift length of 9.21
19 hours per shift is used to make those calculations;⁸
20
21 (b) The amounts owed at \$7.25 an hour, and prior to July 1, 2010
22 at the applicable "lower tier" minimum wage which was less
23 than \$7.25 an hour, if any, using the "Damages 2007-2010"
24 Excel file for the period July 1, 2007 through October 7, 2010
25 for each of 13,948 pay periods and to each of 378 class
26 members when a constant shift length of 9.21 hours per shift
27

28

⁸ These are introduced into the record at Ex. "3" and Ex. "4" to Ex. "C" of the
declaration of class counsel filed on June 20, 2018.

is used to make those calculations;⁹

- (c) A consolidated chart listing the amounts owed to each class member when the amounts detailed in ¶ 25 and ¶ 26(a) and ¶ 26(b) are combined.¹⁰

27. On November 5, 2014, A Cab and Nady entered into a consent judgment in the United States District Court for the District of Nevada with the United States Department of Labor that provided for the payment by A Cab of \$139,988.80 to resolve certain claims for unpaid minimum wages owed under the Fair Labor Standards Act for the time period October 1, 2010 through October 1, 2012. *See*, Plaintiffs' Motion for Class Certification filed May 19, 2015, Ex. "A." That consent judgment included a list of persons, A Cab employees who are also class members in this case, who were subject to that consent judgment and were to receive portions of such \$139,988.80 payment in amounts determined by the United States Secretary of Labor. *Id.* Such consent judgment does not, by its terms, or by operation of law, either preempt or resolve the MWA claims made in this case. A Cab, in its Answers filed with the Court, has raised a Twenty-Third Affirmative defense of accord and satisfaction. Plaintiffs served an interrogatory request seeking details of that defense, including the amounts paid to the class

⁹ These are introduced into the record at Ex. "1" and Ex. "2" to Ex. "C" of the declaration of class counsel filed on June 20, 2018.

¹⁰ These are introduced into the record at Ex. "5" to Ex. "C" of the declaration of class counsel filed on June 20, 2018.

1 members alleged by A Cab to support such defense.¹¹ A Cab
2 referenced the consent judgment case in its interrogatory answer,
3 but provided no information on the amounts so paid under the same
4 to any particular class members. It also referred to its production of
5 documents that it implied may contain such information. Plaintiffs'
6 counsel asserts it has not been provided with documentation from A
7 Cab of the amounts so paid, in respect to the exact amount paid to
8 each individual involved class member and not the entire
9 \$139,988.80, though it does believe some such amounts were
10 paid.¹²

11 28. In response to plaintiffs' counsel's assertions regarding the United
12 States Department of Labor ("USDOL") settlement, A Cab, in its
13 "Supplemental Authority In Response To Declaration of June 20,
14 2018," filed on July 10, 2018, asserts it provided relevant
15 documentation regarding that settlement at Response 7 to plaintiffs'
16 Fifth Set of Interrogatories. That response to plaintiffs' request that
17 A Cab specify the amounts paid to each involved class member
18 under the USDOL settlement consists of three words: "Please see
19 attached." A Cab provides "attached" to that interrogatory response
20 seven pages of documents with the names of various persons, and
21 associated amounts that, facially, would seem to indicate a record of
22 payments made to those persons. It offers no explanation, in its
23 interrogatory response, of what those documents are. Nor in its July
24 10, 2018 filing did A Cab include any declaration corroborating and
25

26
27 ¹¹ That interrogatory and defendants' response, No. 26, is introduced into the
28 record at Ex. "D" of the declaration of class counsel filed on June 20, 2018.

¹² This is set forth at ¶ 5 of the declaration of class counsel filed on June 20, 2018.

1 authenticating those seven pages of documents that, facially, seem
2 to indicate payments of itemized amounts to certain class members
3 from the USDOL settlement. In a further supplement filed by
4 plaintiffs' counsel on July 13, 2018 plaintiffs' counsel noted that A-
5 Cab's supplement filed on July 10, 2018 lacked any proper
6 corroboration or authentication of the facially relevant documents.
7 Plaintiffs' counsel also noted that those documents only itemized
8 payments totaling \$77,178.87 of the total \$139,988.80 paid under
9 the USDOL settlement, meaning A Cab could not, from those
10 documents, corroborate which class members may have received an
11 additional \$62,800.43 from that settlement. In a further
12 supplement filed on July 18, 2018 A Cab's counsel furnished their
13 declaration (Ex. "F" thereto) purporting to authenticate the
14 previously provided documents from the USDOL and certain
15 additional, and not previously furnished, USDOL documents
16 provided with that supplement.

- 17 29. Plaintiffs, upon review of the July 18, 2018 supplement filed by A
18 Cab, filed a further supplement with the Court on August 3, 2018.
19 In that August 3, 2018 Supplement and the Ex. "A" declaration of
20 plaintiffs' counsel thereto, plaintiffs have established to the Court's
21 satisfaction that A Cab has demonstrated the disposition of
22 \$81,852.19 from the USDOL settlement. The Court is further
23 satisfied that Ex. "B" of such supplement, based upon that
24 \$81,852.19 from the USDOL settlement, properly applies a set off
25 in A Cab's favor of the judgment amounts owed to the class
26 members previously submitted to the Court and discussed at ¶ 26.
27 As further detailed by that supplement, \$58,136.61 of the
28 \$139,988.80 USDOL settlement paid by A Cab remains
unaccounted for. That \$58,136.61 is potentially, in whole or in part,

1 an additional amount that A Cab can set off against the judgments
2 to be awarded by the Court to the class members if A Cab can
3 itemize the amounts of that \$58,136.61 paid to the involved class
4 members.

5 **DISCUSSION OF RELIEF GRANTED**

6 **Plaintiffs' Motion for Partial Summary Judgment**

7
8 No disputed triable issues of material fact are presented by A Cab warranting a
9 denial of the plaintiffs' MPSJ. That motion involves a review of every pay period,
10 14,200 in total, contained in A Cab's Quickbooks records for the time period from
11 January 1, 2013 through December 31, 2015. The question presented by that motion is
12 whether A Cab during those 14,200 pay periods, based upon the gross wages its
13 Quickbooks records indicate A Cab paid to the class members each pay period and the
14 hours they indicate each class member worked each pay period, complied with the
15 MWA's \$7.25 an hour "lower tier" minimum wage. A Cab admits its Quickbooks
16 records contain an accurate record of such information (wages paid and hours worked
17 each pay period for each class member from January 1, 2013 through December 31,
18 2015). A Cab was Ordered by the Court to provide that information to plaintiffs'
19 counsel and cannot now dispute the accuracy of the information it so produced. As
20 discussed, the Court is satisfied that information, furnished by A Cab, was accurately
21 placed in the "ACAB ALL" Excel file upon which plaintiffs' rely. The Court is also
22 satisfied that the "ACAB ALL" Excel file performs the correct arithmetical calculation
23 to determine the underpaid minimum wage amount, if any, at \$7.25 an hour, for each of
24 the 14,200 pay periods. The Court is also satisfied it provides an accurate resulting
25 statement of the total amount, if any, owed for that reason to each class member.

26 A Cab's assertions that the amounts calculated and presented with plaintiffs'
27 MPSJ and arrived at through the use of the "ACAB ALL" Excel file (Ex. "D" and "E"
28 of the MPSJ) are inaccurate or unreliable is speculative. A Cab does not set forth even
a single instance where the calculations presented in those Exhibits is performed upon

1 information that is not set forth in A Cab's Quickbooks records or that involves
2 erroneous arithmetic. Its opposition to the plaintiffs' MPSJ is based upon pure
3 speculation (or an assertion it should be relieved of its admissions that the Quickbooks
4 records contained accurate information) and the MPSJ is granted.

5 In connection with the MPSJ the plaintiffs have asked that the Court forego
6 entering judgment in favor of any class member when the amount so indicated by Ex.
7 "E" to the MPSJ is less than \$10.00. Accordingly, judgment is granted on the MPSJ to
8 every class member for the amount indicated in Column "D" of Ex. "E" of the MPSJ if
9 such amount is at least \$10.00. As discussed, *infra*, the Clerk of the Court shall enter
10 such Judgment amount as combined with the amount, if any, also owed to the class
11 member under this Order for the time period prior to January 1, 2013.

12 **Plaintiffs' Motion to Hold Defendants in Contempt for Their Violation**
13 **of the Court's Prior Orders Appointing a Special Master and Striking**
14 **Defendants' Answer and Directing a Prove Up Hearing.**

15
16 While Plaintiffs' Motion uses the term contempt it does not seek an arrest for
17 civil contempt but an appropriate remedy, sanction, against A Cab for its failure to
18 comply with the Court's Orders appointing a Special Master. If those Orders had been
19 complied with, the Special Master's work would now be complete. The Court would
20 be proceeding to fashion an appropriate final judgment for the class members based
21 upon that report and the precise findings, in respect to the hours of work, wages paid,
22 and minimum wage amounts owed to the class members, it would have contained. A
23 Cab's failure to comply with those Orders has prevented that result. Plaintiffs do not
24 propose an order of civil contempt and imprisonment against defendant Nady, A Cab's
25 principal, as a remedy for that failure. Nor does the Court believe such an Order, while
26 within the Court's power, is sensible or will serve the interests of justice. As the
27 Plaintiffs' Motion requests, the Court should fashion some sort of alternative relief, and
28 judgment, that will resolve this litigation and render substantial justice, albeit not in the
precise form that would have been arrived at if A Cab had complied with the Court's

Orders appointing the Special Master.

In granting the relief specified, *infra*, the Court relies upon two principles. The first is the Court's inherent power to appropriately sanction, and tailor remedies for, violations of its Orders and in response to a party's improper conduct. *See, Young v. Johnny Ribeiro* 787 P.2d 777, 779 (Nev. Sup. Ct. 1990) ("Litigants and attorneys alike should be aware that these [inherent] powers may permit sanctions for discovery and other litigation abuses not specifically proscribed by statute.") As discussed in *Young* and the subsequent cases from the Nevada Supreme Court that follow *Young*, this Court should make appropriately detailed and thoughtful written findings when imposing such sanctions, which can include the striking of an answer and the granting of a default judgment. Some of the factors the Supreme Court has said may be considered in determining whether to impose such sanctions are the degree of willfulness of the offending party, the feasibility and fairness of lesser sanctions, and the prejudice sustained by the non-offending party. *Id.*, 787 P.2d at 780. It is also apparent from *Bahena v. Goodyear Tire & Rubber Co.*, 235 P.3d 592, 599 (Nev. Sup. Ct. 2010) citing and quoting *Foster v. Dingwall*, 227 P.3d 1042, 1047, 1048 (Nev. Sup. Ct. 2010) that a demonstrated course of "repetitive, abusive and recalcitrant" conduct by a party can justify the imposition of such sanctions. *Bahena*, further discussing *Foster* and approving of its holding, also stated: "[w]e further concluded [in *Forster*] that entries of complete default are proper where "litigants are unresponsive and engaged in abusive litigation practices that cause interminable delays." *Id.*

The Court concludes that the record in this case is sufficient under *Young* and the other controlling precedents to warrant an award of relief in the form requested by plaintiffs, a striking of defendant A Cab's answer and the entry of a default judgment. A Cab's improper conduct in violating the Court's Orders appointing a Special Master is not an isolated incident but "repetitive." Its prior history of improper conduct is discussed in ¶ 15. That improper conduct has also caused "interminable delays" in the production of A Cab's critically important Cab Manager and Quickbooks records, delays A Cab may well have intended to foster in pursuit of an NRCP Rule 41(e) dismissal. The willfulness of A Cab in disregarding the Court's Orders appointing a

1 Special Master is apparent and A Cab's assertion its failure to comply with those
2 Orders is a result of a financial inability to pay the Special Master cannot be properly
3 considered. If A Cab truly lacks the financial resources to comply with those Orders it
4 has a remedy under the United States Bankruptcy Code to seek the protection of the
5 Bankruptcy Court which is empowered to relieve it from those Orders and oversee the
6 proper disposition of whatever financial resources it does possess. It has declined to do
7 so and continues to do business and defend this case in this Court. Having elected to
8 do so, it must comply with this Court's Orders or face the consequences of its failure to
9 do so.

10 The Court also finds there are no feasible or fair lesser sanctions that it can
11 properly impose in lieu of the judgment it is granting *infra*, and the prejudice sustained
12 by the non-offending party in this case, the class members, would be too great if it
13 failed to grant that judgment. A Cab has violated its obligations under NRS
14 608.115(1)(d), obligations which, if met, would allow the Court to render full,
15 complete, and precise justice in this matter on the class members' MWA claims. In
16 response to that violation, the Court directed A Cab to pay a Special Master to correct
17 such deficiencies in its NRS 608.115(1)(d) compliance. It has failed to do so and
18 proposed no alternative approach to bring this case to a proper conclusion. The Court
19 cannot envision any sanction or any other feasible means to justly and properly resolve
20 this case under the circumstances presented, except through directing entry of the
21 judgment specified, *infra*, even if the Court was not resolving this case in a "sanctions"
22 context.

23 The prejudice that would inure to the class members if the Court failed to enter
24 the judgment specified, *infra*, is manifest and extreme. A Cab's proposal that the
25 Court await the outcome of other proceedings that may or may not impact some
26 amount of the class members' claims seeks to have the Court abdicate its responsibility
27 to hear and resolve the claims before it, something it cannot do. Alternatively, A Cab
28 postures it is entitled to rely on its failure to create the records required by NRS
608.115(1)(d) and place upon the plaintiffs the burden, which they should not have to
meet and clearly cannot meet, to specify from their trip sheets their precise hours of

1 work for each pay period. Indeed, A Cab paid its expert in excess of \$47,000 to
2 produce a report asserting that position in its defense.

3 The second principle upon which the Court relies in entering the judgment
4 specified, *infra*, is derived from *Mt. Clemons* and discussed at ¶ 18. Even if A Cab's
5 violations of the Court's Orders appointing a Special Master, and its other conduct in
6 this case, did not justify entry of the judgment specified, *infra*, A Cab could not
7 successfully oppose the entry of such a judgment in the summary judgment context.
8 There is no other practical means by which the Court can resolve the MWA claims in
9 this case, except by applying a reasonable approximation of hours worked to render
10 substantial, though inexact, justice as in *Mt. Clemons*. As discussed in ¶ 24, the
11 Court's application of an average shift length of 9.21 hours to fashion a judgment for
12 the class members under the MWA for the time period prior to January 1, 2013 is a
13 proper, and perhaps too favorable to A Cab, application of the *Mt. Clemons* principles.
14 That 9.21 hours long average shift length is taken from the very records (the 2013-2015
15 Quickbooks records) that defendant Nady swore under oath were *more* accurate than
16 the trip sheets. The class members assert their hours of work per shift were, on
17 average, considerably longer. Defendants' own expert came up with *longer* average
18 shift lengths (9.5 and 9.8 hours) based upon his review of 56 and 38 trips sheets for two
19 periods and a 9.7 hours long average shift length for 123 pay periods that he studied.
20 A Cab is bound by its NRCP Rule 30(b)(6) testimony that it can only "guess" at the
21 proper average shift length of the class members. Accordingly, it has no competent
22 evidence it can present as to the proper average shift length prior to January 1, 2013
23 that should be adopted by the Court and applied under *Mt. Clemons*.¹³ As a result,

24
25 ¹³ The Court finds no prove up hearing is necessary under NRCP Rule 55(b)(2)
26 as A Cab admits it has no evidence to present on the proper average shift length to be
27 used by the Court in fashioning a judgment. The Court also finds A Cab is properly
28 prohibited from presenting further evidence on the proper amount of a default
judgment even if it possessed any germane evidence on that issue as a sanction under
Young for the reasons already stated. See, *Blanco v. Blanco*, 311 P.3d 1170, 1176
(Nev. Sup. Ct. 2013) citing *Foster v. Dingwall*, 227 P.3d 1042, 1050 (Nev. Sup. Ct.
2010) (Recognizing such a sanction is proper under *Young*).

1 plaintiffs' request that the Court, as discussed at the June 5, 2018 hearing, enter a final
2 judgment in this matter applying the *Mt. Clemons* principals, and using an average shift
3 length of 9.21 hours for the class members' claims accruing prior to January 1, 2013, is
4 properly adopted by the Court and it is granting a judgment accordingly. Such
5 judgment shall also include interest on each amount as calculated from January 1, 2016
6 given the difficulty of applying NRS 17.130 to all of the class members' MWA claims,
7 some of which did not arise until after the service of the summons and complaint.¹⁴
8 Such a judgment would also be proper under normal summary judgment principles
9 even in the absence of a finding of sanctionable conduct by A Cab. That is because
10 there is no material issue of fact that A Cab can dispute in respect to the Court's entry
11 of judgment using the *Mt. Clemons* principles given A Cab's inability to proffer any
12 competent evidence on the class members' average shift length prior to January 1,
13 2013.

14 A Cab's assertion, made in its affirmative defense and interrogatory response,
15 that it is entitled to some measure of satisfaction of the class members' MWA claims
16 based upon the payments it made under the U.S. Department of Labor's consent
17 judgment (§ 27) would be properly ignored as a sanction. Such action by the Court
18 would be justified and appropriate in light of A Cab's documented litigation abuses in
19 this case and its failure to properly respond to plaintiffs' interrogatory seeking such
20 information. Such action by the Court would also be justified in light of its need to
21 enter a judgment under the *Mt. Clemons* principles in response to A Cab's conduct, a
22 judgment that does not afford the class members the full, and precise, measure of
23 justice they would be entitled to, and receive, if A Cab had complied with NRS
24 608.115(1)(d). In the exercise of discretion, the Court will, nonetheless, grant A Cab a
25 set off as discussed in § 29 and will adopt the reduced judgment amounts in favor of
26 the class based upon that calculated set off. It will also afford A Cab an opportunity to
27

28 ¹⁴ The judgment amounts, with interest, so calculated for each class member are
at Column "G" of Ex. "5" to Ex. "C" of class counsel's declaration of June 20, 2018,
that chart being annexed hereto as Ex. "A."

1 proffer proof of the disposition of the remaining unaccounted for \$58,136.61 that it
2 paid under the U.S. Department of Labor's consent judgment post judgment and receive
3 appropriate satisfactions of the judgment amounts entered by this Order for the
4 involved class members. The Court will not delay entry of final judgment over this
5 issue, involving a potential additional offset to A Cab of less than 10% of the amount it
6 is awarding to the class, and only involving claims accruing to certain identified class
7 members during the period October 1, 2010 to October 1, 2012. But it has fashioned,
8 *infra*, provisions that afford A Cab a very fair opportunity to receive any additional
9 offset it is due from this unaccounted for \$58,136.61 that it paid under the consent
10 judgment.

11 12 **THE COURT'S JUDGMENT AND THE RELIEF ORDERED**

13
14 For the foregoing reasons, the Court hereby Orders the following relief and
15 enters a Final Judgment in this case in the following form:

- 16
17 A. The Court, pursuant to NRCP Rule 23(c)(1) amends the class claims
18 certified for disposition pursuant to NRCP Rule 23(b)(3). Those claims,
19 in respect to defendant A Cab, are now limited to the claims of the
20 previously identified class members arising under the MWA against A
21 Cab prior to January 1, 2016 but only to the extent A Cab failed to pay
22 such class members the "lower tier" (health benefits provided) minimum
23 wage required by the MWA; only in the amounts specified and arrived at
24 in this Order based upon the hours of work used by the Court to determine
25 such amounts; and only for interest owed on those claims on and after
26 January 1, 2016. Individual class members who seek to collect "higher
27 tier" minimum wage payments under the MWA; or amounts owed under
28 the MWA based upon them having actually worked more hours in a pay
period than the Court used in making the award to them in this Order; or

1 to collect the penalties proscribed by NRS 608.040; or for additional
2 amounts in interest that may be owed to them on their MWA claims from
3 A Cab may pursue those claims individually. Such claims are dismissed
4 from this case for all class members without prejudice;

- 5 B. All claims made against the defendant Nady are severed from the claims
6 against A Cab pursuant to NRCP Rule 21;
7
- 8
- 9 C. The Clerk of the Court shall enter judgment for each individual class
10 member in the amount specified in Column "F" in Ex. "A" as annexed
11 hereto against defendants A CAB TAXI SERVICE LLC and A CAB,
12 LLC. Such judgment shall conclude the class claims for damages
13 certified for disposition pursuant to NRCP Rule 23(b)(3) and constitute a
14 final judgment on such claims;
15
- 16 D. The Court retains continuing jurisdiction over the class claims it has
17 certified for disposition pursuant to NRCP Rule 23(b)(2), and for
18 enforcement of the monetary judgments it has rendered in favor of the
19 class members, and appoints class counsel, Leon Greenberg, Dana
20 Sniegocki, Christian Gabroy and Kaine Messer, as counsel for the class
21 member judgment creditors listed on Exhibit "A" and for whom the Court
22 is directing entry of judgment. Defendants, their agents, and their
23 attorneys, are prohibited from communicating with the class member
24 judgment creditors about their judgments granted by this Order or
25 securing any release or satisfaction of those judgments without first
26 securing a further Order of this Court in this case. Class counsel is
27 authorized to proceed with whatever remedies it deems advisable to
28 enforce the money judgments rendered for the class members but shall
hold in their IOLTA account any amounts collected on such judgments

1 and only release such monies as specified by a further Order of this Court
2 in this case. Class counsel is also authorized to use all of the judgment
3 enforcement remedies provided for by NRS Chapter 21 in the name of
4 "Michael Murray as Judgment Creditor" for the total amount of the
5 unsatisfied judgments rendered in favor of all class members, they need
6 not seek or issue writs of judgment execution or levy individually for each
7 judgment creditor class member. Class counsel is also prohibited, in light
8 of the potential for A Cab to receive satisfaction of certain judgment
9 amounts as provided for under G, *infra*, until further Order is issued by the
10 Court, from taking action to collect more than \$960,000 of the combined
11 judgment value of \$1,033,027.81 that is entered under this Order;

12 E. The time for class counsel to apply for an award of fees and costs pursuant
13 to NRCP Rule 54 is extended to 60 days after the service of this Order
14 with Notice of Entry;

15
16 F. The court stays the severed case against defendant Nady for 60 days from
17 the date of entry of this Order. That case shall remain stayed after that
18 date until the Court issues an Order lifting such stay, the Court not
19 anticipating doing so, or receiving any request from the parties to do so,
20 until expiration of that 60 day period.

21
22 G. A Cab may present to the Court, at anytime after entry of this Order, a
23 motion to have the Court enter satisfactions towards each class member
24 judgment creditor's judgment amount for the amounts A Cab paid them
25 under the consent judgment that are a portion of the \$58,136.61 paid under
26 the consent judgment but not previously accounted for (¶ 29). It shall also
27 have the right, within 60 days from the date of service of this Judgment
28 and Order with Notice of Entry, to present to class counsel evidence of
how the \$58,136.61 paid under the consent judgment but not previously

accounted for (§ 29) should be set off against each class member judgment creditor. Class counsel shall be obligated to advise A Cab within 30 days thereafter if it agrees that A Cab it is entitled to a judgment satisfaction based upon such evidence. If it so agrees, class counsel must submit a motion to the Court within 10 days thereafter seeking an Order entering such agreed upon satisfactions. If after that date A Cab, after completing that process of conferral with class counsel, must still file a motion with the Court to secure any such judgment satisfactions, the Court will, if it grants that motion and also finds class counsel did not act reasonably in cooperating with A Cab on determining the amount of the satisfactions, award A Cab attorney's fees in connection with the bringing of such a motion.

IT IS SO ORDERED.

Honorable Kenneth Cory
District Court Judge
