3       Thereafter the same trial jury, deliberating in the penalty phase of said trial, in  
4 accordance with the provisions of NRS 175.552 and 175.554, found, as to COUNTS 3

- DEFT. BARLOW ARRAIGNED, PLED NOT GUILTY, and WAIVED the 60-DAY RULE. Court accepted plea and ORDERED, matter set for trial. Ms. Jackson advised the DA's death review committee will meet tomorrow and she informed the Deft before court that they will wait for their decision which will determine how much preparation time they will require. She advised Mr. Scow indicated its a high probably the case will be a death case and based on her experience she will have no basis to disagree with that but will persuade them to go another route but in the interest of time, if they were to set today as a capital case this case cannot be prepared for trial any less than two years as this is a double homicide. FURTHER ORDERED, matter set for a status check on trial setting. Ms. Jackson advised she would like to submit under seal the requirements in an affidavit concerning what they need to do that would take this amount of time. Court advised she will accept her oral representations.

- Ms. Jackson gave a general overview and noted there is a stipulation as to Count 8. Mr. Staudaher had no objection to Count 8. Argument by Ms. Jackson on page 94 of the Preliminary transcript regarding the injury referring to the female Danielle Woods not Cobb and she would like the record to so reflect. Mr. Scow advised the reference in the transcript is during cross examination questions about Woods. Further argument by Ms. Jackson regarding their experts' credentials. Response by Mr. Staudaher. Ms. Jackson cited Monteiro 2006 case and submitted. Mr. Staudaher agreed with Monteiro not Diaz. Further argument by Ms. Jackson that the serious counts would be void. Argument by Ms. Trujillo on the confrontation issue related to Count 5 - Assault with a Deadly Weapon. Argument by Mr. Scow on issues address by Ms. Trujillo, the voice mail, testing of the cartridgeges, testimony of the sister and the victim that was shot. Argument by Mr. Staudaher on the firearms. Matter submitted by Ms. Jackson. Court stated her findings, and ORDERED, Petition

GRANTED IN PART as to Count 8 as unopposed per EDCR 3.20 and Count 8 is DISMISSED and DENIES the balance and DISCHARGES the Writ except for Count 8. FURTHER findings that State met its burden on the other counts; and GRANTS Defense request to strike from the State's opposition its argument on lines 23 on page 34 through line 20 on page 35 as that information is outside of the record regarding the forensic scientist Ms. Lester; however, finds there was sufficient foundation laid at the preliminary hearing as to her education training and experience for her testimony to be admissible and it would be up to a reasonable trier of fact to determine the weight of any to be given at which was the Justice of the Peace and if this case goes to the jury. Court finds the State met its burden and DENIES everything except Count 8 pursuant to Sheriff v. Hodes, 96 Nev. 184 (1980). Ms. Jackson requested a transcript and to prepare a joint written decision. State to prepare the order and pass it to opposing counsel for review prior to passing it to the Court.

Mr. Staudaher advised the voice mail no longer exist so the only evidence to come is the people that heard it. Mr. Scow stated that is correct. Ms. Jackson advised she is putting the State on notice that the sister Spence who had possession of the phone is not listed as a witness by the State and they have no means to contact her.
