Am I mistaken? 3 A Eventually, yeah, they complained about that, and they 4 A No 4 5 So really the only entity that was raising a concern said there was a line of sight issue. 0 5 was Douglas County over your fence? 6 ٥ Explain that to me. 6 7 A Yes 7 Ά Normally for line of sight you take the intersection 8 0 Beyond the letter, did Douglas County do anything else 8 of the two streets, you measure back 45 feet in each direction, and then that makes a triangle that it can't be in. 9 regarding the fence? 9 A Yes. We had quite a few conversations that came out. 10 Okay. They did not use that rule to make me take the 10 We applied for a variance. They kept changing the rules about 11 fence down. 11 12 the fence. 12 They used an old rule that said it takes in the speed, 13 0 When you built the fence, was it in compliance with 13 the slope of the streets, all that, and they came up with this Douglas County code? line of sight that goes through the middle of my house. 14 14 15 Exactly to what they said on their internet site. 15 So my opinion was, if I could build this house, and Α 16 And then you found out that it wasn't to code? you didn't care, why do you care about the fence now? 16 ۵ 17 It was to code when I built it for what they had on Did you ever get cited by --17 0 Ά 18 the internet site. 18 No. Ά 19 19 -- Douglas County? I'm just trying to speed things up. 2 2 Α 3 Yes 3 ٥ I know. And I apologize. Α I was late, so to help you out. And you believed the fence was up to code at that 4 4 Q Ά 5 time. 5 That's fine. And I'll probably pick on you some more 0 throughout the deposition on that. 6 Α Yes. 6 7 What I understood is, although the internet may have 7 So there was no citation, but did you agree, or did 0 had what was up to code, that may have not been the actual code Douglas County come out and say, you need to take this down? 8 8 Yeah. Yeah, basically, you need to take it down. 9 that was in effect at that time. 9 Δ 10 Was that your answer? 10 ٥ Were you threatened with fines or any sort of action 11 A No. That was what was in effect at that time. And 11 by ---12 they mailed us out things. 12 Α Yes. 13 Maybe I can make this simpler. The county came back 13 ٥ -- the county? What were you threatened with? saving that Juniper was my main street, not Charles, where my 14 14 The DA said he was going to arrest me if I didn't take 15 address and my front door and my driveway is. 15 Δ So, thus, they said the setback needed to be 30 feet the fence down. 16 16 17 because Juniper was my front street, and the setback is 26 feet 17 0 That caused you to take it down? on there, because 20 feet was the rule. 18 (Nods affirmatively). 18 Α Okay. 19 Now the other thing is, what's on the internet site 19 ٥ They now say I can't have a fence at all on that side 20 said the fence and the setback refers to your property line, not 20 Α 21 from easements. 21 of the property. Not even a two-foot fence, nothing. 22 Do you have a fence up there now? 22 So they are wanting a setback from an easement, not 0 23 from my actual property line, even though what was on the 23 А No. 24 internet said property line. 24 0 You took that down? 25 Understood. And that does clear it up, at least in my 25 On the side that they wanted to, on the Juniper side. 0 А

14	Q Do you still speak to Flipper?	14	What was the purpose for taking these notes?
15	A Pardon?	15	A The purpose is to show the constant harassment.

8	BY MR. BROWN:	8	Is that a true statement?
9	Q Let's go for a couple more minutes. Then I have got	9	A No.
10	to	10	Q So your statement here is not true at the time that
11	A Sure.	11	you wrote it?
12	Q cut this short.	12	A That was under duress right there, right now. I had
13	Okay. So I asked you, and I think we got on the side	13	no idea exactly what all happened.

15		15	
	But I asked you why you didn't put in your statement	16	is the statement that you gave at 10:15 on 12/18/12, is not
16	that you couldn't see him as you were running up on him.	16	true, in the sense that, with respect to that statement that

19	A I thought it was concerning the last 20 years, not a	19

21	Q Okay. Well	21	thought he had a hoodie on him.
22	A That's usually what	22	Q Okay. And that was based on
23	Q That wasn't responsive to my question.	23	A I was just trying to remember anything I could.
24	So what I'm trying to get at, maybe I asked a bad	24	Q Okay. That was based on the officer telling you that
25	question.	25	he had a hoodie

1	What I am trying to get at is, why didn't you you	1	A Yeah.

6	And the answer is yes or no.	6	this testimony?
7	A No.	7	A Yeah.
8	Q Okay. Another thing I need a bit of clarity on is, as	8	Q Or the time that you signed this statement and wrote
9	I understood your testimony earlier, you are going to correct me	9	it out?

19	A Yeah. I just put my hands up.	19	Q Okay. So what else about this statement because
20	Q Okay. So you weren't intending to impact him?	20	now we found a couple inaccuracies about a statement that you

2		Did you actually ever see that letter?	2	with the snowplow?
3	A	Yes.	3	Was that on the 17th or some day earlier?
4	Q	Okay. How did you was that through the criminal	4	A Earlier.
5	trial?		5	Q Okay.
6	A	Yes.	6	A Possibly the 12th.
7	Q	Through a subpoena?	7	Q Okay. So let's, for a minute, assume that
8	A	Yes.	8	December 17th is a typo.
9	Q	Okay. You also say that on the same day on the next	9	Is there anything else that you question in that
10	paragrap	h, the 13th, she wrote similar letters to Douglas County	10	paragraph besides the date?
11	and othe	r Douglas County agencies making identical claims.	11	A No. That is
12		In other words, that you with your snowplow intended	12	Q Sorry?
13	to batte	r and did batter Mr. Egon Klementi.	13	A It looks good to my knowledge.
14	A	Yes.	14	Q Let's move on to the next one, 16.
15	Q	How do you know that that occurred? That she	15	A Outside of the time, it's accurate.
16	Ã	Same thing. Subpoena.	16	Q That's right, this happened later in the hour?
17	Q	Okay. You reference other agencies, but you don't say	17	A Yes.
18	which on		18	Q And this is consistent with what you testified to
19		What other agencies?	19	earlier, and this you also disputed how the report
20	A	There was multiple Douglas County agencies and KGID.	20	characterized the impact between you and my client?
21	Q	Okay. Now paragraph 14, read that if you would can,	21	A Yes.
22	-	when you are ready to go.	22	Q Okay. Next page.
23	A	Yeah.	23	And when you are done with that, let me know. I think
24	Q	First off, who is Mr. McKay?	24	we can probably get rid of this one pretty quickly.
25	× A	He is the head of KGID.	25	A I don't agree with what's in the parentheses. I
1	Q	Page 207 Is he someone that you have personal familiarity with?	1	don't Page 209
2	A	(Witness shook head negatively).	2	Q Whom he believed was his twin brother Egon Klementi?
3	Q	No?	3	A Yeah. What's he referring to there? What's that
4	Q A	I only know who he is. I have never talked to him.	4	referring to? I don't
5	Q	Fair enough.	5	Q I don't necessarily understand that, either.
6	ž	How do you know Egon called him directly on the 13th,	6	A Okay.
7	and arai	n informed Mr. McKay that you tried to batter him?	7	Q Let's cross that portion out, just for the time being,
, 8	anu agan A	That, I don't know. I don't know at this time.	8	and ignore that, because I don't think it adds much one way or
9	Q	Okay. We talked about this a little bit earlier, but	9	the other.

11	mente Porto	Paragraph 13 talks about the KGID meeting that	11	case, and I don't know what that means either, but
11	harmoned	on the date of the incident.	12	MR. ROUTSIS: Well, I think it's apparent.
12	חפההנומו	Tell me when you are done reading that.	13	He believed at the time when he was on the ground, he
13 14	٨	Okay.	14	first thought it was Egon.
14 15	A		14	
15	Q Vinion e	When you talk about what both Egon and Mary Ellen aid at that meeting, how do you know those statements	15	Didn't you? THE WITNESS. Yeah but it save
17	were said		10	THE WIINESS: Yeah, but it says BY MR. BROWN:
18	A	I don't know that this paragraph here is even	18	Q I don't think this is a statement by Jeff. I think this is a statement by Form or Holmat and
	accurate		19	I think this is a statement by Egon or Helmut, and
19	Q	Okay. And that's what I want.	20	that's why that's confusing.
20		If it's not accurate you, obviously, tell me that you	21	A Yeah.
20 21		its accuracy, or you are not sure.	22	Q So but there are a couple things I want to ask you
20 21 22	-	• •		
20 21 22 23	A	I don't remember anything on December 17th.	23	about this.
20 21 22	-	• •	23 24 25	about this. There's a statement here that says plaintiff ran outside and punched my client, Helmut.

	Dama 210		
1	Page 210 Where did you get that word "punched" from?	1	Page 212 punched.
2	A This looks like it's, to me, it looks like it's a	2	MR. BROWN: Okay. Understood.
3	quote.	3	THE WITNESS: There's reference to it at page 6.
4	Q From where?	4	Line 14.
5	We can go back and read the police report. I'd rather	5	BY MR. BROWN:
6	not do that, but	6	Q I'm sorry. Oh, in the complaint?
7	A Because it says the police officers once again called	7	A Yeah.
8	to the scene, and they were informed by Eqon and Helmut	8	
9	Klementi.	9	
10		10	MR. ROUISIS: I think he was referring to testimony from trial.
	-	10	
11	A So that, to me, sounds like Egon and Helmut Klementi		THE WITNESS: Yes, that reference.
12	were talking to the police officers.	12	MR. ROUTSIS: Although that isn't in the report. It
13	Q Let me just cut to this:	13	is referencing the trial transcripts.
14	Are you do you have any knowledge, or are you aware	14	BY MR. BROWN:
15	of any document that says, where my client or Egon says, you	15	Q Okay. Page 16 or paragraph 16?
16	punched Helmut?	16	A Page 6?
17	A Yes.	17	Q Sorry?
18	Q Where?	18	A Page 6?
19	A Police reports. Trial. And transcripts.	19	MR. ROUTSIS: Line 15.
20	Q Well, then let's go back to the police reports.	20	THE WITNESS: 15, I guess you would call that.
21	A Not that one. I don't think yeah, it does say	21	MR. ROUTSIS: Right in the middle.
22	that. It does say that in there. Yeah. Look at their	22	THE WIINESS: Yeah, 15 and a half.
23	statements.	23	BY MR. BROWN:
24	MR. ROUTSIS: And, for the record, if you read the	24	Q So the only quotes says substantial bodily injuries?
25	trial transcripts, that's their testimony under oath.	25	MR. ROUTSIS: No. It says Helmut testified that
	Page 211		Page 213
1	BY MR. BROWN:	1	
2	Q Okay. Would you go back to Exhibit 1 and identify for	2	BY MR. BROWN:
3	me where it says "punched"?	3	Q I got it. But when you I assumed when you said
4	A This is Exhibit 1, the police report?	4	quote, I went for quotes, and I only saw
5	Q Yes, sir.	5	A Yeah.
6	A Okay.	6	MR. ROUTSIS: I'll be quiet. He is. I'm not
7	Q You are looking	7	testifying.
8	A I saw Jeff Spencer hitting Helmut from the back and	8	BY MR. BROWN:
9	pushing him to the floor/street.	9	Q Okay. So other than the references in the complaint,
10	Q Okay.	10	and what you are saying here today that it's in the trial
11	A That is Egon Klementi's statement.	11	transcript, that's the only place you are aware of that that
12	Q Okay. But does it say "punched"?	12	exists?
13	A No. It says hitting.	13	A No.
14	Q So when a car hits another car, does that require a	14	Q The word punched?
15	physical punch? Or is that	15	A I believe it's in other places.
16	MR. ROUTSIS: Objection.	16	Q Where?
17	BY MR. BROWN:	17	A In other documents.
18	Q I'm just asking you	18	Q What other documents?
19	MR. ROUTSIS: That's argumentative. Let move on.	19	A I can't remember.
20	BY MR. BROWN:	20	Q Do you have access to those documents?
21	Q Anywhere else that it says punched?	21	A Yes.
22	A This is okay. Something was out of order here.	22	Q And for my purposes, where are they? Are they at your
23	I think the officer said something like that.	23	house?
24	MR. ROUTSIS: Just to expedite this matter, if you	24	A Yes. I don't believe we don't have all that stuff

#### RE: VIOLATION OF DOUGLAS COUNTY CODE AT 321 CHARLES, STATELINE, NV APN: 1318-23-810-085 CASE NO.: 12-052401

Dear Ms. Schoene:

In response to a number of reports received by Douglas County regarding the above referenced property, an inspection of the site has verified violation(s) of **Douglas County Codes 10.12.030, 20.690.030 (U)**, **20.690.030 (F)**, **8.14.020 and 20.692.080 (A)**.

The County requires that you: 1. Remove from the property or store all unlicensed and junk vehicles in a garage.

2. Cease parking the commercial truck and trailer on the street. It is unlawful for the owner or driver of a vehicle or trailer, which is rated by the manufacturer's nominal rating in excess of eight thousand unloaded pounds or which exceeds twenty-four feet in length to stand or park the vehicle or trailer at any time upon any public street, highway, or alley except for purposes of loading and unloading passengers, materials or merchandise in a residentially zoned area.

3. Storage of the commercial truck and trailer is not permitted on residentially zoned lots. Nor is the storage of the back hoe in the front yard.

4. The newly built fence does not meet height requirements for front and side yards adjacent to a street. Fences for front and side yards adjacent to the street are limited to 3 feet in height. Please lower fence heights to their permitted height.

Douglas County requires that these conditions be corrected within fifteen (15) days from the date of this letter.

Property owners within the County are required to maintain their property in a manner, which has a positive affect on the overall safety and appearance of our community. No property within the County may be maintained in a manner, which downgrades the value, use, enjoyment, or safety of one's own, or surrounding property.

Your cooperation in this matter is appreciated. If you desire additional information, you may contact me at (775) 782-6214/spieren@co.douglas.nv.us.

Jeff and Marilyn Spencer P.O. Box 2326 Stateline, NV 89449

Dear Mr. and Mrs. Spencer:

On Monday, November 5, 2012, I along with Douglas County Code Enforcement Officer Shane Pieren and Douglas County Engineer Erik Nilssen inspected the fence you constructed on your property located at 321 Charles Avenue, Stateline, Nevada which is adjacent to the intersection of Charles and Juniper streets. The purpose of the inspection was to reassess the fence and any public safety concerns created by the fence as a result of decreased visibility to motorists traveling through the intersection of Charles and Juniper.

After conducting its review, the County determined that your fence creates a public safety hazard because it is located within the right-of-way, and does not allow sufficient visibility to motorists travelling through the intersection. Required sight lines at the intersection under standard street engineering guidelines are totally obscured by the fence, which does not allow motorists to adequately see crossing traffic before entering the intersection. The public safety hazard is heightened by the coming winter season which is likely to make travel through the intersection even more difficult due to snow and ice on the roadway, and the grade of Charles Avenue approaching the intersection with Juniper

As you know, you were previously notified of the non-compliant fence by Douglas County Code Enforcement. You first received notice of the code violation on May 31, 2012. You responded by indicating that you wanted to seek a variance from the County to allow your fence to remain on your Property. Under appropriate procedure, a variance should be sought *prior to* a property owner constructing a non-compliant structure, instead of the non-complaint structure being constructed before a variance is sought. In any event, you have not applied for a variance to date, although I am informed that you attended a pre-variance conference with County personnel on or about October 17, 2012. I further understand that you were given a deadline of December 4, 2012 to file your variance application, if any.

Notwithstanding your possible variance application and the ultimate resolution of any such application, due to the clear public safety hazard created by your non-compliant fence, the County requires that you remove the vertical fence boards from your fence immediately (you may leave the fence posts and framing in place pending your variance application). This will ensure that motorists passing

through the intersection of Charles and Juniper have sufficient visibility to safely travel through the intersection. Should your variance application be denied, the remaining fence posts and framing must be removed. Should your variance application be approved, the vertical fence boards can be reattached upon notice of the variance approval by the County.

The County intends to conduct an inspection of your Property on November 28, 2012, to ensure compliance with the County's requirement that you remove the vertical fence boards from your fence. In the event that you do not comply, the County will have no choice but to initiate legal proceedings to obtain a court order directing you to remove the vertical fence boards, in addition to all other available legal remedies.

Should you wish to discuss this matter further, please contact me at 775-782-9803.

Dear Mr. and Mrs. Shaw:

This letter responds to your correspondence dated October 22, 2012, regarding the fence erected on the Spencer's property located at 321 Charles Avenue, Stateline, Nevada. Thank you for bringing your concerns to our attention regarding possible traffic dangers at the corner/intersection of Charles and Juniper given the impending Winter season. The County intends to review the site and current conditions in light of your concerns and will take corrective action if necessary. As to your questions related to possible liability for any accidents at the intersection, the County cannot answer such questions given the many variables that may bear upon liability in a hypothetical accident with unknown circumstances. In any event, the County takes your concerns seriously and will promptly review the intersection to determine if further action must be taken. Should you have further questions, please contact me at 775-782-9803.

Thank you,

OCT 2 4 2012 DOUGLAS COUNTY DISTRICT ATTORNEY

RECEIVED

Mr. Mark Jackson, District Attorney P.O. Box 218 Minden, NV 89423

#### Mr. Jackson,

This letter is a follow-up to the one we sent last September regarding this ongoing issue. We received an update from Mr. Shane Pieren, Code Enforcer, that the Spencers attended the scheduled October meeting and was given a December 04, 2012 deadline to submit their application for a variance to retain the fence height, as is, and pay the requisite filing fee. If the application is finally submitted, it will take until January, 2013 to arrange for a hearing with county commissioners.

Given the fact that the Spencers erected the fence last Memorial Day weekend, motorists and pedestrians have been challenged and forced to contend with the hazardous blind corner for the past five months. Evidently, our neighborhood will continue to be exposed to the perilous intersection as this case drags.

At the corner of Charles and Juniper where the blind corner exists, the terrain is inclined and is on the shady side of the street. Consequently, during winter, ice builds up. Vehicles have to accelerate or risk sliding backward. Speeding up the slope on a blind intersection will inevitably result in an accident. We have seen children walking from the bus stop, drop to their knees to clamber up the slippery slope. Drivers cannot see children crouched on the road! These incidents are not exaggerations. We witnessed and experienced such occurrences multiple times. Dreadfully, the first winter snow of the year fell last October 22, 2012.

Our questions at this point are:

Is Douglas County liable for any damage and/or injury to motorists and/or pedestrians since the county granted several extensions for filing to the Spencers, thus, allowing the "danger to the public" situation to persist.

Are the Spencers liable for any damage and/or injury for creating the public safety issue?

We would appreciate a reply.

Sincerely,

1. W. Ander. c. inter

When you said "if you come around here again", that may not have been exactly what your husband had said, but that's what you are summarizing it to be.     Do you not understand?     A No. I don't. Can you phrase it different?     Q I can.     So the conversation was that Mr. Spencer told Egon </pre>	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	Q During the fence. 2 Claimed Undisputed Statements of Fact & Other Relevant Undisputed Facts

1

The statement of undisputed facts includes both undisputed and disputed facts, and leaves
out some very relevant undisputed facts.

This case arose out of conflicts between a very small group among the residents of a
neighborhood on the south shore of Lake Tahoe where all the parties reside, except HELMUT
KLEMENTI (who is not deceased). EGON KLEMENTI is deceased, but his widow ELFRIDE
KLEMENTI continues to reside across the street from Mr. SPENCER.

9 In the spring of 2012, Mrs. and Mrs. SPENCER put up a fence around their property to give
10 themselves some privacy from certain intrusive neighbors. As an example of intrusion, on May 27,
11 2012, EGON KLEMENTI came yet again onto their property and was taking photographs. Mrs.
12 Spencer called 911. The responding Officer Flagg told EGON KLEMENTI about the complaint and
13 that if he went on the Spencers' property again he would be subject to arrest for trespassing.<sup>1</sup> A few
14 neighbors, Third Party Defendants, later claimed to have issues with the fence.

Mrs. SHAW testified the fence created a blind intersection making it difficult for her to get
into her driveway safely. Mr. and Mrs. SHAW admitted they **never** spoke to the Spencers about this.
The SHAWs did testify of complaints to the Kingsbury General Improvement District (hereinafter
"KGID"), knowing JEFFERY SPENCER was working for a sub-contractor of KGID and did snow
removal in their neighborhood. Mrs. SHAW testified they were referred by KGID to the DA's
Office and the Planning Commission. Mrs. SHAW thereafter communicated with the DA's Office
and with the Planning Commission.

Mr. Zaniel previously served a subpoena on the District Attorney's Office for their file, which the District Attorney's Office refused to produce. Mr. Zaniel thereafter prepared and served a Motion to Compel. The DA's Office did not produce the entire file, and redacted pages such that some of the SHAWs admitted communications, and further communications between KGID and the County, and among County staff including the DA's office, regarding the SHAWs complaints were

<sup>1</sup> EGON KLEMENTI made no report about an alleged assault or battery on him that day by Mr. SPENCER, yet many months later this was alleged, and Mr. SPENCER was acquitted. not produced despite subpoena. Exhibit 1 attached hereto, a few of the communications which were produced.

1

2

3 December 13, 2012, Mr. and Mrs. SHAW sent a letter to KGID and similar letters to Douglas 4 County agencies stating MARY ELLEN KINION witnessed JEFFREY SPENCER intentionally use 5 his snow plow to strike EGON KLEMENTI with snow, ice and debris from the snow plow causing 6 injuries. Mr. and Mrs. SHAW admitted neither of them had any personal knowledge of any such 7 incident and, in fact, there was no such incident. December 12, 2012, Douglas County Sheriff's 8 Deputy Sanchez responded to a report from Ms. KINION who claimed she had witnessed such an 9 incident. After speaking with both EGON KLEMENTI and Ms. KINION regarding the alleged 10 snowplow attack, Deputy Sanchez determined no such crime had been committed.

11 Mr. and Mrs. SHAW asserted that in the December 2012, there was one instance of a snow 12 berm in their driveway and their flower bed was destroyed. They admitted they did not know who 13 was driving the snow plow on that day, but went to a KGID Directors meeting which was open to 14 the public on December 18, 2012, their first attendance at any KGID meeting in 37 years of living 15 in the neighborhood, to complain about JEFFERY SPENCER. Although they did not see the 16 snowplow driver, they blamed the berm and claimed damage to their flower bed on Mr. SPENCER, 17 while admitting no knowledge as to whether such a berm occurred in the normal course of plowing 18 the street, but asserting Mr. SPENCER did it intentionally, and also complained about the Spencer's 19 fence which had been erected in May 2012, seven months before, even though they knew KGID had 20 no responsibility for fencing. Mrs. SHAW testified that prior to that December 18, 2012, meeting, 21 they had never even spoken to the Spencers.

Mr. and Mrs. SHAW left town directly from the KGID meeting and, when they returned a couple of days later, had an emotional voicemail from ELFRIDE KLEMENTI, with whom Mrs. SHAW thereafter spoke. Mrs. SHAW testified they had a surveillance video camera recording the Spencer's home, and she copied a segment from their recording from the hard drive onto a memory stick for the period of 7:00 to 9:00 p.m. on December 18, 2012. Mrs. SHAW was specific she followed instructions of the surveillance video camera company and entered the exact start and end time for the recording. Deputy McKone came to her house to view the recording, but Mrs. SHAW testified she did not give him the memory stick. Mrs. SHAW also testified the DA's office later
 contacted her and she made a copy on a memory stick which she claimed to be of the 7:00 to 9:00
 p.m. segment of the tape which an Officer Schultz picked up.

4 Deputy McKone testified that around two weeks after the incident, he saw the tape on their 5 computer at Mr. and Mrs. SHAW's residence. He testified Mrs. SHAW was speeding through the 6 very long tape to get to the time in issue, and he actually saw a very short section of the tape prior 7 to time of the incident at regular speed, but "we were unable to download it onto a zip drive or disk 8 or anything and burn a copy, so I just told her to just keep the video in the event that the District 9 Attorney's Office would want it" as he did not want to take her computer. Mrs. SHAW testified that 10 the original recording on the hard drive was recorded over at some time. The recording used in the 11 criminal trial, which had to have been a memory stick Mrs. SHAW created, was six minutes short 12 of two hours, and does not show the time before Mr. SPENCER ran down his stairs. That was the 13 time when he saw someone he believed was breaking into his truck, and yelled at the intruder to 14 identify himself, to which Mr. SPENCER received no response.

January 15, 2013, Mr. and Mrs. SHAW attended another KGID Directors meeting at which
members of the public were present. ROWENA SHAW spoke, stating she was thankful a Sheriff's
Deputy was there at her request as though Mr. SPENCER was a physical threat to her, and both Mr.
and Mrs. SHAW read prepared written speeches making unfounded accusations against JEFFREY
SPENCER of claimed incidents to which they were not witnesses.

April 9, 2013, ROWENA SHAW attended a Douglas County Planning Commission meeting at which members of the public were present and used the agenda item of the Spencer's fence to speak, stating the Spencers were neighborhood bullies and accusing JEFFREY SPENCER of battering HELMUT KLEMENTI. When she spoke, Mr. SPENCER had not be convicted of any crime, and in September 2013, Mr. SPENCER was acquitted of that alleged battery and the other crimes of which he had been wrongfully accused. Unfortunately for the Spencers, the Planning Commission denied the fence variance in April 2013, prior to his acquittal.

Former Deputy District Attorney Pence testified to this Court that no witness to anything had any involvement in nor were a cause of her charging decisions. However, she had to rely on something, that something being the investigative reports, which included statements made by others
 to the investigators. No DA decides to press criminal charges against an individual in a vacuum, so
 making her claim that the persons who made statements to the deputies and officers, in person and/or
 in writing and/or in presentation of claimed evidence, such as video records, had no connection to
 her decision to charge is disingenuous.

6 Mr. SPENCER was initially arrested for a misdemeanor on December 18<sup>th</sup> based upon a 7 decision of the responding Deputy. The Deputy testified he had not obtained statements from all of 8 the persons present when or shortly after the officers arrived; he had not recorded any interview nor 9 made notes at the time so relied on his later recollection when using quotation marks as to what Mr. 10 SPENCER allegedly said; he had not taken any picture nor measurement of the evidence of a 11 footprint in the snow on the Spencer's property; he had not gone to the location from which Mr. 12 SPENCER said he had seen the intruder, believing Mr. SPENCER could not have seen the driveway 13 from there, even though later evidence showed he could; and, he had not questioned the alleged 14 victim about Mr. SPENCER's statement of attempting to effect a citizen's arrest of an unidentified 15 person apparently breaking into his truck. Thereafter, with supplemented information, including 16 statements of Counterdefendant and Third Party Defendants, charges were brought and then 17 increased to felonies. After a two week trial, JEFFERY SPENCER was acquitted of all charges.

Third Party Defendants ELFRIDE KLEMENTI and MARY ELLEN KINION have filed a
 joinder in the underlying Motion but have provided no specific facts regarding themselves to which
 Mr. SPENCER could respond.

21 Mr. SPENCER's 1<sup>st</sup> Claim for Relief - Defamation

Defamation is defined as "(1) a false and defamatory statement by [a] defendant concerning
the plaintiff; (2) an unprivileged publication to a third person; (3) fault, amounting to at least
negligence; and (4) actual or presumed damages." *Pegasus v. Reno Newspapers, Inc.*, 118 Nev. 706,
718, 57 P.3d 82, 90 (2002). Publication occurs when the statement is communicated to a third
person. *M & R Investment Co. v. Mandarino*, 103 Nev. 711, 715, 748 P.2d 488, 491 (1987).
ROWENA SHAW and PETER SHAW repeatedly made false and defamatory statements

28 about JEFFREY SPENCER, publically claiming that: he not only failed to properly do his job as

1 a contract snow plower, but intentionally use his snowplow to strike an elderly neighbor with snow, 2 ice and debris causing injuries, when such an incident had not occurred; he not only failed to 3 properly do his job as a contract snow plower, but intentionally created a berm in their driveway and 4 destroyed their flower garden, when they did not see him even driving a snowplow that day; he was 5 a neighborhood bully, when he had no such reputation and many friends in their neighborhood; he 6 battered an elderly person, when they had not witnessed any such event and he was acquitted of such 7 a charge; and, he had committed felonies against elderly persons, when they had not witnessed any 8 such events and he was acquitted of all such charges.

9 All of these statements were unprivileged, and several were made in writing and/or verbally: 10 to KGID, knowing Mr. SPENCER was working for a sub-contractor of KGID; in part to the DA's 11 office long before December 18th; and, to the Planning Commission, knowing that would create a 12 negative impression of Mr. SPENCER when his fence variance was being considered. Many of the 13 most egregious statements were made verbally at scheduled meetings at which not only agency board 14 members were present, but also members of the public: to the KGID board, statements irrelevant 15 to KGID's operation, knowing it could compromise Mr. SPENCER's employment; and, to the 16 Planning Commission, statements irrelevant to the SHAW's objection to the Spencer's fencing, 17 knowing it created a negative impression of Mr. SPENCER when the variance was being considered, 18 which was then denied.

The SHAW's knew they had no first hand knowledge of these accusations; these statements were based solely upon representations of a few other people, all of whom had an axe to grind against the Spencers. If they did not know their statements were false when made, then at a minimum, the statements were negligently made with an utter disregard for the truth.

"While the determination of whether a statement is defamatory is generally a question of law,
when there are different possible constructions of the statement, one of which is defamatory and the
other not, the determination of whether it is defamatory is left to the fact finder." *Meyer v. Johnson*,
281 P.3d 1201 (Nev., 2009), *citing Lubin v. Kunin*, 117 Nev. 107, 111, 17 P.3d 422, 425-26 (2001).
"[T]he question of whether a statement is true or false is a question of fact to be decided by the fact
finder." *Meyer* at 1201, *citing K–Mart Corporation v. Washington*, 109 Nev. 1180 1193, 866 P.2d

• • •	
. 1	274, 283 (1993) (receded from on other grounds by Pope v. Motel 6, 121 Nev. 307, 114 P.3d 277
2	(2005)). Defamatory per se statements are: "(1) the imputation of a crime; (2) the imputation of
3	having a loathsome disease; (3) imputing the person's lack of fitness for trade, business, or
4	profession; and (4) imputing serious sexual misconduct." K-Mart Corporation, supra 109 Nev. at
5	1192, 866 P.2d at 282.
6	The defamatory statements made by the SHAWs, outside of and unconnected to the criminal
7	proceeding against Mr. SPENCER, included accusing him of crimes which he did not commit, and
8	accusing him of being unfit for his business or profession. The SHAWs defamation was per se, for
9	which Mr. SPENCER does not, as a matter of law, have to even prove damages.
10	Mr. SPENCER's 2 <sup>nd</sup> Claim for Relief - Malicious Prosecution
11	The Motion misstates the cited case for Mr. SPENCER's burden of proof. LaMantia v.
12	Redisi, 118 Nev. 27, 38 P.3d 877 (2002), identifies the elements of malicious prosecution as:
13	1) initiating, procuring the institution of, or actively participating in the
14	<ul> <li>continuation of a criminal proceeding;</li> <li>2) malice, shown by statements made with the knowledge they were false and/or making such statements with a reckless disregard for the truth;</li> </ul>
15	<ul><li>3) termination of the criminal proceeding in favor of the accused; and</li><li>4) damages.</li></ul>
16	ROWENA SHAW made various conflicting statements under oath regarding copying of the
17	SHAW's recording on their surveillance camera pointed at the Spencer's residence and their
18	interactions with the Sheriff's and DA's offices. Further, some of her sworn statements directly
19	conflict with testimony of the Deputy who came to their home to view the recording a couple of
20	weeks after the incident. The Deputy testified he was shown a very short segment at regular speed,
21	was unable to obtain a copy of the recording, and specifically advised the SHAWs to retain the
22	
23	recording for possible use by the District Attorney. The SHAWs not only did not retain the original recording, the copy of the recording which Mrs. SHAW made for the DA prior to the decision to
24	prosecute Mr. SPENCER for felonies, was 6 minutes short of the two hours she claimed she made.
25	Although the copy starts at 7:00 p.m., well before the incident, it does not include Mr. SPENCER
26	shouting at an intruder on their property to identify himself, as he had described to the initial
27	reporting Deputy that evening.
28	reporting Deputy that evening.
	7

Had the SHAWs presented a complete record of the two hours, that intermediate event which
 was missing on the presented copy, would have shown that the arrest on the night of the incident was
 precipitous; the Deputy, upon whose report the DA had to have relied, was missing key evidence.
 Mr. SPENCER should be given the opportunity to submit this to a fact finder at trial, and to argue
 that the missing 6 minutes was deliberate, and not only led to "the continuation of a criminal
 proceeding", but to additional and enhanced felony charges.

Malice can be inferred from the SHAWs failure to preserve the recording as instructed by
the Deputy and the presentation of modified evidence in support of the criminal proceeding which
was false and/or made with a reckless disregard for the truth. JEFFREY SPENCER was acquitted
of all charges, but sustained harm in his business and/or profession, loss to his reputation, good name
and standing in the community as a result of the enhanced charges and continuation of the criminal
proceeding.

### 13 Mr. SPENCER's 3<sup>nd</sup> Claim for Relief - Civil Conspiracy (Defamation)

14 The Motion correctly cites the law that "civil conspiracy arises where two or more persons 15 undertake some concerted action with the intent to accomplish an unlawful objective for the purpose 16 of harming another, and damage results." In this case, numerous statements were disseminated by 17 Mr. and Mrs. SHAW which could have no purpose other than to harm Mr. SPENCER with respect 18 to his fence variance request and/or his employment. Their unfounded criminal allegations came 19 from Counterdefendant HELMET KLEMENTI and Third Party co-Defendants Ms. KINION, EGAN 20 KLEMENTI and/or ELFRIDE, and their attendance at various public meetings were with and/or in 21 support of Counterdefendant HELMET KLEMENTI and Third Party co-Defendants Ms. KINION, 22 EGAN KLEMENTI and/or ELFRIDE KLEMENTI, all of whom also wanted to have the fence 23 variance denied and/or to cause Mr. SPENCER to lose his job. 24 The SHAWs public statements that Mr. SPENCER had intentionally use his snow plow to

strike EGON KLEMENTI with snow, ice and debris from the snowplow causing injuries, was an
assertion of fact of which Mr. and Mrs. SHAW had no personal knowledge and these unfounded
allegations came from Third Party co-Defendants Ms. KINION, EGAN KLEMENTI and/or
ELFRIDE KLEMENTI. The SHAWs attendance at the KGID meeting on December 18, 2012, their

first attendance at any KGID meeting in 37 years of living in that neighborhood, to complain Mr.
 SPENCER intentionally cased a berm in their driveway and damaged to their flower bed, even
 though they did not see him driving a snowplow, was planned in concert with Third Party co Defendants Ms. KINION, EGAN KLEMENTI and/or ELFRIDE KLEMENTI who were making
 similar complaints, alleging retaliation by Mr. SPENCER over the fence issue.

6 This was clearly concerted action against Mr. SPENCER to defeat his fence variance and/or 7 cost him his job. Whether each specific act was done with explicit agreement or simply tacit 8 agreement would be a question for the jury. For a person to publically accuse another of a crime, 9 especially so heinous a crime as attacking an elderly neighbor, when one has not observed and has 10 no direct knowledge of such an act, and evidence ends up showing there was no such act, a jury can 11 infer malice. For a person to publically accuse another of deliberately creating hardships for elderly 12 neighbors by berming them into their homes, when one has not observed any such act and has no 13 direct knowledge of such an act, and evidence ends up showing there was no such act, a jury can 14 infer malice.

This is not a free speech case of a right to petition; nor is this a case of privilege. The *Circus Circus* case cited in the Motion is absolutely irrelevant. The defamatory statements made by the
SHAWs in writing to and verbally at meetings of KGID and the Planning Commission open to the
public were not "judicial proceedings." There was no privilege.

### 19 Mr. SPENCER's 4th Claim for Relief - Civil Conspiracy (Malicious Prosecution)

20 The SHAWs first contact regarding the incident between HELMET KLEMENTI and Mr. 21 SPENCER was from ELFRIDE KLEMENTI, two days after the incident. Mrs. SHAW admitted she 22 made a flash drive of the recording of their, the SHAWs, surveillance camera aimed at the Spencer's 23 home, which she gave to the KLEMENTIS. Mrs. SHAW claims she did not get that flash drive back. 24 Weeks later, the SHAWs provided another copy by flash drive, missing 6 minutes of a key part of 25 the recording, to a officer for use against Mr. SPENCER by the District Attorney's office. Most important, the SHAWs did not preserve the original recording as directed by the Deputy which 26 27 would have shown those 6 minutes.

2	battery of HELMET KLEMENTI, ultimately ended up as felony charges for alleged acts against

4	Counterdefendant HELMET KLEMENTI and Third Party co-Defendants EGON KLEMENTI and	
5	ELFRIDE KLEMENTI relative to the criminal charges were later shown to be lies and/or

Thanks Zach. We have indicated to the Spencers on numerous occasions that the county does not support a variance, and their chances of receiving one are silm to none, but they are welcome to file an application, pay the \$1600 fee, and have a public hearing before the planning commission.

I have spoken with Rowena and Peta Shaw numerous times as well and explained what is happening. The folks up there are a bit anxious to see this through. Shane

Nark B. Jackson, District Attorney PO Box 213	AUG 3 0 2012
Minden, Nevada 89423	DISTRUCT ATTORNAY

Mr. Jackson,

-----

Following is a sequential summary of problems created by Joff and Marilyn Spencer, residents of 321 Charles St. Stateline, NV which led to numerous complaints lodged by several folks residing within the areas of Charles, Juniper and Headow streats. Shane Pienan, Douglas County Code Enforcer, has an active record of the multiple protests.

In March of 2012, the Spencers chose to store an eighteen-wheeler on a vacant lot owned by KGJD, adjacent to their house. An officer who responded to the complaint about the intrusive, long term presence of the massive transport, questioned the Spencers and informed them that large commercial trucks were only allowed to be parked in residential areas for ten days. The Spencers claimed the vehicle was only occas onally parked in the space. The fact was that the business vehicle was never for three weeks. After follow-up complaints the truck was finally removed the last week of May, 2012.

During Laber Day weekend, 2012, in response to neighbor complaints about vehicles with no plates parked on the Spencer's week infested izwm and on the street, they hastily erected a wooden fence around the back and sides of their house. The cars were moved in the side yard enclosed by the new fence.

The fence was conformed to the slope of the property, thus, was elevated to the height of around ten feel in certain sections. The towering horizontal row of the sold wood endosure by the road created a blind spot on the corner of Charles and Juniper streats. Residents in the area voiced their concerns to Mr. Pieren about the danger posed by the fence. Mr. Pieren advised the Spencers that the county code allowed residential fences to be built to three feet in height, therefore, their fence needed to be shortened.

In response to Mr. Planen's letter, the Spencers requested for an extension pened to file for a variance so they could leave the fence, "as is." The Spencers followers at that the fence was exected to keep their dag in, to beautify the neighborhood and slow down traffic.

Due to the terrain of the Spencer property, the bottom of the fence on the Juniper street side has a three feer gap above the ground, several feet in length. To state that the fence confines the dog in is blatantly false.

The Spencers' claim of beautifying the neighborhood is incorrect. The imposing fence is an eyescre. Last week, they stapled black plastic gerbage bag material at the bottom of the fence to conceal the cavernous space between the wood and the ground. They installed a mirror on a pole to "address" the obstructed views; problem <u>not</u> solved.

Stating that the fence slows down traffic fundamentally belies logic. The Spencers Created a bind, dangerous corner and are trying to imationally justify their violation by claiming to help reduce vehicular speed. The county needs to consider the following:

- Continuing to approve filing extensions to the Spencers only exacerbate the problem. Worse, granting a variance to the Spencers essentially mean that the county is approving/sanctioning the blind corner created, consequently, absolving the Spencers of any liability for accelents and injuries resulting from the dangerous situation they created by building a fence in excess of the three feet prescribed by code. Accidents will mest definitely occur, especially in the winter months with the presence of snow on the road. The fence was built at the edge of the street with no provisions for snow accumulation and removal.
- Granting a variance to the Spencers will render the county responsible for the "permanent defect" on impacted properties, due to the dangerous intersection and the resulting lowered resale values.
- The reasons purported by the Spencers for keeping the fliegal, full height of their fonce are evidently absurd and invalid grounds to grant a variance.

A short noise to the Spencer's house by a reafrom the DA's office will clearly reveal the driving/perceptian hazards.

Mr. Jackson,

We are resending the letter we sent to your office two weeks ago to ensure that you are aware of the facts regarding the fence erected by Jeff and Marilyn Spencer at 321 Charles St. Stateline.

To date, no action had been taken to reduce the height of the fence to alleviate the blind intersection created by the high wooden structure. The fence continues to pose serious risks to motorists and children who walk to and from their bus stop.

Please advise/update us as to the current status of the Spencers' case with regards their request for a variance to keep the fence "as is," as well as, the extension period to file.

Sincerely,

Mark B. Jackson, District Attomey PO Box 218 Minden, Nevada 89423

Mr. Jackson.

Following is a sequential summary of problems created by Jeff and Marilyn Spencer, residents of 321 Charles St. Stateline, NV which led to numerous complaints lodged by several folks residing within the areas of Charles, Juniper and Meadow streets. Shane Pieren, Douglas County Code Enforcer, has an active record of the multiple protests.

In March of 2012, the Spencers chose to store an sighteen-wheeler on a vacant lot owned by KGID, adjacent to their house. An officer who responded to the complaint about the intrusive, long term presence of the massive transport, questioned the Spencers and informed them that large commercial trucks were only allowed to be parked in residential areas for ten days. The Spencers claimed the vehicle was only occasionally parked in the space. The fact was that the business vehicle was never moved for three weeks. After follow-up complaints the truck was finally removed the last week of May, 2012.

During Labor Day weekend, 2012, in response to neighbor complaints about vehicles with no plates parked on the Spencer's weed infested lawn and on the street, they hastily crected a wooden fence around the back and sides of their house. The cars were moved in the side yard enclosed by the new fence.

The fence was conformed to the slope of the property, thus, was elevated to the height of around ten feet in certain sections. The towering herizontal row of the solid wood enclosure by the road created a blind spot on the corner of Charles and Juniper streets. Residents in the area voiced their concerns to Mr. Pieren about the danger posed by the fence. Mr. Pieren advised the Spencers that the county code allowed residential fences to be built to three feet in height, therefore, their fance needed to be shortened.

In response to Mr. Pieren's letter, the Spencers requested for an extension period to file for a variance so they could leave the fance, "as is." The Spencers rationalized that the fence was crected to keep their dog in, to beautify the neighborhood and slow down traffic.

Due to the terrain of the Spencer property, the bottom of the fence on the Juniper street side has a three feet gap above the ground, several feet in length. To state that the fence confines the dog in is blatantly faise.

The Spencers' claim of beautifying the neighborhood is incorrect. The imposing fence is an eyesore. Last week, they stapled black plastic garbage bag material at the bottom of the fence to conceal the cavernous space between the wood and the ground. They installed a mirror on a pole to "address" the obstructed views; problem not solved.

Stating that the fence slows down traffic fundamentally belies logic. The Spencers created a blind, dangerous corner and are trying to irrationally justify their violation by claiming to help reduce vehicular speed. The county needs to consider the following:

- Continuing to approve filing extensions to the Spancers only exacerbate the problem. Worse, granting a variance to the Spencers essentially mean that the county is approving/sanctioning the blind corner created, consequently, absolving the Spencers of any liability for accidents and injuries resulting from the cangerous situation they created by building a fence in excess of the three feet prescribed by code. Accidents will most definitely occur, especially in the winter months with the presence of snow on the road. The fence was built at the edge of the street with no provisions for show accumulation and removal.
- Granting a variance to the Spencers will render the county responsible for the "permanent defect" on impacted properties, due to the dangerous intersection and the resulting lowered resale values. The reasons purported by the Spencers for keeping the illegal, full height of their fence are evidently
- absurd and invalid grounds to grant a variance.

A short drive to the Spencer's house by a rep from the DA's office will clearly reveal the driving/pedestrian hazards.

Sincerely,

. .....

#### Ms. Moss,

Please help our neighborhood resolve a hazardous situation at the corner of Charles and Juniper Drive (Lower Kingsbury). Jeff and Marilyn Spencer (321 Charles) constructed a wooden fence, adjacent to the curb, last Memorial day weekend and created a blind intersection, a dangerous situation for motorists and pedestrians, particularly children, walking to and from the bus stop.

In response to numerous complaints from neighbors, Shane Pieren, Code Enforcer, informed the Spencers that their ience violated the three foot ordinance and should be shortened. Due to the uneven terrain of the property, the fence is over eight feet high in certain sections. In response, the Spencers replied that they would apply for a variance. Mr. Pieren responded that the hazard created, due to the lack of visibility, would not be permitted any variance. The Spencers countered that they would proceed with the application and pay the requisite \$1,500.00 fee.

According to Mr. Pieren, the Spencers cancelled several appointments to initiate the variance application process. Mr. Pieren informed the District Attorney's office of the situation and the Spencers received a letter indicating that the fence was not in compliance and should be cut to three feet in height.

The complaints were lodged in May. Another meeting with the Spencers, Mr. Pleren and Community Development staff is scheduled for October 15. Mr. Wadle, from the D.A.'s office, stated that no variance should be granted at the meeting. Surprisingly, even with the violation and denial for a variance, the Spencers would still have the right to appeal to the County Commission. The facts are incontrovertible. Any form of variance should never be allowed, essentially, not even considered.

Given their history of delay strategies, the Spencers would likely bide their time to complete the application. In the meantime, winter is approaching fast. Snow and ice would certainly create even more dangerous conditions at the blind intersection.

The Code enforcer's role is basically limited to sending latters to violators; no enforcement power. In other areas, cases of code violations are efficiently addressed since Code Enforcers are authorized to actually "enforce" deadlines and issue fines. Douglas County needs to adopt a comparably successful enforcement system. Financial loss would determinedly create a more significant impact, specially for repeat offenders. The District Attorney's Office is not the appropriate department to handle these kinds of issues. We urge County Commission members to enact provisions to amend the ineffective policy. There needs to be an expedient, timely process to address code violations which pose serious risks to public safety.

Thank you in advance for your consideration, assistance and response.

Dear Mr. and Mrs. Shaw:

This letter responds to your correspondence dated October 22, 2012, regarding the fence erected on the Spencer's property located at 321 Charles Avenue, Stateline, Nevada. Thank you for bringing your concerns to our attention regarding possible traffic dangers at the corner/intersection of Charles and Juniper given the impending Winter season. The County intends to review the site and current conditions in light of your concerns and will take corrective action if necessary. As to your questions related to possible liability for any accidents at the intersection, the County cannot answer such questions given the many variables that may bear upon liability in a hypothetical accident with unknown circumstances. In any event, the County takes your concerns seriously and will promptly review the intersection to determine if further action must be taken. Should you have further questions, please contact me at 775-782-9803.

Dear Ms. Moss,

We sent you a letter a few weeks back regarding the public safety issue in our neighborhood. We are following up with this correspondence since a meeting to address the request for variance for the fence built by the Spencers, which is the primary cause of the serious sight restriction problem on our street, is scheduled to be heard by the Planning Commission on January 08, 2013.

The rationale we outlined in our previous letter to not approve the request of the Spencers to maintain the current fence height are reiterated as follow:

- a. The solid wood fence, significantly over three feet in height, erected at the corner of Charles and Juniper, created a blind corner for motorists. Accidents and injuries are most likely to eccur.
- b. There is no school bus stop on Juniper. Young children need to cross Juniper and traverse Charles to reach the stop on Meadow Lane. Due to the sight restriction imposed by the fence, drivers cannot see the kids. The risk for an accident is major.
- C. No easement was provided when the fence was constructed. The fence sits at the edge of the road. Snow removal is severely restricted. Consequently, snow accumulates and leads to Ice build-up on the road.
- d. The stretch of Juniper Street by the fence, slopes down and is shaded, thus, ice tends to build up on the roadway. Motorists cannot safely stop to avert an accident.
- e. The stretch of Charles Street by the fence slants down and is shaded, thus, ice tends to build up on the grade. Since our house is situated in front of Charles, we have actually witnessed a seven year old neighbor, crouched on her hands, struggling to make it up the icy slope. The fence completely blocks any motorist's view of a child bent down low on the road.
- f. Granting a variance to the Spencers will conceivably make Douglas County responsible for the "permanent/incurable defect" on impacted properties, due to the dangerous intersection and the resulting lowered resale values.
- g. Granting the Spencers a variance will plausibly render Douglas County liable for any damage and/or injury to motorists and/or pedestrians since the county approved the variance, thus, sanctioned the "danger to the public" situation to prevail.

We were assured by Mr. Shane Pieren, Code Enforcer, and Mr. Zach Wadie, District Attorney's Office, during separate phone conversations, last 12/07/2012, that based on several site inspections with county engineers, the variance would not be granted due to the obvious safety violation.

If indeed, the variance would not be granted, we urge the Planning Commissioners to impose a strict deadline when the fence would be cut down to the allowed three feet height. Given the multiple delays perpetuated by the Spencers to file for the variance, the pattern is evident. Additionally, even after a letter from the District Attorney's Office, based on their site inspection with a county engineer, to remove the fence boards creating the sight restriction, the Spencers yet again "dedged" the directive by countering that they will hire an engineer who will provide a diverse opinion. No report from the Spencers' engineer was received by the District Attorney's office per my recent phone conversation with Hr. Wadle.

This dangerous situation was created when the Spencers built the fence, with a crew working from the early daylight hours till late at night, last Memorial Day weekend, 2012. Close to a year later, there is still no remediation.

Please do not allow this "accident waiting to happen" problem to endure.

Sincerely,

ein Ahan Km. Peter Shaw and

December 14, 2012

The neighborhood problem started when the Spencers parked an 18 wheeler, which Mr. Spencer drove for a racing company, on Charles Ave., between April and May, 2012. The large vehicle blocked the views for drivers turning from Meadow Lane to Charles and from Charles to Meadow. After several police reports, the truck was moved by the side of their house, on an empty lot owned by Douglas County, not the Spencers. It took several weeks for the 18 wheeler to leave the area for good.

The Spencers, who reside at 321 Charles Ave., built a six foot, completely solid wood fence last May 27, 2012. TRPA's standard is three feet high. The fence is absolutely a code violation. The six foot fence encloses the property on Charles and Juniper and behind their house. Part of the fence on Juniper is right next to the neighbor's garage. The wooden fence is a fire hazard to the adjacent residence.

Vehicles driving from Charles to Juniper have no clear sight of coming traffic; the fence is too high. People who walk from Charles to Juniper have the same safety problem. The corner is dangerous.

When the Douglas County Code Enforcement Office was informed of the fence problem, the Spencers rescheduled and postponed several meetings and did not cut the fence down even after letters from the Code enforcer. Our neighborhood needs help to address this long time problem and give us residents some peace.

Mr. and Mrs. E. Klementi 187 Meadow Lane December 17, 2012

Ms. Margaret Pross Planning Commission P.O. Box 218 Minden, NV 89423

Ms. Pross

Mr. Wadle, District Attomey's Office and Mr. Shane Pieren, Code Enforcer, provided copies of letters sent to the Spencers to the Planning Commission, including site inspection reports by the county engineer. Mr. McKay, General Manager for Kingsbury General Improvement District, sent us an email last December 13, 2012 stating that, "Prior to the hearing, KGID will send a letter to the planning commission to voice our concerns with snow removal and traffic lines of sight." Letters from residents were sent to the Planning Commission as well, detailing concerns about the public safety issue in the neighborhood. All the letters are in agreement that the fence built by the Spencers last Memorial weekend is in violation of the county code requirement of three feet in height. Additionally, the Spencers received letters from the county and the D.A. which stipulated that the fence needed to be reduced per county code to resolve the sight restriction issue at the comer of Juniper and Charles.

We were recently informed that the Spencers requested for a stop sign to be placed by the blind intersection. The request for a stop sign is on the Kingsbury General Improvement District (KGID) Board's agenda for January, 2013.

The stop sign is an obvious "back door Plan B" in anticipation of the Planning Commission's denial of the request for a variance. The sign will be used to "justify" the height of the fence, "as is," to not comply with directives to decrease the fence height. The scheme is equivalent to the Spencers' response to the D.A.'s letter asking them to remove boards on the fence to mitigate the blind intersection problem while waiting for the Planning Commission meeting. The Spencers countered that they were going to secure the services of an engineer who will supposedly provide a different opinion about the hazardous corner. Did the Planning Commission receive a copy of an engineer's report?

The stop sign is immaterial to the blind intersection problem. Motorists and pedestrians need to be able to see and be safe. We ask the Planning Commission to consider the motive behind the stop sign, deny the variance and underscore the need to lower the fence to the legal three feet height using the ground as baseline for accurate measurement.

My name is Dr. Rowena Shaw and I reside at 185 Juniper Drive. Every single time I need to get to my driveway from Charles, I have to go past Juniper, which means that the whole front end of my car, up to the windshield area, is stopped in the middle of the road, to enable me to see past the fence. The entire time, I pray that vehicles see me on time.

County letters were sent to the Spencers, stipulating that the fence be reduced to mitigate the obstructed line of sight. In a conversation with Mr. Wadle, DA's office, last Jan. 04, he shared that the Spencers were informed that same day to remove all the fence boards at the intersection, since they are still non-compliant and no variance has been granted, until a decision is made by the Planning Commission.

Letters have been sent in support of the illegal fence; some from people who live several streets away who do not travel the intersection.

I called Ms. Rao last week to ask for Douglas County security for today's meeting. Ms. Rao explained that they were aware of the violence and the need for security was already arranged. Mr. Spencer was arrested last Dec. 18 after he punched 78 year old Helmut Klementi while he was on the street. Helmut is the identical twin of Egon Klementi, who lodged complaints against the illegal fence.

Mr. McKay, KGID manager, informed me that the Spencers' request for stop signs was placed on the KGID agenda <u>after</u> the Planning Commission meeting so that the variance decision would be available. Due to the 90 day delay, the intent is that if the stop signs are approved by KGID, the fence would be "justified," therefore, the Planning Commission would be inclined to grant a major variance. If such approval was granted, the dangerous corner would essentially be sanctioned by the county, thus, resulting in possible liability issues for damages or injuries and the consequential permanent and incurable defect, which would lower property values of impacted homes.

The likelihood of a collision, personal injury, worse, serious physical harm to children who walk, to and from the bus stop, unseen by motorists, need to be resolved. The variance should never be granted. Even if the fence is cut, views will still be obstructed. The most effective remediation is to remove the fence, as recommended by Mr. Erik Nilssen, Douglas County engineer. Thank you for your time.

dr. Nowina Shaw PULLIC COMMENT For Ident Acation Only

My name is Peter Shaw and I reside at 185 Juniper Drive for the past 30 years. My home is located directly at the intersection of Juniper Drive and Charles Avenue. The current issue I am bringing to your attention is a fence that had been built by my neighbors, Marilyn and Jeff Spencer at 321 Charles Avenue. This fence was constructed during the Memorial Day weekend of 2012. The fence currently, is over built by 4 ½ feet per county code and is obstructing the line of sight at the intersection of Charles and Juniper. This fence has created a public safety hazard for motorists and pedestrians navigating this intersection. At this time, a driver has to enter the intersection to see around the fence.

According to the "Minimum Setback Requirements for Corner Lots," a triangular safety sight area of 45 feet from the corner up Juniper and down Charles is required. At the triangular traffic sight area, the maximum permitted height of a fence is limited to 2 ft. 6 inches.

Douglas County DA's office has repeatedly sent letters to Marilyn and Jeff Spencer to remove fence boards obstructing the line of sight until a final decision is made by the Planning Commission in regards to their request for a variance to keep the fence, "as is." As of today, no fence boards have been removed and the line of sight at this intersection continues to create public safety hazards.

The Spencers requested and were granted a 90 day delay in their request to keep the overbuilt fence at the intersection.

Finally, I would like to ask this question, "What does Douglas County intend to do to ensure public safety since the fence will still pose a serious line of sight restriction during the next three months."

### MEMORANDUM OF POINTS AND AUTHORITIES

#### A. Background

1

2

3

Kinion and Klementi are neighbors who have been witness to various bad acts
that defendant Spencer has perpetrated on brothers, Helmut and Egon Klementi,<sup>1</sup> and
others. All of them live in the Kingsbury Grade General Improvement District in
Stateline, Nevada. The woman have done nothing more than their civic duty to report
Spencer's actions to the police, the deputy district attorney who prosecuted Spencer,
KGID, and/or the Douglas County Planning Commission.

10 The gist of Spencer's claims is that everyone in the neighborhood is conspiring 11 against him and his wife by accusing Spencer of physically assaulting and battering Helmut Klementi on December 18, 2012, and by also accusing Spencer of using his 12 13 snowplow to commit retaliatory actions against the neighbors who objected to the 14 Spencers putting up a fence around their property. They claim these allegations are 15 not true and that the allegations caused criminal charges to brought against Spencer 16 and for the Douglas County Planning Commission to deny the Spencer's request to 17 build a fence.

18 As this court has previously ruled, the Spencer's claims are frivolous and not 19 supported by facts or law. While indeed, Spencer was acquitted of the criminal 20 charges arising from his assault and battery, the acquittal only means that the state did 21 not meet its burden of proof. More importantly, by reason of Spencer's insurance 22 company now paying \$150,000 to settle the personal injury claims brought against 23 Spencer by Helmut Klementi, and by reason of the assault being caught on videotape, 24 a strong probability exists that Spencer did in fact commit the acts he was accused of 25 committing and that the third-party claims against Kinion and Klementi are nothing 26 more than vexatious claims designed to harass and intimidate.

27

28

<sup>1</sup> Egon Klementi has passed away. Elfie Klementi is the widow of Egon Klementi.

Kinion has previously moved for, and been granted summary judgment in her
 favor on Spencer's claims for malicious prosecution.<sup>2</sup> Now, Kinion joins in the Shaw's
 motion and seeks to have Spencer's claims for defamation, civil conspiracy
 (defamation), and civil conspiracy (malicious prosecution) dismissed as well. Ms.
 Klementi joins in the Shaw's motion and seeks to have Spencer's claims for
 defamation, civil conspiracy (defamation), malicious prosecution, and civil conspiracy
 (malicious prosecution) dismissed.

8 The Shaw's motion for summary judgment -- and Kinion's and Klementi's 9 joinder to that motion - must be granted because Spencer's opposition brief contains 10 no admissible evidence on the issues raised in the motion for summary judgment. 11 Specifically, Spencer's response/opposition is deficient for three (3) reasons: First, the 12 response is not supported or accompanied by an affidavit. Second, the response 13 ignores this Court's order dated April 3, 2017 which granted partial summary judgment 14 to Kinion on the claims for malicious prosecution and further ignores this Court's order 15 dated October 19, 2017, which found those claims to be brought and maintained 16 without reasonable grounds. Third, the response fails to address where the statements 17 were made. Specifically, that any statements made by Kinion and/or Klementi which 18 are at issue in this matter, were made during either judicial and/or quasi-judicial 19 proceedings. Thus, even if the statements were not true - they are - the statements 20 are absolutely privileged and/or immune from liability under NRS 41.650.

21

### B. Law and Discussion.

22

## 1. Summary Judgment Standard.

Nevada law long has held that only admissible evidence may be considered on
a motion for summary judgment. NRCP 56(e). <u>See</u>, <u>Adamson v. Bowker</u>, 85 Nev.
115, 119, 450 P.2d 796, 799 (1969) ("[E]vidence that would be inadmissible at the trial

27

 28 || <sup>2</sup> Indeed, on October 19, 2017, this Court entered an order finding Spencer's claim for malicious
 28 || prosecution against Kinion to have been brought and maintained without reasonable grounds. Notwithstanding, Spencer refuses to voluntarily dismiss this claim as to the other third-party defendants.

1 of the case is inadmissible on a motion for summary judgment."). Because authentication is a condition precedent to admissibility, all evidence presented on 2 3 summary judgment must be authenticated. NRS § 52.015. See Thomas\_v. BAC Home Loans Servicing, LP, No. 56587, 2011 WL 6743044, \*2 (Nev. Dec. 20, 2011) 4 5 (Order of Affirmance) (unpublished) (documents offered in support of summary 6 judgment were properly authenticated and admissible when attached to an affidavit 7 made on personal knowledge affirming that the documents were true and correct 8 copies of the originals).

9 On summary judgment, documents which are authenticated through personal 10 knowledge must be attached to an affidavit that meets the requirements of NRCP 11 56(e), and the affiant must be a person through whom the exhibits could be admitted 12 into evidence. NRS § 52.025. Documents may also be authenticated in any another 13 manner permitted under the Nevada rules. See e.g., NRS § 52.085 (evidence that a 14 public record "is from the public office where items of this nature are kept is sufficient 15 to authenticate [it]"). However, Nevada courts consistently hold that unauthenticated 16 documents cannot be considered in a motion for summary judgment. See Employers 17 Ins. Co. of Nevada v. Employco Servs., Ltd., 281 P.3d 1170, n.1 (Nev. 2009) (Table) 18 (Order of Reversal) ("unauthenticated documents cannot be considered in a summary 19 judgment motion"); Whalen v. State, 100 Nev. 192, 195-96, 679 P.2d 248, 250 (1984) 20 (NRCP 56(e) requires documents offered in opposition to summary judgment be 21 authenticated); Buss v. Consol. Casinos Corp., 82 Nev. 355, 357, 418 P.2d 815, 816 22 (1966) (reversing grant of summary judgment where documents submitted in support 23 were not authenticated).

Nevada law is equally clear and consistent that even when a document is sworn and admissible, inadmissible hearsay statements within the document will not give rise to a material issue of fact. For example, in <u>Collins v. Union Fed. Savings & Loan</u>, the Nevada Supreme Court affirmed summary judgment in favor of defendants where plaintiff's opposition rested on inadmissible hearsay statements offered in an affidavit.

1 99 Nev. 284, 302 (1983) ("Evidence introduced in support of or opposition to a motion 2 for summary judgment must be admissible evidence."). The Court held that in offering 3 only hearsay, plaintiff had "failed to show that he could produce the requisite quantum of evidence to enable him to reach the jury with his claims." Id. Nevada appellate 4 rulings consistently instruct that hearsay statements are as inadmissible on summary 5 6 judgment as they are at trials. See e.g., White v. Mediati, No. 57710, 2012 WL 7 6588980, at \*1-2 (Nev. Dec. 14, 2012) (Order of Affirmance) (unpublished) (affirming 8 grant of summary judgment where opposing party offered only hearsay statements 9 and speculation); Soebbing v. Carpet Barn, Inc., 109 Nev. 78, 81, 847 P.2d 731, 734 10 (1993) (affirming district court's finding that out-of-court statements of a non-party 11 offered in opposition to summary judgment were inadmissible hearsay and could not 12 create a material issue of fact).

13 In his opposition/response brief, Spencer again attempts to create questions of 14 fact based on speculation as to what he thinks caused the Douglas County Sheriff's 15 Office to arrest Spencer in 2012 and what he thinks later caused the Planning 16 Commission to deny the Spencer's variance for a fence in 2013. The 17 opposition/response brief also continues to assert - wrongly -- that Spencer's acquittal 18 of the criminal charges means that the underlying acts did not occur. In truth, of 19 course, all the acquittal means is that the state did not meet its burden of proof. More 20 tellingly, the opposition/response brief is silent on Spencer's recent settlement with 21 Helmut Klementi. By way of that settlement, Spencer paid \$150,000 to Mr. Klementi. 22 That settlement may or may not have come with an admission of liability. In either 23 event, the settlement is relevant and admissible evidence.

24

### 2. Malicious Prosecution Claim Has Already Been Deemed Baseless.

For purposes here, third-party Defendants adopt and incorporates Kinion's motion for partial summary judgment dated April 22, 2016, this Court's Order dated April 3, 2017 which granted that motion, and this Court's Order dated October 19, 2017, determining Spencer's claim for malicious prosecution to have been brought and

1 maintained without reasonable grounds. For the reasons set forth therein, Spencer's
2 claim for malicious prosecution against Klementi must be dismissed.

## 3. <u>Defamations Claims Must Be Dismissed Because Third-Party</u> <u>Defendants Are Entitled to Judicial Immunity</u>

5 Spencer claims that third-party Defendants are not entitled to immunity because 6 the alleged statements that were made to the police, district attorney, Planning 7 Commission and/or KGID were false or made with reckless disregard for the truth. 8 Nonetheless, even assuming the statements were false – they're not – the statements 9 are privileged.

Any statements made to the police enjoy a qualified privilege. To this and, the Nevada Supreme Court has stated:

Under a qualified privilege, the plaintiff must prove by a preponderance of the evidence that the defendant abused the privilege by publishing the defamatory communication with actual malice. Actual malice is a stringent standard that is proven by demonstrating that "a statement is published with knowledge that it was false or with reckless disregard for its veracity."

16 Pope v. Motel 6, 121 Nev. 307, 114 P.3d 277 (2005).

3

4

As shown, to be actionable, any statements made to the police investigating Spencer by the third-party Defendants would have to be either knowingly false or made with reckless disregard for their veracity in order for them to be actionable. However, other than citing to his acquittal of the criminal charges, Spencer has provided no evidence which would suggest the statements made to police are knowingly false. Moreover, Spencer's settlement of the civil action brought against him Helmut Klementi strongly suggests the statements were true.

Second, any statements made by the Third-Party Defendants to the district attorney or in any criminal proceeding are absolutely privileged. In this regard, Nevada recognizes "an absolute privilege for communications published in the course of judicial proceedings, even when the statements are false or malicious and are republished with the intent to harm another." Id. citing Sahara Gaming v. Culinary

Workers, 115 Nev. 212, 984 P.2d 164 (1999); Circus Circus Hotels v. Witherspoon, 99 1 2 Nev. 56, 657 P.2d 101 (1983)(Emphasis added). 3 Third, in Knox v. Dick, 99 Nev. 514, 665 P.2d 267 (1983), the Nevada Supreme 4 Court recognized that the privilege granted to a witness in the regular course of judicial 5 proceedings extends to statements made in the course of quasi-judicial proceedings 6 as well. 665 P.2d at 270. Thus, any statements made by the Third-party Defendants to 7 the KGID or Planning Commission are absolutely privileged as well. In addition, any 8 statements made by the Third-party Defendants to the KGID or Planning Commission 9 are protected by Nevada's anti-SLAPP law. In this regard, NRS 41.637 provides: 10 "Good faith communication in furtherance of the right to petition or the right to free speech in direct connection with an issue of public 11 concern" means any: 12 1. Communication that is aimed at procuring any governmental or electoral action, result or outcome; 13 14 2. Communication of information or a complaint to a Legislator. officer or employee of the Federal Government, this state or a 15 political subdivision of this state, regarding a matter reasonably of concern to the respective governmental entity; 16 17 Written or oral statement made in direct connection with an issue under consideration by a legislative, executive or judicial body, or 18 any other official proceeding authorized by law; or 19 4. Communication made in direct connection with an issue of public interest in a place open to the public or in a public forum, which is 20 truthful or is made without knowledge of its falsehood. 21 The statements made by the Third-Party Defendants in regard to Spencer's 22 fence to either the KGID and/or the Planning Commission were clearly made in an 23 effort to procure government action. Further, statements made to the KGID and/or the 24

Planning Commission in relation to Spencer's aggression while operating a snowplow

26 were made in direct connection to a public interest (neighborhood safety) and/or were made in a public forum (open meetings).

27

28

For these reasons, Spencer's claims for defamation must be dismissed.

## 4. Conspiracy Claims Must be Dismissed.

"To establish a claim for civil conspiracy, a plaintiff must establish . . . the 2 commission of an underlying tort." Peterson v. Miranda, 991 F.Supp.2d 1109, 1120 (D. 3 Nev. 2014) citing GES, Inc. v. Corbitt, 117 Nev. 265, 21 P.3d 11, 15 (2001) (emphasis 4 added). In addition to establishing an underlying tort, a claim for civil conspiracy must 5 establish the following elements: (1) defendants acted in concert; (2) defendants 6 intended to accomplish an unlawful objective for the purpose of harming the plaintiff; 7 and (3) plaintiff sustained damages resulting from the defendants' acts. Consol. 8 Generator-Nevada, Inc. v. Cummins Engine Co., Inc., 114 Nev. 1304, 1311, 971 P.2d 9 1251, 1256 (1999). None of these elements are satisfied. 10

Initially defeating the conspiracy claim is the fact that the underlying claim for
malicious prosecution has already been deemed by this Court to be without basis and
dismissed. Without a valid and actionable tort for malicious prosecution, Spencer's
claim for civil conspiracy based on malicious prosecution must fail. Similarly, since all
of the alleged defamatory statements were made in either a judicial or quasi-judicial
proceeding, the statements are privileged. Without a valid and actionable tort for
defamation, Spencer's claim for civil conspiracy based on defamation must also fail.

## ļI.

#### CONCLUSION

21 For these reasons, Kinion and Klementi respectfully request that the claims 22 asserted against them be dismissed by way of summary judgment.

#### MEMORANDUM OF POINTS AND AUTHORITIES

## 1 2

I.

#### INTRODUCTION AND SUMMARY OF ARGUMENT

3 This case stems from a dispute between neighbors in the Kingsbury General 4 Improvement District (KGID) in Douglas County, Nevada that ultimately culminated in criminal 5 proceedings against Defendant/Counterclaimant Jeffrey Spencer ("Mr. Spencer") after he was 6 arrested for the battery of Plaintiff/Counter-Defendant Helmut Klementi ("Helmut").<sup>1</sup> Helmut 7 filed a civil action for damages against Mr. Spencer and this claim was settled and dismissed. 8 However, Mr. Spencer has filed the following counterclaims against Helmut: (1) defamation, (2) 9 malicious prosecution, (3) civil conspiracy for defamation, (4) civil conspiracy for malicious 10 prosecution, (5) punitive damages, and (6) intentional infliction of emotional distress.

11 After engaging in significant discovery and conducting countless depositions, including 12 obtaining the testimony of Deputy District Attorney Maria Pence, the evidence has revealed 13 that summary judgment in favor of Helmut is appropriate for the following reasons. First, as a 14 matter of law, the statements Helmut made to law enforcement, the Douglas County Planning 15 Commission and his testimony before the court in Mr. Spencer's criminal proceedings are 16 privileged as a matter of law. Moreover, the evidence demonstrates that Helmut's statement 17 that Mr. Spencer confronted and knocked him to the ground while he took pictures of snow 18 berms is true. Mr. Spencer has admitted in his deposition that he confronted and knocked 19 Helmut to the ground; thus, the truth of this statement is established. Semantic arguments on 20 the differences between knock, punch, and collide are not enough to establish a genuine issue 21 of material fact in this case. The evidence also demonstrates that Mr. Spencer himself cannot 22 identify a single, specific derogatory statement that Helmut has said about him:

23

24

25

26

27

[Mr. Brown]

Q: What is your understanding of the nature of the statements that were made at the meeting?

[Mr. Spencer]

A: Derogative against me.

LEMONS, GRUNDY & EISENBERG 6005 PLUMAS ST. THIRD FLOOR RENO, NV 89519 (775) 786-6868 <sup>1</sup> Because Helmut Klementi and his twin brother, Egon Klementi, share the same last name, this motion will refer to each brother by his first name for the purpose of clarity.

- 2 -

	Q: Okay. In what respect? Are we talking derogative as in you are ugly,
- 1	derogative as in you just plowed my street and bermed in my driveway? Can you
2	give me any more specifics than derogatory?
2	A: No.
3	
-	Exhibit 2 Dependition of loffrow Connect dated July 28, 2016, p. 84 (emphasis added)
4	Exhibit 3, <i>Deposition of Jeffrey Spencer</i> dated July 28, 2016, p. 84 (emphasis added).
5	Q: You have alleged my client has made false statements about you in this
6	lawsuit.
. 0	A: Uh-huh (affirmative).
7	Q: You understand that?
_	A: Yes.
8	Q: Okay. What I'm trying to get at is, whether – are you aware, as you sit
9	here today, of any false statements that Mr. Klementi, my client, may have made
	about you from the time you got out of jail, until the time of the trial? And we're
10	not talking about going into the trial yet.
	A: Yes, he has.
11	Q: Okay. Tell me what statements you are aware of that you believe that he
12	has made that are false during that time frame.
12	A: I would have to look at our file to see. I know he has made more about
13	the incident that night. I'm not sure about any meetings.
	Q: I'm sorry?
14	A: I'm not sure about any other meetings.
15	Q: Meetings?
10	A: I don't think he went to the county meeting. Yeah.
16	Q: So where else would he have made statements during that period?
	A: I said, I'm not sure about the meetings. I would have to look at the file,
17	though.
18	Q: But you do believe statements were made during that period?
	A: Yes.
19	Q: What statements?
20	A: Derogative stuff against me.
20	Q: I'm sorry?
21	A: Derogative stuff against me.
	Q: What sort of derogative stuff?
22	A: Same stuff. The snowplowing, that I beat him up, all that.
	Q: Who did he make these statements to?
. 23	A: I would have to look at the file.
24	Q: Okay. What is going to help you about the file? What is going to refresh
	your memory about the file? What documents?
25	A: Looking at the documents that we have.
20	Q: Okay. Which ones? That's what I'm trying to get at is where where can
26	I look? You have alleged my client made false statements. I'm entitled to know
27	when those statements were made, and who they were made to. And so I'm
	trying to get a better handle on who, what, when, and where with respect to
Lemons, Grundy 28 & Eisenberg	those statements during the time frame that we just talked about.

		A: Correct. So I need to add those to discovery, I guess.
1		Q: What do you mean? There are statements that you haven't provided yet?
	2	A: There is a lot of stuff I haven't provided yet.
		Q: Like what?
	3	A: There's a lot of video. A lot of statements.
	4	Q: Why haven't you provided it?
	.	A: Because I think we went over this this morning. I work, and I haven't
	5	had time to do it.
	6	Q: In the last two years?
	Ŭ	A: No. I don't think the lawsuit has been going on the last two years.
	7	Q: Okay. But since the lawsuit has been filed, you just have had no time at all to produce this stuff?
s.	8	A: I have produced some of it, but not all of it.
	Ŭ	Q: Okay. So as you sit here right now, you can't identify any specific
	9	statements from the time you were released from jail to the start of the
	10	criminal trial of Mr. Klementi, Helmut Klementi?
	10	A: I don't want to say specifics when I can't remember exactly word for
	11	word.
	12	Q: That's fine, sir. The answer is, no, you can't, or is it yes?
		A: No. I can't remember specifics.
	13	Exhibit 3, Deposition of Jeffrey Spencer dated July 28, 2016, pp. 158-161 (emphasis added).
	14	
		Q: What about trial? What statements did my client make at trial that was
	15	false?
	16	A: Buy the transcripts.
		Q: I'm asking you. You sat through the trial. I wasn't there. I'm asking your
	17	recollection.
	18	<ul> <li>A: So buy the transcripts, and you can see.</li> <li>Q: That's not an acceptable answer. My answer question to you is, what</li> </ul>
	10	statements do you recall my client stated or made at trial that were inaccurate?
	19	A: It's the same question.
	20	BY MR. ROUTSIS: Objection.
	21	BY MR. BROWN:
	21	Q: I'm entitled to your recollection, Mr. Spencer.
	22	A: My recollection at this moment is not accurate enough to say anything.
	23	Exhibit 3, Deposition of Jeffrey Spencer dated July 28, 2016, p. 164 (emphasis added). This is
	24	just one example of Mr. Spencer's obtrusive, nonresponsive answers to specific questions
	25	asking what statements he believes Helmut said about him. Mr. Spencer's deposition
	26	transcripts are replete with this nonresponsive testimony because the undisputed fact is, he
		simply has no evidence to support his claims.
1	27	
LEMONS, GRUNDY & EISENBERG 6005 PLUMAS ST. THIRD FLOOR RENO, NV 89519 (775) 786-6868	28	Second, as to Mr. Spencer's claim for malicious prosecution, the evidence reveals that - 4 -
		1

the decision to arrest Mr. Spencer was not Helmut's decision – it was the decision of Deputy
 Jesse McKone. The decision to charge Mr. Spencer was solely the decision of Deputy District
 Attorney Maria Pence. Because Helmut had a good faith belief a crime had been committed
 against him and the decision to arrest and charge Mr. Spencer was not Helmut's, he cannot be
 liable for malicious prosecution. Similarly, the testimony provided by Helmut during Mr.
 Spencer's criminal proceedings is privileged as a matter of law because absolute privilege is not
 limited to claims for defamation.

8 Third, Mr. Spencer's claims for civil conspiracy cannot stand because Mr. Spencer cannot
9 prove commission of the underlying torts. Moreover, Helmut never conspired with other
10 defendants in this case to defame or maliciously prosecute Mr. Spencer.

Fourth, as to the claim for intentional infliction of emotional distress Helmut's cooperation with the police investigation and judicial proceedings against Mr. Spencer is simply not "extreme and outrageous conduct" as a matter of law. Mr. Spencer has presented no law to support his claim that Helmut's conduct was extreme and outrageous in this case. Importantly, as well, Mr. Spencer has failed to produce any evidence of physical manifestations of severe emotional distress that is necessary to support his claim for damages.

Fifth, and finally, "punitive damages" is not a stand-alone claim in Nevada <u>and</u>, more importantly, Mr. Spencer has produced no evidence – let alone, clear and convincing evidence, that Helmut's action of reporting a crime to law enforcement and testifying against Mr. Spencer is conduct that warrants an award of punitive damages. This Court may make that determination as a matter of law; therefore, summary judgment is also appropriate on this claim.

For all these reasons, as more fully set forth below, it is undisputed no genuine issue of
 material fact remains in this case for trial and Helmut is entitled to judgment as a matter of law
 in his favor.

9 Helmut went to Egon's and Elfie's home for dinner. Affidavit of Helmut ¶11; Exhibit 2, Helmut
10 Deposition, p. 93:16-24.

After dinner, Helmut left Egon's house to take pictures of the snow berms in

17 13. Mr. Spencer has admitted that he knocked Helmut to the ground, that it was not
an accident, that he knew it was a Klementi brother, and that he stood over Helmut screaming
after he knocked him to the ground. Exhibit 3, Jeffrey Spencer Deposition, pp. 98:23-25-99:123.

Mr. Spencer also stated that he pushed the person now known as Helmut in

16. Because Helmut sustained injuries as a result of this incident, emergency services were called and Douglas County Sheriff's Deputy Jesse McKone responded and commenced an

investigation. Affidavit of Helmut ¶15; Exhibit 8, Deposition of Deputy Jesse McKone dated
 April 7, 2016, pp. 13:1-25-23:1-10.

Helmut reported in good faith his belief to Deputy McKone that Mr. Spencer had
assaulted him and knocked him to the ground. Affidavit of Helmut ¶16.

18. After interviewing witnesses and investigating the scene, Deputy McKone
concluded that Mr. Spencer's testimony regarding the incident was not credible and he opined
that Mr. Spencer used the excuse of someone breaking into his truck as a reason to confront
and commit a battery upon Helmut when he saw Helmut taking photographs of the snow
berms. Exhibit 8, McKone Deposition, p. 36:14-22; p. 62:2-9; Exhibit 7, Douglas County Sheriff's
Department Investigation Narrative, Case No. 12SO41608, bates-stamped D0302.

19. Accordingly, based on his investigation and opinion, Deputy McKone arrested
 Mr. Spencer for battery/abuse of an elderly person. McKone Deposition, p. 62:2-9; Exhibit 7,

15 20. The decision to arrest Mr. Spencer was solely Deputy McKone's decision, based
16 on "the inconsistences with what [he] had seen on scene and Mr. Spencer's rendition."
17 Exhibit 8, McKone Deposition, p. 62:8-9.

18 21. On or about December 26, 2012, Helmut obtained a Temporary
 19 Restraining/Protective Order against Mr. Spencer. Affidavit of Helmut ¶¶18-19; Exhibit 9,
 20 *Temporary Order Against Stalking, Aggravated Stalking or Harassment*, filed December 26,
 2012.

22 22. On January 8, 2013, Helmut attended a meeting before the Douglas County
 23 Planning Commission and its members. Affidavit of Helmut ¶¶20-21; Exhibit 10, Douglas County
 24 Planning Commission Meeting Minutes dated January 8, 2013, bates-stamped D1132—1138.

25 23. At that meeting, Helmut read a statement during public comment that stated
 26 Mr. Spencer confronted and punched him while he was taking pictures of a snow berm pushed
 27 against his brother Egon's fence and that Helmut had a restraining order against Mr. Spencer.

3 Summary judgment is appropriate under Rule 56 of the Nevada Rules of Civil Procedure 4 when the pleadings, depositions, answers to interrogatories, admissions, and affidavits, if any, 5 that are properly before the court demonstrate that no genuine issue of material fact exists, 6 and the moving party is entitled to judgment as a matter of law. NRCP 56; Wood v. Safeway, 7 Inc., 121 Nev. 724, 731, 121 P.3d 1026, 1031 (2005). Id. A factual dispute is genuine when the 8 evidence is such that a rational trier of fact could return a verdict for the nonmoving party. Id. 9 The substantive law controls which factual disputes are material and will preclude summary 10 judgment; other factual disputes are irrelevant. Id. at 731.

11 Although the pleadings and proof must be construed in a light most favorable to the 12 nonmoving party, that party bears the burden to do more than simply show that there is some 13 metaphysical doubt as to the operative facts in order to avoid summary judgment. Id. at 732. 14 The nonmoving party is not entitled to build a case on the gossamer threads of whimsy, 15 speculation and conjecture. Id.

16 The manner in which each party satisfies its burden of production "depends on which 17 party will bear the burden of persuasion on the challenged claim at trial." Cuzze v. Univ. & Cmty. 18 Coll. Sys. of Nevada, 123 Nev. 598, 602, 172 P.3d 131, 134 (2007). If the nonmoving party will 19 bear the burden of persuasion at trial, the moving party "may satisfy the burden of production 20 by either (1) submitting evidence that negates an essential element of the nonmoving party's 21 claim, or (2) 'pointing out ... that there is an absence of evidence to support the nonmoving 22 party's case." Francis v. Wynn Las Vegas, LLC, 127 Nev. Adv. Op. 60, 262 P.3d 705, 714 (2011) 23 (internal citations omitted). In this case, because Mr. Spencer bears the burden of persuasion 24 at trial, Helmut may satisfy his burden of production by submitting evidence that negates 25 essential elements of Mr. Spencer's claims and by pointing out that there is an absence of 26 evidence to support Mr. Spencer's case.

Α. **Defamation:** summary judgment on Helmut's affirmative defenses in response to Mr. Spencer's claim for defamation against Helmut is appropriate because Helmut's statements are privileged as a matter of law.

11 Liability for defamation may only arise if the plaintiff proves the following: "(a) a false 12 and defamatory statement concerning another; (b) an **unprivileged** publication to a third party; 13 (c) fault amounting at least to negligence on the part of the publisher; and (d) either 14 actionability of the statement irrespective of special harm, or the existence of special harm 15 caused by the publication." Lubin v. Kunin, 117 Nev. 107, 111, 17 P.3d 422, 425 (2001) (emphasis 16 added).

17 Whether a statement is defamatory is generally a question of law, unless it is subject to 18 two different interpretations. Id.; K-Mart Corp. v. Washington, 109 Nev. 1180, 1191, 866 P.2d 19 274, 281 (1993) ("Whether or not a statement is capable of defamatory construction is a 20 question of law for the court."). A court reviewing an allegedly defamatory statement reviews 21 "the words in their entirety and in context in order to determine whether they are susceptible 22 of defamatory meaning." Lubin, 117 Nev. at 111, 17 P.3d at 426.

In this case, Mr. Spencer alleges Helmut is liable for defamation because Helmut told Douglas County Sheriff's Deputies and the Douglas County Planning Commission that Jeffrey 25 Spencer had punched him and knocked him to the ground. Amended Counterclaim and Third-26 Party Complaint, ¶¶34, 41. Mr. Spencer also asserts Helmut is liable for defamation because 27 Helmut testified at Mr. Spencer's preliminary hearing and criminal trial that Mr. Spencer had 28 punched or hit him in the chest and knocked him to the ground, causing injury. and 67. However, each of Helmut's statements, even *if* this Court-found them defamatory
(which, they are not), is protected by either a qualified privilege or absolute privilege because
each statement was made in the context of reporting a crime or in a quasi-judicial or judicial
proceeding, as explained further herein. Both the qualified privilege and the absolute privilege
are defenses to Mr. Spencer's defamation claim and Helmut has properly alleged these
privileges in his affirmative defenses to Mr. Spencer's *Amended Counterclaim and Third-Party Complaint*. See, *Lubin v. Kunin*, 117 Nev. at 114, 17 P.3d at 427.

8 9

## Helmut's statements to Douglas County Sheriff's Deputies are protected by gualified privilege.

10 In this case, it is undisputed that Helmut's statements to law enforcement are protected 11 by a gualified privilege. The Nevada Supreme Court has held that, where a person makes 12 communications to police before initiation of criminal proceedings, that party enjoys a qualified 13 privilege if the statements are made in good faith. In Pope v. Motel 6, 121 Nev. 307, 114 P.3d 14 277 (2005), the court clarified its holding in K-Mart Corp v. Washington by finding that a 15 qualified privilege satisfied the balance between safeguarding reputations and encouraging full 16 disclosure by citizens "in order to discharge public duties and protect individual rights." Id. at 17 316-317. This privilege exists so that citizens, like Helmut, can report what they perceive in 18 good faith as the commission of a crime and not be subject to "frivolous lawsuits." Id. at 317.

Importantly, the court held that after an individual has reported a crime, a plaintiff must
prove, by a preponderance of the evidence, "that the defendant abused the privilege by
publishing the defamatory communication [to law enforcement] with actual malice." *Id.* at 317
(emphasis added). "Actual malice is a stringent standard that is proven by demonstrating that
a statement is published with knowledge that it was false or with reckless disregard for its
veracity." *Id.* citing *Pegasus v. Reno Newspapers, Inc.*, 118 Nev. 706, 722, 57 P.3d 92, 92 (2002)
(emphasis added).

In *Pope*, the manager for Motel 6 believed that a former employee and her husband were stealing from the motel and responsible for "problems" on the premises. The manager reported this fact to local law enforcement. The trial court granted summary judgment in Motel

6's favor, because the former employee could not demonstrate that the manager's statements
 to the police were made with knowledge that they were false. Upholding the trial court's
 decision on appeal, the Nevada Supreme Court found:

Suspicions of criminal wrongdoing are commonly expressed to police, and often the suspicion is misplaced. Without more, the mere fact that an individual informs police of possible criminal wrongdoing does not establish malice. To overcome the qualified privilege, Juanita was required to establish that Inman acted with reckless disregard for veracity or with knowledge of falsity. She failed to do so.

As a qualified privilege applies to Inman's statements to the police and Juanita failed to advance any evidence of malice, we conclude that the district court properly granted summary judgment to Motel 6 on this issue.

11 Pope, 121 Nev. at 318, 114 P.3d at 284 (emphasis added).

Similarly, in Circus Circus Hotels, Inc. v. Witherspoon, 99 Nev. 56, 657 P.2d 101 (1983), 12 the Nevada Supreme Court explained that a qualified or conditional privilege exists where the 13 allegedly defamatory statement is made in good faith "on any subject matter in which the 14 person communicating has an interest, or in reference to which he has a right or a duty, if it is 15 made to a person with a corresponding interest or duty." Whether a statement is conditionally 16 privileged is a question of law for this Court. Id. The burden then shifts to the plaintiff to prove 17 that the defendant abused the privilege by making the defamatory statement with malice in 18 fact. Id. This issue does not even go to the jury unless there is sufficient evidence for the jury 19 to reasonably infer that the defendant made the statement with actual malice. Id. In fact, the 20 court in Circus Circus Hotels Inc. reversed the trial court for allowing the jury to decide the initial 21 question of whether an employer's statements were protected by qualified privilege. Id. 22

Both *Pope* and *Circus Circus Hotels, Inc.* are controlling in this case. Here, it cannot be disputed that Helmut believed Mr. Spencer punched him in the ribs and knocked him to the ground. Based on that belief, Helmut immediately reported this fact to Deputy McKone as part of his public duty and his individual right to report what happened to him on the night of December 18, 2012. The mere fact that Helmut reported to law enforcement an incident in which he was harmed does not constitute malice and this Court may make that determination

9

as a-matter of law. In fact, the burden-shifts to Mr. Spencer to establish that Helmut acted with 1 2 reckless disregard for the veracity of the situation or with knowledge of his statement's falsity. 3 However, there is simply no evidence that Helmut reported facts to Deputy McKone that 4 Mr. Spencer knocked him to the ground with reckless disregard or with knowledge that his 5 statement was false (which, it was not). As stated in the Statement of Undisputed Facts, supra, 6 Mr. Spencer has admitted that (1) he intended to collide with Helmut, (2) he knocked Helmut 7 to the ground, (3) he realized "immediately" that it was a Klementi brother, and (4) he stood 8 over Helmut screaming at him. Statement of Undisputed Facts, ¶13. Because Helmut made his 9 statement to law enforcement without malice and with protection of a qualified privilege, this 10 issue cannot even go to the jury unless this Court finds there is sufficient evidence that Helmut 11 made his statements with actual malice. Mr. Spencer has not, and cannot, advance any 12 evidence of malice by Helmut in this case. Therefore, summary judgment is appropriate on 13 Helmut's affirmative defense of qualified privilege as to Mr. Spencer's First Claim for Relief for 14 defamation because the statements Helmut made to law enforcement after the incident are 15 protected by qualified privilege as a matter of law.

Helmut's statements to the Douglas County Planning Commission and at Mr.
 Spencer's criminal proceedings are protected by an absolute privilege as a matter of law.

19 Mr. Spencer asserts that the statements Helmut made to the Douglas County Planning 20 Commission and at Mr. Spencer's criminal trial are defamatory statements for which Helmut is 21 liable. However, Nevada recognizes and follows the "long-standing common law rule that 22 communications uttered or published in the course of judicial proceedings are absolutely 23 privileged." Circus Circus Hotels, Inc., 99 Nev. at 60-61, 657 P.2d at 104; Nickovich v. Mollart, 51 24 Nev. 306, 274 P. 809, 810 (1929) (a witness who testifies in the course of judicial proceedings is 25 not liable for the answers he makes to questions posed by the court or counsel and all his 26 answers are privileged).

Lemons, Grundy & Eisenberg 6005 Plumas St. THIRD FLOOR Reno, NV 89519 (775) 786-6868 The absolute privilege also applies to "quasi-judicial proceedings before executive officers, boards, and commissions...." *Id.* The absolute privilege precludes liability as a matter

of law-even where the defamatory statements-are-"published-with knowledge of their-falsity 1 2 and personal ill will toward the plaintiff." Id. The policy behind this privilege is that, "in certain 3 situations, the public interest in having people speak freely outweighs the risk that individuals 4 will occasionally abuse the privilege" by making defamatory statements. Id.; Knox v. Dick, 99 5 Nev. 514, 518, 665 P.2d 267, 270 (1983) (holding that the absolute privilege is applicable to 6 quasi-judicial proceedings so "the right of individuals to express their views freely upon the 7 subject under consideration is protected."). There is no guestion our supreme court has applied 8 the absolute privilege in the guasi-judicial context. Id.

9 The scope of absolute privilege in Nevada is "quite broad." Fink v. Oshins, 118 Nev. 428, 10 433, 49 P.3d 640, 644 (2002). The defamatory communication "need not be strictly relevant to 11 any issue involved" in the judicial or quasi-judicial proceeding; rather, it needs only to be "in 12 some way pertinent to the subject of controversy." Id. citing Circus Circus Hotels, Inc., 99 Nev. 13 at 61, 657 P.2d at 104 (defamatory material need only have "some relation" to the proceeding 14 and as long as it has "some bearing" on the subject matter, it is absolutely privileged). The 15 privilege applies even where actual judicial proceedings have not yet been initiated, so long as 16 the statement is made "in contemplation of the initiation of the proceeding." Id. Courts should 17 apply the privilege "liberally, resolving any doubt in favor of its relevancy or pertinency." Id. 18 (internal quotations omitted) citing Club Valencia Homeowners v. Valencia Assoc., 712 P.2d 19 1024, 1027 (Colo.Ct.App.1985) ("No strained or close construction will be indulged to exempt a 20 case from the protection of privilege") and Chard v. Galton, 277 Or. 109, 559 P.2d 1280, 1282 21 (1977) (noting that the absolute privilege should apply liberally).

27 LEMONS, GRUNDY 28 & EISENBERG 6005 PLUMAS ST. THIRD FLOOR RENO, NV 89519 (775) 786-6868

The issues of absolute privilege and relevance are questions of law for this Court to decide. *Circus Circus Hotels, Inc.*, 99 Nev. at 62, 657 P.2d at 105. In *Circus Circus Hotels, Inc.*, the court concluded that a letter written by plaintiff's former employer, Circus Circus, presented in the context of an administrative proceeding was protected by the absolute privilege and should not have been presented to the jury at plaintiff's trial against Circus Circus for defamation. Because the letter from Circus Circus was related to the unemployment security division's decision on whether to grant plaintiff unemployment benefits, it was privileged. The court also

- 15 -

held the trial court erred by allowing the jury to decide whether the letter's content was-

Similarly, in *Knox*, the court disagreed with the plaintiff that the quasi-judicial privilege
did not extend to the Clark County Personnel Grievance Board. 99 Nev. at 518, 665 P.2d at 270.
Rather, the court found that that the quasi-judicial privilege applied because the board
conducted its meetings in a quasi-judicial manner pursuant to the guidelines set forth in the
Clark County Code that permitted the taking of evidence and examination of witnesses. *Id.*

8 Here, there is simply no question that any statement Helmut made during Mr. Spencer's
9 criminal proceedings, including the preliminary hearing and criminal trial, are protected by
10 absolute privilege for which liability cannot attach. Even if the statements made by Helmut
11 were false or malicious (which, they are not), Helmut cannot be liable for defamation as a
12 matter of law. *Nickovich*, 51 Nev. at 306, 274 P. at 810.

13 Further, Helmut's statements to the Douglas County Planning Commission are also 14 protected by absolute privilege as a matter of law. First, the Douglas County Planning 15 Commission is a quasi-judicial body. Knox, supra. It is governed by the Douglas County Code, 16 Title 20, and conducts itself in "a manner consistent with quasi-judicial administrative 17 proceedings," because it notices and conducts hearings, takes evidence, permits questioning of 18 witnesses, and exercises its discretion to consider or exclude evidence. D.C.C. §§ 20.24.010-19 .070.<sup>5</sup> It even permits appeals. D.C.C. §§ 20.28.010—.040. Thus, the Douglas County Planning 20 Commission is a quasi-judicial body. Second, Helmut's statement to the Douglas County 21 Planning Commission on January 8, 2013 is privileged because it is relevant to the subject 22 controversy: Mr. Spencer's construction of a fence that violated Douglas County Code and the 23 resulting dispute between the neighbors that ensued, culminating in the events on the night of 24 December 18, 2012. Circus Circus Hotels, Inc., 99 Nev. at 61, 657 P.2d at 104 ("relevance" is not 25 measured in the traditional evidentiary sense, but rather must have "some relation" to the 26 proceeding). Helmut's statement to the Douglas County Planning Commission certainly has 27

- 16 -

"some-relation" to the Planning Commission's meeting and public comment on Mr. Spencer's illegal fence because it provides context to why the neighbors testified before the Planning
 Commission. Because it has some bearing on the subject matter of the January 8, 2013 meeting,
 Helmut's statement to the Planning Commission is privileged as a matter of law, even *if* his
 statement is found defamatory.

6 It is an undisputed fact that the only published statements Helmut made regarding Mr.
7 Spencer were made to the Douglas County Planning Commission and to the court in context of
8 Mr. Spencer's criminal proceedings. Because this fact is undisputed and because this Court may
9 apply the absolute privilege liberally and as a matter of law, summary judgment on Helmut's
10 affirmative defenses asserting absolute privilege is proper.

 Alternatively, Helmut's statement that Mr. Spencer punched him is not defamatory because it is substantially true and is Helmut's generalization and opinion of what occurred December 18, 2012.

14 As stated, whether a statement is defamatory is generally a question of law, unless it is 15 subject to two different interpretations. "A statement is defamatory when it would tend to 16 lower the subject in the estimation of the community, excite derogatory opinions about the 17 subject, and hold the subject up to contempt." Lubin, 117 Nev. at 111, 17 P.3d at 425. However, 18 a statement is not defamatory "if it is absolutely true, or substantially true." Pegasus v. Reno 19 Newspapers, Inc., 118 Nev. 706, 715, 57 P.3d 82, 88 (2002). A statement is also not defamatory 20 if it is "an exaggeration or generalization" that a reasonable person could interpret as mere 21 rhetorical hyperbole. Id. Finally, a statement of opinion is protected speech under the First 22 Amendment of the United States Constitution. Lubin, 117 Nev. at 112. The court examines 23 whether a reasonable person would be likely to understand the remark as an expression of 24 opinion or a statement of fact. Id. A court reviewing an allegedly defamatory statement reviews 25 the words in their entirety and in context in order to determine whether they are susceptible 26 of defamatory meaning." Id. at 111.

	13	Q: It was an accident; is that your testimony? [Mr. Spencer]
	14	A: Not an accident. I meant to stop whoever was breaking into my truck. Q: Okay. And so –
	15	A: I went out looking for whoever it was. I just ran into him because he was right there. At the last minute I seen him.
	16	Q: Okay. So when was it that you first became aware that it was – I know Egon and Helmut are twins. So when was it you first became aware that it was a
	17	Klementi that you had impacted? A: I <b>knew it was a Klementi almost immediately –</b>
	18	Q: Okay. A: because they started talking in their native tongue or whatever, and I
	19	can tell by the accents. Q: Once you collided with him I have seen the video. He hits the deck. You
	20	don't. What do you do? A: I recognize it's him, or one of them, as I said. I can tell. I hear him talking.
	21	And I start screaming and yelling at him, why didn't he say who you were. You know, why didn't he identify himself. I hear one of them yelling to call 911. I say,
	22	we have already called them. Then I walked back to my house.
	23	Q. Why didn't you say, we collided, I didn't intend to push him [in Mr. Spencer's police statement]?
	24	A: <b>Because I intended to hold him</b> , and I didn't think of it. I don't have the vocabulary that you do. I mean, you know, I was under duress and just trying to
	25	write down what happened

Exhibit 3, Jeffrey Spencer Deposition, p. 99:1-23, 121:7-12 (emphasis added).<sup>6</sup> Viewing Helmut's 1 2 statement in its entirety and in context, it is clear that Helmut's statement is not false or 3 defamatory because it is substantially true in light of Mr. Spencer's statement to police that he 4 "pushed the person" and his deposition testimony that he intended to collide with Helmut and 5 stop him. Simply because Helmut believed he had been assaulted or punched by Mr. Spencer 6 does not make his statement in this regard defamatory. Helmut's statement that he had been 7 assaulted by Mr. Spencer is a generalization of the events that occurred on December 18, 2012 8 and it is not defamation. Moreover, Helmut's opinion that Mr. Spencer punched or assaulted 9 him is protected. See Lubin, 117 Nev. at 112, 17 P.3d at 423 ("statements of opinion are 10 protected speech under the First Amendment and not actionable at law).

Helmut also stated before the Douglas County Planning Commission that he had a restraining order against Mr. Spencer. This is an undisputed statement of fact that is absolutely true. <u>See</u>, *Statement of Undisputed Facts*, ¶21. Thus, Helmut's statement is not defamatory and not actionable at law. *Pegasus*, 118 Nev. at 715, 57 P.3d at 88.

In conclusion, should this Court believe that the qualified and absolute privileges afforded to crime victims not apply, it is clear that Helmut's statements are not defamatory because they are substantially true and they are his generalization and opinion of what happened to him. It is an undisputed fact that Mr. Spencer knocked Helmut to the ground and intended to do so. This renders Helmut's statement substantially true. Helmut's generalization of the event is not defamatory and, thus, summary judgment should be granted in Helmut's favor on Mr. Spencer's First Claim for Relief for defamation because it fails as a matter of law.

Malicious Prosecution: summary judgment is appropriate because the 1 B., 2 undisputed facts demonstrate that Helmut was not involved in the decisions to 3 arrest and charge Mr. Spencer and he had a good faith belief that Mr. Spencer 4 criminally assaulted him. 5 1. Mr. Spencer's prima facie claim for defamation fails as a matter of law. 6 To establish a prima facie case of malicious prosecution in Nevada, a plaintiff must prove 7 the following: "(1) want of probable cause to initiate the prior criminal proceeding; (2) malice: 8 (3) termination of the prior criminal proceedings; and (4) damage." LaMantia v. Redisi, 118 Nev. 9 27, 30, 38 P.3d 877, 879 (2002) citing Jordan v. Bailey, 113 Nev. 1038, 1047, 944 P.2d 828, 834 10 (1997). This claim also requires that the defendant "initiated, procured the institution of, or 11 actively participated in the continuation of a criminal proceeding against the plaintiff." Id. 12 Want of probable cause is judged by an objective test. Jordan, 113 Nev. at 1047-48. "It 13 is for the court to decide whether a reasonable attorney would have considered the prior action 14 legally tenable – ignoring any subjective factors such as the attorney's expertise and belief." Id.; 15 Boren v. Harrah's Entm't, Inc., 2010 WL 4934477, at \*4 (D. Nev. Nov. 30, 2010) (interpreting 16 Nevada law and finding that the "reasonable attorney" test applies to both attorneys and non-17 attorneys under Jordan). Only when a reasonable person would find that the action was 18 "completely without merit" can a court authorize a malicious prosecution action to proceed. 19 Boren, 2010 WL 493447 at \*4.

A defendant cannot be held liable for malicious prosecution when he or she reports
 information they believe to be true to law enforcement and without directing, requesting, or
 pressuring law enforcement to commence criminal proceedings. *Lester v. Buchanen*, 112 Nev.
 1426, 929 P.2d 910 (1996). Specifically, the Restatement (Second) of Torts as cited by *Lester*,
 explains that:

[G]iving the information or even making an accusation of criminal misconduct does not constitute a procurement of the proceedings initiated by the officer if it is left entirely to his discretion to initiate the proceedings or not. When a private person gives to a prosecuting officer information *that he believes to be true*, and the officer in the exercise of his uncontrolled discretion initiates criminal proceedings based upon that information, the informer is not liable under the rule stated in this Section even though the information proves to be false and his belief was one that a reasonable man would not entertain.

LEMONS, GRUNDY & EISENBERG 6005 PLUMAS ST. THIRD FLOOR RENO, NV 89519 (775) 786-6868

25

26

The exercise of the officer's discretion makes the initiation of the prosecution his own and protects from liability the person whose information or accusation has led the officer to initiate the proceedings.

3 Lester, 112 Nev. at 1429, 929 P.2d at 912-13 citing Restatement (Second) of Torts § 653 (1977), 4 comment g (emphasis added). In *Lester*, the Nevada Supreme Court upheld the trial court's 5 order granting summary judgment in favor of a defendant video store against the plaintiff 6 customer's claim of malicious prosecution. The video store filed a complaint with the police 7 department after a customer failed to return a videotape. The customer was arrested on an 8 outstanding warrant, but charges against the customer were later dismissed. The court found 9 summary judgment was proper because the undisputed facts demonstrated the video store's 10 good faith belief that the customer had not returned the video.

Further, in examining whether the video store initiated, procured, or actively participated in the continuation of criminal proceedings against the customer, the court found summary judgment was appropriate in favor of the video store based on undisputed testimony

14 || from the prosecuting attorney. Specifically, the court found:

[T]he record is devoid of any evidence that the police officers commenced the criminal prosecution at the direction, request, or pressure of Video Express. At his deposition, the Deputy District Attorney in charge of prosecuting this matter testified that Video Express had no further involvement, beyond their initial police report, in the decision to institute criminal proceedings. Further, Lester testified that she does not have any evidence that Video Express did anything more than submit an initial statement to the Reno Police Department.

*Lester*, 112 Nev. at 1430, 929 P.2d at 913. Finally, it is axiomatic that the presence of probable
cause negates the existence of malice. *Boren*, 2010 WL 493447 at \*6 (in order to find malice,
the proceedings must have been initiated primarily for a purpose other than to bring the
offender to justice).

The undisputed facts coupled with the case law set forth herein demonstrates that summary judgment in favor of Helmut is warranted. As an initial matter, it is undisputed probable cause existed to arrest and prosecute Mr. Spencer for battery of Helmut. This Court accepted the testimony of Deputy District Attorney Maria Pence at the January 30, 2017 hearing; thus, there is no need to belabor the point that D.A. Pence believed a crime had been

17

18

committed and that Mr. Spencer had committed the crime. D.A. Pence testified repeatedly that
 she was the only person involved in the charging decision for Mr. Spencer's case. See Statement
 of Undisputed Facts, ¶25. Probable cause also existed when the justice court bound Mr.
 Spencer over for trial on the charges after the April 24, 2013 preliminary hearing.

Further, it is an undisputed fact that Deputy McKone's decision to arrest Mr. Spencer
was solely the decision of the deputy, who based his decision on "the inconsistences with what
[he] had seen on scene and Mr. Spencer's rendition." <u>See Statement of Undisputed Facts</u>,
¶¶18-20. This is consistent with Deputy McKone's report. *Id.*

9 Finally, it is undisputed that when Helmut reported the assault to Deputy McKone, he
10 reported the facts of the incident as he believed them to be true -- that Jeffrey Spencer ran up
11 and hit him, knocking him to the ground.<sup>7</sup> Affidavit of Helmut ¶14.

12 There are simply no facts demonstrating that Helmut requested or pressured law 13 enforcement or the Douglas County District Attorney's office to commence a criminal 14 proceeding against Mr. Spencer. As a matter of law, because Helmut had a good faith belief 15 that Mr. Spencer assaulted him, he cannot be held liable as a matter of law, even if the 16 information later proves false or Helmut's belief is one that a reasonable man would not 17 entertain. Lester, 112 Nev. at 1430, 929 P.2d at 913 (even if criminal action was commenced at 18 direction of defendant, summary judgment was proper because defendant had good faith belief 19 plaintiff did not return the property). Moreover, because probable cause clearly existed to 20 arrest Mr. Spencer for assault and proceed to a preliminary hearing and trial, there is no 21 question that a reasonable person would have considered the criminal proceedings against Mr. 22 Spencer "legally tenable." Jordan, 113 Nev. at 1047, 944 P.2d at 834. Therefore, no disputed 23 material facts remain and Helmut is entitled to judgment as a matter of law on Mr. Spencer's 24 Second Claim for Relief for malicious prosecution.

LEMONS, GRUNDY & EISENBERG 6005 PLUMAS ST. THIRD FLOOR RENO, NV 89519 (775) 786-6868 <sup>7</sup> These facts actually <u>are</u> true, as established in the Statement of Undisputed Facts and Section A, Defamation.

- 22 -

# <u>The privilege of absolute immunity extends to claims for malicious</u>prosecution; thus, Helmut's statements made in this case are privileged as a matter of law.

4 Helmut is further not liable to Mr. Spencer for malicious prosecution because his 5 statements are protected by absolute immunity. The Nevada Supreme Court recently 6 confirmed in Harrison v. Roitman, 131 Nev. Adv. Op. 92, 362 P.3d 1138 (2015) that the absolute 7 immunity doctrine is not limited to claims of defamation. Instead, the court, citing to the United 8 States Supreme Court, recognized that "[t]he common-law and United States Supreme Court 9 jurisprudence indicate that absolute immunity protects witness statements made during 10 judicial proceedings from tort liability in general and do[es] not limit absolute immunity's 11 application to defamation claims." Id. at 1143, n. 6 (emphasis in original) citing Briscoe v. LaHue, 12 460 U.S. 325, 330-31, 103 S. Ct. 1108, 1113-14 (1983) (surveying English common law and early 13 American law). In reaffirming the "functional approach" to absolute immunity outlined by the 14 United States Supreme Court, the court held that "functional categories, not ... the status of the 15 defendant, control[s] the immunity analysis." Id. (alterations in original) (internal citations 16 omitted).

The functional approach to absolute immunity examines the following: (1) "whether the [person seeking immunity] performed functions sufficiently comparable to those of [persons] who have traditionally been afforded absolute immunity at common law;" (2) "whether the likelihood of harassment or intimidation by personal liability [is] sufficiently great to interfere with the [person']s performance of his or her duties;" and, (3) "whether procedural safeguards exist in the system that would adequately protect against [illegitimate] conduct by the [person seeking immunity]." *Harrison*, 131 Nev. Adv. Op. 92, 362 P.3d at 1140.

The reasons why Helmut's statements are protected and privileged are fully and completely set forth under Section A of this motion. Application of absolute immunity is a question of law for the court to decide and there is no question it applies in this case. As to the first prong of the functional approach, the Nevada Supreme Court has already established that witnesses are traditionally immune at common law for subsequent damages liability arising

Lemons, Grundy & Eisenberg 6005 Plumas St. THIRD FLOOR Reno, NV 89519 (775) 786-6868 -1

2

from their testimony in judicial proceedings. *Id.*, at 1140-41. This is because the law recognizes
 that the rights of an individual "yield to the dictates of public policy" to ensure that witnesses
 are free to testify without fear of intimidation or liability. *Id.* at 1141.

The second prong is also met because the looming threat of liability, harassment, and
intimidation for victims of a crime absolutely may interfere with their right and public duty to
testify. This principle is exemplified by the fact that Mr. Spencer was charged in the underlying
proceeding with Intimidation of a Witness to Influence Testimony, a violation of NRS 199.230.
There is no question the looming threat of liability to witnesses and crime victims in criminal
cases warrants absolute immunity.

Finally, the third prong of "procedural safeguards" is met through the availability of cross-examination and appellate review in the judicial system. *Id.* at 1142-43. The third prong is satisfied by the mere <u>existence</u> of the procedural safeguards and does not depend upon whether the party successfully uses them. *Id.* Here, it is absolutely undisputed that Helmut was subject to cross-examination at Mr. Spencer's preliminary hearing and trial. Thus, the third prong for functional immunity is satisfied.

16 Helmut has fully established the doctrine of functional immunity applies to bar Mr. 17 Spencer's claim against him for malicious prosecution in the event this Court determines that 18 Mr. Spencer's prima facie claim does not fail as a matter of law. Because Helmut was a witness 19 who testified in Mr. Spencer's criminal proceedings and because the doctrine of absolute 20 immunity is not limited to defamation claims, Helmut's status as a testifying witness protects 21 him from liability and gives him immunity for malicious prosecution as a matter of law. Harrison, 22 131 Nev. Adv. Op. 92, 362 P.3d at 1143 (finding no good reason to depart from principle that 23 doctrine of absolute immunity applies to claims outside defamation, including malicious 24 prosecution and negligence). As such, summary judgment in Helmut's favor on his affirmative 25 defense of privilege is appropriate on this claim.

LEMONS, GRUNDY & EISENBERG 6005 PLUMAS ST. THIRD FLOOR RENO, NV 89519 (775) 786-6868 C. **Civil Conspiracy:** summary judgment is appropriate on Mr.-Spencer's claims-forcivil conspiracy in Helmut's favor, because torts underlying the civil conspiracy claims fail and Mr. Spencer cannot demonstrate any unlawful agreement between the parties.

5 Mr. Spencer's Third and Fourth Claims for Relief assert civil conspiracy for defamation 6 and malicious prosecution. An actionable claim for civil conspiracy "consists of a combination 7 of two or more persons who, by some concerted action, intend to accomplish an unlawful 8 objective for the purpose of harming another, and damage results from the act or acts. Consol. 9 Generator-Nevada, Inc. v. Cummins Engine Co., Inc., 114 Nev. 1304, 1311, 971 P.2d 1251, 1256 10 (1998) (finding summary judgment was appropriate on civil conspiracy claim where there was 11 no evidence defendants agreed and intended to harm plaintiff); Sharda v. Sunrise Hosp. & Med. 12 Ctr., LLC, 2017 WL 2870086, at \*10 (D. Nev. July 3, 2017) (plaintiff's claim for civil conspiracy 13 failed where he did not plead a plausible underlying agreement).

14 It is crucial that, in order to prevail on a claim for civil conspiracy, a plaintiff must show 15 the commission of the underlying tort and an agreement between defendants to commit that 16 tort. Jordan v. Dept. of Motor Vehicles & Pub. Safety, 121 Nev. 44, 75, 110 P.3d 30, 51 (2005),<sup>8</sup> 17 (the underlying tort is a "necessary predicate" to a cause of action for conspiracy); Sharda, 2017 18 WL 2870086, at \*10 (same).

19 Here, as fully set forth under Sections A and B, the underlying claims for defamation and 20 malicious prosecution fail as a matter of law. There are no genuine issues of material fact 21 remaining as to the allegations of defamation and malicious prosecution against Helmut - and, 22 he is immune from liability under the doctrines of qualified and absolute immunity. Because 23 Mr. Spencer's claims for defamation and malicious prosecution fail as a matter of law, his claims 24 for civil conspiracy likewise necessarily fail because he is unable to prove the commission of the 25 underlying tort.

- 25 -

1 Moreover, Mr. Spencer simply cannot meet the elements for a claim of civil conspiracy. 2 There are no facts demonstrating the existence of an agreement between Helmut and any of 3 the defendants in this case to accomplish an unlawful objective, such as to maliciously 4 prosecute or defame Mr. Spencer. That would require Helmut to concoct a scheme to undergo 5 substantial physical pain and suffering in order to get Mr. Spencer arrested and then work with 6 the other defendants to present false testimony against him. Such a proposition is completely 7 absurd. Mr. Spencer cannot prove the existence of an agreement by Helmut and the other 8 defendants or intent by Helmut and the other defendants to purposely cause Mr. Spencer harm, 9 because the undisputed facts are, there is no agreement or intent. In the absence of admissible 10 and authenticated evidence establishing a genuine issue of material fact, Mr. Spencer's claims 11 for civil conspiracy fail as a matter of law and summary judgment is appropriate.

> D. Punitive Damages: summary judgment is warranted on Mr. Spencer's claim for punitive damages because this claim is not a stand-alone claim in Nevada and, more importantly, there is no evidence that Helmut acted with malice, oppression, or fraud.

16 Mr. Spencer asserts a claim for punitive damages as his Fifth Claim for Relief. However, 17 it is well-established that punitive damages is not a stand-alone claim; rather, it is a prayer for 18 relief tied to a specific cause of action. Clark v. Lubritz, 113 Nev. 1089, 1096, 944 P.2d 861, 865 19 (1997) (holding that Nevada's statute on punitive damages is a verbatim copy of the California 20 statute); McLaughlin v. Nat'l Union Fire Ins. Co., 29 Cal. Rptr. 2d 559, 578 (1994) (there is no 21 separate cause of action for punitive damages and plaintiffs must still prove the underlying 22 tortious act). Flatly put, Mr. Spencer cannot assert a separate cause of action for punitive 23 damages and the Fifth Claim for Relief can be dismissed on this basis alone.

However, summary judgment is appropriate on the merits of Mr. Spencer's request for
punitive damages in this case because there is absolutely no evidence that Helmut acted with
malice, oppression, or fraud. Before even submitting the issue of punitive damages to a jury,
the district court should conduct a threshold inquiry of whether the alleged misconduct is
properly subject to this form of civil punishment. *Evans v. Dean Witter Reynolds, Inc.*, 106 Nev.

598, 612, 5 P.3d 1043, 1052 (2000); see also Countrywide Home Loans, Inc. v. Thitchener, 124 Nev. 725, 740, 192 P.3d 243, 252-53 (2008). "[T]he district court has discretion to determine
 whether the party's conduct merits punitive damages as a matter of law." Winchell v. Schiff,
 124 Nev. 938, 948, 193 P.3d 946, 953 (2008). Punitive damages are not a compensatory
 measure of recovery; rather, they are intended to punish and deter a defendant's culpable
 conduct. Bongiovi v. Sullivan, 122 Nev. 556, 580, 138 P.3d 433, 450 (2006).

7 Punitive damages are governed by statute and may only be awarded when the plaintiff 8 proves, by clear and convincing evidence, that the "defendant has been guilty of oppression, 9 fraud, or malice, express or implied ...." NRS 42.005(1). "Oppression" means "despicable conduct that subjects a person to cruel and unjust hardship with conscious disregard of the 10 11 rights of the person." NRS 42.001(4). "Fraud" means "an intentional misrepresentation, deception or concealment of a material fact known to the person with the intent to deprive 12 13 another person of his rights or property or to otherwise injure another person." NRS 42.001(2).9 "Malice, express or implied" means "conduct which is intended to injure a person or despicable 14 15 conduct which is engaged in with conscious disregard of the rights or safety of others." 16 NRS 42.001(3).

The statutory definitions of "'oppression" and "malice, express or implied" include the term "conscious disregard," which means "knowledge of the probable harmful consequences of a wrongful act and a willful and deliberate failure to act to avoid those consequences." NRS 42.001(1). In accordance with that statutory language, conscious disregard "denotes conduct that, at a minimum, must exceed mere recklessness or gross negligence." *Countrywide Home Loans*, 124 Nev. at 743, 192 P.3d at 255.

Clear and convincing evidence is evidence that is "so strong and cogent as to satisfy the mind and conscience of a common man, and so to convince him that he would venture to act upon that conviction in matters of the highest concern and importance to his own interest." In

26 27

Lemons, Grundy 28 & Eisenberg 6005 Plumas St. THIRD FLOOR Reno, NV 89519 (775) 786-6868 <sup>9</sup> Mr. Spencer's claim for punitive damages does not include a claim for fraud and, even if it did, he did not satisfy the NRCP 9(g) heightened standard for pleading a fraud claim. Therefore, this motion does not address fraud.

*re Discipline of Drakulich*, 111 Nev. 1556, 1566, 908 P.2d 709, 715 (1995).

2 In this case, Mr. Spencer cannot come forward with any evidence – let alone clear and convincing evidence - that Helmut's conduct was "despicable conduct" that was intended to 3 4 injure Mr. Spencer or made in conscious disregard for his safety. In fact, the converse is true -5 Mr. Spencer acted with conscious disregard for Helmut's safety when he admittedly pursued Helmut on an icy street and knocked him to the ground. There is also no evidence that Helmut 6 7 had knowledge of probable harmful consequences resulting from a wrongful act (reporting a 8 crime is not a wrongful act) and that he willfully and deliberately failed to act to avoid those 9 consequences. A request for punitive damages in this context is simply absurd.

10 Further, it is an undisputed fact that Helmut acted in good faith and with a reasonable 11 belief that Mr. Spencer had punched or assaulted him on the night of December 18, 2012. 12 Affidavit of Helmut ¶¶14-16. Consistent with that good faith belief, Helmut reported the 13 incident to law enforcement and testified at Mr. Spencer's criminal proceedings. As stated 14 under Section A, Defamation, and Section B, Malicious Prosecution, the existence of a good 15 faith belief negates the presence of malice. Lester, 112 Nev. at 1430, 929 P.2d at 913 (good faith 16 belief that a crime had been committed); Boren, 2010 WL 493447 at \*6 (the existence of probable cause negates malice); Pope, 121 Nev. at 318, 114 P.3d at 284 (no malice where 17 reporting party believed crime had been committed). Subjecting Helmut to punitive damages 18 for his good faith belief that he was the victim of a crime and fulfilling his civic duty and 19 individual right to report that crime smacks of injustice. Such an award in this case would 20 21 establish unwanted precedent and deter citizens and victims from coming forward and reporting crimes out of fear that they will later be subject to liability and obscene damage 22 amounts for contacting local law enforcement and participating in the judicial process. This 23 24 result is clearly not the type of conduct that a punitive damage award is meant to deter.

Because there is no evidence that Helmut's conduct is the type where an award of punitive damages is appropriate and because this Court can make this determination as a matter of law, summary judgment should be granted in Helmut's favor on Mr. Spencer's Fifth Claim for Punitive Damages.

E. Intentional Infliction of Emotional Distress: summary-judgment is appropriate on Mr. Spencer's claim for intentional infliction of emotional distress because there is no evidence Helmut acted intentionally or with a reckless disregard of causing emotional distress and Mr. Spencer's reported symptoms do not satisfy the requirement of "physical manifestations" of emotional distress.

 Helmut's conduct is not extreme and outrageous and the record is devoid of evidence that Helmut acted intentionally or with a reckless disregard of causing Mr. Spencer severe emotional distress.

9 Mr. Spencer's Sixth Claim for Relief asserts that Helmut acted intentionally or with 10 reckless disregard for the likelihood of causing emotional distress when he reported to law 11 enforcement that he had been injured, when he stated at the Planning Commission he was hurt 12 by Mr. Spencer, and when he testified at Mr. Spencer's criminal proceedings regarding the 13 same.<sup>10</sup> However, there is absolutely no evidence that Helmut acted intentionally or that his 14 actions of reporting a crime constitute reckless disregard in this case.

In a claim for intentional infliction of emotional distress, a plaintiff must prove the
following: "(1) extreme and outrageous conduct with either the intention of, or reckless
disregard for, causing emotional distress, (2) the plaintiff's having suffered severe or extreme
emotional distress, and (3) actual or proximate causation." *Barmettler v. Reno Air, Inc.,* 114 Nev.

A prima facie claim of intentional infliction of emotional distress requires a plaintiff to prove that the defendant's conduct was "extreme and outrageous." *Maduike v. Agency Rent-A-Car*, 114 Nev. 1, 4, 953 P.2d 24, 26 (1998). community." Id. citing-California Book of Approved Jury-Instruction 12.74 (internal citations 1 2 omitted). In Maduike, the Nevada Supreme Court upheld the trial court's decision that the first 3 element of the tort was not met when a car rental agency's employees were rude and refused to provide a family with a new rental car after the brakes on the car they rented failed and 4 5 caused a collision. Id. at 4-5. The court agreed with the rental agency's argument that its 6 employee's conduct was, at most, unkind or inconsiderate behavior but it did not rise to the 7 level of being "atrocious, intolerable, or outside all possible bounds of decency." Id. at 5; and 8 see, Barmettler, 114 Nev.at 443, 956 P.2d at 1384 (no extreme and outrageous conduct where 9 employer violated its own policy to keep confidential the fact that employee entered substance 10 abuse rehabilitation); Chowdhry v. NLVH, Inc., 109 Nev. 478, 483, 851 P.2d 459, 462 (1993) 11 (accusations by hospital that surgeon abandoned patient were insufficient to constitute 12 extreme and outrageous behavior); compare, Olivero v. Lowe, 116 Nev. 395, 400, 995 P.2d 13 1023, 1026 (2000) (conduct was extreme and outrageous where construction laborer was 14 physically attacked by homeowner and threatened with handgun).

15 Here, Helmut's actions of reporting a crime and making a statement about what happened to him on the night of December 18, 2012 simply do not rise to the level of extreme 16 17 and outrageous conduct as a matter of law. Similarly, testifying before a judge in Mr. Spencer's 18 criminal trial is not extreme and outrageous conduct. Again, subjecting victims and citizens to 19 damages when they exercise their civil obligation to report a crime and testify in judicial 20 proceedings is simply against public policy and would set dangerous precedent. Victims and 21 witnesses report crimes and testify multiple times a day and this conduct is simply not "extreme and outrageous" as a matter of law. See, e.g., Churchill v. Barach, 863 F. Supp. 1266, 1275 (D. 22 23 Nev. 1994) (customer's conduct was not extreme and outrageous as a matter of law when he wrote letter to airline complaining about employee because this type of conduct occurs 24 25 "thousands of times each day").

acted with reckless disregard in causing Mr. Spencer severe emotional distress. This case is

Moreover, even if Helmut's conduct was extreme and outrageous (which, it is not), Mr.

Spencer cannot demonstrate that Helmut intended to cause Mr. Spencer emotional distress or

completely distinguishable from cases where the court has found extreme and outrageous 1 2 conduct. For example, in Olivero, the Nevada Supreme Court found that a homeowner who 3 physically attacked and threatened a construction laborer with a handgun and forced him to 4 work at gunpoint was liable for intentional infliction of emotional distress because that conduct 5 was extreme and outrageous. 116 Nev. at 400, 995 P.2d 1026. That is the type of conduct this 6 tort is meant to address. Here, there is simply no evidence in the record supporting Mr. 7 Spencer's allegation that Helmut's conduct was extreme and outrageous with the intention or 8 reckless disregard of causing emotional distress. Therefore, Mr. Spencer's Sixth Claim for Relief 9 for infliction of emotional distress fails as a matter of law on the first element and summary 10 judgment must be granted in Helmut's favor.

11 12

## Mr. Spencer has failed to present proof of severe or extreme emotional distress.

In Nevada, when a party claims emotional distress damages that precipitate physical
symptoms (as opposed to emotional distress damages secondary to a physical injury), then
either a physical impact must have occurred or, in the absence of a physical impact, the plaintiff
must prove "serious emotional distress" causing physical injury. *Barmettler*, 114 Nev. at 448,
956 P.2d at 1387.

Absent physical impact, "the less extreme the outrage, the more appropriate it is to 18 19 require evidence of physical injury or illness from the emotional distress." Chowdhry, 109 Nev. 20 at 483, 851 P.2d at 462 citing Nelson v. City of Las Vegas, 99 Nev. 548, 555 665 P.2d 1141, 1145 (1983); and Churchill, 863 F. Supp. at 1276 (where the outrage is less extreme, evidence of 21 22 physical injury or illness is required). The stress "must be so severe and of such intensity that no reasonable person could be expected to endure it." Alam v. Reno Hilton Corp., 819 F. Supp. 23 24 905, 911 (D. Nev. 1993). "Insomnia and general physical or emotional discomfort are 25 insufficient to satisfy the physical impact requirement." Id. The physical impact requirement is 26 not met even where a party has "great difficulty in eating, sleeping, and suffers outward manifestations of stress and is generally uncomfortable." Churchill, 863 F. Supp. at 1276; Alam, 27 28 819 F. Supp. at 911 (feelings of inferiority, headaches, irritability and weight loss did not amount

to severe emotional distress).

1

2 In this case, the "emotional distress" suffered by Mr. Spencer does not rise to the level 3 of "severe or extreme emotional distress" that is required to recover damages for this tort. Mr. 4 Spencer has never produced any medical records or documentation of severe and extreme 5 emotional distress in this case and the records that have been produced by third-party 6 defendant Mary Ellen Kinon reveal that Mr. Spencer's claims for emotional distress fail as a 7 matter of law. Mr. Spencer may argue that the opinion of his therapist, Dana Anderson, is 8 sufficient to prove that Mr. Spencer has suffered severe and extreme emotional distress 9 because Ms. Anderson diagnosed him with "PTSD." However, a careful look at the specific symptoms Mr. Spencer experiences demonstrates his symptoms are insufficient to constitute 10 11 severe and extreme emotional distress: "reliving the trauma," "stomach ache," "nervousness," "bad dreams," "frightening thoughts," "feeling tense," "difficulty sleeping," "lack of 12 13 concentration," "inability to deal with stressful situations," "negative thoughts," "depression, 14 anxiety," and, loss of having fun. Affidavit of Helmut ¶ 26; Exhibit 14, letter from Dana Anderson 15 dated May 21, 2017, bates-stamped KINION-350-351. As explained in case law above, these 16 symptoms do not constitute severe and extreme emotional distress. Mr. Spencer's complaints 17 of stress, fatigue, and weight loss similarly do not constitute severe and extreme emotional 18 distress. Churchill, 863 F. Supp. at 1276; Alam, 819 F. Supp. at 911.

Moreover, Mr. Spencer's physical symptoms he attributes to this case <u>are pre-existing</u> conditions and symptoms he suffered long before this case even started. His treating physicians note that his past medical history includes pre-existing depression and a "long history of gastrointestinal reflux disorder." *Affidavit of Helmut* ¶27; **Exhibit 15**, medical records of Jeffrey Spencer, bates-stamped KINION-138—140, 151—156 (noting that heartburn and regurgitation issues started 10-15 years ago). With this medical history, Mr. Spencer simply cannot attribute his heartburn and depression to Helmut's actions in this case.

Therefore, because Mr. Spencer has not suffered severe and extreme emotional distress as a matter of law, summary judgment in Helmut's favor on the Sixth Claim for Relief for linfliction of emotional distress is appropriate.

LEMONS, GRUNDY & EISENBERG 6005 PLUMAS ST. THIRD FLOOR RENO, NV 89519 (775) 786-6868 V. CONCLUSION

2 The Nevada Supreme Court has held that Rule 56, "should not be regarded as a 3 disfavored procedural shortcut," but instead as an integral part of the rules of civil procedure 4 as a whole, "which are designed to secure the just, speedy and inexpensive determination of 5 every action." Wood v. Safeway, Inc., 121 Nev. 724, 730, 121 P.3d 1026, 1030 (2005) citing 6 Celotex Corp. v. Catrett, 477 U.S. 317, 106 S. Ct. 2548 and FRCP 1. As our court has recognized. 7 a nonmoving party may not rely on "gossamer threads of whimsy, speculation and conjecture." 8 Id. at 7.0. Instead, when a motion for summary judgment is properly made and supported as 9 required by NRCP 56, the non-moving party must, "by affidavit or otherwise, set forth specific 10 facts demonstrating the existence of a genuine factual issue." Id. (emphasis added). Factual 11 disputes that are not genuine and material to the issues cannot defeat summary judgment. Id. 12 Helmut has demonstrated that summary judgment is proper in this case on each of Mr. 13 Spencer's counterclaims and upon Helmut's affirmative defenses. Helmut's statements are 14 privileged as a matter of law, and this Court can make that determination on summary judgment. Helmut's good faith belief that he was hurt by Mr. Spencer negates any "intent" or 15 16 "malice" in this case for the purpose of Mr. Spencer's claims for defamation, malicious prosecution, intentional infliction of emotional distress, and punitive damages. There is simply 17 18 zero evidence of any conspiracy and Mr. Spencer cannot prove the underlying tort. Mr. 19 Spencer's complaints of stomach aches and sleepless nights are insufficient as a matter of law 20 to warrant damages for severe and extreme emotional distress. Despite the fact this case has 21 been pending for years, Mr. Spencer has not come forward with any evidence that would raise 22 a genuine issue of material fact for the purpose of defeating summary judgment in Helmut's 23 favor. Therefore, Helmut respectfully requests this Court grant summary judgment in his favor 24 III

On December 18, 2012, I attended a meeting of the Board of Trustees for the 7. 1 KGID with Egon and Elfie. 2 Although I attended the meeting, I did not make a statement or otherwise 8. 3 speak at the December 18, 2012 meeting before the Board of Trustees for the KGID. 4 9. Attached hereto as Exhibit 6 is a true and correct copy of the "Minutes of the 5 Regular Meeting of the Kingsbury General Improvement District Board of Trustees," dated 6 Tuesday, December 18, 2012, bates-stamped KLEMENTI-127-128, and produced by me in 7 this case. 8 At the December 18, 2012 KGID Board of Trustees meeting, Chairperson 10. 9 Norman gave instructions for the neighbors concerned about the snow berms to take 10 pictures. 11 When the December 18, 2012 KGID Board of Trustees meeting concluded, I 11. 12 went to Egon's and Elfie's home for dinner. 13 12. After dinner, I left my brother Egon's house to take pictures of the snow berms 14 in front of Egon's property and to then return to my home. 15 As I was taking pictures of the snow berms, I was knocked to the ground by Mr. 13. 16 Spencer. 17 It was my opinion and belief that Mr. Spencer punched me in my side and 14. 18 knocked me to the ground. 19 I sustained injuries as a result of this incident and Douglas County Sheriff's 15. 20 Deputies responded. 21 I reported to Deputy McKone my good faith belief that Mr. Spencer had 16. 22 assaulted me and knocked me to the ground. 23 Attached hereto as Exhibit 7 is a true and correct copy of the Douglas County 17. 24 Sheriff's Department Investigation Narrative, Case No. 12SO41608, bates-stamped D0302 and 25 produced by Counterclaimant Jeffrey Spencer in this case. 26 On or about December 26, 2012, I obtained a Temporary Restraining/ 18. 27 Protective Order against Mr. Spencer. 28

Page 5 1 Pursuant to Notice, and on the 7th day of 2 April, 2016, at the hour of 10:18 a.m. of said day, at the office of Sunshine Litigation Services, 151 Country 3 Estates Circle, Reno, Nevada, before me, KRISTINE 4 BOKELMANN, a Certified Court Reporter, personally 5 appeared DEPUTY JESSE MCKONE. 6 7 8 JESSE MCKONE, 9 called as a witness by the Counterdefendants 10 herein, being first duly sworn, was examined and testified as follows: 11 12 EXAMINATION BY MR. MOORE: 13 14 Please state your name. Q 15 А Jesse McKone. 16 Have you ever been deposed before? Q 17 MR. ROUTSIS: Excuse me. I'm sorry to 18 interrupt you, but don't we have an exclusionary rule? 19 These are going to be other witnesses. MR. MOORE: They're all parties. 20 MR. PINTAR: They're all parties. 21 22 MR. ROUTSIS: The parties need to be -- I think if we have multiple defendants, they shouldn't be 23 privy to the testimony of other people. I think that's 24 a big problem. I think they should be excluded. 25

JESSE MCKONE - 04/07/2016

Page 6 1 MR. MOORE: You can have an objection, but we 2 disagree. 3 MR. ROUTSIS: Okay. Very good. 4 THE WITNESS: Okay. 5 MR. ROUTSIS: I'm probably wrong. 6 THE WITNESS: Where were we? 7 MR. MOORE: I'm going to pause here and let's 8 go off the record. 9 (Off-the-record discussion.) BY MR. MOORE: 10 11 0 We'll go back on the record and I'll start 12 again. 13 Α Okay. 14 My question that I had asked before other Q 15 attorneys needed to make their record was have you ever been deposed before? 16 17 Α Never. 18 Q Okay. This process, I'll just explain it 19 briefly to you because it's not an every ordinary thing 20 for people other than lawyers such as us who do this. 21 What you're saying here today will be put 22 down, while it's on the record, into a deposition 23 transcript. You will have an opportunity to review that deposition transcript and make any changes and 24 25 corrections. Do you understand that now?

Page 7 1 Α Yes. 2 Q If you make any changes or corrections and 3 they're very substantive in nature, any lawyer or party 4 could comment on that at any future civil trial in this matter. You understand that? 5 6 Α I do. You, therefore, understand that it's important 7 Q 8 today that you do the best you can to answer questions 9 as accurately as you can. Do you understand that? 10 Α Yes. 11 Understanding, however, that much of what 0 12 we're going to ask about happened several years ago, 13 it's fine for you to tell us if you're unsure of 14 something or if you don't remember. Do you understand 15 that? I do. 16 А 17 Now, the oath which you have taken is the same 0 18 oath which you would take if you were actually 19 testifying in a court of law. Do you understand that? 20 А Yes. 21 And of course, you would expect to be telling Q the truth at any rate, correct? 22 23 Α Yes. All right. You're already doing a good job of 24 Q 25 waiting for me to ask my questions. Sometimes my

Page 8 questions are long-winded. 1 I ask you that you be patient so we do not speak at the same time so that the 2 court reporter is sure to pick out who is saying what, 3 4 when. You understand that's important? I do. 5 Α 6 0 Also, you're already providing verbal audible answers. People communicate nonverbally in everyday 7 8 life. We will even do that ourselves, but if you can 9 please be patient and be sure to always give a verbal audible answer in response to any question someone asks 10 so there's no confusion on the record. You understand 11 12 that's important? 13 Ά I do. If you need to take a break, you may do so. 14 Q 15 The only thing we will ask is if you can answer a question that's pending. Hopefully you do not need to 16 take a break. I'm hopeful that we don't take a big 17 chunk of time here today, but you understand you can 18 take a break. Is that correct? 19 Yes. 20 Α 21 All right. What is your occupation? Q Deputy sheriff. 22 Α 23 With what entity? 0 Douglas County Sheriff's Office, Nevada. 24 А 25 How long have you worked with the Douglas 0

Page 9 County Sheriff's Office in Nevada? 1 2 Α I am in my 25th year. 3 Q A stretch of time perhaps. When you first 4 started working at Douglas County in the sheriff's department, had you had prior experience in law 5 6 enforcement? 7 Α NO. 8 In order to work as a deputy sheriff at that 0 9 time when you first started, did you have to go to any 10 kind of training or academy before you actually started 11 full-time patrol duties? 12 Α Yes. 13 What did you do? Q 14 Α July 1992 I attended the Nevada POST Academy 15 in Carson City and graduated in late October. 16 After graduation you were assigned to regular Q duties at the Douglas County Sheriff's Department; is 17 that correct? 18 19 Α Yes. 20 And can you just tell us generally what those Q duties encompassed. 21 22 For a deputy sheriff or me specifically? Α 23 For you specifically. Q Okay. I was -- prior to the academy I was 24 Α assigned to the jail. Upon graduation from the academy, 25

1	Page 10 I returned to the jail until there was a slot opening in
2	the field training program. I was reassigned to patrol
3	a few months after the academy, spent nine years in the
4	patrol division, went from patrol division to the court
5	services and judicial protection services for it was
6	somewhere between five and six years.
7	At the end of that sixth year, I returned back
8	to the patrol division in I think it was probably 2008,
9	2009, and I believe I've had multiple assignments
10	within the patrol division during that stint from 2008,
11	2009 up until present.
12	Q When part of your assignment involved court
13	protection services, did some of that include working
14	with any of the district courts or district court
15	judges?
16	A Yes.
17	Q That's where I recognize you.
18	A Okay.
19	Q I was thinking I saw you. You've been in
20	Judge Gibbons' courtroom before?
21	A Many times.
22	Q All right. Now, as part of your professional
23	background, have you had any training that has helped
24	prepare you to investigate matters when you have been
25	called out to incidents?

Page 11 1 Α Yes. 2 Q And can you summarize that for me, what that training has consisted of. 3 4 Α I've been through three different death investigation schools. I am a coroner. I've done an 5 internship with Washoe County Medical Examiner's Office 6 7 to get a basic coroner's certification. 8 I spent an internship with the Clark County Medical Examiner's Office, and have worked hundreds of 9 death investigations over the course of my career, and 10 11 have also supervised the coroner's division. 12 0 The training that you've summarized for me here, was substantially all of that training training 13 you had the benefit of when you responded to an incident 14 15 on December 18th of 2012, which is the incident that brings us here today? 16 17 Α Yes. And throughout your years of training, you 18 0 19 have established a protocol, perhaps, for yourself that when you arrive at an incident, there are certain things 20 you try to do to find out what's going on? 21 MR. ROUTSIS: I'm going to object. That's 22 23 leading. You're telling him. 24 MR. MOORE: You can have a running objection 25 if you feel more comfortable.

Page 12 1 MR. ROUTSIS: I'm just saying that's leading. You shouldn't be telling him what he did. You should 2 ask him. 3 BY MR. MOORE: 4 5 Q Objection noted. 6 You have a protocol, don't you, that you have established for yourself so that when you go to an 7 8 incident, you are able to start trying to figure out what happened so you can do an investigation; is that 9 10 correct? 11 Α Correct. 12 Q All right. And of course, we understand the 13 reason we're here today is because of an incident that happened on December 18th, 2012, that you responded to 14 15 for the purpose so that you could investigate. You understand that? 16 17 Α Yes. 18 (Marked Defendant's Exhibit 1.) 19 BY MR. MOORE: 20 All right. Now, one thing that we have marked Q 21 for today as an exhibit is Exhibit 1, which is a 22 document that I'll show to you. I'm going to show that 23 to you and then we're going to go off the record to make 24 sure everyone has copies. So it looks like Exhibit 1 is 25 in front of you.

Page 13 Α Yes. 1 2 MR. MOORE: Okay. We're going to go off the record. 3 (Off-the-record discussion.) 4 5 BY MR. MOORE: 6 0 We'll go back on the record. 7 Prior to your coming to today's deposition, 8 did you review any documents to prepare for the 9 deposition? А 10 No. 11 0 Prior, before us going on the record, did you 12 take a look at what has been marked as Exhibit 1? 13 Α Today, yes. Good. And thanks for your specificity here. 14 0 15 When we look at Exhibit 1, can you tell us what that document is. 16 17 А That is the report that I completed from the incident in 2012. 18 19 0 All right. When we look at Exhibit 1, it does not have every single page numbered, but I'd like to see 20 if it's the complete report. When we look at Exhibit 1, 21 the first 10 pages have some numbering after the second 22 page. It says page 2 of 10. 23 Yes. 24 Α And it looks like we have 10 pages. And then 25 Q

JESSE MCKONE - 04/07/2016

Page 14 after those 10 pages there appear to be witness 1 2 statements. And once you've looked at those witness statements and the first 10 pages, do they collectively, 3 to the best of your memory, consist of the entire 4 incident report that you were involved in preparing? 5 6 Α Yes. 7 And the reason I'm asking this, I'm just Q 8 seeing if there's any document that would be missing that perhaps you could tell us about if it was missing 9 or not. 10 11 Α Not that I can recall. 12 Q Fair enough. The first 10 pages of Exhibit 1, 13 is that something that you had prepared as part of your involvement in this matter? 14 15 Α Somewhat. Page three through most of page eight, the first -- where it ends with my name there, 16 that's mine. The other pages, like page one and page --17 18 half of page eight, nine, and 10, those are all software 19 generated that are auto-populated in the report. 20 I understand, and I appreciate your 0 21 specificity. So what you pointed out is when we look at pages three up to a portion of page eight where it 22 starts with narrative, investigation narrative, that 23 would be mostly, in large part, what you had prepared --24 25 А Yes.

Page 15 1 Q -- in order to provide a narrative of what 2 happened, correct? 3 А That's actually my typewritten report, yes. You shared with us a little bit that when one 4 Q starts creating a report, you go to a computer to input 5 the information; is that correct? 6 7 Α Yes. 8 Q And are there other people who, to your knowledge and understanding, are involved in inputting 9 information in the computer data that is eventually 10 printed out to consist of this report? 11 12 Α Yes. 13 Okay. All right. You understand that you're 0 welcome to look at your report at any time if you need 14 15 to help to refresh your memory to answer any questions that may be posed to you here today. Do you understand 16 17 that? 18 Α Yes. 19 MR. ROUTSIS: And for the record, would you acknowledge when he's looking at the report, he can't 20 answer a question, so say please may I look at my report 21 so we know it's not from your personal memory and we 22 know it's coming from your refreshed recollection of 23 24 your report. THE WITNESS: You want me to state that 25

Page 16 verbally? 1 MR. ROUTSIS: 2 Yes. 3 THE WITNESS: Yeah, sure. 4 BY MR. MOORE: 5 So let's take you to the date of the incident Q that brings us all here today. I presume that you get a 6 dispatcher call of some sort in order to get you to the 7 location; is that correct? 8 9 Yes. Α 10 And if you can walk us through what happens 0 once you get the dispatch call. What happens next that 11 you're involved in? 12 Α I acknowledge that I am en route and I respond 13 to the area or the residence, whatever it happens to be. 14 15 Do you have any recollection if you had Q previously responded to that specific area for any kind 16 of disturbances or disputes, if you remember? 17 18 Α Not for disturbances or disputes. 19 Q Okay. Considering the amount of time that you were involved as being a deputy sheriff, you were 20 generally familiar with the area; is that accurate? 21 22 Α Very. All right. And we are bringing to the time 23 0 when you arrived to the area because you received a 24 report. What happens upon arrival? 25

Page 17 I turned onto Charles and could see a man 1 Α 2 laying in the snowpack-covered road. And as we look at page three of the report, 3 Q which is the narrative that you prepared, and we can 4 look through there, let's perhaps save us a little bit 5 of time. You had an opportunity to review that 6 7 narration before this deposition started this morning, correct? 8 9 Α Yes. Looking at that narration, is there anything 10 0 that you looked at that is inaccurate or you believe to 11 12 be inaccurate? А No. 13 All right. So if one were to read through the 14 0 narration, that is what you would be testifying to. If 15 we asked you to go through and tell us what happened, 16 you would just basically go through the narration; is 17 that accurate? 18 Yes. 19 Α All right. Now, obviously if you remember any 20 Q fact independently that may not be written down here, 21 you can certainly refer and share that fact. You 22 understand that? 23 24 Α Yes. All right. Looking at the narration, it 25 Q

Page 18 appears that upon seeing what had -- there was a man on 1 2 the ground, you took certain steps in order to make sure that the man would be taken care of and that he would be 3 4 kept safe. For example, you parked your vehicle so that 5 no one would run over him because he was in the middle of the road, correct? 6 7 А Yes. 8 Q All right. And then at a certain point you had to ask people questions to try and find out what was 9 10 going on, correct? Α 11 Yes. 12 0 All right. Now, there was a certain point in 13 time when you had contact with a Mr. Spencer; is that 14 correct? 15 Α Yes. 16 Q And can you please tell us what that contact consisted of in chronological order. In other words, 17 18 when's the first time you can recall having any contact 19 with Mr. Spencer when you have arrived at the scene of the incident? 20 I believe my first contact with Mr. Spencer 21 Α was at the front door of his residence. 22 23 And why is it that you were at the front door 0 of his residence? 24 25 Α I was investigating this incident and I was

[	Page 19
1	pointed in that direction by the male on the ground.
2	Q When you arrived at the incident, do you
3	recall if your lights were on, not just your vehicle
4	lights, but your emergency lights?
5	A I believe they were. I believe I turned them
6	on so that anybody coming down the street would stop.
7	Q As part of your effort to make sure that,
8	while Mr. Klementi was laying in the street, no one
9	would run him over, you wanted to alert people there was
10	some sort of unusual situation, and putting on your
11	lights would be consistent with that?
12	A That, and it gives a visual for you know, I
13	wouldn't want the firemen to round that corner either
14	and make things worse. So it's so that they can see
15	where they need to go and where they need to stop.
16	Q Okay. Now, when you went to Mr. Spencer's
17	door of his house, could you see from the door of the
18	house your vehicle with the lights on?
19	A I don't know.
20	Q Do you have a recollection around how far away
21	from your vehicle, with the lights on, the door of Mr.
22	Spencer's house was?
23	A It was elevated. The front door is on the
24	second floor, I believe, or an elevated, maybe,
25	basement, above a basement. I would say it's probably

Page 20 1 40 feet. 2 All right. Q 3 Α 60 feet maybe. When you first go to Mr. Spencer's house to 4 0 5 speak with him, were you there with the idea you wanted 6 to speak to him specifically or were you thinking I'll 7 speak to any occupant in the house? 8 Α Well, I was also advised that the 911 call came from that residence, so I didn't know exactly. I 9 10 just wanted to speak to whoever was in the residence. 11 Understood. So you go to the Spencers' Q 12 residence and you start speaking to someone, presumably. 13 Who is that person? А 14 I don't remember if it was Mr. or Mrs. 15 Spencer. 16 Fair enough. Is there a point in time when Q 17 you do recall, though, conversing or speaking with Mr. 18 Spencer? 19 Α Yes. 20 And are you able to either recall Q 21 independently, or if you need to look at your report, 22 can you tell me what the contents were of the 23 conversation you had with Mr. Spencer when you first spoke to him as you're investigating what's happening. 24 25 In detail without looking at my report, no. Α

Page 21 Basically about the incident itself. 1 2 Okay. And I appreciate that. And we can read Q 3 through the narrative report which would have been rendered. And let's just establish some basis here. 4 How long after your investigation would you have 5 prepared your narrative report? 6 7 Α I believe it was the same night. It was probably within probably three to four hours. 8 And at that point would you believe that your 9 Q 10 investigation, what people had told you, was still 11 fairly fresh in your mind? 12 Α Yes. And you would defer to what's in your report 13 0 as opposed to your independent recollection here today? 14 Is that an accurate statement? 15 Α Correct. 16 17 All right. Is there anywhere in the report Q 18 where Mr. Spencer shared with you that he had 19 surveillance cameras around his house? I don't think so. 20 Α If Mr. Spencer would have shared with you 21 Q that, hey, I have surveillance cameras that can show 22 some part of this incident, would you have noted that in 23 your report? 24 25 Yes. Α

Page 22 1 MR. ROUTSIS: Objection. Calls for 2 speculation, what he would have done if the facts were ٦ different. Move to strike. BY MR. MOORE: 4 5 0 Did Mr. Spencer ever volunteer to you that "I 6 have video of this event"? 7 Α No. As a trained investigator, would that have 8 0 been a significant fact to you as part of your 9 10 investigation? 11 Α Yes. 12 There comes a point in the investigation, 0 13 according to the narrative report, where you ask 14 questions of Mr. Spencer as to what happened, and Mr. Spencer tells you that he had, according to your report, 15 that he had yelled from his upper deck, quote: "Who are 16 you? Identify yourself." Close quote. 17 18 And then he went on to explain that, according 19 to your narrative report, Mr. Spencer said, quote: "Ι 20 ran down the street, then pushed him down. I would have tackled him, but then we both would have gotten hurt." 21 22 Close quote. 23 When I've guoted that language, is that the precise language that you recall Mr. Spencer would have 24 25 told you?

Page 23 1 Α Yes. 2 Q All right. And that's why you put it in quotes; is that correct? 3 4 Α Yes. 5 0 One of the things that Mr. Spencer told you was that he chased down the street a person who he 6 7 thought was a teenager because the person was wearing a 8 hood. That was your understanding as to what he told 9 you? 10 Α I believe he said a hoody. 11 0 Okay. 12 MR. ROUTSIS: Gentlemen, I'd like to interrupt 13 for a second. I don't know what your position is on judicial notice; however, had you gentlemen got the 14 15 trial transcripts -- I'm going to ask you take judicial notice -- that Helmut Klementi verified that Jeff 16 Spencer asked him repeatedly what you're doing by my 17 18 truck. 19 Helmut Klementi testified further -- I'm asking judicial notice for the record -- Helmut Klementi 20 then responded he did not respond to that request and 21 that was the basis --22 MR. MOORE: Counsel. 23 MR. ROUTSIS: Excuse me. I'm not done. 24 25 MR. MOORE: No, you are.

Page 24 1 MR. ROUTSIS: No, I'm not done. I'm not done. And --2 3 MR. MOORE: Counsel. 4 MR. ROUTSIS: -- I'm asking judicial notice be 5 taken because you're responsible to have the court transcripts of sworn testimony. So in that regard I 6 want the record and judicial notice to be taken that 7 that's what this record establishes, and we should be 8 taking judicial notice of sworn testimony under oath. 9 10 MR. MOORE: Counsel, I'm going to give you an opportunity here. We'll try doing this again. 11 If you 12 persist in these objections, we will stop and we'll go 13 and we'll get a remedy from the court. MR. ROUTSIS: I'd be more than happy to do 14 What I've done here -- again, I'm going to repeat 15 that. 16 myself. You should be responsible to know what the record is of the testimony under oath at trial, so when 17 you're asking questions that are misleading, I think we 18 should take judicial notice of the sworn testimony. 19 I'll submit that. I'm not being difficult. 20 This is just a simple request for judicial notice. 21 22 We'll submit it on that. MR. MOORE: The record will be clear here. 23 24 MR. ROUTSIS: And I'm more than happy to go before a judge, so please don't threaten me like that's 25

Page 25 some big event. If you want to go before Judge Kosach, 1 2 that's fine. Let's proceed. 3 MR. MOORE: Why would we go in front of Judge 4 Kosach? MR. ROUTSIS: Well, you said you were going to 5 go before the court for a remedy to these outbursts when 6 7 I'm asking you to take judicial notice. 8 MR. MOORE: Why would --9 MR. ZANIEL: He's our judge. 10 MR. MOORE: Okay. 11 MR. ROUTSIS: He's our judge. Did you know 12 that? 13 MR. MOORE: Yeah, the thing --14 MR. ROUTSIS: Did you know it? Did you know 15 he was our judge? MR. MOORE: The thing that I'm asking --16 17 MR. ROUTSIS: No, I'm asking you a question. 18 Were you aware he was our judge? 19 MR. MOORE: No. Mr. Routsis --MR. ROUTSIS: So that's why I mentioned Judge 20 Kosach. 21 MR. MOORE: Mr. Routsis, you are interposing 22 23 yourself inappropriately into this process. MR. ROUTSIS: That's your opinion. 24 Ι disagree. 25

Page 26 MR. MOORE: And --1 2 MR. ROUTSIS: I think I'm imposing myself 3 properly into the process. And I'm willing to go on. We could sit here and debate all day. Let's go on. 4 5 MR. MOORE: No, we won't debate all day, but what I'm trying to do is make the record clear that it's 6 7 your position that you can have these kinds of speaking 8 objections at any time in this deposition; is that your 9 position? 10 MR. ROUTSIS: No, no, no, no. You see, 11 counsel, why don't you let me speak for myself and you 12 speak for yourself. 13 MR. MOORE: Good idea. 14 MR. ROUTSIS: It's my position that you should 15 be aware of sworn testimony under oath, and I'm just 16 making a record that there was a trial transcript in 17 this case, and that's the only record I'm making. That 18 may be relevant or not. You may not like it or you may 19 like it. I'm just making a record. 20 MR. MOORE: Have you produced the trial transcript? 21 22 MR. ROUTSIS: They're public record. I would think if you're representing all these people, and 23 there's a lot of money at issue, I would think you would 24 take the time to go get the public record and read it. 25

Page 27 MR. MOORE: Have you taken the time to get the 1 2 public record? Do you have that in your possession? 3 MR. ROUTSIS: Absolutely -- well, I'm not 4 going to answer that question. 5 MR. MOORE: I would suspect so. Are you aware, sir, that there are rules of civil procedure --6 7 MR. ROUTSIS: Oh, I'm aware. MR. MOORE: -- that if you have a document 8 that is probative, you should have produced that prior 9 to today's proceeding? 10 11 MR. ROUTSIS: Oh, no, no, no. I think you've been fully informed, if you read the letters and the 12 13 emails, that you were informed that there was a trial transcript in this case and that it costs money to get 14 15 the trial transcript. It's a public record and you can go to the reporting company and get the record. Your 16 failure to do that is your decision. 17 MR. MOORE: So counsel --18 19 MR. ROUTSIS: But I would presume that when you're representing people for a great deal of money, 20 you'd at least be aware of the public record. 21 22 MR. MOORE: Which is exactly why you have not obtained the record, correct? 23 MR. ROUTSIS: I'm not -- no, no, no. I'm not 24 going to ever misstate a fact in this case, okay? 25

Page 28 1 MR. MOORE: Have you obtained the record? Do you have the record, yes or no? 2 3 MR. ROUTSIS: I'm not going to answer your questions. I don't have any responsibility to answer 4 5 your question. 6 MR. MOORE: Do you have any --7 MR. ROUTSIS: If you want to go before a judge and get an order to compel, great, but I'm not answering 8 your questions. The real relevant question is you 9 10 didn't get the record. 11 MR. MOORE: Do we have a discovery sanction 12 that would be appropriate here? 13 MR. ROUTSIS: Sir, why don't you file your 14 motions for sanctions. Don't threaten me. I'm not concerned about your threats. If you have a problem 15 16 with you not getting the judicial record, then file a 17 motion. Don't threaten me. I could care less what you think. 18 19 MR. MOORE: I'm finished with my questions. I'm going to reserve the ability to ask this witness 20 questions later on. 21 22 MR. ROUTSIS: Very good. EXAMINATION 23 BY MR. PINTAR: 24 25 What time did you start your shift on 12/18? Q

Page 29 That's 2:00 p.m. 1 Α 1400. 2 Okay. And what was your shift at that time? Q It's swing shift. It's 2:00 p.m. to midnight. 3 Α 4 0 Okay. And where were you stationed at the time? 5 6 Α I was -- well, we're centrally deployed from Minden, but I was assigned to beat three, which is 7 everything outside the casino core of Stateline where 8 Lake Parkway is and the golf course is there, up 9 Kingsbury and out to Round Hill. 10 11 And how were you notified of the events on 0 12 December 18th that we're here about? 13 Α I was notified from the 911 dispatcher via our radio. 14 15 Q Okay. Do you know, do you remember what was said to you? 16 17 А No, sir. We get notified in two ways. 18 Q Okay. 19 Α We get notified via the radio, and then we have an MDC that looks much like a laptop that the call 20 actually pops up on so we don't have to commit 21 everything to memory anymore. 22 23 Okay. And you indicated that when you arrived Q on the scene, you saw a person lying in the street? 24 25 Α Yes.

Page 30 1 Were you the first officer at the scene? Q 2 Α Yes. 3 Was there any other emergency personnel at the Q 4 scene? 5 Yes. Α 6 Who else was there? Q 7 My partner, Deputy Nate Almeida. Α So he arrived with you? 8 Q 9 I don't know in what proximity he was to me, Α but I know he followed me in onto Charles and he arrived 10 with -- I don't know what time he arrived, but it was 11 within a minute, I'm sure. 12 13 0 Was there an ambulance or any medical personnel on the scene? 14 15 Α No, not yet. When you saw Mr. Klementi -- it was Mr. 16 Q 17 Klementi in the street, correct? 18 Α Yes. 19 0 Helmut Klementi? Yes. 20 Α Okay. Was there anybody else around him? 21 Q I don't believe so. Maybe his wife may 22 Α have -- I wasn't sure -- I'm not sure if she was there 23 or if she came out while I was talking to him. Somebody 24 came out. 25

Page 31 1 So could you kind of take us through Q Okay. 2 step by step what your investigation was. 3 Initially my investigation, I wanted to make Α sure medical attention was the priority there and then 4 5 to establish what had occurred to get to that point. 6 0 Okay. So were you the one who called for the 7 ambulance? 8 Α Yes. Okay. And then once the ambulance was arrived 9 0 and took care of Mr. Klementi, what did you do as part 10 11 of your investigation to find out what had occurred? 12 Α I went to the Spencer home and made contact there and established the circumstance of the call. 13 14 Q So when you went to the Spencer home, you spoke with Mr. Spencer and Mrs. Spencer? 15 16 Α Yes. Anybody else? 17 Q 18 No. Α Okay. Other than the Spencers, did you speak 19 Q 20 with anybody else in investigating what happened? At the residence or just in the case in Α 21 general? 22 23 Q On that evening. Yes, I spoke to, I believe it was a neighbor, 24 Α outside. 25

JESSE MCKONE - 04/07/2016

1	Page 32 Q Do you remember the neighbor's name?
	-
2	A It was a woman neighbor. I'd have to
3	Q Feel free to look at your report.
4	A Okay. I have to refer to my report.
5	Q That's fine.
6	A All right. It was two people.
7	Q Okay. Who were they?
8	A Elfi Klementi and Janet Wells.
9	Q Anybody else?
10	A Not at that time.
11	Q So when you went to the Spencers' house, what
12	was their physical condition? I guess, first of all,
13	let's ask for Mr. Spencer.
14	A Physical condition?
15	Q Well, I mean by that I mean, had he had
16	anything to drink, was he intoxicated or anything like
17	that?
18	A No, I don't believe so.
19	Q Okay. What about Mrs. Spencer?
20	A I don't believe so. I can't completely
21	recall, but I do not recall them being intoxicated or
22	belligerent.
23	Q Did you ask them to fill out a statement?
24	A I believe so, yes.
25	Q And did they fill out a statement for you, a

Page 33 written statement? 1 2 Α I believe Mr. Spencer did. 3 Q Okay. What about Miss Wells, was she 4 intoxicated or anything like that? 5 Α I don't know. Did she fill out a written statement? 6 0 7 Α Yes. 8 Q Okay. And there at the scene? 9 Α I believe I left it with her and then returned to pick it up. So yes, at the scene. 10 11 0 Okay. When would you have returned to pick it 12 up? I don't recall. It was either after I 13 Α completed my investigation at the hospital or it was the 14 15 following day. I'm not 100 percent sure. 16 Q Okay. Did you get a statement from Helmut Klementi? 17 A written statement? 18 Α 19 0 Yes. 20 I don't know. I'd have to look at my reports Α to see if it's attached. 21 22 Please do. Q 23 Α I'm going to look at my report. MR. ROUTSIS: Certainly. 24 THE WITNESS: No, I did not. 25

Page 34 BY MR. PINTAR: 1 2 Q Attached -- just for the record, attached to your report is Exhibit No. 1. 3 There's a written 4 statement from Egon Klementi, correct? 5 А Yes. 6 0 When did you speak with Egon Klementi? 7 I believe it was after -- no, I think he came Α 8 out to the scene. My initial contact, he came out to the scene where his -- when his brother was still there 9 before the ambulance took him. 10 11 Okay. And you also have a statement here from 0 Elfi Klementi? 12 Α 13 Yes. 14 When did you speak with Mrs. Klementi? Q 15 Α There at the scene. And then there's Mr. Spencer's statement. 16 Q Ι don't see a statement from Miss Wells. Is there one? 17 18 Α No. It may have just been Egon's and Elfi 19 Klementi. Okay. Is there anything else that you did in 20 Q terms of your investigation at the scene on the evening 21 of December 18, 2012? 22 23 At the scene? Α 24 Q Yes. Other than what I -- meeting with the 25 Α

Page 35 Spencers --1 2 Q Yes. Α -- and the Klementis and Miss Wells, no. 3 4 0 Okay. And then you indicated you went to the hospital? 5 Α 6 Yes. 7 Q And what did you do at the hospital? 8 Α I got a briefing from the ER staff on Mr. 9 Klementi's injuries and then they allowed me to speak to 10 him briefly. 11 0 And what did Mr. Klementi tell you occurred? 12 MR. ROUTSIS: We're getting into hearsay, so I'm going to object to hearsay. 13 BY MR. PINTAR: 14 15 Q It's okay. We're in a civil matter. 16 Go ahead. 17 Α He told me that he had been out in the street and that Jeff Spencer had attacked him. 18 19 Okay. What were Mr. Klementi's injuries? Q 20 Α I don't recall. I'd have to speculate. 21 Okay. We don't want you to speculate. 0 22 So then after you went to the hospital, spoke to Mr. Klementi, what did you do then? 23 I believe I returned back to the area and 24 Α collected the written statements from the Klementis. 25

Page 36 1 Q And then what did you do once you obtained all 2 these written statements? 3 А I went back to the station -- I mean, I 4 finished my shift with the other calls not related to 5 this. 6 Right. Q 7 Α And then I went back to the station and wrote 8 my report. 9 Q So this report we've marked Exhibit 1? 10 Α Yes. 11 0 When was this report completed? 12 Α I believe it was -- the narrative was written on the same shift before I left for the night. 13 14 Okay. In this report it says that it is your Q 15 opinion that Jeffrey Spencer was upset with Klementi, saw Helmut taking photographs of the snow berm, and used 16 the excuse of someone breaking into his truck to 17 18 confront and to commit a battery on Helmut Klementi. 19 Α Yes. 20 Q And that conclusion was formed by you on the evening of December 18th? 21 22 Α Yes. 23 MR. ROUTSIS: I'm going to object and move to strike his opinion, which is not relevant. 24 25

Page 37 BY MR. PINTAR: 1 2 Q Have we --MR. ROUTSIS: It's a relevance objection. 3 4 BY MR. PINTAR: 5 Have we talked about all the investigation 0 that you performed in forming that opinion and 6 7 conclusion? 8 Α Yes. 9 Q Okay. At any point in time prior to forming 10 this opinion and conclusion in this report did you speak with Mary Ellen Kinion? 11 12 А I did not. 13 And based on your report, it was forwarded to Q 14 the Douglas County Sheriff's Department or the district 15 attorney for prosecution, correct? 16 Α Yes. MR. PINTAR: Thank you. That's all I have. 17 18 MR. PALMER: I just have a couple questions. 19 EXAMINATION BY MR. PALMER: 20 21 To follow up on what Mr. Pintar asked you Q regarding alcohol, I noticed in your report on page nine 22 23 and 10 -- do you want to turn to that? -- that there's -- been drinking was listed in the top 24 right-hand corner. I just wanted to clarify what that 25

Page 38 meant. 1 2 Α I don't know. That's -- those are fields that are filled in by the 911 dispatcher that are 3 4 auto-populated into these fields and --5 Q Okay. Α -- I wouldn't know where that came from. 6 7 Q Then one other question I had for you. At any time during your investigation did anyone ever state 8 9 there was video of the incident regarding Mr. Spencer and Mr. Klementi? 10 А 11 On a follow-up --12 MR. ROUTSIS: I'm going to object to the form 13 of the question. 14 MR. PALMER: You can answer. 15 MR. ROUTSIS: Excuse me. Let me complete my 16 objection. The form of the question, did anybody ever state. All he can answer is does he have a 17 recollection. He can't give a statement of fact. 18 He 19 can give his opinion that he doesn't remember anybody 20 doing it. So the form of the question is improper. BY MR. PALMER: 21 22 You can answer now. 0 23 Yes, the doctor that lives at the end of the Α street had a video surveillance from her home. 24 25 And did you ever review the tapes from that? Q

Page 39 I did, and I was unable to -- with her 1 Α 2 computer program, we were unable to download it onto a zip drive or a disk or anything and burn a copy, so I 3 just told her to just keep the video in the event that 4 the District Attorney's Office would want it. 5 6 Do you remember if that video showed the Q 7 incident between Mr. Spencer and Mr. Klementi? 8 Α I believe it showed part of the incident. 9 MR. PALMER: All right. I have no further 10 questions. 11 MR. ZANIEL: Do you want me to go with it? 12 We're going to skip, so --MR. ROUTSIS: Sure. 13 EXAMINATION 14 15 BY MR. ZANIEL: 16 All right. Officer, I'm sorry. You said what Q 17 time did you start your shift that day? 18 Α 2:00 p.m. 19 0 And what time did this incident occur or when did you get the dispatch call, approximately? 20 21 I would have to look at my report to do that. Α I believe it was reported at 2044, 8:44 p.m. 22 23 Okay. And your shift was from 12:00 to --0 No, no, from 2:00 p.m. to --24 Α Midnight? 25 Q

Page 40 1 -- midnight. Α 2 Okay. How long had -- you mentioned that Q sector that you were patrolling earlier. How long had 3 4 you been assigned to that sector, for how many years or months or --5 6 Α Oh, with the exception of the five or six years in the middle there, I've been assigned to that 7 8 area multiple times over 15 years. 9 Okay. So you were familiar with that area? Q 10 Α Yes. 11 Prior to the date of this incident, had you 0 12 ever responded to that area for any type of 911 calls 13 either on Charles Street or on the surrounding streets? 14 А Yes. 15 How many times had you responded to calls in Q that area prior to the date of this incident, 16 approximately? 17 I don't know. I can only remember one 18 Α 19 specific incident that I went to that general area for. 20 Q Okay. And what was that incident regarding? It was a bicycle accident, but I just remember 21 А it because it was really bad. 22 23 Okay. Q Yeah. 24 Α So that didn't involve any of the folks that 25 Q

Page 41 we've talked about in this case? 1 2 No, no, it did not. А 3 Q Prior to this incident, have you ever 4 responded to any calls in that area that directly 5 involved the folks that we're talking about in this incident? 6 7 Ά Never. 8 Q Prior to this incident, were you aware if 9 there were any type of break-ins or vehicle threats or 10 burglaries that were being reported within, say, a mile of the Charles Street residence? 11 Well, within a mile as the crow flies, 12 Α 13 probably so. 14 I guess, in other words -- and I'm not a Q 15 police officer, but I watch TV shows, so in briefings 16 like -- and is that how Douglas County works? Like when 17 you go to your shift, does your sergeant have a briefing and you kind of get a 15-minute little surmise, hey, 18 19 we've had some break-ins in this area so I want a little 20 extra patrol once in a while, those types of things? Does that happen in your job? 21 Every day. 22 Α 23 So those TV shows are accurate. All right. 0 All right. So the question is, I guess, had 24 25 you had briefings from your sergeant in the, say, six

Page 42 1 months or year -- I mean, that may be too long -- six months before this incident that there have been some 2 burglaries and break-ins in this area? 3 Α Yes. 4 5 Q Had you stepped up patrol in the area to any extent? In other words, I'm not sure if -- because 6 7 that's a pretty secluded area back there where this case happened, where this incident happened. 8 9 Α Yes. 10 Does your patrol normally take you through 0 those secluded type streets if you're just kind of 11 looking around and patrolling the area? 12 13 Α At times. It depends. Really depends on the I know that sounds strange, but that area up 14 season. 15 there has two seasons that are notorious for break-ins and burglaries, and that's the hot areas up there in the 16 17 summer and when the skiing is really well. Okay. And what was the date of this incident? 18 Q December 18th. 19 Α 20 So would that fit into when the skiing is well Q 21 season? 22 Α Under -- it depends. I mean, that year --23 On that year. Q 24 On that year, maybe not. I don't know, Α 25 because --

1	Page 43 Q All right. So do you have a recollection of
2	actually patrolling some of these areas within a mile of
3	this location because of the fact that there had been
4	reports of break-ins within the six months before this
5	incident?
6	A In the commercial areas, yes.
7	Q Okay. When you got the 911 call I don't
8	think we've got the logs. Does Douglas County keep a
9	separate log of emergency calls that come in? In other
10	words, if I subpoenaed Douglas County records, would
11	they have a log, call log on this particular case where
12	it says received 911 call, and then you come in and you
13	get on your radio and say I'm responding, and then your
14	partner, he would have done the same thing? Is there a
15	log of those?
16	A An audio log?
17	Q A dispatch log.
18	A I don't know. I believe there is, but I don't
19	know what the length of history they keep on those audio
20	logs.
21	Q Okay. When you got the call in this case, you
22	said you got it two ways, one on your radio and one on
23	your computer.
24	A Yes.
25	Q How did the 911 call come in? Was it a call

Page 44 of an injured person in the street, man down, burglary, 1 2 break-in? How did the 911 call come in? 3 On the audio, the radio or --Α 4 0 Through to you. Have you heard any 911 calls in this case before? 5 6 Α I don't believe I have. 7 Q Okay. So then you can only testify I guess 8 what you heard. So when you were contacted by dispatch, 9 how did the call come in to you? 10 Α I believe the call came in that they received 11 a 911 call that a burglary had occurred and either the 12 suspect or somebody involved was down. 13 Q Okay. And when you responded -- I know you 14 talked about your emergency lights. When you responded, 15 did you respond -- again, this is a police call, like 16 code three with your lights and siren or did you just respond in a normal expedited fashion? 17 18 Which is what we call code two. Ά 19 Q Okay. 20 Α Is expedited. You hurry and you just don't 21 use your lights and sirens. And especially, you know, if there's no traffic, you just turn your lights on and 22 you stay -- you don't drive like a mad man and you just 23 arrive on scene. 24 25 Okay. All right. So now you arrive on scene, Q

Page 45 and which direction on Charles do you come from? 1 How do 2 you --3 I came -- I went Kingsbury past I believe Α 4 Meadow or Chimney Rock, one of the two up there, and turned left onto Juniper and came and turned left onto 5 Charles west. 6 7 Okay. Q 8 Α Came from above. 9 Okay. And then when you parked your patrol Q 10 car, it was generally in the middle of the street with your headlights focused on a person that was on the 11 snow-covered road? 12 13 Α Yes. 14 Okay. And how far away was your vehicle from Q 15 the person on the snow-covered road, approximately? I would say probably 40 to 60 feet maybe. 16 А Okay. And then you're on the -- do you tell 17 Q 18 dispatch that you've arrived at the scene now? 19 Α Yes. Okay. You get out of your vehicle, and then 20 Q do you go to the person that's on the ground? Is that 21 your initial contact with anybody at the scene? 22 23 Α Somewhat. Not directly. I mean, directly to them, but in a safe manner as -- with that type of 911 24 call, you know, I don't know if he's shot or if there's 25

Page 46 somebody waiting. So you make an approach. 1 You don't 2 just get on the front of your headlights. You come down the street and figure out what's going on, if that 3 4 person's deceased or if --5 Q I believe you said that your partner, Almeida, 6 was there. 7 Yes. Α Where was his patrol car parked? 8 Q 9 He was behind me. So he followed my same А route. And I don't know if he was directly behind me 10 coming in or if he just came the same way I came. 11 12 Q Okay. So when you get out then, the only person that you see is the one on the ground? 13 14 Α Yes. 15 There was nobody standing around? Q I don't believe so. 16 Δ 17 Okay. So that's why you used a little caution 0 18 because you didn't know if somebody was lurking out in 19 the dark or anything? 20 А Right. All right. So caution, you used caution. You 21 Q approached the man down. You get to the man down, and 22 23 tell me what you see at that point. I see -- I don't know who it is at first, but Α 24 I see an elderly man laying supine in the street. 25

Page 47 1 Face up, face down? Q 2 Α Face up. 3 Okay. And conscious? Q 4 Α Yes. 5 And did you have a conversation with that 0 person at that time? 6 7 Α I believe I did. 8 Q And was the conversation regarding whether he was injured or hurt, or do you remember the details of 9 10 that conversation? Yeah, I don't remember the details. It was 11 А 12 like any other call in that situation, just to establish 13 that they're conscious and breathing, and because you want to -- then you relay the information to the 14 incoming medics so they have a brief idea about what 15 16 they need to do. 17 Q Was he trying to get up at this point? 18 Α Yes. 19 When you initially made contact he was making Q 20 an effort for himself to get up? Yes, he was trying to get up. 21 А 22 And what did you do with regard to that? Q I told him that the medics were minutes out 23 Α 24 and that he needed to just lay where he was, you know, with the unknown injuries. 25

JESSE MCKONE - 04/07/2016

Page 48 1 Now, at that point did you ask him Q Okay. basically what happened? 2 3 I believe so, yes. A 4 0 And what was his response? 5 Α He told me that Jeff had knocked him down. Okay. Was there any other further detail 6 0 7 other than that, for instance, what was he doing out at that time or why was he out on the roadway at that time? 8 I don't know. I don't recall of getting into 9 Α 10 the details of why it happened at that point. 11 Okay. What clothes do you recall Mr. Klementi Q 12 wearing when he was down on the ground in the middle of 13 the road? I believe he had on a pair of slacks and 14 Α either black or brown leather jacket, a wind breaker 15 type, and a pair of like loafer type shoes, and I think 16 17 he had a sweater on underneath the jacket. Okay. Did he have anything in his hands? 18 Q Yes, he had a camera. 19 Α 20 Okay. And that camera that he had in his Q hands, was he still holding on to it? 21 I believe he was, yes. 22 Α 23 0 Did you take possession of that camera on the evening of this incident? 24 I don't believe I did. 25 Α

JESSE MCKONE - 04/07/2016

Page 49 1 Did you ever take possession of that camera? Q 2 Α I don't recall seeing the camera ever again after that. 3 4 0 At some point in your investigation was it --5 did you find out or did Mr. Klementi tell you that he was out taking pictures that night? 6 Yes. 7 Α 8 Q At that point did you go back and ask to see 9 the camera to see if in fact what pictures were on the 10 camera? I don't recall. 11 Α 12 0 As we sit here today, you don't ever recall seeing any photographs on the camera? 13 On the camera, I do not. 14 Α 15 Not on -- did you ever see -- as we sit here Q 16 today, do you have a recollection of looking at the photos that were on Mr. Klementi's camera that he had on 17 him at the night of the incident? 18 19 Ά I don't know for sure. I saw some photos during the criminal case, but I'm not -- I couldn't even 20 tell you what they were at this point. 21 Okay. All right. So the call initially came 22 Q in as a burglary call you said. 23 24 Α Yes. 25 You see a man down as you are approaching. Q

Page 50 Tell me about crime scene preservation. 1 I assume for 2 the 911 call, as you approached, you saw a man down. It came in as a burglary call. Your initial thought that a 3 crime may have been committed? 4 5 А Yes. 6 0 Tell me about crime scene preservation. Is that something you learn at the POST Academy? 7 8 Α Multiple places, yes. 9 What did you do in this particular case in Q 10 terms of crime scene preservation? 11 Nothing other than parked my vehicle away from Α 12 the area and just observed at that point. 13 All right. So do you stay with Mr. Klementi Q on the ground until the medics arrive? 14 15 Α I believe, yes. I believe as they arrived, Deputy Almeida was there with me, and as the medics 16 approached Mr. Klementi, I gave them just a little brief 17 18 of what was here and then I went to the Spencers' house. 19 Q Okay. And when you went to the Spencers' house, had anybody else come to the scene other than 20 your partner was there and the medic's there now? Was 21 22 there any other folks that had gathered around the scene 23 at all? Miss Wells and Miss Klementi. 24 Α Okay. How about Mr. Klementi's brother, Egon, 25 Q

Page 51 had he --1 2 Α Oh, yes, and Mr. Klementi, Egon. 3 So there was three people there now present? Q 4 А Yes. 5 Did any of those three people tell you that Q 6 they actually witnessed what had happened on that 7 evening? А 8 I believe Miss Wells told me she may have saw something leading up to the incident. 9 10 Did you find that out before you talked to Mr. 0 11 Spencer or after? 12 Α I don't know. 13 Can you tell us what Miss Wells told you in Q terms of what she observed on that evening? 14 15 Α I'd have to refer to my report. Go ahead, sir. 16 Q Thank you. 17 Α 18 0 Have you located the section there? 19 Α Yes, sir. What page are you on? 20 Q 21 Page six of 10, second paragraph. It was the Α 22 following day. Okay. So there was follow-up to the 23 Q investigation the following day by you then? 24 Yes, sir. 25 А

Page 52 Okay. 1 Q And that's when you made contact with Janet Wells? 2 3 Α Yes. 4 And did Janet Wells tell you that she observed Q 5 things on the evening of the incident? 6 Α Prior incidents. 7 Q Okay. So not on that evening but on prior incidents? 8 9 Α Yes. 10 Okay. And what did she tell you she observed Q 11 on prior incidents? 12 А May I read from my report? 13 Of course. 0 14 Α A specific incident where Jeffrey came out of 15 his house and was yelling at Egon Klementi as Egon was walking his dog on Charles Avenue. Janet said Jeffrey 16 was hostile and she went to the street and stood between 17 18 Egon and Jeffrey because she was afraid Jeffrey might 19 hit Egon. 20 Okay. So that was the day after this Q incident? 21 Yes, sir. 22 Α Okay. The evening of the incident you had 23 0 arrested Mr. Spencer, though, correct? 24 25 Α Yes.

Page 53 1 So then going back to the incident Q Okay. 2 again, Miss Wells was not present at the scene and did not witness anything? 3 4 Α No. 5 0 So the only people present at some point after you arrived would have been Mrs. Klementi and the 6 7 brother, Egon Klementi? 8 Α No, I believe Miss Wells was out there. Not 9 during the incident, but at some point I believe she was there, and that's why I went back the next day, so I 10 11 could spend more time with her. 12 0 But it was confirmed the next day that she 13 didn't see anything on the evening of the incident, only 14 relating to you things that had happened prior? 15 Α Yes, sir. 16 Q Okay. All right. So now you make contact 17 with Mr. Spencer. When you approached the Spencer residence, what vehicles were present at the Spencer 18 19 residence? 20 Α I know a yellow truck for sure. Where was the yellow truck? 21 0 Parked in the driveway. 22 Α Okay. It's pretty dark out there at this 23 0 24 time? Yes. 25 Α

Page 54 1 Did you have -- you know on the police cars Q 2 you have your floodlight issue? 3 А The spotlight. 4 Q Spotlight. 5 Α Yes. Did you have that pointed in any direction? 6 0 I believe I had it pointed on Mr. Klementi so 7 Α 8 he was lit up when -- so nobody would run him over. 9 0 Okay. So now through the 911 call you had 10 knowledge that there would -- it had been reported as a 11 burglary. Did you use your flashlight when approaching 12 the Spencer household at all? 13 А Yes. 14 And did you see -- I guess foundationally, was Q 15 there snow on the ground on that day? 16 Α Yes. 17 As you approached the area of the Spencer 0 household, did you see any footprints in the ground? 18 19 Α I don't recall. 20 Q Okay. You knock on the door. The first 21 contact that was made with the Spencers, who was 22 present? You were present, Mrs. Spencer was present, and Mr. Spencer was present? 23 24 Α And Deputy Almeida. 25 So there's four of you? 0

Page 55 1 Yes. Α 2 Q Okay. And then were you invited into the residence? 3 4 Α Yes. 5 Q And inside the residence, did the four of you stay together in one area? 6 7 Α I believe we all stayed in the great room, the 8 living room/entranceway area. 9 Q Okay. And did you specifically ask Mr. 10 Spencer what happened? 11 А Yes. 12 Q Did you also ask Mrs. Spencer what happened? 13 I believe so. Α 14 Did you separate the two of them? In other Q 15 words, did Officer Almeida take Mrs. Spencer in one area and you take Mr. Spencer in another area to get their 16 versions of what happened? 17 18 Α No. 19 Q Typically is that done? In a domestic violence situation, yes, but to 20 Α separate the parties out. 21 22 Okay. All right. But in this case that Q 23 wasn't done? No, sir. 24 Α All right. Then can you just kind of run 25 Q

Page 56 generally through when you asked Mr. Spencer what 1 happened, what was the response? 2 3 Α What did he tell me? 4 0 Yes. 5 Α He told me that he saw a man in his driveway and he had been -- he went out to identify -- ask for 6 the guy to identify himself, and he thought he was 7 8 breaking into his truck. 9 Q Okay. Did Mr. Spencer ever tell you on that 10 evening that he heard somebody out in his driveway before he even left his residence? 11 12 Α Yes. 13 Did you ever ask Mr. Klementi if he heard --Q 14 and this is Helmut -- if he heard anybody, Mr. Spencer 15 or anybody, calling out and saying, hey, identify yourself? 16 17 Α No. 18 Q You didn't ask that question? 19 Α I don't recall asking that question. That would be important, though, no? 20 Q That's Mr. Spencer's version of the story. 21 Well, after -- yeah, after I had already 22 Α spoken to him it would be, yes. I wouldn't know to ask 23 him that question prior to speaking to Mr. Spencer. 24 I understand. 25 Q

	Page 57
1	A And now he's at the hospital.
2	Q You went to the hospital?
3	A Yes.
4	Q Did you ask him at the hospital?
5	A I don't think I did.
6	Q Okay. All right. So Mr. Spencer tells you
7	that he is what is he doing when he initially hears
8	somebody in his driveway? Do you know?
9	A I don't know.
10	Q Okay. So he hears somebody in his driveway.
11	He asks to be identified. Did Mr. Spencer tell you at
12	that time that nobody responded to his that when Mr.
13	Spencer asked somebody he heard somebody in the
14	driveway, Mr. Spencer asked that person to identify
15	themselves, did Mr. Spencer tell you that that person
16	did not identify themselves?
17	A Yes, I believe he said they did not identify
18	themselves.
19	Q And what did Mr. Spencer tell you he did with
20	that information now?
21	A I would have to refer back to my report.
22	Q You can.
23	A Thank you. Ask me the question again.
24	Q The question was after Mr. Spencer, did Mr.
25	Spencer or what did Mr. Spencer do after he called

Page 58 out, asked the person to identify themselves and that 1 2 person didn't identify themselves, what did Mr. Spencer do next? What did he tell you that he did next? 3 4 Α He said he went -- he ran down the street. 5 Q Okay. Is there anything in the report about 6 the 911 call? 7 Yeah, I believe there is. А Is it in there that Mr. Spencer asked Mrs. 8 Q Spencer to call 911 as he was leaving the residence? 9 10 Α I'd have to read through this again. Sorry to --11 0 12 Α No, that's okay. 13 Q I probably should have gave you that before today. 14 15 Α Yeah, it doesn't state that. Do you have a recollection of that issue, that 16 Q Mrs. -- when the 911 call was placed relative to these 17 18 events? 19 А No, I -- all I know is what the dispatcher told me, there was somebody already down in the street. 20 So I would have to speculate that it was after the 21 incident. 22 23 Okay. But you don't know? 0 No, I do not. 24 А As we sit here today, do you have any factual 25 Q

Page 59 information that Mr. Spencer didn't have a good faith 1 belief that somebody was trying to break into his 2 vehicle when he left his residence? 3 4 Α Do I have --5 0 Do you have any factual information, any evidence that you determined in the course of your 6 7 investigation that Mr. Spencer did not have a good faith belief that somebody was trying to break into his 8 vehicle when he left the front door of his residence? 9 10 MR. MOORE: Other than the lack of footprints. BY MR. ZANIEL: 11 12 0 Well, I guess we didn't really -- did you see 13 any footprints on the ground? 14 Α Mine and Deputy Almeida's. Okay. Did Mrs. Spencer ever point out a 15 Q 16 different footprint? I believe she pointed out footprints that I 17 Α compared to document Almeida's boots, because they're a 18 lot smaller than mine, and they seemed to match. 19 20 Q Did you take any photographs of the footprints? 21 I don't believe so. 22 Α 23 That would have been important? 0 If they would turn out. I mean, taking 24 Α picture of snow with a flash. 25

1	Page 60 Q When you were at the scene talking to the
2	Spencers, you learned that Mr. Spencer's version of the
3	incident was that he believed somebody was in his
4	driveway at or close to his vehicle?
5	A Yes.
6	Q And there were footprints in that area?
7	A No. Where he said he saw the subject?
8	Q Yes.
9	A No.
10	Q There were no footprints at all?
11	A No.
12	Q Did you photograph the lack of footprints?
13	A No.
14	Q Okay. All right. So was there any evidence
15	that you saw that Mr. Klementi was on the Spencer
16	property that evening?
17	A That Mr. Klementi was on the Spencer property
18	at that evening?
19	Q On that evening.
20	A No.
21	Q Did you ask Mr. Klementi if he was on the
22	Spencer property that evening?
23	A I believe I did.
24	Q And what did he say?
25	A He said no.
L	

	Page 61
1	Q Okay. So I guess when did we talked about
2	Mrs. Spencer pointing a footprint out or something to
3	the effect. When did that take place? And let's go
4	back, I guess.
5	The four of you were inside the residence.
6	You asked Mr. Spencer what happened. Did you ever ask
7	Mrs. Spencer what she recalls about this incident or any
8	details about the incident?
9	A I believe Deputy Almeida was speaking with
10	her. I'm not 100 percent sure though.
11	Q Okay. I didn't I didn't see a statement
12	from Mrs. Spencer in the report.
13	A Mrs. Spencer?
14	Q Yes. Is there a statement from Mrs. Spencer?
15	A No, there's not.
16	Q Did she offer to provide a statement?
17	A I don't recall.
18	Q Okay. All right. So how long does that
19	conversation last in the living room of the Spencer
20	house?
21	A Five to seven minutes at most.
22	Q Okay. And then from that point do you and
23	Deputy Almeida leave the Spencer residence?
24	A Yes.
25	Q Was Mr. Spencer under arrest at this point?

Page 62 1 Α Yes. 2 Q Okay. So during the five to seven minutes in the residence of the Spencer house, somebody, either you 3 4 or Deputy Almeida, made the decision to arrest Mr. Spencer? 5 6 Α It's my case. I made the decision. 7 What did you base your decision on? Q 8 Α The inconsistencies with what I had seen on 9 scene and Mr. Spencer's rendition. 10 Okay. And I guess just to try to get a little Q more detail, had you looked at that point -- when you 11 12 arrested him, had you looked in the area around the truck for any footprints? 13 14 А Yes. 15 Okay. So when did you do that? Q When? 16 Α 17 0 When. 18 Α I believe after we spoke in the house, we went 19 outside to look to see -- because he told me somebody was at his truck, to look for the footprints. And then 20 I think we went -- I'm not sure if we went back in the 21 house and I placed him under arrest at that point or I 22 23 placed him under arrest outside. I'm not 100 percent 24 sure. Okay. What was the weather that night? 25 Q

Page 63 It was cold. 1 Α 2 Q What about precipitation? 3 It wasn't snowing. It was --А 4 0 There was snow on the ground? 5 Α Yes. 6 0 But there was no snow -- it was not snowing 7 during the time you were present on scene? 8 Α If it was, it was a really light snow or no 9 snow. 10 All right. So you place Mr. Spencer under Q 11 arrest at that time. 12 Α Yes. 13 Did he have any marks on him? Q 14 Α Yes. Tell me about those. 15 Q I'm not sure which arm it was, but he had a Α 16 scratch on one of his forearms. 17 18 Q Okay. And did you ask him how he got that 19 scratch? Yes. 20 Α And what was his response? 21 Q He said the guy's fingernail or hand -- I 22 Α think he said fingernail scratched him. 23 Did you have any conversations with Egon 24 Q Klementi on that evening? 25

1	A	Page 64 I don't think so.
2	Q	Did you have any conversations with Egon
3	Klementi	in follow-up well, before I even ask that,
4	so on tha	t evening you place Mr. Spencer under arrest,
5	you place	him in your patrol car, and you drove him to
6	the jail?	
7	A	Yes.
8	Q	Was there a follow-up interview at the jail?
9	A	I believe so, yes.
10	Q	Okay. And is that taped?
11	А	No, it is not.
12	Q	Is there audio?
13	A	There is not.
14	Q	Is there a video?
15	A	No.
16	Q	Is that standard procedure for an
17	interroga	tion room?
18	А	It wasn't in the interrogation room.
19	Q	Where was it at?
20	А	It was in the booking center.
21	Q	Okay. Tell me about that conversation.
22	A	I'd have to refer back to my report.
23	Q	Go ahead.
24	A	Thank you.
25		MR. PINTAR: How you doing, Officer? You need

Page 65 a break? 1 2 THE WITNESS: I've just got to take one minute to answer my phone real quick, if you guys are --3 4 MR. ZANIEL: If you need to take a phone call, you should have let me know. I would have stopped. 5 6 THE WITNESS: No, it's cool. 7 (Recess 11:34 - 11:45 a.m.) BY MR. ZANIEL: 8 9 All right. So we left off at the conversation Q at the jail. You've had a chance to refresh your 10 11 recollection? 12 A Yes, I've looked at my report. 13 And what can you tell us about that? Q At the jail I advised Mr. Spencer of his 14 Α 15 Miranda rights and asked if he wanted to provide a written statement. 16 17 Okay. You didn't do that at the home, the Q Miranda rights? 18 19 Α NO. Okay. I don't want to repeat myself. 20 Q Did Egon Klementi ever have a conversation with you at some 21 point after this issue? 22 Yes, I think so. 23 Α Did he ever say that he saw this occur? 24 Q No, I don't believe he did. 25 Α

 $\bigcirc$ 

1	Page 66 Q Okay. Let's talk about the camera. You said
2	that Dr. Shaw had a camera that you actually went in and
3	seen but couldn't duplicate the images, but told her to
4	keep it for the DA?
5	A Yes.
6	Q So you saw what's on that video?
7	A Yes.
8	Q What did you see?
9	A On the video it's lit right to the edge of the
10	Spencers' house and then it goes like almost pitch
11	black, and in the video I could see Mr. Spencer come out
12	of his house and go into the street, into the black.
13	Q Okay.
14	A And that was about all you can see.
15	Q Okay. So you saw that. You didn't see the
16	incident then on that video?
17	A No, sir.
18	Q How long a footage was it prior to Mr. Spencer
19	coming out of the house, that you observed? In other
20	words, did you go back five minutes before that or 10
21	minutes before that?
22	A I don't know.
23	Q Was there any effort to do that, that you
24	recall, go back five minutes to see if you could see
25	anything on the video in the five minutes before Mr.

Page 67 Spencer comes out? 1 2 Dr. Shaw was running the playback. А Right. 3 Q 4 Α And she was -- I mean, we had gone back like hours, and then we were fast-forwarding up to where it 5 was. So I did see five, 10, 20 minutes before, but it 6 was all in, like, fast-forward framing to get to where 7 8 we could see anything that had occurred. 9 Did you see anything -- as you were Q fast-forwarding, did you see anything at all, anybody, 10 any person, any light, any camera flash, anything? 11 I do believe there is -- in the dark there is 12 Α some camera flashes. 13 Was that before Mr. Spencer was on the video 14 Q 15 exiting his house or after? I believe it's before he exited the house. А 16 17 And do you know where those camera flashes 0 18 were directed, came from? Were they from --19 Α Just the street general, the darkness and the 20 camera, the general street area. And was it on the Spencer side of the street 21 Q or on the Klementi side of the street? 22 No idea. 23 Α Okay. How soon after those flashes was it 24 Q that Mr. Spencer exited his house? 25

	Page 68
1	A I don't know.
2	Q Okay. So the video shows Mr. Spencer exiting
3	his house and getting into the street, and then that's
4	it, you don't see anything else?
5	A No, then I don't know what time lapsed, but it
6	shows him going back towards the house.
7	Q Okay. How long was it, the best you can
8	recall? Because that's not reflected in any of your
9	report, correct?
10	A No, this is weeks later when I met with her.
11	Q Was there a supplemental report ever done?
12	A I don't recall.
13	Q Okay. Well
14	A I believe there is, but I can check and see if
15	there's one in here.
16	Q Yeah, could you see, because I guess the
17	question is are we missing some information. I mean,
18	you did some follow-up investigation. You went back the
19	next day and talked to the Wells. You went and talked
20	to the Shaws you just said. Is there another report
21	that's out there?
22	A I don't think so.
23	Q Is there a reason you didn't write another
24	report after obtaining all this information?
25	A I'm not 100 percent sure I didn't. I just

Page 69 can't tell you for sure I did. 1 2 If you did, where -- would it be in the 0 Okay. 3 records department at Douglas County Sheriff's Office? Yeah, it would be -- I'm assuming I didn't 4 Α because it would be under the same case number and it 5 would just be supplemental, two or three or whatever it 6 7 happened to be. 8 All right. So let's go back to that video Q 9 again. So the video shows flashes from the street in general. Can't tell which side. How many flashes were 10 11 there, if you remember? (Shakes head no.) 12 А 13 0 Then it shows Mr. Spencer running out at an unknown time after the flashes, and then it shows Mr. 14 Spencer -- well, I said running out. I need to ask you. 15 When you saw the footage of Mr. Spencer going out, tell 16 me about that. Was he running, walking, walking 17 quickly? 18 From my recollection, I believe it was just a 19 Α 20 quick walk. 21 0 Okay. And then there's the video that shows 22 him going back into the house? Yes. 23 А And can we estimate how much time it was 24 0 between those two events? 25

C

1	Page 70 A Under a minute.
2	Q Okay. As we sit here today, do you know if
3	the Shaw that video was ever preserved?
4	A I believe after trying to get it to download
5	and being unsuccessful, and I didn't want to take
6	Dr. Shaw's computer and book that into evidence, I
7	called the Deputy DA involved in the case and told her
8	what we had on scene there, and I believe she advised me
9	just to tell them to hold on to it and if she wanted it,
10	she would send one of her investigators to go get it.
11	Q Let's go through the other follow-up
12	investigation, since we don't think there may be
13	another report, but we're not sure.
14	So what I know of is you went back, you talked
15	to the Wells the next day, you talked to the Shaws,
16	Dr. Shaw, with the video as part of a follow-up
17	investigation. What else did you do in terms of
18	follow-up investigation?
19	A I believe that's it.
20	Q Going back to the footprints again, you said
21	that you saw Mr. Spencer walking quickly out of his
22	house. Did you see footprints that belonged to Mr.
23	Spencer?
24	A I don't recall.
25	Q In your patrol car, do you have a camera?

Page 71 1 Α No. 2 Does any Douglas County Sheriff's Office have Q a camera as part of their normal patrol vehicle 3 equipment? 4 5 One. It's a specialized DUI vehicle. Α Okay. And was that -- which officer was that 6 Q 7 designated officer that night? 8 Α It's not a designated officer. It's used on 9 like DUI task force and it's a car that isn't assigned 10 to anybody specifically and it's not always in use. Is that like a dash cam that you're using for 11 Q 12 field sobriety testing imaging? 13 Α Yes. Okay. I'm just talking about like a regular 14 0 Polaroid or a digital camera. 15 16 Α Oh, okay. I'm sorry. We all have cameras, 17 yes. Okay. So you had a digital camera in your 18 Q vehicle that day? 19 20 А Yes. Did you take any photographs of anything on 21 Q the night in question? 22 23 Α Yes. 24 Q What did you take photographs of? I took a photograph of Mr. Klementi in the 25 Α

Page 72 hospital, and I believe I took a photograph of his 1 shoes, the bottoms, the soles. 2 3 At the hospital? Q 4 Α Yes. 5 Did you take any photographs of the scene --0 well, I guess we should foundationally. Where was Mr. 6 7 Klementi lying, supine you mentioned, relative to the 8 Spencer driveway? Was it farther west? 9 А Yes, it was west of the driveway. 10 0 Could you estimate the amount of distance between them? 11 12 Α No. It was somewhere between west of the driveway and Charles, where Charles intersects down 13 there, so I couldn't tell you. 14 So if we took the edge of the Spencer driveway 15 Q and that intersection at the end of the street there, 16 was it the halfway point, was it closer to the Spencers' 17 or closer to the other intersection? 18 I would say it was probably closer to the 19 Α 20 Spencers' than the other intersection. Okay. So did you take any photographs of the 21 Q area where Mr. Klementi was on the ground the evening of 22 the incident? 23 24 А No. Did you take any photographs of the area 25 Q

Page 73 between the edge of the Spencer driveway and where Mr. 1 2 Klementi was laying on the ground? 3 А The edge of the driveway and where he was laying? 4 5 Right. Q 6 Α No. 7 That would have been indicative of footprints 0 8 leading up to the event, right? 9 Α If there were footprints there, yes. 10 0 Did you see any footprints on the ground 11 there? 12 Α No, the only thing I saw on the ground there 13 were vehicle tracks. 14 Q Okay. So there were no footprints from the 15 Spencer driveway to where Mr. Klementi was lying on the 16 ground? 17 Not in that area. On the opposite side, the Α east side of the driveway, I mean, there could have 18 19 been. There was vehicular tracks in the snow there and there was -- where Deputy Almeida had walked up there 20 was his footprints. 21 22 Okay. But specifically -- well, strike that. Q 23 Did you conclude that Mr. Klementi was walking prior to the time of the incident? Was he in motion at 24 25 the time of this incident?

Page 74 1 Α I don't know. I don't know if he was standing or walking. 2 3 0 Okay. He said he was out taking pictures that 4 night. 5 Α Yes. Did he ever tell you how far he came -- how 6 0 7 close he came to the Spencer residence that night? 8 Α How close he came -- no, he just said he 9 wasn't on their property. 10 Were there any footprints from the Spencer Q 11 driveway up until where the Klementi body was laying in 12 the street, that you observed? 13 А In the street? In the street. 14 0 It was all hard-packed snow there. 15 Α Okay. Just about done. 16 0 17 MR. PINTAR: Would you mark those next. MR. ZANIEL: Hang on one second. 18 (Marked Defendant's Exhibits 2 through 6.) 19 20 MR. ZANIEL: Nick, you produced these? 21 MR. PALMER: I believe so. I think that's our Bate stamp at the bottom. 22 23 MR. ZANIEL: Yeah. 24 BY MR. ZANIEL: 25 Okay. So you've looked at Exhibits 2 through Q

Page 75 6, Officer? 1 2 А Yes. Having looked through these, did you take 3 0 4 these photographs? 5 А I did not take those. 6 Q Have you seen these photographs before today? 7 А I believe I saw them at trial. 8 Okay. Exhibit No. 2 actually shows what I Q 9 assume is Mr. Klementi on the ground. Do you know if 10 this was taken on the evening of the accident? 11 Α I don't know. 12 Q Okay. I mean, it's conducive to how I found him, 13 Α 14 SO --I would assume there would have been 15 Okay. 0 16 more lighting, though, had this been on the evening of 17 the accident, including your police lights, spotlights, paramedic flashlights, I mean --18 19 Well, unless it's before I got there. Α 20 Q Okay. So you didn't take these and you're not sure when they were taken? 21 No, because if it was when I was on scene, my 22 Α patrol car would be sitting right there somewhere. 23 24 0 Okay. So we can say that they weren't taken when your patrol car was there? 25

Page 76 1 You can say that, yes. Α 2 Q All right. Sorry. MR. PINTAR: That's all right. Thank you. 3 4 BY MR. ZANIEL: 5 At some point during the course of the Q investigation were you ever made aware of any complaints 6 between the residents of this area that had taken place 7 before this evening? 8 9 Α Before I got there you mean? 10 0 No, during the course your investigation. Oh, yes. 11 А 12 Q Did you become aware that the Klementis and 13 the Spencers had complaints prior to this incident? Yes, yes, I learned at some point that there 14 А 15 was issues in the neighborhood. 16 And can you tell us how you learned that and Q 17 when you learned that and what you learned. That's a 18 compound question, so --19 Α Okay. Obviously, after this incident I learned it, so I don't know exactly when and what time, 20 but I know I started getting information about ongoing 21 22 issues I believe it was the following day from Miss Wells. 23 And then the Klementis had given me 24 information that there was ongoing neighborhood 25

Page 77 disputes. And I believe I looked in our local database 1 2 and saw that there had been some harassment reports prior, I don't know if it was months, years prior, but 3 involving the same neighborhood and the same people. 4 5 And then Dr. Shaw also advised me that -- of the ongoing disputes. 6 7 Q Generally, could you tell us what the disputes 8 were about. 9 А Harassment and snow removal and an issue about 10 a fence. 11 Okay. Were there any statements that you Q 12 obtained from any of the witnesses regarding any of these other disputes or was this just information that 13 14 you were verbally told? 15 Α This was information that was just told to me 16 at points. 17 MR. ZANIEL: All right. I think that's all I've got for now. I may come back and just ask a few 18 follow-up after. 19 20 EXAMINATION BY MR. ROUTSIS: 21 Back at it again. How are you? Are you a 22 0 23 detective? MR. PINTAR: Excuse me. Are you 24 guys representing --25

JESSE MCKONE - 04/07/2016

Page 78 I'm representing Jeff as a 1 MR. ZANIEL: defendant. He's got the counterclaim. 2 3 MR. PINTAR: Separate? Okay. 4 MR. ROUTSIS: Are you done? 5 MR. PINTAR: Yeah. I'm sorry. MR. ROUTSIS: Okay. 6 BY MR. ROUTSIS: 7 8 Q How are you? Is it investigator, detective, or deputy? 9 10 Α It's deputy. 11 And how long have you been a deputy again? Q 12 Α 25 years. 13 Okay. Let's go back to the night you were Q 14 called out on this original case. Now, you were asked 15 earlier your opinion as to whether or not Jeff committed a crime and you gave your opinion that you thought he 16 did, correct? 17 18 Α Yes. 19 0 And you're aware that a jury, after two weeks of trial, gave the opinion that he did not commit a 20 crime? You're familiar with that? 21 I'm familiar with it. 22 Α 23 Okay. Now, when you arrived on scene December 0 18th, you actually responded to a dispatch call from the 24 Spencers claiming that these individuals were claiming 25

Page 79 that someone had committed some type of burglary or 1 2 theft offense, correct? 3 Α Yes. 4 0 You then arrived on the scene at that point to investigate a crime, correct? 5 6 Α Yep. 7 Okay. When you arrived on the scene, I Q 8 believe it was your testimony -- and correct me if I'm wrong -- here today you said Mr. Klementi, Helmut 9 Klementi was laying in the street and nobody was around 10 him, correct? 11 12 А I believe so, yes. 13 Okay. Now, we'll get into that in a moment. Q 14 The first person you spoke to on the scene was who? 15 Α That he spoke to? That you spoke to. 16 Q That I spoke to? I believe the first person I 17 Α spoke to was Mr. Klementi, Helmut. 18 19 Q Okay. And at that point you went up to him 20 and he was laying on the street and nobody was around him, correct? 21 I believe so, that nobody was around him, yes. 22 Α 23 Okay. Now, you then went back and spoke to Q Jeff Spencer and his wife at the residence, correct? 24 25 А Correct.

Page 80 1 Q Now, not to belabor the point, but there's 2 been testimony here today regarding footprints, correct? 3 Α Yes. 4 Q And obviously, Jeff Spencer, if he left his house to go onto the street, just by deduction, would 5 have had to have left some footprints in the area by his 6 7 truck. Is that a fair comment? 8 Α He would have had to have left footprints? 9 0 Yes. 10 Α No. 11 0 Well, you're familiar with the home there, 12 correct? 13 Α Yes. 14 And you're familiar that there's some steps Q that come down from the front door? 15 16 Α Yes. And those steps basically go right into the 17 0 driveway area, correct? 18 19 Α Yes. 20 Q And in the driveway area was where Jeff's big vehicle was parked, correct? 21 22 Yes. Α So in order to get out onto the street, he'd 23 0 have to walk through the driveway area, correct? 24 25 Α Yes.

Page 81 Wouldn't that leave footprints? 1 Q 2 It depends on the surface. Α Well, you testified that your recollection at 3 Q 4 first was that it was not snowing that night, but I think you corrected yourself and indicated it may have 5 been lightly snowing that night, correct? 6 7 Α Yes. And there was fresh snow that had accumulated 8 0 9 during the day, correct? 10 А Yes. So there would have been probably some snow 11 0 12 that wasn't plowed on the roadway, going to the roadway that could leave imprints, correct? 13 14 А But I believe it was -- had tire tracks all 15 through it. 16 Q You don't have a memory or just -- are you saying that because you have a clear recollection 17 18 regarding the snow condition in that area or are you 19 just saying that --20 Α I'm telling you I remember seeing snow tracks 21 leading from the bottom of the tires, out the driveway, and into the street. 22 23 Well, you reference in your report that there Q were in fact footprints. 24 25 Α Yes.

Page 82 1 Q So we can assume, can we not, that there were footprints that were left in snow that was not packed to 2 a degree to where you could see someone had stepped in 3 4 the snow, correct? 5 Α Yes. Now, your investigating officer -- you've been 6 0 7 an officer for the sheriff's department for many years prior to being called out that evening, correct? 8 9 Α Yes. 10 And Mrs. Spencer was guite adamant with you, 0 11 was she not, that there were some footprints that she 12 believed was in the exact location or the near proximity of where Helmut Klementi was when Jeff first observed 13 him on his property, correct? 14 15 А Yes. And she pointed to them, correct? 16 0 17 Α Yes. And when she pointed to them, you made a 18 0 determination, apparently, in your report that those 19 20 footprints were not Jeff's but were somebody else's, correct? 21 22 Α Yes. And you had -- now, tell us what -- and I'm 23 0 24 not trying to be silly here, but what is the purpose of a camera? 25

Page 83 1 Α To take pictures. 2 0 It is the best evidence; is it not? 3 Α It is. And you didn't take any pictures of the 4 0 5 footprints, but you made a conclusion on scene at night, when it was dark, that those footprints were not in fact 6 Helmut Klementi's, correct? 7 8 Correct. А 9 0 Okay. Did you take a tape measure out and 10 measure the length of the footprints? 11 Α No. 12 So when you apparently -- and this is the Q first I've heard of it. Apparently you said you went to 13 14 the hospital and you took pictures of Helmut Klementi's 15 feet or shoes? The bottom of his shoes, right. 16 А 17 0 But you had no reference point that -- no measurements at the scene and you had no photographs to 18 compare them to, correct? 19 20 I had the comparison to what the imprint that Α I saw compared to Deputy Almeida's boot compared to the 21 difference of the shoes at the hospital. 22 23 Let's discuss that. 0 Okay. 24 Α Did you have a photograph to compare the shoe 25 Q

Page 84 print to? 1 2 A photograph of? Α Of the imprint in the snow. You had no 3 Q 4 photograph to compare the shoe size to the imprint in 5 the snow? Α It wasn't going to photograph. 6 Well, did you try taking a picture? 7 Q 8 Α I don't believe so. 9 Well, let me ask you about that, because this Q is -- I mean, we had a criminal trial and now we're 10 here. And you're testifying that you don't have the 11 12 technology to have a camera take a picture of a shoe print at night. Is that your testimony? 13 Α No, I have a camera that can take pictures of 14 shoe prints. 15 Okay. Why didn't you do that? 16 Q Because of my experience taking a picture of a 17 Α white shoe imprint in the snow with a flash camera, it's 18 19 just going to be a white -- it's going to look like a 20 white piece of paper. Well, you know, certainly, sir, if you have a 21 Q shoe print in the snow and you put a ruler down, a 22 23 reference point that you know the dimensions, at the very least you're going to have critical evidence as to 24 25 the length of the shoe print, correct?

Page 85 1 Α Correct. 2 So obviously for purposes of the man being Q 3 accused of a crime and for the purposes of civil litigation, you could have done that in this case so we 4 could tell exactly how long the footprint is. We can't 5 do that at this time because there's no photograph for 6 7 comparison or measurements, correct? Correct. 8 А 9 0 Okay. So we know you arrested Jeffrey 10 Spencer, who is a homeowner in that area, right? 11 Α Correct. MR. PINTAR: I'm going to object. 12 That's 13 incorrect. MR. ROUTSIS: Well, you're not testifying. 14 15 You have an objection --MR. PINTAR: You're not making up --16 17 MR. ROUTSIS: Give your objection. 18 MR. PINTAR: He doesn't own the house, so 19 don't say --MR. ROUTSIS: What's your objection? What's 20 your objection? 21 22 MR. PINTAR: You're misleading. MR. ROUTSIS: Well, what's your objection? 23 That's not a legal objection. 24 MR. PINTAR: It absolutely is. 25

Page 86 1 MR. ROUTSIS: He answered the question yes. BY MR. ROUTSIS: 2 3 Q Is your answer yes, he's a homeowner in that 4 area? 5 Α I am assuming that's his home, yes. 6 Q Okay. In any event, when you were called out 7 there and you started speaking to the Spencers, you had some foundational facts that they called a property 8 9 crime in. 10 Now, you've testified, based on being an 11 officer in that location, that there had been evidence 12 of tampering with vehicles. Is that not a fair 13 statement? 14 Ά On that street? 15 Q In that area, in Kingsbury Grade area. 16 Α Sure, yes. 17 And I don't know if you're aware of the trial Q 18 testimony, but we had subpoenaed records and produced 19 evidence that there had been a newspaper article that 20 very morning to citizens in that area regarding the 21 illegal tampering of vehicles and informing homeowners 22 of that. Are you aware of that? 23 Α No. 24 Okay. So after failing to take any Q 25 photographs, you then have what's called a recording

Page 87 device, and a recording device actually records the 1 words that are said between parties so we can have no 2 confusion as to what's occurring, correct? 3 4 Α I do. Don't you have the ability to record 5 Q statements when you talk to people? 6 7 Α NO. 8 Q You don't? 9 А No. 10 0 Let's talk about that. Are you saying that 11 when you go out to a crime scene, all right, that you don't have the technology to carry with you a recording 12 13 device? Do I have the technology to carry --14 Α 15 Q Are you aware of that technology, that you 16 can --17 I'm aware that it exists, yes, sir. Α And do officers in your department not have 18 Q 19 the ability to carry those recording devices with them? Do they not have the ability? 20 Α 21 Do you guys carry recording devices with you? 0 22 Some do. Α 23 Why don't you? 0 24 Because I'm capable of understanding of having Α a conversation in an interview. 25

Page 88 1 Yes, but wouldn't you agree that when you're 0 dealing with people's liberty and criminal acts, that 2 every word can be important; is that a fair comment? 3 4 Α Yes, sir. 5 0 And certainly recording device is far more accurate than your recollection; is it not? 6 It is. 7 Α 8 0 There would be no reason that you would carry a recording device and utilize a recording device, that 9 I can think of. Can you give us a reason? 10 11 A Practicality. 12 Q Practicality. So the fact that maybe a few words here and there can affect a man's liberty is not 13 14 important as you carrying a little recording device and 15 turning it on; is that what you're saying? No, it's not what I'm saying. 16 Α 17 Okay. Let me carry on. Did you take notes in Q 18 this case? 19 Α Yeah. During the time you were talking to Jeff 20 Q Spencer and Marilyn Spencer were you taking notes? 21 Written notes? 22 Α 23 Yes. 0 I don't believe so. 24 Α 25 Okay. So what we have now then is no Q

1	Page 89 photographs were taken, no recording device was brought,
2	no written notes were taken. Okay.
3	So Mr. Spencer made a statement to you not
4	only did they call 911, but he made a statement, as his
5	wife did, that they were concerned somebody was on their
6	property and that Mr. Spencer announced to them his
7	name, what are you doing on my property, and no response
8	was given. Correct?
9	A He announced that his name?
10	Q Well, let's look at your report. What was
11	your understanding Mr. Spencer said in that regard?
12	A That he asked from the party to identify
13	themselves.
14	Q Yes. That's correct, correct?
15	A Yes.
16	Q And did Mr. Spencer tell you what was what,
17	if anything, was done in regard to his question that
18	evening when someone he believed was on his property
19	tampering with his vehicle, what response he was given?
20	A I believe he wasn't given a response.
21	Q Now, certainly if let me just ask you a
22	question as a police officer. If you're in your home
23	and late at night, you see somebody on your property and
24	you call out to them, what are you doing, identify
25	yourself, and you had information that there's been car
1	

·	
1	Page 90 thefts in the area, and that person doesn't respond,
2	you're probably going to assume he's committing some
3	type of crime, wouldn't you?
4	A On my property, not identify himself to me,
5	probably.
6	Q Okay. Now, wouldn't it be a relevant question
7	in this type of case, before we arrested any people, to
8	speak to Helmut Klementi and say, Helmut, listen, this
9	guy's saying that you were on his property late at
10	night, he called the police, and did he identify himself
11	or did he ask you to identify yourself and what you're
12	doing on his property? You never asked that question,
13	correct?
14	A Prior to the arrest?
15	Q Right.
16	A No.
17	Q Are you aware that at the trial in this matter
18	the jury acquitted this man because Helmut Klementi
19	testified to that, exactly what Jeff told you, exactly
20	what he told you, that he refused to identify himself?
21	Jeff was trying to was very concerned. Are you aware
22	of that?
23	A No.
24	Q Now you are, right?
25	A Now I am.
1	

Page 91 1 Q It would have been an important question to ask in an investigation before this thing happened to 2 3 this level; don't you agree? Α Sure. 4 5 Q You also made another finding in your report 6 that was unequivocally proven to be inaccurate at the trial, and you said that Jeff Spencer was not in a 7 position to perceive anybody on his property from the 8 upper deck that he was alleged to have been on. Do you 9 10 recall that --11 Α Yes. -- report? Now, did you go up to the third 12 Q floor, where Jeff Spencer told you he was where he 13 viewed the person on his property, to see if in fact he 14 had a visual and was able to determine or see if 15 16 somebody was on his property? No, I did not. 17 Ά But you made a conclusion in your report 18 0 19 without doing any investigation, correct? Without doing any investigation? 20 Α Well, certainly, sir, if you're going to say 21 0 22 in your report -- my concern -- I mean, we can refer to the line if you like. 23 Sure. Α 24 But basically you're saying that Mr. 25 Q

Page 92 Spencer -- you didn't believe Mr. Spencer could visually 1 see from the location he said he was at whether or not 2 someone like Mr. Helmut Klementi was on his property. 3 4 Do you remember that? 5 А Yes. But you did no investigation to confirm 6 0 7 whether or not that that was a truthful or accurate statement, correct? 8 9 Α Not correct. 10 Tell me the investigation you did. Q 11 Α From where he said he saw somebody in his 12 driveway next to his truck --13 0 Right. -- is where I was. 14 Α 15 Uh-huh. 0 Α I cannot see the back third floor deck from 16 17 that position. 18 Well, are you aware that we had an 0 investigator go up to the exact location Mr. Spencer 19 20 represented he was at, and are you aware that 21 photographs were taken, and were you aware that all you 22 had to do was look down at an angle, and we took the 23 photographs and you can clearly see the area that Mr. Spencer told you that he had a visual of was in fact --24 he did in fact have the ability to perceive from his 25

Page 93 location that he told you that he -- did you ever go --1 and I'm not going to belabor the point. 2 3 You never went to the deck and looked over from the deck to see if you could see what Jeff Spencer 4 told you he could see from the deck? 5 6 Α Like I said, no. 7 Okay. Kind of important, isn't it? Q 8 In any event, so now we -- at that point Helmut Klementi told you several things that you later 9 found out to be untrue. Did he not tell you that he 10 actually heard a gunshot? 11 12 Α I'm not sure. I'd have to look at my report. Please do. And I can probably assist you on 13 Q 14 the page. 15 Α Please do. It would be page five of 10 and it would be 16 Q one, two, three, four, five, six paragraphs up from the 17 18 bottom. 19 Α Yes. "Helmut said he was in fear of Jeffrey and 20 Q said he may have heard a gunshot from Jeffrey's balcony 21 prior to the battery." 22 23 And you confirmed that there were no gunshots that evening, correct? 24 25 А Yes.

Page 94 1 0 Helmut Klementi also told you there was a 2 restraining order against Jeff, or a civil stay away order; did he not? 3 А I believe he did, yes. 4 And that was in fact -- you tried to verify 5 Q that and that was also inaccurate, correct? 6 7 Correct. Α 8 In fact, you went to the hospital to see 0 Helmut after this event, correct? 9 10 Α Yes. And Helmut -- you were aware that Helmut was 11 0 released fairly shortly and he was only prescribed 12 aspirin. Were you aware of that? 13 Α I was not. 14 15 Q Okay. Were you aware that he was released 16 that evening? No, I learned that the following day. 17 Α Okay. So the following day you learned that 18 Q Helmut Klementi was released from the hospital. And did 19 20 you speak to any doctors or did you speak to Helmut 21 regarding why he was released so quickly? 22 Α No. But in any event, based on the lack of 23 0 24 injuries or his release from the hospital, he filed -you recommended misdemeanor charges be filed, correct? 25

Page 95 1 Α Yes. 2 Q And misdemeanors were filed, correct? 3 Α Yes. Now, after the misdemeanors were filed, you 4 0 started receiving other information in this matter; did 5 6 you not? 7 А Yes. 8 Q And you're aware that this case escalated up to felony conduct, elderly abuse, et cetera, et cetera, 9 10 correct? 11 Α Yes. 12 Q Okay. And I'd like to talk to you about the Shaws to begin with. You received information, I 13 believe you testified was it weeks later, that the Shaws 14 15 had a video? Α I don't know if it was days or weeks. At some 16 point well after the incident. 17 18 Q And obviously the Shaws were not directly --19 they weren't witnesses that night? 20 А No. 21 They weren't there at the scene with this Q alleged situation? 22 23 Α No, they were not. 24 How was it that you became aware that the 0 Shaws had videotape evidence? 25

	Pere 0()
1	Page 96 A I believe I don't know. Somebody sent me
2	there. I don't know if it was the District Attorney's
3	Office or if they had called dispatch and dispatch asked
4	me to go there and meet with them. Somehow I was sent
5	there.
6	Q Okay. And it's not documented in any report
7	as to where who called you or why you went out there,
8	who told you that they had video
9	A No.
10	Q recording equipment?
11	In any event, you end up at the Shaws and you
12	believe it's a couple weeks after the misdemeanor
13	charges have been filed in this case, correct?
14	A It could be up to a couple weeks.
15	Q And you, I assume, went and knocked on the
16	door and you were allowed into the house?
17	A Yes.
18	Q And I've heard your testimony today. Are you
19	aware that Miss Shaw did testify at trial in this
20	matter?
21	A I believe I remember seeing her on the
22	witness list. I don't remember her testimony.
23	Q Well, would it refresh your memory if her
24	testimony was that she had an actual I forget the
25	terms that's used a little stick, a memory stick that

JESSE MCKONE - 04/07/2016

Page 97 she played for you that was not her hard drive, it was a 1 2 memory stick and it was her only copy; do you recall 3 that? 4 Α I do not. 5 Q In any event, you indicated that you left there and you did not want to take the evidence with you 6 because it was her only copy or --7 8 Α No. I did not want to take her laptop with 9 me. At the time, I do not recall seeing it on a memory 10 stick. 11 Okay. Well, if I told you that was her 0 testimony, does that refresh your memory? 12 13 Α No. In any event, somehow the Shaws were informed 14 Q 15 and they may have put their information apparently from 16 their video surveillance equipment onto a memory stick. 17 They may have. You don't know. You don't remember, right? And you indicated that -- well, I'm not sure you 18 19 did. I'm going to ask you. 20 You indicated you saw Jeffrey Spencer running 21 or walking quickly out of his residence on the night in 22 question, which would have been December 18th, correct? 23 Α Correct. And what's obviously critical, couldn't be 24 0 25 more critical, perhaps, is what evidence was there prior

JESSE MCKONE - 04/07/2016

Page 98 to Jeffrey Spencer running out of his house. 1 Okay? I'm not understanding the question. 2 Α 3 Q Okay. So I think your testimony was that you went fast-forward through a lot of video that evening 4 but you recall specifically Jeff leaving his house. 5 6 Α Yes. 7 But you don't recall in slow motion or normal 0 8 speed, five, 10 minutes prior to Jeff leaving the house; is that a fair comment? 9 Before? 10 Α 11 Correct. Q 12 А No, I do not. 13 Okay. Do you know why that information -- do Q you know if that was provided to you or you just don't 14 15 recall seeing it? If the video was shown to me, is that what 16 Α you're --17 18 0 Yes. I'm saying prior to Jeff walking quickly 19 out of his house, do you have a specific recollection of viewing, let's say, five minutes at normal speed prior 20 to that? 21 No, I do not. 22 А Okay. And now, at some point the video was 23 0 produced from the Shaws. Were you involved in that, 24 getting the video to the prosecutor? 25

Page 99 1 А I was not. 2 Do you know when, where, and how it was Q produced to the prosecutor? 3 4 Α I do not. 5 0 Okay. Now, during the course of this case 6 you're aware that the prosecutor on the case was a 7 prosecutor named Maria Pence; is that correct? 8 Α Yes. 9 Q And you and Maria Pence actually worked together for quite a period of time preparing this case 10 11 for the preliminary examination and the trial as well, 12 correct? 13 А No. 14 Q Well, you testified at the preliminary 15 examination? 16 Α Yes. 17 0 You went into her office, went over the evidence? 18 19 Yes. Α 20 You did further investigation after the arrest Q of Mr. Spencer, spoke to other witnesses? 21 22 А Yes. 23 0 Why -- let me ask you this question regarding 24 Egon Klementi. So we know on the night in question that you arrested Jeff, no photographs were taken, nothing 25

Page 100 was recorded. You never questioned Helmut Klementi 1 2 about the statements that were made that would probably show good faith belief that he was making a citizen's 3 4 arrest. You failed to speak to what apparently was an 5 eyewitness. You never spoke to Egon Klementi that evening? 6 7 А I don't believe so. 8 Well, were you aware? I mean, your report 0 9 indicates that Almeida spoke to Egon Klementi and Egon 10 Klementi wrote a handwritten statement that evening. 11 You were aware of that? Because the statement was 12 written on the 18th, right? 13 Α Yes. 14 Q Did you read the statement before you arrested 15 Mr. Spencer? It was written after I had already arrested 16 Α 17 Mr. Spencer. So is it your practice to arrest people before 18 0 you speak to eyewitnesses? 19 20 Α If I have probable cause for an arrest, yes. Well, okay. Well, that's the big issue here. 21 Q 22 Now, have you had the opportunity to review 23 Egon Klementi's statements? 24 Α Yes. And Egon Klementi actually said that he was in 25 0

Page 101 his house arranging his artwork in his studio east side 1 of the house for a meeting with a Tahoe Tribune 2 journalist tomorrow afternoon. "I heard my twin brother 3 4 scream for help." Right? 5 Α (Nods head yes.) "I saw my twin brother laying on the street 6 0 7 and ran out to help him." Right? 8 Α (Nods head yes.) 9 Q And then in the statement that I'm having problems even comprehending, he said, "I saw Jeff 10 11 Spencer hitting Helmut from the back and pushing him to 12 the floor, street." So he was a material eyewitness, 13 apparently. 14 Did you at any time speak to him directly? 15 Δ No. Okay. Now, were you the lead officer in this 16 0 17 case or was Deputy Almeida? I was. 18 Α 19 Well, isn't it your job to make sure that if Q 20 there are witnesses and you're making an arrest of a citizen, that Deputy Almeida writes a report as to what 21 Mr. Klementi said to him and what other investigation he 22 23 did or did not do? Is it up to me to get Deputy Almeida to write 24 Α 25 a report?

1	Page 102 Q Well, you're the lead officer that went out to
2	the scene and you made an arrest. Deputy Almeida came
3	out to the scene, and you were the lead officer, right?
4	A (Nods head yes.)
5	Q Apparently Deputy Almeida went and spoke with
6	a material eyewitness to the event. You apparently did
7	not review that written
8	MR. PINTAR: Can I he's not making a verbal
9	response. Can you say yes or no?
10	THE WITNESS: Okay.
11	MR. PINTAR: Sorry. You guys are just talking
12	and
13	BY MR. ROUTSIS:
14	Q Okay. Now, did you direct Deputy Almeida to
15	write a report as to what Egon Klementi and/or anybody
16	else he spoke to said in this case?
17	A I don't believe I gave him direction to write
18	a report.
19	Q Okay. Do you know when you first read Egon
20	Klementi's handwritten report?
21	A No.
22	Q Now, another person who is a peripheral
23	witness is Marilyn Spencer, correct?
24	A Yes.
25	Q Marilyn Spencer was so upset that evening, she

Page 103 went out and showed you footprints that we've gone over 1 2 ad nauseam and you concluded were not relevant, right? 3 А I didn't say they weren't relevant. 4 Q Okay. I said they belonged to Deputy Almeida. 5 Α 6 0 And Marilyn Spencer, isn't it true, on numerous occasions requested to do a handwritten 7 statement and none was ever taken in this case? 8 9 I don't know. Α 10 You don't know or you -- do you have any 0 recollection of that? 11 No, I do not. 12 Α 13 Okay. Now, there's another major player in Q 14 this case, Mary Ellen Kinion. Are you familiar with 15 her? I don't know. 16 Α 17 Okay. She's the young lady or -- the young Q 18 lady sitting right here. 19 Α Okay. Did you have occasion to do any investigative 20 Q work, take reports, or speak to Mary Ellen Kinion from 21 the time of this event till today? 22 I don't recall if I've ever spoken to her. 23 Α 24 I've always been troubled with that response. 0 It means you have no recollection at all or you may have 25

Page 104 and you just don't remember it. 1 2 You have trouble with me answering it that Α 3 way? 4 I don't know what "I don't recall" means. Q What does it mean? Does it mean you're certain you 5 never spoke to her or you may have spoken to her but you 6 7 didn't record it? I don't know what it means. Maybe you can clarify. 8 9 Α It means I don't remember having a 10 conversation or an interview with her. 11 Okay. Are you familiar that Mary Ellen Kinion 0 12 generated a letter to the prosecutor in this case to 13 escalate or to assist -- let me rephrase that -- a 14 letter to the prosecutor in this case regarding conduct 15 that the Spencers may have committed or allegedly 16 committed against the Klementis? Are you aware of that 17 letter? 18 Α I am not. 19 Q Okay. So I could take it if you're not aware of the letter, that you didn't get it from her and 20 provide it to the prosecutor? 21 That would be a good analogy. 22 А 23 Okay. I noticed in your report that Elfi 0 Klementi gave a handwritten statement on December 18th 24 as well as Egon did, and it's attached to your report, 25

Page 105 correct? 1 2 A Correct. And I can assume again that you didn't read 3 Q 4 her report prior to arresting Mr. Spencer? 5 Α No, those were collected after, both of them. 6 Q Okay. And you don't know what these two 7 witnesses said at the time you made the arrest in this 8 case, correct? 9 Α At the time of the arrest, no. 10 0 Right. Okay. Now, I noticed that Elfi 11 Klementi generated -- and it's attached to your 12 report -- almost a full page of a handwritten report or 13 statement. Are you familiar with that document? 14 Α You're asking me if she wrote a handwritten 15 statement? 16 Q Well, we know she did. It's attached to your 17 report. 18 Α Right. 19 Would you have knowledge that it is in fact Q 20 attached to your report? 21 Α Yes. 22 0 Would you be kind enough to tell us when and 23 under what circumstances you received that document. 24 А I received it with Egon's statement from Deputy Almeida. He collected them from them. 25

Page 106 1 Q Are you sure that they're collected on the 2 same day? 3 А No. 4 0 Okay. And I appreciate that, but it's important. So this may have been generated at a later 5 time? 6 Yes, it could have been. 7 Α 8 Q Okay. Now, when you arrived on the scene, it would have been somewhat dangerous to leave a man laying 9 on the street with nobody around him, correct? 10 11 Α Yes. 12 0 And Egon Klementi indicated in his report that he made sure that he was -- I think -- well, let's just 13 "That I was saving him from being run over in read it. 14 the middle of the street." But that wasn't in fact a 15 16 correct statement either, according to you. There was nobody in the street when you arrived; is that correct? 17 I don't remember seeing him in the street. 18 Α In fact, nobody had brought him a blanket or a 19 Q 20 pillow. You had to request one be brought to him; isn't that true? You asked Egon Klementi to please go get a 21 blanket for his brother, when you finally did? 22 I asked somebody. I'm not sure who. 23 Α Okay. Now, procedurally when you -- just for 24 0 the record, and we'll keep it as simple as we can. When 25

Page 107 you go out to investigate a criminal act, you make an 1 2 on-the-scene determination if there's probable cause to make an arrest. That's the first step, correct? 3 4 In this case you did that --5 THE REPORTER: I'm sorry. I didn't hear an answer. Yes or no, please? 6 7 THE WITNESS: Yes, ma'am. BY MR. ROUTSIS: 8 9 0 And in this case you went to the scene. We've 10 been over what was and was not done at the scene, and you made an arrest, correct? 11 12 Α Correct. And when you make an arrest, you took Jeff to 13 0 the jail and you write down the charges you feel that 14 the probable cause supports for the arrest, correct? 15 16 Α Yes. 17 In this case you felt that the probable cause 0 that the facts supported was a misdemeanor battery, 18 correct? 19 20 Α I believe that was one of them, yes. Okay. And there was another misdemeanor, and 21 Q I don't recollect, so maybe you can enlighten me. 22 I don't believe it was misdemeanor because of 23 Α 24 the age of Mr. Klementi. Do you recall what you arrested him for? 25 Q

Page 108 1 I'm going to refer to my report. А 2 Q Please. 3 MR. PINTAR: Page six. BY MR. ROUTSIS: 4 5 Q There was an elderly abuse as a battery --6 MR. PINTAR: Let him finish. 7 BY MR. ROUTSIS: 8 Q And while you're looking at it --9 Α You said it's on page six? 10 MR. PINTAR: Your conclusion. THE WITNESS: Oh, there it is. 11 12 MR. ZANIEL: Page eight I think is the charge. 13 Elderly abuse, battery. THE WITNESS: Yes, that's it. 14 BY MR. ROUTSIS: 15 16 Okay. And do you know if that was filed as a Q felony or a gross misdemeanor? 17 18 Α Gross misdemeanor. 19 0 Okay. And you are aware that the DA, I believe -- and I may be incorrect because I don't have 20 the charge in the complaint with me, but the DA filed 21 misdemeanor conduct originally. Are you aware of that 22 23 or not? I'm not aware of it. 24 Α Okay. Now, other than going to the Shaws 25 Q

1	Page 110
2	MR. PINTAR: And then you'll have 30 days to
3	review that report and send back any changes or
4	corrections. But if you make any changes or corrections
5	to the report, it's just like if you changed your
6	testimony here today and all the attorneys here will see
7	those changes or corrections, okay?
8	THE WITNESS: Okay.
9	MR. PINTAR: And if you don't do anything at
10	all, if you don't make any changes or corrections, we'll
11	just assume, or the court will assume that you didn't
12	have any changes.
13	THE WITNESS: Okay.
14	MR. PINTAR: Anything else?
15	MR. ZANIEL: No. We're done.

	POINTS AND AUTHORITIES				
1	GROUND FACTS				
		-	NTI on December 18, 2012		
The	incident which precipi		inst JEFFREY SPENCER occurred the		
		1			

evening of December 18, 2012, when he heard someone near his vehicle in his driveway, told his wife
 to immediately call the Douglas County Sheriff, and ran down the front stairs of his home, yelling to
 the person near the vehicle to identify himself and to answer why he was breaking into the vehicle.
 Mr. SPENCER ran onto the icy street in the dark in pursuit of the intruder who did not identify
 himself. The intruder suddenly turned back toward Mr. SPENCER and they collided, causing the
 intruder to fall down.

When officers responded to Mrs. Spencer's call, HELMUT and EGON KLEMENTI claimed
HELMUT KLEMENTI had not been on the Spencer's property, and that Mr. SPENCER ran outside,
punched HELMUT KLEMENTI and threw him to the ground. The officers spoke with ELFRIEDE
KLEMENTI and non-witness neighbors who showed up, and arrested Mr. SPENCER for
misdemeanor battery. This misdemeanor charge was later increased to a felony, which according to
testimony of then Deputy DA Maria Pence, was due to medical records she said showed HELMUT
KLEMENTI suffered severe bodily harm from the incident.

MARY ELLEN KINION and the officer at the scene both claimed she was not a witness nor
even there that night. Yet December 19, 2012, Ms. KINION called KGID to say Mr. SPENCER was
arrested the night before for beating up HELMUT KLEMENTI. Ms. KINION wrote a letter to Ms.
Pence, stamped received by the DA's office February 22, 2013, in which she claimed Mr. SPENCER
"came up and punched him [HELMUT KLEMENTI] in the chest so hard that he landed on his back
and couldn't get up." At trial, Ms. KINION testified the Deputy DA did not ask her to write the
letter, and the purpose of the letter was "to try and get her to prosecute Mr. Spencer."

There was no credible evidence at trial that Mr. SPENCER punched HELMUT KLEMENTI,
and he was acquitted of the charge of assault and battery against HELMUT KLEMENTI.

23

#### 2. Additional Charges for Which Mr. SPENCER Was Prosecuted

Additional charges were brought against Mr. SPENCER that EGON and ELFRIEDE
KLEMENTI were also victims, that Mr. SPENCER threatened EGON KLEMENTI with physical
violence on May 27, 2012, and that he assaulted and battered EGON KLEMENTI by snowplow on
December 12, 2012. At trial, Ms. Pence included testimonial accusations that Mr. SPENCER
deliberately created snow berms at EGON and ELFRIEDE KLEMENTI's home, trapping them in.

Ms. KINION's letter to then Deputy DA Maria Pence made numerous accusations against
 Mr. SPENCER in addition to the alleged assault and battery on December 18, 2012, alleging a threat
 of physical violence to EGON KLEMENTI on May 27, 2012, an assault and battery by snowplow
 of EGON KLEMENTI on December 12, 2012, and deliberate creation of snow berms in driveways.

(a) Regarding May 27, 2012, Mrs. Spencer called the Douglas County Sheriff to complain
EGON KLEMENTI came on their property without consent and took photographs of two underage
boys, nephews of their close friend, who were shirtless and working the front yard. The responding
officer spoke with EGON KLEMENTI to advise him of the complaint and that if he went on the
Spencers' property again, he would be subject to arrest for trespassing. Mr. KLEMENTI made no
report nor complaint about Mr. SPENCER's alleged threat of physical violence to that officer, nor
to any other officer or court agent or entity until seven months later.

Ms. KINION's letter to Ms. Pence claimed that May 27, 2012, Mr. SPENCER "yelled" at
EGON KLEMENTI and "threatened to punch Egon in the face." Yet Ms. KINION was not a
witness to that alleged assault.

There was no credible evidence at trial that Mr. SPENCER verbally assaulted EGON
KLEMENTI or threatened to punch him on May 27, 2012, or any other time, and he was acquitted
of all charges.

18 (b) Regarding December 12, 2012, EGON KLEMENTI called the Douglas County Sheriff 19 to complain Mr. SPENCER intentionally used his snow plow to strike him with snow, ice and debris 20 as he was in his own driveway, and claimed Ms. KINION was a witness. Over one hour later, Ms. 21 KINION called 911 and claimed she witnessed Mr. SPENCER intentionally use his snow plow to 22 strike EGON KLEMENTI with snow, ice and debris, causing him injury. The responding officer 23 testified at trial that he spoke with Mr. KLEMENTI and Ms. KINION regarding the allegations and 24 determined there was no evidence, no crime had been committed, and accordingly wrote no police 25 report.

Ms. KINION's letter to Ms. Pence included the accusation that she saw Mr. SPENCER drive
by her with a "big grin on his face" and "he turned the blade on the snow plow to spray Egon with
ice and snow. Egon was fortunately not hurt."

Ms. KINION testified at trial she "immediately called" EGON KLEMENTI, admitting she
 did not call 911 until after her lunch, over an hour and a half after she claimed to have witnessed an
 assault and battery on her elderly neighbor. Further, her trial testimony is in direct conflict with
 EGON KLEMENTI's that he initiated the contact, calling Ms. KINION. A reasonable conclusion
 from trial evidence is that Ms. KINION could not have seen the alleged attack based on location of
 the homes and size of the snowplow, that EGON KLEMENTI called Ms. KINION to create a
 "witness" for him of this alleged incident, and that, although she saw nothing, she complied.<sup>1</sup>

8 There was no credible evidence at trial that Mr. SPENCER used the snow plow to assault and
9 batter EGON KLEMENTI on December 12, 2012, or any other time, and he was acquitted of all
10 charges.

11 The claims in this action by Mr. SPENCER against Ms. KINION were also based on a pattern 12 of behavior which could have reasonably influenced others to create a negative image of Mr. 13 SPENCER and thereby color how any investigation would proceed and/or any evidence would be 14 viewed. December 12, 2012, Ms. KINION called KGID and claimed she witnessed Mr. SPENCER 15 intentionally strike EGON KLEMENTI with snow, ice and debris from the snowplow causing injury. 16 The next day, ROWENA and PETER SHAW sent a letter to KGID saying Ms. KINION had 17 witnessed Mr. SPENCER's alleged intentional assault and battery on EGON KLEMENTI with the 18 snowplow, and they sent similar letters to various Douglas County agencies making the same 19 accusations, saying Ms. KINION was a witness. December 18, 2012, EGON KLEMENTI claimed 20 at a public KGID meeting that Mr. SPENCER intentionally used his snow plow to strike him with 21 snow, ice and debris from the road, and Ms. KINION claimed she personally witnessed that incident, 22 and Mr. SPENCER had a big grin when doing so. Any investigator or DA with a number of sources 23 for an accusation would reasonably be expected to be influenced.

24 25

26 KLEMENTI's home, trapping them in.

27

28

- <sup>1</sup> In contradiction to her letter and trial testimony, in Ms. KINION's Summary Judgment Motion, she claimed she "thinks" she saw Mr. SPENCER driving that snowplow.
  - 2

testimony at trial that Mr. SPENCER deliberatly created snow berms at EGON and ELFRIEDE

(c) Regarding accusations of deliberately created snow berms, the prosecution pursued

Ms. KINION's letter to Ms. Pence included claims that she "woke up one morning after it
 snowed to find a huge ice filled snow berm in front of [her] driveway. No other neighbor had one...",
 that Mr. SPENCER was "not allowed to snowplow on Juniper St because he was caught putting
 huge berms in front of the Taylor's house the year before. ... that Janet Wells said Marilyn bragged
 to her about how Jeff was going to plow huge berms in front of the Shaw's and Klementi's houses
 this winter" and that a "few days later Jeff plowed snow from his property and jammed it up against
 the Klementi's fence and driveway."

8 Ms. KINION testified at trial admitting she never saw Mr. SPENCER deliberately create a
9 berm in her driveway or in any other driveway.

There was no credible evidence at trial that Mr. SPENCER had deliberately created berms
in EGON and ELFRIEDE KLEMENTI's driveway, or any other driveway, and he was acquitted of
all charges.

13 Again, the allegations by Mr. SPENCER against Ms. KINION were based in part on a pattern 14 of behavior which could have reasonably influenced others to create a negative image of Mr. 15 SPENCER and thereby color any investigation and/or prosecution. December 12, 2012, Ms. 16 KINION called KGID and complained Mr. SPENCER intentionally left a snow berm in her driveway. 17 December 18, 2012, EGON KLEMENTI claimed at a public KGID meeting that Mr. SPENCER had 18 been intentionally using his snow plow to create berms in his driveway to "seal him in", and Ms. 19 KINION claimed she had personally witnessed the events complained of by EGON KLEMENTI, and 20 that Mr. SPENCER deliberately created snow berms in driveways. Any investigator or DA with a 21 number of sources for an accusation would reasonably be expected to be influenced.

22

### 3. Other Legal Action

December 24, 2012, HELMUT KLEMENTI, and EGON and ELFRIDE KLEMENTI filed
for restraining orders against Mr. SPENCER. Although not a party in that matter, in April 2013, Ms.
KINION wrote an ex-parte letter to the Justice of the Peace hearing that matter trying to get more
restrictive restraining orders against Mr. SPENCER. In March 2014, the restraining orders were all
dissolved as there was no credible evidence that Mr. SPENCER was a threat of any kind to
HELMUT KLEMENTI, EGON and/or ELFRIEDE KLEMENTI.

1	B. LEGAL BASIS FOR CLAIMS OF FEES AND/OR COSTS			
2	1. Statutory Basis for a Claim of Fees or Costs			
3	NRS §18.010 provides for an award of attorney's fees as follows:			
4	1. The compensation of an attorney and counselor for his or her services is governed by agreement, express or implied, which is not restrained by law.			
	2. In addition to the cases where an allowance is authorized by specific statute, the			
6 7	<ul> <li>court may make an allowance of attorney's fees to a prevailing party:</li> <li>(a) When the prevailing party has not recovered more than \$20,000; or</li> <li>(b) Without record to the recovery couplet when the court finds that the cloim</li> </ul>			
8	(b) Without regard to the recovery sought, when the court finds that the claim, counterclaim, cross-claim or third-party complaint or defense of the opposing party was brought on printing with provide a to be previously and on to be previously and the previous			
ہ 9	was brought or maintained without reasonable ground or to harass the prevailing party. The court shall liberally construe the provisions of this paragraph in favor of our reling attempts's face in all appropriate situations. It is the intert of the Legislature			
9	awarding attorney's fees in all appropriate situations. It is the intent of the Legislature that the court award attorney's fees pursuant to this paragraph and impose sanctions pursuant to Rule 11 of the Nevada Rules of Civil Procedure in all appropriate situations and defense heaving			
11	situations to punish for and deter frivolous or vexatious claims and defenses because such claims and defenses overburden limited judicial resources, hinder the timely			
12	resolution of meritorious claims and increase the costs of engaging in business and providing professional services to the public.			
13	NRS §18.020 provides for an award of costs to a prevailing party as follows:			
14	Costs must be allowed of course to the prevailing party against any adverse party against whom judgment is rendered, in the following cases:			
15 16	 3. In an action for the recovery of money or damages, where the plaintiff seeks to recover more than \$2,500.			
17	2. Fees Pursuant to NRS §18.010(2)(b)			
18	The Court "may" make an award of fees only if Ms. KINION proves that the Complaint			
19	against her by Mr. SPENCER "was brought or maintained without reasonable ground or to			
20	harass the prevailing party." The Legislative intent as stated in the statute is "to punish for and			
21	deter frivolous or vexatious claims" Emphasis added. Mr. SPENCER's Complaint was brought			
22	with good grounds, not frivolous, nor with an intent to harass or be vexatious.			
23	First, when Mr. SPENCER was acquitted of all criminal charges on September 27, 2013, he			
24	did not initiate a legal proceeding against anyone who made complaints or testified against him in that			
25	criminal process. It was two years later, only after Mr. SPENCER was served with a December 17,			
26	2014, lawsuit by HELMUT KLEMENTI, that he counterclaimed and took action against the Third			
27	Party Defendants for their roles in the criminal charges and other wrongful acts against him, which			
28	included Ms. KINION.			
	6			

1 Second, the argument is made by Ms. KINION that Ms. Pence said "that nothing Kinion said 2 or did affected the criminal charges filed against Spencer." Motion for Attorney's Fees and Costs, 3 pg 3, lns 22-24. What Ms. Pence actually said about bringing criminal charges is that: 4 ... we [referring to Deputy DA's at that time] constantly have a stack of reports. And when we have time, we go through these reports, and we file certain guidelines that 5 we're given, and we make a charging decision. No one is involved in the charging decision except for myself, and then, for example, if I have a question of the deputy 6 that writes the report, I'll call downstairs. I would try and find that out. 7 Transcript of Proceedings January 30, 2017 (hereinafter "Transcript"), pg 16, lines 20-25. The initial 8 officer report which resulted in Mr. SPENCER's arrest on December 18, 2012, does not mention Ms. 9 KINION and, according to her testimony and the responding officer, she was not even there as a non-10 witness to the incident. However, whatever Ms. KINION said and did after that which influenced 11 the reports upon which Ms. Pence relied, could have impacted the bringing of criminal charges, which 12 charges went far beyond the incident of December 18, 2012, going back to May 2012. 13 Third, the whole purpose of the discovery process in civil proceedings is to gather evidence. 14 Before the complaint against Ms. KINION was filed, Mr. ROUTSIS, who represented Mr. 15 SPENCER in the criminal proceeding, knew she had written a letter to Ms. Pence making many 16 accusations against Mr. SPENCER. Mr. ROUTSIS had seen the letter, and had cross examined Ms. 17 KINION in the criminal proceeding about the letter, as did Ms. Pence, but did not have a copy of that 18 letter. There was no way of obtaining that letter from the DA's Office prior to filing the complaint 19 against Ms. KINION. Much later, long after the complaint against Ms. KINION was filed and 20requests had been made to amend the complaint, Mr. ROUTSIS learned that a copy of that letter was 21 in a file Mr. ROUTSIS' investigator had kept from the criminal proceeding, which Mr. ROUTSIS 22 had not known existed.

As part of the standard civil discovery process, the DA's Office had been served with a Subpoena for their records in this case. For an extended period of time the DA's Office failed and refused to respond, and opposed the Subpoena. The partial response to the Subpoena resulted in official production from the DA's Office of that letter from Ms. KINION just shortly before the hearing at which the Court ruled on the Summary Judgment Motion. Further, discovery in response to the Subpoena on the DA's Office is still not complete.

1 In response to the Subpoena, the DA produced a Privilege Log associated with the criminal 2 proceeding, which is a list of emails between 07-18-12 and 12-19-12 relating to Douglas County 3 Planning Commission c/o Community Development. See Exhibit 1 attached hereto. The emails 4 produced in response to the Subpoena were nearly totally redacted, none showing as coming from 5 Ms. KINION, and no Privilege Log for anything other than the Douglas County Planning 6 Commission emails. Yet, Mr. ROUTSIS has discovered that a copy of an email from Ms. KINION 7 to Ms. Pence on April 10, 2013, was also in the file his investigator had kept from the criminal 8 proceeding. See Exhibit 2 attached hereto. As noted, Mr. ROUTSIS had no idea until long after the 9 filing of the complaint against Ms. KINION that his investigator had kept any files after conclusion 10 of the criminal proceedings in 2013.

11 The first Criminal Complaint filed by Ms. Pence on January 16, 2013, alleged intimidation of 12 a witness by an assault on December 18, 2012, of HELMUT KLEMENTI. Transcript, pg 49, lns 1-13 18. According to the language of that first Criminal Complaint, Mr. KLEMENTI was to have testified 14 at the Planning Commission on January 8, 2013. The DA's Office Privilege Log is emails related to 15 the Planning Commission. That charge was dropped from all further proceedings, which leads to a 16 reasonable conclusion there was a change from the initial investigative reports to the subsequent 17 investigative reports. Documentation from the DA's Office in response to the Subpoena, which can 18 reasonably be expected to explain that change in the charges, is still lacking.

19 Ms. Pence testified that with respect to Count 2, which is the gross misdemeanor charge of 20 exploitation of an elderly person, the "information came from a multitude of people. I would guess 21 that in addition to Miss Kinion, I must have had some other information ... such as a police report or 22 law enforcement reports." Transcript pg 72, ln 6 through pg 73, ln 3. This testimony specifically 23 refers to the alleged verbal assault on EGON KLEMENTI of May 27, 2012, an incident for which 24 no complaint was made to any enforcement agency until after the December 18, 2012, incident which 25 led to Mr. SPENCER's initial arrest; to the assault with a snowplow on EGON KLEMENTI of 26 December 12, 2012, to which Ms. KINION was the only claimed witness and for which the 27 investigating officer found no crime had been committed; and to the alleged deliberate snow berms 28 for which there was no evidence, not then and not at trial.

1 Based on the record, which is from incomplete discovery in this matter, the question remains 2 what communications Ms. KINION had which influenced the investigators' reports used by the 3 prosecutor in deciding what charges to file and to pursue against Mr. SPENCER. Although the 4 Court has dismissed the malicious prosecution claim against Ms. KINION, in initiating the case 5 against her, Mr. SPENCER had a very reasonable good faith belief that Ms. KINION was an actor 6 in "initiating, procuring the institution of, or actively participating in the continuation of a criminal proceeding." See LaMantia v. Redisi, 118 Nev. 27, 38 P.3d 877 (2002), defining the elements of a 7 8 malicious prosecution claim.

9 Fourth, it is unknown what records of the criminal proceeding, and specifically filings of 10 charges, Mr. SPENCER's prior civil counsel who prepared the initial Complaint against Ms. KINION 11 had in his possession. As Ms. Pence testified, she made changes in the charges from the initial 12 Criminal Complaint. Transcript, pg 49, lns 1-18. It is not uncommon for charges to be dismissed, 13 amended and/or enhanced as more discovery is obtained in a criminal matter. Ms. PIERCE, who had 14 to replace that prior counsel and who prepared the Opposition to the Summary Judgment Motion, 15 did not have all of the records of the criminal proceeding, which was voluminous and not all in the 16 possession of Mr. ROUTSIS, and as a civil practice attorney she did not clearly understand the record 17 as it related to the criminal process prior to the criminal trial. There was no deliberate attempt to 18 mislead the Court in this matter.

19 Further, the issue of those criminal process records is a red herring, not relevant to the 20 standard for malicious prosecution claims. As cited in opposing Summary Judgment, LaMantia v. 21 Redisi, 118 Nev. 27, 38 P.3d 877 (2002), does not limit malicious prosecution claims only to those 22 who have a role in "initiating" a criminal action, but also to those who have a role in "procuring the 23 institution of, or actively participating in the continuation of a criminal proceeding." Ms. KINION 24 made many allegations in multiple forums against Mr. SPENCER to which she was not a witness and 25 for which there was no evidence, but which allegations were repeated by others and were included 26 in the criminal charges against him. She wrote unsolicited letters to Ms. Pence and testified at the 27 criminal trial against Mr. SPENCER. Malicious prosecution also requires a showing of "malice" 28 defined as "statements made with the knowledge they were false and/or making such statements with a reckless disregard for the truth." *Id. LaMantia*. Ms. KINION made multiple statements she knew
 were not true or, at a minimum, with a reckless disregard for the truth.

Mr. SPENCER did not bring his complaint against Ms. KINION without good grounds based
on reasonable investigation prior to his initial filing against her. It was not frivolous, nor with an
intent to harass or be vexatious. Had that been his intent, he could have filed suit in 2013 immediately
following his acquittal on all charges.

7

### 2. Fees Pursuant to NRS §18.010(2)(a)

8 The Court "may" make an award of fees only if Ms. KINION is "the prevailing party". 9 Although Ms. KINION received Summary Judgment on the malicious prosecution claim, she is not 10the prevailing party until all the claims against her are resolved. Mr. SPENCER had previously 11 moved the Court to amend his counterclaim and third party claims. At the same hearing in which the 12 malicious prosecution claim was dismissed as to Ms. KINION, the Court ordered that as a matter of 13 judicial economy, rather than accept the previously proffered Amended Counterclaim and Third Party 14 Complaint from Mr. SPENCER, the Amended Complaint of HELMUT KLEMENTI would be 15 answered by Mr. SPENCER with his counter and third party claims, excluding only a malicious 16 prosecution charge against Ms. KINION. That Amended Counterclaim and Third Party Complaint 17 was filed, and the claims in that pleading against Ms. KINION have not yet been heard.

Case law cited by Ms. KINION is inapplicable. In *MB Am., Inc. v. Alaska Pac. Leasing Co.*,
367 P.3d 1286, 132 Nev. Adv. Op. 8 (2016), the district court had granted summary judgment in
favor of Alaska Pacific and dismissed of MBA's complaint, which the Supreme Court found to be
sufficient to find Alaska Pacific the prevailing party. In this matter, the case is still proceeding
without adjudication of other charges.

The Supreme Court in *Parodi v. Budetti*, 115 Nev. 236, 984 P.2d 172, 175-176 (1999), addressed the application of NRS 18.010(2)(a) to determine if attorney's fees were warranted in a matter of a consolidated action, where different parties prevailed on different claims, and reversed an award of fees holding: "Here, after offsetting the three monetary awards in the separate claims, the net verdict was in favor of Parodi. Thus the award of fees and costs to the Budettis cannot be affirmed and must be reversed."

1	The Parodi Court cited to Robert J. Gordon Constr. v. Meredith Steel, 91 Nev. 434, 439, 537
2	P.2d 1199 (1975), in which the Supreme Court reversed an award of fees, holding:
3 4 5	NRS 18.010 explicitly limits award of attorneys fees by a court to those cases in which the recovery is \$10,000 or less. We have interpreted the statute to mean that the total amount of the judgment is to be considered in arriving at the \$10,000 limit. Person v. Freeman, 86 Nev. 850, 477 P.2d 876 (1970). In Peterson, as here, the total award represented recovery on two separate counts. That case is controlling and the district court's award of attorneys fees is reversed.
6	The Parodi Court also cited to Peterson v. Freeman, 86 Nev. 850, 856, 477 P.2d 876 (1970),
7 8	saying:
9 0	In Gordon and Peterson, multiple claims were litigated in the same lawsuit. Some of the claims were worth less than the statutory cap under NRS 18.010(2). However, the aggregate or net judgments in the case exceeded the statutory cap. "The court held that it is the value of the total judgment which controls, not the individual claims."
1 2	Id. at 984 P.2d 175, emphasis added.
<sup>2</sup> 3	Until such time as Ms. KINION can be said to be the prevailing party on all claims against her,
4	she has no statutory right to attorney's fees.
5	3. Costs Pursuant to NRS §18.020
6	An award of costs can only be made to a prevailing party, and as addressed hereinabove, Ms.
7	KINION cannot be said to be the prevailing party until all claims against her have been adjudicated.
8	In an abundance of caution, the items claimed in the Memorandum of Costs and
9	Disbursements are also objected to by Mr. SPENCER. Ms. KINION is claiming costs for "Clerks'
0	Fees" for Demand for Change of Venue, Initial Appearance, Reply in Support of Demand for Change
1	of Venue, and for "Court Reporters' Fees" for depositions of Rowena & Peter Shaw and Jeffery
2	Spencer, transcripts of Pre-Trial Conference, Marilyn & Jeffery Spencer Trial <sup>2</sup> , and Status Hearing.
3	All of these costs are part of the larger case expenses, which case is continuing, and cannot be said
4	to have been incurred on the grounds asserted by Ms. KINION for Summary Judgment of the
5	malicious prosecution claim. It is not clear to what extent the remaining costs claimed could be said
6	to be incurred solely due to the Summary Judgment Motion since no detail is provided, so such costs
7	are also disputed.
28	<sup>2</sup> There was no trial of Marilyn Spencer; she faced no charges and is not a party herein.

#### 1 Conclusion

2 Mr. SPENCER's Complaint was based on his reasonable belief, with investigation that could 3 be done prior to a civil filing, that by inserting herself into this matter, Ms. KINION's making allegations against him of things she did not witness, including two of the three crimes she alleged 4 5 and, based on the evidence, the third crime she alleged never even occurred, contributed to either 6 initiating, procuring the institution of, and/or actively participating in the continuation of a criminal 7 proceeding against him. The evidence shows Ms. KINION lied, including under oath, about what 8 she supposedly witnessed, and testified under oath about things that did not happen, which is 9 evidence of malice.

10 Since there cannot be a finding that Mr. SPENCER brought or maintained the malicious 11 prosecution claim against Ms. KINION without reasonable ground, or to harass her, or that the claim 12 was frivolous, and there cannot be a finding that Ms. KINION is the prevailing party as long as there 13 are unlitigated claims against her, the Motion for Attorney's Fees and Costs must be denied. 14 The undersigned affirm pursuant to NRS §239B.030 that this pleading does not contain the

15 social security number of any person.

#### Pence, Maria

From; Sent: To: kinionm@aol.com Wednesday, April 10, 2013 10:49 AM Pence, Maria

Dear Maria Pence,

I met you once with Elfie Klementi, Yesterday I was excited about the denial of the Spencer fence. Marilyn's lawyer made a comment that has alarmed me because it could come up in the future. He stated something to the effect that Marilyn walks her dog every day at 4 pm and was very fearful of Egon Klementi because she has had to pass him in the woods 4 or 5 times. From Marilyn's past history, I think she will try to turn this into a staking issue. The fullh is, Marilyn could walk up Judiper, her street, and enter the woods on a perfectly good trail and shorter moute from her nouse and she would not even run into Egon. She instead elects to walk all the way around the Klementi's house and up Meadow Lane to the woods. Egon takes short walks with his two tiny dogs many times during the day.

assault of an elderly neighbor, Helmut Klementi. Spencer was acquitted of the criminal
 charges. Helmut Klementi then filed a civil action against Spencer seeking recovery for
 personal injuries arising from the alleged assault. In turn, Spencer asserted a counterclaim
 against Kinion and others consisting of claims for malicious prosecution and civil conspiracy.

5 Kinion now moves this Court for an Order granting summary judgment. Kinion avers

8

### Summary Judgment Standard

9 Summary judgment is appropriate when the record demonstrates that no genuine issue 10 of material fact exists and the moving party is entitled to judgment as a matter of law. Wood v. 11 Safeway, Inc., 121 Nev. 724,729,121 P.3d 1026, 1029 (2005). The pleadings and the record are 12 construed in the light most favorable to the nonmoving party. Id. However, the nonmoving 13 party must do more than simply show that there is some metaphysical doubt as to the material 14 facts. Id. at 732 See also Torrealba v. Kesmetis, 124 Nev. 95, 100, 178 P.3d 716, 720 (2008) 15 (explaining the burden on the moving party is to set forth facts demonstrating the existence of a 16 genuine issue in order to withstand a disfavorable summary judgment.")

17 The Supreme Court of Nevada follows the federal approach outlined in Celotex Corp. v. 18 Catrett, 477 U.S. 317, 106 S.Ct. 2548, 91 L.Ed.2d 265 (1986) with respect to burdens of proof 19 and persuasion in the summary judgment context. See Cuzze v. Univ. & Comty. College Sys. 20 Of Nevada, 123 Nev. 598, 601, 172 P.3d 131, 134 (2007). The party moving for summary 21 judgment bears the initial burden of production to show the absence of a genuine issue of 22 material fact. Celotex, 477 U.S. at 323, 106 S.Ct. 2548. If such a showing is made, then the party opposing summary judgment assumes a burden of production to show the existence of a 23 24 genuine issue of material fact. Wood. 121 Nev. At 732, 121 P.3d at 1031. The manner in which a party may satisfy its burden of production depends on which party moving for summary 25 judgment may satisfy the burden of production by either (1) submitting evidence that negates 26 27 an essential element of the nonmoving party's claim. Or (2) "pointing out ... that there is an absence of evidence to support the nonmoving party's case." Cuzze, 123 Nev. At 302-03, 172 28

1	P.3d at 134. In such cases, in order to defeat summary judgment, the nonmoving party must				
2	transcend the pleadings and, by affidavit or other admissible evidence, introduce specific facts				
3	that show a genuine issue of material fact. Wood, 121 Nev. At 732, 121 P.3d at 1031.				
4	Discussion				
5	On February 3, 2015, Spencer filed a document entitled Answer and Counterclaims. In				
6	the Counterclaim, Spencer alleges the following:				
7 8	14. On December 18, 2012, Kinion attended a KGID board meeting and stated that she witnessed Spencer use his snow plow to intentionally batter E. Klementi with snow, ice and debris.				
9 10	21. That the statements of Counterdefendants E. Klementi, El. Klementi and Kinion concerning Spencer's use of the snow plow to (i) berm in the Klementi's driveway and (ii) intentionally cause E. Klementi to be battered with snow, ice and/or debris from the				
11	road were false.				
12 13	24. The above-mentioned false statements were made by the Counterdefendants for the purpose of persuading and inducing the State to prosecute Spencer for Exploitation of an Elderly Person pursuant to NRS 200.0592 and NRS 200.0599.				
14 15 16	26. The false statements outlined above actually caused the State to institute criminal proceedings and charge Spencer with three counts of Exploitation of an Elderly Person pursuant to NRS 200.0592 and NRS 200.0599 predicted entirely upon the false and malicious statements of the Counterdefendants.				
17	The Counterclaim alleges claims for Malicious Prosecution (First Claim for Relief) and				
18	-				
19	are: "(1) want of probable cause to initiate the prior criminal proceeding; (2) malice; (3)				
20 21	termination of the prior criminal proceedings; and (4) damages." LaMantia v. Redisi, 118 Nev.				
21	27, 38 P.3d 877, 879-80 (2002). The Nevada Supreme Court has explained that "[a] malicious				
22 23	prosecution claim requires that the defendant initiated, procured the institution of, or actively				
23 24	participated in the continuation of a criminal proceeding against the plaintiff." Id.				
24 25	In this case, the undisputed facts show that on December 18, 2012, the incident between				
25 26	Helmut Klementi and Spencer occurred. It is alleged that Spencer assaulted Helmut Klementi				
20 27	while he was in the street taking pictures of the snow berm in front of his brother's house. The				
27 28	Douglas County Sheriff's Office responded and conducted an investigation of the incident. As				
	3				

\_ \_ \_

part of that investigation, Douglas County Deputies interviewed Helmut Klementi, Egon
Klementi, Elfie Klementi, Janet Wells, Spencer and Marilyn Spencer. According to the
Douglas County Sheriff's Report Spencer informed the sheriff deputies that he attacked Helmut
because he believed Helmut was breaking into his truck. Spencer also claimed that he thought
Helmut was a teenager in a hoodie. Ultimately, the sheriff deputies did not find Spencer's
account to be credible and, as a result, Spencer was arrested for battery and abuse of an elder.

7 Following Spencer's arrest, the Douglas County Deputy District Attorney's office 8 pursued criminal charges. At the hearing on January 30, 2017, Maria Pence, the Douglas 9 County Deputy District Attorney who prosecuted the criminal matter against Spencer testified. 10 Ms. Pence testified that no one was involved in the charging decision other than herself. She 11 further testified that the original charges filed against Spencer were for Battery, a misdemeanor, 12 Intimidation of a Witness to Influence Testimony, a Category D Felony, and Exploitation of an 13 Elderly Person, a gross misdemeanor. Later, the gross misdemeanor charge was enhanced to a 14 felony by Ms. Pence based on the medical records that showed that Helmut Kelmenti had 15 received substantial body injuries.

16 The undisputed facts show that Kinion had no involvement in the Douglas County Deputy Sheriff's decision to arrest Spencer on December 18, 2012. The facts also show that 17 18 while Kinion met with Ms. Pence at the Tahoe Justice Court, nothing that Kinion did or said 19 resulted in the charges against Spencer being enhanced. Kinion was simply told by Ms. Pence 20 that, "if you have any information you think that would be relevant or helpful, please write it 21 down and send it to the District Attorney's Office." Transcript p. 22: 16-23. Kinion did that and 22 sent a letter to the District Attorney's Office that was received in that office on February 22, 23 2013. Exhibit 1.

Based on the foregoing, Spencer has failed to provide any evidence that would support
a claim for malicious prosecution against Kinion. For these reasons, summary judgment on the
claim for malicious prosecution is GRANTED.

27

///

Conclusion The Court has considered the pleadings, the exhibits attached thereto, and the record in its entirety. Accordingly, and good cause appearing, the Court GRANTS the Motion for Summary Judgment. IT IS SO ORDERED DATED this 3/ day of Mult, 2017. DISTRICT JUDGE 

ļ

1 Í. 2 MEMORANDUM OF POINTS AND AUTHORITIES 3 Kinion is Entitled to Attorney Fees and Costs. 4 NRS 18.010(2)(b) states: 5 Without regard to the recovery sought, when the court finds that the claim, counterclaim, cross-claim or third-party complaint or defense of the opposing 6 party was brought or maintained without reasonable ground or to harass the prevailing party. The court shall liberally construe the provisions of this 7 paragraph in favor of awarding attorney's fees in all appropriate situations. It is the intent of the Legislature that the court award attorney's fees pursuant to 8 this paragraph and impose sanctions pursuant to Rule 11 of the Nevada Rules 9 of Civil Procedure in all appropriate situations to punish for and deter frivolous or vexatious claims and defenses because such claims and defenses overburden 10 limited judicial resources, hinder the timely resolution of meritorious claims and increase the costs of engaging in business and providing professional services to 11 the public.(Emphasis added). 12 The evidence and testimony in this matter unequivocally shows that Kinion had 13 absolutely nothing to do with Spencer's arrest, the charges brought against him, or the 14 enhancement of the gross misdemeanor for exploitation of an elderly person. Rather, these 15 decisions were made solely by Douglas County law enforcement. This fact has already been 16 litigated and culminated with this Court granting Kinion's Motion for Summary Judgment in 17 regard to Spencer's malicious prosecution claim on January 31, 2017. 18 In Spencer's Opposition to Kinion's motion for attorney's fees and costs 19 ("Opposition"), Spencer attempts to re-litigate the extent of Kinion's involvement in an effort 20 to justify his malicious prosecution claim. However, in doing so, he only confirms that such 21 claim was brought without reasonable grounds. Accordingly, Kinion's motion must be granted 22 pursuant to NRS 18.010. 23 Central to this dispute is a letter Kinion wrote to Ms. Pence on or around February 22, 24 2013. According to Ms. Pence, the letter was drafted after Ms. Pence spoke to Kinion and 25 stated "if you have any information you think would be relevant or helpful, please write in 26 down and send it to the District Attorney's Office." "Exhibit 1," Hearing Transcript, p. 22:21-27 23. In his Opposition, Spencer states "whatever Ms. Kinion said and did after that which 28

1 influenced the reports upon which Ms. Pence relied, could have impacted the bringing of 2 criminal charges, which charges went far beyond the incident of December 18, 2012, going 3 back to May 2012." Opposition, p. 7:10-12. This statement is speculative, conclusory, and 4 completely contrary to all evidence and testimony. Indeed, the criminal charges against 5 Spencer were filed before the February 22, 2013 letter. Moreover, Ms. Pence has stated, under 6 oath, that Kinion had no effect on Spencer's arrest or the charges brought against him, and that 7 the decision to enhance the exploitation of the elderly charge from misdemeanor to felony was 8 based on the medical records rather than statements from Kinion. Exhibit 1, p. 14:8-10.

9 In his Opposition, Spencer even admits that neither he, nor his counsel, had a copy of 10 the February 22, 2013 letter when the claim against Kinion for malicious prosecution was 11 asserted. The Opposition also relies on alleged testimony made at the criminal trial but has 12 failed to produce the transcripts from that trial for Kinion or the court to review. See, 13 Opposition Brief p. 2:19-20, p. 3:22-25, p. 4:1-3. In essence, Spencer's claim that Kinion did 14 or said something to affect Spencer's criminal is not only untrue, but is also based on 15 supposition as to what the evidence of the criminal trial was, as opposed to the evidence itself. 16 This is a simple, clear, and obvious example of bringing a counterclaim without "reasonable 17 grounds," and it is readily apparent that the counterclaim was frivolous and vexatious. A 18 frivolous claim is one that is "both baseless and made without a reasonable and competent 19 inquiry." Bergmann v. Boyce, 109 Nev. 670, 676, 856 P.2d 560, 564 (1993), citing Townsend 20 v. Holman Consulting Corp., 929 F.2d 1358, 1362 (9th Cir.1990).

21

### B. <u>Kinion is Entitled to Attorney's Fees and Costs Despite Spencer Having</u> <u>Outstanding Claims</u>

22

Spencer argues that Kinion has no right to attorney's fees, because she is not the prevailing party on all the counterclaims against her. This is an incorrect interpretation of the law. Kinion does not need to succeed on each claim in order to recover attorney's fees for one baseless claim. First, such an interpretation of the law is contrary to the plain language of NRS 18.010(2)(b), which provides for an award of attorney's fees. "when the court finds that the claim, counterclaim, cross-claim or third-party complaint or defense of the opposing party was

brought or maintained without reasonable ground." (Emphasis supplied). The statute is silent
in regard to final adjudication of all claims between parties, and instead provides, for an award
of attorney's fees at the time a claim is found to be baseless. Moreover, the statute reads that
the courts should punish the filing of baseless claims, as they "hinder the timely resolution of
meritorious claims." This inherently implies that the statute is designed to allow courts to
quickly dispose of frivolous claims in order to more efficiently adjudicate over the remaining
meritocrats claims.

8 Nevada caselaw also supports the notion that Kinion need not prevail on each and every 9 claim in order to be awarded attorney's fees incurred in defending a frivolous claim. As the 10 Nevada Supreme Court has noted, "the prosecution of one colorable claim does not excuse the 11 prosecution of five groundless claims." Bergmann, at 675, 856 P.2d at 563 citing Trus Joist 12 Corp. v. Safeco Ins. Co. of Am., 153 Ariz. 95, 735 P.2d 125, 140 (Ct.App.1986). In that case, 13 the Court determined that even if some claims were meritorious while others were baseless. 14 trial courts should allocate attorney's fees between the grounded and groundless claims. Id. at 15 676, 856 P.2d at 563, citing Hornwood v. Smith's Food King No. 1, 107 Nev. 80, 87, 807 P.2d 16 208, 213 (1991).

17 C. <u>Conclusion</u>

Nothing that Kinion said or did affected the criminal charges brought against Spencer.
Based on the evidence and admissions contained in Spencer's Opposition, it is clear the
malicious prosecution claim was filed without reasonable grounds and solely to harass.
Nevada statute and caselaw encourages quick disposal of such frivolous claims and provides
for an award of reasonable attorney's fees and costs in order to discourage litigants from
bringing baseless claims. Accordingly, Kinion should therefore be awarded her attorney's
fees and costs.

### **AFFIRMATIVE DEFENSES**

Affirmative Defense One: Failure to State a Claim. The allegations contained in the Plaintiff's Complaint fails to state a cause of action against Defendants upon which relief can be granted.

Affirmative Defense Two: *Comparative Fault of the Plaintiff*. Plaintiff's damages, if any, were proximately caused and contributed to, in whole or in part, by Plaintiffs' own conduct, thereby completely or partially barring the Plaintiffs' recovery herein; and any judgment in favor of the Plaintiffs against these answering Defendants should be reduced in proportion to Plaintiffs' own comparative negligence.

Affirmative Defense Three: Comparative Fault of the Plaintiff as Complete Bar to
 *Recovery*. The incident alleged in the Complaint and the alleged injuries and damages, if
 any, to Plaintiff was proximately caused or contributed to by Plaintiff's own negligence,
 and the negligence of the Plaintiff exceeds the negligence, if any, of the Defendants, and the
 Plaintiff is therefore barred from any recovery at all.

Affirmative Defense Four: *Fictitious Defendants*. Defendants are not legally responsible
 for the acts and/or omissions of those who are named as fictitious defendants.

Affirmative Defense Five: Comparative Fault of Unnamed Third Parties. Plaintiff's injuries and damages, if any, were proximately caused and contributed to, in whole or in part, by the acts or omissions of others not named in this lawsuit; wherefore any recovery obtained by Plaintiff from these Defendants should be reduced by an amount equal to the percentage of the fault of those unnamed persons.

Affirmative Defense Six: Apportionment of Fault among Named Defendants. Plaintiff's damages, if any, were proximately caused and contributed to, in whole or in part, by the acts or omissions of the other named defendants; wherefore any fault assigned in this case must be divided between the defendants so that each defendant pays only his, her, or its own share.

Affirmative Defense Seven: *Pre-existing or Otherwise Unrelated Cause*. The injuries and damages claimed to have been suffered by the Plaintiff, if any, were caused by pre-existing, subsequent, or otherwise unrelated medical conditions, diseases, illnesses, infections, or other incidents affecting the Plaintiff.

Affirmative Defense Eight: Treatment Not Reasonable, Related, or Medically Necessary.
 Plaintiff's alleged medical treatment and related expenses were not reasonable, not related
 to injuries sustained as a result of Defendants' negligence, if any, and/or not medically
 necessary.

Affirmative Defense Nine: Speculative Damages. The damages alleged by the Plaintiff
 are speculative, are not supported by proof, and are not compensable as a matter of law.

Affirmative Defense Ten: Unforeseeability of Injuries and Damages. The injuries and
 damages Plaintiff allege to have sustained were unforeseeable.

Affirmative Defense Eleven: Attorney's Fees and Costs. Defendants have employed the services of an attorney to defend this action and a reasonable sum should be allowed Defendants for attorney's fees and for costs incurred in defending this action.

Affirmative Defense Twelve: Additional Affirmative Defenses. Pursuant to Nevada
 Rules of Civil Procedure, Rule 11, as amended, all possible affirmative defenses may not
 have been alleged herein insofar as sufficient facts were not available after reasonable

26	THIS MATTER comes before the Court upon	Counter-defendant Mary Ellen Kinion's
27	Motion for Attorney's Fees and Costs. The motion is	opposed. Having examined all relevant
28	pleadings and papers on file herein, the Court now ent	ters the following Order, good cause
	-	
	1	

appearing: 1 2 THAT the motion is partially GRANTED as set forth below. 3 On January 30, 2017, the Court granted Mary Ellen Kinion's motion for summary 4 judgment regarding the claim of malicious prosecution alleged against her by Jeffrey 5 Spencer.<sup>1</sup> The resulting written Order was filed on April 3, 2017. Mary Ellen Kinion now 6 seeks an award of attorney's fees and costs pursuant to NRS Ch. 18, having prevailed with 7 8 regard to that claim. 9 Nevada Revised Statute 18.010(2)(b) provides that "the court may make an allowance 10 of attorney's fees to a prevailing party:" 11 Without regard to the recovery sought, when the court finds that the claim, 12 counterclaim, cross-claim or third-party complaint or defense of the opposing party was brought or maintained without reasonable ground or to harass the prevailing party. The court shall liberally construe the provisions of this paragraph in favor of awarding attorney's fees in 13 all appropriate situations. 14 The Court finds that Jeffrey Spencer's claim for malicious prosecution was brought 15 and maintained without reasonable ground. Not only did the facts not support such a claim as 16 delineated within the written order granting summary judgment, probable cause to initiate the 17 18 prior criminal proceeding was not wanting, eliminating a necessary element to the malicious 19 prosecution claim. 20 "[T]he elements of a malicious prosecution claim are: '(1) want of probable cause to 21 initiate the prior criminal proceeding; (2) malice; (3) termination of the prior criminal 22 proceedings; and (4) damage." LaMantia v. Redisi, 118 Nev. 27, 30, 38 P. 3d 877, 879 23 (2002). A "malicious prosecution claim requires that the defendant initiated, procured the 24 25 institution of, or actively participated in the continuation of a criminal proceeding against the 26 plaintiff." Id., 118 Nev. at 30, 38 P.3d at 879-80. "[T]o recover for malicious prosecution, 27 28 Egon Klementi and Elfriede Klementi formally joined in the motion for summary judgment.

plaintiff had to demonstrate that police officers 'commenced the criminal prosecution because
of direction, request, or pressure' from defendants." *Lester v. Buchanen*, 112 Nev. 1426,
1429 (1996) (summary judgment sustained because record uncontroverted that defendant had
a good faith belief that crime committed).

"It is only when the facts relating to probable cause are not in dispute that it becomes a 6 question of law. Bonamy v. Zenoff, 77 Nev. 250, 362 P.2d 445. When such facts are in 7 dispute, the issue is one of fact to be resolved by the trier of fact." Miller v. Schnitzer, 78 8 9 Nev. 301, 313, 371 P.2d 824, 830 (1962) ("conflicting evidence in malicious prosecution 10 action raised jury question as to whether defendant had given 'housekeeping money' to 11 plaintiff to do with as plaintiff pleased or whether plaintiff had embezzled such money"). 12 Focusing on the first two elements of the four required to sustain a civil claim for 13 malicious prosecution, malice can be inferred from a want of probable cause. Id., 371 P.2d at 14 831. Regarding want of probable cause however, within his opposition to the motion for 15 16 summary judgment Jeffrey Spencer attached a copy of the criminal complaint initiating the 17 criminal court case against him. That complaint alleged a misdemeanor violation of NRS 18 200.481 and NRS 193.167, Battery on a Person Over 60 Years of Age, to wit: Jeffrey 19 Spencer "did willfully and unlawfully use force and violence against Helmut Klementi" when 20 he "struck Mr. Klementi in the back and knocked him to the ice covered road of Charles 21 Avenue, all of which occurred in the County of Douglas, State of Nevada" on or about 22 23 December 18, 2012. See Exhibit 1 to Opposition to Motion For Summary Judgment filed on 24 May 18, 2016. 25 Within the Second Amended Complaint and Third Party Complaint, Jeffrey Spencer 26 alleged the following: 27 28 111

67. Evidence presented at trial established that HELMUT KLEMENTI had been knocked down by JEFFERY SPENCER who had run down his stairs and chased the figure he had seen by his truck, but there was no evidence that JEFFERY SPENCER had punched HELMUT KLEMENTI, and there was no credible evidence of intent to cause substantial bodily injury.

2

3

4

Second Amended Counterclaim and Third Party Complaint filed on August 19, 2016, p. 9, lines 23-26. 5

Thus, by his own admission it is uncontroverted that Jeffrey Spencer knocked down 6 7 Helmut Klementi, who is known to be a man over sixty years of age. "It is firmly established. 8 . that the finding of probable cause may be based on slight, even marginal, evidence. Sheriff v. 9 Badillo, 95 Nev. 593, 600 P.2d 221 (1979); Perkins v. Sheriff, 92 Nev. 180, 547 P.2d 312 (1976). 10 The state need only present enough evidence to create a reasonable inference that the accused 11 committed the offense with which he or she is charged. LaPena v. Sheriff, 91 Nev. 692, 541 P.2d 12 907 (1975)." State v. Boueri, 99 Nev. 790, 795, 672 P.2d 33, 36 (1983). 13

14 The Court finds it is established that Jeffrey Spencer knocked Helmut Klementi down as 15 alleged within the relevant criminal complaint. The Court concludes that such act in and of itself 16 provides probable cause for the crime originally alleged, noting that a magistrate also previously 17 concluded probable cause was present, thereby allowing the criminal prosecution of Jeffrey 18 Spencer to have moved forward; with probable cause established, the first element of a claim for 19 20 malicious prosecution, specifically that there be want of probable cause, cannot be satisfied and 21 no reasonable jury could so find.

22 With no basis factually or legally to bring the claim, the Court finds and concludes that 23 Jeffrey Spencer's claim for malicious prosecution was alleged without reasonable basis. 24 Therefore, pursuant to NRS 18.010(2)(b), attorney's fees are hereby awarded to the prevailing 25 party, Mary Ellen Kinion, in the amount of \$14,870.00 with regard to that claim. 26

In determining whether an award of attorneys' fees is reasonable, four factors provided 27 28 within Brunzell v. Golden Gate Nat'l Bank, 85 Nev. 345, 349, 455 P.2d 31, 33 (1969), are to be considered. Based upon those four factors, the Court hereby determines that attorney's fees of
 \$14,870.00 are reasonable in accordance with the following findings:

3 1. Professional Qualities: The law firm of Glogovac & Pintar is known to practice 4 regularly and successfully in the State of Nevada, serving clients well during formal litigation of 5 disputes. Based upon the quality of the pleadings contained within the record and the breadth of 6 knowledge required to properly conduct the motion practice and defense conducted thus far in 7 8 this matter, the Court finds the professional qualities of the primary billing attorney, Michael 9 Pintar, as well as the law firm of Glogovac & Pintar, to be more than satisfactory and reasonable, 10 particularly considering the maximum billing rate of only \$150.00 per hour reflected within the 11 supporting affidavit.

2. Character Of Work To Be Done: The motion for summary judgment, opposition, 13 reply, and supporting documentation reflect the substance of the underlying and current disputes 14 15 between the parties, with the nature of the matter being important to both sides. The legal work 16 necessary consisted of conducting and participating in contested litigation, which in turn required 17 legal analysis and research in preparation for, and specific to, this matter as it has progressed 18 through the specific motion practice. Motion practice itself is an acquired skill possessed by the 19 parties' counsel, including the presentation of oral arguments during multiple hearings in this 20 instance. Pursuit of discovery was also necessary. 21

12

3. The Work Actually Performed: Based upon the Court's observations during oral
 argument and while analyzing the substance of the pleadings during the course of this motion
 practice, the Court finds the work presented by Glogovac & Pintar to have been eminently
 satisfactory and reasonable.

4. The Result Obtained: After pursuit of discovery, submission of written briefs, and
presentations in open court, including examination of a testifying witness, summary judgment

1 was entered in favor of the counter-defendant with regard to malicious prosecution. Entry of
 2 summary judgment is not a result often achieved in litigation practice.

"[G]ood judgment would dictate that each of these factors be given consideration by the
trier of fact and that no one element should predominate or be given undue weight." *Brunzell*,
85 Nev. at 349, 455 P.2d at 33. Considering the subject matter presented during the motion
practice at issue, the quality and character of the work, the work actually performed, and the
result achieved, the Court finds the amount of attorney fees originally requested to be in
accordance with the *Brunzell* factors and reasonable.

However, the requested fees of \$16,160.00 have been reduced by \$1,290.00 based upon a review of the supporting billing sheets, which reveals several items not pertinent to the summary judgment motion such as entries dated 4/8/16 (re: declaratory relief action), 4/20/16 (review of case file regarding procedural irregularities), 5/6/16 (meeting with insured re: legal status), 5/22/16 (substitution of counsel and re: amending complaint), and 8/18/16 (opposition to motion to amend).

Regarding an award of costs, to the extent discretion is afforded the Court within NRS
18.050, costs of \$1,083.75 are hereby awarded to Mary Ellen Kinion, consisting of court
reporters' fees of \$262.50 for the deposition of Rowena and Peter Shaw, \$330.00 (appearance
fee for hearing), and \$491.25 for transcripts of Marilyn & Jeffery Spencer Trial. All other
costs contained within the Memorandum of Costs and Disbursements filed into the Court's
record on March 21, 2017, may be pursued further upon the conclusion of this matter.

1 This Motion is made and based upon the Nevada Rules of Civil Procedure, the 2 pleading and papers on file herein, the Memorandum of Points and Authorities herein, the 3 exhibits attached hereto, and upon such other oral or documentary evidence as may be 4 presented at the time of the hearing. 5 Dated this 23rd day of February/2018 6 ~ M. Cypes 7 NIKA M. CAPERS 8 Nevada Bar No. 10867 9 6750 Via Austi Parkway, Suite 310 Las Vegas, NV 89119 10 tcapers@amfam.com Attorney for Defendant Rowena Shaw and Peter Shaw 11 12 13 **MEMORANDUM OF POINTS AND AUTHORITIES** 14 I. 15 **UNDISPUTED STATEMENT OF FACTS** 16 1. This is an action stemming from disputes in the Kingsbury Grade General 17 Improvement District ("KGID") on the south shore of Lake Tahoe. 18 2. Peter and Rowena Shaw ("Shaws") have lived in the KGID neighborhood for 19 over thirty-seven (37) years. During the summer of 2012, Helmut and Egon Klementi also 20 lived in the neighborhood. Since then, Mr. Helmut Klementi has passed. His brother Egon 21 still lives in the neighborhood with his wife Elfie Klementi. Egon and Elfie Klementi live 22 across the street from Defendant/Third-Party Plaintiff Jeffrey Spencer ("Spencer"). 23 3. Spencer is employed as a snowplow operator during winter months. 24 4. In the summer of 2012, a dispute arose between the aforementioned neighbors 25 including Mary Ellen Kinion ("Kinion") and Spencer. The dispute escalated to the point that 26 in 2013, Spencer was criminally prosecuted for assault on Helmut Klementi. In response, 27 Spencer asserted a counterclaim against Helmut Klementi, Kinion, Egon and Elfie Klementi 28 2

and the Shaws.

5. During the spring of 2012, Spencer built a six foot tall fence around his property.

6. The height of the fence created a blind intersection in front of the Shaws residence and created a public safety risk. See Exhibit A, Rowena Shaw's Deposition, Page 8, lines 23-25 and Page 9, lines 1 & 2. Due to the risk factor the fence presented, Rowena Shaw contacted KGID because she believed they were responsible for code enforcement and was eventually referred to the DA's Office and the Planning Commission. Id. at Page 9, lines 3-8.

117. The Shaws wrote a letter to the Planning Commission regarding the risk the12fence presented and was informed the Spencers requested a variance. Id. at Page 9, lines 9-17.

8. Eventually, the fence was required to be removed.

9. The Shaws have approximately 6 security cameras on their property. The hard
drive stores what the video records. Mrs. Shaw is not sure if the storage is 15 or 30 days. <u>Id.</u>
at Page 11, Lines 18-25

10. Around December of 2012, the Shaws installed the cameras because of
difficulties between the Spencers and neighbors. <u>Id</u>. at Page 14, lines 10-25 and Page 15, line

20 11. In mid-December 2012, the Shaws' driveway was bermed and their flower bed
21 was destroyed by the plow. Id. at Page 15, lines 2-19.

<sup>22</sup> 12. On December 18, 2012, the Shaws went to a KGID meeting for the first time
 <sup>23</sup> due to concerns regarding their driveway being bermed and flowerbed being destroyed. <u>Id</u>. at
 <sup>24</sup> Page 17, lines 16-23. They spoke at the meeting during the public comment portion and also
 <sup>25</sup> commented on the Spencer's fence. <u>Id</u>. at Page 20, lines 1-12.

13. The Board President at the KGID meeting, Dr. Norman suggested the Shaws
"keep documenting and to take pictures." <u>Id.</u> at Page 20, lines 20-15 and Page 21, line 1.

2	14. After the KGID meeting, the Shaws went out of town and have no first-han
	knowledge of the incident involving Spencer and Helmut Klementi. Id at Page 21, lines 9-25.
	15. When the Shaws returned home two days after the KGID meeting, a voicema
	from Elfie Klementi informed them that Helmut had been assaulted. Id at Page 22, lines 1-9.
	16. Around two weeks after the incident, a police agency contacted the Shaws an
	asked to look at any videos from their cameras from the night of the incident. Id at Page 24
	lines 3-24
	17. The DA's office eventually contacted the Shaws and asked for a copy of their
	video. Id at Page 40, lines 6-22.
	18. Mrs. Shaw made a copy of the video and Officer Schultz picked it up at he
	home. <u>Id</u> . at Page 41, lines 12-25.
	19. There is no evidence that the Shaws had any involvement in Deputy McKone <sup>3</sup>
$\ $	decision to arrest Spencer on December 18, 2012. See Exhibit B, Deposition of Office
	McKone, <u>Id</u> . at Page 62, lines 2-24.
	20. The Shaws were not involved in the criminal prosecution against Spencer unt
	the Deputy District Attorney contacted them and requested they provide any information that
	they may have regarding the incident and events relevant to the neighborhood.
	21. As part of Spencer's trial, only Mrs. Shaw was subpoenaed and required t
	provide testimony. Her only testimony was regarding her security cameras.
	22. In a January 2017 hearing before this Court, Deputy District Attorney Mari
	Pence testified that the Shaws had no involvement in her charging decisions regardin
	Spencer.
	II.
	LAW AND ARGUMENT
	1. Summary Judgment is appropriate when there is no dispute as to the materia facts in question.
	Summary judgment is appropriate under NRCP 56 when the pleadings, depositions
	4

answers to interrogatories, admissions, and affidavits, if any, that are properly before the court demonstrate that no genuine issue of material fact exists, and the moving party is entitled to judgment as a matter of law. *Wood v. Safeway, Inc.*, 121 Nev. 724, 121 P.3d 1026 (Nev. 2005).

A genuine issue of fact is one that is relevant to an element of a claim or defense and whose existence might affect the outcome of the suit. The materiality of a fact is thus determined by the substantive law governing the claim or defense. *Anderson v. Liberty Lobby*, *Inc.*, 477 U.S. 242, 247-48 (1986).

When reviewing a motion for summary judgment, the evidence, and any reasonable 10 inferences drawn from it, must be viewed in a light most favorable to the nonmoving party. 11 Wood v. Safeway, Inc., 121 P.3d 1026 (2005) citing Tucker v. Action Equip. and Scaffold Co., 12 113 Nev. 1349, 1353, 951 P.2d 1027, 1029 (1997). "This court has often stated that the 13 nonmoving party may not defeat a motion for summary judgment by relying 'on the gossamer 14 threads of whimsy, speculation and conjecture.' As this court has made abundantly clear,' 15 [w]hen a motion for summary judgment is made and supported as required by Rule 56, the 16 nonmoving party may not rest on upon general allegations and conclusions, but must, by 17 affidavit or otherwise, set forth specific facts demonstrating the existence of a genuine factual 18 issue." Id. at. 730-7310, 1030-31. The nonmoving party "must, by affidavit or otherwise, set 19 20 forth specific facts demonstrating the existence of a genuine issue for trial or have summary 21 judgment entered against him." Matsushita Electric Industrial Co. v. Zenith Radio, 475 U.S. 22 574, 106 S.Ct. 1348. (1984). Mere conclusory allegations are not enough to satisfy this 23 burden. Bird v. Casa Royale West, 624 P.2d 17, 19 (1981).

With respect to the burden of proof and burden of persuasion in the summary judgment
context, Nevada follows the federal approach outlined in *Celotex Corp. v. Catrett*, 477 U.S.
317 (1986). See *Clauson v. Lloyd*, 103 Nev. 432, 743 P. 2d 631 (1987) (explaining *Celotex's*application in Nevada). See also *Wood v. Safeway, Inc.*, 121 Nev. 724, 731-32, 121P.3d1026,
1031 (2005) (adopting the summary judgment standard set forth in *Celotex* and other Supreme

Court decisions).

1

2 The party moving for summary judgment bears the initial burden of production to 3 show the absence of a genuine issue of material fact. Celotex, 477 U.S. at 323. If such a 4 showing is made, then the party opposing summary judgment assumes a burden of production 5 to show the existence of a genuine issue of material fact. Id.; Wood, 121 Nev. At 732, 121 6 P.3d at 1031; Maine v. Stewart, 109 Nev. 721, 726-27, 857 P.2d 755, 758-59 (1993). The 7 manner in which each party may satisfy its burden of production depends on which party will 8 bear the burden of persuasion on the challenged claim at trial. Celotex, 477 U.S. at 322-24. If 9 the moving party will bear the burden of persuasion, that party must present evidence that 10 would entitle it to a judgment as a matter of law in the absence of contrary evidence. NRCP 56 11 (a)(e). But, if the non-moving party will bear the burden of persuasion at trial, the party 12 moving for summary judgment may satisfy the burden of production by either (1) submitting 13 evidence that negates an essential element of the nonmoving party's claim (Celotex, 477 U.S. 14 at 331), or (2) "pointing out ... that there is an absence of evidence to support the nonmoving 15 party's case." (Id. at 325). In such instances, in order to defeat summary judgment, the 16 nonmoving party must transcend the pleadings, and by affidavit or other admissible evidence, 17 introduce specific facts that show a genuine issue of material fact (Wood, 121 Nev. at 732, 121 18 P.3d at 1031). The opposing party is not entitled to build a case on gossamer threads of 19 20 whimsy, speculation and conjecture (Collins v Union Fed Sav. & Loan Ass'n., 99 Nev. 284, 21 662 P.2d 610 (1983); Henry Prods., Inc. v. Tarmu, 114 Nev. 1017, 967 P.2d 2d 444 (1998)).

## 2. Malicious Prosecution Claim

For Plaintiff to prevail on his claim of malicious prosecution, he must prove against the Shaws:

26

Want of probable cause to initiate the prior criminal proceeding;

2. Malice;

1.

3. Termination of the prior proceedings; and

4. Damages.

See LaMantia v. Redisis, 118 Nev. 27, 38 P.3d 877, 879-80 (2002).

The Nevada Supreme Court has further explained that "[a] malicious prosecution claim" requires that the defendant initiated, procured the institution of, or actively participated in the continuation of a criminal proceeding against the Plaintiff. In this case, there is no evidence that supports a finding that the Shaws initiated or actively participated in the continuation of Spencer's criminal action. Nor is there evidence that there was a lack of probable cause created by the Shaws, much less malice on their part in respect to Spencer's arrest and prosecution. Mr. Shaw did not testify at all in the Spencer trial. More importantly, on or about January 30, 2017, Deputy District Attorney, Maria Pence, came before this Court and testified the Shaws had no involvement nor were a cause in her charging decisions regarding Mr. Spencer. As such, this claim should be dismissed.

**Civil Conspiracy Claim** 3.

16 A cause of action for "civil conspiracy arises where two or more persons undertake some concerted action with the intent to accomplish an unlawful objective for the purpose of harming another, and damage results." See Guilfoyle v. Olde Monmouth Stock Transfer Co., 130 Nev., Adv. Op. 78, 335 P.3d 190, 198 (2014) "Thus, a plaintiff must provide evidence of an explicit or tacit agreement between the alleged conspirators" for the purpose of harming the plaintiff.

In Carlton v. Manuel, 64 Nev. 570, 187 P.2d 558 (1947), the Court recognized the principle that what one may lawfully do, many may do in combination. That ruling would lead one to conclude that an alleged conspiracy is not actionable unless the combination results in the perpetration of an unlawful act, or some injurious act by unlawful means.

The principle acknowledged in *Carlton* appears to have been expanded by the more 27 recent opinions of Short v. Hotel Riviera, Inc., 79 Nev. 94, 378 P.2d 979 (1963) and 28

Riviera, Inc. v. Short, 80 Nev. 505, 396 P.2d 855 (1964). The Court "recognized that there may be a conspiracy to commit an act that would not be unlawful if done by an individual actor. The Short opinion approved two propositions. First, that an act lawful when done, may become wrongful when done by many acting in concert taking on the form of a conspiracy which may be prohibited if the result be hurtful to the individual against whom the concerted action is taken. Second, that when an act done by an individual is not actionable because justified by his rights, such act becomes actionable when done in pursuance of a combination of persons actuated by malicious motives, and not having the same justification as the There is absolutely no evidence that the Shaws along with any other persons individual." 10 undertook some malicious concerted action with the intent of harming the Plaintiff. The 11 Shaws were not home at the time of the incident between Helmut Klementi and Spencer. In 12 addition, only Rowena Shaw testified at Spencer's trial and it was concerning her security 13 cameras. 14

Mrs. Shaw's communications with the District Attorney and testimony at trial would 15 be protected under the testimonial or judicial proceeding privilege. In Circus Circus Hotels, 16 Inc. v. Witherspoon, 99 Nev. 56, 60, 657 P.2d 101, 2014 91983), the Court stated "[p]olicy 17 underlying absolute privilege accorded to communications uttered or published in course of 18 judicial proceedings so long as they are in some way pertinent to subject of controversy. [I]n 19 20 certain situations public interest in having people speak freely outweighs risk that individuals 21 will occasionally abuse privilege by making false and malicious statements, absolute privilege 22 attached to judicial proceedings has been extended to quasi-judicial proceeding before 23 executive officers, boards and commissions. Id. There is no evidence that statements made by 24 the Shaws were malicious or defamatory. However, it is important to note that the Court in 25 *Circus* opined, '[d]efamatory material need not be relevant in traditional evidentiary sense, but 26 need have only "some relation" to proceeding; so long as material has some bearing on subject 27 matter of proceeding, it is absolutely privileged.

## ROWENA SHAW, PH.D. - 04/07/2016

	Page 5	
1	Pursuant to Notice, and on the 7th day of	
2	April, 2016, at the hour of 4:26 p.m. of said day, at	
3	the office of Sunshine Litigation Services, 151 Country	
4	Estates Circle, Reno, Nevada, before me, KRISTINE	
5	BOKELMANN, a Certified Court Reporter, personally	
6	appeared ROWENA SHAW, PH.D.	
7	THE VIDEOGRAPHER: We are going back on the	
8	video record. The time is approximately 4:26 p.m.	
9		
10	ROWENA SHAW, PH.D.,	
11	called as a witness by the defendant herein,	
12	being first duly sworn, was examined and	
13	testified as follows:	
14	EXAMINATION	
15	BY MR. ZANIEL:	
16	Q Good morning or good afternoon, ma'am.	
17	A Good afternoon.	
18	Q Can you say your name for the record.	
19	A Dr. Rowena Shaw.	
20	Q All right. Dr. Shaw, my name is David Zaniel	
21	and I represent Jeffrey Spencer in a lawsuit that's been	
22	filed by Helmut Klementi.	
23	A Yes.	
24	Q My only role in this case is the defense of	
25	Mr. Spencer in the alleged incident of 12-18, 2012.	

ROWENA SHAW, PH.D. - 04/07/2016

Page 6 1 Α Yes. 2 So with that said, let me just go over a Q couple rules, and for the record, let me just indicate 3 4 that Mr. Shaw is also here; is that correct? 5 MR. SHAW: That is correct. BY MR. ZANIEL: 6 7 What I'd like to do to speed things along is Q to go over these rules of a deposition for both of your 8 knowledge. This way, when we rotate seats, I'm going to 9 ask you, Mr. Shaw, have you heard these rules, and 10 11 you're going to say yes, and I'm going to say do you understand these rules, you're going to say yes, and I'm 12 going to say do you need me to repeat these rules, and 13 hopefully you'll say no. Okay? All right. 14 So you're under oath this afternoon. 15 That obligates you to tell the truth under the penalty of 16 perjury. Do you understand that? 17 18 Α Yes. If you change your testimony after today, 19 0 people can comment upon those changes. That may affect 20 21 your credibility. Do you understand that? 22 А Yes. If you don't understand a question that's 23 Q asked of you, tell us you don't understand that 24 25 question. We'll rephrase the question. If you answer

Page 7 1 the question today, we're going to assume you've understood it and answered it to the best of your 2 3 ability. Is that fair? 4 Α Yes. 5 Q Okay. Those are the main rules I wanted to 6 get out. 7 Α Okay. 8 Can you tell us your address, please. 0 9 185 Juniper Drive, Stateline, Nevada. А 10 Okay. And relative to where the Spencers 0 11 live, are you at the end of Charles Street? 12 А We're on a "T." We are at the end of Charles, correct. 13 14 Q So when you walk out your front door, you can 15 see clear down Charles Street to Meadow Lane? 16 Α Correct. 17 Okay. And how long have you lived at that Q 18 location? 19 Α 37 years. 20 Okay. Could you state approximately when the 0 Spencers moved in? You don't have to give a specific 21 22 date. Was it in the '90s, 2000s? 23 I know it's been over 10 years, but I don't Α know exactly. 24 25 Q Okay. Could you describe your relationship

Page 8 with Mr. and Mrs. Spencer from the time they moved in up 1 until December 18th of 2012. 2 3 А We do not socialize with them. 4 Q Were you neighbors with them? In other words, 5 when they drove by, did you wave even or no --6 А No. 7 0 -- conduct at all? 8 А NO. Okay. Did you ever have a conversation with 9 Q Mr. Spencer or Mrs. Spencer before December 18th of 2012 10 11 for any reason that you can recall? 12 Α No. Prior to December 18th, 2012, did you ever 13 0 14 contact any government entity, the police, KGID, any other government agency to lodge a complaint against Mr. 15 and Mrs. Spencer? 16 What was the date that you said? 17 А This is before December 18th of 2012. 18 Q Before December -- yes, about the fence. 19 Α Ι did. 20 Okay. Can you just tell me approximately when 21 Q 22 that was. When the fence was built on Memorial Day, 23 Α 2012, it created a blind intersection in front of our 24 25 driveway. So when I have to drive to my driveway, I

	Page 9
1	would have to inch my car more than halfway into the
2	street, and so it created a public safety risk.
3	So I believe I contacted KGID because I
4	thought they were responsible for that, and I was
5	directed to code enforcement. And code enforcement said
6	that the DA's Office is responsible for code violators,
7	and then the planning commission was in charge of
8	illegal construction. So I wrote letters to them.
9	Q Okay. So when you wrote letters to the
10	planning commission, what actions did the planning
11	commission take?
12	A We when I when we wrote the letter, we
13	were told that the Spencers requested a variance, so
14	everything was on hold, because we were saying that it
15	has to be remediated ASAP, that the blind intersection
16	needs to be removed, but we were told that the Spencers
17	applied for a variance.
18	Q Okay. At some point were you told that the
19	variance was denied?
20	A Yes, at a meeting.
21	Q Okay. And approximately when was that?
22	A I'm not exactly sure about the timeline. I do
23	know that the planning commission I'm not sure if the
24	denial of the variance coincided with the decision of
25	the planning commission to direct the Spencers to remove
1	

Page 10 the fence in April of 2013. 1 I don't know the time 2 frame. 3 Q Okay. The removal of the fence was approximately April of 2013? 4 5 Α Correct. I had to endure that for a whole 6 year. 7 Okay. Following -- well, when did the process Q start? Was it before December of 2012 when you made the 8 9 initial complaint to the KGID and then were directed to 10 code enforcement? 11 Α Correct, because it was already a problem with 12 the blind intersection in May of 2012. 13 Q Okay. In response to your lodging a complaint 14 with regard to the fence, did the Spencers, either Mr. or Mrs. Spencer, ever do any type of retaliation 15 16 against you that you can testify to? 17 Retaliation. А 18 I know it's kind of a vague word, and it's Q 19 just kind of late, so I'm trying to speed things up. 20 Did they ever do anything that you would 21 consider negative behavior or did they threaten you or 22 do any type of inappropriate behavior towards you once you wrote the letter about the fence? 23 24 Α No. 25 Okay. Your house has security cameras? Q

r	
1	A Yes. Page 11
2	Q How many cameras does it have?
3	A I believe six.
4	Q Who installed the cameras?
5	A My husband did.
6	Q Okay. And how were the cameras installed in
7	terms of or how are they connected? Do they go to a
8	computer that has a hard drive?
9	A It's connected to a recorder that as far as I
10	know.
11	Q Does your husband know more about this than
12	you do?
13	A Ido.
14	Q You know more?
15	A A little bit more.
16	Q Okay.
17	A And that's very, very limited.
18	Q Okay. Do you know if the hard drive stores
19	what the video records?
20	A Yes, it does.
21	Q And how long does it store it for?
22	A I don't know. I was trying to find that out
23	and the tech could not give me 15 days or 30 days.
24	Q Okay. So it's either one of those, either 15
25	days

Page 12 He told me it's either 15 or 30, and he did 1 Α not give me a definitive answer. 2 3 Q Okay. And after 15 or 30 days, what do you do 4 with that drive? Do you rewrite over it again or do you take that out and keep it somewhere else? 5 We don't do anything. It just continuously 6 Α 7 records. 8 So it just rewrites over the last 15 days? Q 9 I think that's what it does. Α 10 Okay. I'm sorry if I asked you this. Q When did you get these recorders, the video cameras? 11 When 12 did you get that system? 13 Α I remember it was approximately two weeks 14 before December 18th, 2012. 15 0 Okay. So in December 2012? 16 А In December of 2012. 17 Was there one particular event that prompted Q 18 you to make the decision to get security cameras? 19 There were difficulties that the Spencers Α encountered with some neighbors, which we never had for 20 30 something years, and so we felt that there was a need 21 22 to install video cameras. 23 Okay. Let me ask you this. Prior to December 0 18th, 2012, did you know or have information that there 24 25 may have been break-ins in that neighborhood?

		Page 13
1	А	No, no, no.
2	Q	Okay. So nobody ever told you that?
3	А	No.
4	Q	And you never heard it from any news outlet?
5	A	No.
6	Q	Okay. You said that the Spencers were having
7	trouble?	
8	A	Yes.
9	Q	What do you mean by that?
10	A	When the house was being built, I testified at
11	the restr	aining hearing meeting. The judge asked me the
12	same ques	tion, and I said that I saw a police car in
13	front of	the my house is here. There's a neighbor
14	across th	e street. The Spencer house is right here.
15		I saw a police car in front of the neighbor
16	across th	e street, and her name is Diane Tedrick. And
17	so I was	curious why there was a police car there.
18		And I found out later that while the Spencers
19	were cons	tructing their house, there were construction
20	vehicles	blocking the driveway over here, and Mrs.
21	Tedrick c	alled 911 because when she was asking Mr.
22	Spencer t	o move the vehicles, he came charging towards
23	her, and	so the 911 operator said call the police, and
24	so that's	when I saw the police car there. So that was
25	one of th	em.

1	Q What year was that? Page 14
2	A I don't know when they this was when their
3	house was being constructed. I don't know when.
4	Q That was way back, though?
5	A Way back, even before they moved into the
6	house.
7	Q Okay. But that didn't prompt you to get
8	security cameras in December of 2012?
9	A Not at that time, yeah.
10	Q Okay. What in closer in time to December
11	of 2012, what event or what was the decision-making
12	behind getting these security cameras?
13	A I when I was told by the code enforcer
14	that whenever I make a complaint of this matter, it's a
15	matter of public record. So he said that the variance
16	application that the Spencers applied for contained
17	letters that the Spencers wrote to justify the fence
18	the variance.
19	And so I was able to read in one of those
20	letters that they were being threatened by a couple
21	they had problems with a couple named Bruce and Nancy
22	Taylor.
23	So I called Mrs. Taylor, and she said that
24	they were bermed in in their driveway. So that was the
25	closer incident with regard to your question that

ROWENA SHAW, PH.D. - 04/07/2016

1	Page 15 prompted us to think about a security camera.
2	Q Okay. Was your house ever bermed in with
3	snow?
4	A Yes.
5	Q Okay. How many times?
6	A The one time. Our driveway was bermed in and
7	our flowerbed was destroyed by the plow.
8	Q Okay. And approximately when was that?
9	A It was very close to the December 18 meeting,
10	and that's what prompted us to go to the KGID meeting.
11	Q Okay. The evening of December 18th?
12	A It was not on December 18 but very close to
13	it.
14	Q Okay. All right. We'll get to the meeting in
15	a sec. Do you have video evidence of the time when your
16	driveway was bermed in?
17	A We took pictures.
18	Q Okay. So you have pictures of that?
19	A Correct.
20	Q Okay. You mentioned before that there was
21	some, I guess, court appearance because some judge asked
22	you a question. Can you tell me about that. What court
23	appearance are you referring to?
24	A Mr. Egon Klementi filed for a restraining
25	order against the Spencers and I was asked as a witness.

ROWENA SHAW, PH.D. - 04/07/2016

	Dama 16
1	Page 16 Q Who asked you to be a witness?
2	A The judge.
3	Q Okay.
4	A I had a
5	Q One rule I didn't tell you is if you don't
6 k	ow the answer, don't guess at anything. So if you
7 d	n't know, just tell me you don't know.
8	A I don't know who asked me to be there.
9	Q Fair enough. So somebody asked you to be a
10 w	tness. You went to court and it was a court
11 a	pearance about a restraining order that Egon Klementi
12 h	d issued against Mr. Spencer only or both Spencers?
13	A I don't know.
14	Q Okay. And you testified at that hearing?
15	A Correct.
16	Q Were you asked questions about the berm
17 i	cident at the hearing?
18	A I was asked questions no, not about the
19 b	rm.
20	Q What were you asked questions about at that
21 h	aring?
22	A My relationship with the Spencers, problems
23 t	at occurred in the neighborhood.
24	Q Okay. Problems that occurred in the
25 n	eighborhood being berming in?

Page 17 1 Α About the lady who was boxed in in the 2 driveway. 3 Q With the construction equipment? 4 Α Correct, way before, yeah. 5 Okay. Before December 18th of 2012, were you 0 6 aware of any other incidents that were going on in the 7 neighborhood concerning the Spencers, any other disputes between other neighbors? 8 9 Α The Spencers, Mr. Spencer parked an 18-wheeler 10 truck right on the corner of Meadow and Charles that 11 created a blind intersection, and people were very 12 concerned about that with the public safety issue. 13 Q Did you make a complaint to any government 14 entity about that issue? 15 No, I did not. Α 16 Okay. So what's the first time you went to a Q 17 KGID board meeting? December 18. 18 Δ 19 Q Okay. And who asked you to go to that meeting, or did you go on your own volition? 20 21 I had a concern about being bermed and my Α 22 flowerbed being destroyed, so I had a concern to express to the board. 23 Okay. Do you know who was driving the 24 Q 25 snowplow on December -- on the time you got bermed in?

Page 18 1 Α I do not, but I do know Mr. Spencer is assigned to our area. 2 3 Okay. So you assumed it was Mr. Spencer, but 0 4 you didn't see him in --5 Α I did not see him. 6 0 Okay. Describe your relationship with the Klementis. 7 8 Α They've been neighbors for close to 30 years. They walk their dogs in front of my house. I sit out in 9 my yard and weed and we say hi and hello and --10 11 Do you socialize with them? Q 12 А Not really. I've been to their house because 13 I was invited by the restraining order lawyer for informational meeting at their house. 14 15 0 Okay. Is that the only time you've been to their house? 16 17 I'd also been there with my daughter because Α Mr. Klementi is an artist and he has open house artist 18 19 exhibits and -- oh, and their son came from Austria and my husband and I were invited to meet him, so about 20 21 three times. Okay. Over the course of 30 years? 22 Q 23 А That's right. Okay. All right. So that takes us up to the 24 0 board meeting on December 18th, 2012. You go to that 25

1	meeting. Who is present there? Page 19
2	A Present there were the board members, the KGID
3	manager, Mr. McKay, there was somebody recording, my
4	husband and I, the three Klementis, Janet Wells, Mr. and
5	Mrs. Wells, Rebecca Wells and Rebecca I forget her
6	married name and her husband.
7	Q Okay. Did the KGID leader open it up to
8	public comment at the beginning of the meeting?
9	A Correct.
10	Q And did you speak at that meeting?
11	A Yes.
12	Q What did you say at the meeting?
13	A That we were extremely concerned about the
14	berming. Being a disabled individual, if I needed
15	medical attention, I needed that driveway to be clear.
16	Q Did you specifically say at that meeting that
17	you believe Mr. Spencer is the one that did it?
18	A Did I say that? I don't remember.
19	Q Okay. Is that all you said at the meeting
20	that you can remember, is that you were you had a
21	concern about being bermed in and you could potentially
22	need medical assistance?
23	A And that my flowerbed was destroyed, which I
24	take care of very diligently.
25	Q Okay. So nothing else other than those two

Page 20 things that you spoke of? 1 2 We also were very concerned about how the Α 3 street was getting narrower and narrower because the fence was blocking the snow removal. 4 What fence? 5 Q 6 А At that time the fence was already erected 7 because it was erected of that -- May that year. 8 Right. And so they were going through the 0 variance issue at that time? 9 10 Α Correct. 11 Okay. Did your husband speak at that meeting? Q 12 А Yes, he did. Okay. Who else spoke at that meeting that you 13 0 14 can remember? 15 Α I remember Mary Ellen reading a letter from 16 Elfi. My husband did. Janet Wells did, yeah. Okay. That's the best of your recollection, 17 Q 18 that's all that spoke? 19 Α Yes. Okay. What -- once the speaking was done, did 20 0 the leader say anything about what was going to be done 21 22 in response to these open comments? The board president, Dr. Norman, suggested, 23 Α because I emailed my complaint and so they had pictures 24 25 of my berm, but he said keep documenting and I encourage

Page 21 you to take pictures. 1 That was his suggestion to us. 2 Okay. So do you know what time the board Q 3 meeting started that evening? 4 Α I believe it was 6:00 p.m. 5 0 Do you know how long the board meeting lasted 6 that evening? 7 Α There was a lively discussion. I believe it went about an hour or so. 8 9 Okay. And then did you and your husband leave Q 10 the board meeting and go home? 11 Α No. 12 Where did you go after the board meeting? Q 13 Α We went out of town. From the KGID office, we went out of town. We drove away. 14 15 Q Okay. So you did not return to your home? 16 No, we did not. Α 17 Q Okay. So on the evening of December 18th, 2012, at about 8:44 p.m., were you at your residence 18 19 then? 20 Α NO. 21 Okay. So in terms of what occurred on the 0 22 evening of December 18, 2012, after the board meeting 23 involving Mr. Spencer and Mr. Klementi, you have no factual information about that? 24 25 Α Correct.

1	Page 22 Q How did you find out about this incident?
2	A When we got home, there was a message from
3	Elfi on the phone explaining what happened.
4	Q When did you get home?
5	A Two days later, so the 20th. And Elfi
6	explained that Helmut was assaulted.
7	Q Okay. So you had a message on your home voice
8	mail?
9	A Correct.
10	Q I assume you had a cell phone at that time.
11	Did anybody contact you on your cell phone between
12	December 18th and December 20th regarding this incident?
13	A No.
14	Q Okay. So you get home and you listen to your
15	voice messages and there's a message from Elfi. Do you
16	still have that voice mail message?
17	A No, no.
18	Q Okay. Could you, to the best you can recall,
19	tell us what that voice message said, in as much detail
20	as you can remember.
21	A At first I could not understand it because she
22	was crying and she was very distraught. All I could
23	figure out what Helmut was hurt, Jeff punched him,
24	and an ambulance came. That's what I got from the
25	message.
1	

1	Page 23 Q After hearing that message, what did you do?
2	A I called Elfi and asked her what happened.
3	Q Immediately after hearing that or within a
4	couple of hours?
5	A Immediately? I don't remember.
6	Q Let me ask you this. You arrived back home on
7	the 20th. Did you call her on the 20th?
8	A I want to say no because I knew she was
9	working, so I think it was the next day. I'm not sure.
10	Q Where does Elfi work?
11	A Elfi works at Harrah's Casino.
12	Q All right. So it may have been the next day.
13	So whenever you did contact Elfi, that was by phone, not
14	in person, correct?
15	A By phone.
16	Q Okay. Tell me about that conversation.
17	A Elfi said that excuse me. What did Elfi
18	say? I don't clearly remember. She excuse me. I
19	think she said I'm not quite sure. He was taking
20	pictures and he was attacked. Something to that effect.
21	Q Okay. At some point were you contacted by a
22	police agency?
23	A Yes.
24	Q And approximately when was that?
25	A Oh, gosh. I want to say maybe a couple of

Page 24 weeks after the incident. I don't know. 1 I don't remember. 2 3 Q All right. Did a police officer ever ask to 4 look at any of the video that you had from your cameras? 5 Α Yes. And did an officer come into your residence 6 0 7 and look at it? 8 Α Yes. 9 Q And did you run the computer system while the 10 officer was standing there? 11 А Yes. 12 Is that -- can you make a flash drive of that Q 13 video footage? 14 Α Yes. 15 Do you still have that flash drive? Q 16 Α Yes. 17 Okay. So you have a copy of that now? Q Α With me? 18 No, but at home? 19 0 At home. 20 Α Okay. How many times have you watched it from 21 0 22 15 minutes before the incident to 15 minutes after the incident, just that 30-minute period? How many times 23 have you seen that footage? More than 10? 24 25 Α Oh, no. Probably about four.

Page 25 1 Q I'm trying to -- because I haven't seen it, so I want to ask you in as much detail as you can tell me, 2 3 what do you see on the video? 4 Α Oh. Yeah, no more than four. It was a short 5 video. 6 0 What do you see on the video? It was at 8:43 at night, so it was very dark. 7 Α It was snowing. And the Spencers' porch light is on. 8 Our house is here and their house is here, so the camera 9 10 had a view of the street, Charles. It showed a figure running down from the 11 Spencers' staircase, running across the truck -- let me 12 backtrack a little bit. I'm so sorry. There -- on the 13 14 right side of the screen initially are two flashes. 15 On the Klementi side of the street? 0 16 Α On the Klementi side of the street there's two 17 flashes. 18 Could you tell where the flashes were coming Q from? Were they coming from the Klementi property or in 19 front of the Klementi property or could you tell? 20 I couldn't tell if it was inside their 21 Α 22 property or by the road because it was completely dark. All you see are two flashes. 23 24 Okay. And then next you see a figure come Q 25 down the stairs?

Page 26 About 30 seconds or less after the flashes, 1 Α two flashes, there's a figure running down the stairs 2 3 and going across the pickup truck onto where the flashes were seen. 4 5 0 Okay. And what's the next thing you see on 6 the video? 7 Α After about less than a minute the figure crosses the road, across the pickup truck, and back up 8 to the stairs. 9 10 Could you see any confrontation between --0 11 well, strike that. 12 Did you see another figure in the video? 13 Α No. 14 Q Just one figure? 15 Α Correct. 16 Okay. So you couldn't see any type of Q confrontation on your video? 17 18 А NO. Okay. Do you have any other video evidence in 19 0 your possession that shows any type of unusual behavior 20 or questionable behavior by the Spencers at all? 21 22 Α No. So as we sit here today, in dealing with this 23 Q case now years later, do you know of anybody that 24 25 actually saw what happened on December 18th on Charles

                           EXAMINATION
14
    BY MR. ROUTSIS:
15
              Okay.
                     Good afternoon, Miss Shaw.
         0
              Good afternoon.
16

17
              Miss Shaw, how long have you lived up at Lake
         Q
18
    Tahoe?
19
         Α
              About 37 years.
20
              Now, everybody gets berms on their driveways
         0
21
    when it snows a lot, don't they?
22
              MS. CAPERS: Objection; calls for speculation,
   but go ahead and answer.
23
24
              THE WITNESS: We haven't had any reason to
25
    complain to KGID prior to that incident.
```

Page 28 BY MR. ROUTSIS: 1 2 What I'm asking, though, is you seem to be Q making a big deal about berms, but when you -- when 3 4 someone is plowing a neighborhood up at that elevation at Lake Tahoe, every driveway is going to get a berm in 5 6 front of it. 7 Α I don't know that. 8 Q Well, would you expect that the snowplow driver to stop before every house and turn right? 9 10 Α I don't know how they operate, sir. I really 11 don't know. 12 Okay. But you've been up there a long time, Q 13 haven't you? Α Yes. 14 You know that when there's a lot of snow, 15 0 snowplow drivers don't have enough time to stop and make 16 17 sure every person's driveway doesn't get a berm? That's just the --18 19 Α I don't know that for a fact. I really don't. 20 You really don't? Q I really don't. 21 А 22 Okay. Q And we've never encountered that before. 23 Α So you haven't driven around your neighborhood 24 Q during the winter and see snowplows just driving down 25

Page 29 1 the street and everybody has a little berm and everybody comes and shovels their berm? 2 3 А I haven't paid that attention. 4 Isn't that just common practice? Q 5 MS. CAPERS: Objection. Again, calls for 6 speculation. 7 THE WITNESS: I don't know. BY MR. ROUTSIS: 8 9 Okay. You don't -- so when you say you don't Q 10 pay attention, so you don't know if your berm was any 11 different than the kind of berms in front of everybody 12 else's house then, if you don't pay attention; is that 13 correct? 14 А I paid attention to our berm. 15 Right. But you don't know that your berm is Q 16 any different than anybody else's berms, do you? 17 I haven't made a study about that. Α I don't I really don't know how to answer your question. 18 know. 19 Q Okay. So when you make a complaint about a berm and you don't know if there's anything improper 20 21 about the berm, why are you making a complaint? 22 Α Because I knew that I could not get out in my car and I knew that my flowerbed was destroyed. 23 Certainly. But, and that's kind of the issue, 24 Q 25 Miss Shaw.

Page 30 Dr. Shaw. 1 Α 2 Doctor. Mrs. Shaw. You want to be called Q 3 Dr. Shaw? 4 Α Yes, please. 5 Q The gut of the issue is a snowplow driver has 6 to do his job; don't you think? It's just fair. He has 7 to do his job? 8 Α Correct. 9 And he's got to plow the roads? 0 10 Α Correct. 11 And you've lived up there quite a while. Q When 12 a snowplow goes down a road during storms, they've got to get a lot of roads plowed, don't they? 13 14 MS. CAPERS: Objection; calls for speculation. 15 BY MR. ROUTSIS: 16 Q In any event --17 MS. CAPERS: And you just asked her that 18 question. BY MR. ROUTSIS: 19 20 In any event, you've made complaints about Mr. Q Spencer and the manner in which he does his snowplow 21 driving, but you don't know if he treated your driveway 22 23 or the Klementis' driveway any different than anybody else's driveway, do you? 24 25 Α I don't understand your question.

Page 31 Well, you don't know if Mr. Spencer 1 Q intentionally put a berm up in front of your driveway. 2 3 Α I have no idea about his intention. 4 Q Okay. I don't know. 5 Α 6 0 Very good. Thank you. 7 So what were you complaining about? That basically our driveway was bermed in 8 Α excessively and my flowerbed was destroyed. 9 10 Okay. And did you make any inferences that 0 you believe Mr. Spencer did that intentionally? Did you 11 make any inferences in any of your complaints that you 12 13 thought it was intentional? 14 А I believe -- yes, I said that it was probably because I made concern -- expressed concerns about the 15 16 fence. So what you, in effect, did is you made a 17 Q 18 complaint impugning the state of mind of Mr. Spencer that you felt it was intentional, but you had no 19 evidence to support that? 20 I made a correlation. 21 Α 22 Q A speculation. Would you call it a speculation? 23 I don't know what the proper term is. 24 Α 25 Q Okay. In any event, you made an implication

### C

Page 32 that Mr. Spencer intentionally left a berm in front of 1 your house, when in reality, it may not have been 2 3 intentional at all, that he was simply doing his job? 4 I don't know that. Α 5 0 Okay. Let's go to the video that you had. Do 6 you remember Officer McKone coming to your residence to 7 look at the video that you had on the incident on the 8 18th? 9 Correct. Α 10 0 And your video cameras face the Spencers' residence, correct? 11 12 Α It's focused on Charles. 13 Okay. And it goes down Charles, so you could Q 14 see the Spencers' residence, correct? 15 Α Correct. 16 It actually shows your house, correct? 0 А Yes. It also shows the house across the 17 street on a daytime view. 18 19 At nighttime it only shows the Spencers' 0 house, right? 20 Yeah, because they had a porch light. 21 А 22 Q Did you feel at all that was an intrusion into their privacy? 23 Our camera? 24 А 25 Q Yes.

ROWENA SHAW, PH.D. - 04/07/2016

Page 33 1 Α No. 2 Okay. In any event, detective -- or Deputy Q McKone came to your residence. 3 4 А Correct. A couple weeks after the 18th, correct? 5 Q Α Approximately. 6 7 Did you contact him? Q 8 Α No. 9 How did he -- how did it happen that he came Q 10 to your residence? 11 Α Well, in fact he called me and he said I'm the officer who responded, can I see the video. And I said, 12 13 I don't know you. 14 Q Okay. I said, I don't know who you are. 15 Α 16 Did you have a talk, previous to that Q conversation with Mr. McKone, with Miss Elfi Klementi 17 explaining to her that you had some video of the 18 19 incident? 20 Α What was that? 21 Did you have a conversation with Elfi Klementi Q 22 that you had some video --23 Α Yes. 24 -- about what happened on December 18th? Q 25 Yes. Α

Page 34 1 And did you review that video with Elfi Q Klementi? 2 3 No, I did not. Α Did you review that video with Egon or Helmut 4 Q Klementi? 5 6 Α No, I did not. Did you tell Elfi Klementi, prior to your 7 Q meeting with Deputy McKone, what you saw on the video? 8 I don't think so. I just said that the 9 А incident was on video. 10 So you did tell her what you saw? 11 Q Not in detail. 12 Α Did you tell her that prior to Jeff running 13 Q out of the house that, when you originally viewed the 14 video, that you saw some individual next to the 15 defendant's driveway? 16 17 Α Not at all, no. Excuse me? 18 Q 19 Α No, no. I did not say that. Well, did you see that on the video when 20 0 you --21 22 Α No, I did not. MS. CAPERS: Let him finish asking the 23 question. 24 THE WITNESS: Oh, sorry. 25

ROWENA SHAW, PH.D. - 04/07/2016

Page 35 MS. CAPERS: Thanks. 1 2 THE WITNESS: Sorry. BY MR. ROUTSIS: 3 4 Q That's okay. When you first originally looked at the video --5 6 Α Okay. 7 -- did you look at the video about five Q 8 minutes or six minutes prior to seeing to when Jeffrey Spencer left his house? 9 10 MS. CAPERS: Again, that's assuming facts not in evidence. She said she saw a figure, but go ahead 11 12 and answer. 13 THE WITNESS: No. You're asking about before Mr. Spencer went down? 14 15 BY MR. ROUTSIS: Yes. It's your testimony that in your video 16 Q 17 you see somebody from the Spencers' residence leave the residence and then come back to the residence --18 19 Α Yes. 20 -- on the evening of the 18th. Q 21 Α Yes. 22 Correct? Now, about 10 minutes prior to that, Q for 10 minutes --23 Uh-huh. Α 24 -- do you have that video? 25 Q

Page 36 1 А Yes. 2 Q Okay. And did you give that video to the 3 detective? 4 А Detective? I did not speak with the detective. 5 6 0 Deputy McKone? 7 Α No. Deputy McKone did not get a copy of the video. He just wanted to see it. 8 9 Q Right. What I'm saying, though, when Deputy 10 McKone came out --11 Α Okay. 12 -- you had the video copied to a memory Q stick. Do you recall that? 13 14 Α Correct. 15 So you had already taken it off your hard 0 16 drive, correct? Correct. 17 А 18 And did you do that on your own? Q 19 Α Yes. 20 And did you lose some video when you did that? 0 Do you know if you did it correctly? 21 22 А I submitted a video from 7:00 to 9:00. 23 From 7:00 o'clock to 9:00 o'clock? Q 24 Α Correct. 25 And do you know if you lost any time when you Q

Page 37 transferred the video from what I'll call the hard drive 1 2 to the memory stick? 3 Α I don't understand your question. Did I lose 4 time? 5 Q Yes. There is about 10 minutes prior, before what appears to be Mr. Spencer leaving his house, okay? 6 7 Α Okay. We're concerned that there's about five to 10 8 0 minutes of the video that's missing. 9 10 Α When I submitted a video and Mr. McKone, Deputy McKone viewed it, the clock was ticking from 7:00 11 12 to 9:00 continuously without interruption. So I don't 13 know what you're talking about with the 10-minute gap. 14 Q Okay. So --15 MR. MOORE: Counsel, if I can interrupt here. It's after 5:00 o'clock and I'm going to be leaving 16 because I can't be in two places at once and I have to 17 18 be somewhere else. 19 This deposition was not noticed to go past 20 5:00 o'clock. I understand the Shaws -- I really don't 21 want to have to ask you folks to come back, so I think 22 the best way to handle it is I have an objection now to this deposition proceeding. 23 In the event that there's testimony elicited 24 25 that I would have objected to and I think is improper, I

Page 38 reserve my right to move to strike at a later date. 1 2 Thank you. MR. ROUTSIS: Well, that seems fair. 3 Thank you, counsel. 4 BY MR. ROUTSIS: 5 6 Mrs. Shaw, you testified that you believe --Q first of all, the surveillance equipment you have is 7 8 infrared, isn't it? It's nighttime equipment that works at night to lighten things up, correct? 9 It caught the figure at night, so it must be. 10 А I don't know. 11 Well, your husband's shaking his head. Do you 12 Q know if it's infrared surveillance equipment so it can 13 take pictures at night and lighten the picture up? 14 I don't know the answer. 15 А Because you testified that you believe that 16 Q 17 Jeffrey Spencer had their porch light on from the video 18 that you viewed, correct? 19 Α Correct. Now, you're aware that they have surveillance 20 0 cameras of their own, are you not, the Spencers? 21 Correct. 22 Α And that there's a certain light that comes 23 0 out from the surveillance cameras. Are you aware of 24 25 that?

Page 39 1 Α No. 2 Q Okay. And that if you have infrared video 3 surveillance equipment, it will brighten up any light 4 tremendously. Are you aware of that? 5 А NO. 6 0 Okay. So as you sit here today, you're 7 unaware of whether or not the video surveillance equipment that you provided was infrared or not? 8 9 Α I don't know. 10 Okay. Now, why didn't you give the memory 0 11 stick to Deputy McKone? 12 He did not ask for it. Α 13 So he came to your house and viewed the video Q 14 equipment and then left? 15 Α Yes. 16 Leaving the evidence with you? Q 17 Δ Correct. 18 Q And never asked for the evidence? 19 Α Correct. Because I believe his testimony was that you 20 Q 21 didn't want to give it to him because it was your only 22 copy. 23 Α Well, I remember he did not ask for it. 24 Okay. So that's fine. But would it Q 25 refresh -- if his memory was different, is it possible

Page 40 you did not want to provide it to him, that you wanted 1 2 to make other copies? 3 I don't remember that part. I remember --Α Okay. So that's possible then, correct? 4 Q 5 Α I don't know. 6 Okay. Now, the question is at some point you Q did in fact provide law enforcement with a copy of the 7 8 video, correct? 9 The DA's office asked for a copy. А 10 How soon after your meeting with Deputy McKone 0 11 did the DA's Office ask for the video equipment -- or 12 the video surveillance memory stick? You know what, I really don't remember. 13 Α Ι have no recollection. 14 15 Okay. Did you get a call from the Q prosecutor's office, do you recall, or did you reach out 16 to the prosecutor yourself? 17 18 Α I think I got a call from Officer Schultz. 19 0 Okay. Now, from the time Deputy McKone left your residence to the time you got a call and provided 20 the memory stick --21 Uh-huh. 22 Α That may be two different dates, so let me be 23 0 clear. From the time Deputy McKone left your residence 24 when you reviewed the memory stick with him --25

Page 41 1 Α Yes. 2 Q -- to the date when you provided it to the prosecution, about how long -- about how long was that? 3 A week, two weeks? 4 5 Oh, gosh. I don't remember at all. Α 6 0 Okay. Now, here's a concern. How did you copy the memory stick that you had? What did you do to 7 8 copy that? And is it possible you lost valuable time on 9 the copy? 10 MS. CAPERS: I'm going to object to compound. 11 BY MR. ROUTSIS: 12 Okay. I'll rephrase it. Q 13 Did you personally copy that memory stick 14 yourself? 15 Α Yes. 16 And you gave the copy to? Q 17 Α The DA's Office. 18 0 Did you drive down to the DA's Office or did 19 somebody come to your house and pick it up? 20 Officer Schultz picked it up. Α So he came to your home? 21 Q 22 Correct. Α And at that point you gave him -- I'm not a 23 Q great computer gentleman. I don't know much about them. 24 But you gave him a memory stick? 25

Page 42 1 Correct. Α 2 Q And originally you had surveillance equipment, 3 right? 4 Α Yes. 5 And in order to get what's on your 0 6 surveillance equipment to a memory stick, there's a 7 procedure you need to follow? 8 Correct. А 9 Q Correct? Did you follow that proceed -- did you do it all on your own? 10 11 Α Yes. 12 Q Do you remember testifying at the criminal trial in this case? 13 14 Α Yes. 15 Q Do you remember stating that you didn't know 16 what to do or you didn't know how to do it and you had 17 to call the video surveillance company and they had to 18 come to your house? 19 Α No, no, no, they didn't come to the house. It 20 was all by phone. 21 Okay. So they didn't come to the house but by Q 22 phone you were apparently given instructions on --23 Α Correct. 24 -- how to transfer the material from the Q 25 surveillance equipment to the memory stick?

	Page 43
1	A Yes.
2	Q Okay. Now, to transfer the material from one
3	memory stick to another memory stick, how did you do
4	that?
5	A You plug the original the donor and you
6	plug a blank memory and then you copy it.
7	Q Okay. Now, I guess the \$50,000 question is
8	can we get access to the original hard drive of the
9	original surveillance material that was taken on the
10	18th so we can determine if it is an actual identical
11	replication of what you have on the memory stick? Do
12	you still have that on the hard drive?
13	A Not from four years ago.
14	Q What happened to it?
15	A It erases.
16	Q Okay. When you called the company what was
17	the name of the company that was giving you the
18	information on how to copy the hard drive to a memory
19	stick? What company did you call?
20	A Swan.
21	Q Okay. Is that the same company you bought the
22	surveillance equipment from?
23	A Yes.
24	Q And are they located in South Lake Tahoe?
25	A I believe we got it online. We bought it
1	

Page 44 he purchased it online. 1 2 Okay. What prompted you -- prior to Deputy Q McKone coming to your residence and copying, what 3 prompted you to copy that information from the hard 4 drive to the memory stick? Did somebody -- did the --5 6 Α Say again. 7 Yes. You had surveillance equipment regarding 0 what occurred on December 18th, correct? 8 9 Α Correct. 10 And did somebody ask you to preserve that Q 11 evidence or to copy that evidence? 12 My husband and I had the discussion, after we Α 13 spoke with Elfi about three, four days later, he said, maybe our surveillance camera captured the incident. 14 And so we looked and there it was. 15 16 When you -- in your surveillance equipment, Q how long will it -- if you go to bed at 6:00 o'clock and 17 18 you turn it on, will it run all night long or does it 19 only run when there's motion? How does it work? 20 It runs continuously. Α So if you were to wake up in the morning, you 21 Q 22 could review the whole night? 23 Α Yes. And then if you wanted to copy it onto a 24 Q memory stick, you're given certain directions, correct? 25

1	Page 45 A Correct.
2	Q And what happens if you made a mistake? How
3	would we be aware if you made a mistake in the copying
4	and you lost some time? Is there any way for us to be
5	sure you didn't lose valuable time? Do you know?
6	A Could you say that again?
7	Q Yes.
8	MS. CAPERS: I'm going to object, kind of
9	vague. What do you mean, "valuable time."
10	BY MR. ROUTSIS:
11	Q Okay. You called the Swan company.
12	A Correct.
13	Q Is that the full name, Swan Electronics? Is
14	it
15	A Swan Cameras? I don't know.
16	Q Do you have their phone number that you
17	called?
18	A It was in the manual.
19	Q Okay. And you have that manual?
20	A Yes.
21	Q Okay. And you called them and you said, look,
22	I'd like to copy, make a download the information?
23	A Uh-huh, yes.
24	Q And they gave you procedures to follow?
25	A Correct.
L	

2

Q

1	Page 46 Q All right. How do we know that you did it
2	correctly and you copied the full amount of time and you
3	didn't lose any time? How do we know you did it
4	correctly is what I'm asking you.
5	A The procedure is for you to type in the day,
6	the date that you want and the time that you want. So
7	if you're alluding to errors, I typed the date, I typed
8	the time.
9	Q But isn't it true that you had the incorrect
10	date on your surveillance equipment?
11	A It's the correct date. It was just
12	transformed. I did what's logical is month, day, and
13	year, and the for some reason the camera works with
14	day, month, and year.
15	So I explained that at the trial that it might
16	have a different date on the top, but it showed the
17	incident because it was the correct when I did the
18	recording, it was the correct date, but on top of the
19	frame of each single frame it was transposed.
20	Q Okay. Now, at any time did you have either
21	Egon, Helmut, or Elfi Klementi come to your residence
22	and review the video surveillance footage either in the
23	memory stick form or in the hard drive?
24	A No.
25	MS. CAPERS: Asked and answered, but

Page 47 BY MR. ROUTSIS: 1 2 Q Okay. Did you ever give them a memory stick 3 to look at? 4 Α Yes. 5 Okay. When did you do that? Was that prior Q 6 to giving it to the prosecutor? 7 I really don't remember. Α 8 Q Did you give the prosecutor the memory stick 9 that you gave -- did the Klementis return the memory stick to you at some point? 10 11 Α No. 12 They still have it? Q 13 Α I believe so. 14 Q Is it possible that the memory stick you gave 15 them, they gave back to you and you gave that to the 16 prosecutor? 17 Α They never gave back the memory stick I gave 18 them. 19 Q Okay. Why did you give them the memory stick? 20 Because it showed the incident. Α Okay. At any time when -- and I'm assuming 21 Q 22 that you and your husband both reviewed the video 23 surveillance on the hard drive before you transferred 24 it. 25 We had to look for the footage, so yes, we А

1	did.
2	Q Okay. And when did you begin running the
3	footage? How many minutes before the gentleman that
4	left the Spencers' house, who we believe is Mr. Spencer,
5	how many minutes before the gentleman left the house did
6	you begin recording or putting on the memory stick?
7	Did you begin your the memory stick, where
8	did it start? Did it start exactly when Mr. Spencer
9	left the house, a minute before he left the house, two
10	minutes before? When did you start the recording?
11	A 7:00 p.m.
12	Q And how many minutes prior to him leaving the
13	house do you believe that was?
14	A The footage showed the figure leaving the
15	house at 8:43:43.
16	Q So you're saying it goes from 7:00 to 8:43;
17	you provided all that on the memory stick?
18	A In fact, it
19	MS. CAPERS: Incomplete evidence, but go
20	ahead.
21	BY MR. ROUTSIS:
22	Q Go ahead.
23	A It was 7:00 to 9:00.
24	Q So you provided the time so that memory
25	stick that the State has would go from 7:00 to 9:00
I	

Page 49 o'clock? 1 2 Α Correct. 3 Q Okay. Now, here's the question. Did you ever 4 time it from 7:00 to 9:00 to see if it's actually two 5 hours? 6 Α I viewed 7:00 to 9:00 with the clock ticking 7 continuously from 7:00 to 9:00. Why did you do that? Because you --8 Q 9 Α Because I wanted to see what was in there. 10 Q Were you worried that you may have lost some 11 time? 12 А No. 13 Q Okay. But you -- so you took a clock, you hit 14 the button, and you wanted to make sure that your 15 equipment caught -- was accurate and that it was a full two hours, correct? 16 I did not do that. I did not time it. 17 Α 18 You did not time it? Q 19 Α I timed it based on the clock running for each 20 frame. 21 Okay. So we'll be able -- we should be 0 22 able -- I'm trying to -- I'm not trying to be difficult. 23 I'm trying to be technical. If we were to take that 24 video --25 Α Uh-huh.

Page 50 1 Q -- which you purport to go from 7:00 to 9:00 2 o'clock --3 А Yes. 4 0 -- and we run it and it's six minutes short, 5 that means somewhere we lost six minutes. Fair enough? 6 А That's your supposition. 7 0 Okay. Now, at any time during the whole course of your viewing the hard drive or the memory 8 9 stick, did you ever see another individual, other than 10 what appears to be Mr. Spencer, anywhere near his 11 property? 12 Α No. You're 100 percent certain? 13 0 100 percent. 14 А 15 Okay. When you see Mr. Spencer running, Q 16 leaving his residence --17 MS. CAPERS: I'm just going to object because she said she sees a figure, not Mr. Spencer. 18 19 MR. ROUTSIS: Very good. Very good. 20 BY MR. ROUTSIS: 21 0 When you see a figure leaving Mr. Spencer's residence --22 23 Α Correct. -- and he's going down Meadow Drive or --24 0 Charles. 25 Α

C

1	Page 51 Q Charles, at some point do you lose sight of
2	him because of the darkness?
3	A Yes.
4	Q Okay. And I'll just leave with this question.
5	Do you know why you'd make a complaint to KGID that Mr.
6	Spencer intentionally bermed you in when you don't know
7	if he intentionally bermed you in at all?
8	A I believed that he did.
9	Q But you don't know.
10	A That was my belief.
11	Q But you don't know.
12	A He was the one assigned to our area.
13	Q But you don't know if it was intentional.
14	MS. CAPERS: Is there a question?
15	MR. ROUTSIS: Yes.
16	MS. CAPERS: I think she

19	MS. CAPERS: Let's not be argumentative.
20	BY MR. ROUTSIS:
21	Q My question to you is why wouldn't you just
22	say that I've got a berm, the berm's this high? Why
23	would you say that he intentionally bermed me in and
24	damaged my property? Why wouldn't you just state
25	A Because it destroyed my flowerbed.

Page 52 1 But you don't know if it was intentional. Q 2 А I cannot go into --3 Q Okay. 4 А -- his mindset. MR. ROUTSIS: Okay. Nothing further. 5 6 MR. ZANIEL: I have no other questions. Do 7 you guys have questions? 8 MR. PINTAR: I have no questions. 9 MR. PALMER: I don't have any guestions. 10 THE VIDEOGRAPHER: We are going off the video 11 record. The time is approximately 5:17 p.m. 12 (Deposition resumed 5:50 p.m.) 13 (Witness sworn.) BY MR. ZANIEL: 14 15 0 Dr. Shaw, you understand your deposition was taken, correct? 16 17 Α Correct. 18 And you understand that you were under oath 0 during that time period? In fact, I gave you that rule 19 20 that you were under oath, right? 21 Α Yes. 22 Okay. And you wouldn't change any of your Q 23 testimony now, knowing that you've been sworn in by a 24 court reporter, correct? 25 А No, I would not.
