

IN THE SUPREME COURT OF THE STATE OF NEVADA

LAMAR ANTWAN HARRIS,
Appellant,
vs.
THE STATE OF NEVADA,
Respondent.

No. 70679

FILED

APR 21 2023

ORDER

ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY  DEPUTY CLERK

On May 3, 2018, we granted respondent's petition for review pursuant to 40B(f). However, upon further review, we determine that the petition for review was improvidently granted. Accordingly, we vacate the order granting the petition for review and direct the clerk to issue the remittitur forthwith. This disposition has the same effect as a denial of the petition for review when initially considered. Therefore, the Court of Appeals decision reversing and remanding the appeal is final.

It is so ORDERED.
