ORDER GRANTING STAY

This is an appeal from a district court order granting a motion to suppress respondent's interrogation statements. Appellant filed an emergency motion to stay trial pending appeal, and we granted a temporary stay pending our receipt and consideration of any opposition from respondent and a good cause determination. NRAP 8; see NRS 177.015(2). Although the good cause determination is pending, respondent has filed a response indicating that he does not oppose the requested stay. Therefore, we grant the motion and stay the trial in *State of Nevada v. Brown*, Second Judicial District Court Case No. CR17-1851, pending further order of the court.

It is so ORDERED.
