Respondent Treasure Island, LLC, respectfully moves this Court for an extension of time for a period of 30 days from the current due date within which to file its answering brief. The answering brief is presently due to be filed on or before September 25, 2017. This extension of time would make the reply brief due on or before October 25, 2017.

On August 16, 2017 respondent and appellant stipulated to and this court granted respondent’s request for a 30 day extension of time to file its answering brief. This is respondent’s second request for an extension of time.

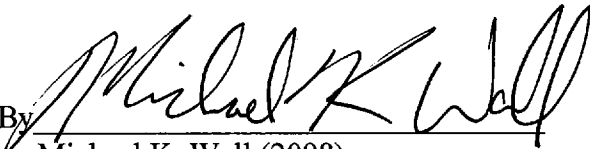

First, I apologize for a second request. It is not because of dilatory conduct, and not to cause delay. Treasure Island retained me to assist in preparation of the answering brief earlier this week, on September 12, 2017. I associated in as counsel for respondent on the same day. The brief is due on September 25, 2017, which gives little time for me to learn the record and draft an appropriate brief. I have a full calendar in the coming weeks. I intend to rearrange my

calendar as much as possible to get this brief completed as soon as possible, but I do not believe I can possibly allot the time necessary to prepare the answering brief properly by the currently due date. I therefore request a 30 day extension to allow me sufficient time to review the record and prepare the answering brief.

This request is presented in good faith, and not for purposes of delay or any other improper reason.

DATED this 15 day of September, 2017.
