1 **NRAP 26(b) allows the Court to extend the time for filing an Opposition**
2 **upon a showing of good cause.**

3 Respondent RUORONG submitted and issued a Writ of Execution in district
4 court case No. D-13-478791-D on E-Trade to obtain the \$88,000.00 that was awarded
5 her, along with one-half of the accounts. E-Trade was ready to send the monies but
6 the Appellant BRIAN filed a Claim of Exemption from Execution on January 4, 2017.
7 RUORONG's attorney in the district court case filed an Objection to Defendant's
8 Claim of Exemption from Execution, Request to Reopen Discovery, Reduce Award(s)
9 to Judgment, for Attorney's Fees and Costs, and for Other Related Relief on January
10 12, 2017, because the district court never stayed the execution. The district court held
11 a hearing on January 30, 2017, and ordered that the \$88,000.00 should be released to
12 the Respondent RUORONG, who needs the monies to save her home. Since the
13 Appellant BRIAN has refused to pay the monies to RUORONG pursuant to the divorce,
14 and the mortgage loan is just in BRIAN's name, RUORONG has defaulted on the
15 mortgage for her home located at 6721 Old Valley Street, Las Vegas, NV 89149. A
16 foreclosure mediation was held on or about September 23, 2016, where it was
17 determined that a Certificate of Foreclosure could be issued on January 24, 2017 and
18 the home could be foreclosed. The \$88,000.00 is more than enough money to pay off
19 the mortgage. The Appellant's attorney said in district court at the hearing that he
20 would have signed a document allowing for the payment of the \$88,000.00 if he was
21

1 asked, but he filed the Motion to Stay anyways. The Appellant BRIAN agreed to sign
2 a Stipulation to allow the \$88,000.00 to be released to RUORONG. The district court
3 continued the hearing to February 8, 2017. Please see Exhibit "A", which are the
4 Minutes from the district court case.
5

6 **Respondent's assets will suffer serious injury if the stay is granted.**

7 Decree of Divorce has never determined that each account split date is July
8 25,2014. It's just another lie of the appellant. Just to delay time, resist split accounts,
9 long-term occupation of common assets. So the common assets value-added also must
10 be shared.
11

12 **The Appellant has refused to comply with the Decree of Divorce and other**
13 **orders from the district court to pay the Respondent RUORONG, and will not**
14 **suffer irreparable or serious injury if the stay is denied.**
15

16 On the contrary, if the stay is allowed, the Respondent's single home will
17 auction and the Respondent will suffer irreparable injury / serious financial loss; all
18 caused by the Appellant.
19

20 **The Appellant is not likely to prevail on the merits in the appeal.**

21 There is no prevail basis. Just delay time and resisting distributing the assets. All of
22 the evidence shows that the Appellant intended to encroach on the Respondent's
23 legitimate interests, and hid community property. The district court gave the

1 Appellant enough patience to give him half a year and three hearings that would
2 provide evidence to prove his claim, but the Appellant has no evidence to offer.
3
4

5 **CONCLUSION**

6 WHEREAS, based on the foregoing, the Respondent RUORONG respectfully
7 requests that the Court deny the Appellant's Motion to Stay and Request for
8 Submission. Additionally, the Respondent requests such other relief this Court
9 deems appropriate.
