ORDER DENYING MOTION FOR STAY

This is an appeal from a district court order entered after a decree of divorce. Respondent has filed, in pro se, a motion to stay the foreclosure of her house. This appeal does not involve the foreclosure proceedings and is thus not the appropriate case in which to present a motion to stay those proceedings. Moreover, respondent does not indicate that she moved for a stay in the district court in the first instance and fails to demonstrate that moving first in the district court is impracticable. See NRAP 8(a). Accordingly, respondent's motion for stay is denied.¹

It is so ORDERED.

¹Given this order, we take no action on respondent's motion to expedite the resolution of the stay motion.
