APCO CONSTRUCTION, a Nevada corporation, Plaintiff, v. GEMSTONE DEVELOPMENT WEST, INC., a Nevada corporation, Defendant.	Case No. : 08A571228 Dept. No.: XIII **APCO CONSTRUCTION'S OPPOSITION TO HELIX ELECTRIC OF NEVADA LLC'S MOTION TO (I) RE-OPEN STATISTICALLY CLOSED CASE, (II) DISMISS ALL UNRESOLVED CLAIMS AND/OR, (III) IN THE ALTERNATIVE, FOR A RULE 54(B) CERTIFICATION AS TO HELIX AND APCO**

APCO Construction ("APCO"), by and through its attorneys of record, Fennemore Craig, P.C., hereby submits its Opposition to Helix Electric of Nevada, LLC's ("Helix") Motion to (I) Re-Open Statistically Closed Case, (II) Deem All Constituent Case Claims Resolved and/or, (III) in the Alternative, for a Rule 54(b) Certification as to Helix and APCO ("Motion"). This Opposition is based on the points and authorities provided below, the papers and pleadings on file herein, and any oral argument permitted at the time of hearing.

MEMORANDUM OF POINTS AND AUTHORITIES

I. INTRODUCTION

Helix requests that this Court re-open this case to dismiss all unresolved claims and/or to grant NRCP 54(b) certification as to this Court's May 31, 2018 Judgment. Helix's Motion should be denied, as no claims remain unresolved in this matter. Helix ignored several requests by the

Supreme Court to demonstrate that there were no unresolved claims. Even though there was jurisdiction, and despite numerous opportunities to establish jurisdiction granted by the Nevada Supreme Court, Helix never went through the briefing exercise required to satisfy the Nevada Supreme Court on the issue of jurisdiction. As a result, Helix's appeal was dismissed. Helix is not entitled to re-start the appeal process by asking this Court to enter orders on claims that have already been adjudicated to relieve itself from the Nevada Supreme Court's dismissal decision.

II. RELEVANT APPELLATE PROCEDURAL BACKGROUND

Helix filed a notice of appeal from this Court's May 31, 2018 Judgment in favor of AP250 and against Helix.[1] On February 6, 2019, the Nevada Supreme Court ordered Helix to file an amended docketing statement providing a complete list of all the claims, counterclaims, cross-claims, and third-party claims raised before this Court and the date of the formal disposition of each such claim. Exhibit 1. Helix filed the required amended docketing statement, but on March 12, 2019, the Nevada Supreme Court issued an Order to Show Cause, noting that Helix had still failed to provide all of the information required by the docketing statement and giving it fifteen days to show cause why the appeal should not be dismissed for lack of jurisdiction. Exhibit 2.

Helix filed its response to the Order to Show Cause on April 22, 2019. Exhibit 3. On July 12, 2019, the Nevada Supreme Court entered an order dismissing Helix's appeal, holding that Helix had failed to meet its burden to show that the Court had jurisdiction over the appeal. Exhibit 4. Helix thereafter filed its Motion in this Court, seeking relief from the sanction imposed on it by the Nevada Supreme Court by asking this Court to enter a new order from which it can then file a new notice of appeal, or in the alternative to grant NRCP 59(e) re-consideration for the same purpose.

III. RELEVANT PROCEDURAL BACKGROUND

A review of the pleadings and orders in the Consolidated Cases—A738888 and A767242—shows that each of the claims, counterclaims and counterclaims raised by the parties has been resolved by this Court. AP250 has prepared a chart of all the claims and how each one was resolved by this Court,

[1] Viatori Wood Products, Inc. also filed a notice of appeal from this same Judgment. That appeal was previously dismissed.

which is attached hereto as **Exhibit 5**.

Helix asserts in its Motion that the following "Unresolved Claims" remain pending before this Court:

Party	Claim
Camco	Abuse of Process (counterclaim) against Helix and Cactus Rose
	Breach of Contract (counterclaim) against Heinaman, Helix and Cactus Rose
	Breach of Covenant of Good Faith and Fair Dealing (counterclaim) against Heinaman, Helix and Cactus Rose
	Declaratory Relief (counterclaim) against Helix and Cactus Rose
	Attorneys' Fees (counterclaim) against Helix and Cactus Rose
Heinaman and Helix	Lien Foreclosure against Gemstone
	Lien Priority against Scott Financial
	Quantum Meruit against Scott Financial
All Plaintiffs in Intervention	Claim Against Bond against Fidelity & Deposit Co. of Maryland

APCO will address each of these alleged "Unresolved Claims".

A. Camco's Counterclaims Against Heinaman, Helix and Cactus Rose.

Helix argues that Camco's counterclaims against the remaining plaintiffs-in-intervention are "Unresolved Claims" because Camco did not pursue them at trial. However, each of these counterclaims was in fact resolved by this Court's Judgment as to the plaintiffs-in-interventions' claims. In addition, this Court dismissed all of Camco's affirmative defenses, some of which relied on the same facts as Camco's counterclaims. Thus, there are no unresolved claims upon which this Court can rule.

1. Abuse of Process (Helix and Cactus Rose Only).

Camco's Abuse of Process counterclaim alleged that Helix and Cactus Rose contracted directly with Gemstone (the project owner) and that neither Helix nor Cactus Rose therefore had viable claims against Camco. **Exhibits 6 and 7**. However, this Court found in its Findings of Fact and Conclusions of Law, as to the claims of Helix and Cactus Rose, that there were in fact viable claims against Camco by both Helix and Cactus Rose. **Exhibits 9 and 10**. Camco's Abuse of

Process counterclaims therefore failed as a result of this Courts orders and are not "Unresolved Claims" that remain pending.

2. Breach of Contract (Heinaman, Helix and Cactus Rose).

Camco's Breach of Contract counterclaim against Heinaman, Helix and Cactus Rose alleged that these plaintiffs-in-intervention breached an implied agreement between the parties that contained a provision that the plaintiffs-in-intervention would only be paid if Camco was paid, known as "pay-if-paid provision". **Exhibits 6, 7 and 8**. These counterclaims were resolved by this Court's January 1, 2018 Order Granting Peel Brimley Lien Claimants' Motion for Partial Summary Judgment Precluding Defenses Based on Pay-If-Paid Agreements and by this Court's finding in its Findings of Fact and Conclusions of Law as to the claims of Heinaman, Helix and Cactus Rose rejecting Camco's argument that it was not required to pay the plaintiffs-in-interest because it never received payment from the owner. **Exhibits 9, 10 and 11**. This counterclaim was fully resolved and is not an "Unresolved Claim".

3. Breach of Covenant of Good Faith and Fair Dealing (Heinaman, Helix and Cactus Rose).

Camco alleged in its Breach of Covenant of Good Faith and Fair Dealing claims that the plaintiffs-in-intervention breached this implied covenant by failing to abide by the same terms of the parties' agreement discussed in its breach of contract claim. **Exhibits 6, 7 and 8.** Thus, this counterclaim was resolved by the same orders of this Court that the Breach of Contract counterclaim was. **Exhibits 9, 10 and 11**.

4. Declaratory Relief (Helix and Cactus Rose Only).

Camco requested that this Court interpret the Agreement between Camco and the plaintiffs-in-intervention regarding the terms of the Agreement, what the plaintiffs-in-intervention were entitled to under the Agreement, and whether the Agreement was enforceable in its counterclaim for Declaratory Relief. **Exhibits 6 and 7**. This Court made all of the findings required by Camco in its Findings of Fact and Conclusions of Law as to the claims of Helix and Cactus Rose that there were in fact viable claims against Camco by both Helix and Cactus Rose. **Exhibits 9 and 10**. This counterclaim was therefore addressed and resolved by this Court and is

3. APCO is Entitled to its Fees and Costs for the Failed Opposition Bringing this Motion

For all of the reasons set forth in APCO Construction, Inc.'s Motion for Attorneys' Fees and Costs Against Helix, filed May 8, 2018 and APCO's Reply filed June 29, 2018, both of which APCO incorporates by reference, APCO is entitled to recover its fees and costs related to Helix's failed appeal and the opposition to Helix's pending Motion. To briefly summarize, first, the subcontract between APCO and Helix allows the prevailing party to recover its fees and costs. See, subcontract ¶ 8.5. Second, Helix's frivolous lien was not upheld and since the appeal is related to that determination an award of fees is appropriate pursuant to NRS 108.2275(6). Lastly, Helix failed to accept APCO's Offer of Judgment. This Court has already ruled that APCO is entitled to fees and costs at least based upon the prior Offer of Judgment that was not accepted. See, Order filed September 27, 2018. APCO will file a separate motion outlining the extent of the fees and costs for this court to determine the reasonableness of them.

IV. CONCLUSION

Helix's Motion should be denied as there are no claims or matters that remain pending for this Court's consideration in this matter. In addition, APCO is entitled to its fees and costs related to Helix's failed appeal and opposing Helix's efforts to unwind the Supreme Court's sanction of dismissal.

ORDER TO FILE AMENDED DOCKETING STATEMENT

Review of appellants' docketing statements reveals that they are incomplete. Appellants do not provide a complete response to item 23. Appellants must list each separate claim, counterclaim, cross-claim, or third-party claim made in the underlying district court action and the date of formal disposition of each claim (i.e. entry of a written order). Appellants should also identify the specific district court case number the judgment they are appealing from arises from (not simply the lead case number). Appellants need not list all claims asserted in all of the consolidated cases; a list of the claims asserted in the district court case from which the judgment on appeal arises will be sufficient.

Appellants shall have 30 days from the date of this order to file and serve amended docketing statements that provide complete responses to all items, including item 23, identify the specific district court case the

judgment arises from, and have copies of all required documents attached. Failure to comply with this order may result in the imposition of sanctions. NRAP 14(c).

It is so ORDERED.

ORDER TO SHOW CAUSE

This is an appeal from a district court order entering judgment against appellants. Review of the docketing statements and documents before this court reveals potential jurisdictional defects.[1] It is not clear whether the district court has entered a final judgment resolving all claims against all parties in the underlying district court case. *See Lee v. GNLV Corp.*, 116 Nev. 424, 426, 996 P.2d 416, 417 (2000) (defining a final judgment). Although appellant Helix Electric of Nevada has filed an amended docketing statement and second amended docketing statement, it does not appear that it has provided all information required. Helix's

[1]On February 6, 2019, this court ordered appellant National Wood Products to file an amended docketing statement by March 8, 2019, containing complete responses to all items and having copies of all necessary documents attached. To date, National Wood has failed to comply. Counsel for National Wood is admonished for failing to comply with this court's order.

second amended docketing statement states that it only identifies the causes of action asserted before the underlying case was consolidated with another case. But appellants are required to identify all claims, counterclaims, cross-claims, or third party claims asserted in an action. *See* Docketing Statement Item 23. Further, it is unclear from the information provided whether the district court has entered orders formally resolving all of the claims asserted. For example, Helix indicates in its docketing statement that some of the causes of action asserted by plaintiffs in intervention Cactus Rose and Heinaman Contract Glazing were not pursued at trial. But the fact that parties were not inclined to pursue their claims does not operate as a formal dismissal of those claims. *See KDI Sylvan Pools, Inc. v. Workman*, 107 Nev. 340, 343, 810 P.2d 1217, 1219 (1991).

Accordingly, appellants shall each have 30 days from the date of this order to show cause why this appeal should not be dismissed for lack of jurisdiction. The underlying district court case is extraordinarily complex, involving dozens of parties and multiple consolidated cases. Thus, in responding to this order, in addition to points and authorities, appellants must provide a list of, and copies of, each of the latest-filed complaints, counterclaims, cross-claims, third-party complaints, and complaints in intervention filed in the underlying district court case (A587168), even if those documents were filed after consolidation, and even if they relate to parties other than the parties to this appeal. Appellants must also identify the date each pleading was filed and provide copies of each of the district court orders formally resolving each of the claims, counterclaims, cross-claims, third-party claims, and claims in intervention. Respondent may file any reply within 14 days of service of the latest-filed response. Failure to

demonstrate that this court has jurisdiction may result in the dismissal of this appeal.

Briefing of this appeal is suspended pending further order of this court.

It is so *ORDERED*.

INTRODUCTION

As the Court's Order to Show Cause ("OSC") notes, "the underlying district court case is extraordinarily complex, involving dozens of parties and multiple consolidated cases." Despite this fact, the claims subject to this appeal arise out of only one of the constituent cases of this complex consolidated action - District Court Case No. A09587168 (hereinafter referred to as the "Constituent Case" or the "Helix Case"). Further, a constituent case can be immediately appealable as a final judgment even where the other constituent case or cases within the consolidated case remain pending. *Matter of Estate of Sarge*, 134 Nev. Adv. Op. 105, 432 P.3d 718, 720 (2018). While the Consolidated Action is indeed complex, the resolution of the various claims in the Constituent Case is relatively straightforward. As shown in the following discussion, all of the claims asserted by or against the parties in the Helix Case have been finally resolved by judgment or operation of law.

By way of "Appendix A" to this Response,[1] Appellant/Cross-Respondent Helix Electric of Nevada, LLC ("Helix") endeavors to clarify which parties and claims arose from the Constituent Case and why they have all been finally adjudicated such that this appeal may proceed.[2]

[1] Pursuant to the OSC, Appendix A contains a "list of, and copies of, each of the latest-filed complaints, counterclaims, cross-claims, third-party complaints, and complaints in intervention filed in the underlying district court case (A587168), even if those documents were filed after consolidation, and even if they relate to parties other than the parties to this appeal."

[2] To the extent that the Court nonetheless concludes that some loose end renders this appeal unripe and subject to dismissal, Helix also respectfully submits that the related appeal in Case No. 77320 should likewise be dismissed. See Discussion *infra*.

THE PARTIES AND CLAIMS OF THE HELIX CASE

This action arose out of a failed construction project (the Manhattan West Project – hereinafter "Project") that closed, incomplete, in 2008. Numerous contractors, subcontractors and suppliers recorded mechanic's liens against the Project and filed multiple actions to foreclose their liens and (in the case of the subcontractors) recover in contract from the general contractors. On July 2, 2009, a Notice of Entry was filed with respect to the District Court's Order, dated June 29, 2009[3], consolidating the various related actions including the Constituent Case (Case No. A09587168).

1. The Constituent Case.

Claims filed in the relevant Constituent Case (or in response thereto), as amended, involve the following parties:

- Accuracy Glass & Mirror Company, Inc. (Original Plaintiff);
- Helix Electric of Nevada, LLC (Plaintiff in Intervention);
- WRG Design, Inc., f.k.a WRG, Inc. (Plaintiff in Intervention);
- Heinaman Contract Glazing (Plaintiff in Intervention);
- Bruin Painting Corp. (Plaintiff in Intervention);
- HD Supply Waterworks, LP (Plaintiff in Intervention);
- APCO Construction (Defendant, General Contractor)[4];
- Gemstone Development, Inc. (Defendant, Project Owner);
- Scott Financial Corporation (Defendant, Lender)[5];

---

[3] See **Exhibit D**.

[4] APCO asserted affirmative claims, including lien claims in its own constituent case. APCO asserted no counterclaims relating to the Constituent Case.

[5] As more fully discussed below, Scott Financial Corporation was a defendant only with respect to the lien claimants' claims of priority and was added by way of amended complaints or statements of fact.

- CAMCO Pacific Construction Co., Inc. (Defendant, General Contractor, Counterclaimant) and its contractor's bond surety, Fidelity and Deposit Company of Maryland[6]; and
- Various Does (unknown persons), Roes (unknow entities), Boes (unknown bonding companies, and Loes (unknown lenders).[7]

As set out in Appendix A (with exhibits), the Constituent Case was commenced on April 7, 2009[8] when Accuracy Glass & Mirror Company, Inc. ("Accuracy") filed a "Complaint Re Foreclosure" asserting claims against APCO, CAMCO, the Project developer, Gemstone Development West, Inc., CAMCO's contractor's bond surety, Fidelity and Deposit Company of Maryland, and various Does, Roes, Boes and Loes. Accuracy's Complaint asserted, among other things, claims for breach of contract, breach of implied covenant of good faith and fair dealing, unjust enrichment and, most importantly, foreclosure of Accuracy's mechanic's lien against the Project as well as a claim of priority as against the Loe Lenders. The other lien claimants, including Helix, filed Statements of Fact containing substantially identical claims. [9]

[6] CAMCO asserted various counterclaims against those subcontractors who claimed against CAMCO. However, at the time of trial, CAMCO offered no evidence and asserted to right to any affirmative relief.

[7] Except for Scott Financial Corporation, added by way of amended pleadings, no actual persons, entities, bonding companies or lenders were substituted for the Does, Roes, Boes or Loes.

[8] See **Exhibit H**.

[9] NRS 108.239(3) allows (but does not require) other persons holding liens on the same work of improvement to join an existing foreclosure action "by filing a statement of facts in the lien claimant's action."

Accuracy amended its Complaint on June 24, 2009[10], which it filed with a caption for the Consolidated Action, even though Notice of Entry of the Consolidation Order was not filed until July 2, 2009.[11] Similar amended pleadings were filed by the other relevant lien claimants.[12]

As discussed more fully below, the parties and claims in the Constituent Case were reduced over time by a series of events and orders, including an Order shortly before trial dismissing all parties that did not file pre-trial disclosures as required by NRCP 7(b).

2. The Writ Petition.

The Consolidated Action first came to this Court by way of a Writ Petition filed by APCO and multiple subcontractors seeking review of the District Court's summary judgment that the Project lender, Scott Financial Company, had priority over the mechanics lien claimants.[13] This Court affirmed the District Court and the proceeds of the sale of the Project property were eventually disbursed to the lender.

3. The Claims and Parties Are Reduced Pursuant to NRCP 7(b).

In the months and years following this Court's decision affirming the lenders' priority, many of the lien claimants withdrew from the consolidated proceeding, formally or by inaction, while a smaller number continued to press their claims against APCO and the other general contractor, Camco Pacific Construction Company, Inc. ("CAMCO"). As trial neared, counsel for APCO, CAMCO, Helix and others moved the District Court, pursuant to NRCP 7(b), to dismiss, with prejudice, all parties who had not filed their Pre-Trial Disclosures.[14] After notice and a further hearing on September 11, 2017, the District Court expressly dismissed

certain parties and affirmed the identities of the remaining parties.[15] Of the remaining parties, ***only the following had claims arising from the Constituent Case***:

- Helix Electric of Nevada, LLC (Plaintiff in Intervention);
- Heinaman Contract Glazing (Plaintiff in Intervention);
- APCO Construction (Defendant, General Contractor); and
- CAMCO Pacific Construction Co., Inc. (Defendant, General Contractor, Counterclaimant).[16]

Each of those parties proceeded to trial, which resulted in multiple separate judgments resolving the tried claims. Specifically, with respect to the Constituent Case, claims were presented by and resulted in judgments respecting:

- Helix, against APCO (claims dismissed, subject of this appeal)[17];
- Helix, against CAMCO;[18] and
- Heineman Contract Glazing (against CAMCO);[19]

[15] See *Id.* Many other parties and claims had by then already been dismissed or resolved. Others, not part of the Constituent Case were resolved through other orders or, as in the case of National Wood Products, Inc., went to trial. However, because finality for purposes of appellate jurisdiction involves only an analysis of the Constituent Case, see *Estate of Sarge*, *supra*, these other parties and claims are ignored here for brevity and clarity.

[16] Previous iterations of the Appendix A submitted with Helix's Docketing Statement (as amended) incorrectly included analyses of the claims and/or judgments of (i) Buchele, Inc. (filed in Constituent Case No. A583289), (ii) Fast Glass, Inc. (filed in Constituent Case No. A584730), (iii) SWPPP Compliance Solutions (filed in the Consolidated Action after consolidation),and (iv) Cactus Rose Construction Co., Inc. (filed in Consolidated Action after consolidation). Those parties and analyses have been removed from the Appendix A hereto for brevity and clarity.

DISCUSSION

As stated by this Court in *Lee v. GNLV Corp.*, 116 Nev. 424, 426–27, 996 P.2d 416, 417 (2000):

> Pursuant to NRAP 3A(b)(1), an appeal may be taken from a "final judgment in an action or proceeding." "Judgment," as the term is used in the Nevada Rules of Civil Procedure, includes "any order from which an appeal lies." NRCP 54(a) (emphasis added). Accordingly, this court has customarily adopted the view that the finality of a district court's order depends not so much on its label as an "order" or a "judgment," but on what the "order" or "judgment" substantively accomplishes.

Here, as noted above, only the claims of the Helix Case are relevant to the analysis of case finality. See *Estate of Sarge*, 432 P.3d at 720. After September 2017, with respect to the Helix Case, only those parties and claims involving Helix, APCO, CAMCO, and Heinaman Contract Glazing remained in the action (i.e., were not dismissed pursuant to NRCP 7(b)) and went to trial. As a result of trial, multiple judgments were entered, including the judgment dismissing Helix's claims against APCO (and subsequently awarding fees and costs to APCO). Because these parties proceeded to trial, resulting in judgments, nothing remains for adjudication and this Constituent Case is ripe for appeal.

The OSC questions the fact that "certain parties were not inclined to pursue their claims [which] does not operate as a formal dismissal of those claims." The Court appears to be referencing the abandoned counterclaims of CAMCO against Helix and Heinaman Contract Glazing, as well as the abandoned claims of Heinaman Contract Glazing against APCO. While the various judgments do not expressly address these claims, it is clear that (i) each of these parties appeared together for trial, (ii) were afforded a full opportunity to offer evidence in support of and seek judgment on the claims alleged in their pleadings and (iii) were provided notice of

the judgments as entered.[20] Under these circumstances, it is difficult to understand how any of these abandoned claims could ever (i) again be brought to trial in this action or (ii) be the subject of a future action.

This Court has recognized that the doctrine of claim preclusion "embraces all grounds of recovery that were asserted in a suit, as well as those that could have been asserted, and thus has a broader reach" than the issue preclusion doctrine. *Five Star Capital Corp. v. Ruby*, 124 Nev. 1048, 1052, 194 P.3d 709, 711 (2008), citing University of Nevada v. Tarkanian, 110 Nev. 581, 599, 879 P.2d 1180, 1191 (1994). The "modern view is that claim preclusion embraces all grounds of recovery that were asserted in a suit, as well as those that could have been asserted, and thus has a broader reach than issue preclusion." *Five Star*, 124 Nev at 1052-1053 citing *Executive Management v. Ticor Title Insurance Co.*, 114 Nev. 823, 835, 963 P.2d 465 (1998).

Claim preclusion applies if (1) the parties or their privies are the same, (2) the final judgment is valid, and (3) the subsequent action is based on the same claims or any part of them that were or could have been brought in the first case. *Five Star*, 124 Nev. at 1054-1055. These three factors, in varying language, are used by the majority of state and federal courts. *Id.* This test maintains the well-established principle that claim preclusion applies to all grounds of recovery that were or could have been brought in the first case. *Id.*

Here, whether "brought," not brought, or abandoned or not pursued at trial, the claims of which the Court has expressed concern may never be brought again. Further, trial (finally, after nearly 10 years) having occurred, will not again occur except on remand from this Court (as this Appeal seeks).[21] Accordingly, the

[21] It is also worth noting that the District Court now lists the Constituent Case as "Closed." See **Exhibit B.**

abandoned claims are fully resolved as a matter of law and Helix respectfully submits that the Helix Case is final and this Court has jurisdiction to hear the appeal.

Should the Court nonetheless conclude that those claims were not abandoned or that the lack of express dismissal of the same renders this appeal unripe and subject to dismissal, Helix also respectfully submits that the related appeal in Case No. 77320, which relates to the complementary appeals of the District Court's award of attorney's fees and costs to Respondent/Cross-Appellant APCO Construction ("APCO") must necessarily suffer from the same defect and be likewise dismissed.

As more fully discussed in Helix's pending Motion to Suspend Briefing filed in Case No. 77320,[22] these two appeals are inextricably intertwined.[23] Case No. 76726 appeals of the dismissal of Helix's claims against Respondent APCO Construction ("APCO") while Case No. 77320 was created by the Court when Helix filed an Amended Notice of Appeal seeking review of this case (No. 76726) ***and*** the Court's subsequent award of attorney's fees and costs to APCO, for which APCO filed a Cross-Appeal. Although the Court created separate appeal cases, the underlying judgment dismissing Helix's claims forms the foundational basis of both appeals. Stated differently, if this court determines that the Helix Case is not final and the appeal is unripe and subject to dismissal, that same defect would apply to Case No. 77320.

[22] See **Exhibit QQ**.

[23] A motion to consolidate these appeals is also pending.

CONCLUSION

For the foregoing reasons, Helix respectfully submits that the Constituent Case is final and that this Court has jurisdiction to hear the appeal (and the appeal in Case No. 77320). However, should this Court conclude otherwise, the Court should apply the same conclusions to both appeals.

Respectfully submitted this 22nd day of April, 2019.

CLERK OF SUPREME COURT

DEPUTY CLERK

ORDER DISMISSING APPEAL

This is an appeal from a district court order entering judgment against appellant. Eighth Judicial District Court, Clark County; Mark R. Denton, Judge.

When review of appellant's amended docketing statement revealed that it was incomplete, this court ordered appellant to file and serve an amended docketing statement that contained a complete response to item 23. Appellant filed a second amended docketing statement but that document still did not contain all required information. It was thus unclear whether the district court had entered a final judgment appealable under NRAP 3A(b)(1). *See Lee v. GNLV Corp.*, 116 Nev. 424, 426, 996 P.2d 416, 417 (2000) (defining a final judgment). Accordingly, this court entered an order directing appellant to show cause why this appeal should not be dismissed for lack of jurisdiction. The order noted that the underlying case is extraordinarily complex, involving dozens of parties and multiple consolidated cases. Appellant was directed to provide specific information regarding each claim, counterclaim, third-party claim, and complaint in intervention asserted.

Having reviewed appellant's response, as well as the attached exhibits, appellant fails to demonstrate that the district court has entered

a final judgment in the constituent case. *See Moran v. Bonneville Square Assocs.*, 117 Nev. 525, 527, 25 P.3d 898, 899 (2001) (stating that the burden of establishing appellate jurisdiction lies with appellant). Appellant states that several claims and counterclaims were abandoned and not expressly resolved in a district court order but asserts that these claims are fully resolved due to the application of claim preclusion. Whether or not the claims may be brought again in future litigation is a separate inquiry from whether all asserted claims have been fully resolved so as to invoke this court's jurisdiction under NRAP 3A(b)(1). As noted in this court's order to show cause, the fact that a party was not inclined to pursue a claim does not operate as a formal dismissal of that claim. *KDI Sylvan Pools, Inc. v. Workman*, 107 Nev. 340, 342, 810 P.2d 1217, 1219 (1991). Accordingly, it appears that the order challenged in this appeal is not appealable as a final judgment. As no other statute or court rule appears to authorize an appeal from the challenged order, *see Brown v. MHC Stagecoach, LLC*, 129 Nev. 343, 345, 301 P.3d 850, 851 (2013) (this court "may only consider appeals authorized by statute or court rule"), it appears this court lacks jurisdiction and

ORDERS this appeal DISMISSED.[1]

Cadish, J.

[1]Given this dismissal, the motion to consolidate this appeal with Docket No. 77320 is denied as moot. This court will determine its jurisdiction in Docket No. 77320 at a later date.

EXHIBIT J

Scott
Financial Corporation

Date: April 28, 2009
To: Nevada State Contractor's Board
From: Scott Financial Corporation
Subject: ManhattanWest Project

I am the President of Scott Financial Corporation ("SFC"), which is a seasoned commercial finance company located in Bismarck, North Dakota and licensed in Nevada.

SFC is the lender for ManhattanWest Buildings 2, 3, 7, 8, and 9 located at West Russell Road and Rocky Hill Street in Las Vegas, Nevada (the "Project"). No other ManhattanWest buildings were funded or constructed. The Project consisted of condominiums developed by Gemstone Development West, Inc. ("Gemstone").

The purpose of this letter is to explain the payment process for the Project and to demonstrate that Camco Pacific Construction Company, Inc. ("Camco") had no direct responsibility to pay the trade contractors or any other contracting parties on the Project.

As the Project's lender, SFC established a credit facility between SFC (with its network of participating community banks) and Gemstone. As the loan originator and lead lender, SFC established both the Senior and Mezzanine Credit Facilities that were forecasted to fund the entire construction cost to complete the Project; provided however, that an adequate level of condominium sales were closed by Gemstone in a timely manner

In connection with its funding of the Project, SFC required a very detailed and disciplined payment procedure, which it has used successfully and extensively in the past. This payment procedure was developed collectively between SFC, Gemstone, and Nevada Construction Services ("NCS") to execute the monthly construction funding on the Project in a proper and timely manner.

This payment procedure was communicated to the general contractors and the trade contractors through them and was used to facilitate the payment structure for all trade contractors/vendors.

Prior to the commencement of the Project, SFC entered into a voucher control contract with NCS. First, pursuant to such agreement, NCS managed the voucher control and served as the third party disbursement agent. Second, as part of such agreement, NCS also performed third party site construction inspections for SFC prior to each disbursement. Please note that NCS is a disbursement agent for SFC and does not "approve funding", that is a role of SFC and our participating banks exclusively.

APCO Construction ("APCO") was the original General Contractor for the Project. The protocol for issuing payment involved APCO submitting a monthly payment application to Gemstone based on a schedule of values and materials delivered by the vendors and trade contractors (the "Payment Application").

Next, Gemstone would review the Payment Application and approve or reject its contents based upon the work completed as of the submission of such Payment Application. Upon the final agreement and approval of the Payment Application by Gemstone and APCO, Gemstone would send the Payment Application and any supporting documents to NCS. NCS

would review the Payment Application and the supporting documents and compare them with its payment records. Thereafter, NCS would order a formal NCS inspection of the jobsite to verify that sufficient progress was made to warrant the amount in the Payment Application. After completing such inspection, NCS submitted its request for funding to SFC.

Upon receiving such approval, SFC conducted its final monthly creditor review and completed the funding approval process by taking the following steps: (a) formally signing-off on the Payment Application and (b) obtaining final approval of the Payment Application from the co-lead bank.

Finally, after the Payment Application was properly approved and verified, the corresponding funds were requested by SFC from its participating lenders and advanced into the SFC Project Control Account. Thereafter, the respective (a) soft costs in the Payment Application were advanced directly to Gemstone and (b) the hard costs in the Payment Application were wired directly to NCS for controlled disbursement.

Upon receiving such hard cost funds, NCS would send the corresponding payment directly to APCO for disbursement to the trade contractors. This was the payment process throughout the period that APCO remained on the Project, except for the June and July 2008 Pay Applications where NCS was notified by Gemstone to issue joint checks to the sub contractors.

APCO was terminated by Gemstone for cause in August 2008. After such termination, Gemstone engaged Camco to serve as the General Contractor for the Project. When this substitution occurred, the payment process used during the APCO engagement was continued with some alterations.

The most important of these alterations was based on the shift from a Guaranteed Maximum Price to a simple monthly fee. APCO had agreed to deliver the Project for a Guaranteed Maximum Price and received a fee for its services based on a percentage of each Payment Application. Consequently, APCO assumed responsibility for the financial aspects of the Project and the proper engagement and payment of the trade contractors.

In contrast, Camco was paid a basic fee of $100,000 per month plus certain expenses to serve as the General Contractor for the project; provided however, that Gemstone, not Camco, was solely responsible for selecting and negotiating the engagement of the trade contractors by Camco. Because of this shift in responsibility, all decisions and communications for payment authorization and processing were handled by Gemstone, without Camco's ongoing involvement.

In addition, Gemstone provided the financial management component of the Project and was responsible for (a) establishing and maintaining the budget and (b) keeping full and detailed accounts on the Project.

Furthermore, NCS's protocol also changed to effectively limit Camco's involvement. Because Camco was not responsible for establishing or maintaining the budget, Camco's only role in the payment process was to compile and submit each initial Payment Application.

Thereafter, the review, negotiation, and request for the corresponding payments were handled by Gemstone. As a result, NCS never sent payment for trade contractors to Camco. Instead, such payments were sent directly to the trade contractors.

Furthermore, Camco (a) as a rule did not communicate directly with SFC; (b) only occasionally communicated with NCS regarding the payment process; and (c) did not make any decisions related to the Payment Application or the corresponding payments to Camco or the trade contractors. Payments decisions were all made by Gemstone because they were responsible for the budget and as they pertained to credit decisions reviewed by SFC.

In addition, Camco had no physical control over the funds, and all disbursements were completed between NCS and the trade contractors directly. We understand the trade contractors were aware of Camco's limited role in this payment process. First, the negotiation of each trade contractor's engagement was managed by Gemstone employees and only subsequently ratified by Camco. Second, the terms of the engagement contracts between Camco and each trade contractor and Camco and Gemstone described this relationship. Third, on several occasions when a particular trade contractor expressed concern regarding the timing of a forthcoming payment, Gemstone and Camco repeatedly and consistently explained that all lending decisions regarding funding (credit issues specifically) were ultimately made by SFC and that neither Gemstone nor Camco had the ability, authority, or resources to make any payments that did not come from SFC approval.

To this end, on occasion, trade contractors demanded that they be provided with some evidence of payment in order to continue working. In response, Camco could not, and to our understanding did not, promise that any payment was forthcoming.

SFC delivered on a limited basis, letters to such disgruntled trade contractors informing them that all credit decisions on payment funding must be approved by SFC and that such funds would be only paid once SFC had completed its required approval process and determined that such payments were appropriate. Attached to this letter as **Exhibit A** are two such letters executed by SFC and delivered to certain trade contractors.

In December 2008, SFC sent correspondence to NCS that due to uncured loan defaults by Gemstone, a decision was made to cease all funding on the Project. The communications regarding this decision are attached to this letter as **Exhibit B**. SFC further requested that NCS return funds in the amount of $993,866.72. NCS returned the funds requested and no additional payment for previous work performed was disbursed to Gemstone, Camco, or any of the trade contractors for the Project. Camco was not a part of these transactions, was not a participant in these decisions, and was unaware of such decisions until the above notice was sent to NCS.

Upon learning of SFC's decision to cease funding, we understand Camco terminated its engagement contract with Gemstone based on Gemstone's failure to pay Camco pursuant to the terms of such contract. As a result of changed circumstances on the Project after APCO's termination, Camco's role was limited with regard to payment.

As a result, SFC does not believe Camco or for that matter NCS can be held responsible for payment of any outstanding applications of the trade contractors.

Sincerely,

RE: ManhattanWest Funding

Mr. Evans:

I have been asked by Gemstone to provide you with an update on the status of the September Draw.

As you may likely know Scott financial Corporation is the Creditor of record and has been funding the vertical construction through the various credit facilities established.

The September Draw was submitted to Scott Financial Corporation late last week. We are currently completing the final review of the September Payment Application. However, in light of the complications related to the termination of the former general contractor, the approval of the September Payment Application has required more investigation and time than generally typical or expected.

Despite this temporary delay, the funding necessary to satisfy the outstanding amounts due pursuant to the September Payment Application are in final stages of approval and are anticipated to be processed and funded to NCS (voucher control) by November 13, 2008.

The amount in processing includes a payment of $1,092,121.34 to E&E Fire Protection LLC and its corresponding suppliers.

I trust this letter assists you with your questions on the timing of the funding.

Please feel free to contact me directly if you have any questions.

RE: ManhattanWest Funding

Mr. Duckstein:

I have been asked by Gemstone to provide you with an update on the status of the October Draw.

As you may likely know Scott financial Corporation (SFC) is the Creditor of record and has been funding the vertical construction through the various credit facilities established.

The October Draw was submitted to SFC late last week.

We are currently completing the final review of the October Payment Application. However, in light of the complications related to in large part to the termination of the former general contractor, the approval of the October Payment Application has required more review, investigation and time than in the past.

Despite this delay, the funding necessary to satisfy the outstanding amounts due pursuant to the October Payment Application are in being reviewed and a determination of approval is being considered by our team.

Clearly approval of the draw is subject to our complete review process.

Although we cannot guarantee the approval, SFC anticipates the draw request to be processed and funded to NCS (voucher control) in December.

I understand the MHW draw which is in the review process at SFC includes a payment amount of approximately $598,475.00 to CabineTec Inc. and its corresponding suppliers. I believe the Developer approved payment amount is $483,664.32.

I trust this letter assists you with your questions on the timing of the funding.

Please feel free to contact me directly if you have any questions.

Jen:

As of right now11AM CST 12/16/08 the October Draw is still on permanent hold.

A final decision confirming the lender's direction on Project was expected yesterday. It did not happen.

I anticipate this final decision will however likely lead to "no further draws being approved".

Foreclosure options and discussion on how we will proceed have been explored.

SFC has requested our legal counsel to address the return wire from NCS to SFC discussed yesterday.

Those funds will be held in the SFC escrow account at NSB for the time being, until further direction is provided to SFC.

SFC will keep you posted as a final determination is made.

Thanks.

Pursuant to Nevada Revised Statutes ("NRS") Chapter 30, the Uniform Declaratory Judgment Act, and more particularly, NRS 30.030 and NRS 30.040, Camco asks this Court to utilize its power to interpret the Agreement and declare the respective rights and obligations of the parties, if any, under the Agreement, including, without limitation, the complete or partial validity or invalidity of the Agreement, the terms and conditions, if any, under which Cactus Rose would be entitled to a commission thereunder, the duration or term of the Agreement, and the extent to which the Agreement is unconscionable and/or unenforceable.

FIFTH CAUSE OF ACTION

(Attorney's Fees)

34. Camco repeats and realleges each and every allegation contained in the preceding paragraphs of Camco's Counterclaim, incorporates the same at this point by reference and further alleges:

35. NRS 30.120 provides that "in any proceeding under NRS 30.010 to 30.160, inclusive, the Court may make such award of costs as may seem equitable and just."

36. In this case, pursuant to NRS Chapter 30, the Uniform Declaratory Judgment Act, and more particularly, NRS 30.030 and NRS 30.040, Camco has requested that this Court

declare the rights, status and relationships between the parties under the Agreement. Camco has been forced to retain the services of an attorney and has incurred costs in seeking such declaratory relief from this Court.

37. Therefore, Camco asks this Court, pursuant to NRS 30.120, to award Camco the attorney's fees and costs that it incurs in the defense and prosecution of this litigation.

38. It has become necessary for Camco to retain the services of the law firm of Woodbury, Morris & Brown to defend against the Complaint and to bring counterclaims against Cactus Rose, and Camco is therefore entitled to an award of attorneys' fees and costs incurred herein.

WHEREFORE, Counterclaimant Camco prays as follows:

1. For this Court to enter judgment against Counterdefendant in an amount in excess of $10,000.00, plus interest at the contract rate;

Date: April 28, 2009
To: Nevada State Contractor's Board
From: Scott Financial Corporation
Subject: ManhattanWest Project

I am the President of Scott Financial Corporation ("SFC"), which is a seasoned commercial finance company located in Bismarck, North Dakota and licensed in Nevada.

SFC is the lender for ManhattanWest Buildings 2, 3, 7, 8, and 9 located at West Russell Road and Rocky Hill Street in Las Vegas, Nevada (the "Project"). No other ManhattanWest buildings were funded or constructed. The Project consisted of condominiums developed by Gemstone Development West, Inc. ("Gemstone").

The purpose of this letter is to explain the payment process for the Project and to demonstrate that Camco Pacific Construction Company, Inc. ("Camco") had no direct responsibility to pay the trade contractors or any other contracting parties on the Project.

As the Project's lender, SFC established a credit facility between SFC (with its network of participating community banks) and Gemstone. As the loan originator and lead lender, SFC established both the Senior and Mezzanine Credit Facilities that were forecasted to fund the entire construction cost to complete the Project; provided however, that an adequate level of condominium sales were closed by Gemstone in a timely manner

In connection with its funding of the Project, SFC required a very detailed and disciplined payment procedure, which it has used successfully and extensively in the past. This payment procedure was developed collectively between SFC, Gemstone, and Nevada Construction Services ("NCS") to execute the monthly construction funding on the Project in a proper and timely manner.

This payment procedure was communicated to the general contractors and the trade contractors through them and was used to facilitate the payment structure for all trade contractors/vendors.

Prior to the commencement of the Project, SFC entered into a voucher control contract with NCS. First, pursuant to such agreement, NCS managed the voucher control and served as the third party disbursement agent. Second, as part of such agreement, NCS also performed third party site construction inspections for SFC prior to each disbursement. Please note that NCS is a disbursement agent for SFC and does not "approve funding", that is a role of SFC and our participating banks exclusively.

APCO Construction ("APCO") was the original General Contractor for the Project. The protocol for issuing payment involved APCO submitting a monthly payment application to Gemstone based on a schedule of values and materials delivered by the vendors and trade contractors (the "Payment Application").

Next, Gemstone would review the Payment Application and approve or reject its contents based upon the work completed as of the submission of such Payment Application. Upon the final agreement and approval of the Payment Application by Gemstone and APCO, Gemstone would send the Payment Application and any supporting documents to NCS. NCS

would review the Payment Application and the supporting documents and compare them with its payment records. Thereafter, NCS would order a formal NCS inspection of the jobsite to verify that sufficient progress was made to warrant the amount in the Payment Application. After completing such inspection, NCS submitted its request for funding to SFC.

Upon receiving such approval, SFC conducted its final monthly creditor review and completed the funding approval process by taking the following steps: (a) formally signing-off on the Payment Application and (b) obtaining final approval of the Payment Application from the co-lead bank.

Finally, after the Payment Application was properly approved and verified, the corresponding funds were requested by SFC from its participating lenders and advanced into the SFC Project Control Account. Thereafter, the respective (a) soft costs in the Payment Application were advanced directly to Gemstone and (b) the hard costs in the Payment Application were wired directly to NCS for controlled disbursement.

Upon receiving such hard cost funds, NCS would send the corresponding payment directly to APCO for disbursement to the trade contractors. This was the payment process throughout the period that APCO remained on the Project, except for the June and July 2008 Pay Applications where NCS was notified by Gemstone to issue joint checks to the sub contractors.

APCO was terminated by Gemstone for cause in August 2008. After such termination, Gemstone engaged Camco to serve as the General Contractor for the Project. When this substitution occurred, the payment process used during the APCO engagement was continued with some alterations.

The most important of these alterations was based on the shift from a Guaranteed Maximum Price to a simple monthly fee. APCO had agreed to deliver the Project for a Guaranteed Maximum Price and received a fee for its services based on a percentage of each Payment Application. Consequently, APCO assumed responsibility for the financial aspects of the Project and the proper engagement and payment of the trade contractors.

In contrast, Camco was paid a basic fee of $100,000 per month plus certain expenses to serve as the General Contractor for the project; provided however, that Gemstone, not Camco, was solely responsible for selecting and negotiating the engagement of the trade contractors by Camco. Because of this shift in responsibility, all decisions and communications for payment authorization and processing were handled by Gemstone, without Camco's ongoing involvement.

In addition, Gemstone provided the financial management component of the Project and was responsible for (a) establishing and maintaining the budget and (b) keeping full and detailed accounts on the Project.

Furthermore, NCS's protocol also changed to effectively limit Camco's involvement. Because Camco was not responsible for establishing or maintaining the budget, Camco's only role in the payment process was to compile and submit each initial Payment Application.

Thereafter, the review, negotiation, and request for the corresponding payments were handled by Gemstone. As a result, NCS never sent payment for trade contractors to Camco. Instead, such payments were sent directly to the trade contractors.

Furthermore, Camco (a) as a rule did not communicate directly with SFC; (b) only occasionally communicated with NCS regarding the payment process; and (c) did not make any decisions related to the Payment Application or the corresponding payments to Camco or the trade contractors. Payments decisions were all made by Gemstone because they were responsible for the budget and as they pertained to credit decisions reviewed by SFC.

In addition, Camco had no physical control over the funds, and all disbursements were completed between NCS and the trade contractors directly. We understand the trade contractors were aware of Camco's limited role in this payment process. First, the negotiation of each trade contractor's engagement was managed by Gemstone employees and only subsequently ratified by Camco. Second, the terms of the engagement contracts between Camco and each trade contractor and Camco and Gemstone described this relationship. Third, on several occasions when a particular trade contractor expressed concern regarding the timing of a forthcoming payment, Gemstone and Camco repeatedly and consistently explained that all lending decisions regarding funding (credit issues specifically) were ultimately made by SFC and that neither Gemstone nor Camco had the ability, authority, or resources to make any payments that did not come from SFC approval.

To this end, on occasion, trade contractors demanded that they be provided with some evidence of payment in order to continue working. In response, Camco could not, and to our understanding did not, promise that any payment was forthcoming.

SFC delivered on a limited basis, letters to such disgruntled trade contractors informing them that all credit decisions on payment funding must be approved by SFC and that such funds would be only paid once SFC had completed its required approval process and determined that such payments were appropriate. Attached to this letter as **Exhibit A** are two such letters executed by SFC and delivered to certain trade contractors.

In December 2008, SFC sent correspondence to NCS that due to uncured loan defaults by Gemstone, a decision was made to cease all funding on the Project. The communications regarding this decision are attached to this letter as **Exhibit B**. SFC further requested that NCS return funds in the amount of $993,866.72. NCS returned the funds requested and no additional payment for previous work performed was disbursed to Gemstone, Camco, or any of the trade contractors for the Project. Camco was not a part of these transactions, was not a participant in these decisions, and was unaware of such decisions until the above notice was sent to NCS.

Upon learning of SFC's decision to cease funding, we understand Camco terminated its engagement contract with Gemstone based on Gemstone's failure to pay Camco pursuant to the terms of such contract. As a result of changed circumstances on the Project after APCO's termination, Camco's role was limited with regard to payment.

As a result, SFC does not believe Camco or for that matter NCS can be held responsible for payment of any outstanding applications of the trade contractors.

Sincerely,

Brad Scott

RE: ManhattanWest Funding

Mr. Evans:

I have been asked by Gemstone to provide you with an update on the status of the September Draw.

As you may likely know Scott financial Corporation is the Creditor of record and has been funding the vertical construction through the various credit facilities established.

The September Draw was submitted to Scott Financial Corporation late last week. We are currently completing the final review of the September Payment Application. However, in light of the complications related to the termination of the former general contractor, the approval of the September Payment Application has required more investigation and time than generally typical or expected.

Despite this temporary delay, the funding necessary to satisfy the outstanding amounts due pursuant to the September Payment Application are in final stages of approval and are anticipated to be processed and funded to NCS (voucher control) by November 13, 2008.

The amount in processing includes a payment of $1,092,121.34 to E&E Fire Protection LLC and its corresponding suppliers.

I trust this letter assists you with your questions on the timing of the funding.

Please feel free to contact me directly if you have any questions.

Sincerely,

Brad J. Scott
