CLERK OF SUPREME COURT
BY  DEPUTY CLERK

ORDER TO SHOW CAUSE

This is an appeal from a district court order denying a request for a joint preliminary injunction involving spendthrift trusts in a family law matter. Our review of the case reveals a potential jurisdictional defect in that it appears that the district court's order is not appealable. See NRAP 3A(b). Accordingly, appellant shall have 30 days from the date of this order to show cause why this appeal should not be dismissed for lack of jurisdiction. Respondents may file a reply within 14 days of service of appellant's response to this order. Failure to demonstrate that this court has jurisdiction may result in this court's dismissal of this appeal.

It is so ORDERED.
