Motion to Intervene on Order Shortening Time  
Granted;

08/11/2015

 All Pending Motions (8:30 AM) (Judicial Officer: Gonzalez, Elizabeth)

Matter Heard;

Journal Entry Details:

Appearance continued: Attorney Michael Hughes for the Defendants; Attorneys Michael Searcy and Christopher Tayback for Pro Hac Vice pending, for the Defendants; Attorney Alexander Robertson for Intervenor; in related case P082942, Attorney Mark Ferrario for Reading International; Attorney Aaron Shipley for James J. Cotter, Jr.; Attorney Alan Freer for Ann Margaret Cotter and Ellen Marie Cotter; Ann Margaret Cotter, present in the gallery. MOTION TO ASSOCIATE COUNSEL (CAFORIO) set in P082942. There being no objection, COURT ORDERED, motion to associate ADVANCE from August 25, 2015 and GRANTED. MOTION TO INTERVENE ON ORDER SHORTENING TIME: Motion GRANTED. PLAINTIFF'S MOTION TO EXPEDITE DISCOVERY AND SET A HEARING ON MOTION FOR PRELIMINARY INJUNCTION ON ORDER SHORTENING TIME: Argument in support thereof by Mr. Krum. Response by Mr. Ferrario, as to Mr. Cotter's termination, and request to stay this matter so claims can be addressed in ongoing arbitration proceedings in California. Mr. Searcy noted, the motion to intervene does not change anything because it is intervention in the same complaint, and the primary issue involves the employment agreement. Mr. Krum provided the Court with a copy of the employment agreement and argued there is no basis for a stay. Court inquired as to whether anyone had an objection to advancing Reading International, INC's Motion to Compel Arbitration, set on August 25th in P082942, to next week. Mr. Krum stated he did, as the motion is timely and he will need it until sometime next week to file a response. Court so noted. COURT ORDERED, request for expedited discovery GRANTED, only as to those issues where shareholder would have fiduciary duty claims. Upon counsel's inquiry, Court clarified, motion granted only on breach of fiduciary duty claims to shareholders; counsel cannot pursue whether or not it was appropriate for Mr. Cotter to be terminated; however, there is overlap, which Mr. Robertson may have more of because it is cleaner for him. Court DIRECTED Mr. Krum to provide a more narrow scope of discovery. Mr. Krum stated he can do so, if not tomorrow, then by Thursday. Court so noted; Mr. Krum to SUBMIT on Thursday, August 13; Mr. Robertson, if he has anything to add, will do so at the same time by noon; any issues to be addressed by conference call on Friday, August 14, at 1:00 PM. Mr. Ferrario will circulate the call information. Mr. Ferrario advised he will be in trial in Louisiana and requested to continue the motion to compel arbitration. There being no objection, COURT ORDERED, Reading International, INC's Motion to Compel Arbitration currently set on August 25, 2015 in P082942 RESET to September 1, 2015 at 8:30 AM.;

Matter Heard; Telephonic Conference: Expedited Discovery Scheduling/ Preliminary Injunction Hearing

Journal Entry Details:

Appearance continued: Attorneys Marshall Searcy and Christopher Tayback for Pro Hac Vice pending, for the Defendants; Attorney Alexander Robertson for Intervenor; Attorneys Donald Lattin and Bonnie Moore for Defendants William Gould and Timothy Storey; Attorneys Marshall Searcy and Christopher Tayback for Defendants Ed Kane, Doug McEachern, Margaret Cotter, Guy Adams and Ellen Cotter; in related case P082942, Attorneys Mark Ferrario and Lance Coburn for Reading International; Attorney Aaron Shipley for James J. Cotter, Jr.; Attorney Alan Freer for Ann Margaret Cotter and Ellen Marie Cotter. Argument by Mr. Ferrario that Mr. Crum's appearance to be requesting the Court get involved in retooling corporate processes and procedures requests are overboard; and he does not see any need for the expedited discovery request. Mr. Krum stated that Mr. Ferrario is re-arguing the motion he lost last week; that the requests are appropriate. Court noted Mr. Krum's requests were numbered 1-17 and Mr. Robertson's requests were numbered 1-33. Mr. Ferrario argued that there is nothing emergent with Mr. Robertson's requests, having nothing to do with the injunction but deal with matters that occurred three and four years ago. Argument by Mr. Robertson that they requested records going back three years, three year history for many decisions made regarding compensation for the officers which is highly relevant to the issue of whether these directors were interested or disinterested regarding the termination of Mr. Cotter Jr. Court noting derivative issues would be handled in the normal course, inquired of Mr. Crum and Mr. Robertson as to which requests were more emergent issues which would be subject to injunctive relief. Following representations by counsel, COURT ORDERED, the following requests are permitted on an expedited discovery schedule within 30 days: as to Mr.

CASE NO. A-15-719860-B

for the Intervenor Plaintiffs; Attorney Alan Feer and Attorney Harry Susman for Ellen Marie Cotter and Ann Margaret Cotter, as well as Attorney Aaron Stry for James J. Cotter, Jr., in related case P082942. Mr. Susman participated by telephone. Mr. Krum stated parties need to proceed apace with the so-called expedited discovery, and detailed the status of document production. Mr. Krum noted the Company has begun producing a substantial amount of documents and they have agreed to wait for that to finish before commencing depositions; Ellen Cotter is the only one who has not produced a single document to date, but they have been advised it will be done next week; parties have tentatively talked about commencing depositions in mid-November, with the scope dictated by the issues raised in the Amended Complaint as well as some moving parts, such as the annual meeting scheduled on November 10. Mr. Krum also noted people being added to the RDI Board through personal relationships to Margaret or Ellen Cotter; parties have also talked about briefing schedule for a hearing in the second week of February; they need to commence the Rule 16 disclosure process, so people can do what they need to do; however, he is surprised if discovery that has been done so far is not a substantial part of total production in this case. Finally, Mr. Krum requested a discovery cut-off in the spring and thereafter. Mr. Ferrario argued there is no need for expedited discovery, as an Amended Complaint has been filed which postdates the request for preliminary injunction; they have done the protective coding process with iterations, as well as image on computers; yesterday, he talked about depositions to Noah, as Mr. Searcy was unavailable, about the concern of what they were supposed to discuss given the filing of the Amended Complaint; Mr. Krum indicated a preliminary injunction hearing in February belies the need for immediate relief. Mr. Ferrario requested the Court set a discovery schedule and dispense with the request for preliminary injunction. COURT ORDERED, today is the parties' joint case conference and the filing of the joint case conference report is WAIVED. Court inquired about 16.1 disclosures understanding that with ESI issues there is a rolling production. Parties agreed on 3 weeks. Mr. Ferrario added they have entered into a stipulated protective order. With regards to an ESI protocol, Mr. Ferrario advised the people behind Mr. Krum and Mr. Coburn have a spend of time on it; parties have not entered into a written ESI protocol but they can reduce what has been discussed into writing. COURT ORDERED, status check on the ESI protocol SET on the Chambers calendar in 5 weeks. COURT ORDERED, Discovery OPENED AS OF TODAY, including counter claims. Ms. Moore, Mr. Searcy, and Mr. Ferrario advised they will be filing motions to dismiss on behalf of their clients. Court noted. Mr. Ferrario advised that in going through company documents they have encountered a number of privilege issues and requested 6 weeks out to complete a privilege log. Colloquy regarding disciplines of experts. COURT ORDERED, discovery cut-off SET on August 26, 2016; pre-discovery witness cut-off SET on April 29, 2016; if parties feel that is not enough time, they have some flexibility without impacting the trial date. Matter SET for Trial on the stack beginning November 14, 2016. Court noted based upon counsel's representation that trial is estimated to last 3 to 4 weeks. COURT ORDERED jury demand, if any, to be filed within five (5) business days; otherwise, matter will be set for a bench trial. Trial Setting Order will ISSUE, which will be filed in the Business Court case. COURT ORDERED, Plaintiff's motion for preliminary injunction VACATED. Court further DIRECTED Mr. Krum, when he is ready to set the time for an evidentiary hearing, to re-notice the motion, file a supplemental brief, and actually be negotiated. Upon counsel's inquiry, Court clarified its ruling regarding the prior motion to dismiss and interlineation on the Court's order. 12-4-15 CHAMBERS STATUS CHECK: ESI PROTOCOL;

intend to file it by April 1st but sooner but he will be out town next week. Mr. Shipley added that they need things to move along and does not have a good faith basis for the co-executors not to make a distribution of shares. Court noted counsel will get the accounting, either object or not, and someone will request authority for partial distribution. Mr. Krum advised that on the derivative case, counsel have conferred and reached an agreement on how to complete discovery and maintain the trial date; subject to disputes that arise or discovery due to recent developments, counsel have agreed each lawyer focuses on a subset of litigation will conclude or do their best to conclude document production related activities such as correct privilege logs and supplemental 16.1 disclosures, in the 2 to 4 weeks; in terms of depositions, Mr. Searcy indicated he will provide dates for his client in April and that does not work then in May; everyone has also agreed subject to the Court's approval to modify dates in the scheduling order, as follows: deponent witnesses to June 10th, the discovery cut-off to September 19th, initial disclosures to July 10th, and rebuttal disclosures to August 15th; however, they will not be modifying the deadline for dispositive motions and motions in limine. Mr. Ferrario responded that he agreed with Mr. Krum's announcement; they have kept the summary judgment date, but it is imperative that they keep the current trial date. Court noted that although it is not going to work counsel is welcome to submit a stipulation with those representations, signed by everyone; trial in this case is currently on the same track as the Mace Management vs. Hard Rock case. Mr. Ferrario reiterated, they cannot lose this trial date. Finally, Mr. Krum added that with regards to the probate case it is his opinion that they are dragging their feet with an eye toward retaining class B voting stock in the estate so they are in the position to vote that stock in the next annual shareholders' meeting. MOTION TO COMPEL PRODUCTION OF DOCUMENTS SOUGHT BY DEFENDANTS MARGARET COTTER, ELLEN COTTER, GUY ADAMS, EDWARD KANE, AND DOUGLAS MCEACHERN'S SECOND SET OF REQUESTS FOR PRODUCTION ON ORDER SHORTENING TIME: Following arguments by Mr. Searcy and Mr. Krum, including what they believe would be appropriate modifications to the RFP's, COURT ORDERED, motion GRANTED IN PART. 22 will be AMENDED to add the phrase "related to Reading or any of the parties in this litigation, without time limitation; SAME RULING for 23 and 24; 57 will be MODIFIED to add "related to Reading"; 65 GRANTED as written; 68 will be MODIFIED to say "related to Reading, Margaret Cotter, or Ellen Cotter and delete the term "personal"; 72 will be LIMITED, from 2010, and will relate only to management development; 73 is DENIED. # CASE SUMMARY

CASE NO. A-15-719860-B

COTTER, GUY ADAMS, EDWARD KANE AND DOUGLAS MCEACHERN ON ORDER SHORTENING TIME On the phone: Ms. Stross Bannett, for Attorney Ekwan Rhaw. PLAINTIFFS' MOTION TO COMPEL DIRECTOR DEFENDANTS' DEPOSITIONS ON ORDER SHORTENING TIME: Mr. Krum submitted an agreed schedule for depositions to the Court. COURT ORDERED, schedule MARKED as Court's Exhibit 1. (See worksheet.) Mr. Krum advised that with respect to the location Mr. Kane's deposition, Mr. Kane wants to move it to San Diego; they also have one for Mr. McEachern. Mr. Searcy advised Mr. Kane usually rides up with Mr. McEachern as he is uncomfortable driving and wants to stay close to his wife because of her condition. COURT ORDERED, Mr. Kane may have his deposition in San Diego. Court finds the issues expressed by Kane are appropriate for his convenience and for his wife's condition. PLAINTIFF JAMES J. COTTER, JR.'S MOTION TO COMPEL DISCOVERY DIRECTED TO DEFENDANTS MARGARET COTTER, ELLEN COTTER, GUY ADAMS, EDWARD KANE AND DOUGLAS MCEACHERN ON ORDER SHORTENING TIME: Mr. Krum advised he thinks parties have reached an agreement; with respect to request for production nos. 4 and 5, Mr. Searcy's clients will produce documents responsive to those requests and they will do a supplemental response indicating they have done so; there is a mutuality and Plaintiff previously agreed to do the same; on no. 18, Defendants have agreed to produce responsive documents, and appears a vast majority has already been produced; on no. 20, a point of confusion, the understanding is Defendants will respond to the request and produce documents even if they are likely none, and by way of clarification, they are not asking Defendants to go to the phone company for documents that Mr. Kane does not have. Mr. Searcy concurred with Mr. Krum's representations. Pursuant to counsel's request, COURT ORDERED, motion to compel recently set on May 3rd RESET to May 5, 2016. Colloquy regarding timing deadlines in light of the depositions. Ms. Hendricks advised they will need time before Mr. Cotter's deposition. Court NOTED, if it turns out documents are produced after depositions are completed and counsel feel the need to take a deposition on issues that came to their awareness as a result of newly produced documents, the Court will GRANT the request to take a deposition on those issues; however, it is better to produce documents ahead of time. 5-5-16 8AM MOTION TO COMPEL PLAINTIFF JAMES J. COTTER, JR. TO FURTHER RESPOND TO THE FIRST SET OF INTERROGATORIES SERVED BY GUY ADAMS ON ORDER SHORTENING TIME;

Court noted parties have agreed to extend their percipient witness date though October 14, 2016, where here the trial is on a stack that began November 14, 2016. COURT ORDERED, this means that not a single motion, minute or any related motion will be filed after the September 23, 2016 deadline, and no orders shortening will be signed. Mr. Ferrario stated he conveyed this to all parties and they understand. Court signed the stipulation and order in open court and returned it to the Law Clerk to be routed back to counsel for filing. PLAINTIFF JAMES J. COTTER, JR.'S MOTION TO COMPEL ON ORDER SHORTENING TIME Also present: Attorney James Murphy, Bar No. 8586, for non-party Diamond A Investors and Diamond A Partners. JOINT MOTION FOR PRELIMINARY APPROVAL OF SETTLEMENT, NOTICE TO STOCKHOLDERS AND SCHEDULING OF SETTLEMENT HEARING ON ORDER SHORTENING TIME: Mr. Ferrario stated there is no objection. Mr. Murphy advised clients wish to lodge an objection to the settlement; they tried to file papers yesterday but those were rejected; they also tried to enter an appearance by filing a notice of appearance but that was rejected as well. Colloquy regarding payment of the appropriate court fees. Mr. Murphy iterated he was tasked to object. Mr. Ferrario argued this is procedurally improper. Copy of Mr. Murphy's brief submitted to the Court. Mr. Ferrario further argued Mr. Shapiro has been involved since prior to the filing of the Complaint by T2, his deposition has been taken and he is late to these proceedings. Argument by Mr. Krum and statement by Mr. Robertson. Court noted its concern with Mr. Ferrario's form, i.e. the Court usually does a 60-day setting from execution of the form instead of the 55 days requested, and that it usually does not require the objectors to serve everyone on the case but requires them to serve counsel who will then serve everyone. The Court understands the issues raised by Mr. Krum and Mr. Murphy but believes it is appropriate to address the issue as to whether it is a fair settlement at the time of a fairness hearing, as opposed to a preliminary approval hearing. Court further NOTED a wellis must be added. COURT ORDERED, hearing SET for October 6, 2016 and directed Mr. Ferrario not to place the Judicial Executive Assistant's name or number but his own office number, as well as the date, in the order. PLAINTIFF JAMES J. COTTER, JR.'S MOTION TO COMPEL ON ORDER SHORTENING TIME: Following arguments by Mr. Krum and Mr. Ferrario, COURT ORDERED, motion to compel GRANTED; parties to resume Mr. McEachern's deposition only and ask questions; an answer to be designated as confidential if it is appropriate to do so; if Mr. Krum wishes to reopen any other depositions will have to be addressed for this one. Mr. Krum to file a motion. Court further noted its improper to instruct a witness not to answer a question based on relevance; if there is a problem regarding the public nature of a disclosure then the appropriate thing to do is designate that portion of the deposition as confidential.;

DEFENDANTS MOTION TO COMPEL PLAINTIFF JAMES J. COTTER, JR. TO PRODUCE OR LOG ALL RESPONSIVE DOCUMENTS COMPLIANCE WITH COURT'S ORDER ON ORDER SHORTENING TIME... PLAINTIFF JAMES J. COTTER, JR.'S MOTION TO AMEND COMPLAINT ON ORDER SHORTENING TIME Also presented Attorney Michael Sherman and Attorney Kristen Gallagher for Plaintiff James J. Cotter, Jr. in related case A735305. DEFENDANT'S MOTION TO COMPEL PLAINTIFF JAMES J. COTTER, JR. TO PRODUCE OR LOG ALL RESPONSIVE DOCUMENTS COMPLIANCE WITH COURT'S ORDER ON ORDER SHORTENING TIME: Mr. Searcy confirmed he has received Plaintiff's supplemental privilege log; counsel argued the log still fails the Court's order and requested to schedule a conference call with the Court where they can review the deficiencies. Mr. Krum submitted on the papers. COURT ORDERED, since a privilege log has been produced, the Court will REQUIRE counsel to meet and confer at an actual meeting where they sit down and talk, or, hold a conference call; if parties have resolved their differences on the log it is to be sent to the Court so it can be discussed. PLAINTIFF JAMES J. COTTER, JR.'S MOTION TO AMEND COMPLAINT ON ORDER SHORTENING TIME: Mr. Krum argued in support of the motion. Mr. Ferrario argued potential delay in proceedings and Mr. Searcy noted he has made his clients available for deposition. COURT ORDERED, motion to amend complaint GRANTED. The Court FINDS that demand would be on the Board under the circumstances; however, this does not preclude counsel for Defendants from filing a motion to dismiss related to other issues. At request of the parties, COURT FURTHER ORDERED, Plaintiff's Motion to Vacate and Reset Pending Dates and to Reopen Discovery on Order Shortening Time RESET from Thursday, August 11, Friday, August 12, 2016 at 10 AM. Motion (8:30 AM) (Judicial Officer: Gonzalez, Elizabeth)

Plaintiff James J. Cotter, Jr.'s Motion to Vacate and Reset Pending Dates and to Reopen Discovery on Order Shortening Time

Denied Without Prejudice;

Journal Entry Details:

COURT ORDERED, the OST submitted yesterday a motion to compel production related to the advice of counsel will be SET for August 18, 2016. Upon the inquiry of Mr. Ferrario, Mr. Krum stated this motion pertains to Mr. Adams. OST signed in open court and returned to counsel for filing. Argument by Mr. Krum in support of the instant motion, noting discovery is incomplete, discovery has taken place due to the developments the last 60 days or so regarding the offer to acquire the stock, and the October 6th hearing date on the T2 Plaintiffs' settlement. Response by Mr. Ferrario as to this litigation draining the company's resources and that they have made it clear in their papers that this idea of sandbagging is not going to happen. Further argument by Mr. Krum regarding the offer. Upon Court's inquiry, Mr. Ferrario and Ms. Hendricks advised parties agreed to move the expert disclosure date to August 25th. Mr. Krum noted that is without prejudice to anybody's rights. COURT ORDERED, the motion to reopen and vacate the trial date is DENIED WITHOUT PREJUDICE. The Court does not agree with Mr. Krum's assessment related to the potential impact of the settlement of T2, based on representations made to the Court in writing and orally; however, the Court recognizes that several depositions are ongoing those will be completed as schedules permit.;

Mr. Krum inquired whether the Court has had the email exchange. Court NOTED it does not read counsel's emails. Mr. Krum advised he asked counsel for initial week of one possible expert disclosure, meaning the balance would be made today; however, Mr. Searcy said no. Mr. Searcy stated, the expert date has been moved different times with the last being August 18; the Court had expressed some concern as an accommodation to Mr. Krum, that gave him an additional week; Mr. Krum is now asking for more time through the hearing the date that the parties agreed to. Mr. Ferrario stated this issue was entirely for the Court to decide, but that is troubling this stage of proceedings. It does not make any sense that the Court is looking for something to support its position. Motion to adjourn the request is denied for a second week. The Court designated the COURT ORDERED, the request DENIED. However, if additional information is provided to Mr. Krum that could

Ms. Bennett and Mr. Robertson participated by telephone. Following arguments by counsel, COURT ORDERED as follows: JAMES J. COTTER, JR.'S MOTION TO PERMIT CERTAIN DISCOVERY CONCERNING THE RECENT "OFFER" ON ORDER SHORTENING TIME: Motion GRANTED IN PART. A 30(b)(6) from the complaint related to the offer and the reason it was not pursued can be taken NOT TO EXCEED two (2) hours and the document requests that were attached may be RESPONDED TO within (15) days. JAMES J. COTTER, JR.'S MOTION TO COMPEL PRODUCTION OF DOCUMENTS AND COMMUNICATIONS RELATED TO ADVICE OF COUNSEL DEFENSE ON ORDER SHORTENING TIME: Motion GRANTED. To the extent any litigants relied on advice of counsel in performing their duties which are the subject of the breach of fiduciary duty claim, which includes this, they cannot also protect the communication even though the company's privilege; so, the parties all have to make a decision. Upon Mr. Hendricks' inquiry, Court clarified, only the information provided to board members in the course of making their decision. Mr. Searcy inquired as to the Plaintiff asking his clients at trial if they received advice of counsel. Court stated that it does not know at this stage if the actions Mr. Searcy's clients have taken related to the exercise of the option were information directly related to communications from counsel; it may be appropriate for a motion in limine to not permit that to go to the jury because it is not information for which Defendants will be seeking protection under the business judgment rule. JAMES J. COTTER, JR.'S MOTION TO OBTAIN EXPEDITED DISCOVERY ON ORDER SHORTENING TIME: Motion DENIED; it is not appropriate to do the discovery that is requested on the motion for approval of class settlement.;

JOINT MOTION FOR PRELIMINARY APPROVAL OF SETTLEMENT, NOTICE TO STOCKHOLDERS AND SCHEDULING SETTLEMENT HEARING ON ORDER SHORTENING TIME... HEARING Also present: Attorney Nicholas Santoro for Craig Tompkins, Defendant, in the Matter. Attorney Alan Raasi, Pro Hac Vice pending, present with Mr. Murphy. Mr. Roberts participated by telephone. Arguments by Mr. Santoro, Mr. Ferrario, Mr. Raasi, Mr. Krum, and Mr. Tayback. COURT ORDERED, motion DENIED given the language contained in paragraph 21; it does not appear there is sufficient consideration to support any release of this type; however, this does not preclude the T2 Plaintiffs from dismissing their claims voluntarily. COURT FURTHER ORDERED, all matters currently scheduled for October 25, 2016 RESET to November 2, 2016 at 8:30 AM. At the request of Mr. Ferrario, Court permitted the parties to confer in the hallway. Matter RECALLED. Mr. Ferrario, as a proposal, read page 4 of Diamond's objection, and stated he believes this can be solved and no further burden would be placed on the company to send out mailers and incur cost; they will limit the release to claims asserted by T2 in this lawsuit, period. Court directed counsel to submit a revised version. Colloquy regarding continuing the matter and scope of the release. COURT ORDERED Matter CONTINUED to 1:00 PM today. Proceedings resumed with Mr. Ferrario, Mr. Tayback, Mr. Johnson, Ms. Hendricks, Mr. Santoro, and Mr. Murphy in the courtroom, well as Ms. Shoshana Bennett on the telephone. Court acknowledged receipt of the revised version of the settlement agreement and noted, per the Law Clerk, that Mr. Krum still objects. Mr. Murphy advised he has reviewed the revised version. Court noted its discomfort with paragraph 4(a) "and any other Defendants' releasees", the long definition, and, given the lack of consideration, the two words "Reading and" at the beginning of 4(a). Mr. Murphy added concern as to "whereas all the parties...". Court further noted "asserted or unasserted" needs to be revised. Mr. Murphy stated it should read "asserted in the T2 action". Court noted. Court, RECONSIDERING its denial, GRANTED the motion for preliminary approval on the adjustments made to the release language, recognizing that the people who were not parties to the T2 action are not being released and that Reading itself is not executing a release of those claims. CLERK'S NOTE: Motions to Seal inadvertently set by Master Calendar on November 4, 2016 Chambers calendar belong to a different case and are being VACATED.;

INDIVIDUAL DEFENDANTS' MOTION FOR PARTIAL SUMMARY JUDGMENT (NO. 2) RE: THE ISSUE OF DIRECTOR INDEPENDENCE...READING INTERNATIONAL, INC.'S JOINDER TO THE INDIVIDUAL DEFENDANTS' MOTION FOR SUMMARY JUDGMENT NO. 2 ON THE ISSUE OF DIRECTOR INDEPENDENCE: Because of the request for 56(f) relief and because depositions have not been completed, this matter is CONTINUED to December 1, 2016. The Court anticipates there will be a discussion of any supplemental brief at that time. Court further notes that the independence issue needs to be evaluated on a transaction or action-by-action basis because the independence related to each needs to be separately evaluated; even though facts overlap, the Court cannot evaluate this in a vacuum. Court noted based on the status reports it appears counsel will not be ready for trial. Upon Court's inquiry, Mr. Krum stated they have 1 1/2 days to report depositions to finish and they have one of those days scheduled for next week. Mr. Krum referenced three categories of documents. Court advised it signed an Order which, it believed correctly reflects the issues raised to the advice of counsel issue. Court informed Mr. Krum if he has a document production issue, it would have to be raised in a Motion, not in the status report. Mr. Krum stated it has to do with an offer of documents and once they have those issues resolved they can schedule the depositions. Mr. Krum will file that motion next week. Upon Court's inquiry, Mr. Johnson has no objection to the motion being filed on an Order Shortening Time. Counsel advised they will speak and try and work out a date. Colloquy regarding Motion to Reconsider. Mr. Krum stated he will file his reply on Monday. Pursuant to presentations of counsel, COURT ORDERED, Motion to Reconsider ADVANCED to December 8, 2016 at 8:00 a.m. At that time the scheduling issues and supplemental briefing will be discussed. Mr. Ferrario advised the Nevada Supreme Court issued an order denying stay; they filed an emergency motion under NRAP 27(e) to have the Court reconsider its order. He thinks there was some confusion as to whether the matter was ripe; it was but the camera review part got hashed; it is their request that this Court give the Nevada Supreme Court an opportunity to consider their motion to reconsider. Hearing re: Motion to Compel

Motion Denied;

Journal Entry Details:

Court noted this is the supplemental briefing requested by the Court about the attorney-client documents that were reviewed and relied upon by the board members in making their decisions. Mr. Ferrario submitted on their pleading. Argument by Mr. Krum. COURT ORDERED, given the Nevada Supreme Court's decision in Wynn vs. Okada, while the Court understands that the at issue waiver remains viable and there are certain circumstances under which discovery into the information provided to a board for exercise of their business judgment rule is appropriate, the Court has been specifically told that inquiring behind attorney client privilege to the opinions provided to the board members and basis for those opinions as well as the substantive information provided by the attorneys to the board is inappropriate for discovery purposes, unless there is a waiver. As the Court does not see a waiver that has occurred merely by the production of the email communications asking the questions, the request for this information to be disclosed is DENIED. This does not preclude Mr. Krum at a later period in time if he is able to establish that an at issue waiver exists, because they place it in issue, then the Court will reconsider its ruling. But at this point the Court has not been convinced. Court inquired as to when parties would be ready for trial. Counsel advised they have 2 depositions left. Court noted this trial will occur before Wynn vs. Okada, appx. January 16. COURT ORDERED, matter SET for status check on Monday, September 25, at 8:30 AM. Parties provide a date by which they can file their motions. Trial anticipated to take 2 - 3 weeks. 9-25-17 8:30 AM STATUS CHECK: RESETTING TRIAL;

Mr. Ferrario advised they spoke amongst themselves; RDI would like to go in the first quarter of 2018 as they definitely wish to go before Wynn Okada. Mr. Krum concurred as to scheduling trial here in the first quarter, as he has personal conflicts the end of 2017 and spring break and a family trip beginning March 16, 2018. Court inquired how counsel anticipate trial will take. Mr. Krum replied that it would be to go for less than 3 weeks. Ms. Bannett advised that Mr. Rhow, Mr. Gould's counsel, has a trial in January and February. Final Pre Trial Conference

Matter Heard;

Journal Entry Details:

Electronic exhibit drives VALIDATED by Court I.T. on the record and LODGED with the Clerk. Jury selection: Court advised that aside will have 4 preemptory challenges for jurors and 3 preemptory challenges for alternate jurors, total of 28 people to pass for cause, and a final jury panel of 14. Counsel randomly selected the seat numbers of the alternates. Court noted the first alternate will be the one sitting in seat no. 12; the second alternate will be the one sitting in seat no. 2; the third alternate will be the one sitting in seat no. 10; the fourth alternate will be the one sitting in seat no. 11; the fifth alternate will be the one sitting in seat no. 6; the 6th alternate will be the one sitting in seat no. 13. Parties stipulated to having the alternate jurors remain blind until the conclusion of closing arguments. Court explained preemptory challenge and Batson challenge process. Court reminded counsel to avoid speaking objections, or counsel will be excused from the courtroom, held in contempt, or have their pro hac vice admission revoked. Mr. Krum argued the exclusionary rule apply in opening statements. COURT ORDERED the exclusionary rule will be imposed after opening statements. Court acknowledged receipt of proposed voir dire questions and noted that the Defendants have no objections to the Plaintiff's proposed questions. Mr. Morris objected to the Defendants' proposed and supplemental questions, stating that they are ambiguous and will not elicit germane responses. Reply by Mr. Ferrario. COURT ORDERED, OBJECTION to 12 OVERRULED; the question will be PERMITTED to the extent it is seeking the juror's experience in dispute resolution. Following further argument by Mr. Morris and Mr. Ferrario regarding the section on relevant attitudes 1 through 10, COURT FURTHER ORDERED, 1, 9, and 10 in this section will be PERMITTED; the others are either duplicative or too much like a hypothetical question. Court reminded counsel that their brief opening remarks need to be fact-based. Court inquired whether parties would be using a jury notebook. Counsel advised they could not agree. Court noted that if there are add-on exhibits that are admitted and that counsel want to be placed in the jury notebook, they need to provide 15 copies, three-hole punched with their own binders, not sharing binders. Court further acknowledged receipt of proposed jury instructions and DIRECTED the parties to SUBMIT any special interrogatories by Wednesday (January 10, 2018) morning. In addition, all PowerPoint presentations to be used in the presentation of exhibits and examination of witnesses are to be PROVIDED to the other side at least 24 hours before use and a copy PROVIDED to the Clerk to be marked as a demonstrative exhibit. Mr. Krum advised there may be some experts with scheduling issues; one witness is travelling from Nevada, but he assumes parties will accommodate people if they have to; Mr. Storey will only be in Las Vegas on January 17, 18, and 19. Mr. Ferrario advised Defendants' witnesses will generally be available that they have made arrangements and told Mr. Krum who would be first, and that they do not anticipate issues on availability; one direct will not be available during the first two weeks of trial. Defendants submitted deposition transcripts in open court; Plaintiffs to submit theirs later as the transcripts are still en route via FedEx. After review of both sides' proposed orders for the September 16, 2016 hearing, Court SIGNED in open court the version submitted by Mr. Morris.

Matter Heard;  
Journal Entry Details:  
Per parties' agreement, order shortening time for Plaintiff's motion for omnibus relief, as well as the order shortening time for the motion to seal, signed for April 30, 2018 at 8:30 AM. Court inquired whether trial could be reset on the stack that begins on May 21 and ends on June 22. Mr. Ferrario advised that from the Defendant's perspective they can start on June 4 as it would accommodate everyone's schedule. Mr. Krum advised that does not work for the Plaintiffs due to some witnesses whose availability they do not know yet; they have witnesses whose conflicts that go through July 4th the parties can make a joint recommendation on Monday or argue their respective cases; as for the May 21st stack they cannot be ready as that is 4 weeks away and they are still trying to finish discovery; finding that, they will be spending time on motions. Upon Court's inquiry, counsel estimated no more than 4 weeks for trial. Court noted its oldest case is ready to go on July 30th and that the instant case needs to go before that one starts; parties can tell the Court on Monday, April 30th. Mr. Ferrario advised the issue of what issues remain will impact the length of the trial; as they were getting ready for the last trial both sides submitted sets of jury instructions; it is like ships passing in the night as far as instructions that relate to the claims, so would be his request that the Court set a hearing where it can weigh in on some of the jury instructions. Court stated those can be discussed after parties have gone through the depositions and privilege issues. Mr. Ferrario further advised they will be filing a motion on ratification issues tomorrow.;

## CASE SUMMARY

CASE NO. A-15-719860-B

JUDGMENT Attorney Carolyn Renner for Defendant William Gould observing in the gallery. Mr. Ferrario advised some of the inbox was read. Mr. Krum argued they were told they would be provided with a supplemental privilege log but not today; the problem is they want to be able to test Mr. Gould's knowledge; they do not believe they cannot take a determination today as to what Mr. Gould would testify to but they reserve the right to depose him further on the entries. Response by Mr. Ferrario. Upon Court's inquiry, witness William Gould agreed to be given the oath by the Clerk over the audiovisual transmission. William Gould and Michael Bonner, SWORN and TESTIFIED. Exhibits presented. (See worksheet.) RECESS. Exhibits and testimony CONTINUED. Following further argument by Mr. Krum and Mr. Ferrario, COURT ORDERED, it is inclined to have Ms. Codd, Mr. McEachern, Mr. Gould, Mr. Kane, Mr. Wrotniak, and RDI PRODUCE all documents which mention the scheduling or the holding or the minutes related to the December 21st special committee, or related to the subject matter contained in P1 and draft of or the preparation of P1, or those that go to the discussion of the subject of ratification understanding there will be assertions of privilege. In addition, the Court will consider whether additional depositions need to be taken after production of the information on the volume of the information has been seen. With respect to Plaintiff's motion for omnibus relief, COURT ORDERED, it is GRANTED in PART. The individuals the Court has outlined will PRODUCE the information the Court has outlined. If there is an issue related to logging that information on a privilege log, given the scope of the information ordered to be produced, the parties may work out amongst themselves or ask the Court to address it. With respect to the motion to compel production of documents and privilege log, that has been covered under the ruling made today; part of the alternative relief was that the Court require additional information. Court reiterated that there are 3 categories - the December 21, 2017 special committee time P-1, and any discussion of ratification, not limited by time. With regards to the motion for leave file summary judgment, COURT ORDERED, motion GRANTED; however, Mr. Krum given the opportunity to review the documents and the Defendants are not to slow him.  Matter Heard;  
 Journal Entry Details:  
 Arguments by Mr. Ferrario, Ms. Hendricks, and Mr. Krum about the parties' disagreements on the search terms, the search process, and what has been harvested and provided. Court noted options and terminate are not true synonyms of ratification, but approve would be; additionally, counsel is welcome to claim attorney-client privilege and if those items are returned they are to be placed on a privilege log. Court reiterated a search for the word ratification from the beginning of time; if it is a reasonable synonym, such as approve, the Court will work with the parties on appropriate limits so they will not be burdened with a large number of false hits. Mr. Ferrario responded they will circulate additional limiting terms, and if they have another issue they will call again today. Colloquy regarding trial scheduling and witness availability. Court advised trial in this case is penciled in for 3 weeks, from July 9th to the 27th. Pre Trial Conference scheduled for May 21st will stand.;

Telephonic Conference re: Discovery Issues Raised in Status Report

Matter Heard;

Journal Entry Details:

Megan Sheffield, Paralegal to Mr. Ferrario, also participated by telephone. Court noting the status report on discovery inquired about the review of additional information. Mr. Ferrario, indicating he is reading from prepared notes handed to him by Ms. Sheffield, advised that they had a very broad capture which returned 388 privileged documents and 11 that were not privileged; many of the documents they are producing is already in the possession of Mr. Cotter and they will produce the 11 on a rolling basis. Mr. Krum responded that he suspects the privileged documents would fall into 2 categories, which are the third party directors and then the rest of the people in the company, requests that the privileged log on the third party directors be provided. Mr. Searcy noted that their practice has been to put the privileged documents on the RDI privilege log but he is happy to provide a privileged log with respect to the third party directors; one document may be on the RDI log. Upon Mr. Ferrario's inquiry, Ms. Sheffield stated the privilege log on the third party directors can be provided on June 4th. Mr. Ferrario noted their other alternative would be Friday (June 1st). Per Ms. Cowden's request, Court explained its ruling on the May 25th master chambers. Further arguments by Mr. Krum and Mr. Ferrario on pending document production. Court noted it anticipates the motion regarding dispositive issues being filed and ORDERED everything ordered produced to be PRODUCED forthwith.;

Journal Entry Details:

Mr. Ferrario requested they address the first issue which is the continued review of some documents. Mr. Searcy stated that on May 25th the Nevada Supreme Court finalized its order directing the in camera review of documents withheld by Plaintiffs on work-product grounds; he has not seen a response. Court NOTED that it cannot review the documents without having them. Mr. Krum inquired about the form of delivery. Court stated it is better for the documents to be in hard copy. At Mr. Ferrario's request for a date certain, Mr. Krum stated they can submit the documents to the court this week. COURT ORDERED status check SET for the in camera review on June 8, 2018 Chambers. Mr. Ferrario advised the second issue is a revolving one regarding experts and Plaintiff needing to produce documents regarding experts; Plaintiff will not be calling Mr. Finney and Duarte Silva, and if that is the case additional motions need to be filed. Statement by the Court regarding collusion being an issue that can be made at trial as this is something that would not affect the dispositive motion deadline. Colloquy regarding resetting the two motions that are currently set for July 9th to June. Mr. Krum noted privilege log issues. Court directed counsel to file a motion for privilege log. Mr. Krum advised he can file his opposition to the 2 motions within 2 weeks. Court NOTED that will be June 18. Mr. Ferrario advised he can have his reply done by June 22; he has mediation on June 25th and 26th and can hop on a plane back late at night on the 26th. Mr. Krum stated he can make one 27 work. COURT NOTED that it has taken into consideration the inferences, the rebuttable presumption, as well as evidence submitted along with the motions. The typical practice is to have independent advisers provide information to the board and / or the special committees under NRS 78.138. While that is certainly cleaner practice, it is uncontested here that Greenberg Traurig, qualified and experienced counsel, under NRS 78.138(2)(b) gave legal advice related to the ratification to the directors the Court had previously determined to be independent. The advice given was protected by the attorney-client privilege based on the Wynn case, and the Court must honor the ratification by those independent directors and respect their business judgment after reliance on Greenberg Traurig under NRS 78.138(2)(b). For that reason, the motion for summary judgment is GRANTED. RECESS. NOMINAL DEFENDANT, READING INTERNATIONAL, INC.'S MOTION TO DISMISS PURSUANT TO NRCP12(B)(2), OR IN THE ALTERNATIVE NRCP 12(B)(5) FOR LACK OF STANDING: Matter submitted. COURT NOTED Motion is NOT unless there are remaining issues. Mr. Ferrario stated there is nothing left from his Mr. Tayback's, and the directors' perspective. Mr. Krum responded that Plaintiff thinks the same of today's ruling as they did of the rulings made by the Court made on December 11, that there is no reason for them to take the time of the parties and the Court to do anything other than pursue those rulings on appeal, as they already have. Court directed Mr. Krum to prepare an order related to the motion for relief and motion to compel, and Mr. Tayback to prepare findings of fact and conclusions of law related to Defendants' motions. COURT ORDERED, trial and all other future dates VACATED. Court noted it can still do an in camera review and minute order but it will not have any impact on future events, unless the case returns. Court informed Ms. Hendricks she does not need to submit documents in camera. Mr. Ferrario stated he had nothing to add except to clarify he could never get an answer from Mr. Krum as to what would be accomplished by the review. Mr. Searcy and Mr. Johnson advised they had nothing to add as well. COURT ORDERED, given the representations made by Mr. Krum in

## PATRICK BIGBY

called as a witness, being first duly  
 sworn, was examined and testified  
 as follows:

## EXAMINATION

## BY MS. WOELFEL:

Q. Good afternoon.

Could you state and spell your full name for the  
 record, please?

A. My name is Patrick Dean Bigby, P-a-t-r-i-c-k D-e-a-n  
 B-i-g-b-y.

Q. Patrick, where do you live?

A. I live in Sparks.

Q. What is your address?

A. 395 Boise Court, Sparks, Nevada, 89431.

Q. My name is Jessica Woelfel. I'm one of the attorneys  
 in this matter. I represent RMC Lamar and I will be asking you  
 some questions today.

Have you ever had your deposition taken before?

A. I have not.

Q. Have you ever been a party to a lawsuit before?

A. No.

Q. Have you ever testified in court before?

A. I have not.

Page 58

A Yes.

Q. Were you the person that installed the Versa valve once it -- once you received the new one?

A Yes.

Q. Had you ever installed a Versa valve before coming to work at MDB?

A No.

Q. Did you receive any training with respect to the installation of the Versa valve?

A No.

Q. Did you read the manual or read any manual on how to install a Versa valve?

A I'm unaware that there is a manual for that.

Q. So you did not read any manuals prior to installing it?

A I did not.

Q. So I want to move to the July 2014 incident involving Mr. Koski. Can you tell me how you became aware of the July 7th, 2014 incident?

A I was informed by Tracy Shane.

Q. Were you working that day?

A I was.

Q. Okay.

And how did you learn from Tracy Shane that this incident had taken place?

Page 59

A Pardon?

Q. How did you learn from Tracy Shane, did he call you, did you see him in person, can you recall how he conveyed the information regarding the incident to you?

A I believe it was in person in the shop.

Q. And what did he say to you?

A I cannot recall the exact words.

Q. Do you know what kind of material was being hauled by Mr. Koski on July 7th, 2014?

A No, I was unaware.

Q. Did Tracy Shane indicate to you whether or not there had been injuries as a result of the incident?

A He did not indicate anything about injury.

Q. Tell me what he told you when he first spoke with you about this incident?

A Ma'am, that is quite a while ago. I can't tell you verbatim.

Q. Can you give me your best recollection regarding what you discussed?

A The best I could say is that the gates had opened on his trailer on I-80.

Q. Any discussion about how that happened, did you and Tracy discuss the reason for the opening?

A No, we didn't know the reason.

Q. Did you discuss the fact that it was the same person

Page 60

who had the previous dump a year ago, was there any concern about that?

A We didn't discuss any of that, no, but it may have been mentioned that it was Dan. I'm sure it would have been.

Q. Did you inspect the truck after it returned to the site, the MDB site?

A Yes.

Q. And you inspected the trailer that had inadvertently opened?

A Correct.

Q. Was anybody else involved in the inspection?

A I believe Scott Palmer.

Q. Did you inspect it on the same day that the incident occurred?

A I believe we initially did, yes.

Q. Describe for me what you did during that inspection?

A I believe we checked our connections, made sure the 4-ways were proper. If I recall I think we turned on the brakes and the lights and such and see if we could not get an uncommanded opening.

Q. Did you find anything wrong?

A No, ma'am.

Q. Did you conduct any other type of investigation related to how this opening occurred?

A From that time?

Page 61

Q. Yes.

A No.

Q. So you did an inspection with Scott Palmer you believe on the same day that the incident occurred?

A I believe so, but I'm not certain of that.

Q. And after that -- how long did that inspection take?

A An hour, two hours.

Q. Did you do any other inspection or testing on the trailer at issue after that one to two hour inspection with Scott Palmer?

A At that point in time we put mechanical lockouts on it.

Q. So you were not able to discover any type of an electrical short that would have led to the incident; is that correct?

A That is correct.

Q. And whose idea was it to come up with a mechanical lockout system?

A That would be Scott Palmer.

Q. I want to go back to your one to two hour inspection. Can you walk me through each thing that you did during that inspection?

A We started at the tractor, the source of the power, checked the connections at the battery and then I believe we went into the cab and checked the wiring behind the panel to
