¹ Cotter Jr. had hoped and proposed to prepare a single appendix for all four appeals. *See* November 20, 2018 Motion to Consolidate at 3. Unfortunately, when the Court granted consolidation on April 18, 2019, Cotter Jr. had long filed his Opening Brief and Joint Appendix in Case No. 75053, which included only the documents necessary for the issues in that appeal. NRAP 30(b). The respondents added additional documents that were not included in the Joint Appendix in their respective appendices. Cotter Jr. will be filing a Respondent's Appendix in Case No. 77733, which includes documents not included in the individual appendix filed by the appellants in Case No. 77733, and a Joint Appendix with his opening briefs in Case Nos. 76981 and 77648. The latter Joint Appendix contains not only most papers of the Joint Appendix filed in Case No. 75053 but a great number of additional papers filed between June 2015 and November 2018 that are relevant to the issues of the two appeals and cited therein.
