GENERAL INFORMATION

Appellants must complete this docketing statement in compliance with NRAP 14(a). The purpose of the docketing statement is to assist the Supreme Court in screening jurisdiction, identifying issues on appeal, assessing presumptive assignment to the Court of Appeals under NRAP 17, scheduling cases for oral argument and settlement conferences, classifying cases for expedited treatment and assignment to the Court of Appeals, and compiling statistical information.

WARNING

This statement must be completed fully, accurately and on time. NRAP 14(c). The Supreme Court may impose sanctions on counsel or appellant if it appears that the information provided is incomplete or inaccurate. *Id.* Failure to fill out the statement completely or to file it in a timely manner constitutes grounds for the imposition of sanctions, including a fine and/or dismissal of the appeal.

A complete list of the documents that must be attached appears as Question 27 on this docketing statement. Failure to attach all required documents will result in the delay of your appeal and may result in the imposition of sanctions.

This court has noted that when attorneys do not take seriously their obligations under NRAP 14 to complete the docketing statement properly and conscientiously, they waste the valuable judicial resources of this court, making the imposition of sanctions appropriate. See KDI Sylvan Pools v. Workman, 107 Nev. 340, 344, 810 P.2d 1217, 1220 (1991). Please use tab dividers to separate any attached documents.

RULE 1. SCOPE OF RULES

These rules govern the procedure in the district courts in all suits of a civil nature whether cognizable as cases at law or in equity, with the exceptions stated in Rule 81. They shall be construed and administered to secure the just, speedy, and inexpensive determination of every action.

[As amended; effective January 1, 2005.]

RULE 2. ONE FORM OF ACTION

There shall be one form of action to be known as "civil action."

A civil action is commenced by filing a complaint with the court.

[As amended; effective October 1, 1959.]

RULE 4. PROCESS

(a) **Summons: Issuance.** Upon the filing of the complaint, the clerk shall forthwith issue a summons and deliver it to the plaintiff or to the plaintiff's attorney, who shall be responsible for service of the summons and a copy of the complaint. Upon request of the plaintiff, separate or additional summons shall issue against any defendants.

[As amended; effective February 11, 1986.]

When service of the summons is made by publication, the summons shall, in addition to any special statutory requirements, also contain a brief statement of the object of the action substantially as follows: "This action is brought to recover a judgment dissolving the contract of marriage (or bonds of matrimony) existing between you and the plaintiff," or "foreclosing the mortgage of plaintiff upon the land (or other property) described in complaint," or as the case may be.

[As amended; effective January 1, 2005.]
