Mr. Oram stated he is ready for trial, however in September he heard the defendant was in a mental facility where there was a form with boxes checked indicating they did not know who this person is. Subsequent to that, we received jail records from 1999 and it mentions 6161 W. Charleston which leads me to believe the defendant is accurate to his statement. We are requesting to obtain those records for the psychiatrist and further requested a continuance.

Ms. Benedict DDA stated she is ready for trial and further stated counsel is only talking about a couple weeks of records, they may not even be available. The doctor should be able to evaluate the defendant bases on what he has. Ms. Benedict further stated she is having logistical problems. The victims are in foster care and the foster parents have stated they cannot bring the kids to Nevada and we will have to go through the case worker. We are still waiting for that information from the case worker.

Court noted this is a three year old case, and the facts presented do not convince the court that there are any records and the doctor should go with what he has.

Mr. Oram stated the defendant prepared a Pro Per Writ Mandamus yesterday without his knowledge and he is requesting to address it to the Court. Counsel approached. Upon Court's inquiry, the defendant stated he does not have a copy for the Court. COURT ORDERED, it will address defendant's writ on Monday afternoon after the petrocelli hearing. FURTHER ORDERED, trial will proceed on Monday at 9:30 where a jury will be picked. Counsel to present clear and convincing evidence at the petrocelli hearing calendared for 1:00PM on Monday.

Writ of Habeas Corpus and she has not responded to the Writ filed today. Court advised it finds no double jeopardy violation, the Deft. has not been subjected to pre-arraignment delay nor has his first amendment rights have been violated due to forced medication and ORDERED, Renewed Petition of Writ DENIED and Trial STANDS for Monday at 9:30 AM.

STATE'S MOTION TO ADMIT EVIDENCE OF OTHER CRIMES, ACTS OR WRONGS: Argument by Ms. Holthus regarding the Deft's arrest by Metro Police and the sexual assault allegations by Freda White; she advised there are other issues of allegations by two other victims in another event which the State wishes to introduce as to the Deft's bad acts and she will have both children present for Mr. Oram to question. Ms. Holthus indicated the Court's Order expires Monday night. Mr. Oram advised after the jury is picked he can talk with the young ladies during lunch with Ms. Holthus present then they can argue the matter later. Court advised it will accommodate any way counsel request. Witness Officer John W. Schutt, sworn and testified. Argument by Ms. Holthus regarding the Deft. giving a false name to the Officer. Opposition by Mr. Oram and requested limiting instructions to the Officers testimony. Court stated it's findings and ORDERED, motion GRANTED and State precluded from allowing testimony by the Officer regarding any fight with Lopez or the Deft's prior juvenile arrest. Witness Freda A. White, sworn and testified. Argument by Ms. Holthus. Opposition by Mr. Oram to admit bad acts. Reply by Ms. Holthus. Court stated it's findings based on direct testimony and cross examination ORDERED, motion DENIED as to Freda White.

Mr. Oram advised he wanted the record to reflect he advised his client of the offer by the State but the Deft. wanted to invoke his right and proceed to trial, he also advised his client of the ramifications. Ms. Holthus advised she will withdraw the offer today with the State having the right to argue.

Court read a letter received by the Deft. and acknowledged his issues with no avail; further directed Mr. Oram to have his client dressed out and be prepared for a possible Miller Hearing.
