Case No.: A-18-779502-C

**NOTICE OF CASE CONFERENCE TO
PETITION FOR WRIT OF MANDAMUS**

Please TAKE NOTICE that this filed Petition case number is 77825, and has been transferred to the Nevada Court of Appeals.

Please TAKE NOTICE that the Petitioner "Franklin" has scheduled an Early Case Conference to occur at his (above) office on 01/29/2019 at 1:00 pm. All named Respondents are invited to attend and share the evidence for discussion and possible settlement to the undisputed and officially proven "**five counts of fraud on the District Court minutes**" that attorney William Urga committed in Department 16, to get Franklin's existing NRS 40.010 First Title *rights* on the 80 acres (now worth over \$32 million) mistakenly dismissed with prejudice, and extorted into attorney Urga's named clients to flip and sell into their corporate bank accounts.

Currently, Franklin's redress rights to such undisputed and officially proven "**five counts of fraud on the District Court minutes**" done by attorney William Urga, detailed in case **4-18-779502-C**, is unlawfully deleted from all record in and by the Eighth Judicial District Court.

Respectfully submitted by,

/s/ Bobby L. Franklin

Today at 11:04 AM, duration 6.55 minutes, I received a call on my cell phone, from a very condescending man who said he is Rew R. Goodenow. He was calling from 775-789-6543.

He said the State Bar of NV is not interested to attend the Case 77825 Conference. I replied, the Court papers state you represent all the Real Parties in Interest. He refused to tell me who he represents, & he refused to discuss anything that was on file.

I asked him if he was interested in any settlement for his clients, regarding my *certified* First Title to the 80 acres that attorney William Urga falsely declares does not exist. He refused to answer. I told him that for "30 years" I have been extorted over the 80 acres, & that all of his clients may be of interest for settlement of that matter before such 30 years of extortion is filed against his clients. He replied, he has no interest in that matter, and started to chuckle.

I told him that he is not an attorney of good faith, I called him a mother fucker, and I quickly hung up on him.

I swear under penalty of perjury this memo is true.
