Parties sworn and testified. Respondent participated via telephonic.

DDA reported today's hearing is Respondent's motion to set aside, motion for debt validation and notice of fraud.

DDA noted that Supreme Court appeal dismissed on December 20, 2018. Court heard testimony from both parties. Respondent is making regular payments every two weeks.

COURT FINDS, this Court has previously ruled and established paternity. In subsequent hearings, this Court has denied Respondent's repeated requests to disestablish paternity. Again, this Court denies R's request to dis-establish paternity based on res judicata. Child Support Court CONFORMS to District Court orders in D565588. issued an Order After Hearing Certifying Intent to Grant Relief, that was filed on January 18, 2019 in R196685 and other cases, finding Respondent to be "vexatious litigant".

DDA indicated that Respondent has a credit balance on his arrears, unaudited. As such arrears payment REMOVED. If arrears should occur in the future, the arrears payment of \$60.00 will be REINSTATED. Having reviewed Respondent's motion's and Family Court proceedings and his demands for relief addressed in his numerous filings are DENIED.

MASTER RECOMMENDED, Respondent shall PAY \$562.00 per month CURRENT SUPPORT and \$51.00 per month MEDICAL SUPPORT, for a TOTAL MONTHLY PAYMENT of \$613.00.
