DEPUTY CLERK

ORDER REGARDING MOTION

Respondent has filed a motion, agreed upon by appellant, to suspend the briefing schedule for 90 days or, in the alternative, for a 45 day extension to file the answering brief. Respondent states that the parties have reopened settlement negotiations and need additional time to pursue the negotiations. Cause appearing, the motion is granted as follows. Appellant shall have until March 3, 2020, to file either a motion or stipulation to dismiss this appeal. If no motion or stipulation is to be filed, respondent shall file the answering brief within the same time period. Further requests for extensions of time based on the parties' settlement negotiations shall not be permitted absent demonstration of extraordinary circumstances and extreme need. NRAP 31(b)(3)(B). Counsel's caseload normally will not be deemed such a circumstance. *Cf. Varnum v. Grady*, 90 Nev. 374, 528 P.2d 1027 (1974). Failure to timely comply with this order may result in the imposition of sanctions, including the resolution of this appeal without an answering brief from respondent.

It is so ORDERED.
