ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY S. Young
DEPUTY CLERK

IN THE SUPREME COURT OF STATE OF NEVADA

Anthony Terrell Barr,
Appellant,

Supreme Court NO: 78295
District Court No: C335500

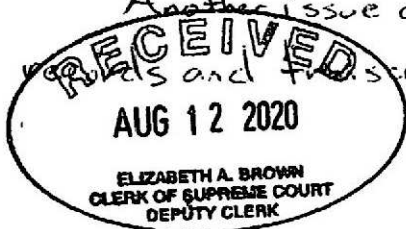

-VS-

State Of Nevada,
Respondent,

Appellants Response To Notice To Provide Proof Of Service

Appellant, Anthony Barr has received notice on this day of August 4th, 2020, however, am a little confused by this notice because it is remembered that a "certificate of service" was attached on the last page. The parties being, this appointed Counsel Jeannie Hua, and this honorable court who is being requested to intervene and compel this counsel to provide all necessary documents and transcripts that are related to this appeal and appendix? From which appellant understands is entitled to receive them and copies of filings on his behalf involved with this appeal? Not a computerized "flashdrive," that can never be utilized or even reviewed here at E.S.P. where we are in a constant state of lock down, without computer access.

Another issue of concern is whether this previous request for records and transcripts need the involvement of the District Attorneys

Office from Clark County? This doesn't seem to be a matter of debate or any opposition by the respondents. This is simply a factual matter of this appellant not receiving any of his required records from counsel or the courts; which are needed and to be provided as a matter of rights and law... Appellant has not been involved with this entire process and needs to learn and be able to review what it contains, what has been raised, argued, etc.... Appellant has absolutely no necessary records, and only recently received this flash drive from counsel which is basically useless and has been confiscated by E.S.P. as contraband, as being an unauthorized item not to be possessed.

Conclusion

It is only being requested that this court help appellant receive his records, or make counsel Jeannie Hua, do so as required by any applicable laws, including: Supreme Court Rules, N.R.A.P. and Rules of Professional Conduct, respectfully. Numerous attempts have been made via mail and telephone without any responses, which this courts assistance is now needed, please help me get my documents, am I not entitled to them? Myself just received courts notice today, it was addressed to "H.D.S.P." in Indian Springs? Certificate of Service, also attached herein, please send copies back, thanks..

Signed and dated this 4th day of August, 2020.

Appellant,
