**UNOPPOSED MOTION FOR EXTENSION
TO FILE OPENING BRIEF AND APPENDIX**

Appellant requests a 30-day extension through, November 15, 2019, to file the opening brief. NRAP 31(b)(3). This is the first motion for extension. (The parties previously stipulated to extend the deadline pursuant to NRAP 31(b)(2).) The brief was originally due September 16, 2019 and, without an extension, would be due October 16, 2019. No request for additional time has been denied or denied in part.

Counsel for respondent do not oppose this extension. Their courtesy is appreciated.

Completion of the brief has been delayed due to a confluence of unfortunate circumstances over the last 30 days, including an illness

that befell the lead attorney drafting the brief and pressing family concerns of other attorneys on the team. Additionally, the transcripts have just been filed by the court reporter, and appellant will need to incorporate those into his arguments. The additional time will enable appellant's counsel to ensure that all relevant authorities and considerations in this important appeal are presented as thoroughly and succinctly as possible.

Dated this 16th day of October, 2019.
