THE MILTON I. SCHWARTZ HEBREW ACADEMY

BOARD MEETING MINUTES

June 18, 1992

5:30 P.M.

Members present: Milton I. Schwartz Cynthia Michaels
Dr. Tamar Lubin Geri Rentchler
Dr. Richard Ellis Ira Sternberg
Bob Rakita Don Schlesinger
Dan Goldfarb Ed Goldman
Lenny Schwartzter

Honorary Members: Roberta Sabbath Dr. Neville Pokroy

Milton Schwartz called the meeting to order at 5:30 P.M. on June 18, 1992.

Roberta Sabbath requested to speak about important school issues. Mr. Schwartz denied her request, stating that the agenda had been mailed out and should be adhered to. Ira Sternberg made an appeal from the decision of the chair to allow Roberta Sabbath to speak. Discussion ensued about the legality of changing the agenda suggested by the Chair. Ira Sternberg made a point of order stating that the board voted unanimously at the previous meeting, May 21, in keeping with the by-laws, to have elections on June 18. Mr. Schwartz stated he was going to adjourn the meeting. Mr. Sternberg made a point of order that the Chair could not unilaterally adjourn a meeting. Don Schlesinger suggested a recess. The Chair called for a recess.

During the recess, Don Schlesinger and Lenny Schwartzter consulted Roberts Rules of Order, Revised. After the Board reconvened, these two board members advised the Chair that, as stated in subsection 40, a mailed agenda is a suggested order of business only. It does not constitute a required order. According to Roberts Rules of Order, a board can determine its own order of business at the time of the meeting. After the Chair accepted the ruling of Roberts Rules of Order, a discussion ensued as to what the agenda should be for the meeting.

Following considerable debate, Dr. Richard Ellis moved and Ira Sternberg seconded a motion stating that the vote on the issue of the by-laws be tabled. The motion passed by a majority vote.

Ira Sternberg moved and Dr. Richard Ellis seconded a motion stating that elections be the first order of business. Don Schlesinger amended the motion to state that clarification regarding the details of the elections be made before elections take place.

Lenard Schwartzter clarified the fact that the terms of four board members (Ed Goldman, Milton Schwartz, Fred Berkley, and Lenard Schwartzter) would conclude as of June 30, 1992, because of the rotation motion of March 26, 1991, whereby:

"Lenard Schwartzter moved and Sam Ventura seconded that
we (the Board) rotate our present board
members based on seniority. These board members may
be re-elected. Following are the terms:
The oldest one-third ends June 30, 1991.
The next one-third ends June 30, 1992.
The next one-third ends June 30, 1993.
The motion passed eight for, two against."

As the result of that motion, the four board members rotated off the

Board June 30, 1991, were George Rudiak, Roberta Sabbath, Dr. Neville Pokroy and Geri Rentchler.

The motion to have elections as first order of business was passed. Eight to three.

Milton Schwartz said that he was confused. Don Schlesinger suggested a recess. The Chair called for a recess.

After the recess, Ed Goldman clarified the election format. He explained that board members would be voting for both officers and two new board members using the ballots provided. In the case of Abigail Richlin, board members voting for her as a secretary would also be voting for her as a new board member. Therefore, any board member voting for Abigail Richlin could only vote for one more nominee in the choices provided for new board members.

Ballots were passed out. Elections took place. Cynthia Michaels, Milton Schwartz, Roberta Sabbath and Geri Rentchler counted the ballots with the following results:

President:	Ira David Sternberg	7	Milton I. Schwartz	2
Vice Pres.	Michael Novick	Unopposed		
Treasurer	Dan Goldfarb	Unopposed		
Secretary	Geri Rentchler	6	Abigal Richlin	3
Trustees	Robert Disman	5	Roberta Sabbath	6
	Esther Saltzman	0	Gertrude Rudiak	1
	Phyllis Darling	3	Abigail Richlin	3

Milton Schwartz left the meeting at the completion of the balloting.

As the senior officer present, Dan Goldfarb assumed the Chair and announced the results of the elections as follows:

President	Ira David Sternberg
Vice President	Michael Novick
Treasurer	Dan Goldfarb
Secretary	Geri Rentchler
New Trustees	Robert Disman and Roberta Sabbath

Mr. Goldfarb congratulated the new officers and members present. At this time Mr. Goldfarb called for a motion to adjourn the meeting. Ira Sternberg moved and Dr. Richard Ellis seconded that the meeting be adjourned. The motion passed by a majority vote.

The meeting was adjourned at 7:45 P.M.

Respectfully submitted,

Board Meeting Minutes
August 25, 1994
5:34 p.m.

Members attending: Ira David Sternberg
Dr. Tamar Lubin
Roberta Sabbath
Jackie Glass-Wolfson
Geri Rentchler
Bob Rakita
Lenard Schwartzner
Gertrude Rudiak
Robert Disman
Rene Feinstein

Members absent: Scott Higginson

The meeting was called to order by President Ira Sternberg at 5:34 p.m.

Mr. Sternberg asked for a motion to align the Articles of Incorporation with the bylaws with the following specific wording:

Resolved: That it is advisable and in the best interests of this corporation that its Articles of Incorporation be amended by changing the language of Article I of said Articles to read as follows:

Article I

This corporation shall be known as
THE HEBREW ACADEMY

Mr. Sternberg said the wording is consistent with the amendments passed in the April 1994 board meeting regarding the bylaws and Articles of Incorporation.

After a brief discussion Jackie Glass made the motion as mentioned above and Roberta Sabbath seconded. The motion passed unanimously.

Dr. Lubin gave a school report. We have a large student body, approximately 298 students, about 50 new students. There are only some openings in grades two and three and of course in the upper division (high school). We have an excellent faculty and a new program in the high school division as follows:

AICE - Comprehensive study from Cambridge England. Preparing the students for exams to enter our best universities.

PLATO - One on one computer program in core areas. Math, Social Studies, English and Science (Chemistry).

CONFIDENTIAL

In all other grades we have an excellent program; two new outstanding teachers, Mrs. Bookout in the 4th gr. and Mr. Kiefer in the 5th grade. Dr. Lubin anticipates a smooth year.

There will be a possible change of report card format.

We are trying very hard to streamline the dismissal procedure. A memo to parents will note the importance of forming a single line of cars to avoid collision as one enters.

Our new librarian is a gem. She is committed, versatile and loves children. One suggestion to increase our books in the library is by celebrating a birthday with a book purchase for the library.

The P.O. has a new set of By-laws which we have to approve. Rene raised a question about section 4.4 It was decided that we need a copy of the old By-laws to compare in order to vote. This will be forwarded to trustees prior to our next board meeting.

The school policy states that once parents sign the contract and pay tuition we accept it as final registration. One family decided in August after they had registered in April to take their child elsewhere and wants a refund. Scott Cantor, our lawyer, is handling the matter.

Roberta Sabbath reported that as a fund raiser we are going to have a line of collection jewelry and there will be all levels of giving. A cocktail party is being planned for the future. Jackie Glass is working on this project.

The meeting was adjourned at 6:30 p.m.

Respectfully admitted,
Anita Lederman

**HEBREW ACADEMY BOARD MEETING
LIBRARY
TUESDAY, MARCH 7, 2000
6:00 P.M.**

PRESENT: Ellie Hirschfeld, Geri Rentchler, Eli Schwartz, Abigail Schwartz, Milton Schwartz, Dorit Schwartz, Suzanne Steinberg, Haskel Iny, Carol Zucker, Irv Steinberg, Natalie Berman.

ABSENT: Rabbi Felipe Goodman, Abbie Friedman, Judy Lowenhar, Danny Amster, Cheryl Miller, Steven Saxe, Miriam Adelson, Beth Miller, Regina Raphaelson.

CALL TO ORDER: The meeting was called to order by Ellie.

APPROVAL OF MINUTES: There was discussion regarding the February 1st Minutes with regard to portions of the Board report referencing the number of members on the Board. The minutes will be retyped and brought to the next meeting for approval.

BOARD BALLOTS: Ellie passed out ballots and the Board voted on adding Beth Miller, Regina Raphaelson, Milton I. Schwartz, and Irv Steinberg to the Board of Directors. **ACTION TAKEN:** The ballot vote approved the above persons as new Board members.

DIRECTOR'S REPORT: Natalie reported that the fundraiser at Caesars would take place on Wednesday, May 17th.

The basketball teams played against area schools and had good showings – need more school spirit next year. Mr. Mastracchio resigned so Rickey Watts assumed the duties of coach. Lori Slote was hired to replace Rickey Watts in PreK Blue.

Natalie reported that she asked Alan Watts, computer teacher, for his resignation. He was placed on administrative leave for unprofessional behavior. The part-time math teacher was relieved of her responsibilities and her excellent replacement is now in the position.

Natalie noted that the administrators are in the process of doing evaluations for all teachers after which time a decision will be made as to whom will be re-hired.

A meeting was held with 4th and 5th grade parents, and the administrators and teachers will have coffees over the next month and a half to meet with all the parents in the school.

Abbie, Eli, and Abigail will attend a Federation meeting with regard to allocations. A discussion ensued regarding how the Federation gave its allocation. Their formula was

50% per head, 25% scholarship; and 25% needs. Irv wants the Board to analyze by a per grade and per class.

Natalie will testify in Reno next week on teacher licensing at a meeting of the State Board of Education.

Natalie spoke about the ERB testing. Last year students took the test in the fall and the scores were compared with fall results from other schools. Last year's IOWA tests were only one half to one year above grade level. The ERB national norms are similar to the IOWAs. When given against independent school norms, our scores may be lower. The test will not really be give us a fair indication until our students have taken the test for three to five years. She polled other administrators in town and they are all giving 1st through 8th grade tests; the Academy will do the same. Two or three practice tests will be given between now and May with suggestions being sent to parents in an effort to develop critical thinking in their children. ERBs have been ordered and received for this year. She also reviewed the NAEP testing that was done on 4th and 8th grade students.

The school calendar has been set for next year. The first day of school is slated for Wednesday, August 23rd.

Letters have been sent to families who must have their children tested before they return to school next fall. Natalie indicated that next year we must allow families a little more leeway to register — six weeks is the norm.

Natalie mentioned that Fidelity Insurance may not be the way to go for retirement benefits as their vesting program is not up to par.

With regard to the telephone and surveillance system, Haskel is getting one more bid. We will re-visit the costs at the next board meeting.

A New York Times reporter spent approximately two hours interviewing our sixth grade students. He will let us know when the article is scheduled to appear in the paper.

Natalie noted that she met a children's author at the Federation coffee who is a resident in Summerlin. She has donated her books to our library and will appear in an assembly as our author in residence in April.

Gloria Mintz and Natalie are looking into having a Jewish Resource Center at our school.

TREASURER'S REPORT: Eli reported on the financial statement. Betsy has sent letters to all delinquent parents to bring their account to current status or their children will not be allowed to return to school. Eli, Abbie and Natalie are working on the allocation to present to the Federation after the Board approves it. Eli asked Abigail

who would be underwriting the cost of the Parlor Meeting (approximately \$1800 per couple). Caesars Palace and Bob Raphaelson will be underwriting the evening. Abigail will report on fundraising.

Eli addressed the issue of the retirement fund through American Fidelity. It was decided not to go with American Fidelity because they cannot pro rate the retirement program as originally discussed. Therefore, we are exploring options with TIAA/CREF.

A letter was received from Attorney Jerry Blut regarding the Myrna B. Hanson Family Trust with a check for \$50,000 with the balance of approximately \$12,000 due in 30 days.

Milton brought up the issue of his being the Vice President in charge of Finance. Discussion ensued on the advisability of Milton serving on the Executive Committee. **ACTION TAKEN:** It was moved by Irv, seconded by Suzanne, to appoint Milton I. Schwartz to the Executive Committee. Motion passed.

GENERAL:

Suzanne read a letter from two sets of parents regarding the proposed high school in which they express their concern about middle schools. Milton said he spoke to people at JESNA and that the country is full of failed Jewish high schools. Fifteen students would be the bare minimum needed to start a high school. There is a lot of research that needs to be done locally before a consultant is hired. Irv said that first the Academy should build up the lower classes first and that a high school should not even be discussed until there is no deficit budget and ample assets and income to justify such a move. It was Haske's belief that plans for a high school should be shelved for now. He suggested going to the Federation to see if they would endorse such an idea and, if so, let the Federation and the community come up with monies. **ACTION TAKEN:** It was moved by Milton, seconded by Suzanne, to table discussion on a proposed high school. Motion passed.

Geri noted that the library expansion should be the first order of business once there are available funds. Abigail stated that the path to the soccer field was in need of repair.

Eli reported on the process JFSA goes through with new and prospective Board members. The person must sign a contract, be on at least one committee, contribute to JFSA and the Federation, cannot have a personal agenda, and must sign a confidentiality agreement. Once they sign and are voted in, the Board members spend time with the director discussing their new role. They must attend a Board retreat and have a mentor assigned to them.

AC402871

CONFIDENTIAL

Milton reported that the Federation was now in the process of re-doing their Bylaws and all Board members must donate at least \$1800 per year. Milton recommends something similar at the Hebrew Academy.

Milton suggested doing a pigeon race wherein pigeons will be brought to school, banded and numbered and then let loose. The students would get on a bus and go to Milton's place of business to watch the pigeons come in.

The Board was polled regarding JCC Summer Camp. JCC will probably be here this summer.

Suzanne reported that the new PTO Board seems to be very good. They are working very hard on the Purim Carnival.

Suzanne suggested having Betsy attend Board meetings during budget preparation.

DATA REPORT: Suzanne reported that there were a lot of errors and missing information on the Data Report. Gail and Betsy are working on correcting the database. Everyone who has made donations will be listed on the database. Suzanne noted that a beautiful brochure is needed for fundraising purposes. The cost of printing the brochures would be at least \$10,000.

COMMITTEES:

The Scholarship Committee report will be submitted at the April Board meeting.

Dorit reported on the upcoming Purim Carnival and those who had purchased booths.

Capital Campaign: Abigail reported on fundraising activities. Milton moved, seconded by Haskel, that the Board vote to have a function called the **1800 CLUB**. There is a fundraiser set at Caesars for Wednesday, May 17th. Valley Bank will send somewhere between \$7,000-\$9,000. The suite is being donated by Caesars and the cost of food, drinks, etc., is being donated by Bob Raphaelson. The only cost to be deducted from everything we make will be between \$2,000 and \$5,000. Two people have withdrawn from the committee for the time being. **ACTION TAKEN:** It was moved by Milton, seconded by Haskel, to have a function called the **1800 CLUB**.

Abigail was asked where the money from the fundraiser would be going. Milton indicated that it would go for general corporate purposes.

Security: Ellie expressed concern about the front of the school with people not part of the school wandering around. Her concern will be passed on to security.

ENROLLMENT: Natalie distributed Gail's report on re-enrollment. Milton asked for a report depicting the exact figures as of the same time last year.

RATIFYING BOARD ACTIONS: It was moved by Carol, seconded by Suzanne, to ratify prior actions of the Board, which included the addition of Regina Raphaelson, Beth Miller, and Irv Steinberg to the Board. Motion passed.

ADJOURNMENT: The meeting adjourned at _____.

NEXT MEETING: Tuesday, April 4, 2000 at 6:00 p.m.

**Groundbreaking Ceremony Held for
The Dr. Miriam & Sheldon G. Adelson School**

The First Jewish High School in the Las Vegas Area

Summerlin, Nevada (November 21, 2006) — The Board of Trustees and Head of School Paul Schiffman today hosted the groundbreaking ceremony for The Dr. Miriam and Sheldon G. Adelson School in Summerlin. The new high school — the first Jewish high school in the Las Vegas area — is scheduled to open for classes in the fall of 2007.

"My wife and I are honored to be able to help plant the seeds to build a state-of-the-art high school that enables children to continue their Jewish education," said Sheldon Adelson, Chairman and Chief Executive Officer of Las Vegas Sands Corp. and member of the Board of Trustees for the (pre-K through 8th grade) Hebrew Academy.

"We believe that teens today need a safe and healthy environment in which to learn and develop their own self-worth," added Dr. Miriam Adelson.

The new high school will feature classrooms with integrated media technology and computers; a complete media center and research library; extensive music and art facilities; performing arts center; a state-of-the-art computer center; and a full-service dining facility. Unique to any high school in the Las Vegas area, The Adelson School will have an indoor swimming pool; plus a full physical education facility with a regulation-size basketball court, indoor track, fencing, volleyball; outdoor tennis courts; and soccer field. The Adelsons have given \$25 million for this new high school endeavor.

"I am absolutely thrilled that we can offer the Las Vegas community a school of this caliber — truly world class," remarked Victor Chaltiel, Chairman of the Board of Trustees. "The Adelson School will be an extraordinary place to learn and all students will be able to take advantage of these great facilities while receiving a terrific education."

9700 West Hillpointe Rd., Las Vegas, Nevada 89134, Tel (702) 255-4500

The Adelson School aims to educate students for life, teaching them to become critical thinkers and to give them the support to be emotionally and physically strong individuals. The school is committed to blending the quest for knowledge with the acquisition of moral character in a way that has practical consequences.

"We are creating a healthy, learning environment, lead by a world-class faculty and offering an integrated, college preparatory curriculum," said Head of School Paul Schiffman. It is our goal to become a leading educational institution that truly educates its students for life."

The Adelson School is now accepting applications for 9th and 10th grades for fall 2007. A junior class will be added the following school year and a senior class the year after that. The school is located at 9700 West Hillpointe Rd., in Summerlin, adjacent to the Milton I. Schwartz Hebrew Academy. For more information, call (702) 255-4500 or visit www.theadelsonschool.org.

CALL TO ORDER:

Greg called the meeting to order at 5:35 PM.

D'VAR TORAH:

Carol presented the D'var Torah.

APPROVAL OF MINUTES:

Milton moved and Carol seconded a motion to approve the minutes from the December 10, 2002 and January 14, 2003 meetings. The motion passed unanimously.

REPORTS:

Director- Nira Eloul

Nira discussed the additional security measures concerning a possible conflict between the U.S. and Iraq. Included in these suggestions were areas that were discussed at a recent A.D.L. presentation.

Carol requested that a pro-active statement be prepared in case of an incident that would be read to the media.

Director of Development and Public Relations- Melanie Bash

Melanie discussed ideas for bringing in new donors to the Gala and 1800 club. She suggested that the board have different levels of giving that would be appropriate recognized. Her overall theme is "Hand-to-Hand" which would tie the community-at-large with the school.

Melanie also discussed that she planned to work on grant writing for special projects. Milton recommended that Melanie talk with Sheldon as he might have additional contacts in this area.

Melanie discussed the upcoming events which raise funds for the school: Scarf Event, Art & Wine Evening at the Mintz home (May 22nd) and the 1800 Club at the Chaltiel home (May 8th).

Victor recommended that Melanie be provided some assistance in fundraising with a group of volunteer parents. Suzie suggested that specific fundraising be conducted for scholarships.

Milton briefed the board on his plan to obtain additional allocations from the Jewish Federation of Las Vegas. A big part of these plans is the success of the Federation's upcoming gala on March 15th.

President- Greg Goussak

The Executive Committee met and recommended that the board approve the following resolution concerning the request from the Potter family:

The Executive Committee recommends rejecting the Potter family request to be released from their contract and be issued a full refund of all monies paid to the school. The original motion was moved by Milton and seconded by Irv.

During discussion, Haskel moved to amend and Leah seconded that the board release the Potter's from their contract, but retain all monies paid To the school to date. This was not accepted by the maker of the main motion. Sheldon recommended an amendment to retain only the amount of money representing the time the child was actually enrolled in the school. This was accepted by Haskel and Leah. The amendment passed with 7 in favor 3 opposed and 1 abstained.

Treasurer's Report- Ercy Rosen

Ercy reported that collections efforts have begun on people who haven't paid in several years. Madeline is working hard to maintain current billings so that people don't get behind by several months.

Judaic Committee- Gloria Mintz

Gloria presented her report via e-mail. She was not present at the meeting.

Personnel Committee- Carol Zucker

The committee has not yet been able to meet and consider the Employment of Relatives policy that was tabled and sent to their committee for revision. This meeting will take place in the next week according to Carol.

OLD BUSINESS

Revised and Re-Stated By-Laws

Irv moved and Milton seconded a motion to approve the revised Re-stated By-laws as presented. During discussion, Carol requested the motion be withdrawn. No action was taken.

Teacher's Fringe Benefit Policy

The current policy year runs from September 1st to August 31st of each year. This is not conducive to our teacher contracts which must be established in the spring of each year. Greg has asked our insurance broker, David Dahan, to establish a new plan year starting April 1st of each year. This will provide us with timely information to plan for the next year's insurance costs. We are awaiting bids from the various companies.

NEW BUSINESS

PNAIS Accreditation and Recommendations

The school was approved for full accreditation by the Pacific Northwest Association of Independent Schools. We are one of four schools justly accredited.

In conjunction with the recommendations in the report, Carol moved and Dorit seconded that the board direct the Strategic Planning Committee to prepare plans to implement the recommendations included in the PNAIS report. Furthermore, the committee shall coordinate with the Executive Committee and Director to establish goals for the board for school year 2003-2004. The motion passed unanimously.

Re-Enrollment

Nira felt the open house went well combining both existing families and potential new families. Prior to the open house, Nira met with parents with children in grades 3,4, and 5 to discuss concerns about the direction these classes were taking. Nira believes that all parties, including the teachers, understand what is expected and what direction the classes are heading. Nira believes that the school will lose some children to public school next year because of the economy. She estimates that four children will attend another private school next year. Nira's primary goal is that of re-enrollment and her second goal is that of recruiting new

students. All new students applying for admissions will be tested pursuant to board policy.

Milton reminded the board that the school is bound to lose many of the former JCDS students because of their inability to fully pay the tuition. We currently have 123 students paying the full tuition either in a lump sum or through a payment plan.

Public Relations

Victor and Sheldon expressed their opinion that a better P.R. plan wasn't implemented when they joined the board. Nira was directed to have Melanie correct this problem as soon as possible. This included contacting a P.R. person within Sheldon's organization for quotes that can be used. Several board members felt that a major P.R. campaign was needed, but it was also mentioned that the school lacked the necessary funds to engage an appropriate campaign.

Sheldon expressed his desire to build a high school. He recommended that a survey be conducted of the existing parents to determine what they liked about the school and what they didn't like about the school. Ercy moved and Suzanne seconded a motion to endorse Sheldon to engage a consultant to objectively evaluate the school. The consultant would provide the recommendations to Sheldon. The motion passed unanimously.

Audited Financial Statements

The audited financial statements and auditors report for school year 2001-2002 was provided to the board members.

ADJOURNMENT

The meeting was adjourned at 8:15 PM.

THE DR. MIRIAM AND SHELDON G. ADELSON EDUCATIONAL CAMPUS

Board Meeting January 8, 2013

In attendance: Victor Chaltiel, Steve Haberkorn, Philip Kantor, Sheldon Adelson, Sam Ventura

Absent: Tom Spiegel, Yasmin Lukatz, , Ercy Rosen, Benny Yerushalmi

Amir Eden delivered the D'var Torah.

Paul Schiffman delivered the enrollment report. To date, fourteen 8th graders have signed contracts for high school. Nine 8th graders have expressed the intention to attend other high schools (two were not invited back based on poor academics; two cite social reasons; two hope to attend West Tech magnet school). There will be an open house for the school in Henderson.

The financial report was good in that revenues from tuition continue to increase, and costs per student continue to decrease. Board members noted that total income for 2012 was down from 2011, but this was due to a large gift from the Steinberg family that was recorded in 2011. Tuition income for 2012 was greater than 2011. Costs were up for 2012 compared to 2011, but this was due to larger enrollment, in turn, generating increased tuition, etc. On balance, the financial picture is better for 2012 than 2011.

The Board was presented with a gift from the Adelson family to the school of \$50 million to resolve the school's outstanding debts, and anticipated to cover up to two years of deficits going forward. The gift was accompanied by a contract with conditions for the school to observe, in perpetuity, regarding its educational and cultural focus. The Board reviewed the contract which, by its terms, is confidential; a motion was made to approve the contract; the motion was seconded; a vote was taken; the contract was approved; and the Chairman signed the contract, which was countersigned by Dr. Miriam and Sheldon G. Adelson. Sheldon Adelson did not participate in the vote; Benny Yerushalmi voted by proxy.

The meeting was then adjourned.
