*ORDER DENYING REHEARING*

Appellant/cross-respondent has filed a petition for rehearing of this court's March 30, 2022, Order of Affirmance. We conclude rehearing is unwarranted. NRAP 40(c). One of the grounds on which appellant/cross-respondent seeks rehearing is based on the assertion that this court misapprehended a material fact regarding when Jonathan Schwartz saw the Adelson middle school sign. The record in this regard is unclear, but even if this court views the record as proposed by appellant/cross-

respondent, that fact is immaterial considering the other evidence that Jonathan was on inquiry notice of the breach of the naming rights agreement. Accordingly, rehearing is denied. NRAP 40(c).

It is so ORDERED.
